Chapter 1391: Sir school hunk with personality disorders (Part 17)

Luo Qing Chen didn't reply, she just gave a nod before finding an empty place to sit.

The overwhelming gossip filled the classroom the moment she walked through.

"This girl looks quite good!"

"Ze, ze, it's been a long time since such a beauty has been in our class!"

"My food, my food, no one should steal from me!"

This was the remarks of the boys, but the gossip of the girls was very different from that of the boys.

"What is she pretending to be, little white flower!"

"I feel the same! She looks like she's fake, acting good on the surface, but in reality....."

"So hateful! Don't you see school hunk Su looking at her?!"

"It can't be....."

The blond Su Nian's beautiful eyes had been on her the entire time, like he was looking at her like she was prey.

The previous host didn't have any memories of this Su Nian, the other school hunk of the affiliated school.

An enchanting youth with an exceptional background, but he.....was a bit bad.

The morning classes passed very quickly. Other than Xu Xin who seriously gave them a math class, the rest of the teachers just let them have free study time.

The free study time included: Gossiping, playing with their phones, playing games, singing, putting on makeup, playing poker, eating things, and etc.....

Seeing this scene, Luo Qing Chen felt a bit of a headache!

What kind of joke was the system playing, how could this class' average become first?

She rubbed her temple as the girl who was sitting beside her passed her a note which had a single line on it.

(New student, do you want to go to the cafeteria for lunch together later? ——Lin Qing)

Luo Qing Chen turned to look at her and what she saw was a normal looking face. She had a pair of black framed glasses and white skin, but there were freckles that dotted her face.

Her desk was different from the others. It was very clean and whether it was her textbook or her notebook, they were all arranged properly.

Although it was just a quick glance, Luo Qing Chen had learned quite a bit.

For example, this deskmate of hers, she should be part of the 'study' group for class seven.

After thinking about it, she wrote 'alright' on the note before returning it.

After a whole morning of classes, Luo Qing Chen felt her ears were about to explode.

Even on the way to the cafeteria, there were the sounds that came from the classroom.

"Triple twos, a pair of sixes, bomb!"

"That.....Hello, I am Lin Qing, you still haven't told me your name yet!" Lin Qing's voice was very soft, it was clear that she was a shy girl from her gestures.

She had passed the note to Luo Qing Chen thanks to her courage, feeling a bit excited to find 'something different' in class seven just like her.....

"Hello, I am Luo Qing Chen." She replied, "Thank you for inviting me to lunch."

"You don't need to thank me....." She quickly shook her head, "I normally go and eat by myself anyway.....Right, why did you come to class seven? Normally speaking, transfer students go to better classes....."

"Pu." Luo Qing Chen gave a soft laugh, "I just casually chose it. What about you? You seem quite serious about studying, why are you in class seven?"

Lin Qing heard this and was a bit surprised before awkwardly scratching her head, "My grades are very bad....."

"Ah?"

"Really....." She revealed two tiny tiger fangs as she said with an awkward smile, "I'm only in the middle when it comes to class seven. I'm one of the people who work hard, but can't study well....."

Chapter 1392: Sir school hunk with personality disorders (Part 18)

Luo Qing Chen gave a nod of understanding and said with an awkward smile, "Let's not talk about this, let's eat first."

She didn't find it strange, studying was not something that you could do just because you worked hard.

The teaching methods and the studying environment were also very important!

When she came into the cafeteria, she could feel the lively atmosphere in it.

Because.....the school hunk An Yu Sheng was also eating in the cafeteria.

"So handsome! He is the living symbol of our school!"

"So jealous of Xia Qing Rou, she can be with school hunk An all day. Why don't I have a childhood friend too."

"You, go back to dreaming! I heard that Liang Bing Bing couldn't even get school hunk An!"

“Right, right, right, I also heard this!”

.....

“Qing Chen, quickly come over, I’ve found a spot.”

The cafeteria was very noisy, so Lin Qing raised her voice to call her name.

But this call made An Yu Sheng, who was focused on eating look up as a bit of a sparkle appeared in his deep eyes.

Xia Qing Rou naturally could tell that something was off with the person in front of her and softly said, “It shouldn’t be her.....”

Actually, when she heard someone call out ‘Qing Chen’, Xia Qing Rou’s heart couldn’t help skipping a beat.

Because she lived under the same roof as An Yu Sheng, she naturally knew that he went to the concert with Luo Qing Chen.

She was very jealous, jealous of Luo Qing Chen waiting, being able to receive the same persistence from An Yu Sheng.

She also felt a bit bad. If she had the same courage as Luo Qing Chen, she and An Yu Sheng wouldn’t just be a ‘match’ in the words of others.

An Yu Sheng’s beautiful eyes searched the cafeteria for a certain figure.

Although he also felt that it wasn’t very likely she would be here.....he had a feeling that she was here.

And then his eyes fell onto the girl wearing the beige sweater.

At this moment, there was a blond haired boy who was standing by the girl.

He naturally knew who that boy was. Although he didn’t care about being called school hunk, he had an excellent memory. He had often heard voices around comparing the two of them.

He narrowed his eyes which revealed a slightly cold look.

Why did he feel suffocated, why did his heart feel bad.

There was a feeling that he was competing with Luo Qing Chen in terms of love and they used their methods to make the other person fall in love with them.

But at that moment, when he saw Su Nian talking to her, why did he feel unwilling.

“It really.....is her?” Xia Qing Rou followed An Yu Sheng’s eyes and her eyes opened wide in disbelief.

She.....obviously didn’t dress like this! Why did she suddenly become this pure, as if she was letting out a soft glow just by standing there.

At the same time, Luo Qing Chen had finished ordering her dishes when Su Nian called out to her from behind.

“New student, are you alone?” Su Nian didn’t line up as he walked right to her side.

The funny thing was no one behind her said a thing and even shyly gave way to him!

As expected, looking good was a skill.

“He, he.” Luo Qing Chen curled her lips into a smile, “I’m with Lin Qing.”

“Lin Qing?” Su Nian knit his brows and thought for a long time before giving a shrug, “I have a bit of an impression.”

“.....” Luo Qing Chen didn’t say anything else as she just awkwardly acknowledged this.

Chapter 1393: Sir school hunk with personality disorders (Part 19)

Su Nian never thought that Luo Qing Chen wouldn’t not feel happy that he took the initiative to talk to her, she even was a bit cold.

He suddenly felt a bit defeated at that moment.

“Since you’re a new student, how about we eat together!” Su Nian smoothly took the tray from her hand and went to the front of the line to order some luxury dishes, paying for them. Then three seconds later, he gave the tray right back to her, “Alright?”

Luo Qing Chen narrowed her eyes and after politely taking the tray, she looked over Su Nian.

When she was in class this morning, she didn’t seriously look over this youth. She just felt that he was the leader of class seven.

But now she could see Su Nian clearly.

He had a pair of brown eyes and thin lips curled into a charming smile.

“Of course.” Luo Qing Chen gave a nod before turning to head in Lin Qing’s direction.

She slightly knit her brows as she heard the whispers from around her.

“This person is so good, how could she know school hunk Su!?”

“So jealous, so jealous!”

“Humph! Jealous of what! Don’t you know what school hunk Su is like? He keeps it fresh, he changes girlfriends every three days!”

“That’s right, but this girl really does look good. Is she a transfer student?”

“I don’t know, but it’s possible!”

.....

She put down the tray in her hand and took out twenty dollars from her pocket to give to Su Nian, “Here’s the money for the meal, thank you for helping me order.”

Su Nian was stunned as his face turned stiff. He never thought that Luo Qing Chen would pay him back and she would do it so directly.

“We’re all classmates, there’s no need to be polite.”

“I don’t like owing anyone anything.” Her lips curled into a faint smile, but there was a firm look in her eyes.

The atmosphere suddenly became a bit awkward. Su Nian gave a shrug as he took the money like a landlord before saying, “New student, I have to take care of them as the owner of this place.”

“Thank you for that.” Luo Qing Chen put down the dishes she was sharing with Lin Qing as she said, “I am Luo Qing Chen. Of course, if you want to call me new student, I don’t mind.”

“What? Luo Qing Chen!?”

When she said her full name, Liang Bing Bing who had been observing on the side for a long time suddenly came over. Her eyes were wide open as she looked at Luo Qing Chen, “You.....Why are you here?”

This time, everyone really was here.

She was not surprised that she met Liang Bing Bing at school.

But in this situation, there really was a feeling of becoming a public target.

“Bing Bing?” Su Nian was surprised as he revealed a confused look.

This person was an exchange student who transferred in, how could Liang Bing Bing know her!?

“Su Nian?” Liang Bing Bing curled her lip and said with a bit of pride, “Why are you eating lunch with this punk!”

She never expected to see Luo Qing Chen in the cafeteria of the affiliated school. She didn’t react right away when she saw her, she just felt that she was a bit familiar.

When someone said her name, she still wasn’t certain that this person in front of her was the punk girl Luo Qing Chen.

Had she not introduced herself, she might have even left already!

“Punk?” Su Nian knit his brows as he casually looked at Luo Qing Chen, “You’re not a transfer student?”

Chapter 1394: Sir school hunk with personality disorders (Part 20)

“Don’t be fooled by her!” Liang Bing Bing cleared her throat and raised her voice to say, “She is the punk who was chasing our school hunk An by waiting at the gate of our school several months ago. What transfer student, who is she lying to!”

For a poor person like Luo Qing Chen, how could she become a transfer student?

Did these people not have brains? They couldn't recognize her just because she changed her clothes a bit.

"Si." The surrounding people took a cold breath.

"This person is the social girl who was shamelessly chasing our school hunk An?"

"It can't be! This is too much of a difference, I don't think it's right!"

"I also think the same.....If it was, how could she transfer to our school!"

"But Liang Bing Bing wouldn't just be.....this merciless to a transfer student!"

"That isn't certain, perhaps the school flower is persistent towards school hunks!"

.....

Luo Qing Chen took a sip of her juice before saying, "Do we know each other?"

Just five simple words made Liang Bing Bing's face turn red with rage.

She pointed at her while trembling and roaring, "You don't recognize me? He, he.....You think that if you say you don't recognize me, you can gloss over the dirty things of the past?"

"I just came back from abroad, I really don't know what you're talking about." Luo Qing Chen's lips curled into a faint curve, "If you don't believe me, you can go see my academic files at the office."

"Oh." Everyone heard Luo Qing Chen's calm answer and they all believed her.

After all, some of them had seen the punk girl who had been waiting for An Yu Sheng at the gate.

That girl who 'didn't fit in society' and this pure girl in front of them, they were simply two different people!

"You....." Liang Bing Bing bit her lip and glared at her, "Just keep acting! This face, I will tear it down, you just wait and see!"

"Liang Bing Bing, are you sure you haven't recognized the wrong person?" Su Nian looked at Luo Qing Chen who was absolutely certain in her actions and couldn't tie her to the punk girl from before.

He had to admit, his first impression of Luo Qing Chen was very good.

Moreover, he wanted to chase her.

"Su Nian, why don't you believe me?" Liang Bing Bing helplessly bit her lip. She thought that when compared to this punk, Su Nian would believe her.

After all, they had dated before.

"It isn't that I don't believe you." Su Nian had a faint sparkle in his brown eyes as he looked at Luo Qing Chen, "This is a new student to my class, so I should protect her."

As soon as his voice fell, there was another high profile youth in the cafeteria who couldn't take it and wanted to stand up.

But at that moment, Xia Qing Rou took his hand and said, "If you go over now, they will definitely know that classmate Luo is that punk girl."

An Yu Sheng's breath stop and his slender fingers couldn't help tremble.

Xia Qing Rou was right, if he went out now, it would be ironclad proof.

But he.....wasn't willing.

He could see his heart completely at that moment. Although he thought that this was just the beginning of the test of love.

The deep desire and possessiveness in his heart made him unable to accept.....someone else loving her.

[Ding, affection has increased by ten. Missio completion rate is now 30%.]

Chapter 1395: Sir school hunk with personality disorders (Part 21)

When the system notification rang out, her heart skipped a beat.

She never thought that An Yu Sheng's affection would increase at a time like this.

This quiet youth, what was he thinking?

"Su Nian, I hate you!" Liang Bing Bing pursed her lips and roared with red eyes, "Luo Qing Chen, you just wait! A dirty girl like you can't become someone like us even if you come here!"

As soon as her voice fell, she turned and ran out of the cafeteria covering her mouth.

Everyone saw that this was over, so they all spread.

Luo Qing Chen didn't care at all, as she enjoyed her meal with an indifferent look.

Lin Qing sitting beside her pulled at her sleeve, "Sorry.....I couldn't help."

Her voice was very soft, but she looked at her with an apologetic look.

Luo Qing Chen said with a faint smile, "This isn't anything! I don't care."

"You really are open minded, you don't even care about this?" Su Nian had a faint look of praise in his eyes as a burst of joy filled his heart.

This feeling was very strange. It was like meeting someone you liked and opening your heart.

The girl in front of him, she didn't seem easy to handle.

But he didn't panic at all. After all, there was no girl that he, Su Nian couldn't handle.

"Why should I care?" Luo Qing Chen put down her chopsticks and took a sip of her juice, "I've never cared about strangers."

Not to mention a stranger with a low intelligence like Liang Bing Bing.

“Ai, then can I ask you a question?” Su Nian took out a pack of tissues and said with a bad smile, “Do you dare tell the truth?”

“You can ask your question, but whether I answer will depend on my mood.”

After she said this, the phone in her pocket vibrated. She took the phone in her right hand and took a look before putting it back in her pocket.

The one calling her was no one else but An Yu Sheng.

“You really are interesting.” Su Nian raised a brow as his lips revealed an evil charming smile, “Are you the punk girl that Liang Bing Bing mentioned?”

Actually, he didn’t lie before. It wasn’t that he didn’t believe Liang Bing Bing, he just wanted to protect Luo Qing Chen at that moment.

But he still wanted an answer. After all, Liang Bing Bing wouldn’t wrong a person for no reason.

Even if this person was a great threat to her as the school flower.

“Guess.” Her left hand tapped the table out of habit as she narrowed her clear eyes, looking at Su Nian with scrutiny.

He slowly got up and came to her ear. With a scent that was exclusive to him, he said in a gentle voice by her ear, “I guess yes!”

His voice was very soft and other than Luo Qing Chen, no one could hear him.

Without knowing why, he felt an inexplicable desire to protect the girl in front of him.

Whether she was the person Liang Bing Bing said she was, his next girlfriend was definitely her!

“It’s a pity.....” She gave a soft laugh. She looked at him with a face that wasn’t worried at all as she said, “You guessed wrong!”

“Ah oh!” He was a bit depressed as he lowered his eyes to look at her, “I suddenly feel a bit disappointed, can classmate Luo help me?”

“Oh?” Luo Qing Chen looked up with a smile facing Su Nian’s sudden change of topic, “How can I help?”

“Be my girlfriend!” Su Nian said the moment she finished, not hesitating at all.

Chapter 1396: Sir school hunk with personality disorders (Part 22)

“Ke, ke.” Lin Qing who was sitting beside her almost spat out the food in her mouth.

It was right, Luo Qing Chen had only been at this school for half a year and Su Nian had already confessed to her, it was normal for her to be shocked.

Luo Qing Chen was a bit surprised. Not only was she not shocked, she felt very awkward.

Su Nian seemed like a master of love, it definitely wasn’t his first time blurting these words out.

There were vibrations that came from her pocket and her lips curled into a faint smile as she pressed the answer button.

“Hi!”

“If you don’t want me to go over now.....reject him.”

“.....” Luo Qing Chen never thought that An Yu Sheng who was like a spring breeze would be this decisive in making her reject Su Nian.

Could it be that he felt threatened?

“Then I’ll go over.”

Luo Qing Chen quickly said to Su Nian with a faint smile, “I’m sorry, it’s from my boyfriend.”

Luo Qing Chen could feel that atmosphere become awkward as the people around them all revealed looks of disbelief.

“Quite good.” An Yu Sheng’s brows relaxed a bit, but his eyes were still looking at her, “I’ll wait for you at the library.”

“Alright.” She softly replied before hanging up.

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

Su Nian gave an awkward shrug before saying, “I never thought that you would have a boyfriend.”

“Is it strange?” Luo Qing Chen looked up, “In six months, I’ll be eighteen.”

“It’s not strange, I’ve also had several girlfriends, but.....”

“But what?”

“But I’m certain that my next girlfriend is you.” His right hand came to his cheek when he said this and his brown eyes seriously looked at her.

She narrowed her eyes and replied with a faint smile, “You’re quite confident!”

“We’ll.....wait and see!”

As soon as his voice fell, Su Nian revealed an evil charming smile before turning to leave the cafeteria.

There were the sounds of gossip around, praising and criticizing Luo Qing Chen at once.

There were people who said that she was just acting reserved and there were some people that said that one didn’t have to accept if a school hunk confessed.

But for Luo Qing Chen, this wasn’t important. The most important thing was.....

An Yu Sheng was jealous?!

—

In the library.

An Yu Sheng hadn't arrived yet when Luo Qing Chen arrived, so she found a place near the window to sit down.

The warm winter sun fell onto her desk and there was a bit of spring in that light.

She took out a few math problems and looked over them before writing down the answer.

It had to be said, she had a deep understanding of math.

After all, she had been a math genius in previous worlds. As the saying goes, practice makes perfect.

This kind of answer could be written just by looking at it, it was not that hard and was considered a small matter for her.

The library was much quieter than the cafeteria. Most people here were rather good at studying, so there were few people that gossiped.

But, that was in the absence of An Yu Sheng.

When he appeared in the library, everyone's eyes fell onto him.

It was like wherever An Yu Sheng was, it would become a beautiful scene.

"School hunk!"

"Ha, ha, I'm a bit excited."

"He's coming over, he's coming over....."

"Do you think he'll sit by me?"

".....In your dreams!"

An Yu Sheng's final destination was very clear, he casually sat down beside Luo Qing Chen.

Everyone in the library suddenly took a cold breath.

Chapter 1397: Sir school hunk with personality disorders (Part 23)

"What is this situation?"

"I know this girl, school hunk Su just confessed to her in the cafeteria!"

".....My god, so jealous!"

"What jealousy, you can tell that she's just a little white flower that seduces people!"

.....

Although there were some unpleasant words, Luo Qing Chen didn't care at all.

The most important thing was An Yu Sheng who didn't have a good look on his face.

“Why did you suddenly come to school?” He looked at her with his deep eyes as he pursed his lips with a bit of unwillingness, “Since you’re here, why are you in class seven?”

Actually, he was very excited when he heard that she was at school, but he didn’t know why she went to class seven.

Was it because.....of Su Nian?

There were two different voices shouting in his mind at this moment.

And the terrifying demon beat the rational youth.

He unconsciously combined the two words ‘Su Nian’ with the reason she went to class seven.

It was like waves were turning in his heart and he couldn’t regain his calm.

“I have my reasons for going to class seven.” She looked up and seriously looked at him.

She didn’t say what her reasons were since she couldn’t say these reasons.

An Yu Sheng slightly knit his brows. His heart was completely taken over by the demon at this moment and even his clear eyes had a bit of darkness in them.

At that moment, it was like he had determined the reason why Luo Qing Chen had gone to class seven as Su Nian.

“Ding dong.” Her phone on the desk vibrated.

There was a text message from an unknown number, but it was also very simple.

(Lin Qing’s stomach hurts, she’s in the infirmary. ——Su Nian)

Luo Qing Chen knit her brows. She put her phone in her pocket and said to An Yu Sheng, “Something happened to my deskmate, I’m going to the infirmary.

“Su Nian sent you a text?”

His eyes were dark as he looked at the girl in front of him, as a slight chill filled his voice.

He didn’t know what this feeling was, he just knew that he wasn’t happy and his chest was stuffed up.

“Right.” Although Luo Qing Chen couldn’t guess what he was thinking, she knew that he wasn’t happy.

She understood the personality disorder mentioned by the system a bit. This kind of loving obsession was like a flower growing in the dark, slowly being nourished.

“Un.” He softly replied before opening a textbook in front of him, “Go ahead then.”

Those three calm words didn’t have a trace of warmth in them.

This kind of An Yu Sheng made her feel a bit cold and she didn’t want to go to the infirmary.

But Lin Qing was the only person who talked to her in the class and the side task was already hard, so she felt that she should go.

“Sorry, let’s meet again tomorrow.” Luo Qing Chen put her bag on her back and with a bit of worry in her eyes, she still headed off to the infirmary.

The sky was covered in clouds and there was a cold wind blowing, like a storm was about to arrive.

There was only Lin Qing in the infirmary when Luo Qing Chen arrived and her face didn’t look good, but she was clearly happy when she saw Luo Qing Chen arrive.

She had been excluded in class seven before because she didn’t use makeup and didn’t follow trends, so she was treated as dirt.

For a long time, she didn’t dare make friends.

Whether it was going to the cafeteria or the library, she was always alone.

After coming to the infirmary for food poisoning, she thought that she would be alone.

She never thought that.....the proud young master Su Nian would send her here.

And now Luo Qing Chen who she had only known for half a day would come to the infirmary to see her.

Chapter 1398: Sir school hunk with personality disorders (Part 24)

“How is it, are you better?” Luo Qing Chen looked at her in a confused way, “I keep thinking that we ate the same thing, so why didn’t I get a stomachache?”

“That.....” Lin Qing awkwardly lowered her head, “I can’t eat spicy food, but I couldn’t say that.....”

Luo Qing Chen shook her head in a helpless manner, “Just say it if you can’t eat something.”

“I.....” She knitted her brows and said in a hesitant manner, “I’m afraid that you would find me annoying.”

After all, this was her first time having someone eat with her in two years. She had finally made a friend, she was afraid of losing her because of herself.

“Pu.” Luo Qing Chen couldn’t help laughing, “You really are a silly girl!”

“Oh, right.” Lin Qing pointed at the cake on the table and said, “Su Nian left this, he said that I should give it to you if you came.”

“Cake?” Luo Qing Chen knit her brows before understanding three seconds later.

The previous host’s birthday was tomorrow, it seemed like Su Nian had gone to the office to see her records.

Otherwise, how could he know her phone number and her birthday?

“Ding dong.” There was the sound of a next and it was still from the same familiar unknown number.

(I’m giving you some cake in advance since I want to chase you! Are you free tonight? ——Su Nian)

“Hee, hee.....” Lin Qing laying in the bed said with a playful smile, “Qing Chen, you really are lucky! Su Nian likes you as soon as you arrive. Although he’s had many girlfriends, there are still many people willing to be his girlfriend.”

(No. ——Luo Qing Chen)

“You think he likes me?” Luo Qing Chen raised a brow, “Then what are his previous girlfriends!”

“Ah.” Lin Qing scratched her head and didn’t know what to say.

“Hong long.” There was the sound of thunder which made Luo Qing Chen knit her brows. She kept feeling unsettled.

But her worries weren’t baseless, since that bright youth didn’t go to class that entire afternoon.

He had been standing on the roof of the first year building without a jacket or sweater, only wearing a thin dress shirt as she stooped in the wind and rain for an entire afternoon.

In the heart of this stubborn youth was the best method to have someone stay by his side: Making them feel sad for him.

“Ding ling.” The bell rang.

There were less classes in the afternoon, it was only five when school was over.

Luo Qing Chen sent An Yu Sheng a text, but she didn’t get a reply for a long time.

When she came to the first floor, she found that he was half leaning against the stairs with his hands in his pocket, attracting the gaze of all the girls.

Seeing her come down alone without anyone beside her, he was a bit surprised before there was a faint sparkle in his deep eyes.

“Ke, ke.” He gave a soft cough, “Let’s go home.”

Without knowing why, seeing An Yu Sheng’s face from the side, Luo Qing Chen’s heart skipped a beat.

In the dim light, that beautiful face that was.....a bit pale.

Hearing him say these three words, it was a bit hoarse with a bit of gentleness in it.

When Luo Qing Chen was planning to walk in his direction, Su Nian patted her shoulder from behind and said, “Classmate Luo Qing Chen, are you really not going to dinner with me? What, are you afraid that you will fall in love with me with one meal?”

Su Nian was still the same as before, having the bad tone in his voice as his beautiful eyes narrowed into a line.

Chapter 1399: Sir school hunk with personality disorders (Part 25)

Because of the heavy rain, there weren’t that many people around, but that didn’t mean there was no one around.

An Yu Sheng's words had already caused people to start whispering, but now that Su Nian had openly called out to her, it was simply pushing her to the center of attention.

"I think that my text was very....."

"Sorry, this classmate." A pair of warm hands suddenly took her hand and forcefully pulled. An Yu Sheng with a look of hostility said, "She is my girlfriend."

He should have said these words in the cafeteria, but the demon in his heart hadn't completely taken over yet.

After being cleansed in the rain in the afternoon, the only thoughts in his mind were very determined.

That test as to which one of them would fall in love first didn't seem that important.

At this moment, the most important thing was the person who she held close.

The air around them froze and Luo Qing Chen's mind exploded as it turned blank.

The crowd began whispering, which was like a sharp sword pointed at her and An Yu Sheng.

"I didn't believe Liang Bing Bing at lunch, but now there really is evidence!"

"What does that mean?"

"This transfer student is that punk girl who waited for the school hunk in front of the school!"

"Impossible! She doesn't look like her at all and people can't just casually come to our school!"

This little punk girl, she can do some nasty things!"

"....."

"What? High school students can only play tricks?" An Yu Sheng narrowed his cold eyes and looked at the girl who spoke the last words with eyes that didn't contain a single trace of warmth, saying in a cold voice, "If I wanted, you don't need to come tomorrow."

"Si!" The students all around were completely stunned by the words An Yu Sheng had said.

This gentle and quiet boy who was like the bright rays of the sun had actually said such ice cold words.

Everyone knew the An Group's position in A City. If the young master An wanted to target someone, it would be much too easy for him.

For that girl, she had dared to say this in front of An Yu Sheng because An Yu Sheng had always been a gentle man.

She never would have believed that this kind of man would suddenly become this terrifying.

However, this An Yu Sheng made Su Nian knit his brows.

"You are her boyfriend?" Su Nian put his hands in his pockets and with the aura of a ruffian, he narrowed his eyes to look at An Yu Sheng.

They had never interacted since they weren't people of the same world. Even if the two of them were very famous in school, they didn't know each other.

"I can't be?" An Yu Sheng pulled Luo Qing Chen behind him and looked at Su Nian with ice cold eyes, "My girlfriend doesn't need you to chase her."

As soon as his voice fell, he led Luo Qing Chen away by the hand.

Su Nian replied in an unwilling voice behind him, "I'm very sorry, the people that I, Su Nian like, I've never failed in chasing."

This is the truth and he had never been dumped by a girl, it had always been him dumping other girls.

Therefore, he was confident. Even if the other side was An Yu Sheng, he would get Luo Qing Chen.

The gunpowder of 'love' had been ignited at this time. One was the playboy Su Nian and the other one was An Yu Sheng who had never had a girlfriend before.

Luo Qing Chen didn't care about the exchange between them, what she cared about was that.....An Yu Sheng's hand was very hot.

It wasn't a normal kind of heat.

Chapter 1400: Sir school hunk with personality disorders (Part 26)

He had an umbrella in his right hand that completely covered the girl beside him, so careful that he wouldn't let a single drop of rain fall on her.

Luo Qing Chen stopped and knit her brows before her right hand suddenly came up to touch his forehead.

God.....It was so hot.

It was at that moment that An Yu Sheng who had no expression the entire time couldn't help curl his lips into a faint smile.

He felt like he had achieved his goal. Doing things to hurt himself to make the girl beside him care about him.

Luo Qing Chen didn't notice the curling of his lips, she just felt her heart skip a beat as she pursed her lips to say, "You have a fever?"

"Un." He softly replied, not reacting at all as he continued moving forward while tightly holding her hand.

"An Yu Sheng!" Luo Qing Chen bit her lip as her eyes became a bit anxious.

This heat, it was at least a fever of over thirty eight degrees, so how could he calmly say 'un' like this?

"What is it?" There was a gentle look on his pale face as he looked up at her, "You didn't tell me where you live.....Ke, ke.....How can I send you home!"

His voice was very soft, but there was a feeling that made one's heart hurt.

"We're going to the hospital!" Luo Qing Chen touched his head again and knit her brows.

"I'm not going." An Yu Sheng seemed to imitate her actions as he touched her forehead, "The way you're worried about me.....it really is good."

[Ding, affection has increased by ten. Mission completion rate is now 50%.]

When she heard the notification of the system, she really wasn't happy.

Unpredictable personality with an inexplicable possessiveness and stubbornness, it made An Yu Sheng really hard to grasp.

"Then should we go to the pharmacy in front to get some medicine?"

"Will you feed me?"

"....." Looking at his face that was youthful, although it was pale, there was a bit of arrogance to it. She didn't know how to describe her current feelings.

"Alright!" She helplessly nodded with a bit of embarrassment in her eyes.

Little did she know that his lips would curl into a beautiful arc as he leaned in, gently placing a kiss on her cheek, "I feel that the way you blush.....ke, ke.....really looks good."

[Ding, affection has increased by ten. Mission completion rate is now 60%.]

She was stunned. She never thought that in this kind of rain, An Yu Sheng would actually 'steal a kiss' like this!

Un, it was wrong!

It should be a straightforward kiss!

"You.....Don't move, I'll go buy it or you'll be soaked." Luo Qing Chen left him at the door of a convenience store, as she went to the pharmacy with her umbrella.

An Yu Sheng didn't seem that stubborn since he used the umbrella to cover her most of the time, not letting her be soaked by the rain.

She might as well hold the umbrella herself.

They never thought that on the first floor of the school, there was someone else who had heard this conversation other than the crowd.

It was the so-called school flower.....Liang Bing Bing!

And her cousin Zhao Jin Xuan had been nearby with his brothers, planning to tie up An Yu Sheng and Luo Qing Chen while the sky was dark.

She wanted to let An Yu Sheng watch as that dirty little girl was defiled by another man.

But right now, it seemed like god didn't want her to be that cruel. Since they separated, they just had to tie up Luo Qing Chen.

After buying the medicine, there were several people who appeared in front of her with sticks in their hands.

The person leading them was very familiar, it was the previous host's past 'drinking friend' Zhao Jin Xuan.
