Chapter 1171: Righteous sect's demon path monster girl (Part 38)

Luo Qing Chen narrowed her eyes. Seeing Mu Hua Hua like this, she found it a bit unbearable.

But she was no longer Xiao Qing who shared a room with her.

She was the proud daughter of the demon race, Luo Qing Chen.....

“Gu Liu, if people like you die for the people of the realm, the people of the realm might think that you’re dirtying them.” Luo Qing Chen revealed a faint smile as her narrowed eyes were filled with incomparable coldness.

The people of the Disturbed Love Sect looked at Gu Liu with different emotions in their eyes.

“Qing Chen.....” Feng Wu Ji had stabilized his injuries. He said with a sigh, “Release your barrier, I’ll help you take care of them!”

“We’ll talk if you can open my barrier!” Luo Qing Chen looked down at him and said, “Big brother, can you just stay there and not make people worry?”

Her heart felt a bit unbearable towards Feng Wu Ji.....

This was a rarely seen supporting male lead who was completely devoted to the previous host, but the previous host had thrown him away.

In her eyes, there was no love for this person, but there was friendship.

“You.....You are worried about me?”

“Un.” She softly replied before saying, “You are my friend.”

“Elder Gu Liu.” There was a familiar voice that broke the current deadlock.

Ye Zhi Han slowly came out with a complicated look in his eyes.

When he saw Luo Qing Chen, the complicated look was gradually filled with guilt and regret.

“Ye Zhi Han!” Feng Wu Ji angrily roared. He wanted to take out the Silver Phoenix Zither to fight to the death with him.

But Luo Qing Chen’s barrier was around him and he wasn’t willing to break it.

This was the first time she had chosen him between him and Ye Zhi Han.

“Chief Ye.” Gu Liu came back to his senses. He didn’t dare look at Mu Hua Hua at all, he looked at Ye Zhi Han and firmly said, “Be assured, since I, Gu Liu said that I would protect you, I will definitely do it.”

“Old Liu! You.....”

The other elders had difficult looks on their faces, but who could blame them.....After all, Ye Zhi Han did something like this and to have them use their lives to protect him, it really was hard for them.

"Elders, you don't need to say anything." Ye Zhi Han gave a slight nod, "This Ye is grateful for the hospitality of the Disturbed Love Sect and is grateful for everything you have done, but we have to face matters in the end. As the chief of the witch race, I have to face this matter."

As soon as his voice fell, he looked up at Luo Qing Chen, "The grudge between us shouldn't involve others, don't you think?"

"I can't make the decision." There was a faint sparkle in Luo Qing Chen's cold eyes, "It's our big brother Wu Ji who makes the decision."

Feng Wu Ji standing behind her was surprised. There was a faint sparkle in his star like eyes as he looked at Luo Qing Chen.

He never thought that Luo Qing Chen would say these words in front of Ye Zhi Han.

"You....." Ye Zhi Han looked at her with his deep eyes, "How can you....."

"How do you want to solve it? A duel? Or a fight?" She looked at him with her cold eyes and had a smile of disdain as she said, "I'm afraid of dirtying my hands."

This could be considered embarrassing him in front of everyone since he was the chief of the witch race.

"No matter what, I am serious....."

"No need." She gave a cold laugh and cut him off, "You can leave your sincerity for Xia Mo Xing! After all, the matter of a scum man and the mistress leaves a deeper impression for people."

Chapter 1172: Righteous sect's demon path monster girl (Part 39)

Ye Zhi Han pursed his lips and tightly clenched his fists.

He wanted to take back the girl in front of him, but she was hurting his prestige in front of everyone like this.....

As soon as she fell, it was like her black feather dressed bloomed like a flower. She waved her right hand as she said to Ye Zhi Han in front of her, "You were unfaithful first, I destroyed your witch clan after. Whether you recognize it or not, it is too late and you are out of luck!"

"Qing Chen.....I....."

"In the future, if you want to avenge the witch race....." She cut him off, "Or bring the mess of the Disturbed Love Sect or the heavenly court, I, Luo Qing Chen will be waiting in the Demon Shadow Palace."

As soon as her voice fell, she gave a cold snort before waving her right hand to bring the people away.

In the battle of the Disturbed Love Sect and the demons, Dong Zhi Xin never appeared.

Did he really.....not care about the world and couldn't even make up his mind for the Disturbed Love Sect?

Or, did he do it for her?

—

Returning to the Demon Shadow Palace, Luo Zhu Xin and Luo Yao Yue were currently in the Eastern Desolation Land, searching for the thousand year old divine artifact of the Harmony Continent, the Firmament Stone.

This was an artifact that had disappeared a long time ago. It was said that it had appeared in the Eastern Desolation Land recently, so Luo Zhu Xin brought Luo Yao Yue who always wanted to show off her merit with him.

Luo Qing Chen felt that this was good news. It was better for her not to see her little sister.

“Ding ling.” With the sounds of the bead curtain, she looked up to see Feng Wu Ji walking in.

He was holding a pot of peach blossom wine and there was a gentle look on his face.

At that moment, Luo Qing Chen felt a bit of disbelief in the previous host’s eyes.

After all, whether it was appearance or style or even how she was treated!

Feng Wu Ji was countless times better than Ye Zhi Han!

One could tell with a single look that the previous host’s eyes were bad! But there were some things that she had to tell Feng Wu Ji.

After all, other than the male lead, she couldn’t have any other feelings.

This was something that she as a righteous person thought.

In her eyes, since it was impossible to give the other side any response, she should put these things away.

Some things might already have an answer in another world.

Whether it was the previous host or Feng Wu Ji, they shouldn’t be tangled.

“Do you want to drink?” He saw that she was a bit distracted, so he put a glass in front of her, “What are you thinking?”

Luo Qing Chen was surprised, but she came back to her senses, “Nothing, I’ll have a drink.”

“You and Ye Zhi Han.....”

“This is a beautiful scene, why mention that scum!” Luo Qing Chen pursed her lips and drank the peach blossom wine, “I even gave him a divorce letter.”

“Ah?” Feng Wu Ji looked at her with clear shock.

Although he knew that Luo Qing Chen left the witch race, he always thought that she was driven away by Ye Zhi Han.

He didn’t know.....that she gave him a divorce letter.

"Xiao Qing really is different from before." His feeling was very good and there was a faint sparkle in his starry eyes, "I never would have thought that you would talk about Ye Zhi Han like this!"

The scene of her deciding to marry Ye Zhi Han was still vivid in his mind, she didn't even change her mind when he lost half his primordial spirit.

But now.....

"Of course I'm different from before." She poured another cup of wine as her eyes trembled slightly, "Because, I am not the Luo Qing Chen whose head has been run over."

Chapter 1173: Righteous sect's demon path monster girl (Part 40)

"What?" He was surprised as his hand holding the wine cup trembled.

Luo Qing gave a sigh as she looked at him, "Feng Wu Ji, there are some things that you won't believe even if I told you, would you still listen?"

In the end, towards Feng Wu Ji.....She should say something that she wouldn't say to anyone else.

"Speak, I'll listen."

It was unknown if it was because of the wine, even though there was a faint blush on his face, his eyes were still incomparably deep.

"I am Luo Qing Chen, but also not her." She turned to look at him as she said word for word in a serious voice, "That Luo Qing Chen that you liked has already been killed by Ye Zhi Han and Xia Mo Xing in another world. The Luo Qing Chen in front of you has never never loved Ye Zhi Han."

She was very clear that Feng Wu Ji wouldn't understand what she said.

After all, she had this body and the memories of the previous host.

So calling it another her was just too much of a stretch.

But Feng Wu Ji revealed a self deprecating smile as he said with a nod, "No wonder.....I said it already, she wouldn't pick me between me and Ye Zhi Han!"

She could hear the faint disappointment in his voice. After all, if Luo Qing Chen wasn't his childhood friend.

No matter what this person in front of him did, it didn't mean anything.

"Ah?" Luo Qing Chen was a bit surprised when she heard this.

Her lips slightly curled as she said, "I'm very surprised, you can understand what I said."

Feng Wu Ji really was someone she looked at with admiration!

As expected, this young man in her eyes, his intelligence wasn't low at all!

"You really are overpraising me." Feng Wu Ji narrowed his eyes and there was a slight change in his gentle gaze.

It became an exploratory gaze.....

"So.....The things between us before, do you still remember them?"

"Aiyo, big brother....." Luo Qing Chen shook the cup of wine in her hand, "I remember quite a few things, like when we were smaller, you liked to wear the big red.....Wu....."

Feng Wu Ji covered her mouth as he looked at her with depe eyes that had a sparkle in them, "You.....You're not as good as her!"

"Lue, lue, lue." Luo Qing Chen raised her right hand and said with a faint smile, "People say that beauty is in the eyes of the lovers, it's normal that I'm not as good as her!"

Although she said this, the previous host had almost let his primordial spirit scatter!

Was this person considered good?

After comparing it, she not only brought him back safely from the Disturbed Love Sect, she even abused his 'love rival'.

Any discerning person could tell that she was 'better' than the previous host.

"But I want to know....." He looked at her and continued, "Why did you tell me this!"

If she didn't say anything, he wouldn't have been able to see through it.

"Because I don't want to waste your feelings." Luo Qing Chen gave a shrug. There was a faint blush on her white skin as her lips curled slightly, "After all, the feelings you have for her are too deep, I'm afraid I can't return them."

"Ke, ke." He cleared his throat and looked at her with a gentle smile, "It seems like little sister Qing Chen is quite scared!"

He also found it strange. She said that she was not this person, so there was a trace of sadness in his heart, but his heart trembled again after seeing her smile.

This was his first time seeing this kind of special person appear in his world, he felt a bit....panicked.

Chapter 1174: Righteous sect's demon path monster girl (Part 41)

"Ah? Little sister Qing Chen!" Luo Qing Chen pursed her lips and said, "Is this the new nickname you came for me, the person who's living a new life?"

She had to admit, she admired Feng Wu Ji as a person very much.

It had been a long time since there was someone she admired other than the male lead.

Of course, admiring a person was unrelated to emotions, this was just purely admiration.

“You already called me big brother Wu Ji, could it be that I shouldn’t take you as my little sister?” Feng Wu Ji revealed a faint smile and patted her head in a somewhat pampering manner, “No matter how crazy your words are or how much of a fantasy they seem, I will protect you like before.”

She was surprised. Seeing his star like eyes, she felt a bit unsettled.....

At the same time, in the Disturbed Love Hall.

There were Feng Wu Ji and Luo Qing Chen’s images in the water.

A certain person narrowed his eyes. With a wave of his hand, the water scattered.

—

Three days later, the immortals of the heavenly court planned on attacking the Demon Shadow Palace for the witch race matter.

Among them were the Disturbed Love Sect members that wanted to help.

After Luo Qing Chen learned of this, she immediately set a barrier around the Demon Shadow Palace.

But when she received news from her father Luo Zhao Xin, she knit her brows.

The Firmament Stone had been found in the Eastern Desolation Land, but it wasn’t them who found it first, it was Immortal Meng Xuan sent by the Western Queen Mother.

They were a step late in the end,

If the demons and gods were equal in the beginning, the heavenly court slowly increased their odds with the Firmament Stone.

Adding in the fact that the demons were injured from destroying the witch race and they were still recovering.

With the heavenly court working with the Disturbed Love Sect, this was a good time to fight.

“Your highness, sir Wu Ji! The demons are on standby and prepared to fight at any time!”

Luo Qing Chen narrowed her eyes and looked at Feng Wu Ji on the side before asking, “When is my father coming back?”

“It would take at least three days.” “Feng Wu Ji looked at her with the Silver Phoenix Zither in his right hand, “Don’t panic, I’ll protect you.”

The people of the world said that serious women were the most beautiful. Although Luo Qing Chen already had a nation collapsing face, this was his first time seeing her this serious.

She didn’t blame him for destroying the witch race and did her best to take care of the problems that came from it for him.

Why did he feel that she was more charming than the childhood friend that he grew up with.....

"This isn't that simple." Luo Qing Chen slightly knit her brows, "Father sent a divine bird to tell us about the Firmament Stone, it must mean that the abilities of the enemies are above you and me. Now that the demons can't resist the heavenly court, not to mention the Disturbed Love Sect."

She felt that her analysis was absolutely correct.

Moreover, she didn't know if Dong Zhi Xin would participate in this war.

If he did, the Demon Shadow Palace didn't have a single chance of winning.

"The heavenly court is using the witch race as an excuse, just come and destroy us if they want!" Feng Wu Ji narrowed his cold eyes and softly said, "I won't let them do as they wish."

He destroyed the witch race, so since it's like this, even if he used the blood sacrifice and scattered his primordial spirit, he had to ensure the safety of Luo Qing Chen and everyone of the demon race.

"Ke, ke." Luo Qing Chen could see through his mind with a single glance, "Don't think about using the blood sacrifice. I don't want to see the big brother I just recognized to scatter his primordial spirit!"

Chapter 1175: Righteous sect's demon path monster girl (Part 42)

The demons and gods fight, the sky changes colours.

The hundreds of thousands of heavenly court soldiers arrived at the Demon Shadow Palace, leading a group of cultivators from the Disturbed Love Sect to attack the barrier.

"Ding ling." Feng Wu Ji's zither suddenly sounded and everyone retreated when they heard this.

He wore the blue satin robe and his silver hair released an aura that no one could match. The Silver Phoenix Zither in his hand released a dazzling white light and the powerful music created layers upon layers on the barrier.

"Feng Wu Ji, you destroyed the witch clan first. Now I am surrounding your demon race, what do you have to say?" Yun Jiang narrowed his eyes. He was wearing a set of armour and had the sword of the gods, putting on the majesty of the 'righteous man' with every word.

Yun Jiang was the Western Queen Mother's strongest general, his path to immortality had been extremely smooth.

He didn't suffer in this world, he just knew that 'killing all demons' was right.

"Yo, yo, yo." Feng Wu Ji narrowed his eyes and he had an evil charming smile as he looked at him, "This armoured person, the way you stress your words, it really makes me think that you're an illegitimate child of the witch race!"

"Ha, ha, ha, ha!" When Feng Wu Ji's voice fell, the demons broke out in laughter!

They raised the weapons in their hands and shouted, "The demons will win! The demons will win! The demons will win!"

“You.....” Yun Jiang narrowed his eyes and they filled with extreme killing intent, “When I break this barrier, I will see how you will still laugh when you’re running for your lives!”

For him, he was born with justice. The existence of the demons in this world was an insult.

If they existed, they would only make the world dark and dirty.

“Be assured.” Feng Wu Ji looked at him and said, “Even if I die, you will come with me.”

As soon as his voice fell, the Silver Phoenix Zither’s world destroying tune sounded and the sky above the Demon Shadow Palace turned dark.

It had to be said, Feng Wu Ji’s mastery of the zither really was at the peak.

With each pluck of the string, it pierced through layers of defenses to attack the minds of the enemies.

“Everyone, I will count to three and we will destroy his barrier!” Gu Liu stood on the other side, leading all the cultivators of the Disturbed Love Sect to join the battle.

Naturally that included Xia Mo Xing and Mu Hua Hua.

Xia Mo Xing looked at the Demon Shadow Palace with a snicker. Now the witch race had been destroyed, the heavenly court was attacking the demons.

Everything that she hated would disappear, she would become a clean cultivator from now on.

She would forever stay in the Disturbed Love Sect, staying by Dong Zhi Xin’s side.

She wanted this from the beginning of the story.

At that time, made moves on the Western Queen Mother’s beloved, so she was to be punished with thirty three bolts of lightning.

When she couldn’t take it anymore, Dong Zhi Xin who was passing waved his right hand and blocked the final bolt of thunder for her.

At that time, the only god of the Harmony Continent became something she had faith in.

It was at that time that her eyes kept following him.

She went to find the Western Queen Mother to perform merits for the heavenly court to become the immortal of the Disturbed Love Sect.

But she didn’t know that that damn Luo Qing Chen would cripple her cultivation.

As a result, she could only enter the Disturbed Love Sect as a disciple!

All her.....All her.....Why didn’t that idiot die, her primordial spirit should have been scattered by the Stop Seal.....

Chapter 1176: Righteous sect’s demon path monster girl (Part 43)

As the group of righteous people kept attacking the barrier, Luo Qing standing on the side could clearly tell that the barrier couldn't hold on much longer.

But with Feng Wu Ji's Silver Phoenix Zither, those with lower cultivations were unable to join the fight after hearing its melody.

The hardest ones to take care of now were Yun Jiang and Gu Liu.

After all, although there weren't many capable people on Gu Liu's peak, the spells cultivated by Gu Liu were the greatest nemesis for demons.

In other words, the elders of the Disturbed Love Sect cultivated to become gods while Gu Liu cultivated only to exterminate demons.

These two points were very different.....

To put it simply, when Gu Liu was facing demons, he was even stronger than the other elders of the Disturbed Love Sect.

"Peng!" With a loud sound, the demon race's barrier was pushed back.

The demon generals warily took a step back. Luo Qing Chen narrowed her eyes and jumped onto the high platform. With a wave of her right hand, the Exquisite Ring on her hand released a faint golden glow.

"Demon woman, you're finally here!" Yun Jiang looked at her with an aggressive look in his eyes, "I heard that you're the fastest on to become a Red Demon in the younger generation, but it doesn't seem like you're that good!"

It was clear that Jiang Yun looked down on women.

In his eyes, men were the sky and women should stay home to sew.

As for this demon woman, wasn't she born just to make men happy?

"What, you want a duel?" Luo Qing Chen raised a brow as her eyes filled with absolute power.

As expected, at least here, the righteous people were quite annoying.

Yun Jiang immediately said, "Are you sure you want to duel me? Even if you use your beauty, it won't work on me. After all, I am not a man of your demon race! There are certain aspects that are harder....."

"You're seeking death!" Feng Wu Ji couldn't listen to Yun Jiang insulting Luo Qing Chen as his hands quickly strummed across the Silver Phoenix Zither.

There was a strong might that attacked Yun Jiang and he was surprised. He immediately raised the sword in his hand to block it.

But the two immortal disciples beside him weren't that lucky.

They grabbed their chests and spat out a large mouthful of blood.

Yun Jiang gritted his teeth, "What? You want a duel and now you have a man take your place, this demon girl really can only be....."

"Pa, pa, pa." Before Yun Jiang could finish, Luo Qing Chen raised her right hand and the power of the Exquisite Ring penetrated his defenses to hit his face.

Luo Qing Chen jumped out and black feathers slowly fell from the sky. There was an indifferent look in her eyes as she looked at him, "Haven't you heard of this before? If you want to fight, stop wasting words!"

As soon as her voice fell, the Drunken Dreams Sword appeared in her right hand. There was a red light that exploded from her and she released a strong hostility.

It seemed like there would only be life and death between her and Yun Jiang.

Since the other side wanted to kill her, why would she show mercy?

Yun Jiang rubbed his face as his eyes filled with shock. Just what treasure did Luo Qing Chen use to become this quick?

He just saw a vague golden light in front of him before he was slapped twice.

He was certain of his victory before, but now he was a little worried.....

Chapter 1177: Righteous sect's demon path monster girl (Part 44)

But even if he was a bit worried, he had no other choice now.

The person in front of him was only Luo Zhao Xin's daughter, if he couldn't even defeat her, he had no chance of defeating the demon race!

This was his wish and now that he was leading the army already, he couldn't retreat.

He crossed his hand and jumped in front of her as he said, "Demon girl, you're still now....."

"Xiu, xiu, xiu." Before he even finished, the Drunken Dreams Sword in Luo Qing Chen's hand attacked him. It moved so quickly that people couldn't see it.

Her lips curled to reveal a beautiful curve as she said, "Didn't I tell you, don't waste words if you want to fight?"

This was a faint smile, but three men were stunned by this.

It was the witch race's chief Ye Zhi Han standing in the back, Feng Wu Ji beside her.

And the last one.....was Yun Jiang in front of her.

This was his first time feeling a different kind of emotion towards a demon, but he didn't know that this feeling lasted for too short.

Before he could even react, Luo Qing Chen's Drunken Dreams Sword had already stabbed into him.

When the air was filled with the smell of blood, she gave a cold laugh, "Wanting to fight without knowing yourself, you really will be beaten into a swollen face fatty."

Her voice was very low and when it fell, she pulled out the Drunken Dreams Sword.

Yun Jiang's blood fell drop by drop onto the stone, she had left him with his life.

After all.....He didn't use any fatal moves against her when they were fighting.

Gu Liu saw Yun Jiang falling after a few rounds and he suddenly felt a bit of panic.

He raised the sword in his hand, "We're charging in."

Even if Luo Qing Chen was stronger than her thought, he couldn't retreat. This time they had twice the soldiers of the demons.

In this situation, even if Luo Qing Chen and Feng Wu Ji were powerful, they couldn't retreat.

But facts were like this.

As the two sides fought, the Drunken Dreams Sword in Luo Qing Chen's hand was covered in blood. Each drop of blood came from a 'righteous' person.

When she met Mu Hua Hua, she still drew back.

Mu Hua Hua was surprised, as if she could feel a strange familiar feeling.

Although she had returned to her original appearance, there was a faint scent of cherry blossoms that came from her.

Mu Hua Hua looked at her in surprise, "You.....You are....."

She knit her brows and waved her hand, sending her away from the battle with a spell that had no power.

After all, this was her first female friend in this world.

After all, whenever someone said something about her, she was the first one to speak up for her.

After all, she was a good person.

At the same time, at the Disturbed Love Sect.

Dong Zhi Xin changed to his favourite white robes and put on a black cloak as he walked towards the abyss step by step.

This was a place that both immortals and demons feared, but he was different.....

The bottomless abyss was the boundary between the Harmony Continent and the sea of stars, there were many things that could be done here that couldn't be done elsewhere.

For example: Erasing one's godhood.

Those without the mark of a god with spells became a demon.

Since ancient times, this was the place to punish demons that had made grave mistakes. It was named: Punishment God.

After a day and night of being devastated by heavenly thunder and flames, they would lose their divinity and become half human and half demon.

At this time, Dong Zhi Xing stood in the bottomless abyss with a faint smile on his lips.....

Chapter 1178: Righteous sect's demon path monster girl (Part 45)

At the same time, at the gate of the Demon Shadow Palace.

Although there were a large number of demons fighting, they were less than the number of heavenly soldiers.

Luo Qing Chen didn't know how many people she killed, she just knew that she felt like a murderer.

Killing people and gods when meeting them.

"Qing Chen, we should retreat." The Silver Phoenix Zither in Feng Wu Ji's hand shook as a white light surrounded her waist, bringing her to his side, "You leave first, I'll take care of the rest."

She bit her lip and wanted to keep fighting, but seeing the demons fall one by one, she knew that fifty thousand demons couldn't defeat a hundred thousand heavenly soldiers.

Not to mention that while she and Feng Wu Ji were above the immortals, the demon soldiers were weaker than the heavenly soldiers.

The battle of two armies couldn't be decided by one person.

A battle couldn't be decided by a fearless and invincible general.

"I'm not assured if you're alone, we should leave together....." She narrowed her cold eyes. The Exquisite Ring on her right hand was already covered in blood as she raised it, "All demon soldiers, we're retreating!"

"Want to run, impossible!"

When Luo Qing Chen's voice fell, a stranger's voice slowly sounded.

The dark sky instantly lit up.

There was a woman wearing a scattered flower robe that appeared in the sky, holding a stone that people couldn't look at at all.

"Damn, they found the Firmament Stone....." Feng Wu Ji quickly pulled Luo Qing Chen behind him as he knit his brows, "You should leave quickly....."

"Firmament Stone.....Is it that powerful?" She bit her lip and looked at that stone.

There was a faint warmth that came from the Exquisite Ring on her hand, which should be the strange resonance between divine artifacts.

Even if they were divine artifacts of different worlds, there was still this resonance.

That immortal came to Yun Jiang's side and slowly picked him up. She said something in his ears as her eyes filled with killing intent.

"Demons, I want you to know the price of hurting my big brother Yun!"

The Firmament Stone destroyed everything.

A river of blood appeared as demons were scattered.

.....

"Qing Chen!"

"Peng!"

There was a loud sound as everything lit up in front of Luo Qing Chen.

At the last moment, she suddenly raised the Exquisite Ring to block the damage of the Firmament Stone as much as possible.

She wanted to protect all the demon soldiers and Feng Wu Ji.

But for some reason, she didn't feel any pain at all, as she felt someone tightly holding her.

The white light slowly scattered.

The surrounding demons fell to the ground, but it didn't seem like they were in danger at all. Her Exquisite Ring opened a barrier in the sky and protected them.

As for her.....That foolish Feng Wu Ji.....had protected her.

After all, the Firmament Stone was aimed at her.

There was only one way to deal with an ancient divine artifact.....

Using the blood sacrifice, but it could only take the first hit from the Firmament Stone.

But he still did it without hesitation at that moment.

He was covered in blood on the ground and the Silver Phoenix Zither in his hand had already been shattered.

His silver hair was dyed in his own blood.

Luo Qing Chen's heart skipped a beat. She came to Feng Wu Ji's side to pick him up and she felt a weak aura from him that was dissipating bit by bit, but he still held onto her hand.

"Little sister Qing Chen....." He was panting as his deep eyes seriously looked at her, "I seemed to have.....really used the blood sacrifice."

Chapter 1179: Righteous sect's demon path monster girl (Part 46)

Luo Qing Chen was very clear that Feng Wu Ji used the blood sacrifice with the Silver Phoenix Zither to block the first attack for her.

And his primordial spirit had already been scattered.

He only had a single breath left, but there were many things he still wanted to say.....

"I won't let you die....." Luo Qing Chen narrowed her eyes as a faint layer of mist appeared over her clear eyes.

"I'm not afraid of death." Feng Wu Ji's lips curled into a beautiful curve as he looked at her, "I've always been thinking why I only lost half of my primordial spirit when I tried to steal you back and didn't die. I seemed to know the answer now."

Because there was someone in this life he hadn't met yet.

Now he had met her.

Luo Qing Chen took back her right hand and the Exquisite Ring came back.

Without a single word, she put the ring on Feng Wu Ji's ring finger as she said word for word, "I definitely won't let you die....."

The system had told her before that the Exquisite Ring had the ability to condense primordial spirits.

But this success rate wasn't high and it depended on one's luck.

"Little sister.....Qing Chen....." There was a blue light that scattered like stars that appeared around Feng Wu Ji. He looked at her with a gentle smile and said, "I will say something now, don't be angry with me!"

But actually, if she was angry, he wouldn't be able to see it anymore.

"You.....Say it." Luo Qing Chen bit her lip as a mist came over her eyes.

She couldn't protect Feng Wu Ji in the end, she was even protected by him.

"I.....I like you." He closed his eyes, as if he couldn't look in her eyes and his long lashes trembled.

He seemed very tired, like he had no power to open his eyes again after closing them.

Luo Qing Chen trembled. She wanted to say something, but his next words made her unable to speak.

"It's you, not her....."

These were his final words to her and the words he wanted to say from the bottom of his heart.

He wasn't lying, not all feelings were the same as the beginning.

Some people were missed and they couldn't go back.

Half his primordial spirit had gone to his first love and his life had gone to the other.

There was nothing that he regretted, but he was willing for the latter.

The person who was afraid of death wasn't him, but the person he wanted to protect the most.....

“Demon girl, why aren’t you ending this already!” The immortal named Man Luo looked at her with extreme hatred, this was an expression that wanted to kill her.

She just gave a cold laugh as the red mark on her forehead gradually turned golden. There was a golden tear that fell from her eye as she stared right at her, “End this? I want you to be buried with him!”

There was a golden light that appeared around the Drunken Dreams Sword in her hand and endless power came from inside her.

“Damn, she’s about to become a Gold Demon!”

“What?” Gu Liu was stunned, “Disturbed Love Sect disciples, we’re retreating!”

There had only been one Gold Demon since the beginning of the Harmony Continent, that person had destroyed the heavenly court and the world.

Tens of thousands of years later, everything came back to life.

As for Luo Qing Chen.....She wanted to destroy the world more than him.

“Ha, ha, ha!” Her lips curled with incomparable coldness as she looked at them, “You think that you can run?”

As soon as her voice fell, there was a familiar aura in the air.

Chapter 1180: Righteous sect’s demon path monster girl (Part 47)

It was a youth in profound black clothing, moving towards her step by step.

There wasn’t the slightest bit of immortal energy around him, but that dazzling face made people unwilling to turn away.

[Ding, affection has increased by twenty. Mission completion rate is now 90%.]

She didn’t know why he suddenly gave her affection. She was clearly standing there covered in blood and there were cultivator corpses under her feet.

But he had actually given her affection at this time.

“Sect master!”

“Demon girl, you’ll take back what you just said. With sect master Dong here, how can you run rampant!”

“Demons, today is the day of death for all of you! Don’t feel bad, you will reunite soon!”

“Sect master Dong.” Xia Mo Xing standing in the back charged forward and looked at him with a gentle gaze, “You have to be careful, this demon girl.....”

“I think that you’re all mistaken.” He looked up with a cold gaze and there was a dark red glow in his eyes as he crossed his hands, “I’m here.....to find me disciple.....”

Everyone instantly revealed confused looks.

No one felt anything off with Dong Zhi Xin before, but now they all revealed looks of horror.

“Sect master.....Sect master.....You.....You went to the bottomless abyss.....”

“Why! Sect master, why did you cut off your own godhood!”

.....

Everyone looked at Dong Zhi Xin in disbelief, but he didn’t say a single word to explain it.

He just turned and walked step by step to Luo Qing Chen, “I said that if you don’t come find me, I will come find you.”

Xia Mo Xing’s right hand held her chest and her eyes filled with panic as she looked at Dong Zhi Xing, “Sect master.....Why are you saying this.....Why did you come to find.....How could you possibly know this demon girl!”

“Peng!” There was a strong force that hit Xia Mo Xing’s chest.

She fell right to the ground and her eyes rolled back as they trembled a bit before she lost all signs of life.

“I know that you don’t like her, killing this person will dirty your hands, so I will help you.” Dong Zhi Xin said this word for word, making everyone here, including Luo Qing Chen who was covered in blood shocked.

Dong Zhi Xin in front of her gave her an unspeakable feeling, like a youth that came out of hell.

In order to lose all his glow, he fell into hell with her.

“Dong Zhi Xin, you are the Harmony Continent’s only god, how can you be this embarrassing.....”

Before Man Luo finished, there was a red and black glow that firmly held her neck.

In her panic, she used the Firmament Stone to attack Dong Zhi Xin.

Dong Zhi Xin gave a cold snort and his lips curled into a smile of disdain.

He raised his right hand and there was a large ‘peng’ sound that filled everyone’s years.

The Harmony Continent’s so-called number one divine artifact disappeared just like that.

The red and black glow pierced right through Man Luo’s heart.

The immortals by her side couldn’t do a thing, they could only watch her die.

There was only Luo Qing Chen who had just become a Gold Demon and she was hard enough to deal with, now there was an extra Dong Zhi Xin who was a god.....

Everyone looked at each other blankly, wanting to escape, but they knew that the other side wouldn’t give them that chance.

Gu Liu took a deep breath before looking at Dong Zhi Xin, "As the sect master of the Disturbed Love Sect, this old Liu has already admired you. But, you have made us too disappointed now."
