I am a quadrillionaire chapter 2528-The more experienced a powerhouse was, the less people would want to provoke them.

Anyone had the means to save their lives.

Of course, unless she had the strength to crush the other party, Agatha would not want to provoke that experienced partial Overlord of the Birch family.

Salem was smiling bitterly.

He had given up in his heart.

What could he do when he was being pressured by someone at the level of a grandmaster?

He could not do anything but obey.

Should he give up everything just for David? Should he even give up his life?

Clearly, that was impossible.

He did not even know David for so long. He was only fond of David and figured he had a promising future so he wanted to invest in him.

Even if they had been friends for many years, it was still impossible in this situation.

Salem let out a helpless sigh and was about to give up, when he heard a clear and loud voice.

“Who dares to act so recklessly in the mayor’s residence? Get lost now! Do you think you can stir up a row here?”

Captain Longer of the Amber City law enforcement team came forward with the law enforcement team.

When Salem heard this voice, he had a bad feeling in his heart.

He was at least the core senior of his family and he had an experienced partial Overlord who had been famous in Leila for a long time. That Overlord had a lot of experience and a lot of forces would pay respect to him.

However, what did Arian have?

He was just the captain of a mere law enforcement team.

He did not have any intimidating background behind him.

He might lose his life here for daring to say something like this in front of the partial Overlord of the Marche family.

Salem regretted asking Arian to improve his relationship with David.

Otherwise, how would this difficult situation arise?

Of course, he did not think that things would escalate to this stage.

“Arian, you have no right to speak here. Get lost now!” Salem criticized loudly.

When Arian walked in, he saw blood on the corner of Salem’s mouth.

He thought to himself, ‘The mayor is hurt! Who dares to hurt him?’

In addition to Salem asking him to get lost, he immediately felt something was off.

“M-Mayor!” Arian stammered.

To be honest, he knew that the people who dared to come to the mayor’s residence at this time were from the Campbell and Marche families.

However, he figured that since the mayor dared to go against the two major families for David, why couldn’t he bet on this too?

So, he brought his confidants over.

Yet, he did not expect the mayor would ask him to get lost.

This made Arian realize that things might not be as easy as he imagined.

“Get lost right now!” Salem yelled again.

On the other side, Egan and Agatha turned their eyes to Arian.

“Who’s this?” Agatha asked.

“Lady Agatha, this is the captain of the Amber City law enforcement team and Salem’s right-hand man,” Egan replied.

“Kill him,” Agatha ordered immediately.

“Yes, Lady Agatha.”

After Egan said that, he immediately took action. He then rushed toward Arian as fast as lightning.

He could kill Arian with no problem.

He would be fine as long as Agatha did not ask him to kill David.

He was still skeptical of that kid’s identity so the best thing for him to do now was to wait and see.
