I am a quadrillionaire chapter 2284-At the same time, an introduction appeared in David's mind.

After Divine Realm would be Overlord Realm.

Overlord Realm was also divided into three ranks.

The first rank of the Overlord Realm was Supreme Overlord Rank, the Ancient Overlord Rank, and finally Heavenly Overlord Rank.

"So, it turns out that Overlord Realm is after Divine Realm. I wonder what is after Overlord Realm?" David murmured.

Now, he could be regarded as someone halfway into Overlord Realm.

Divine Realm was nothing to him.

'There won't be a lot of partial Overlords in Leila, right?

'So it means I am safe if I go to Leila in the future.

'At least I won't worry about anything.'

After he stood up and moved his body, David came out of seclusion.

There were still two beautiful female disciples from the Iridescent Sect guarding the gate to the courtyard.

When they saw David come out, the two immediately showed surprise.

They quickly knelt and cried respectfully, "Greetings, Master

David!"

"Greetings, Master David!"

"Get up now. Thank you for your hard work." David waved his hand and an invisible force lifted the two.

"It's no hard work! It is our blessing to do something so trivial for Master David."

David nodded.

When he was back a few months ago, he knew from Nova that Sid had hyped out the news about him killing Azul and saving the Star Kingdom.

Today, he had probably become the national idol of Star Kingdom.

It could be seen from the stars in the eyes and the adoration on the faces of the two female disciples of the Iridescent Sect.

“No matter what, I still want to thank you! Take me to see Lady Dream first! I have something to discuss with her.”

“Yes, Master David, please follow us.”

David followed the two to the study of the Iridescent Sect’s head.

However, Nova was not there.

The two female disciples of the Iridescent Sect immediately contacted Nova.

Nova was holding a meeting with the Iridescent Sect’s cores in the Great Hall of the Iridescent Sect.

Suddenly, she received the news.

As soon as she heard that David had come to look for her, she quickly asked the two disciples to take David to the study for a rest and she would be there soon.

Immediately after, she announced the temporary end of the meeting, leaving a group of confused cores behind. They all looked at each other. They had no idea what had happened that would allow the head to stop the meeting halfway and leave them there.

Not long after David was in the study, Nova rushed over.

“David, it’s only been a few months. Why are you out again?” Nova asked, panting.

She came here as fast as she could.

According to Nova's knowledge, eight to ten years of seclusion were nothing for Saints. Some could do it for hundreds of years at a time.

However, when it came to David, he came out every ten days or half a month. This time was better as he was in seclusion for a few months.

Yet, compared to other Saints, who would stay in seclusion for decades, this was really pitifully short.

It was unknown what he was doing.

Did he practice hard?

Didn't David know that if he could not make a breakthrough

in 300 years, Star Kingdom would be doomed once the people from the Feather family got here?

Nova shook her head secretly.

David was still too young, after all.

He could not concentrate.

He could not hold himself back from not seeing his girlfriends for a few months.

Even if he was talented, he could not shoulder heavy responsibilities at critical moments.

Maybe he would only know the importance of time after he grew up for a while.

He should start practicing hard now and hopefully, he would make it then.

During the period of seclusion, David came out frequently and was considered by Nova to be young and lacking in concentration.

However, she had no idea that David's current strength had surpassed Divine Realm, beyond Saint Realm, and even reached the partial Overlord Realm.

Even if the Feather family came in full force, they would be like a small ant's nest that could be crushed with a light kick, let alone if they sent only one person.
