Chapter 1561: Foolish ruler in the way: How many times do you want to be assassinated? (Part 45)

"In short, if there's nothing important in the future, please don't contact me." Luo Qing Chen looked at Lin Dong Xue's red eyes and said, "Deception is the most unforgivable thing to me."

Lin Dong Xue's disappointed eyes suddenly brightened.

He seriously repeated the first half of her words: If there's nothing important!

Nothing at all and nothing important was a big difference.

Over the next few days, Luo Qing Chen deeply understood why Lin Dong Xue's eyes had suddenly become clear.

Because.....

He had found a loophole in her words. 'Nothing important', these words couldn't be randomly said.

"Your highness, I feel that my back hurts....."

"Your highness, I feel that my head hurts, it especially hurts at night."

"Your highness, I haven't been able to sleep well recently. It's hard to fall asleep at night, is there any good way to solve this?"

.....

Seeing Lin Dong Xue appear in the Golden Palace with a different face each day, she couldn't help finding it annoying.

But even so, even Xiao Yi and Ying Ying played along. His highness was uncomfortable here and there.

Three days later, Luo Qing Chen finally couldn't take it anymore and picked up a stick from the ground which she handed to Xiao Yi, "If his highness can't sleep at night, just hit him in the back of the head with this stick."

"This....." Xiao Yi took the stick with a difficult look in her eyes.

Luo Qing Chen waved her hand with a smile, "Don't worry, he'll definitely fall asleep with one hit and he'll never wake up if we're lucky. Then your highness' illness will all be cured."

Since she said this, Lin Dong Xue never came back.

The Golden Palace was quieter than other places at night, that was because it was in a remote place in the palace and few people went by here.

Sitting on the swing in the front yard, she could clearly hear every breeze and every blade of grass swaying in the breeze.

For example.....like right now.

"Who!" With the soft sound of a branch cracking hundreds of flower petals fell.

Luo Qing Chen turned and saw the figure coming out from under the tree.

He had taken off his emperor's robe and was wearing a pale white robe. He stood there in the moonlight, silently watching her.

"Come." He softly called, with a gentleness in his actions.

Luo Qing Chen said, "I'll get the medicine box."

When she turned to head in, Lin Nan Yi suddenly landed firmly in front of her with a single step. He took her into his embrace as he said in a low voice, "I had a dream."

His hug was very strong and she could clearly feel his heart beating.

"Dream?" She asked, "What dream?"

Just what kind of dream could make him come here in the middle of the night?"

"My dream....." He gave a bitter laugh before his cool as water voice slowly said, "You finally killed me."

"....." Her heart skipped a beat and her fingers couldn't help trembling.

"A long sword through my heart and I no longer had a chance to hold you....." After he said this, he hugged her even tighter.

He was a bit afraid. He had worried like this before, that if she killed him, he wouldn't have a chance to see her anymore.....

After a while, she raised her right hand and patted his back, "There won't be a day, I promise."

Chapter 1562: Foolish ruler in the way: How many times do you want to be assassinated? (Part 46)

"Really?"

"Really."

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

This was her promise to him, an eternal promise.

But she never thought that what she exchanged for this promise wasn't equal treatment.

She woke up only in the afternoon the next day and dressed alone, she didn't see a trace of Xiao Tian.

Normally when she woke up, Xiao Tian would come over with a tub of water for her.

She didn't care at first since she normally didn't come back for several hours when she went to the imperial kitchen.

But when she didn't come back after the moon came up, Luo Qing Chen felt that something was wrong.

There was nothing unusual in the yard. She opened the door to ask the guard, "Did you see Xiao Tian today?"

“Xiao Tian was called away by an old housekeeping maid this morning.” The guard thought for a bit before saying, “It seems like it’s been several hours.”

“Housekeeping.....” Luo Qing Chen knitted her brows to ask, “Do you remember who it was?”

“I can’t remember that clearly.”

Luo Qing Chen nodded and didn’t ask anything else.

After all, other than keeping her in and keeping her safe, these people definitely didn’t care about where her maid went.

She didn’t know any housekeeping maids, but.....the previous host had a few memories.

One of them had a large mole on the right side of her cheek, but the important thing was.....she used to be a servant of the Yue Family.

“Teleportation.”

Although the level two teleport did make her a bit tired, it wasn’t to the point where she would faint.

The maids of the palace weren’t as harmonious as they seemed, there were many sly maids and servants who were secretly taken care of.

Maids going missing in the palace was already a normal thing.

In a corner with no one around, she took out the Phoenix Dance Sword and headed in the direction of the maid quarters.

But she saw two maids coming out with buckets filled with blood.

She quickly found a corner to hide herself to listen to their conversation.

“Ai, that maid really is pitiful. That kind of punishment was no different from dying from a thousand stabs.

“Shh, be quiet. It was miss Yue’s orders, we can’t discuss this.”

“Quickly! That person won’t last another half an hour.”

Yue Cai Zhi.....

Luo Qing Chen gritted her teeth and knocked out of the girls while putting the Phoenix Dance Sword in her right hand at the neck of the other girl as she said in a cold voice, “Where is the maid Xiao Tian you caught?”

“Xiao.....Xiao.....” That person said in a trembling voice, “She’s.....being kept in a hidden room.”

“Bring me to her.” The Phoenix Dance Sword created a line of blood on the maid’s neck.

She immediately said with a nod, “Don’t kill me, don’t kill me.....I’ll take you there.....”

It was very dark in the hidden room, she couldn’t see a thing.

Luo Qing Chen could hear the sound of blood dripping and there was a strong scent of blood in the air.

She raised her right hand and the end of the Phoenix Dance Sword knocked out the maid.

When she took two steps forward, she saw a bit of light. There were two old maids who were torturing the young girl tied to the board with various tools.

She didn't have any blood in her face, all her blood had almost dripped out.

"Miss Yue wants you to poison the imprisoned princess, but you won't, so you deserve to die!"

"Ai, dying only after fifteen out of thirty sets of torture tools, it really isn't interesting at all."

Chapter 1563: Foolish ruler in the way: How many times do you want to be assassinated? (Part 47)

The hidden room was very damp, it was filled with blood. These mocking words were like needles that entered her ears.

"Just dispose of the corpse as usual!" The old maid said with a look of disgust as she looked at the bloody Xiao Tian, "Anyway, the people in the cold palace don't have the right to ask for the corpse from us."

The other maid turned the agate jade bracelet in her hand and put it in Xiao Tian's pocket, "This is miss Yue's kind reward for you, you should thank her on the path to the Yellow Springs."

"Xiu." As soon as her voice fell, the light flickered.

In an instant, the dimly lit secret room fell dark.

The two maids took a cold breath. They looked at Xiao Tian on the wooden board with looks of fear and one of them said in a trembling voice, "If you have a grudge, you shouldn't look for us.....Ah....."

"Could it be that you weren't the ones to kill her?" Luo Qing Chen stood in front of Xiao Tian in her white clothes, looking at the two maids while saying in a cold voice, "The road to the Yellow Springs is too lonely, it won't be as cold with more people."

Her trembling right hand was placed on Xiao Tian's neck. There was no warmth, no pulse.

She really died.....just like that being tortured.....

"Don't kill us, don't kill us....." The two old maids kept moving back, hugging their heads as they begged for mercy, "It was miss Yue, it was miss Yue who wanted us to do this. She.....She wanted revenge.....on that girl in the cold palace....."

Luo Qing Chen narrowed her cold eyes as they filled with killing intent.

Her right hand shook and the Exquisite Ring on her ring finger released a faint golden glow.

Even if this was a world without powers, the divine artifact could feel its master's anger.

With a 'guang dang' sound, the Phoenix Dance Sword cut open Xiao Tian's handcuffs.

She fell down softly and Luo Qing Chen reached her right hand out to catch her. There were tears that fell as she bit her lip, saying with a resolute look in her eyes, "Be assured, the person who killed you.....I will definitely bury her with you."

The sun slowly set and the moon slowly rose.

She had Xiao Tian's corpse on her back, dressed in a set of white clothes with the Phoenix Dance Sword in hand as she headed towards the Mirror Moon Hall.

At the same time, someone in the Mirror Moon Hall was carefully dressing up.

Her father imperial tutor Yue was entering the palace and Lin Nan Yi would come to her Mirror Moon Hall for a meal.

Dressing up for the man of her heart was a must.

But at this time, she received some bad news.

"Miss Yue, there's news from the maids. The maid who was brought in early this morning was tough and unwilling to give in, so she's already....." The maid who came forward to report made a cutting gesture at her neck with a serious look on her face.

"It's fine it's she's dead, look at how scared you are." Yue Cai Zhi was putting on makeup as she said, "What does it matter if one maid dies? She should be happy that there's only one maid in the cold palace or they would all be on their way to the Yellow Springs. Ha, ha, ha, ha!"

"But....." The maid knitted her brows and said, "The captive princess took her away and the maids said that she was heading towards the Mirror Moon Hall."

Yue Cai Zhi revealed a faint smile, "A maid that dared to steal my things deserves to die. If Luo Qing Chen wants to come and take revenge, she wouldn't have any legitimate reason, don't you think?"

Chapter 1564: Foolish ruler in the way: How many times do you want to be assassinated? (Part 48)

The entrance of the Mirror Moon Hall was brightly lit.

She was a bit cold walking all the way here, so her face was a bit pale and her white dress was covered in her blood.

She softly put down Xiao Tian and put her cloak over her, saying in a soft voice, "Wait for me for a bit....."

"Kacha." When the door of the Mirror Moon Hall opened, several guards came forward to surround her.

The person in charge suddenly pulled his blade from his waist and looked at her as he said, "Who dares intrude into the Mirror Moon Hall?"

"Scram!" Her voice was ice cold and overbearing.

The snow filled the sky and her moon white dress fluttered in the wind.

“Just a single captive princess from the cold palace dares to intrude in the Mirror Moon Hall, you don’t know that the one in here is the emperor’s beloved.....”

“I told you to scram!” As the snowflakes fluttered around, her eyes were so dark that they froze everyone.

The person in charge was scared by this aura. He licked his lips and couldn’t help taking a step back.

At the same time, he didn’t forget to give orders to his subordinates, “Everyone follow my orders, protect miss Yue. If anyone charges into the Mirror Moon Hall.....kill them all!”

“He.” She gave a cold snort and looked at him with an icy curve to her lips, “How are you qualified to kill?”

When her voice fell, she slowly raised the Phoenix Dance Sword as her cold eyes filled with killing intent. Although each slash avoided fatal wounds, she did strike deeply.

Her heart was burning at this moment and her mind only had one thought: Yue Cai Zhi, all the people who do things for you, all the people who protect you, I, Luo Qing Chen will not let a single one off.

The snow flew and blood flowed. She had no expression as she coldly took care of everyone.

“Kuang.” The Phoenix Dance Sword was placed at the neck of the leader as she coldly said, “If you don’t want to die, bring me to Yue Cai Zhi.”

“Don’t kill me.....don’t kill me.....” He said in a trembling voice while panting, “Miss Yue is in the hall, I.....I’ll take you over now.”

“Quickly.” She said concisely, “I don’t have any patience.”

“Ai, what did the captive princess come to my place for?” There was a delicate voice that rang out as Yue Cai Zhi walked down the jade steps with a deep smile on her lips, “Could it be that you are jealous that I am here and you are in the cold palace?”

Luo Qing Chen narrowed her eyes which were bloodshot. Yue Cai Zhi standing not far away was in a lotus brocaded dress, with her long hair placed in a pin, held in place by a golden hairpin.

Graceful and dignified.

She almost seemed like the master of the harem like this, the one in the emperor’s heart.

Every word was unbearable for her.

“Taking a life, heaven’s punishment will come.” Luo Qing Chen’s moon white robe was covered in blood and her cold eyes didn’t have any warmth as she looked at her, “No one can save you.”

“Is that so?” She revealed a sinister smile, “This world is the emperor’s and this harem also belongs to the emperor. I think that he will definitely come and save me, right?”

Yue Cai Zhi pursed her red lips, looking like a winner as she looked down on her.

“I want to see, will he really come and save you?” She pushed the guard who she had as a hostage away.

The bloody Phoenix Dance Sword was already flying out in Yue Cai Zhi's direction.

Chapter 1565: Foolish ruler in the way: How many times do you want to be assassinated? (Part 49)

There was just a "guang dang" sound as swords clashed. There was a familiar figure in front of her with a sword in his right hand and a cold look in his eyes.

"Lin Nan Yi." She took a deep breath as her bloodshot eyes filled with a faint layer of mist.

When she softly said those three words, her voice trembled a bit.

Lin Nan Yi stood firmly in front of Yue Cai Zhi dressed in his golden dragon embroidered robe, looking like a ruler. Holding his sword, he looked at her and said, "In the palace, how can you act this audacious?"

There were several dozen guards that surrounded her.

His voice was cool and each word was like ice that pierced her heart.

Imperial tutor Yue came out of the palace and rushed over to his daughter, putting her behind him, "Dad will protect you, don't be afraid!"

"Dad, the emperor.....I....." Yue Cai Zhi's expression quickly changed as tears came out and she said in a trembling voice, "The captive princess just charged here with her sword. If it wasn't for the emperor sending some to protect Cai Zhi, Cai Zhi might have gone to the Yellow Springs this time."

"You won't go to the Yellow Springs." She looked up with cold eyes she said through gritted teeth, "You can only go to hell!"

"Audacious, a captive princess can even talk to the empress like this, you should be punished!" Imperial tutor Yue's strong voice rang out, piercing her heart like a needle.

She looked at Lin Nan Yi and he didn't refute it, he just stood there with his sword, silently looking at her.

"Empress....." She gave two laughs with a smile so bleak. Her eyes looked at Lin Nan Yi, "Can the empress indiscriminately kill the innocent? In the harem, aren't there the most basic rules of laws?"

"Luo Qing Chen, you're slandering people!" Yue Cai Zhi slightly curled her red lips and there were still tears in her eyes as she looked at her and said, "The maid of your cold palace stole my agate jade bracelet first. I had her hand it over, but she wouldn't admit it. I taught her a little lesson, but I never thought that she would be so weak that she couldn't survive that!"

"It's right to punish her, this kind of maid who doesn't keep her hand clean should be executed!" Imperial tutor Yue gave a cold snort. He looked at her with a righteous gaze, "As for you, a lowly captive princess daring to point your sword at the empress! You're the one who is breaking the rule of law!"

Wen De knitted his brows and shook his head at her. She saw it, but she wasn't willing to let this go.

She said that she would get revenge for Xiao Tian, so she would definitely do it.

“Emperor, I will ask you one thing.” She ignored the father and daughter surnamed Yue and took a deep look at Lin Nan Yi as she said in a cold voice, “Do you think Xiao Tian should die?”

The snow filled the sky and there were cold breezes that kept blowing around. The snow fell onto her lashes, mixing with her tears.

Falling for Xiao Tian, falling for her.

“Put down the sword and don’t resist.” His eyes trembled as they filled with complicated emotions and he said in a soft voice, “This one can spare you.”

“Emperor, how can you do that? She almost killed this old minister’s daughter?”

“Emperor, Cai Zhi really was afraid just now. If she tries to kill me again, I might not.....be able to live to the empress crowning ceremony.”

.....

“This is this one’s harem, this one has the final say.” He looked over at imperial tutor Yue with ice cold eyes, “This is this one’s harem, I hope that the imperial tutor won’t interfere.”

Chapter 1566: Foolish ruler in the way: How many times do you want to be assassinated? (Part 50)

“Ha, ha.” Luo Qing Chen gave two soft laughs, looking so beautiful in the heavy snow.

The long hair and the plain white dress. The snowflakes around her and that clear smile.

That kind of smile seemed so sad.

As expected, with only 40% affection, she couldn’t do anything.

She felt that even if she used all her strength, she would still be treated unfairly.

She remembered that promise that she had made to him under the petals.

In the end, she did it, but he didn’t.....

At that moment, she felt like it was the first time she might not finish the mission. There was a strange sense of grievance that spread from the bottom of her heart.

“Lin Nan Yi, I’ve heard your answer.” She took a deep breath, making her breath and expression calm.

He looked at her with a glow in his eyes, but he couldn’t say what he wanted to say.

This Lin Nan Yi looking at this Luo Qing Chen, unable to stand by her side and block the entire world.

Really.....Really felt like he had failed.....

[Ding, affection has increased by twenty. Mission completion rate is now 60%.]

When the system sounded, she didn’t feel any joy, but rather she felt even more aggrieved.

"I don't want it....." She bit her lip as she said in a soft voice, "If it's this kind of affection, I don't want it at all."

"Someone, quickly take this person away. If she hurts the empress, which one of you can take responsibility?" Imperial tutor Yue saw that Lin Nan Yi was hesitating, so he spoke in an urgent voice.

Lin Nan Yi look at her and he couldn't help knitting his brows as he said in an extremely cold voice, "Put down the sword, this one has said that this one won't let you die."

"But I want her to die." She said in a cold voice filled with absolute strength, "Emperor, ah, emperor, you can't stop me."

"Someone, someone, protect the empress, she's going crazy." Imperial tutor Yue said as the imperial guards stood in a row in front of Yue Cai Zhi.

The others drew out their swords, waiting for Lin Nan Yi's orders. They would take down this captured princess!

She gave a cold laugh, "Since the emperor has already decided to protect the empress, then don't blame me for.....not keeping my promise."

She didn't say the next words, but said them in her heart.

'Because you betrayed the promise first.'

"Xiu." With a cold breeze, leaves fell from the trees.

Lin Dong Xue jumped over the walls of the Mirror Moon Hall and landed by her side.

He gave a chuckle and stood by her side with an innocent look. He touched the back of his head covered in bandages as he said, "Miss Luo, I am fighting against the world with you, is that worth being forgiven?"

It had to be said, the appearance of Lin Dong Xue made her not as alone in this winter night.

No matter how much use he was, at least he stood by her side.

"You....."

"Ai." He said with a helpless smile, "Xiao Yi was too heavy and I was knocked out for two days."

.....

Luo Qing Chen didn't say anything, but she felt strangely moved.

If she wasn't willing to forgive Lin Dong Xue for how he treated her before.

Then Lin Nan Yi hurting her like this made her even less willing to forgive.....

Chapter 1567: Foolish ruler in the way: How many times do you want to be assassinated? (Part 51)

“Pacifying West King, what is the meaning of this?” Imperial tutor Yue looked at Lin Dong Xue with an ugly look.

Yue Cai Zhi looked at him in surprise. Her mouth was opened slightly, her brows were knit, and her eyes filled with disbelief.

Lin Dong Xue, Lin Dong Xue, Lin Dong Xue.....

Why? Didn't he love her? Did he fall in love with Luo Qing Chen?

These days, Lin Dong Xue had been thinking a lot. Some people already weren't worthy of his love.

And some people, he wanted to protect.....

“You want to rebel?” Lin Nan Yi put down his sword as a sharp look appeared in his eyes, crossing his hand to look at them.

At this moment, it was like his heart was being pressed down on by a rock, it felt so uncomfortable that he couldn't breathe, like he was going against his own heart.

“Someone, capture them alive.”

“Yes, emperor.”

Luo Qing Chen jumped out as the Phoenix Dance Sword flew at Yue Cai Zhi.

“Quickly, quickly kill them!” Yue Cai Zhi loudly shouted as her eyes filled with a bit of panic.

She never thought that Lin Nan Yi's appearance would fail to stop her from attacking her and she never thought that Lin Dong Xue would stand on the other side, helping the captured princess.

“Humph!” Lin Dong Xue who didn't see reliable heard this and entered the battle with a snort.

He didn't know how he would feel if Luo Qing Chen really took care of Yue Cai Zhi, he just knew that at least he didn't want her to be alone.

Lin Nan Yi slightly knitted his brows and quickly blocked Luo Qing Chen.

She went around him and continued charging forward.

Until she was standing in front of Yue Cai Zhi covered in blood. Imperial tutor Yue came forward to save his daughter.

She flicked her sword and knocked him to the ground.

“I will only kill you.” She said in an extremely cold voice.

“You.....” Yue Cai Zhi lost her voice in fear, she couldn't even say what she wanted to say.

“Goodbye.” Luo Qing Chen gave a cold snort. She stabbed at her heart without any hesitation.

In the blink of an eye, a familiar figure appeared in front of her Phoenix Dance Sword.

The sharp sword pierced into his shoulder and blood spurted out.

She was stunned as she dropped the Phoenix Dance Sword.

The guard caught her. She didn't resist, she didn't cry, she didn't shout.

Her mind was blank as she closed her eyes and bit her lips.

Even when the blood came out, she didn't let her tears come out.

Sorry Xiao Tian, this captured princess named Luo Qing Chen couldn't avenge you.

She had lost, she had lost to the most powerful person in the world.

She had completely lost.

Lin Nan Yi, is this victory good?

Lin Nan Yi who had her back to her slowly turned around with a pale look on his face.

He looked at her, looking into those clear eyes filled with sadness and emptiness.

He had these eyes before. Back in the banquet, when she used her own body as bait, but he still stood in front of her without hesitation.

Because even if he died, he didn't want anyone to harm her.

But now, the one who harmed her the most was him.

Without knowing why, seeing those eyes, the pain in his heart was millions of times stronger than the pain of his body.....

[Ding, affection has increased by twenty. Mission completion rate is now 80%.]

Chapter 1568: Foolish ruler in the way: How many times do you want to be assassinated? (Part 52)

He never gave her what she wanted before.

But now, in the yard filled with snow.

He used his body to block an attack for another girl, using the cruelest method to hurt her, but he still gave her what she once considered a luxury.

"I don't want it." She looked up at him with faint tears in her eyes, "I don't want your love, not one bit."

There was a strange hatred when she arrived, a strangely high hatred.

She didn't know what he was thinking, she didn't know why he protected Yue Cai Zhi, why those eyes seemed so confusing to her.

"Take them down, take them down, quickly execute her!" Imperial tutor Yue stood up holding his chest while angrily shouting at the guards on the side.

Lin Nan Yi looked at Wen De and narrowed his eyes to say in a cold voice, "Assassinating the empress, what is the punishment?"

Wen De was surprised as his heart skipped a beat and his back was covered in cold sweat.

At this time, he felt a bit unsettled by the question the emperor was asking.

“What, is the chief manager of the court unfamiliar with the law of the court?” Lin Nan Yi coldly looked at him, speaking in a voice without any warmth.

“Report.....Reporting to the emperor.....” Wen De immediately kneeled down, “Assassinating the emperor, the laws state that person will be put in jail and beheaded another day.”

“Someone.” Lin Nan Yi immediately said, “Put Lin Dong Xue and Luo Qing Chen in the dungeon and prepare for their execution.”

Luo Qing Chen never thought that they would end like this, she couldn't guess what Lin Nan Yi was thinking. She didn't understand why even though he stood on the other side, he still gave her affection.

She still couldn't think it through even after she was locked in the dungeons.

Her mind was a bit confused until Lin Dong Xue who was across from her told her the truth.

“Big brother, should have really fallen in love with Yue Cai Zhi.” Lin Dong Xue's voice wasn't heavy at all, rather it was quite relaxed.

It had to be said, he felt that Lin Nan Yi's eyes had become worse.

It wasn't as good as before.....

“No!” She knitted her brows and leaned against the wall. She had her hand crossed as she proudly pursed her lips.

“I've seen big brother's eyes before when you stabbed out earlier.” He thoughtfully looked at Luo Qing Chen, “It was when you poisoned him.”

“Don't say it.....” She knitted her brows in an annoyed manner, not liking to hear these words.

Especially at this time when she still believed that Lin Nan Yi had done this because he fell in love with Yue Cai Zhi.

Definitely not.....

“Ze, ze.” Lin Dong Xue had an unknown sadness in his heart as he looked at her with a bitter smile, “You like big brother like this now, didn't you want him to die before?”

“Can't people change?” She softly said, calmly looking at Lin Dong Xue, “For example, you don't like Yue Cai Zhi now, right?”

“Un humph.” He gave a shrug and looked away, looking somewhere else as he said, “Would you believe it if I said I like you now?”

“I believe!” Luo Qing Chen seriously looked at him and said word for word, “But I don't like you.”

“Ai, this person!” Lin Dong Xue pretended to be angry as he looked at her, “I was imprisoned because of you!”

“Ke, ke.....” She cleared her throat and revealed a faint smile, “If one of us must die, I’ll die for you! But.....there are some things that I believe that being firm is better since it won’t always hurt someone.”

Chapter 1569: Foolish ruler in the way: How many times do you want to be assassinated? (Part 53)

In the world of love, don’t the people you don’t love any hope. That wasn’t called kindness, it was called cruelty.

To put it in modern words, it should be: Don’t be ambiguous, you’ll hurt others and yourself.

“You really are different from her.” After a while, Lin Nan Yi narrowed his eyes and looked at her with a gentle gaze, “Your smile is good.”

“Ah?”

“Un humph, I just saw your smile.” Lin Dong Xue seriously said, “Suddenly I feel a bit jealous of my big brother.”

“Could it be that you weren’t jealous before?” In this prison, hearing Lin Dong Xue’s words, she felt a bit comforted.

The boredom from before was a bit gone.

“Before?” Lin Dong Xue came back to his senses and thought for a bit before saying, “I was also jealous before, but it was different from now.”

“It’d be better if there was wine.” Luo Qing Chen said with a chuckle, “Drinking heals all pains.....”

—

At the same time, in the Supreme Harmony Hall.

There were only two people in the hall, Lin Nan Yi and imperial tutor Yue. After the doctor wrapped up his wound, he sent everyone away.

“Imperial tutor Yue, there are some things this one won’t say and you should hand over.” Lin Nan Yi’s voice was very cold, without a trace of warmth.

Imperial tutor Yue revealed a sinister smile and cupped his hands, “This old minister still wants to see my daughter in the harem and that woman in the prison head off to the underworld. That way this old minister will be assured!”

“You.....” Lin Nan Yi narrowed his cold eyes with a layer of mist over them as he said through gritted teeth, “It’s impossible for this one to kill her to save her mother and little brother. Since imperial tutor Yue insists on doing this, then you can let her mother and little brother die! This one will immediately take her as empress.”

“Among the ministers, how many people will support the emperor, the emperor should be clear on this.” Imperial tutor Yue narrowed his eyes and said, “If the emperor will not kill the captured princess, she must leave Long Peace at least. This old minister does not want his daughter to fall into any danger.”

The imperial court was split in three forces and with the appearance of Luo Qing Chen, Lin Nan Yi's force gradually weakened.

The ministers who support Lin Nan Yi couldn't accept a captured princess trying to assassinate the emperor again and again.

This was an insult to the court!

But Lin Nan Yi wouldn't kill this woman even if he died.

This choice had made him lose much of his support. It was at this moment that imperial tutor Yue did something despicable against Luo Qing Chen's imprisoned mother and little brother.....he poisoned them.

It was a strange poison from the west and only the one who used the poison had the antidote.

He didn't tell Luo Qing Chen about this.

He was planning on using great general Meng Hun to make imperial tutor Yue submit, but he never thought that while his plan was still in progress, Luo Qing Chen would charge into the Mirror Moon Hall alone.

"Alright, this one agrees." Lin Nan Yi narrowed his eyes, "She will leave the palace the day this one marries Yue Cai Zhi."

"This old minister will also deliver the antidote at this time." Imperial tutor Yue gave two laughs, "This old minister has another suggestion, it's to let the captured princess' mother and little brother leave together with her. After all, if they remain in Long Peace, this old minister is worried that Cai Zhi will see them as an eyesore!"

"Ha, ha, ha, ha, ha!"

When his voice fell, imperial tutor Yue's terrible laugh rang out.

Lin Nan Yi clenched his fists and his eyes flickered. At this moment, there was an unknown smile that curled on his lips.

Chapter 1570: Foolish ruler in the way: How many times do you want to be assassinated? (Part 54)

Three days later, the news that Lin Nan Yi would marry Yue Cai Zhi was announced.

The harem girls weren't convinced since in their eyes, Yue Cai Zhi no matter what couldn't match the captured princess in the cold palace.

After all, after knowing each other for several months, Luo Qing Chen had made many friends while doing business.

"Sisters, how about we go to the prison to save her?"

"Are you crazy! I won't go....."

“There are old and young in my family and I’m weak, how can I go?”

“That’s right! Ai, I don’t know why I can’t stand that Yue Cai Zhi!”

“Shh, be quiet! She’ll be the empress in the future!”

.....

At the same time, in the jail.

Wen De came with a decree, looking over Luo Qing Chen before looking at Lin Dong Xue.

“The heavens bring the emperor’s decree.....”

“Minister Wen De, there’s no need for this polite talk.” Lin Dong Xue waved his hand, “Just get to the main point! What does big brother want to do?”

Wen De gave a soft sigh, “The emperor wants this old servant to release your highness.”

“What about Qing Chen?” He knitted his brows as a bit of worry appeared in his eyes.

“Miss Luo.....The emperor has his own arrangements.” Wen De opened the door to Lin Dong Xue’s cell and bent over to say, “Your highness, please.”

“Don’t worry, I’ll go find big brother.” Lin Dong Xue looked at her with a serious look.

Luo Qing Chen waved her hand and softly replied.

Half an hour later, Wen De came back to the prison.

This time, he had a hood and tape in his right hand and a cup of wine in his right hand as he slowly walked in.

He sent everyone away and looked at Luo Qing Chen, “Miss Luo, the emperor can’t keep you here.”

She looked at the wine in the cup before giving a helpless cold laugh, “When I was locked in here three days ago, I told Lin Dong Xue that a bit of wine would solve all my troubles. Now it seems like it really can solve all my troubles.”

Wen De gave a long sigh, “The emperor asks your highness to forgive him, he didn’t tell you before deciding this matter.”

“What is there to say, he’s already made his decision, hasn’t he?” She bit her lips and her tears were about to fall down.

Actually, she could run, she could live.

But what if she ran away? Failing the mission and living in this world?

Since she lost Lin Nan Yi and he wanted her to die, should he be willing to accept this?

This was the first time she felt unwilling, but who could she blame?

Yue Cai Zhi? How was she different from the other scheming supporting female leads of the other worlds?

Un, there were some differences.

The scheming supporting female leads of the other worlds didn't have the male lead protecting them and she.....had Lin Nan Yi.....

"Yes." Wen De lowered his head and handed her the wine, "I ask your highness not to make this hard for this old servant."

"He, he." With a cold laugh, she looked up at Wen De with traces of tears in her red eyes, "I have a few words for you to tell him."

"Your highness, please."

"If everything can start over again, I hope that he wouldn't give me his 80% affection, but rather his 100% hatred."

If possible, please take back the love and give her hate.

She raised the cup of wine which was filled to the top and drank it all after closing her eyes.

She suddenly felt like she was like the previous host, but they were still different.

She had done all she could, but she had still lost.

She lost to Lin Nan Yi, she couldn't do a thing.

The crystalline tears slowly fell with all her thoughts, leaving.....only hatred and unwillingness.
