Chapter 1341: Paranoid emperor: Let's go to hell together, alright? (Part 42)

Im, impossible.....

She was so smart, she could guess everything with just a single hint.

How did she become a fool after not seeing each other for a year?

"I.....Noodle shop's Wang Da Li requests a match!"

Before he came back to his senses, there was one who charged onto the stage.

He was very tough with a full beard, looking like he had some skills.

Mu Ying Ying looked at him in disdain. She was a proud person, with beauty and talent, skilled in zither, chess, calligraphy, and painting.

If it wasn't for her fool little sister, she wouldn't have done something like this!

"Come." She gave a cold snort as her eyes flashed with disdain.

"Miss Mu, please accept this!" Wang Da Li had a wretched smile as he charged in Mu Ying Ying's direction.

With too much force, Mu Ying Ying jumped up and kicked him right off the stage.

"Ha, ha, ha, ha, ha, ha, ha!" The people under the stage broke out in laughter before the whispers slowly rang out.

"He really is the toad who wants to eat swan meat!"

"Isn't he? Why don't you take a look at yourself in the mirror first!"

"That's right, how can a heavenly beauty like miss Mu like him?"

"Ke, ke." Old Mu revealed an awkward look. He cleared his throat and said, "A pity, a pity, this young master Wang couldn't beat my daughter. Are there any other warriors who wish to come onto the stage?"

"Me, Shen Chao!"

"Me, Qiu Li Shan!"

"Me, Wan Qian!"

"Me, Wu Da Peng!"

.....

People kept being defeated and more people came onto the stage, but not a single person could beat Mu Ying Ying.

From the beginning, Feng Si Zui's eyes had never left Mu Tian Tian.

She was sitting on the side with a sweet smile on her face the entire time. It was like nothing in this world had anything to do with her, she was as clean as a basin of clear water.

As more and more people were defeated, Old Mu's face looked more ugly.

Feng Si Zui clenched his fists and his deep eyes slightly narrowed before he jumped onto the stage.

He didn't say a single thing, he didn't even look at Mu Ying Ying as he headed in Mu Tian Tian's direction.

Mu Ying Ying was a bit surprised and her heart couldn't help beating a bit faster.

The man in front of her was dignified and handsome. He had eyes like stars that couldn't help make people's eyes stop.

He was casually standing there, but there was a noble aura around him like he was the ruler of the world. He was proudly looking down at the tens of thousands of people under him.

"This young master....." Mu Ying Ying wanted to say something, but she saw Feng Si Zui squatting down in front of Mu Tian Tian, "What is your name?"

"Tian Tian.....The sweet, sweet, Tian Tian!" She said this while revealing a smile before pointing at Mu Ying Ying, "Big sister, big sister is over there! La, la, you should look for big sister to fight! Tian Tian doesn't know how to fight....."

Everyone was stunned. They didn't know why this handsome young man went to talk to this fool after getting on stage.

Actually, they didn't know that this young man who was like a painting had done this abnormal thing for that face.

That face that was just like hers, a face that he would never forget.

At the same time, at Clear Jade Mountain.

The girl's face inside the ice coffins slowly changed and the eyes of her sleeping face suddenly trembled.

Chapter 1342: Paranoid emperor: Let's go to hell together, alright? (Part 43)

Mu Ying Ying on the stage was a bit embarrassed after all, the person in front of her was that dazzling.

But he didn't even spare her a glance and went to talk to her fool little sister.

She watched those eyes that she couldn't see the bottoms of light up before gradually dimming.

"You are very beautiful." His heart trembled as his eyes were filled with despair, but he praised her without any hesitation.

That face, it really was very, very beautiful.

But he was already clear that she was not her.

But even so, even for this face, he wanted to stay obsessed and keep it by his side.

“This young master.....” Old Mu was clearly feeling a bit awkward since this ‘buy one get one’ was clearly not buying a fool and getting a beauty!

“Guang dang!” He suddenly raised his right hand and the token in his hand created a beautiful arc before landing on the pillar on the side of the ring.

Old Mu was stunned as everyone’s eyes fell onto Feng Si Zui.

The aura of a ruler came from him and it made everyone present hold their breaths.

A man wearing the clothes of the secret police had just passed by and when he saw the token, he immediately knelt down, “This servant greets the emperor.”

Everyone present felt a chill run down their backs. After looking at each other for a bit, they all knelt down.

Feng Si Zui standing on the stage ignored everything. Those bottomless eyes took a deep look at the girl who was smiling like a fool in front of him, “Are you willing to follow this one back into the palace?”

“Where is that? Hee, hee, hee! Is it fun? Are there many delicious things there?” Mu Tian Tian looked up with a wider smile.

“You can get whatever you want.” He narrowed his eyes and made the ultimate promise.

“Are.....Are you serious.....” Old Mu was clearly in disbelief, but then there were a bunch of guards that suddenly came over to the arena.

He believed that this was reality, it was a ridiculous reality.

The current emperor wanted to bring his second daughter, the fool daughter that he never thought he could marry.....back to the palace?

“Alright, alright! Then I’ll go! Hee, hee!” Her eyes relaxed and her smile was brilliant.

That smile that rarely appeared had appeared on that face.

That carefree smile made those who saw it unable to stop their hearts from trembling.

“But.....” Her expression became bitter again after that and she said while crying, “I.....I don’t want to leave big sister, I want to go together with big sister!”

Feng Si Zui’s beautiful eyes narrowed and he looked over at the stunned Mu Ying Ying before turning back to Mu Tian Tiana, “This one said it, you can have whatever you want.”

“You.....Are you really.....the current emperor?” Mu Ying Ying looked up with a blush on her white face.

She had completely changed appearances, she was no longer the person who would kill all those who came. She muttered in a soft voice, “Ying Ying greets the emperor.....”

“No need for this.” Feng Si Zui slowly stood up and calmly looked at her, “Come with this one back to the palace with Tian Tian.”

Since the person with this face wanted her big sister, this task was as simple as waving his hand.

He would give everything that she wanted. As long as that face existed, no matter whose body it was on, he could give it anything.

Really.....Anything.....

Chapter 1343: Paranoid emperor: Let's go to hell together, alright? (Part 44)

When Mu Ying Ying heard this, her heart skipped a beat, but there was also discomfort.

After all, Mu Tian Tian had been her accessory, but now she felt that their statuses had changed. This feeling made her feel very uncomfortable!

At midnight, Mu Ying Ying and Mu Tian Tian were arranged in the Cherry Blossom Hall, which was the furthest hall from the Splendid Hall.

Feng Si Zui didn't go immediately, rather he went to the Willful Hall that he hadn't gone to for a long time.

Today was the death anniversary of the Far General Zhong Zhe. Without knowing it, a year had passed.

Although he was a bit cold last year, always hurting him all over.

But at least.....she had still been by his side.

When he was alone, he often wondered why he was still alive. She had died for him, shouldn't he also die?

Yes, he should die!

But he had to find her corpse first.

Yan Xiu had disappeared and her corpse was also gone. The only thing that kept him alive were two lines of words which was ridiculous.....

He was more clear than anyone that as long as he found her corpse, he would go with her without another word. At least, at least let her look at her one more time.

Her, the real her, not this puppet substitute.....

"Stop drinking....." Xi Jin knit her brows and she couldn't help taking the wine away.

But all that was left in his deep eyes were darkness and despair.

He lowered his head and muttered in a pleading voice, "Luo Qing Chen, why didn't you bring me with you to hell....."

"Emperor....." Xi Jin couldn't control her tears when she saw him like this. She tightly bit her lip as she looked at Feng Si Zui, "Perhaps Qing Chen has gone to heaven? She.....She wouldn't want to see the emperor act like this....."

There was a kind of pain in this world that wasn't just unspoken love, but sitting with a person who you never thought would love you, showing his most vulnerable side for another woman.

“No.” He roared out, “She said it before, we would go to hell together. She said.....she wouldn’t leave me.....”

There was probably only Xi Jin who had seen him put on such a fragile appearance.

At the same time, in the Cherry Blossom Palace.

There was a wide array of silks, gold and silver jewelry, and beautiful red roses, all of which had a high price.

Eunuch Li had spent half an hour reading out all these rewards and there was only one person it was for, Mu Tian Tian.

Without knowing why, Mu Ying Ying who was sitting on the seat on the side was filled with joy when she saw these, but there was also a trace of anger in her heart.

This feeling of unwillingness filled her heart like a sharp sword, piercing the pride that she had built over the years.

She never would have thought that the outstanding her would become an accessory for her fool little sister, a person that could be thrown away at any time.

But even like this, when Feng Si Zui’s deep eyes had fallen on her on that stage, the proud her felt her heart skip a beat and she felt a bit of nervousness.

If it was said that it was love at first sight.....it wouldn’t be an exaggeration!

Therefore, even though she knew that Feng Si Zui had only let her into the palace because of her little sister’s words, she didn’t have the pride to reject this.....

Because she had a very strong possessive feeling.....She wanted to be by his side and have him belong to her.

Chapter 1344: Paranoid emperor: Let’s go to hell together, alright? (Part 45)

Three days later, it was Feng Si Zui’s first time at the Cherry Blossom Hall. This was a hall that was covered in light pink cherry blossom trees.

As long as one walked through, they could smell the strong scent of cherry blossoms. when the night breeze blew, petals fluttered in the air.

“The emperor is here!’ Eunuch Li’s voice resounded through the entire Cherry Blossom Hall.

A few seconds later, Mu Ying Ying quickly came out and kneeled down, “Ying Ying greets the emperor.”

She was wearing a long red silk skirt with a red coral hairpin shaking in her hair, along with red lips and white teeth. She looked quite beautiful.

This beauty wasn’t occasional, she had gotten up each morning and carefully put on her makeup, waiting for Feng Si Zui to come.

Because she knew that he would definitely come. Even if it wasn't for her, it would be for her little sister.....

"Un." Feng Si Zui coldly responded, not sparing her a glance as he headed in.

Mu Ying Ying's heart skipped a beat and she tightly gripped her hands. She gritted her teeth as a feeling of sadness filled her heart.

She did her best to dress up to shine in front of Feng Si Zui, but he didn't even spare her a glance as he headed towards Mu Tian Tian.

Why? Just why? Her little sister was clearly a fool, so what if she did look good?

A fool was a fool, a fool forever. She was only worthy of marrying someone random and living a mediocre life.

Just based on what could she enter the harem and win the love of the cold emperor?

Based on what.....

Feng Si Zui slowly walked in and saw Mu Tian Tian lying on the couch in her white brocaded clothes, his eyes were no longer as sharp, but there wasn't a single glow in them.

This was a pair of dark eyes filled with endless darkness, there wasn't a bit of hope in his eyes.

Mu Tian Tian heard the sound of footsteps and sensing that someone was approaching, she looked up with a faint smile, "Little big brother, little big brother.....you're here! Hee, hee, hee, this place really is fun, Tian Tian really, really likes it here."

In the cold winter night, there was always a heater by her. There were plenty of delicacies and all kinds of different clothes to wear, there were a bunch of fun things.

Even if she was a fool, she could tell that her life had completely changed.

This change was due to the man in front of her, this ice cold emperor who didn't approach anyone!

"It's good that you like it." Feng Si Zui stopped three meters away and didn't move forward. He carefully looked at her face, falling into a bit of a faze.

Actually, there was a big difference between them, he could tell from a single glance that this person wasn't her.....

It wasn't because she was a fool, but the feeling she gave.

Just based on the love that came from her, it could be seen.

"Emperor, Tian Tian doesn't understand, please don't punish her." Mu Ying Ying slowly came in with a virtuous look on her face and spoke in a gentle voice, giving off a feeling that normal people couldn't help love.

"You don't need to be that strict." Feng Si Zui calmly looked up and said in a cold voice, "This one let you into this palace for no other reason than your little sister wanting you here."

He didn't like this feeling very much. This girl in front of him seemed smart, she could go from being on the stage one day to a girl who walked on thin ice in the harem the next.

People who adapted quickly had heavy thoughts.

"I....." Mu Ying Ying was surprised, not daring to look him in his eyes. After all, it was like he could easily see through her heart without any effort.

Chapter 1345: Paranoid emperor: Let's go to hell together, alright? (Part 46)

"Since Tian Tian has entered the palace, this one will guarantee the prosperity of your Mu Family, you'll never have to worry about a thing." Feng Si Zui narrowed his cold eyes and a trace of hostility appeared in his eyes as he said, "But you are not this one's concubine."

As the ruler of the kingdom, Feng Si Zui naturally didn't need to care about how the other side felt when he spoke.

"Ying Ying understands." Mu Ying Ying's lashes trembled as she pouted her lips, "Ying Ying will definitely take care of little sister."

Feng Si Zui didn't reply, he just took a look at Mu Tian Tian who was having fun on the side before turning to leave the Cherry Blossom Hall.

Standing outside the hall, when he smelled the cherry blossoms, he felt that he was a bit ridiculous, living as a puppet.

"Ah, little big brother is gone!" Mu Tian Tian raised the ceramic doll in her hand and looked at Mu Ying Ying, "Big sister, big sister, why is little big brother leaving so soon! Tian Tian wanted to play dolls with him!"

"Peng!" Mu Ying Ying angrily raised her hand and took the ceramic doll from Mu Tian Tian's hand before smashing it, "Damn girl, shut your mouth for me!"

She was unable to control herself as the anger in her heart hit her. There had only been men approaching her in this life, there had never been a man who had disdained her this much!

No, it couldn't be allowed!

Even if it was the emperor, how could she let herself be an accessory for the fool Mu Tian Tian!

"Wu, wu, wu, wu, wu....." Mu Tian Tian was scared by her as she cried, "Big sister is so fierce, I hate big sister, Tian Tian hates big sister the most!"

"Don't cry." Mu Ying Ying bit her lip and angrily roared.

Mu Tian Tian curled up in fear and didn't dare to cry. It had been like this since they were young, once Mu Ying Ying became angry, Mu Tian Tian didn't dare cry.

She had always been a weak person. She was dumb, a fool, and didn't have any brain, she could only rely on her big sister to live.

Even if she were to marry, she would be an accessory to her big sister.

But everything in her world was so simple. She felt that it was enough if she had her father and big sister.

A girl who was as clean as paper, but her life wouldn't turn out as she wished.

—

After Mu Ying Ying and Mu Tian Tian entered the palace, Feng Si Zui went to the Cherry Blossom Hall every day. He only stayed a short time, no more than a cup of tea's worth of time.

Mu Ying Ying was dressed up differently each time, sometimes with heavy makeup and sometimes with light makeup, but never once did Feng Si Zui's eyes stay on her. He just looked at Mu Tian Tian before turning to leave.

Mu Ying Ying who had been rebuked again and again had a terrifying idea and the fuse for this idea was Xi Jin.

On a certain bright spring afternoon, Xi Jin had sent her personal servant Tao Zi to fetch some petals from the imperial garden to use for her tea.

She never thought that she would bump into Mu Ying Ying who was feeling annoyed.

Feng Si Zui had been at the Cherry Blossom Palace again, but this time he stayed longer to paint Mu Tian Tian.

She didn't even know what was going on, alright? Because she had been strictly 'pushed' out by Feng Si Zui.

His words were, "Miss Mu can leave first! This one wants to talk to Tian Tian alone."

She felt her cheeks burn at that moment, completely wanting to dig herself into a hole!

But she couldn't do anything. She could only give a bow as her lips twitched and say, "Ying Ying will leave!"

Chapter 1346: Paranoid emperor: Let's go to hell together, alright? (Part 47)

She accidentally bumped into Tao Zi in the imperial garden, giving her a chance to vent her anger.

"Pa!" There was a heavy slap that landed across Tao Zi's face and Tao Zi fell to the ground holding her face.

"Bold servant, you dare bump into me!" Mu Ying Ying vented all the anger from just now onto Tao Zi, not forgetting to stomp on her a few times.

Tao Zi was a maid who knew the rules of the palace, her first reaction was to kneel down and beg, "Miss Mu, forgiveness, miss Mu, forgiveness."

Although there were few people in the harem, there weren't few rules.

After the Mu sisters entered the palace, all the maids and eunuchs had seen their faces so they wouldn't forget to bow when they met them.

But Tao Zi never thought that this beautiful big sister Mu Ying Ying would be such a violent person.

"Forgiveness?" Mu Ying Ying gave a cold snort and kicked her shoulder with her right foot, "I should forgive you just because you asked?"

"Un humph." Tao Zi gave a grunt of pain, gritting her teeth not daring to say anything else.

But anyone who had been in the palace longer than a year knew that the Mu sisters had a special place in the emperor's eyes.

Even if he was busy, he would go to the Cherry Blossom Hall each day. Everyone knew that it was for Mu Tian Tian.

Or rather it was for the face that looked just like the previous empress'.

Mu Ying Ying saw that she wasn't speaking and felt that she couldn't vent the anger in her heart, so she felt more annoyed.

She raised her right hand and was about to give Tao Zi another slap when a strict voice rang out that made her stop midair.

"Stop!" Xi Jin looked at Mu Ying Ying in front of her with narrowed eyes, "So bold, daring to move against this one's maid."

"Consort....." Tao Zi held her face as her voice choked up, letting out a few aggrieved tears.

Mu Ying Ying was stunned, naturally she knew who this person in front of her was.

The only concubine in the palace, Xi Jin.

"Xi Jin greets the concubine Xi." She unwillingly knit her brows, but she still gave a bow.

Although this bow was a bit careless, in Mu Ying Ying's eyes, although Xi Jin was the only concubine in the harem, Feng Si Zui rarely went to see her.

Although she didn't know why, she could guess that this concubine wasn't favoured.

"You know that this one is a concubine." Xi Jin was a bit surprised before waving her hand, "Then this one wants to ask, what is your status in the palace that you dare hit my maid?"

Her voice was calm, but it was filled with endless majesty.

After all, Xi Jin knew better than anyone that Mu Ying Ying's position in the palace was nothing more than a puppet's accessory.

In Feng Si Zui's heart, she was no different from a normal maid.

"Consort, what do you mean?" Mu Ying Ying unwillingly bit her lip and proudly raised her head, "I am someone the emperor personally brought back to the palace....."

“Don’t you know why the emperor brought you into the palace?” Xi Jin narrowed her cold eyes as she glared at her, “Could it be that you need this one to tell you?”

Xi Jin didn’t have any patience for Mu Ying Ying because she was clear that no matter how many beautiful Mu Ying Ying’s there were, not a single person could enter Feng Si Zui’s heart.

“It can’t be that the concubine consort is jealous, right!” Mu Ying Ying curled her lips and slowly stood up to look in her eyes, “I do feel sorry for the concubine consort since I can see the emperor every day, not like you.....”

Chapter 1347: Paranoid emperor: Let’s go to hell together, alright? (Part 48)

“Pa!” There was a crisp slap that suddenly hit Mu Ying Ying across the face, cutting her off.

Xi Jin had slapped very hard, but Mu Ying Ying didn’t move at all. Instead she looked at her with eyes that were almost filled with killing intent.

“I heard that you knew martial arts, you even tried to find a husband on the martial arts stage before coming into the palace.” Xi Jin gave a cold snort, “If you aren’t convinced, you can fight back. If the emperor knew about this, would you die or me?”

In Feng Si Zui’s heart, there was no one that could surpass Luo Qing Chen.

But that didn’t mean that any girl that had suddenly appeared could climb over her.

Even if she and Feng Si Zui weren’t lovers, they were still friends. After being friends for so many years, even if Mu Ying Ying was the relative of someone who looked exactly like Luo Qing Chen, she believed that he wouldn’t hurt her at least.

Mu Ying Ying heard this and she couldn’t help tremble. After a while, she pursed her lips and said, “Concubine Xi’s lesson is correct.....Ying Ying has indeed crossed the line!”

She had to endure, she must endure this.....

“Line?” Xi Jin gave a cold laugh as a bit of pain flashed in her eyes, “You didn’t cross the line, don’t you know that your existence doesn’t matter?”

“You.....What do you mean?” Mu Ying Ying took a deep breath. Although her eyes were sharp, one could see the pain from Xi Jin’s words flashing in her eyes.

Indeed, she was just an accessory for her little sister. She had entered the palace all because of the blessing of her little sister.

To this day, she still couldn’t understand why. She was beautiful and talented, why did the emperor only have eyes for her little sister and wasn’t willing to spare her a single glance?

Xi Jin’s lips curled into a faint smile as she said, “It can’t be that you don’t know that the emperor doesn’t like your little sister, but rather her face, right?”

Without knowing why, when Xi Jin said these words, she felt very satisfied. Facing a self righteous person like Mu Ying Ying, if she didn't pour a bucket of cold water on her, she wouldn't feel good!

"Face....." Mu Ying Ying knit her brows and shook her head in a confused manner, "What do you mean?"

Could it be that the emperor liked her little sister's face? But although her little sister looked good, she was still a fool.

Anyone with a brain would choose someone beautiful and talented like her, not an idiot.....

"It seems like you really don't know." Xi Jin waved her right hand and said with a pair of moving eyes, "Your little sister looks exactly like the previous empress."

"Hong long."

Mu Ying Ying's world was shocked at that moment. She finally understood the mystery in her heart these days, but she felt even more powerless.

She thought that even if the emperor liked her little sister's face, it would only last a bit because he thought she looked good.

But since they were sisters of the same parents, she had the same beauty as her little sister, but her little sister didn't have her brains.

After a while, she would be able to squeeze out her little sister and become the person in the emperor's heart.

But now that Xi Jin had told her the reason, her heart had skipped a beat.

It was especially cold.....

When she came back to her senses, Xi Jin was already at the end of the imperial gardens. She tightly gripped her hands and muttered through gritted teeth, "No.....It can't be like this, it definitely can't be like this."

She who had always shined couldn't live in the shadow of a fool, she had to take everything that belonged to her.

As long as her little sister was gone, the person who would resemble the previous empress the most would be her!

Chapter 1348: Paranoid emperor: Let's go to hell together, alright? (Part 49)

After all, she and her little sister looked similar.

Right, there was still Xi Jin. That person's existence was a thorn in her side, she might as well kill two birds with one stone.

Her phoenix eyes revealed a sinister look as her lips curled into a terrifying smile.

—

At the same time, on Clear Jade Mountain.

After the girl in the ice coffin reacted for the first time, she finally opened her eyes.

Qing Chen, morning.

Looking at the sky, her lucky moment should be in the morning.

“Si.” She gave a shiver and said, “So cold!”

“You’re already like this and you’re still afraid of the cold.” There was the sound of a stone switch before Yan Xiu’s slightly excited voice sounded.

She rubbed her temple and didn’t ask Yan Xiu anything, rather her first words were for her system!

System! System! System, are you still there!

[The system is always here!]

I’m still alive?

[The host is of course alive since you can feel the cold. If the host was dead, you would be in the Chaos Space right now!] The system spread its non-existent hands, showing that it thought the host’s IQ had degraded!

.....

“Why aren’t you saying anything?” Yan Xiu knit his brows in worry, “It can’t be that your brain was damaged, right!”

Actually even Yan Xiu who was talented in medicine and poison wasn’t certain that he could save Luo Qing Chen.

After all, there hadn’t been anyone who used the medicine he had given her.

He was gambling, so he wasn’t able to make any promises. Naturally that included Feng Si Zui.

“You’re the fool!” Luo Qing Chen shivered and stretched herself out. She came out of the ice coffin and asked, “How long was I asleep?”

“One year.”

“What?” She suddenly felt a bit dizzy and sat down on the steps before asking, “One year? Are you kidding me!”

“.....” Yan Xiu helplessly shook his head, “It’s a miracle that you’re alive and you’re still picky!”

Yan Xiu was clearly very happy. One, it was because Luo Qing Chen was awake and two, it was because his medical skills had improved!

Luo Qing Chen heard this and her heart skipped a beat. She pursed her lips and asked, “Then is he.....still alive?”

“I don’t know!” Yan Xiu gave a shrug, “You can go back to Long Peace City yourself to see.”

“You’re isolated from the world?” Luo Qing Chen looked around before suddenly thinking of this question.

Yan Xiu shook his head, “I’m not completely isolated, but I haven’t cared about Long Peace City in a long time. But I haven’t heard rumours of a new emperor, so he should still be alive.”

“Then I’ll be saying goodbye to you.” Luo Qing Chen got to the main topic.

A year had passed, she didn’t want to keep wasting time here!

“I prepared travel expenses and clothes for several days for you.” Yan Xiu said with a nod, “I look forward to your reunion.”

“Thank you.” She stood up, but she turned back the moment she went past him and asked, “Why did you put this much effort in saving me?”

Yan Xiu heard this and spread his fan as he said with a faint smile, “Because of the last thing you said to me.”

I’m not afraid of death, I’m only afraid that he would be too lonely.

It was because of this that he put in all this effort, sparing nothing to save her.

Because he wanted to see what they would be like when they reunited.

Even if he couldn’t see it, as long as he could imagine the scene, he would feel very excited.....

Chapter 1349: Paranoid emperor: Let’s go to hell together, alright? (Part 50)

Clear Jade Mountain was a very remote place. After leaving the ice room, it took half an hour of walking to reach a clean, but abandoned temple.

Yan Xiu had told her about what happened in this year, but it wasn’t very complete. After all, Clear Jade Mountain was a remote place, so the news that he heard was probably from the markets and passing travelers.

Feng Xing Yue had died very tragically. After being stabbed for a month, there wasn’t a single piece of complete flesh on his body and he choked to his last breath of being tortured.

As for the others, they didn’t die good deaths either.

Standing in the inner room of the temple, there was the money and clothes Yan Xiu prepared for her on the table.

She casually took a wooden comb and moved towards the mirror.

But the closer she came to the mirror, the more fearful she felt.

When she completely saw her face in the bronze mirror, there was a shrill scream that filled the entire temple.

“Ah!”

An endless.....pitiful scream!

“What is going on?” Yan Xiu quickly came in to look at her, “Did something happen?”

This remote Clear Jade Mountain, there shouldn't be any thieves. Could it be a mouse?

“I.....” Luo Qing Chen's clear eyes were opened wide and both her hands were pointing at her face, “This, this, this.....What is the meaning of this.”

Yan Xiu was surprised before he suddenly revealed a faint smile, “It's already good that you can look like this.”

“Already good?” Luo Qing Chen squeezed her face before turning back to Yan Xiu, “Divine doctor Yan, may I ask, this face.....does it look similar to my old face at all?”

Yan Xiu carefully looked at it before raising a brow to say, “Ze, ze, it really is like two different people!”

“What is going on here?” She narrowed her clear eyes and looking at Yan Xiu's 'not surprised' look, she could guess that her face becoming like this was something he expected.

“Because the medicine that I used is one that can quickly enter the blood and dissipate.” Yan Xiu said with a shrug, “You have to know that medicine is three parts poison, not to mention that poison medicine is seven parts poison!”

“But.....”

“Aiya, stop complaining.” Before Luo Qing Chen could finish, Yan Xiu cut her off, “This face looks quite good! I don't feel that it's worse than the previous Luo Qing Chen. When this medicine was used to experiment on the mice, the mice became disfigured.....”

Yan Xiu indicated that his words were right! After all, after deciding to use this medicine on Luo Qing Chen, he was prepared for her to have a 'ghost face'!

“But!” She still pursed her lip and said, “You should mention this sooner, I scared myself when I saw myself in the mirror!”

After all, this face wasn't even like sisters with her previous face, they couldn't even be cousins!

She thought that Yan Xiu would explain with a smile but she never thought that he would look at her with a serious expression, “You didn't ask me!”

“I.....”

“If you asked me, I definitely would have told you!”

“You.....”

“It's getting late, you should get on the road!”

“Damn!” Luo Qing Chen who kept being cut off couldn't help giving a modern curse.

Yan Xiu was surprised as he scratched his head, “Miss Luo, what does this mean?”

Luo Qing Chen closed her eyes and let out a long sigh, “It means what it means!”

“I still don’t understand.....”

Chapter 1350: Paranoid emperor: Let’s go to hell together, alright? (Part 51)

“It would be strange if you did understand?” Luo Qing Chen curled her lips into a cold smile, “Goodbye, let’s not meet again!”

As soon as her voice fell, Luo Qing Chen walked out the door.

Yan Xiu’s voice came from behind like a scattered thought, “You have to eat the medicine in your bag!”

She just waved her hand and didn’t turn back. The sun was just right as it shined down on her and she slightly curled her lips as she muttered, “Thanks for saving my life.”

—

Imperial palace, Cherry Blossom Hall.

At three quarters past noon, Mu Tian Tian was currently sleeping. Mu Ying Ying came in and patted her on the shoulder, “Little sister, get up. Be good and drink this medicine, then help big sister bring this basket to the Willful Hall for concubine Xi, alright?”

Mu Tian Tian rubbed her eyes and gave a soft ‘oh’ sound before drinking all of the medicine Mu Ying Ying gave her.

Perhaps it was because the weather was cold, but Mu Tian Tian had a bit of a cold. Mu Ying Ying had been taking care of her, giving her the medicine the imperial doctors prescribed.

But she had added a few more things.

These things were prepared by her before coming into the palace, but she never thought she would be using it on her little sister.

In the harem, one couldn’t let their guard down.

The Willful Palace wasn’t far from the Cherry Blossom Palace, they just needed to pass through the gardens. Mu Tian Tian wasn’t completely dumb, she could at least understand ‘keep walking’.

At this time, Mu Ying Ying went to find Feng Si Zui.

There were some things that people had to do to kill two birds with one stone.

At the entrance of the imperial study, eunuch Li stopped her, “The emperor is resting, miss Mu can just tell this old servant if you need something.”

“I.....” She sniffed her nose and tears appeared in her eyes as she said in a delicate voice, “My little sister is gone.”

Hearing the two words ‘little sister’, eunuch Li’s expression changed.

After following Feng Si Zui so long, naturally he knew that miss Mu Ying Ying in front of him had only come into the palace because of her little sister.

“Miss Mu, please wait. This old servant will report this.” As soon as his voice fell, he went into the imperial study.

Not long after, Feng Si Zui quickly came out. He was wearing an azure brocaded robe and the gold crown on his head looked dazzling.

Mu Ying Ying was stunned at that moment.

She firmly believed in what she did and she would never regret it.

“When did she disappear?” Feng Si Zui knit his brows as a bit of a sparkle appeared in his eyes.

This feeling was very strange, it was like there wasn’t a single tremor in his heart and there wasn’t a single extra beat of his heart, but that face appeared in his mind.

That face, he couldn’t lose that face. After all, he only had that face left now.....

“At noon, I searched all around, but I couldn’t find anything.” Mu Ying Ying tightly knit her brows and her hand trembled as she said, “We were napping, but when I woke up, I found that she was gone. The pastries on the table had also disappeared.”

In order to make this plan a success, this wasn’t her first time having Mu Tian Tian take pastries to the Willful Hall, but she had calculated the time perfectly this time. After all, Xi Jin had been at the temple outside the palace.

Therefore, Mu Tian Tian could only come back.

This scene had been seen by the maids several times, so she had heard some fragmented rumours in the last two days.

She was very happy to hear these rumours.

“Eunuch Li, go and investigate if anyone has seen Mu Tian Tian in the palace just now.” Feng Si Zui narrowed his cold eyes and there was a chill that came from him.
