I am a quadrillionaire chapter 2815-“Master Jagger! Since you can’t use force on Miss Jade, you can make her follow you willingly. Then even if your uncle finds out, he can’t do anything to you. After all, none of you are married and you’ve consented. So, no one can say anything about it!” Maverick suggested after coming back to his senses.

“But how can we get Miss Jade to come to me on her free will? We don’t know each other! Besides, she is from a big city, and she is not an ignorant little girl.

Although I am Village Pott’s younger chief, I only have power in this small piece of land.” Jagger asked distressingly.

He was really fascinated by Miss Jade.

Until now, he had never wanted to have a woman so much.

However, since he could become a young chief, Jagger was no idiot either.

He was self-aware.

Jade was from the big city, so she must have met a lot of dignitaries.

If he were Village Pott’s village chief, he might be able to impress her.

The position of the younger chief sounded scary, but he actually did not have much authority.

As long as he did not get promoted to village chief, he might be replaced at anytime.

“Master Jagger, with your charm, I believe Miss Jade will be conquered by you sooner or later as long as you interact more with her,” Maverick said flatteringly.

“No matter what, let’s go! We should meet Miss Jade first.” Jagger waved his hand.

Although he did not dare to mess around here at Nightly Desires, it should be fine meeting her.

As Village Pott's younger chief, he should be able to do this.

The two of them immediately left the private room.

Then, they directly found the person in charge of Nightly Desires. She was a middle-aged woman, but was still charming.

"Margie greets you, Master Jagger," the person in charge of Nightly Desires said respectfully.

"I want to see Miss Jade. Go make the necessary arrangements," Jagger stated his purpose.

"Master, Miss Jade has just finished her performance and is taking a break. Do you think you can come back at another time?" Margie asked helplessly.

"Don't worry, I just want to see her, nothing else."

"But Miss Jade is on break, so Master, can you come back tomorrow?"

"Say it again," Jagger said calmly.

Margie was shocked. She knew that Jagger was infuriated.

At this time, she had no choice but to suffer in silence.

The big boss hired Miss Jade and he also ordered that Miss Jade could not be forced to do anything she did not want to do.

At the same time, she could not upset Miss Jade, or else she could be the one to be blamed.

Margie did not dare to offend Jagger, but at the same time, she also did not dare to go against what the big boss said.

"Please calm down. Master! I have no choice. The big boss has personally told me that we can't force Miss Jade to do anything she doesn't want to. Please forgive me." Margie summoned up the courage to say.

Now, the only thing she could do was find a way to make the younger chief leave first, and then report the situation to the big boss so that he could resolve it.

The only one who could suppress the younger chief was the big boss.

Otherwise, the younger chief would turn the entire Nightly Desires upside-down.

Jagger was stunned when he heard this.

Of course, he knew who the big boss Margie was talking about.

It was his uncle.

He did not expect his uncle to pay attention to Miss Jade.

This would be troublesome then.

He thought that as long as he did not do anything reckless, his uncle would not know.

“Since this is your big boss’ order, I won’t make this hard for you. Didn’t he say not to force Miss Jade? I won’t then. Go tell her that Jagger, the younger chief of Village Pott, wants to see her now and see if she’s willing to come out,” Jagger lowered his tone.

“Well... Okay! Please wait. I’ll go ask her if she’s willing to come out.” Margie hesitated for a while and in the end, she agreed to ask for Jade’s opinion.

The younger chief was willing to back down, and if she kept being so overbearing, it would be too disrespectful.

If she wanted to continue to stay in Village Pott, Margie should not offend Jagger.

“Go now. I’ll wait here.”

I am a quadrillionaire chapter 2816-After Jagger finished speaking, he waved his hand and motioned for the other party to go quickly.

Margie turned and left.

Soon, she went to the top floor of Nightly Desires.

This used to be a place where the big boss would rest when he occasionally visited, but now, it was given to Jade.

This showed how much the big boss valued Jade.

Margie knocked on the door.

She would only do this when meeting Jade. When meeting other women at Nightly Desires, she would just push the door open and enter.

“Who is it?” Jade’s maid asked from inside the room.

“I’m Margie. I want to meet Miss Jade.”

“She is resting now. You can talk to her tomorrow!” The maid did not show the owner of this establishment any respect at all.

“Please report this to Miss Jade, Miss Cherry. I have something urgent to tell her,” Margie said quickly.

How would she explain to the younger chief if she just went back like this?

She would not be able to work in Village Pott anymore if she offended the younger chief.

“Wait!”

After Cherry finished speaking, the room fell into silence.

Creak!

After a while, the door opened.

Cherry stood in the room and said, “Miss Jade asked you to come in.”

“Thank you, Miss Cherry!” Margie said politely before entering the room.

The room was very large.

This was the place where the number two of Village Pott occasionally came to rest and it occupied the entire top floor of Nightly Desires.

Cherry took Margie through two rooms and arrived at the place where Jade was resting.

She then said respectfully, “Miss, Margie is here.”

“I got it. Cherry, please go out first,” Jade replied softly.

“Yes, Miss!” Cherry left the room.

Then, Jade and Margie were the only ones left in the house.

At this time, there was a layer of translucent gauze between the two of them.

Margie could only faintly see a figure sitting across from her, but she could not make out Jade’s appearance.

Even Margie, the person in charge of Nightly Desires, had never seen Jade’s true face, let alone the others.

Perhaps only the big boss had seen her face!

Sometimes Margie wondered why the big boss would hire such a diva.

“Margie greets you, Miss Jade,” Margie said politely.

“What’s the matter?” Jade asked.

“Miss Jade, Jagger, the younger chief of Village Pott, was very amazed after watching your performance. So, he came to me asking to see you. May I know if you have time?” After Margie asked that, she nervously waited for the other party’s reply.

It would be best if she could agree.

That way, everyone would be happy and Margie could explain everything to the younger chief.

Jade would not lose anything from meeting the younger chief anyway, and Margie believed that the younger chief would not dare to mess around.

However, if Jade refused, then there was nothing she could do.

If she had to choose between the younger chief and the big boss, Margie would of course choose the big boss without hesitation.

Not just because the other person was her boss, but also because the big boss’ status in Village Pott was second only to the village chief.

Before Jagger became village chief, his status would still be miles away.
