### Chapter 1161: Righteous sect's demon path monster girl (Part 28)

Three days later, Ye Zhi Han came to the Disturbed Love Sect as the chief of the witch race.

When talking to the elders of the peaks, they gave him a friendly welcome.

After all, since ancient times, the witch race had been a race between the gods and demons.

Now that the demons and witch race had fallen out, it wasn't strange for the witch race's chief to come to the gods.

Not to mention, the witch race had always been skilled with divination, so becoming friends with them was a good thing.

"Chief Ye, it really is an honour for you to come to our Disturbed Love Sect!"

"I don't dare, I don't dare. The witch race and the gods have been with the righteous side for hundreds of years, I should have come to visit the elders much sooner."

"Tonight is the welcoming ceremony for the new disciples of our Disturbed Love Sect, would chief Ye be willing to participate?"

"It's my honour, it's my honour."

.....

Ye Zhi Han narrowed his eyes and his lips curled into a faint smile.

Although he didn't know why Luo Qing Chen came to the Disturbed Love Sect, he would definitely find her this time.

After all, he believed that she still loved him.....

The welcoming ceremony for the new disciples was just a simple meal, it was to let the new disciples relax themselves.

Luo Qing Chen wasn't willing to go at first.

After all, she really didn't want to see Ye Zhi Han.

"You're really not going?" Dong Zhi Xin saw that she was a bit hesitant and narrowed his eyes as he revealed a look of slight pampering.

He really liked this life, teaching her cultivation and letting her do what she liked in the realm of his absolute control.

"Un humph." Luo Qing Chen gave a slight snort, "The witch race's chief, I heard he's not a good person!"

This meant that Ye Zhi Han came to the Disturbed Love Sect for Xia Mo Xing.

Actually if the previous host was pitiful, he wasn't much better. After all, Xia Mo Xing was someone he had truly loved.

But if she really had to make an evaluation of this.

She only had two words: Deserved it!

“You know him?” Dong Zhi Xin raised a brow before narrowing his eyes and taking a sip of his tea, “The witch race is very far from here, how does a lower realm cultivator know him?”

Without knowing why, he felt that the look in her eyes was a bit strange. This strange feeling, he didn’t like it at all.

“Master, why do you always say lower realm, lower realm with me!” Luo Qing Chen bit her lip and looked at him with dissatisfaction, “I am your apprentice now!”

“Only half an apprentice.” He looked at her with a faint smile, “If I go with you, will you go?”

“Ah?” Luo Qing Chen was surprised before her lips curled, “You’re really willing to go with me?”

“Un.” His cold eyes looked up, “I really want to see what kind of man married the number one beauty of the Harmony Continent.....Luo Qing Chen is like.”

After several days of living together, Luo Qing Chen had gotten used to the habits of Dong Zhi Xin.

Actually his methods were very simple, he wasn’t willing to move most of the time.

Normally he didn’t teach Luo Qing Chen much about cultivation, but he had given her quite a few artifacts. He said: To her, artifacts were more important than cultivating.

Grand Azure Hall.

Although it was just a simple meal, everyone could see something.

In order for the Disturbed Love Sect to show Ye Zhi Han that it was a place filled with immortal cultivation, everyone had brought their swords and treasures with them.

“This is my first time at the Disturbed Love Sect and my eyes really have been opened.” Ye Zhi Han’s eyes trembled as he looked at the people in the hall around him.

## **Chapter 1162: Righteous sect’s demon path monster girl (Part 29)**

The divination table wouldn’t be wrong, Luo Qing Chen was definitely here.

But he first saw another woman that had hurt his heart.

Xia Mo Xing walked in front of him and seeing his deep eyes, she couldn’t help lowering her heart.

“Chief Ye is too polite.” Gu Liu poured him a cup of wine, “Now that the witch race is willing to be with our Disturbed Love Sect, this is what the heavenly court and the people want to see.”

“Heavenly court.” Ye Zhi Han gave a chuckle, “Being friendly with the Disturbed Love Sect doesn’t mean being friendly with the heavenly court.”

“This.....”

The elders looked at each other, looking a bit awkward.

Ye Zhi Han drank the wine in his hands, "The schemes of the people under the Western Queen Mother is not something this Ye could appreciate....."

After saying this, his eyes fell onto Xia Mo Xing as he said, "Don't you think so, miss Xia?"

"Ai, little sister Mo Xing, you also know the witch race's chief!"

"So handsome! You really are a capable person! Do you know everyone?"

"So envious, so envious, have you been acquainted with chief Ye for long? He really is too good looking!"

"Lue, lue, lue, I still think that our sect master is the number one handsome man on the Harmony Continent!"

.....

When Ye Zhi Han's voice fell, everyone began gossiping.

Gu Liu on the side looked at him and asked, "Does chief Ye know my disciple?"

"I wished that I never met her." Ye Zhi Han's eyes were cold and filled with disdain as the memories came back in his mind.

Since Luo Qing Chen left the witch race, Xia Mo Xing had completely ignored him because he had crippled her.

He felt very guilty since he had wronged Xia Mo Xing, so he should take care of her for the rest of her life.

Therefore, no matter how unreasonable she was to him or ridiculed him,

He would stay by her side to take care of and protect her, never leaving.

But he didn't know later that she left alone. He quickly went to the divination table to find that she had used the god race's item to contact the Western Queen Mother and had returned to the heavenly court.

Then he learned of various things.

Xia Mo Xing had been lying to him since the beginning, acting from the beginning in the lower realm.

This act had made him lose the one who had deeply loved him, the wife that had stood by his side.

"Chief Ye.....Chief Ye....."

Gu Liu called out before he came back to his senses.

Seeing that all the new disciples were seated, he slightly knit his brows in doubt, "Elder Liu, are these all the new disciples of the Disturbed Love Sect this time?"

Gu Liu was surprised as he asked back in a confused voice, "Does chief Ye know someone from among them?"

"It's nothing." Ye Zhi Han gave a chuckle, "It's just that it's said that there are many lower realm cultivators that come to the Disturbed Love Sect each year, I never thought that it would be this few."

"Ke, ke." Gu Liu cleared his throat and said with a bit of pride, "There are many people that come to the Disturbed Love Sect, but very few pass the five tests to become a disciple. Only around 1% of people pass the first tests!"

Gu Liu's voice fell and there was a light blue glow in the sky. There was a faint scent of cherry blossoms and a unique aura that normal people couldn't exude.

Everyone immediately stood up, "Greetings to the sect master!"

### **Chapter 1163: Righteous sect's demon path monster girl (Part 30)**

At the same time, the divination bell at Ye Zhi Han's waist rang as it made a crisp sound.

He was surprised as he looked at the girl in the cherry blossom embroidered robe and he said without any sound, "Qing Chen....."

"Un." Dong Zhi Xin nodded and his cold eyes inadvertently fell onto Ye Zhi Han.

He could see the reflections that were in his eyes.

He was looking at Luo Qing Chen and had been staring at her the entire time. Since she had appeared, his eyes had never left her.

Luo Qing Chen inadvertently looked over Ye Zhi Han, but she didn't stop at all.

In her eyes, it seemed like that person was still infatuated with Xia Mo Xing.

An aloof witch race chief had come to the Disturbed Love Sect.

Interesting, it really was interesting.....

"You can all sit." Dong Zhi Xin waved his right hand before saying with a bit of laziness, "Chief Ye, what have you come to our Disturbed Love Sect for?"

Luo Qing Chen's eyes lit up, she really wanted to give a thumbs up for Dong Zhi Xin!

Only someone with his status could directly ask this kind of question.

After all, no one came for no reason. In his eyes, Ye Zhi Han came to the Disturbed Love Sect alone, it meant that it wasn't as simple as building relations with the Disturbed Love Sect.

Moreover, he didn't like the way he looked at his disciple.

"This one has admired the name of the Disturbed Love Sect for a long time, so this one came to have a deep discussion with the various elders." He gave a polite nod to Dong Zhi Xin before looking up with a faint smile, "I heard that sect master Dong normally doesn't come to the welcome banquet, today....."

"My disciple liked it." He narrowed his eyes and his deep eyes looked at Ye Zhi Han with absolute power.

When everyone heard this, they couldn't help shuddering and feeling deep admiration for Dong Zhi Xin's words!

After all, there were rumours about him and his disciple currently floating around.

They thought that he would avoid suspicion as the sect master, but now only did he not do this, he even blatantly.....protected his disciple like this.

Of course, when Xia Mo Xing heard Dong Zhi Xin's words, she was completely frozen in place.

She never thought that the man she loved so much would say such words for this ugly girl.

"It seems like sect master Dong.....likes his disciple quite a bit!" Ye Zhi Han pursed his lips and there was a hint of sharpness in his eyes.

The bell had the aura from the last clothes Luo Qing Chen wore at the witch race, it was impossible for it to make a mistake.

That person standing behind Dong Zhi Xing, although she had a different face and voice, she even hid her real body's spiritual techniques.

He was certain that this person was Luo Qing Chen.

The bell would never make a mistake.....

But what was the daughter of the demon race doing here?

"It's natural for me to care about my disciples, chief Ye doesn't need to worry about this." Dong Zhi Xin came to the highest position and with a wave of his right hand, a light blue spiritual energy wiped away the dust on it. Then he said to Luo Qing Chen beside him, "Come and sit."

"Right, right, right, right, right, everyone sit." Gu Liu stood out to ease the tension, "Chief Ye doesn't need to be retrained. Our Disturbed Love Sect has cultivation as a goal, we don't have that many rules."

"No wonder." There was a faint displeasure in his eyes as he drank the wine in his hand, "She would want to come here."

#### Chapter 1164: Righteous sect's demon path monster girl (Part 31)

Luo Qing Chen narrowed her eyes and found that Ye Zhi Han's eyes were firmly on her.

The bell at his waist jingled and even Dong Zhi Xin sitting above could hear it clearly.

Could it be that he saw through her disguise?

[Yes host! The witch race has strong divination powers and the Divination Bell is the treasure of the witch race. Although he can't see through your disguise with your spiritual technique, the Divination Bell can sense your aura.]

WTF! System, you're so weak!

[This is a cultivation world, there are many treasures here. It is unrelated to the system!] The system spread its non-existent hands and revealed an aggrieved look.

Dong Zhi Xin waved his sleeve a bit and a faint white light fell onto Luo Qing Chen's body.

The bell at Ye Zhi Han's waist stopped ringing.

Dong Zhi Xin's bright eyes narrowed. He took a spoon with his slender fingers and scooped out a bowl of cherry blossom soup which he put in front of Luo Qing Chen, "It's your favourite."

"Thank you, master!" Luo Qing Che pursed her lips into a hard to hide smile.

She knew that it was Dong Zhi Xin who stopped the bell because she could feel a touch of spiritual energy coming from her right wrist that had a bit of a chill to it.

At this time, Xia Mo Xing who had been sitting in a corner couldn't help standing up, "Chief Ye, please don't blame our sect master for the matters between us!"

She was wearing a feather blue dress and stood there with her white as snow face.

How righteous, how she looked like the female lead, people couldn't help wanting to applaud for her.

But Ye Zhi Han's words completely turned the scene around!

"This miss, do we know each other?"

His words were calm, but every word was clear and strong.

"You....." Xia Mo Xing's heart skipped a beat and felt like she had been fiercely slapped.

This man in front of her, he had loved her and held her hands so fondly before.

No matter what she did wrong, he always stood at her side.

For her, he had abandoned the number one beauty of the Harmony Continent and abandoned his wife. He even the witch race's Stop Seal poison to scatter her primordial spirit.

But now he actually said that he didn't know her.....

The people watching began to whisper excitedly. Luo Qing Chen took a sip of the soup as her lips curled into a faint smile.

This really.....was a good play.

"I want to take back what I just said. It seems like chief Ye doesn't know Xia Mo Xing at all, it was her own words!"

"I thought it was like this. I thought that she was close to the sect master before? It seems like she was definitely lying!"

"Ai, people who look good likes to make up nonsense, she can't even compare to that ugly girl Xiao Qing!"

“Hey!” Mu Hua Hua couldn’t keep listening as she said, “You can discuss Xia Mo Xing if you want, but why are you dragging in our Xiao Qing!”

Without knowing why, Mu Hua Hua couldn’t stand others talking about her sister.

Although they didn’t know each other for long, when she said ‘listen to me’ that day, she felt that girl really was handsome!

She never came to the Disturbed Love Sect to cultivate, she only came for her mother’s final wish.

“What’s wrong with me?” Ye Zhi Han’s dark eyes didn’t have any heat in them as he looked at Xia Mo Xing, “Could it be that miss Xia has recognized the wrong person?”

### **Chapter 1165: Righteous sect’s demon path monster girl (Part 32)**

Xia Mo Xing’s face was pale at this moment. She intentionally looked over at Dong Zhi Xin and found that he was just getting dishes for his disciple.

She didn’t care at all about her act just now.

She gritted her teeth and took a deep breath, “Chief Ye is correct, I recognized the wrong person.”

“Un humph?” Ye Zhi Han gave a cold snort, “It seems like the disciples of the Disturbed Love Sect are worse than the rumours.”

.....

The elders heard this and they all looked very awkward.

When Gu Liu was about to say something to ease the tension, there was a dark red glow that filled the sky.

With the faint rhythmic sound that came, Luo Qing Chen’s fingers trembled as a sparkle appeared in her eyes.

The disciples who were guarding the gates tonight quickly flew in on their words, “Reporting to the sect master, the demons have gathered twenty kilometers away from the Disturbed Love Sect. The demons sent someone to inform us that they have already destroyed the witch race and they want us to hand....over chief Ye.”

“Those demons dare come to our Disturbed Love Sect, I’ll use this as a pretext to kill them and not leave a single bit of them.” Gu Liu immediately took out a sword and everyone brought out their weapons as they prepared to fight to the death.

Dong Zhi Xin casually sipped his tea, “Didn’t you hear what he just said? It seems like they are here for chief Ye.”

When Dong Zhi Xin said this, Ye Zhi Han’s face looked a bit ugly.

He never expected the matters between him and Luo Qing Chen to reach the demon race this quickly and he never expected Feng Wu Ji to attack the witch race.

The witch race was easily defeated, so it seemed like he wanted to take revenge for her after learning of Luo Qing Chen's matter.....

When he thought of this, he couldn't help feeling uncomfortable.

After all, that man named Feng Wu Ji dared to openly steal his bride on the day of his wedding.

He was already vaguely concerned then and when he heard this name now, he was even more concerned.

"Sect master, Gu Liu requests to join the fight."

"Sect master, Bai Luo requests to join the fight."

"Sect master, San Tu requests to join the fight."

.....

Hearing the word demon, all these righteous people felt the need to 'eliminate all demons in this world'.

But this sense of justice was laughable in Dong Zhi Xin's eyes.....

"If you want to go, then go!" Dong Zhi Xin lazily narrowed his eyes, "But before going out, don't you want to hear from chief Ye why the demon race that has always been friendly with the witch race would suddenly attack them? Don't you think that there is something we don't know?"

As the only god, he wanted to first learn the 'deep hatred' between Ye Zhi Han and Feng Wu Ji.

The demon race even took the risk of being attacked by the heavenly court to destroy the witch race!

It had to be known, although the demon race succeeded today, they would be greatly damaged.

At this time, they dared to come request the Disturbed Love Sect to hand over Ye Zhi Han. This showed just how important the number one beauty of the Harmony Continent, Ye Zhi Han's previous wife.....was in Feng Wu Ji's heart.

"This.....The demons have always been evil. The witch race must have offended them for them to act this unscrupulous!" One of the elders couldn't wait to eliminate the demon, so he spoke up.

"Sect master, elders." Ye Zhi Han gave a long sigh. His deep eyes were still on Luo Qing Chen as he slowly said, "It's my witch race that has wronged the demon race, I was the one who wronged my wife, so I should go with them. I miss her, very much so that it kills me....."

### **Chapter 1166: Righteous sect's demon path monster girl (Part 33)**

Luo Qing Chen's heart couldn't help skipping a beat.

She was clear that this feeling didn't come from her, rather it came from the previous host.

After all, when the man in front of her said the word 'wife', there was no way to stop the desire that was in her heart initially.

But to Luo Qing Chen, Ye Zhi Han in front of her was scum.

In her eyes, this was a man that couldn't be forgiven.

"Ding, ding, ding, ding, ding." The familiar zither sound rang out and the disciples all covered their ears.

Luo Qing Chen narrowed her eyes and mouthed: Silver Phoenix Zither.

But even if it was a tune that she was familiar with, she could feel the tremble in Feng Wu Ji's melody.

He should be injured.....

After all, for the gods and demons, the witch race was indeed a bit weaker.

But to destroy them in a short period of time, it was a very difficult matter.

Dong Zhi Xin seemed to be able to read the words between her lips as he said, "Feng Wu Ji is Feng Wu Ji in the end. I suddenly want to know what the number one beauty of the Harmony Continent looks like."

She was stunned. When she turned her eyes, her gaze fell right into his deep gaze.

[Ding, affection has increased by ten. Mission completion rate is now 50%.]

"I'll go see this left and right hand of the Demon Shadow Palace, I want to see what skills he has!" Gu Liu gave a cold snort. There was a faint blue light that appeared around the sword in his hand as he flew out towards the Silver Phoenix Zither.

Mu Hua Hua knit her brows and the Thousand Piercing Zither in her hand wanted to fight.

She pursed her lips to look at Luo Qing Chen, using her eyes to ask her a question,

Luo Qing Chen shook her head, signaling that she shouldn't go.

Mu Hua Hua lowered her head sadly. Although she was a bit unhappy, she still sat down, not like the disciples that had followed their masters.

Luo Qing Chen gave a sigh. When she wanted to stand up, Dong Zhi Xin said something that caught her off guard.

"Do you like him?" His face was calm as a slight chill filled his deep eyes.

Actually he long knew of her identity, when she fought with Feng Wu Ji in the valley, he could see that she was related to the demons.

Although he didn't know why he couldn't see through her with his spiritual techniques, he knew that the face in front of him was a mask.

"What kind of like?" She pursed her lips and suddenly felt a bit nervous.

She only had 50% affection right now, she wasn't sure what Dong Zhi Xin wanted to say or what he wanted to do.

But she could see the faint trace of emotion in those deep eyes.

"You know." He couldn't help picking up the cup of wine and drinking it all down.

He hadn't drank alcohol in several thousand years, he didn't like the smell at all, but he wanted to drink a few more cups now.

"Un....." Her clear eyes kept turning before she said, "It seems like master's memories aren't that good!"

"What?"

"I said before that whether it was being moved or liking something....." She paused before continuing, "It should be you!"

She said this because she knew that this was the answer the person in front of her wanted to hear.

He was a bit stunned. There was a sparkle that appeared in those deep as the sea eyes.

[Ding, affection has increased by twenty. Mission completion rate is now 70%.]

### **Chapter 1167: Righteous sect's demon path monster girl (Part 34)**

"Un....." His beautiful eyes trembled before he nodded like nothing was wrong, "Me too."

He had to admit, this was a very strange feeling. This was his first time feeling this nervous.

But he enjoyed this feeling very much. Enjoyment was something that he had never felt before in his thousands of years.

"Un ha." Luo Qing Chen pursed her lips and couldn't help smiling, "Master, you said that I was only half your disciple, what was the other half?"

After all, she had said the word 'like' first, so it was only fair to her if she got some kind of response."

"Un." He softly said. His right hand suddenly grabbed her wrist and his slender fingers grabbed hers as he looked right into her eyes, "This kind of relationship."

It had to be said, Luo Qing Chen found that when the cold and aloof Dong Zhi Xin said this, it was gentle and sweet.....

But she pulled back her hand in the end as she nervously said, "I.....I, I.....I know."

She wanted to tease sect master Dong with the word 'love', but when he became 'serious', there was no need to tease.....

"What?" He said with a smile, "I thought you never became shy?"

"I....." Luo Qing Chen touched her ears awkwardly before changing the topic, "Right master, everyone is gone, I should help elder Liu as well!"

Feng Wu Ji was injured and the demon army must be injured from the fight just now.

He wouldn't be a match for the elders of the Disturbed Love Sect.....

"Dong." His right hand grabbed her waist and there was a sparkle in his deep eyes, "Are you certain you're going to help elder Liu?"

"I....."

"Not allowed!"

When she wanted to speak, Dong Zhi Xin cut in with absolute determination.

"Master, I want to go!"

"Then I'll assume that your answer just now was a lie....." His fingers trembled and there was a slight chill in his voice.

He knew who Feng Wu Ji was to her, what kind of feeling he felt for her.

"I'm not lying!" Luo Qing Chen pursed her lips, "Why don't you believe me!"

"Then don't go." His tone conceded a bit as he said with a sigh, "If you don't go, I won't go either."

Luo Qing Chen was surprised, clearly understanding the meaning in Dong Zhi Xin's words.

If Dong Zhi Xin were to enter the battle, the demons would have no chance of winning.

But if he didn't go, even if Feng Wu Ji was injured, he would still be able to match the Disturbed Love Sect.

"But the reason for this incident....."

"Alright." He forcefully held her hand as his lips revealed a reluctant look, "Then you can go, but you have to promise me one thing."

"What is it?"

"You will come back."

Luo Qing Chen looked at the sparkle in his eyes and suddenly felt the urge to hug him.

But she knew that she couldn't now.

In the future.....It would be more difficult in the future.

The people of the world said: Gods and demons didn't match.

They represented these words now.

But every time, her story was different from the so-called 'gods and demons'!

"If I don't come back?" She pursed her lips into a sweet smile as her eyes sparkled.

"Oh." His tone dropped a bit, but his answer after that completely surprised her.

"If you don't come back, I'll come find you."

## **Chapter 1168: Righteous sect's demon path monster girl (Part 35)**

Some people almost never said sweet words, but when they did say them, it was so sweet that it penetrated people's hearts.

Dong Zhi Xin should be someone like this.

Due to how serious this was, when Luo Qing Chen left, Ye Zhi Han followed after her.

She wasn't sure if Ye Zhi Han had seen through her, but she couldn't hide anything in front of Dong Zhi Xin.

The demon army was located twenty kilometers away and the dark energy was strong.

It was like the barrier was prepared ahead of time, it was hard for members other than the elders of the Disturbed Love Sect to deal with it.

This bunch wanted to deal with demons, they really were too soft!

With a cold wind, Feng Wu Ji sat on a rock as the Silver Phoenix Zither in his hand released a moon white glow. His silver wind fluttered in the breeze and under the night that was as dark as ink, it was like he was glowing.

Of course, this Feng Wu Ji naturally became a thorn in the eyes of the Disturbed Love Sect elders.

"Demons, quickly cripple yourselves or the Disturbed Love Sect will make you all disappear from the continent tonight!" Gu Liu's voice had a strong penetrating force and the tone of a righteous man.

"Oh?" Feng Wu Ji's beautiful and elegant face had a faint smile, as his eyes that sparkled like the stars narrowed, "When the heavenly court brought a hundred thousand elites to attack my Demon Shadow Palace, didn't they still lose? This old man, are you more powerful than the heavenly emperor?"

Since Luo Qing Chen married Ye Zhi Han, he had been a bit disturbed.

He always thought it was his wishful thinking, so he had been reserved with his worry.

But after the confidant he sent to the witch race brought back news, he wanted to cut Ye Zhi Han's body into ten thousand pieces!

That girl who he spoiled was actually being treated like this by that scum man.....

If Ye Zhi Han didn't die, what right did Feng Wu Ji have to say he loved Luo Qing Chen?

"You....." Gu Liu's face was a bit ugly since Feng Wu Ji spoke the truth.

They were only a group of cultivators, they had to deal with a leader of the demons and also ten thousand demon soldiers.

"I'll say it one last time, I only want Ye Zhi Han." Feng Wu Ji's eyes were cold, making him look strangely handsome under the moon.

It was like if you took an extra look, you would fall to this mysterious youth.

"Feng Wu Ji, since chief Ye is our Disturbed Love Sect's honoured guest." Gu Liu pointed his spiritual sword at him, "We definitely will not give him to you!"

“Ha, ha, ha!” Feng Wu Ji laughed into the sky, “Chief? Honoured guest? Your Disturbed Love Sect is a place for guilty men and mistresses?”

“What nonsense are you speaking!”

“It seems like you still don’t know!” Feng Wu Ji narrowed his cold eyes as a chill came from him. He slightly pursed his lips as he said, “Since you wanted to separate the demon race and the witch race, you had your disciple do unscrupulous things with Ye Zhi Han, can you still hold your old face up?”

“Humph!” Gu Liu naturally knew about the matter between Xia Mo Xing and Ye Zhi Han. He just gave a cold snort as he said, “It was your demon race’s daughter that secluded chief Ye first, my disciple was just doing her duty. It was a pity that the demon girl didn’t die.”

“Good, good, good!” Feng Wu Ji’s eyes were filled with rage and the Silver Phoenix Zither was covered in white light, “The righteous people are saying things like this, they can actually sound this righteous. It is no wonder that you threw away your wife and daughter in the lower realm and can still act this honourable!”

#### Chapter 1169: Righteous sect’s demon path monster girl (Part 36)

There was nothing hidden in this world. If the demon race wanted to know the ‘personal matters’ of the righteous people, they could learn everything after a bit of investigation.

This so-called Gu Liu was also scum in Feng Wu Ji’s eyes!

“You.....You.....You.....” Gu Liu clearly understood the meaning in his words and said through gritted teeth, “Today I, Gu Liu will take care of all your evildoers and eliminate the demon race!”

“He, he.” There was a clear laugh that sounded as two ‘ding, ding’ sounds rang and the sky turned dark.

Feng Wu Ji’s slender fingers danced across the strings as a tune that attacked the disciples of the Disturbed Love Sect.

Those with weaker cultivations couldn’t take this ‘God Executing Heart’ and all spat out blood.

“Deserving death!” Gu Liu roared. All the elders formed an array and the treasure of the Disturbed Love Sect appeared in the array, attacking in Feng Wu Ji’s direction.

Feng Wu Ji narrowed his cold eyes as a sweet taste appeared in his mouth, which he quickly swallowed back down.

The Disturbed Love Sect really was the Disturbed Love Sect, several elders with weak cultivations gathered in this array and adding in the power of the Reincarnation Mirror, it pushed back his Silver Phoenix Zither.

But he couldn’t retreat. He didn’t know if Luo Qing Chen was still alive and he couldn’t let Ye Zhi Han escape.

If he were to scatter his primordial spirit back then, would his childhood friend have turned back?

She.....would have still loved Ye Zhi Han like that!

Otherwise with her personality, how could she let him off!

“Interesting.” Feng Wu Ji pursed his lips and revealed a demonic smile, “Since you are willing to give your life for Ye Zhi Han, then let’s end it together!”

The white light of the Silver Phoenix Zither changed, a dark red glow surrounded the zither, with a trace of blood to it.

“You, you.....You actually.....” Gu Liu’s eyes widened with disbelief as he looked at Feng Wu Ji. Standing under the moon with his silver hair in the breeze, there was a trace of blood that came from his mouth as the Silver Phoenix Zither released the sounds of hell.

“Old Liu, he wants to use the divine artifact blood sacrifice!” The other three elders looked at Gu Liu and said, “We will all die here, how about.....How about we give Ye Zhi Han to them!”

“Old San is right, it’s not worth being eliminated for the witch race. Not to mention that Ye Zhi Han wronged their demon race’s golden daughter first and your disciple.....”

“No!” Gu Liu gave a determined shake of his head before angrily roaring, “For justice, for the people of the world, this Gu Liu can give up a life. If Feng Wu Ji dares to sacrifice his blood to his divine artifact, I’ll go with him!”

Luo Qing Chen standing under a camphor tree not far away revealed a taunting smile. For the people of the world, it truly was laughable.....

She took out the black dress and cloak from her personal storage space. With a wave of her right hand, her nation collapsing appearance returned.

With a ‘ding’ sound, the Drunken Dreams Sword covered in black light pierced Gu Liu’s formation.

The black feathers filled the sky. She looked at Feng Wu Ji with narrowed eyes as the red mark appeared on her forehead, with a bit of a golden light around it.

Gu Liu was stunned as everything fell into silence. Everyone was a bit surprised when they saw Luo Qing Chen, after all, she really was too beautiful.

Under the moon with her cold eyes, it was like everyone step she took shook the world.

### **Chapter 1170: Righteous sect’s demon path monster girl (Part 37)**

“Qing.....Qing Chen.” Feng Wu Ji’s face was pale, but he couldn’t restrain the joy in his heart as his deep eyes looked at her back.

She raised her left hand and put Feng Wu Ji in her protective barrier. She softly said, “Heal yourself and don’t you dare do something as stupid as a blood sacrifice in the future, I won’t save you.”

As soon as her voice fell, her eyes fell onto Gu Liu as she gave a cold laugh, “Elder Gu Liu really is a righteous person who protects the world, as the demon race’s golden daughter, I have to admire you.”

“Humph, I don’t need your admiration!” Gu Liu gave a cold snort. He covered his chest as he staggered a bit.

The Drunken Dreams Sword was just too strong, Luo Qing Chen really was the hardest person to deal with among the demons.

Just a single person had broken the highest level formation of the Disturbed Love Sect.

Sure enough, those who hadn’t passed their tribulations to become immortals couldn’t take her attacks.

“He, he.” Luo Qing Chen had a smile that was like a flower blooming as she looked at him, “Is miss Mu Ying one of the people of the world?”

When Luo Qing Chen’s voice fell, Gu Liu’s face instantly became incomparably pale.

She paused before giving a chuckle, “Why don’t I tell everyone a story!”

Of course, she learned this story from the system.

Mu Ying, Mu Hua Hua’s mother.

His wife.

Back then, he wasn’t an elder of the Disturbed Love Sect and was just a cultivator with poor talent.

Mu Ying was already an immortal in the heavenly court, a fairy who guarded the lamps of the heavenly library.

She was a dazzling beauty that even the moon paled in comparison.

Many immortals in the heavenly court coveted her, but her heart had never been moved.

Until the Western Queen Mother sent her to the lower realm to deal with a plague, that was where she met Gu Tao.

Who was the current Gu Liu.....

Gu Liu was only a cultivator with no talents then, he couldn’t find the source even with the plague.

But he had ambitions and lofty ideals.

He promised Mu Ying that if he could become an immortal, he would go through flames and water to save the people of the world.

It was because of this that Mu Ying felt a different feeling for him.

But in the end, Gu Liu was only a cultivator.

As long as he didn’t cross his cultivation to become an immortal, he and Mu Ying could never be together.

But they loved each other and something happened in the end.....

On the night of their wedding, the Western Queen Mother learned the Mu Ying had an affair with a mortal.

She abolished his position as an immortal and crippled her, never letting her return to the heavenly court.

The next day, Gu Liu received notice of the Disturbed Love Sect's first trial.

He cruelly left Mu Ying for his own path of cultivation, he even took away Mu Ying's Thousand Piercing Zither to pass the test.

Of course, even if Mu Ying had the Thousand Piercing Zither, she couldn't do a thing without her cultivation.

But it was an indisputable fact that Gu Liu took her Thousand Piercing Zither to enter the Disturbed Love Sect.

After this, he became an immortal with his own ability.

But in the end, the Thousand Piercing Zither couldn't belong to him.

"I wonder what you should tell her if Mu Hua Hua were to know about this?" Luo Qing Chen narrowed her cold eyes as a taunting tone appeared in her voice.

"You.....Is what you said try?" A sweet voice sounded. Luo Qing Chen looked down to see Mu Hua Hua holding the Thousand Piercing Zither with tears in her eyes.
