Chapter 1151: Righteous sect's demon path monster girl (Part 18)

"Ai, it seems like you want to beat us?"

"Beat?" A girl wearing purple silk clothes said with a cold laugh, "I'm afraid that I can heavily injure her with only 10% of my strength!"

These so called pure blooded cultivators naturally looked down on someone with weak spiritual energy like this.

Although her spiritual energy was pure, it was very weak. This spiritual energy was something that they were born with, so they were several grades higher than her.

"Peng." When the door opened, everyone was surprised before their eyes filled with contempt again.

Luo Qing Chen who ate the pill from the system naturally didn't have pure spiritual energy and Mu Hua Hua was like this to begin with.

But these two weren't weak, so those with pure spiritual energy couldn't say much to them.

After all, Luo Qing Chen and Mu Hua Hua had been first and second in the first round.

"Two sisters, don't you think so?" The girl in purple silk clothes curled her lips into a pretty curve, "What qualifications do these two weaklings with this kind of spiritual energy have to be in the Disturbed Love Sect!"

"You!"

"I feel....." Luo Qing Chen raised a brow as she cut off Mu Hua Hua who wanted to stand up for Xia Mo Xing, "Your words are very reasonable."

"Xiao Qing....."

"Don't speak!" Luo Qing Chen looked at her and said in a low voice, "I said that you should listen to me!"

"Alr.....Alright!"

Mu Hua Hua wanted to stand out for Xia Mo Xing because she felt that Xia Mo Xing was like how she had been before.

Being bullied by others with no one to love her or play with her. It was because of those orthodox cultivators that they were treated this unfairly.

Therefore, she wanted to stand up for her!

But she didn't know why Luo Qing Chen stopped her, also standing with those orthodox cultivators.

Xia Mo Xing glared at Luo Qing Chen when she heard this. She would forget if those so-called orthodox cultivators said this.

This girl who looked plain and had such weak spiritual energy, how could she shame her!?

“Ha, ha.” The girl in purple silk covered her smile and said, “Trash really does turn against each other!”

“Trash?” Xia Mo Xing couldn’t take it anymore as she looked at the girl in purple silk clothes, “Who knows how many times my spiritual energy was stronger than yours in the past!”

“Is that so?” Luo Qing Chen gave a chuckle, “You can still boast? How about we have a match?”

After she said this, there was a strange satisfaction in her heart.

This was her first time bullying someone like this. Or not, it couldn’t be considered bullying, it was revenge!

For the wronging of the previous host.....

“You.....” Xia Mo Xing looked at Luo Qing Chen with a fierce expression as she tightly clenched her fists, “You ugly thing, you’re qualified to talk about me? If I am the person with the weakest spiritual energy, you are the uglies!”

How could she be qualified to cultivate looking this ugly, isn’t she afraid of being treated as a demon by the people of the lower realm?

When Xia Mo Xing said this, Mu Hua Hua who wanted to help her let out a sigh of relief.

This kind of person wasn’t worth helping!

As expected, even if they met by chance, everyone had different personalities and ways of doing things!

Xia Mo Xing’s personality was different from her own since she could say these kinds of things from her mouth!

Chapter 1152: Righteous sect’s demon path monster girl (Part 19)

When the girl in purple silk clothes heard this, she looked over Luo Qing Chen and secretly gave a laugh.

Luo Qing Chen was too lazy to care about her since orthodox cultivators like her had a pride that made them think they were above others.

When facing those beneath them, they would have a feeling of contempt.

But she didn’t know that in the eyes of the Demon Shadow Palace’s Red Demon Luo Qing Chen, she wasn’t worth fighting her at all.

“Whether you look good or not is up to me and as for how long you can live, that is also decided by me.” Luo Qing Chen narrowed her cold eyes. The Exquisite Ring on her right hand exploded with golden light and the scattered spiritual energy attacked Xia Mo Xing.

She really couldn’t take Xia Mo Xing anymore.

She didn’t want to endure even in the Disturbed Love Sect. After the previous host took the heavenly tribulation for her, the scenes of her lying in bed in pain as her primordial spirit scattered appeared in front of her eyes one by one.

This person really couldn't be left. She never thought that Xia Mo Xing would leave Ye Zhi Han so decisively.

She really wanted to see what kind of expression Ye Zhi Han had now. Would he regret losing the previous host that loved him so much?

Xia Mo Xing saw her attack and immediately raised her hand to stop it.

But there was a 'peng' sound as a light blue glow appeared in front of her.

Everyone was stunned before bowing, "Greetings to the sect master."

She never thought that she would meet Dong Zhi Xin again after all of this and would meet him like this.

Xia Mo Xing was clearly stunned as a blush appeared on her cheek. Her expression became 'pitiful' like a delicate girl.

He didn't even give Xia Mo Xing a glance as his eyes were deeply staring at Luo Qing Chen.

If it wasn't for the fact that he woke up early and smelled the scent of the cherry blossoms, he wouldn't have known that she was here.

After a few days, it seemed like.....he missed her a bit.

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

Luo Qing Chen slightly knit her brows, feeling a bit dissatisfied.

The main reason she was unhappy was that the other side had given her affection, she didn't know whether to laugh or cry.

Dong Zhi Xin could naturally see her dissatisfaction since he blocked the person she wanted to attack.

But actually he did it for her good.

If the disciples who entered the Disturbed Love Sect fought before being assigned to a peak, they would be directly expelled and could never come back.

He wasn't willing to let her leave this place because of this.....

"Un." Dong Zhi Xin gave a nod, "The second test is about to begin. Go to the main hall and the sixth uncle master will tell you the rules."

"Yes, sect master." Everyone respectfully replied, only Luo Qing Chen didn't say anything.

She was a bit aggrieved. Although she knew why Dong Zhi Xin blocked her attack for Xia Mo Xing, she still couldn't help feeling a bit aggrieved!

After all, she had 30% affection and Xia Mo Xing was her biggest enemy, so she felt a bit prideful.....

Dong Zhi Xin saw her slightly pursed lips and his heart couldn't help skipping a beat. This feeling was very strange, so strange that his lips couldn't help curling into a faint smile.

After Dong Zhi Xin left, the purple clothed girl helped Xia Mo Xing off the ground and said with a smile, "Little sister Mo Xing, I am Jiao Zi. I was a bit wrong earlier, I never thought that you were close to the sect master....."

Chapter 1153: Righteous sect's demon path monster girl (Part 20)

"Humph!" Xia Mo Xing gave a soft snort, "You don't know what my identity is!"

Jiao Zi gave her a flattering look as she said, "I was blind just now, I'm really sorry little sister Mo Xing....."

Everyone in the Disturbed Love Sect knew that the sect master had never appeared in the dorm for the new disciples.

Now that he had protected this person with such weak spiritual energy, they really couldn't underestimate her.

"Let me tell you, I used to be an immortal from the heavens." Xia Mo Xing rolled her eyes in disdain, "If my cultivation wasn't crippled from going undercover with the demon race for a mission, how could any of you act arrogantly in front of me?"

After she said this, with a flip of her sleeve, she headed towards the main hall alone.

As she left, she didn't forget to look at Luo Qing Chen with eyes filled with disdain.

—

The second round was the opposite of the first round, this one was more passive.

Everyone who passed the first round would be standing on a platform and the longer they could withstand the power of the Thousand Piercing Zither, that would decide the strongest.

The Thousand Piercing Zither would become louder with each fifteen minutes. It was the absolute treasure of the six peaks and it became stronger with each level, there had never been a disciple who had taken six levels.

As for over ten levels, even the elders of the six peaks might not be able to retreat safely.

Most of the people in the second round could block the first level, but there were some who couldn't block it and left the stage after the second level.

But one couldn't go back after leaving the barrier. So when the Thousand Piercing Zither's sound reached the third level, some people kept going even though they spat out blood.

One of them was Xia Mo Xing.

But once the sound reached the fourth level, she fainted inside the barrier and was rescued by the elders.

"Ai, she really is weak....."

“Be quiet, she has a relationship with the sect master!”

“Damn, it can’t be that she’ll enter the Disturbed Love Hall, right!”

“How could that be possible.....I’ve heard that the faint spiritual energy in her was given to her by the Western Queen Mother, if that is the case, she really is someone who can’t be offended.”

.....

The surrounding people were still gossiping, but when the Thousand Piercing Zither reached the fifth level, those who weren’t strong were thrown out of the barrier.

There were six people currently standing in the barrier on the stage.

It was half men and half women. The women were Luo Qing Chen, Mu Hua Hua, and Jiao Zi.

The elders sitting on the side looked at them with satisfied gazes and whispered to each other.

“Although the spiritual skills of these disciples aren’t that good and there’s a split between strong and weak, the strong people really have high comprehensions!”

“Right!” The first peak’s elder stroked his beard and said, “What is the name of this girl in the pink clothes, her comprehension really is high.”

“Reporting to the elder.” One of the disciples looked at the list of names and said, “She is called Xiao Qing.”

“Un, not bad, not bad.” The second peak’s elder’s eyes fell onto the girl beside Luo Qing Chen, “The girl wearing the orange clothes isn’t bad either. Although she isn’t an orthodox cultivator, she can resist the fifth level of the Thousand Piercing Zither, she definitely had great talent.”

.....

“Ding ling.” With a quick transition, the Thousand Piercing Zither reached the sixth level.

Jiao Zi’s face turned a bit pale and she tightly bit her lip.

There were only the two people who she had insulted this morning. If she were to lose now, how could she have any face.....

No, she couldn’t lose!

Chapter 1154: Righteous sect’s demon path monster girl (Part 21)

The Thousand Piercing Zither kept attacking and Luo Qing Chen looked at Mu Hua Hua.

She innocently looked at Luo Qing Chen, looking very relaxed.

Luo Qing Chen narrowed her eyes in surprise. Although the sixth level of the Thousand Piercing Zither was considered nothing for her, how could Mu Hua Hua resist it so easily?

She wasn’t at the immortal level yet, she was just a mortal cultivator, so it really was unbelievable.....

“Pu.” Jiao Zi spat out a mouthful of blood and she was sent flying from the barrier.

The Thousand Piercing Zither had reached the seventh level and strange vortexes filled the sky, covering the platform.

This Thousand Piercing Zither really was strong. Luo Qing Chen knit her brows and a faint golden glow appeared on the Exquisite Ring on her right hand.

At the same time, Mu Hua Hua didn't feel anything at all. She just looked at her and mouthed: When can we end this? What are we eating tonight?

Luo Qing Chen's lips helplessly curled. The elders and immortals of the Disturbed Love Sect who saw this were all stunned.

“God, these two cultivators who aren't orthodox can be this strong, this is simply unbelievable!”

“It seems like this batch of disciples will let our Disturbed Love Sect surpass the god realm and even the demon realm, this will be a most wonderful subversion.”

“If those aren't struggling, once they pass their tribulation, they will definitely become high grade immortals.....”

.....

The disciples under the platform were all staring at Luo Qing Chen and Mu Hua Hua. Jiao Zi had an unwilling look, but she had to submit to the power of these two.

These two didn't seem that strong at first glance, so why could they have such powerful defenses?

“Big sister Jiao Zi, it seems like those two are the enemy we were facing now!”

“That's right! We really can't look down on those impure cultivators, maybe they grew up eating ginseng and that's why they're tough!”

“If it was the previous me, I could beat them with one hand!” Xia Mo Xing clutched her chest as a trace of blood oozed out of her mouth. She narrowed her eyes to look at the two inside the barrier.

“Yes, yes, yes, our little sister Mo Xing is the strongest!” Jiao Zi narrowed her eyes and looked at her with a deep gaze, “The enemy of an enemy is a friend. Although we didn't get along when we met, we.....”

“I know what you mean!” Xia Mo Xing turned with pursed lips and said, “I agree to work with you. After all, I have to take revenge for her attack on me!”

At this time, Dong Zhi Xin standing in the clouds suddenly narrowed his sparkling eyes and looked at Luo Qing Chen with a bit of worry.

“Ding, ding, ding.” Half an hour later, the Thousand Piercing Zither's sound changed again and reached the eighth level.

The colour of the sky changed and wild wind blew, as the temperature dropped below freezing.

Luo Qing Chen knit her brows. She could feel the power of the Thousand Piercing Zither and cherry blossoms appeared around her, protecting her from that power.

Mu Hua Hua was still the same as ever, not feeling any changes at all.

[Host, if you continue holding on, you will be exposed.]

The system's voice rang in her mind. She narrowed her eyes and flew out of the barrier with a flip.

Mu Hua Hua standing beside her saw her go out and followed her out without a single word.....

Chapter 1155: Righteous sect's demon path monster girl (Part 22)

"Wa, Xiao Qing is so beautiful! There are so many cherry blossom petals around." Mu Hua Hua reached out to grab some cherry blossoms as she said this, "We can make cherry blossom soup tonight!"

"....." Luo Qing Chen looked at her and said with a bit of disbelief, "You really don't feel anything at all?"

"Yes!" Mu Hua Hua honestly nodded, feeling very comfortable!

"Xiu!" The Thousand Piercing Zither was covered in a moon white light as it directly flew in the direction of Mu Hua Hua.

Gu Liu was stunned. When he wanted to cast a spell to take it back, the Thousand Piercing Zither turned to the size of a small jade pendant and landed firmly in Mu Hua Hua's palm.

Everyone was stunned as they took a cold breath.

"It seems like before miss Mu has joined my Disturbed Love Sect, my sixth peak's divine weapon has already found its owner." Gu Liu's eyes had a faint mist covering it as he said, "Your mother is Mu Ying?"

"You.....How do you know?" Mu Hua Hua took a step back with a bit of fear, moving behind Luo Qing Chen.

"The will of the heavens, the will of the heavens....." Gu Liu gave a slight nod and didn't say anything else. Then he shook his head and said, "This Thousand Piercing Zither was something that belonged to your mother and now.....it can be considered returning to its owner."

As soon as his voice fell, he turned and didn't say another word.

The second round ended with mixed feelings.

As a result, Luo Qing Chen and Mu Hua Hua became the idols of envy among the normal cultivators.

They became the target of jealousy for Jiao Zi and the others.

"Xiao Qing, what do you think elder Gu Liu meant? How does he know my mother's name? Moreover, my mother is a mortal, how could she be the owner of this divine artifact?"

Luo Qing Chen knit her brows, eating her cherry blossom soup as she said, "If my guesses aren't wrong, your mother shouldn't be in this world anymore, right?"

“Wu.” She was a bit surprised before she said, “Xiao Qing is so powerful.....”

“This isn’t powerful, rather the divine artifact has recognized its owner.” Luo Qing Chen softly tapped her head, “Elder Gu Liu said that this Thousand Piercing Zither belonged to your mother, so its original owner must be your mother. If your mother was still here, the divine artifact wouldn’t recognize you.”

“But my mother is a mortal, how could she have a powerful divine weapon?” Mu Hua Hua blinked her eyes that were filled with confusion.

“You fool!” She looked up with her bright eyes and explained, “Perhaps your mother just didn’t tell you. If I’m not wrong, you shouldn’t have seen your father.....”

When Luo Qing Chen said this, Mu Hua Hua was surprised.

She always felt that this plain looking girl was strangely powerful.

She could always see the secrets in her heart, it was like she was a god in the mortal world.

“I think.” She paused and narrowed her eyes, “Gu Liu should be related to your father to some extent.”

Although this was just her guess, she felt that it wouldn’t be that far off.

Mu Hua Hua slept all night, but Luo Qing Chen didn’t get much sleep.

There was another person who didn’t get much sleep, Dong Zhi Xin.

He stood on the clouds alone and his right index finger slid along, drawing a nine sided star on the Destiny Stone.

The nine sided star flickered as three words were written in the nine sided star array: Disturbed Love Hall.

A few seconds later, the nine sided star and these three words flickered before disappearing from the Destiny Stone.

Chapter 1156: Righteous sect’s demon path monster girl (Part 23)

The next morning, the twenty three new disciples of the Disturbed Love Sect would have their peak chosen by the Destiny Stone.

Since ancient times, the Destiny Stone had been the benchmark for the Disturbed Love Sect, determining the dao of people after they began cultivating.

Either crossing their tribulation to become an immortal or being a cultivator forever.

It had to be known that although the lifespan of cultivators were longer than mortals, it wasn’t longer by much.

The bodies of mortals always had an end, but becoming an immortal can extend that by tens of thousands of years.

Before the ceremony began, those so-called orthodox cultivators began chatting.

Among them, the ones who were the loudest were Jiao Zi and Xia Mo Xing.

Luo Qing Chen found it very funny. Those two were just fighting the other day, but now they had become sisters with the same hatred.

If she didn't see this, she never would have believed that there were such shameless people in the world!

"Ai, isn't that the person who's rumoured to be related to elder Gu Liu?" Jiao Zi looked around and continued after seeing there were no elders, "You really think that you're powerful in stopping the Thousand Piercing Zither, you actually came in through the back door!"

Xia Mo Xing immediately said, "That's right! If you didn't come in through the back door, you might not have even made it past the first level! You really are insects of the Disturbed Love Sect, shameless!"

Luo Qing Chen gave a cold snort. When she was about to say something, Mu Hua Hua charged out in front of her!

"It really is a joke, people who aren't strong enough really are good at speaking!" Mu Hua Hua rolled her eyes at them, "Even if the Thousand Piercing Zither didn't attack me because of our relationship, Xiao Qing still managed to reach the eighth level. Not like a certain person who couldn't even withstand the third level and almost died!"

"You!" Xia Mo Xing bit her lip and said in an unwilling voice, "I'm less than her? Such an ugly cultivator? Do you really think that cultivating will make you look good?"

She hated ugly girls the most in this life. She had stepped over the 'Harmony Continent's most beautiful girl' and had stolen the man that she loved the most.

But now these two ugly people wanted to show off in front of her!

In their!

Dreams!

"You say it like you look good!" Mu Hua Hua weakly said in her defense.

After all, she wasn't Xia Mo Xing, she couldn't speak nonsense like her!

She and Xiao Qing didn't look as good as Xia Mo Xing, but that didn't mean that she could openly bully people like this.

This was the Disturbed Love Sect, not a brothel, what did it matter if she looked good.

Spiritual skills meant everything as a cultivator!

"Mu Hua Hua, come to the Destiny Stage." The senior brother's voice came from the stage.

Mu Hua Hua looked at him and nervously walked up to the Destiny Stage.

There was a faint blue light around her as the character on the Destiny Stone gradually became clear.

After a few seconds, a 'six' character appeared.

Gu Liu closed his eyes and let out a deep sigh of relief as a look of joy flashed in his eyes.

But Mu Hua Hua didn't seem that happy.

Jiao Zi's group murmured a few things that didn't sound good.

"She can only go to the sixth peak with her skills."

"Such trash, I went to the first peak! The first uncle master is so handsome!"

.....

"Xia Mo Xing, come to the Destiny Stage."

Xia Mo Xing's eyes fell onto Dong Zhi Xin. She walked to the Destiny Stage like a young miss with a smile in her eyes.

If she could go to the Disturbed Love Hall, how good that would be.....

Chapter 1157: Righteous sect's demon path monster girl (Part 24)

But she was the same as Mu Hua Hua. There was a faint blue light around her as a character gradually appeared on the Destiny Stone.

After a few seconds, the 'six' character appeared.

Xia Mo Xing was clearly stunned. The sixth peak was the weakest peak in the Disturbed Love Sect, very few people could become immortals.

She really had bad luck this time.....

Although Xia Mo Xing was upset, she couldn't show it.

After all, if Gu Liu didn't accept her, she could only pack up and leave the Disturbed Love Sect.

No.....Definitely not.....

She worked hard to finally reach this place, to come to Dong Zhi Xin's side, there was nothing that could make her leave.

No one could do it.....

The scene of him saving her in the heavenly court was still vivid in her mind. Now that obsession had been deeply imprinted in her heart, she couldn't get rid of it.

Jiao Zi said to one of her followers, "Do you see it? Their levels are around the same, so they were placed in the sixth peak."

As soon as her voice fell, she didn't forget to say in Luo Qing Chen's direction, "Don't watch, there's no use! You're also going to the sixth peak, you weak chickens will be placed in the same family soon! These two mixed bloods came in through the back door and a past immortal who doesn't even have a tenth of my abilities? Ha, ha, ha, this really is killing me with laughter!"

When she saw Xia Mo Xing come down, she changed her expression and said, “Little sister, don’t feel bad. Big sister will definitely come see you often!”

Xia Mo Xing naturally could hear the ridicule in her words and couldn’t help saying, “If big sister and I are in the same peak, you really don’t need to come find me!”

“Ha, ha, ha!” Jiao Zi gave a shrug, “That really is impossible!”

“Your acting really is interesting.” Luo Qing Chen gave a smile when she heard their words, “While acting like sisters and biting each other, it really is interesting.”

“Ugly girl, wait until which peak this big sister reaches! I’ll show you the difference between an orthodox cultivator and a mixed blood like you!”

As soon as her voice fell, the senior disciple’s voice rang out.

“Jiao Zi, come to the Destiny Stage.”

Jiao Zi gave an arrogant shrug and walked to the Destiny Stage with a cold smile.

The elders all had great expectations of Jiao Zi since both her parents were immortal. She had a very noble birth, the reason why she came to the Disturbed Love Sect was for the sect master.

This kind of person will definitely be a talent in the future!

After a few seconds, there was a red glow around Jiao Zi and the word on the Destiny Stone gradually became clear, forming a ‘one’ character!

She happily looked up. There was a proud look in her eyes as she gave a nod to the great elder.

When she came down, she didn’t forget to look at Luo Qing Chen, “Ugly little mixed blood girl, do you see that, this is called power! Do you know what the Destiny Stone is? It divines destiny, so your poor fate will be written on the Destiny Stone! Ha, ha, ha, ha!”

This was a suppressed laughter and although the elders couldn’t hear it, Luo Qing Chen could hear it clearly.

Mu Hua Hua naturally couldn’t take Jiao Zi’s taunting of Luo Qing Chen, “What a joke, cultivating with your comprehension, it’ll be the same wherever you go!”

“You!”

“Lue, lue, lue.”

Of the new disciples, only Luo Qing Chen hadn’t gone on the Destiny Stage.

She pursed her lips and looked up to meet Dong Zhi Xing’s gaze from up on the high seat.

Chapter 1158: Righteous sect’s demon path monster girl (Part 25)

“Xiao Qing, come to the Destiny Stage.”

With a night breeze, there was a faint cherry blossom scent in the air.

She walked towards the Destiny Stage step by step as her eyes trembled.

It wasn't that she was afraid of being assigned to peak, rather those eyes that looked at her deeply made her a bit nervous.

Standing on the Destiny Stage, there was a faint blue and white light that appeared around her.

Jiao Zi couldn't help bursting into laughter, "That person, Mu Hua Hua, do you see it, she's in the same peak as you! The colour is around the same, you sisters really have fate!"

Mu Hua Hua tightly bit her lip and wanted to refute this, but she didn't know what to say.

Until there was a nine sided star that appeared on the Destiny Stone, the blue and white light changed into a dazzling white light.

The elders were all stunned as they turned to Dong Zhi Xin.

There were three words on the Destiny Stone: Disturbed Love Hall.

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

"God! How is this possible"!

"Sect.....Sect master!"

"So powerful, she's actually the sect master's disciple."

.....

"Ha, ha, ha!" Mu Hua Hua softly laughed at Jiao Zi beside her, "This really is a joke! Our Xiao Qing is under the sect master, it can't be compared to your peak!"

"You....." Jiao Zi's face turned red in rage as she pointed at Mu Hua Hua, "You shut up for me!"

She never would have expected that this normal looking cultivation who wasn't even an orthodox cultivator could enter the Disturbed Love Hall.....

How.....How was this possible.....

"So what if I don't shut up, will you hit me?" Mu Hua Hua loudly said, "I love seeing you wanting to beat me, but you aren't able to do so!"

"I don't believe, I don't believe....." Xia Mo Xing kept shaking her head. She took a step back and muttered, "Impossible.....Impossible....."

"Now you seem quite calm!" Mu Hua Hua shook her head and said, "There's another one who doesn't seem normal!"

The elders looked at each other before Gu Liu stood out to say, "Since ancient times, the Destiny Stone has never written the words Disturbed Love Hall. The sect master's two disciples were also chosen from the mortal world. How about we let Xiao Qing start over?"

After all, if there wasn't permission from the sect master Dong Zhi Xin, the Disturbed Love Sect wouldn't take any disciples. Not to mention female disciples.

The entire Disturbed Love Sect knew that for the sect master to reach the eternal realm, he had already made his name when he cut off his emotions on the Three Life Stone near the Magpie Bridge.

He had no desires and no emotions, this kind of person wouldn't even like women!

Jiao Zi and Xia Mo Xing heard Gu Liu's words and they nodded desperately. It was like they were silently hoping that the Destiny Stone would put Luo Qing Chen to a peak.

But that was impossible.....

Because Dong Zhi Xin was the one who arranged for Luo Qing Chen to go to the Disturbed Love Hall, how could he let her go anywhere else?

He only did this because he didn't want her to go anywhere else.

This was the first time he went against heaven since becoming a god, he didn't know what backlash he would receive from this.

"No need." There was a faint sparkle in his deep eyes as he said, "Since this is destiny, there's nothing wrong with accepting a disciple."

"This....." Gu Liu lowered his head and said, "Yes, sect master!"

Chapter 1159: Righteous sect's demon path monster girl (Part 26)

Dong Zhi Xin's Disturbed Love Hall was more deserted than she imagined. When she first arrived, she almost got lost.

In the end, he found her in a corner of the mountain and brought her to the main hall.

She awkwardly scratched her head and said, "Master, why is there no one in your hall!"

"I am not your master." Dong Zhi Xin brewed a pot of tea as he said, "You can call me sect master, or....."

"Or what?" Luo Qing Chen pursed her lips as a faint sparkle appeared in her eyes.

It was for nothing else than to tease this cold man!

"Rather.....Sect master then!" He looked up with his cold eyes, but there was a faint blush on his ears.

Had he strangely been teased?

"Sect master Dong, I'm someone who keeps my word!" She took the tea and took a sip, "I said that I would come!"

Dong Zhi Xin didn't feel as cold as the rumours. It felt like in front of her, this omnipotent god seemed a bit reserved!

"Un." He softly replied, "Thank you....."

“Ah?” Luo Qing Chen was stunned. She couldn’t react to Dong Zhi Xin’s words as she said, “You.....What did you just say?”

“Un.” He didn’t feel that anything was strange as he quickly changed the topic, “I was asking, what do you want to eat tonight?”

Actually he was panicking. Since he saw this girl in front of him, every action he took was different from the Disturbed Love Sect’s sect master Dong Zhi Xin.

He was just like a boy facing love in the mortal world, he didn’t know what to do in front of the one he loved.

He wanted to go back to the Land of Forgotten Rivers to find her after he took care of his disciple nephew, but he never thought that she would come to the Disturbed Love Sect.....

“Roast duck, grilled fish, grilled meat, and grilled vegetables!” Luo Qing Chen swallowed her saliva. She suddenly felt.....a bit hungry!

“What are grilled vegetables?” Dong Zhi Xing poured her another cup of tea as he asked this in a confused voice.

“Eh.....” Her clear eyes blinked, “Hua Hua said that grilled vegetables taste very good, I don’t know either.....”

Luo Qing Chen never thought that something she casually said would be done by the respected sect master.

When evening came, several disciples sent the things that she mentioned to the Disturbed Love Sect.

When Luo Qing Chen stood in the dining hall, she was stunned!

“What are you doing, come and see if it tastes good.” Dong Zhi Xin called to her in a soft voice, “I normally don’t eat much, but I’ll try them with you today.”

“You don’t eat?” Luo Qing Chen turned and said, “Gods don’t eat anything?”

“We can eat or not.”

“You’re not hungry?”

“No!”

“You won’t feel full from eating a lot?”

“It doesn’t seem so.....”

“Then why are you eating, it’s a waste of food!”

“.....”

The disciples looked at each other. Hearing their words, their faces were stiff like they didn’t dare show any expressions.

Dong Zhi Xin realized that they hadn’t left yet, so he coldly said, “You can leave now!”

“Yes, sect master!” The disciples looked at each other before quickly leaving.

In just several days, the matters between Dong Zhi Xin and Luo Qing Chen had spread all over.

After all, there was a phrase that was eternal even at the Disturbed Love Sect. Where there were people, there was right and wrong and that was gossip.

Chapter 1160: Righteous sect’s demon path monster girl (Part 27)

The contents of the rumours went as the following.

“Did you hear? The sect master is personally teaching Xiao Qing and said that she could become an immortal from crossing a single tribulation!”

“I did! I’m so jealous!” I even heard that whatever Xiao Qing wants to eat, the sect master would have the kitchens make it! If they can’t, he’ll go to the lower realm to buy it!”

“Ah, ah, ah, the sect master.....It can’t be the sect master likes Xiao Qing, right!”

“But.....But Xiao Qing doesn’t look good at all! The sect master’s appearance is something that few men on the Harmony Continent can match!”

“Right, right! Not to mention that he is the only god in this world!”

.....

These rumours naturally fell onto Xia Mo Xing’s ears and the sword in the hand stabbed right into the ground as her eyes filled with panic.

Mu Hua Hua had a very happy smile as she stood on the side. She looked at Xia Mo Xing with a smile and said, “The sect master has good eyes! Just like me!”

“I don’t believe it! I don’t believe it!” Xia Mo Xing bit her lip and said, “These must be rumours spread by that ugly girl, only fools would believe them!”

She didn’t believe it, not a single word!

That girl named Xiao Qing was so ugly, how could someone like Dong Zhi Xin like her?

Impossible! If they were talking about beauty, if she called herself the number one beauty in the Disturbed Love Sect, who could dare call themselves the second! That ugly girl, she had to be the ugliest girl in the Disturbed Love Sect!

That person, it was definitely impossible!

“Humph! You are just lying to yourself!” Mu Hua Hua rolled her eyes at her in disdain, “This was something the senior brothers have personally seen, how could it be spread by our Xiao Qing!”

“You, shut up for me!” Xia Mo Xing angrily pulled the sword from the ground and pointed it at Mu Hua Hua, “Stop speaking nonsense, it’s not true if I say it isn’t true!”

“What a joke!” Mu Hua Hua pulled out the Thousand Piercing Zither with her right hand, “Want to fight! Come, who’s afraid of you! I’ll lose if I even take a single step back!”

“What are you arguing for!” When the two were about to fight, Gu Liu came over with his hands behind his back and he looked at them, “It looks like you’re not planning on learning, why don’t you just leave this mountain!”

“Master.” Although the two were unwilling, they immediately kneeled down when they heard this, “This disciple knows their wrongs!”

“Do you know why you came to the Disturbed Love Sect? If it wasn’t to cultivate to become immortals, I urge you to leave now and stop disturbing the studies of the other disciples!”

As soon as his voice fell, his eyes fell onto Mu Hua Hua. With a flip of his sleeve, he turned to leave.

The elders of the peaks didn’t believe these rumours, but recently there had been more food delivered to the Disturbed Love Hall.

These things definitely weren’t things the sect master loved. His two best disciples were out in the lower realm exterminating evil, so it was only possible that it was for Xiao Qing who had just entered the sect.

Unless.....

But who was Dong Zhi Xin, it really made it hard for people to believe.

—

At the same time, in the witch clan.

The chief’s room was filled with the scent of alcohol and Ye Zhi Han’s eyes were filled with deathly silence.

He never would have thought that Xia Mo Xing had been lying to him since the beginning.....

Just to break up him and Luo Qing Chen.....

His mind was filled with the time he spent with Luo Qing Chen in the mortal world, as well as what she did on the day of the tribulation.....

There was this kind of girl by his side, but he didn’t treasure her.

Now there was only regret.

He closed his eyes and took his wine, as he went to the divination table.

The star orbs turned and his right hand divined, writing the words Luo Qing Chen.

After a few seconds, the place that appeared was the Disturbed Love Sect.
