

Quick T 101

Chapter 101: Abstinent Beast God's pampered little princess (Part 32)

"Peng——" There was blue light that exploded from his outstretched hand, causing the entire secret prison to collapse. The ice cold water poured in, but it couldn't soak Ling Xiu at all.

Luo Qing Chen leaned into his embrace and a blush slowly appeared on her face. White mist kept surrounding her and she felt her body become warm, like she was lying in bed.

There were things all around him that tried to stop him, whether it was doors or people. But wherever Ling Xiu went, all he left was a mess.

In that instant, his mind was completely empty. He didn't dodge, he didn't think anything. The decisiveness in his eyes seemed to swallow even people, making no one dare stand in his path.

He only felt the pain in the depths of his heart, it was so painful that it even became numb. The young girl in his arms shrank in and her lips slightly curled, knocking against his heart.

She couldn't die, she definitely couldn't die. There was no one in this world that could take her from his side.

He swore that even the death god couldn't do so!

"Ling Xiu——" When he came to the door, Xi Ying pulled on his clothes. She found in that moment that Ling Xiu was scattering his spiritual energy to keep Luo Qing Chen in his embrace warm.

The Beast God's spiritual energy was actually being used to keep someone warm.....

"Xiu——" The Sacrificial Spiritual Sword came out from behind him and a powerful spiritual energy sent Xi Ying flying away. The light blue sword forced her back against the ice to the side and the sword was placed at her throat.

"You——"

"Don't force me." Ling Xiu's voice was incomparably cold and his deep eyes seemed like they could freeze people.

[Ding, Xi Ying's affection has decreased by sixty. Only 0% remains.]

The unconscious Luo Qing Chen couldn't hear anything, she only heard the system's notification. A decrease of sixty, could she give full points?!

Whenever he saw that face in the past, he would think of his gentle sister. The big sister who sacrificed herself to the Sacrificial Spiritual Sword, the big sister who loved him so much.

But now he knew it was just an empty cover.

Xi Ying was Xi Ying, she was not a thought Ling Yao left in this world and was not someone he should protect.

At this time, Xi Ying was frozen in place. Her eyes filled with tears looked at Ling Xiu as she said with pursed lips, "Why? Why are you suddenly like this....."

Didn't they have a good relationship in the past? Although he was indifferent by nature, he always treated her special. As long as she needed something, he would immediately appear by her side. Although she didn't know what he was thinking, when she felt wronged, he would always sit by her side and seriously listen to her.

But now, how could it all change overnight.....

"You know, you're too like my big sister." Ling Xiu turned around and looked at Xi Ying with narrowed eyes.

Without knowing when it happened, his eyes and heart were no longer blinded.

Perhaps it was a dazzling light that illuminated his heart without any warning.

Melting away the ice and haze.

"Good——" Xi Ying bit her lip and said, "What about her? She is just a mortal, how could she be worthy of being in the Star Palace! How could she be worthy of being by your side! How could she be worthy of you wasting half your cultivation on her! How could she....."

She was screaming all the resentment and aggrievement in her heart. She saw him change in just a few days. It was like when he was looking at Luo Qing Chen, his eyes would be filled with gentleness and pampering love.

He knew that these eyes were what she had wanted her entire life.

"Based on what....." Ling Xiu took soft steps as he looked down at Luo Qing Chen's closed eyes. He revealed a soft smile as he said, "I love her."

[Ding, affection has increased by ten. Mission completion rate is now 70%.]

Chapter 102: Abstinent Beast God's pampered little princess (Part 33)

She didn't know where she was, she only knew that there was a faint peach blossom fragrance around her. It was like a gentle figure had been by her side the entire time.

Also there was.....

Someone feeding her very bitter medicine the entire time. It really was bitter.

So bitter that she knit her brows and opened her eyes.

"Wu.....Bitter.....!" Luo Qing Chen squinted her eyes and shook her head.

She saw Ling Xiu's panicked eyes. She suddenly felt a warm feeling in her heart, like she could see from his eyes how he treated her like a treasure.

"You're finally awake." He put down the bowl of medicine and softly helped her up. He let her lean against his chest as he said, "Qing Qing, sorry, I came back late....."

It was his fault, he shouldn't have left her alone in the Star Palace.

He shouldn't have thought that just having the God Punishing Sword Array would protect her.

He shouldn't have seen through his heart late and cared more about her.

"Ling Xiu——" She bit her lip and tears like broken beads kept falling down. Her voice instantly choked up, "Mo Bai.....Mo Bai, he....."

"Relax." Ling Xiu stroked her head painfully and said, "Although his soul has been scattered, it still remains. I have placed his soul in the Eternal Lotus Pond and although it will take a long time before he can wake up again, at least there is a chance. If there is a chance to go to the Heaven Race in the future, it would perhaps be even faster with a Marrow Cleansing Pill....."

He watched Mo Bai grow up, watching him grow from an ignorant boy to a handsome youth.

He used his life to protect his most important person, he admired this kind of Mo Bai and was proud of him.

"Then that's good!" Luo Qing Chen let out a sigh of relief and a smile unknowingly appeared at the corner of her lips.

But after that, she realized something.

Yi, what did Ling Xiu say just now? The Heaven Race?

[Yes!] The system's sudden outburst scared her.

So, I can save Mo Bai if I return to the Heaven Race? Where is the Marrow Cleansing Pill?

[The Heaven Race little princess' pill refining room.]

.....

"What are you thinking?" Ling Xiu saw her somewhat dazed appearance. He stroked her head with a loving gaze in his eyes, as his lips curled into a faint smile as he spoke.

Without knowing why, seeing her cute dazed appearance, those pale lips curled into a faint smile. Because his spiritual energy still surrounded her, there was a faint blue light around her robes, like there was his aura around her.

The closer he came, the more he couldn't let go.

A heart and body that had been forever abstinent was opening for her.

"I'm thinking about when Ling Xiu fell in love with me!" She revealed a faint smile. She looked up with a deep questioning gaze, looking at him standing in front of her.

He was wearing a white robe and there was a trace of exhaustion on his face. She didn't know if it was because he had been by her side the entire time during the past few days when she was in a coma.

[Few days?]

Ah? It's not?

[The host has been unconscious for half a month.]

Damn, why is it so long! Why didn't I know anything at all!

[Because you were asleep.....]

So for the past half a month, Ling Xiu has been.....

[Un, he was here all day and night, guarding you the entire time. He was afraid Xi Ying would use another trick against the host again.]

After hearing the system say this, she didn't know why she was a bit moved.

But, she should be moved.....

Ling Xiu heard this and his eyes lit up, while his handsome white face became flushed. He never thought that she would be this direct.

But thinking about what she normally said to him, she seemed to have always been this direct.....

"Un, it's probably the first time when you passed through the God Punishing Sword Array without a single injury!" His face revealed a faint smile as he asked back, "What about you?"

He actually wanted to know the answer more than she did!

He had been in a different mood from the first time he met her, then what about her?

After a while, she revealed a bright smile as a sweet voice echoed from beside him like a spring breeze, "It should be a long, long time before you!"

Chapter 103: Abstinent Beast God's pampered little princess (Part 34)

Seeing her lips curl slightly, her eyes narrowing, and a faint blush appearing on her cheeks, his heart couldn't help filling with joy.

Back when his mother married his father, she didn't hesitate to fall from the Heavenly Temple in the Nine Heavens to the mortal world, chasing that elusive love.

The past him did not believe it.

The current him did not doubt it.

He slightly raised his hand and touched her pale cheek as he said, "There is something else."

"What?" Luo Qing Chen saw a trace of worry in his eyes and she asked with knit brows.

"The ice prison is the Witch Race's forbidden area, the people locked up inside are the most evil people....." After saying this, the depth of his eyes became a bit dark. He stroked her head and said, "The ice water of the ice prison has an ancient poison of the Witch Race. Even the people who come out alive, they will not live for long."

"Ah——" Luo Qing Chen was a bit surprised. She knit her brows and said, "I don't feel anything at all....."

“It’s a kind of slow poison that will slowly corrode all the meridians in your body. If we can’t get some Tranquil Breath Grass, you will be in danger in a few days.” There was a faint glow in Ling Xiu’s eyes. Currently his spiritual energy was around her, so naturally she wouldn’t feel cold. But that didn’t mean the poison wasn’t slowly corroding her.

Luo Qing Chen slightly pursed her lips and looked up with her deep as the sea as she said, “Are you worried for me?”

She rarely saw such a focused look from him or when he looked at her with this kind of focused gaze, she would always be unconscious.

Finally she could see the deep worry in his eyes, it was like a layer of mist covering the stars in the sky.

“Yes.” Ling Xiu looked at the girl grinning in his embrace and honestly said, “We’ll set off tomorrow! We’ll go to the Beast Race and get the Tranquil Breath Grass!”

His big sister’s birthday had passed, so he had no reason to return to the Beast Race. After all, there was still Ling Shuang who wanted to kill him, as well as that group of males who had no decency at all.....

“Alright.” Luo Qing Chen replied with an honest nod.

Although she liked his Star Palace very much, that did not mean she liked Phoenix Feather City. She was still a mortal right now, it was better for her to stay away from Xi Ying.

—

Early next morning, Ling Xiu was planning to head to the Beast Race with Luo Qing Chen on his flying sword. When they came to the crystal staircase, they saw an unexpected guest.

“Su Ye?” Luo Qing Chen slightly knit her brows and looked at Ling Xiu.

Ling Xiu didn’t want to stop at all, but when she looked at him, there was a bit of blue light from his finger as the Sacrificial Spiritual Sword went down.

“Little wife.....” Su Ye came forward and there was a trace of warmth and guilt in his eyes as he said, “I divined from the stars that you would be leaving today. I already know what the Witch Lord did, but I couldn’t save you immediately.....”

He blamed himself. He said all the time that she was his destined wife, but when she was in the most danger, he did not appear.

Xi Ying had been locked up because of this matter. The crown prince wanted to go to the Star Palace to discuss how to deal with this matter with Ling Xiu, but he was directly kept out by Ling Xiu’s God Punishing Sword Array.

He didn’t have a way to go up.

“Actually I don’t blame you.” Luo Qing Chen’s expression relaxed slightly as she said, “Because I am only a mortal, naturally I can’t be as important to the Witch Race as the Witch Lord. However——”

Her cold eyes narrowed and the chill coming from her body hit Su Ye as she said, “You must settle accounts for Mo Bai’s death.”

Chapter 104: Abstinent Beast God's pampered little princess (Part 35)

Su Ye honestly nodded at Luo Qing Chen and said, "I definitely will."

He didn't have a high cultivation like Ling Xiu, nor was he mature and steady like his big brother, but he was very good to people. He would not neglect even a single maid. He thought that this kind of him would be able to move his little wife, but he never thought that she would only have Ling Xiu in her eyes.

From beginning to end, there was only him.

Luo Qing Chen nodded without saying anything before turning back to Ling Xiu to keep moving forward.

After standing back on the Sacrificial Spiritual Sword, she didn't even look back once.

Ling Xiu gave a slight nod to him and with blue light from his right hand, he disappeared into the clouds.

Su Ye stood there and he couldn't help revealing a hurt look. Their nod, it was like they were saying goodbye. A feeling of lost hit him like a wave.

"Thinking about it now, I should have brought you out of Phoenix Feather City earlier." Ling Xiu's expression changed slightly, looking a bit strange.

Although Luo Qing Chen didn't see it, she could tell from his voice. His expression definitely had to be a funny one of jealousy.

"Why?" Luo Qing Chen tilted her head and deliberately asked him this.

"Knowing and still asking." As if guessing her thoughts, his lips curled slightly as he said, "Qing Qing, you're quite naughty."

When his voice fell, he waved his right hand and faint blue light appeared. The Sacrificial Spiritual Sword under their feet seemed to have received some kind of instruction as it began moving as fast as the wind.

"Aiya!" Before Luo Qing Chen could react, her hands were tightly holding his waist. She said while biting her lip, "I was wrong, I was wrong. Slow down, I am still a child, I don't know anything....."

Ling Xiu's lips revealed a faint smile as he slowed down. Of course, it was not because of her cute words, but rather because she was still injured.

"Hu——" She let out a long sigh of relief as she thought: So being a child still has its uses!

After that, when she planned on taking her hand back from Ling Xiu's waist, his clear as water voice rang out, "Don't move."

It was for no other reason, he just felt that being hugged by her was quite good.

[Ding, affection has increased by ten. Mission completion rate is now 80%.]

Hey! Such a powerful child! It actually increased affection!

It was finally an increase in affection that wasn't at the edge of life and death. So some small normal things could also warm people's hearts.

For example, just like how she was leaning into his embrace like a little girl.

—

The Beast Race couldn't compare to the Witch Race. The Beast King Ling Shuang was very cold and aloof, but his methods were very decisive. His personality wasn't like this in the beginning, but this change was very related to Ling Yao's death.

Of course, other than the Beast King Ling Shuang, the other people of the Beast Race were quite gentle. For example, the large and furry tiger in front of you!

"Yi?" Luo Qing Chen rubbed his head as she asked Ling Xiu beside her, "Other than you, are the other Beast Race all little beasts?"

Comparing them like this, she felt Ling Xiu was quite handsome!

"This....."

Before Ling Xiu could finish, the little beast in front of her jumped up and turned into a person in front of her.

The person in front of them had delicate facial features. There were two little tiger fangs that appeared when he smiled and there were also faint dimples.

"Aiya, hey!" Luo Qing Chen couldn't help leaning against Ling Xiu as she said, "Scaring me to death!"

This was her first time seeing a tiger turn into a person in front of her!

Aiya, her little heart!

Chapter 105: Abstinent Beast God's pampered little princess (Part 36)

"Big brother Ling Xiu, this little girl's really quite timid!" Liu Guang looked at Luo Qing Chen and the corners of his lips turned into a spring breeze like smile.

It was a nation collapsing beauty, pure and moving.

"Stop teasing her, she is not someone from the Beast Race." Ling Xiu's expression was a bit serious because he knew that Beast Race people had strong desire towards women. So, he used his mind to call out Liu Guang first.

He never thought that the little brother he had loved since he was young actually looked at Luo Qing Chen with a different gaze.

As expected, this kind of face that could dazzle people, it was better not to casually take it out.

It was better to put it at home. When this was all over, he would find a new paradise and build a new Star Palace.

“Then what race is she, someone from the Witch Race?” Liu Guang seemed like he didn’t see the faint anger in Ling Xiu’s eyes as he already looked at Luo Qing Chen with eyes of desire and said, “Are the girls from the Witch Race all this good looking? Big brother Ling Xiu, introduce me to a few of them next time.....”

He looked up and that smiling face was instantly frozen. Looking Ling Xiu with an emotionless face and dark eyes, he said, “Big brother, big brother, I was wrong. I’ll immediately do whatever you want me to do, just don’t look at me like that. I’m afraid.”

Liu Guang had been following Ling Xiu since he had any form of knowledge, only he didn’t follow Ling Xiu to the Witch Race. It wasn’t that he didn’t know Ling Xiu’s personality, cold, indifferent, and most importantly, abstinent.....

As the Beast Race with more males than females, a female could serve many males at the same time to give them more children. This made females quite valuable among the Beast Race, so rather than females picking males, it was males picking females with the Beast Race.

Then again.

Over half the females of the Beast Race all liked Ling Xiu and were willing to become a female companion to only him.

However, Ling Xiu did not agree to a single one of them.

So in Liu Guang’s heart, Ling Xiu was a strange abstinent Beast God.

But he never thought that he would bring a girl back to the Endless Temple. If this was spread, it would break the hearts of many Beast Race women!

“Un.” Ling Xiu said with a soft nod, “I am going to the Spirit Spring Pavilion.”

“Why is big brother Ling Xiu going to the Spirit Spring Pavilion?” Liu Guang was a bit confused. The Spirit Spring Pavilion was the Beast Race’s sacred ground. That place gathered the energy of the Beast Race and was normally used for large scale techniques or forbidden techniques.

“I want to use a forbidden technique.” Ling Xiu knit his brows, this was the second purpose he had bringing her to the Beast Race.

“Big brother, don’t scare me! What forbidden technique do you want to use?” Liu Guang was scared by his serious expression, his face even became a bit pale.

This big brother Ling Xiu of his already couldn’t see eye to eye with the Beast King. If he were to head to the Endless Temple and used a forbidden technique in the Spirit Spring Pavilion, it would become a bloodbath!

“Unbreakable Soul.” He slightly narrowed his eyes. He looked at the confused Luo Qing Chen on the side and stroked her head as he said, “Don’t be afraid, it’s a small matter.”

“What? The Unbreakable Soul is a small matter?” Liu Guang took a step back in fright and said, “Also, big brother Ling Xiu, can you not be that loving when stroking someone’s head? I am a male and I still can’t take it!”

Liu Guang's meaning is that he was still single, alright? There was still no girl that loved him, alright? He was still alone, alright?

"Stop chattering, Ling Shuang will know I'm here soon. We have to prepare the forbidden technique before he comes." Ling Xiu directly took Luo Qing Chen's hand and stepped on the Sacrificial Spiritual Sword, flying towards the Spirit Spring Pavilion.

Chapter 106: Abstinent Beast God's pampered little princess (Part 37)

The Spirit Spring Pavilion was an ancient crystal palace. There was a Beast God barrier outside and once someone broke in, Ling Shuang would know about it.

So, he needed Liu Guang to stay outside and use his spiritual energy to cover him, giving him some more time.

The 'Unbreakable Soul' was a high class forbidden technique among the Beast Race. Only someone with the Beast God Bloodline could cast it and Ling Xiu was one of them.

The Spirit Spring Pavilion was a secret pavilion filled with different parts. There was a large pool of blood inside, formed by absorbing the heaven and earth spiritual energy for thousands of years.

"Qing Qing, come over." Ling Xiu beckoned at her as he spoke.

She was a bit surprised. The words 'Unbreakable Soul' seemed a bit profound to her.

Moreover, it was a Beast Race forbidden technique, she didn't know what Ling Xiu wanted to do! But she kept feeling that her heart couldn't calm down.

System, system, come out!

[The Unbreakable Soul is one of the Beast Race's forbidden techniques! Simply put, it's using one's spirit to maintain a life.] The system knew what she wanted to ask and directly answered her.

Can you make it a bit more clear?

[Ling Xiu is using this forbidden technique to link his spiritual energy to your meridians and your soul. In front of the ancient god, he is taking back life and death.]

So, what use does taking life and death do?

[One, he can always know where you are. Two, if he dies, all his remaining spiritual energy will quickly flow into your body. However, if you die.....]

?

[He will also die.]

The system's final four words made her tremble and she couldn't help but take a step back.

"Quickly come over, Liu Guang can't hold on for long." Ling Xiu knit his brows seeing her take a slight step back. He could see the look of unsettlement and panic in her eyes.

“Do you need to use this kind of forbidden technique?” Luo Qing Chen took another step back and tears began to fall out of her eyes.

Perhaps it was in that moment, she truly felt Ling Xiu’s deep feelings.

It was a kind of deep feeling of silently doing many for you, being filled with his love and warmth.

“Un humph.” Ling Xiu made a grunt and light blue light flowed out of his hand to form an invisible rope, pulling her to his side.

“Ling Xiu!” Luo Qing Chen called out in surprise, but she couldn’t move at all.

She wasn’t willing to have him use this forbidden technique for her, this kind of abnormal forbidden technique.

“What are you afraid of?” He narrowed his eyes and looked into her clear as water eyes. His lips had a grin filled with warmth and love as he said, “Just live properly, there is no meaning to this forbidden technique.”

He was not willing to take a single risk in this life, letting her leave his side again.

Definitely not!

“But——”

Before Luo Qing Chen could finish speaking, Ling Xiu’s blue spiritual energy surrounded her. The two of them sat face to face on the lotus flower platform in the center of the pool of blood.

After that, the lotus flower platform erupted with golden light. She saw Ling Xiu slightly raise his hand before placing it in her palm. After a while, there was a faint blue glow that ran through her meridians and a slightly painful feeling ran through them. It was like a powerful force was flowing through her blood into her body.

“Si——” She bit her lip and her white fingers trembled.

“It should hurt a bit.....” Seeing her slightly knit her brows, he couldn’t stop his heart from hurting a bit. But in order to keep her by his side forever, he felt that everything he was doing right now was worth it.

Chapter 107: Abstinent Beast God’s pampered little princess (Part 38)

“Big brother Ling Xiu, the Beast King is here.” Liu Guang suddenly shouted from outside, causing Ling Xiu on the lotus flower platform to knit his brows.

He slightly raised his hand and while he was a bit surprised, he tapped her forehead and said, “Silly, open your eyes!”

Luo Qing Chen’s brows moved and her lashes gently trembled as she slowly opened her red eyes.

Before they even opened, tears poured out.

“Don’t cry, you just need to take good care of yourself. Wouldn’t I be fine then?” He looked up and his smooth hands wiped the tears from her face. His lips curled into a faint smile.

“Un.” Her voice choked up and was snorting her nose as she nodded.

—

“Ling Xiu, you actually have the face to return to the Beast Race!” Ling Shuang’s rough and bloodthirsty voice came from outside.

Ling Xiu knit his brows and his right hand came to Luo Qing Chen’s waist. He jumped off the lotus flower platform and softly landed on the ground.

After taking a deep breath, he walked out of the Spirit Spring Pavilion holding Luo Qing Chen’s hand. He narrowed his eyes as he looked at Ling Shuang.

“Yo! Such a beautiful little girl!?” Ling Shuang’s lips had a dangerous smile as he looked at Luo Qing Chen and said, “Long time no see?”

Luo Qing Chen’s breath stopped, naturally she knew who this person in front of her was. After all, this dangerous Beast God had been clearly recorded in the previous host’s memories. Back then, it was Ling Shuang who offered a large reward to have her kill Ling Xiu with the Nether Flame.

A person that was very terrifying and dangerous.

Ling Xiu’s face turned dark, like there was a storm brewing. The dark look in his eyes could almost freeze people. He pushed her behind himself and vigilantly looked at Ling Shuang.

Ling Shuang casually gave a shrug and his eyes that could see through everything looked at Ling Xiu, “No wonder, you’re willing to do this kind of crazy thing for her. I saw the purple and red over the Spirit Spring Pavilion and knew that someone had used the forbidden ‘Unbreakable Soul’ technique. Other than father, there is only you and me in the Beast Clan who have the cultivation to do this. If there was a fourth person in this world who knew this forbidden technique, I definitely wouldn’t have suspected you.”

He knew that Ling Xiu didn’t remember this Luo Qing Chen and he didn’t know that his heart was hers.

Suddenly, he felt this was a bit interesting.

He only saw Ling Xiu give a slight nod with that face that seemed like a masterpiece carved from the world’s best jade. Although his face was a bit pale, it didn’t weaken his aura at all. It seemed that by casually standing there, he would have a noble aura that was like that of a king that ruled the world, looking down on all smaller beings.

“Ling Shuang, since you are here, I’ll be frank.” Ling Xiu’s cold eyes looked up at him and said, “I need the Tranquil Breath Grass.”

“Ling Xiu.” Ling Shuang gave a cold snort and said, “You think that you can leave here alive?”

“I can end myself with you, but she will live and that’s enough.” His face was incredibly cold, like there wasn’t a single trace of blood. There was a determination rarely seen by people in his eyes.

“Ling Xiu.” Luo Qing Chen was stunned. She pursed her lips a bit and softly pulled on his belt.

“Be good.” He placed his hand on her palm and softly stroked it.

Ling Shuang slightly knit his brows. He understood his little brother, if he wanted to do something, there was nothing he couldn't do.

“Alright, how about we make a deal?” Ling Shuang's lips curled into an evil smile as he spoke.

“Speak.” Ling Xiu looked up, speaking very concisely.

“I can let you into the Snow Mountain to pick the Tranquil Breath Grass, but you need to agree to something.” Ling Xiu's expression changed as he said, “Only the two of us can hear about this matter.”

Chapter 108: Abstinent Beast God's pampered little princess (Part 39)

Luo Qing Chen didn't know what they talked about, she just knew that when they came back, they didn't have good expressions on their faces.

“What deal did he want to make with you?” She slightly knit her brows, as her eyes revealed a worried look.

She couldn't see through Ling Shuang. The original host's death wasn't unrelated to Ling Shuang.

“The Beast Race's matter, going to save our father.” Ling Xiu's expression changed slightly and he looked at her with loving eyes as he said, “Go with Liu Guang to the Beast Race's Dark Spear Tribe, that is where Liu Guang lives. I'll go get the Tranquil Breath Grass from Snow Mountain and I'll be back very soon.”

When looking at her delicate face, there was an unwilling look that appeared in his eyes. He really didn't want to leave her, not one bit.....

“Will it be dangerous?” Luo Qing Chen gave a slight nod as her eyes began to mist over.

She was a bit afraid and a bit unsettled.

“Relax.” His lips curled into a faint smile and he gently stroked her hair while saying, “For you, I will definitely come back.”

After that, with a wave of his right hand, the Sacrificial Spiritual Sword appeared in front of her eyes. The sword flashed with a light blue glow, being as cold as his personality.

She took a deep breath and obediently nodded. She believed him, he definitely wouldn't throw her away.

But watching his back disappear into the woods, she couldn't control her tears as they began falling down.

Her heart was empty. She kept feeling that once he was gone, they would never meet again.

After Ling Xiu left, Liu Guang quickly came in front of Luo Qing Chen. Although he was very afraid of the Beast King Ling Shang, for someone Ling Xiu wanted to protect, he definitely could not retreat. Not to mention it was such a beautiful little girl.

Ling Shuang's evil eyes slightly narrowed and his lips had a very dangerous smile as he looked at Luo Qing Chen.

She looked up without any fear and locked gazes with him. Those indifferent eyes seemed to pass through his layer of defenses, reaching the depths of his heart.

Ling Shuang seemed to have sensed something and his lips slightly curled as he said, "Interesting."

After saying this, he waved his left hand and with a flash of red light, he disappeared from outside the forest.

"Hu——" Liu Guang let out a long sigh of relief. He looked at Luo Qing Chen beside him and said, "That really scared me to death, I almost thought I would be done here."

"He won't kill me." A faint glint appeared in Luo Qing Chen's eyes as she spoke, "But he will use me to tie down Ling Xiu."

Yes, he would definitely do it!

Snow Mountain wasn't far from the Endless Temple, but to reach the Tranquil Breath Grass, they needed to pass through an Illusory Dream Barrier.

You could see the happiest time in your life inside there, whether you remember it or not. You could see it all clearly through the Spirit Guiding Mirror inside the Illusory Dream Barrier.

If you can walk out, you could obtain the Tranquil Breath Grass. If you fell into the Illusory Dream Barrier, you would die in there.

Ling Xiu's most happy memories was the time he spent with her in the Star Palace, so before he went into the Illusory Dream Barrier, he used spiritual energy to seal the emotions of this memory.

This way, he wouldn't fall deeply into it.

He didn't do this because his will wasn't strong enough, but rather because that person had been forever imprinted in the depths of his heart, never leaving him.

But what he didn't know was that his happiest time was not the time spent in the Star Palace.

Rather it was three years ago in the Profound Ice Grave that he had already forgotten, the time when he didn't have a heart.....

—

At the same time, the Witch Lord Xi Ying had escaped from the Witch Race and was headed to the Eternal Temple.

She definitely, definitely wouldn't give Ling Xiu to anyone. She would definitely steal him back.

She could bring him back to the Witch Race a hundred years ago, she could do it a hundred years later!

Chapter 109: Abstinent Beast God's pampered little princess (Part 40)

Standing at the entrance of the Illusory Dream Barrier, Ling Xiu felt his heart beating out of control. All the blood in his body surged, like there was a door of mystery in front of him.

He knit his brows and looked up slightly as he moved forward.

The Soul Guiding Mirrors inside the Illusory Dream Barrier shimmered. The golden light shimmering on the surface of the mirrors seemed to be shooting out experiences from his life.

Fighting with Ling Shuang since they were young, Ling Yao smiling at him with a faint smile, when he blocked the Divine Law Bead for Xi Ying, and the first time he met Luo Qing Chen.....

After that, all the Soul Guiding Mirrors converged into a light blue glow and turned into the same image.

His heart was beating incredibly fast and his brows were tightly knit because he had no memory of this image in his mind.

It was a place that he had never been in, but it was so familiar.

The mirror reflected the Profound Ice Grave formed from thousand year old Profound Ice. There was a faint glow that was like ghost flames shimmering in the ice. They surrounded a corpse that had a fierce face and had died a tragic death, but the cause of death was strange. He died because his heart had been dug out.

After that, a young girl appeared in the mirror. She was wearing white clothes and was covered in killing intent. Her brows were slightly knit and there was a pair of clear eyes under those long lashes.

Instantly, the breath of Ling Xiu standing in front of the mirror froze as he muttered, "Qing Qing."

The picture in the mirror changed and the young girl was surrounded by a large group of monsters. They had no faces, no features, they were just a mix of blood and black hair. Blood fell drop by drop onto the ground.

The young girl knit her brows and used incredible speed to dodge their attacks. The dagger in her hand drew blood, with each slash being fatal. After a few rounds, the ground under her was already covered in corpses.

She was panting and there were several claw marks on her body from the monsters, dripping fresh blood. Her white clothes had already been dyed with blood, shocking anyone that saw it.

But the monsters didn't stop attack, choosing to swarm her again.

She only had a helpless bitter smile and her eyes twinkled as she waited for death to come.

No one would expect that after that, the monsters would be thrown away by a powerful spiritual energy. A few monsters of hair and blood slammed into the ground and after twitching a bit, they no longer moved.

The young girl looked over and a light blue glow from the stone wall shined onto her face. She lifted her hand and looked at the light, seeing the blurred figure in front of her.

A young man covered in light blue light and a handsome face, with thin lips and hands covered in blood was looking at the young girl in front of him in a daze. He stuttered as he tried to say, "Who....."

Ling Xiu standing in the Illusory Dream Barrier was stunned. He knew the youth in the mirror was him.....

The scene in the mirror changed, they had been forced into a corner of the Profound Ice Grave by the monsters of blood and hair with a dark hole they couldn't see the bottom of behind them. The young girl looked at the youth tightly holding onto her before she looked up with a faint smile and said, "Are you prepared to go through life and death together with big sister?"

The youth was stunned, there was a gentle dazed look in his eyes.

"What, you're not willing?"

"No.....Die, we'll die together."

The young girl pursed her lips into a smile, "You truly are a fool."

After that, the monsters of blood and hair in front of them charged out at them. The young girl grabbed the youth's hand and jumped. One could only see her blood dyed white robe falling into the darkness without a trace.

Instantly, the golden light of the Illusory Dream Barrier disappeared and the area fell into a deathly silence.

"What happened after!" Ling Xiu's heart skipped a beat as he roared out.

His mind kept thinking of what Luo Qing Chen had said to him before.

He asked her, when did she all in love with him?

She said: It should have been a long, long time ago.

So their first meeting was not in the incomparably bright Star Palace, but rather in this Profound Ice Grave surrounded by death.

Chapter 110: Abstinent Beast God's pampered little princess (Part 41)

It was like the Soul Guiding Mirror heard Ling Xiu's shouts and the dark mirror instantly lit up again.

But the scene in the mirror was not the Profound Ice Grave, but rather Phoenix Feather City he was most familiar with.

The sky was filled with lightning, filling it with colour. Xi Ying was wearing a purple robe and the purple glowing witch staff in her hand had a faint killing intent to it. The youth had his eyes closed peacefully as he sat on the crystal platform, waiting for the sacrifice ceremony to begin.

After a while, a young girl covered in blood was dragged onto the sacrifice ceremony platform. Her face was pale and her clear as water eyes looked at the youth on the platform, with a faint smile on her face.

There was no fear and no regret. She was only unwilling over the fact that she couldn't tell him that she loved him.

Instantly, Xi Ying's lips curled into a smile and purple spiritual energy pulled the young girl up.

She raised her left hand and her fingers formed a claw, digging out her heart without any hesitation. The purple glowing witch staff in her right hand slammed down on her bloody body to send her off Phoenix Feather City.

With this, the Soul Guiding Mirror completely dimmer. Ling Xiu's right hand softly held his chest and he fell down.

There was a layer of mist over his deep eyes and his voice trembled as he said, "Qing Qing, so my heart is actually yours....."

Ling Xiu felt a wave of pain in his heart. He had taken her heart and cruelly locked her outside the God Punishing Sword Array, causing her to be heavily injured. He had bullied her to this extent.

Instantly, the surrounding mirror filled with dazzling golden light and trapped him inside. All his thoughts instantly froze and he could only be swallowed by the endless light.

"Ling Xiu." After that, a heartrending voice called out, entering his ears. The Unbreakable Soul in his meridians lit up with a faint blue light.

His mind instantly awakened and there was a trace of blue light that flashed in the golden light around him.

He couldn't die, he absolutely couldn't die. He had to go to the Snow Mountain, he needed to get the Tranquil Breath Grass, he had to save her."

"Un humph." With a groan, the blue light around him turned into a powerful energy that scattered the golden light.

"Ping, ling, pi, pa——" All the mirrors instantly shattered and the Illusory Dream Barrier slowly faded.

There was the Snow Mountain not far in front of him. His eyes were cold as he flew towards the Tranquil Breath Grass.

What he didn't know was that at the same time, Ling Shuang was standing in the forbidden Sword Grave with a terrifying smile on his face. This Sword Grave, it was where the Sacrificial Spiritual Sword had been placed before. It was filled with his big sister Ling Yao's aura. She sacrificed her primordial spirit to reseal the sword that had broken its seal.

Ling Shuang knelt down with a 'dong' sound and there were tears in the corner of his eyes as he muttered, "Big sister, Ling Xiu came back today. I should fulfill my promise and let him be with you, after all, you loved him so much in the past."

He took out the Beast Race's Divine Weapon, the Divine Law Bead and his eyes were completely blurred. His lips curled into an evil charming curve as he said, "In the past few days, I met with the Heavenly Monarch and have discussed the matter of marriage with him. I have set an arranged marriage between Ling Xiu and the Heaven Race's little princess. Can you guess it, Ling Xiu actually agreed for a mortal!? Ha, ha, ha, I thought he would reject me and the Heaven Race would chase him to death! I never thought he would agree! He actually agreed to get the Tranquil Breath Grass!"

Instantly, the Divine Law Bead exploded with red light and the seal on the Sword Grave gradually became weaker.

"Ha, ha, ha, ha——" Ling Shuang's eyes were blood red with madness as he stood up and roared, "Big sister, you loved him that much and he actually forgot about you, loving someone else! No, this definitely can't be allowed! We will be with big sister forever, we will be together forever!"

"Peng!" Red light burst into the sky from the Sword Grave and a blood red Sacrificial Spiritual Sword charged into the forbidden Sword Grave.
