I am a quadrillionaire chapter 2484-After he finished drawing, Thor picked up David's portrait and showed it to the little girl.

"Pebbles, does this look like your big brother?"

The little girl stared at the portrait in Thor's hand and a strange light appeared in her eyes.

The person in the portrait was indeed similar to the Davey in her mind.

She was pretty sure it was Davey.

"Yes! This looks like Davey! Sir, you didn't lie to me! You really know Davey," the little girl squealed in surprise.

"See? I told you I knew him, but you still refused to believe me!" Thor laughed.

At the same time, he also breathed a sigh of relief.

He finally got Pebbles to stay.

If it were not for his drawing skills, he would not have been able to convince this vigilant little girl.

Moreover, Master David was in seclusion now and Thor had no idea when he would come out again.

He could not bother Master David so he could only wait.

"I trust you now. This is great! I've been looking for Davey for a long time, and now I'm finally meeting him. I am so happy!"

As the little girl said that, tears welled up in her eyes. She almost burst into tears.

She was exhausted.

Since she promised Davey not to steal anything, she had not eaten much since she entered The Spirit Cage.

She had to be wary of those bad guys and protect herself too.

The only belief in her heart was that she hoped to find Davey soon and live the good life in her memories.

As time passed, she could not find any trace of Davey.

Later on, the little girl gradually realized that perhaps Davey was not in this city at all.

She wanted to look for him in another city, but she did not know where to go.

Just when she was losing hope, things took a new turn and she saw a glimmer of hope in her darkest hour.

She met someone who knew Davey.

The little girl was so excited that she almost cried.

"Pebbles, don't cry. Good girl. Go back with me first, take a shower and change your clothes. After that, we can wait for Master David, all clean and tidy, okay?"

"Okay!" Pebbles nodded.

After confirming that this man truly knew Davey, she let down her guard.

Since David was so nice, his friends must definitely be nice too.

Thor took Pebbles back to David's mansion where he was living in seclusion.

When he was halfway there, he told Beanie to come back quickly.

Pebbles was a girl.

Although she was young and was just four or five years old, he still had to avoid arousing suspicion where possible.

Beanie must be the one to help her shower and change.

Not long after the two arrived, Beanie came back in a hurry.

After receiving Thor's urgent notice, she thought they received an order from Master David, so she did not dillydally. She dropped the work in hand and rushed back in a hurry.

She was about to ask Thor why he asked her to come back, but then her eyes fell on Pebbles beside him and she could not avert her eyes anymore.

At this time, the stains on Pebbles' face had been washed away, revealing her cute little face that looked like a porcelain doll.

Of course, Beanie could also tell that the little girl in front of her was exactly the same as the little Pebbles who was spoiled rotten by Master David.

However, she did not know that the two were the same person.

After all, Pebbles was a teenager when she left.

The little girl in front of her was only four or five.

She could not connect the two.

However, Beanie already had some guesses in her mind.

The two must be related in some way.

Otherwise, how would two strangers look so similar?

Only when there were similarities in their genes could they look so similar.
