Chapter 1031: : Hello, demonic school hunk (Part 55)

Li Si Nai knit his brows and wanted to go up to stop them, but he found Nan Luo Ze grabbed his hand.

“It isn’t like you don’t know Luo Qing Chen’s personality, if she’s trying to fight that new student in this situation, it means she has her ideas.” Nan Luo Ze looked at Mi Zhi with a scrutinizing gaze.

This girl, she wasn’t simple.

On the other side, Luo Qing Chen could tell that Mi Zhi really wanted to agree, but she pretended to hesitate and reject, “I.....I don’t want to compete with you, not to mention that you’re injured and shouldn’t move too much.”

How good and gentle, but Luo Qing Chen could see the dark look in her eyes.

“You don’t want to or you don’t dare?” Luo Qing Chen raised her brow and raised her tone!

If this was her first time doing this, she might just choose to slap her and go to the hospital to wrap up her wound, plotting against her next time!

But after being through so many worlds, she didn’t feel satisfied if she didn’t abuse people!

Not to mention that this girl was such a fake girl!

“Aiyo, why are you so arrogant!”

“Xiao Hui is right, just compete with her Mi Zhi. This really is a joke, can’t you see that you’re a girl!”

“Right, won’t you be smashed? Not to mention that Su Xiao Xiao wasn’t smashed!”

.....

Everyone discussed in small voices and they didn’t forget to look at Li Si Nai not far away, out of fear that they would suffer.

But seeing that he didn’t move, they became more bold.

“Mi Zhi, compete with her, I support you!”

“Me too!”

“I also support you!”

A few boys stood out to support Mi Zhi, but the other boys didn’t say a single thing. Even Su Jing just narrowed his eyes and tried to find a few clues.

“Alright!” Mi Zhi’s eyes lit up when she agreed, but she still acted like she was reluctant, “I’ll just casually throw, you can do the same.”

The final rule was ten balls and the one who scored the most would be the winner.

To be fair, one person would shot at a time and everyone would watch.

Su Xiao Xiao looked at Han Zai Zi anxiously. His expression was a bit indifferent, like he didn't want to stop her!

In his eyes, Luo Qing Chen was a very strong person. It was the same when she used the birthday cake knife to cut that person.

When the phoenix appeared, it stunned all. If she wanted to be proud at this moment, how could he stop her!

-System, exchange for sure hit three pointer skills!

[Ding, 500 exchange points has been taken. Successfully exchanged for sure hit three pointer skills.]

This was her first time competing with a ball in all these worlds, it really was a bit new.

She definitely had to make use of her exchange points and learn how to play basketball!

The first one to shoot was Mi Zhi. She was a bit nervous, but her dribbling and shooting were quite professional.

"Xiu." With a smooth arc, her first shot naturally landed in the net.

"Woah! Mi Zhi! Mi Zhi! Mi Zhi!" Those boys all cheered out.

Luo Qing Chen suddenly felt a bit of admiration for Mi Zhi. Just in a single class, she could make these people cheer for her like this, it really was.....a bit capable.

She casually came forward and took the ball from Han Zai Zi. She narrowed her eyes and didn't prepare at all. Her red wrist was red and swollen, but she still created a perfect arc.

"Dong." The ball landed right in the basket and everyone let out a shocked cry!

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 1032: : Hello, demonic school hunk (Part 56)

"Wa, Luo Qing Chen is so powerful!"

"Just a casual throw went in!"

"It was like just a casual throw, so easy!"

.....

Of course, these people didn't include Xiao Hui and the others who applauded for Mi Zhi.

They had clear awkward looks on their faces, but they didn't forget to keep cheering Mi Zhi on, "Mi Zhi, you can do it!"

Mi Zhi gritted her teeth and her face was a bit ugly. She was the captain of the basketball team when she was abroad, she was one meter and seventy centimeters and was first class at basketball.

Even those boys who were decent at basketball couldn't help praising her.

She never lost in basketball, how could she lose to someone without a single athletic cell and an injured wrist?

Her professionalism didn't let her lose, she definitely couldn't lose.

She took a deep breath and took the basketball. Although the second ball was a bit off, it rolled on the basket before falling down.

"Ya, ya, oh....." Xiao Hui was still applauding for Mi Zhi when Luo Qing Chen just casually threw her ball. It wasn't off at all as it landed through the net.

Mi Zhi panicked a bit now.

If Luo Qing Chen's first shot was luck, then it wasn't that simple once she made the second shot.

This technique was impossible without some skills, she actually knew how to play?

Mi Zhi bit her lip. There were still eight shots left and it was two to two, she hadn't lost yet!

When she was abroad, it wasn't that she didn't have the experience of making ten shots.

Hold on, she had to hold on!

Luo Qing Chen gave a chuckle as she looked at Mi Zhi. She had a cold smile as she lowered her voice, "Don't struggle, you will lose!"

"Classmate Luo, it's good to be confident, but if you're too confident, it turns into arrogance!" She also suppressed her voice, as her voice lost its sweet tone and had a chill to it.

"He, he....." She gave a cold laugh and looked at her with absolute strength, "Then I'm arrogant!"

Mi Zhi took a step forward and raised her hand to shoot, making a standard shot.

But although it rolled around on the basket this time, it didn't fall in like last time.

In other words, Mi Zhi had missed!

"Ah, what a pity!"

"It's fine, it's fine, it's just bad luck. I feel that this shot should have gone in!"

"Relax, relax, she hasn't shot yet, perhaps she....."

"Dong." Before Xiao Hui could finish, Luo Qing Chen threw a beautiful three pointer which landed right through the net.

The boys who were cheering on Mi Zhi were stunned.

Li Si Nai not far away looked at Luo Qing Chen shooting the three pointer and there was a bit of anxiety in his heart, anxiety that he couldn't explain.

She wore that clean school uniform against the light, looking dazzling with her white skin and clear eyes.

[Ding, affection has increased by ten. Mission completion rate is now 60%.]

Ten minutes later, the '1 v 1 duel' ended.

Luo Qing Chen had beaten Mi Zhi ten to six, but those supporters used all kinds of excuses for their 'goddess'.

"Mi Zhi, you're very powerful. The four you missed were all on the rim, you're much better than most of us here."

"Right, right, it was just a matter of luck!"

Xiao Hui looked at the arrogant Luo Qing Chen and the disappointed Mi Zhi before quickly comforting her, "Mi Zhi, you are super great, not a single one of the four shots you missed rebounded. You are my goddess, no one can ever replace you!"

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 1033: : Hello, demonic school hunk (Part 57)

When Xiao Hui said this, Luo Qing Chen's lips curled into a strange smile.

It was very light, but it looked very good.

If they thought that she just wanted to show off her skills and duel Mi Zhi, then they were wrong.

"The one called Xiao Hui, I heard that you're quite good at math. I have something I want to ask you today." Luo Qing Chen crossed her arms and had a unique aura in her eyes.

Mi Zhi was stunned, looking a bit worried. She didn't understand what Luo Qing Chen wanted to say, but the faint uneasiness from her heart made her palms fill with a cold sweat.

Xiao Hui seemed to be at a loss when he was called out by Luo Qing Chen like this.

After all, Luo Qing Chen normally never spoke to anyone except Su Xiao Xiao.

It wasn't that he didn't take the initiative to flatter her, but he had been coldly rejected. After a while, even if she was a beauty, he didn't have a good impression of her.

But now that he was being questioned, he scratched his head in embarrassment, "Ask."

"How far away is the basket from where we were sitting just now?" Luo Qing Chen pointed where she had been sitting with a dark look in her eyes.

Li Si Nai, Nan Luo Ze, Han Zai Zi, and Su Jing.....they all looked over at the same time.

At the same time, they understood Luo Qing Chen's goal in this one on one duel.

But.....Xiao Hui didn't seem to understand.....

"It's around five to six meters!" Xiao Hui looked over at her with a bit of worry, "What does this have to do with math!"

This was clearly a question for a three year old, how could she ask this to a math representative like him?

“Don’t rush, I’m not done asking yet!” Luo Qing Chen’s lips curled as she said, “Although Mi Zhi didn’t land all ten shots, every shot touched the basket, isn’t that right!”

When Luo Qing Chen said this, Mi Zhi’s expression changed. She suddenly understood why Luo Qing Chen wanted to duel her in front of everyone.

It wasn’t just to make a fool of her, the real goal was to make her.....

“You.....” Xiao Hui could feel that something was wrong, but he didn’t immediately react.

Luo Qing Chen didn’t give him any chance to say anything, she just raised the basketball in her right hand and with her back to the basket, she gave it a shot.

When the ball entered the basket, she asked, “I want to ask you, with her technique, what is the probability of her hitting the bench five to six meters away?”

“Si.” Everyone took a cold breath. Mi Zhi’s face was turning pale and green as her lips couldn’t help trembling.

“Luo Qing Chen’s meaning is that the new classmate did it on purpose?”

“I felt it was strange at first, but I couldn’t tell what. Now that this experiment was done, it suddenly becomes more clear.”

“Ai, beautiful girls having deep hearts really is true.”

.....

These whispers came from the boys who remained silent, most of them had a good understanding of basketball.

When Mi Zhi had taken the shot, there were clues from many angles, but it was too fast, so they didn’t notice.

Now it seemed like the answer was clear!

Xiao Hui looked very awkward as he kept hesitating to speak, but he never said anything.

“Why isn’t the math representative speaking? Is this kind of probability question difficult?” Luo Qing Chen didn’t ‘understand’ his embarrassment at all.

Every word was filled with a domineering tone that normal people didn’t have.

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 1034: Hello, demonic school hunk (Part 58)

“The chances are low, very low, alright!” Xiao Hui said twice. His tone wasn’t strong, but his face looked very ugly.

He turned and ran off the court after he said this.

After all, if he stayed after that, it would be too embarrassing.

Of course, it wasn't him alone who was embarrassed, there was also the one who pretended to be a sweet girl who said she 'didn't do it on purpose', Mi Zhi.

When Luo Qing Chen's eyes fell onto her face again, she bit her lip and her tears came out as she said in an aggrieved voice, "A competition is different from normal, I'm very focused when it's a competition. But normally I am also a human being, so I threw it casually. I'm very sorry if I accidentally hurt you....."

Luo Qing Chen knit her brows. When she was about to reveal her real face, but then she said a few soft words that came right on time.

She didn't reply and Mi Zhi continued, "If you think that I wanted to hurt you, then you can just hurt me back, but I can't be wronged like this."

Luo Qing Chen narrowed her eyes as she thought: She indeed is a ruthless person, she's different from the other rich kids.

"The same words!" She narrowed her eyes and said with a tone as cold as water, "Whether I'm wronging you or not, you know in your heart."

"Yi!"

"Ai!"

Of course the sighs came from the girls.

But most of the boys sympathized with her.

That was the difference between boys and girls. She was already exposed as a green tea b*tch, but the boys still thought that 'beautiful girls couldn't do it on purpose'!

During the break, Su Xiao Xiao and Han Zai Zi went with her to the infirmary. The next class was art class, so she probably couldn't participate.

"Thank you Qing Chen....." Su Xiao Xiao looked at her with moved tears as she said, "You really are good to Xiao Xiao!"

It turned out that friends could warm your heart like family.

"No need, someone like her loves to butt into the business of others!" Han Zai Zi peeled his orange, but he didn't forget to hurt Luo Qing Chen!"

"No one will think you're mute if you speak!"

"Ze, ze, ze, you haven't changed after coming back, you're still this fierce!"

"Come back?" Su Xiao Xiao was surprised as she said, "Didn't Qing Chen come from another city? Which country!"

"Oh." Luo Qing Chen quickly gave a wink to Han Zai Zi before saying, "That's just the way they say it abroad. It should be that since countries are relatively close, even another city can be considered another country!"

Un, she was currently speaking nonsense!

But what else could she do, she was desperate!”

“Oh!” Su Xiao Xiao nodded and said with a serious smile, “Got it, different countries have different cultures!”

When she seriously listened to Luo Qing Chen’s nonsense, the two on the side felt more awkward.

“Oh, right!” Luo Qing Chen quickly changed the topic, “It’s art class next, you should go. I heard that there will be a master painter coming today, it’s a rare chance!”

“No, I’ll stay here with you!” Su Xiao Xiao shook her head, “I won’t be able to focus.....”

Luo Qing Chen understood that people with depression were paranoid, so it was clear that Su Xiao Xiao wouldn’t go based on her expression.

Then she could only walk the path of ‘Rome’.

“Idiot!” Luo Qing Chen gave a chuckle, “I wasn’t planning on staying, I can still watch even if I can’t draw!”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 1035: Hello, demonic school hunk (Part 59)

Art class wasn’t a compulsory course, but it was A Class before and now it was F Class, there would always be a bunch of fans at the door watching their male god, Li Si Nai.

There were at least a hundred people by the door, this wasn’t an exaggeration.

This was Luo Qing Chen’s first time seeing this scene and she felt that Li Si Nai was more outstanding than she thought.

He wasn’t just the arrogant youth, rather he had a bit of elegance and peace.

The elegance came from his piano playing and the peace came from his drawing.

The art class was free seating, so Luo Qing Chen and Su Xiao Xiao who came late sat in the last row.

Li Si Nai seemed to sense this different gaze and turned to match gazes with her.

He slowly stood up with his pen and paper, heading towards Luo Qing Chen step by step.

In the end, he sat down in the empty spot beside her.

The fans in the hall all began chirping right away.

There was good and bad, but it was mostly bad.

Luo Qing Chen couldn’t hear it too well since Li Si Nai was here, they didn’t dare speak too loudly.

But she could guess what they said, it was always the same few words.

How could a commoner be with young master Li?

Why is it that trash commoner again?

Luo Qing Chen couldn't help thinking in her inner OS when she heard this: You call yourselves nobles, but this treasure is the relative of the emperor!

"Dong." A slender finger knocked on her head and Luo Qing Chen looked at Li Si Nai with a bewildered look, "What are you hitting me for!"

"You draw this badly and like to make a small difference!" Li Si Nai played with the pencil in his hand before writing a large zero on her empty paper!

"Damn!" Luo Qing Chen bit her lip and said in an unconvinced tone, "The teacher didn't give me a zero, why are you giving me a zero!"

Li Si Nai was the one who sat down beside her, she thought it was to show his love or confess something.

But there seemed to be some grudge between the two, they were always arguing!

"Your drawing skills getting you a zero is still giving you face." Li Si Nai gave a chuckle and drew a few lines on her sheet, creating a perfect and cute image.

Un, a pig's head.

"Is there a score lower than zero?" Luo Qing Chen looked at his drawing.

Although she didn't submit in her heart, his painting really did look good. Each line was filled with power.

Clean and not lacking in elegance.

Li Si Nai pointed at Han Zai Zi's painting in front of Luo Qing Chen as a bit of jealousy appeared in his eyes, "That should be negative one hundred."

He didn't know how this person appeared or why he was this close to Luo Qing Chen.

They were like a couple, going to each class together.

It! Really! Hurt! His! Eyes!

"Pu!" Luo Qing Chen couldn't help laughing. Although Li Si Nai seemed to be speaking the truth, he seemed to be affected by Han Zai Zi's small moves.

He knew that Li Si Nai was talking about him, so he slowly turned around and looked at Luo Qing Chen with an aggrieved look, "Is it really that ugly?"

Ai, why can't the beautiful man like him! He was just trying to find true love, was it really that hard?"

"Ke, ke." Luo Qing Chen narrowed her eyes and cleared her throat, "How is it ugly, it's clearly.....very ugly!"

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 1036: Hello, demonic school hunk (Part 60)

Su Xiao Xiao sitting on her right turned and after seeing Li Si Nai's drawing, she whispered into Luo Qing Chen's ear, "Classmate Li really is good at drawing."

This was her first time seeing someone who drew such finely made pictures. After all, she had studied drawing herself, so she worshipped a great god when she met one.

"I feel that Xiao Xiao is also very good!" Luo Qing Chen took a pencil and wrote an elegant one hundred on Xiao Xiao's paper!

"She's not at the level where you can grade her." Li Si Nai raised his hand and leaned towards Luo Qing Chen, helping her with her shading while complaining to her, "Your drawing.....really isn't a normal level of bad!"

When Luo Qing Chen turned, she bumped into his head.

There was pain that came from her forehead. When she wanted to use her hand to cover her head, a pair of warm hands gently patted her head as a voice said, "It's fine!"

She finally felt a bit of normal warmth from their bickering.

She was surprised. Her right hand couldn't help touching her slightly red ear, "It's.....It's fine."

"Un." Li Si Nai casually gave a shrug, "It seems right, people with simpler minds have rather thick heads."

"....."

Damn, where did this suddenly come from?

Although it seemed like complaining, she didn't feel as angry as when they first met. She suddenly felt that this kind of getting along was quite interesting.

Mi Zhi who was sitting not far away tightly clenched the pen in her right hand as her eyes turned a bit cold

She couldn't just sit still, she had to find a chance. She was entrusted by her half sister that she had to hide her 'noble status', coming to this commoner world and embarrassing herself.

It was known that her mother was the main disciple of the diplomat that served the royal family in France. She had to find some halo to let a few certain people know what was called a 'noble'!

December meant it was already winter. Before class ended, Han Zai Zi sent her a text.

(I don't want to live in a complicated hotel, I want to live at your house! ——Han Zai Zi)

Luo Qing Chen thought about it and thought that there wasn't anything wrong. She could use this chance to get Xiao Xiao to move out of the dorm and move in with her.

(Ask Xiao Xiao if she's willing, I'll agree if she's willing! ——Luo Qing Chen)

((o(O^Oo#) Leave it to me! ——Han Zai Zi)

Of course, Han Zai Zi's mouth almost fell off from the words he said to get Su Xiao

Xiao to agree.

After crying and creating a fuss, Su Xiao Xiao finally agreed.

After all, she was someone who didn't like causing trouble for others, not to mention that she was living in such a high end apartment.

For her, she would always feel a bit out of place.

But Luo Qing Chen never thought that before the dust settled on this matter, there would be a strange relationship between her and Li Si Nai.

Su Xiao Xiao said that she would move to Luo Qing Chen's apartment in a week, but Han Zai Zi didn't wait and moved in the next day.

The campus of a high school, other than studying, there was only gossip that was the most interesting.

Especially gossip about famous people in the school. Changing right and wrong, that was the thing they loved to do the most!

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 1037: Hello, demonic school hunk (Part 61)

"Ai, haven't you noticed that Luo Qing Chen has been coming to school and leaving every day with that new handsome transfer student!"

"It was posted on the forums long ago, humph! This commoner, young master Li treats her a bit special, truly disgusting!"

"Shh, be quiet.....Cheap people will get their comeuppance, haven't you seen that young master Li hasn't been with her recently?"

"Ze, ze, ze, it's great, our young master Li is becoming the male god of our eyes again!"

"Young master Li was already our male god, you're saying it like you're admitting young master Li was with that commoner! There's a huge disparity in status, that commoner really is shameless!"

.....

When she came in, Luo Qing Chen heard these fragments. If there was a needle, she really wouldn't have sown all their gossiping mouths together!

During the break, Su Xiao Xiao softly pulled her sleeve and said, "Qing Chen, I'll move over tonight!"

She wanted to move over at the end of the week when the door cleaning was done, but it seemed like because of her negligence, Luo Qing Chen and Han Zai Zi became targets.

Of course, Han Zai Zi didn't care, he seemed like he enjoyed it a bit.

After all, he found that Li Si Nai had been staring at him recently. Those sharp eyes that turned over from time to time made his heart run like a little deer.

"Un, you decide yourself!" Luo Qing Chen nodded, narrowing his eyes to look at Mi Zhi sitting in front of Li Si Nai.

She turned and shyly asked Li Si Nai something, but she didn't receive a response. Those beautiful and deep eyes were staring at Han Zai Zi.

When Han Zai Zi turned around, he didn't forget to smile at him, a very happy smile.....

This seemed like a challenge to Li Si Nai. He pursed his lips and picked up his phone, sending a text to Luo Qing Chen.

(Come to the school yard after school, I have something to say. ——Li Si Nai)

“Ding dong.”

When Luo Qing Chen opened the text, her fingers trembled and her heart skipped a beat.

It was like a long time had passed and that certain ambiguous feeling was this good.

There would suddenly be a day that Han Zai Zi would appear that would make this proud youth finally unable to sit still.

(Ok! ㄟ?ㄟ——Luo Qing Chen)

The afternoon class passed very slowly and every class seemed to be a kind of waiting, waiting for an answer.

At the same yard, there was a bit of snow in the sky.

Li Si Nai had his hands in his pocket and stood in the same spot. He had a beige sweater over his white shirt with a black tie, looking so dazzling against the light.

When Luo Qing Chen planned on moving forward, she never thought that Mi Zhi would appear from another direction with a stack of photos.

She lowered her head and revealed a sweet smile. She said something in a low voice, looking over at Luo Qing Chen while she spoke.

Luo Qing chen couldn't see too clearly, but she knew that Li Si Nai had a slightly cold look in his eyes when he saw these photos.

When she was about to go forward to ask about this.....

Li Si Nai had already headed off in another direction with Mi Zhi following behind him.

This 'performance' lasted less than three minutes. Luo Qing Chen was a bit confused, only when Han Zai Zi called out from beside her did she come back to her senses.

“Ha, ha, ha.” Luo Qing Chen gave three laughs, “I've been plotted against!”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 1038: Hello, demonic school hunk (Part 62)

“Ha?” Han Zai Zi clearly understood she meant something as he said, “Someone just said you were in the yard waiting for me?”

“Yes!” Luo Qing Chen gave a helpless shrug before saying with a smile, “What do you want to eat tonight?”

“Your treat?”

“Alright!”

“Damn!” Han Zai Zi asked her with a look of disbelief, “Just what happened?”

“The eight o’clock drama, if the male lead is that stupid.....I can only say that I give up!” Luo Qing Chen looked at him and said, “I’ll give you three seconds, eat or not!”

“Eat.....hot pot!”

On the way, Luo Qing Chen didn’t speak. After all, she was a bit unhappy, but she didn’t panic or feel fear.

She could guess what photo Mi Zhi showed Li Si Nai, it couldn’t avoid being related to Han Zai Zi.

“Look at how absent minded you are, let’s go back and eat!” Han Zai Zi shook the two bags and added, “Xiao Xiao said she’s coming over today, I’ll go pick her up after bringing everything up.”

“Un.” She softly replied, feeling much better.

The male best friend played a decisive role at this point.

But Luo Qing Chen never expected that when the car came to the entrance of the apartment, she would see a familiar Porsche.

“Wa, isn’t that young master Li’s car?” Han Zai Zi raised a brow, “So handsome! I thought that a Porsche was very normal, but it’s very handsome when young master Li drives it!”

“Ai.” Luo Qing Chen said with a disappointed smile, “Han Zai Zi, your eyes really are small!”

He treated him like a male god, but the other side treated you as an enemy, alright?

When the two cars parked in the garage, Li Si Nai’s car was in the back and her car was in front.

But she didn’t get out since she was still like a little girl.

She wanted to know if this proud young man would let Mi Zhi get into his car.

Five minutes later, Li Si Nai got out alone.

Actually, he was waiting to see if there was someone in the passenger seat of Luo Qing Chen’s car.

But reality.....had given him a strong slap to the face.

When he was in the yard, even if Mi Zhi took out a picture of them walking out of the apartment together, he didn’t believe that they had that kind of ‘relationship’.

He could feel that when he liked her, he could also feel that the other side liked him. Those eyes wouldn’t lie to people.

Therefore he was disgusted with the person who provided this proof. Even an hour ago, when that person kept following him, he finally couldn't hold back his rage.

"Young master Li, I just accidentally took these photos! I don't know your relationship with Luo Qing Chen, but I feel that.....this isn't good....." Mi Zhi pretended to be shy as she looked at him, but there was a different gaze in her eyes!

"Not good? What isn't good?" He narrowed his cold eyes as he tightly held the picture, with a cold tone in his voice.

"I don't want you to be tricked, I.....I like you!" Mi Zhi bravely looked up at him, "Very, very much!"

"How is that related to me?"

"I....." Mi Zhi reluctantly grabbed his sleeve, "Young master Li, you have to keep your eyes open! She....She doesn't really love you, she just wants your money....."

Why, why was it that after she did all this, the other side still wouldn't look at her!

She was a noble, a true noble!

That was a commoner, a lowly commoner!

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 1039: Hello, demonic school hunk (Part 63)

He suddenly waved his right hand and broke free of her grasp. He looked at her as he said word for word, "Unfortunately, I only like her in this life. If she is willing to be with me for my money, I would sleep happy."

Because he had money.

Li Si Nai not having money was something for his next life.

When his voice fell, he came back to the yard with the photo, but that girl had disappeared! He felt a bit upset!

He shouldn't have left with his young master temper, he clearly was about to confess.

At worst he could compete with that Han Zai Zi, he, Li Si Nai, would never lose!

—

The elevator slowly went up and Luo Qing Chen looked at the button for the twenty second floor, suddenly feeling a bit nervous.

Strangely nervous.....

When the elevator stopped on the twenty second floor, Li Si Nai was standing there with his hands in his pocket and a deep look in his eyes.

She seemed to suddenly understand why she was feeling so nervous.

“Wa, young master Li.....do you want to eat hot pot together tonight?” When Han Zai Zi saw Li Si Nai, his heart bloomed and he raised the two bags.

“Un.” Li Si Nai narrowed his deep eyes, “I have something to ask Luo Qing Chen. Classmate Han Zai Zi, can you leave first?”

He used all his temper when he asked this.

Facing! His! Love! Rival!

“Oh.....” Han Zai Zi said with a sad voice, “Then I.....I’ll go in first!”

As soon as his voice fell, he prepared to open the door with his key, but Li Si Nai stopped him.

There was a sparkle in his beautiful eyes as he said, “You.....don’t go in first!”

“Ah?”

“Eh.” Luo Qing Chen pursed her lips and handed the car key to Han Zai Zi, “Pick up Xiao Xiao first.”

“Oh.....” Han Zai Zi said in a disappointed voice before disappearing from in front of them in less than thirty seconds.

When the elevator closed, Li Si Nai didn’t give Luo Qing Chen even a second to react as he took her hand and slammed her against the wall.

The distance between the two of them was only a few centimeters.

There was an ambiguous feeling in the air, as well as a strawberry scent.

Luo Qing Chen took a deep breath and pursed her strawberry coloured lips, “You.....Do you have something to ask me?”

“You know what I want to ask!” His eyes were filled with absolute domineering.

It was like when she saw this proud youth for the first time, his arrogance went into the sky.

“Ask! I absolutely will tell you anything!” To be honest, she didn’t have anything to hide, alright?”

After all, she and Han Zai Zi were ‘sisters’. As for who Han Zai Zi liked, it had nothing to do with someone like her who was of the other gender!

“Are you and him.....living together?”

“Yes!”

Si, there was a cold feeling in the air.

“Just you two?”

“Yes!”

Hu, the cold air seemed to get stronger like the temperature was dropping.

“He likes you? Or.....do you like him?” Although he felt a bit uncomfortable, he still asked this.

This was the problem that had blocked his heart for many days that he really wanted to know.

No matter what, he had to get an answer today.

“.....” Luo Qing Chen said with a faint smile, “Before I answer your question, can you answer one of mine?”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 1040: Hello, demonic school hunk (Part 64)

“Ask.” The words were concise and without hesitation.

“Do you like me?”

“Yes.”

At that moment, it was like her world was filled with cotton candy.....

Un, very sweet.

[Ding, affection has increased by ten. Mission completion rate is now 70%.]

“Alright!” She revealed a faint smile like she was very satisfied with Li Si Nai’s answer. She looked at him and said, “He doesn’t like me and I don’t like him, but.....”

“But what?” Li Si Nai’s face that had relaxed suddenly became nervous again, as he stared at her with intense deep eyes.

“But.....he likes you!”

.....

It was like the world suddenly became silent.

An hour later, around a large table with a hot pot.

The left side was seafood and the right side was spicy.

Han Zai Zi was helping pick meat and fish balls for Li Si Nai while not forgetting to add, “Young master Li, you look so thin, you need to eat a bit more!”

“Thin?”

Li Si Nai looked at Han Zai Zi with a strange gaze. He didn’t know why he felt a bit strange after hearing about Han Zai Zi’s sexual orientation.

He just felt uncomfortable from head to toe.

Then when he thought of how jealous he had been, he wanted to dig a hole and just jump in!

Moreover, this thin.....was there really no special meaning?

“Yes!” Then he put mushrooms and vegetables in front of Luo Qing Chen while saying, “You’re too fat, you don’t need to eat meat!”

"I'm fat?" Luo Qing Chen's left hand slapped the back of his head without any hesitation, "You're fat, your entire family is fat!"

Damn! Didn't he know that girls hate being called fat the most?

Han Zai Zi dared to say this just to flatter Li Si Nai?

"Aiyo." He rubbed the back of his head as he said, "How can you hit people like this, you're not like a girl at all!"

"You're not like a man at all!" Luo Qing Chen retorted as she glared at him.

"The problem is that I don't like being a boy either!"

"You....."

"That.....Stop fighting!" Su Xiao Xiao quickly came forward to stop them, "Everything is cooked....."

"Right, right, it's cooked, it's cooked." Han Zai Zi pulled out a bunch of lamb meat for Li Si Nai and placed it on the side as he asked, "Young master Li, what sauce do you like? I'll help you make it."

"Eh....." Li Si Nai's eyes looked at Luo Qing Chen in a panic, but the other side just gave a shrug and told him to deal with the seeds he sowed!

He took a long breath before saying with a faint smile, "No need, I'll do it myself."

"....."

When he smiled, the room fell into a silence.

Not just Han Zai Zi, even Luo Qing Chen and Su Xiao Xiao looked at Li Si Nai with a bit of disbelief.

He rarely smiled like this, revealing a bit of teeth and speaking so gentle.

Normally when Luo Qing Chen argued with him, he would fight to the death. He would always curl his lip a little, he never showed this kind of smile.

"That.....Young master Li....." Han Zai Zi's heart was beating fast and there was a bit of a sparkle in his eyes as he looked at him, "Can we talk alone when we finish eating? There's something.....I need to tell you....."

"Don't!" Li Si Nai suddenly turned and took Luo Qing Chen into his embrace with his right hand as he seriously said, "My girlfriend's personality isn't good, she'll get jealous!"
