Chapter 14: Deeply pampered by the emperor (Part 13)

He softly put her onto the bed. Looking at her clear as water eyes and her flushed face, he couldn't control himself anymore as he directly went down to kiss her.

Damn.....System, system! System! Do you have some kind of duplicate item, give me one!

Don't say anything like I don't have any experience and can't exchange for it, alright?

Fuck, I'll pay in the future, I'll pay in the future, I definitely will.....

[I don't.] The system's ice cold words lingered in her ears.

The system's heart didn't want to do this either, but that person had said before that as long as the 'person being love' is him, it definitely could not ruin his good things.

Damn, are you doing this deliberately?

Luo Qing Chen blinked in panic and Zhao An Yang covered her bright eyes as he said in a low voice, "Are you afraid?"

She turned in an embarrassed manner and pursed her lips as her heart kept jumping.

Ke, ke, it couldn't be considered afraid! I'm just a bit shy!

She couldn't say the words in her heart as Zhao An Yang stood up from over her.

Without knowing why, seeing her somewhat unwilling look, he felt a bit of discomfort in his heart.

"Where are you going....." She knew that her action could hurt him. She pulled on his clothes looking like she was wronged, just like a tearful little lamb.

Damn, aren't I just a little shy?

"You sleep first, I still have some business to take care of." Zhao An Yang took the covers and softly placed them over her, speaking in a gentle voice.

Thinking about it, they had been estranged for all these years.

It wasn't something that could return to before overnight. If she needed time, he would wait for her.

Ha? Take care of business?

Didn't the books say that a spring night is worth a thousand gold? Luo Qing Chen blinked in confusion.

But what could she do?!

Watching Zhao An Yang walking to the main hall, Luo Qing Chen nodded in a thoughtful manner. She knew the answer!

In the end, he still couldn't do it!

The next morning, she was woken up by the sounds outside the door.

She pushed open the beaded curtain and saw the other three maids, but she didn't see Xiao Qiu who normally followed her. She asked the people outside, "What is that noise?"

"Reporting to the madame, this servant does not know."

Luo Qing Chen knit her brows before clearing her throat to say, "Help me change."

Opening the door, the dazzling sunlight shone down on her pale face. She narrowed her eyes and saw a face she hadn't seen in a long time.

It really was a long time.....

"Big sister——" As soon as Yan Wu Se saw her, she inexplicably took a step back. She still revealed a smile as she looked at her.

The birthmark on her face was covered in thick makeup. Although she couldn't see it clearly, with such heavy makeup, it made her look incomparably old.

Her face looked quite stiff.

After personally witnessing Zhao An Yang bring Luo Qing Chen back, naturally Yan Wu Se needed to make preparations for herself.

If she wanted to survive in the royal harem, she had to do something.

"Madame....." Xiao Qiu wanted to say something, but Luo Qing Chen shook her head at her.

Damn, little white flower. Coming early in the morning to seek revenge, I want to see what kind of tricks you have.

Come, let's play. You look this rough, but I'm not afraid of you.

"Yan Wu Se?" Luo Qing Chen's eyes were cold as she spoke while looking at the girl in front of her.

"Bold!" Tao Hua cut her off with her sharp scream, "Is the name of the Imperial Consort something you can say...."

"Pa——" Luo Qing Chen raised her hand and slapped out without even thinking. Her eyes were filled with serious killing intent as she looked at Tao Hua in front of her and simply said, "Scram."
