Chapter 1671: Stunned! I am the evil female lead (Part 9)

The next morning, she woke up on time at eight. As a second year in high school, even if it was the weekend, she still had to go to school.

The previous host had a car, so she drove herself to the school.

The Star Royal Academy was a first class private academy, so many people drove to school each day.

Especially Luo Qing Chen who was a rich person among rich people. Not only did she drive her car in, she even had a special parking spot.

Of course, people like Pei Dan Dan could only take the bus to school.

But recently Jiang Yi Liang had been driving her to school.

Luo Qing Chen felt the previous host was pitiful when she thought of this. After all, she had wanted to sit in Jiang Yi Liang's car so much before.

It was a pity that she never had a chance.

Luo Qing Chen's parking spot was 33 and Jiang Yi Liang's was 32. She used to wait here to sneak a peek at Jiang Yi Liang.

But what she got would always be him and Pei Dan Dan exchanging soft whispers.

As a result, she felt very uncomfortable sitting here and felt very depressed in her heart.

This feeling should be from the previous host.....

After parking her car, she put her hands into her pocket and put on her expensive backpack before heading forward without even looking back.

Jiang Yi Liang silently looked at her before quickly looking away.

But.....It was noticed by Pei Dan Dan.

"What is it?" It was like she could see through his thoughts and she whispered in his ear, "If you feel it's strange, just ask about it!"

The luckiest thing in Pei Dan Dan's life was meeting Jiang Yi Liang because he made her feel a warmth that she had never felt before.

Although she always knew that Jiang Yi Liang had a fiancée named Luo Qing Chen, she also knew that Jiang Yi Liang didn't like her at all, even hating her.

She didn't feel any hostility towards Luo Qing Chen, she just felt a bit uncomfortable.

After all, there was no woman in this world willing to share their man.

Luo Qing Chen wasn't willing, naturally Pei Dan Dan also wasn't willing.

She wasn't willing to see how Jiang Yi Liang had looked at Luo Qing Chen.

She was a smart girl and knew that when a man had this kind of inquisitive gaze towards a girl, he would become more curious and would want to approach her.

In the past, Jiang Yi Liang had looked at her like this, so she was very clear on this.

"Her?" Jiang Yi Liang took her hand and had a faint sparkle in his eyes, "The way she's acting is what I dream of."

"But you really aren't curious at all?" Pei Dan Dan casually said, "She used to come to the door of our commoner classroom as soon as class was over....."

"She went there to cause you trouble?" Jiang Yi Liang's throbbing heart suddenly filled with disappointment. He seriously looked at Pei Dan Dan and asked, "If she does anything to you, tell me!"

"No.....She didn't." Pei Dan Dan shook her head and gave a sigh, "It isn't just her who doesn't like me at this school. However, since you've chosen me, I can take the cold treatment from those people."

She looked down a bit. Although she felt a bit aggrieved, she didn't say anything else.

Jiang Yi Liang felt pained looking at her and tightly held her hand, "Relax, I, Jiang Yi Liang guarantee that I definitely won't let Luo Qing Chen bully you! Not only her, I guarantee that no one in the Star Royal Academy will bully you! You are my Jiang Yi Liang's woman!"

Pei Dan Dan revealed a gentle smile as she looked at him, "I feel that everything is worth it if you say this, it really is good having you!"

Chapter 1672: Stunned! I am the evil female lead (Part 10)

Actually, she was much happier deep down than on the surface. She knew why, but she didn't admit it.

There was probably a bit of anger left because Jiang Yi Liang was a bit curious about Luo Qing Chen.

Second year, class A.

The autumn scent filled the air and leaves fell one by one outside. With a breeze, they floated into the classroom and landed on her textbook.

Two minutes before class, Jiang Yi Liang slowly came over. His expression didn't look good as he walked over to where she was.

Because class A mainly had people who liked to laze around, although they couldn't help looking up when Jiang Yi Liang came in, they weren't as excited as people in the other classes.

When Su Man who was sitting behind Luo Qing Chen saw Jiang Yi Liang coming over, she quickly sat up. She was always ready to show her most beautiful side to her male god.

Luo Qing Chen was currently talking to Mo Ze Chen on QQ, it was night in America where he was.

Shen Zhe: It's a bit boring.

Although it was only four short words, Mo Ze Chen hesitated a long time before sending them.

Finally his hand trembled and he sent them.

Little Fairy Qing Qing: It's this late, why aren't you asleep?

As soon as she got the message, Luo Qing Chen immediately replied. After all, if the male lead was calling, she would be ready at any time.

Shen Zhe: I'm adjusting to the time difference ahead of time.

Luo Qing Chen didn't notice someone coming over and had her head down as she kept typing.

Then there was a tall figure that was standing in front of her before she could even send the message.

The other side had a very familiar scent, one that was very beautiful for the previous host.

She quickly hid her iPhone X and looked up at this figure.

"Luo Qing Chen, I think I must make it clear to you." Jiang Yi Liang's voice wasn't light or heavy, but there was an absolute chill to it.

He had accidentally seen Luo Qing Chen's message and had quickly taken a peek.

'It's this late, why aren't you asleep?' She was talking to someone else.

It was the middle of the day, she must be sending this to someone who was abroad.

Could it be that it was because of this person that Luo Qing Chen's personality had suddenly changed?

After Jiang Yi Liang's words, everyone in the class looked over.

She narrowed her eyes and a look that made it hard for her not to fight back appeared. She slowly stood up with her hands in her pockets, "Oh, if it isn't classmate Jiang, what do you need?"

She leaned against the wall next to the window, narrowing her eyes as she coldly looked at Jiang Yi Liang.

She could clearly tell that he came with bad intentions.

"You.....and your dog friends aren't allowed to approach Dan Dan from this day forth. You know in your hearts what you've done." When Jiang Yi Liang said these words, Su Man behind her shrunk her head back, completely different from how she was sitting up earlier.

All the classmates took a cold breath. Luo Qing Chen, Jiang Yi Liang, Pei Dan Dan, there were all kinds of rumours in the school about this love triangle.

Of course, most people were standing on Luo Qing Chen's side. After all, the people of this private school looked down on commoners like Pei Dan Dan.

In their hearts, Pei Dan Dan naturally couldn't match Jiang Yi Liang.

"Un humph?" Luo Qing Chen gave a cold snort before revealing a cold smile, "I want to give you two choices right now."

"What did you say?" He knitted his brows as his eyes filled with a trace of doubt.

Luo Qing Chen said with a grin, "One, you can close your mouth. Two, we'll go fight right now, let's not waste words if we can fight, alright?"

Chapter 1673: Stunned! I am the evil female lead (Part 11)

Everyone looked at Luo Qing Chen in that instant.

She tapped her left hand on the table out of habit and narrowed her eyes, revealing a calm look.

But her words were so shocking, she was simply going against Jiang Yi Liang.

Moreover, she didn't give any face to her fiancée at all.

At this time, the people who loved to gossip couldn't take their curiosity and began whispering with each other.

"God, did Luo Qing Chen eat the wrong medicine? Didn't she always follow school hunk Jiang before?"

"Right, right! I've never seen her talk to school hunk Jiang like this before. Moreover, I feel that she was a bit handsome when she said this!"

"She's probably given up! After all, this is clearly an engagement between their families, if there was a commoner who suddenly came in, I wouldn't be happy either!"

.....

Actually, although Luo Qing Chen looked calm on the surface, she was boiling underneath!

Damn! So angry, so angry that I'm about to burst!

Why was this supporting male lead not screaming, couldn't he tell from her eyes that she was very impatient?

Although she didn't know if Jiang Yi Liang could see it or not, she could tell that the look in the other side's eyes gave her the emotions she wanted.

Stunned, confusion, anger, and unable to refute her!

"I don't hit girls, but don't you force me." Jiang Yi Liang narrowed his cold eyes as a chill came from him, almost freezing everyone around him.

At that moment, he had been completely stunned by her words and couldn't react.

Luo Qing Chen gave a casual shrug as she looked at him, "Don't, don't, don't, I don't think you can beat me."

"Luo Qing Chen." He gritted his teeth as he roared this and his eyes filled with rage.

"Jiang Yi Liang, don't think too highly of yourself." Luo Qing Chen said with a faint smile, "Your position in my heart is nothing right now."

As soon as her voice fell, her smile disappeared and her eyes turned cold. She asked herself if her words were harsh enough and hoped that this Jiang Yi Liang in front of her would understand.

Jiang Yi Liang was stunned for two seconds before coming to his senses, "Then you don't need to apologize for the shameful things you did before?"

Anger and unwillingness filled his heart. He could feel his cheeks becoming a bit warm and he couldn't control what he was saying.

This feeling, this was his first time feeling it ever.

The first time, the first time, the first time, it was actually because of Luo Qing Chen.

"Yo, yo, yo!" Luo Qing Chen had a smile of disdain as she said, "Classmate Jiang's memory really is bad, you just said 'from this day forth'."

"You....."

"Also, if you want to stand up for Pei Dan Dan, don't come looking for me because this treasure is busy and has no time for an infatuated couple like you." Luo Qing Chen cut off what Jiang Yi Liang wanted to say, "As for our strange engagement, if you feel embarrassed, you can just tell uncle and auntie that I was the one who broke it."

Jiang Yi Liang fell into silence.

He no longer said anything unreasonable and seriously looked at her.

That gaze had never been seen in the memories of the previous host before.

"Ke, ke." The teacher standing at the podium in front cleared her throat. Seeing that this 'battle' was over, she finally dared to say, "That, student Jiang, student Luo, it's time for class now....."

"Got it, teacher!" Luo Qing Chen gave a soft snort. She didn't even spare Jiang Yi Liang a glance as she sat down.

Chapter 1674: Stunned! I am the evil female lead (Part 12)

Jiang Yi Liang looked away and slowly sat back down at his desk.

After sitting down, he couldn't help secretly looking at Luo Qing Chen.

The autumn sun fell onto her maroon slightly curled hair and he suddenly felt that she looked so dazzling.

So dazzling that he couldn't admit it and he wasn't willing to admit it.

The teacher at the podium looked very awkward. Although it was time for class, Jiang Yi Liang and Luo Qing Chen were important people that she couldn't offend.

Thinking about it, being the teacher for class A was already very frightening.

After all, the chairman's son would be coming back on Monday and he would definitely be in class A.

After class, Su Man quickly came over and grabbed her hand as she asked, "Qing Chen, is this a strategy? I feel.....that it's working."

She was sitting in the back row and she could clearly see that during class, Jiang Yi Liang took several looks in Luo Qing Chen's direction.

This would have never happened before.,

"Su Man, I've always known that you have a crush on classmate Jiang." Luo Qing Chen slowly looked at her and said, "Go and chase him if you want, there's no me in front of you!"

Su Man was stunned before quickly shaking her head, "No.....No.....I just want to help you....."

"I don't need you to help me and this isn't a plan." She patted her chest as she said, "Everything I said is so serious that it can't be anymore serious!"

As soon as her voice fell, she slowly stood up and patted her shoulder, "Good luck! I'm going to the library."

Su Man wasn't a reliable friend. Although she didn't do anything bad to her, in another world, when everyone was against the previous host, she had stood on the opposite side without any hesitation.

Quite decisive!

These people were only friends on the surface. There was no problem to act a bit, but it was impossible to connect on a deeper level.

It was only a five minute walk to the library, but she was the center of attention along the way and there were many rumours that she could hear around her.

One of them was someone who claimed to be "Star Royal Academy's" reporter Yu Zi Jun. He held his phone as a mic as he came forward to say, "Beautiful classmate Luo, can you give me three minutes and do a simple interview with our gossip club?"

"Impossible!" Luo Qing Chen coldly said this word and started moving faster!

What was with this school and what gossip club? Are you playing me?

"It's just two or three minutes!" Yi Zi Jun was very professional and directly started recording with his phone.

"No! No time! Goodbye!" Luo Qing Chen seriously shook her head, "Please ask another classmate, alright?"

"But....." Qi Zi Jun pouted his lips and his voice choked up as tears appeared, as if they were about to come out at any second.

To be honest, Luo Qing Chen hated seeing people, especially a grown man crying in front of her!

She was already dazzling enough and now there was a Qi Zi Jun crying. She was like a million watt bulb that was shining in the school.

"Stop." Luo Qing Chen crossed and said with a helpless look, "I'll give you one minute, ask quickly."

“Alright, let’s get to the topic!” Qi Zi Jun’s choked up voice disappeared and even the tears seemed to flow back into his eyes!

This act.....really was amazing!

Chapter 1675: Stunned! I am the evil female lead (Part 13)

“Quickly ask, this treasure really is busy!” Since she already agreed, it didn’t matter if they used some trick, she still had to give that minute.

“First question: May I ask if classmate Luo had a quarrel with school hunk Jiang today?”

“It’s called a discussion, I normally don’t argue, especially with insignificant people.”

—

“Second question: Did you cancel your engagement with school hunk Jiang because of Pei Dan Dan?”

“That is my decision, it’s because this treasure doesn’t like him! As for whether it’s intervening or not, don’t you all know?”

—

“Third question: Do you have anything to say to school hunk Jiang who you loved before?”

“I’m sorry, I never loved him.”

—

“Fourth question.....”

“Little brother, it’s already been a minute, alright?” Luo Qing Chen waved the phone in her hand, “I cooperated with you, could it be that you won’t work with me?”

Qi Zi Jun quickly gave a bow with a smile, “Many thanks for big sister’s cooperation!”

There had been many people taking photos of her and making recordings, most of them were just people who loved to gossip.

There were some that didn’t understand or they didn’t mind the matters of others and they didn’t gossip.

“No need!” As soon as her voice fell, Luo Qing Chen was prepared to leave when there was a student covered in blood that came over.

Luo Qing Chen knitted her brows and immediately asked, “What is it? Are you injured?”

“No.....It’s not me! I’m going to the infirmary to find a doctor. There was a classmate in our class that was impaled in the chest by a pole because they tried to jump over the school walls.” That person was panicking as their hands kept trembling.

“Bring me over to take a look, someone else can go to the infirmary.” Luo Qing Chen pulled that girl by the hand as she asked, “Did you call an ambulance?”

“We did, but it’s rush hour now and the roads are blocked.” That person was still a bit panicked, but she followed Luo Qing Chen without hesitation.

By the low wall near the basketball court to the east, there was a large crowd gathered. Luo Qing Chen knitted her brows and quickly found a hidden place as she took out the universal medicine box from her storage space.

Then she squeezed right through the crowd.

Without knowing why, since she got her medical skills, she was a bit obsessed with saving people, which was a challenge for her.

The one in a pool of blood was a slightly chubby man with a rod that was ten centimeters deep into his chest. It didn’t look like it was made of iron, but rather it was made of steel.

The school basketball court had been renovated recently, so these things could be seen near the east walls.

She quickly took out her stethoscope and knitted her brows.

Everyone around immediately looked at her since she was a subject for discussion in the school.

The stethoscope had suddenly appeared which was very strange.

“It’s the vena cava.....there is bleeding around the vein.....”

“You.....You are a doctor?” The woman beside the man was crying, like she was his girlfriend.

“Un.” Luo Qing Chen casually said, “His vital signs are dropping and if we don’t pull out the metal pole now, he won’t last more than ten minutes.”

“What?” The girl cried out before grabbing her sleeves while crying, “Can you save him.....We just started dating.....There are still many promises that we haven’t kept yet.....We.....We.....”

Chapter 1676: Stunned! I am the evil female lead (Part 14)

“This classmate, look into my eyes.” Luo Qing Chen quickly took out the hemostatic forceps and the alcohol from the medical box as she seriously looked into the girl’s eyes.

“I.....I.....” Her voice was already trembling so much that she couldn’t speak properly, but she still nodded.

“What is your name?” Luo Qing Chen looked at her with eyes as calm as water.

“I am.....I am.....”

“Slowly, one word at a time.”

“Gu.....Gu You.”

After stuttering for a while, the girl finally said her full name.

Luo Qing Chen patted her on the shoulder and said with a smile, "Very good, don't be nervous. He can be saved as long as you follow what I say."

"Alright!" She gave a strong nod.

Luo Qing Chen could tell that she was very nervous. Her tears kept falling and her lips continued to quiver.

Many people couldn't understand, but Luo Qing Chen could because she had experienced this many more times than them.

When the life of one's most important person was disappearing bit by bit, one had to have a very strong heart to make the best decision.

At the same time, at the basketball court on the west side of campus.

Jiang Yi Liang missed several three point shots, knitting his brows, clearly looking a bit worried.

Pei Dan Dan sitting on the bench on the side could see his worry and she knew why it was.

There was some news that came from class A and there were people who recorded the interview in the courtyard.

Although it was quickly deleted, she had still seen it.

That indifferent and arrogant Luo Qing Chen who didn't put Jiang Yi Liang in her eyes filled her with disbelief.

If she hadn't see the video with her own eyes, she never would have believed it even if she was beaten to death that Luo Qing Chen would say such things about Jiang Yi Liang.

"Deng!" There was another three point shot that missed the basket.

He waved his hand and didn't plan on continuing to play.

When he was about to move over to Pei Dan Dan, there was a Qi Zi Jun that appeared.

He wasn't standing very close to Jiang Yi Liang, so he could only tentatively ask, "Is there any male lead that is willing to accept the visit of the gossip club? I want to verify if what classmate Luo said is true....."

His voice wasn't soft or loud, he was already prepared to run away.

After all, a star like Jiang Yi Liang was not someone he could mess with!

But he had to do this task from the gossip club's president, so he could only steel himself!

Jiang Yi Liang didn't plan on stopping, but he couldn't help stopping when he heard that Luo Qing Chen already agreed to the interview.

"What did she say?" He narrowed his eyes as he looked at Qi Zi Jun in front of him with a faint smile.

Pei Dan Dan quickly came forward and said, "You can relax, Yi Liang won't do anything."

“Thank you, beauty.” Qi Zi Jun was trembling as he came over with his phone, “There’s a recording here, I just want to confirm if what she said was true.”

‘It’s called a discussion, I normally don’t argue, especially with insignificant people.’

‘That is my decision, it’s because this treasure doesn’t like him! As for whether it’s intervening or not, don’t you all know?’

‘I’m sorry, I never loved him.’

Never loved!

Never loved!

Never loved!

Those words were like a nightmare that kept echoing in his mind.

That strange unhappy feeling kept spreading across his heart.

This giant change made him unable to accept it.

What happened to him? Even he didn’t know.....

Chapter 1677: Stunned! I am the evil female lead (Part 15)

“Where is she?” Jiang Yi Liang curled his lips like he was looking for an excuse, “Dan Dan never needing to interfere, that isn’t right!”

Pei Dan Dan on the side saw this and quickly pulled at his sleeve before turning to Qi Zi Jun, “It’s nothing, what she said is the truth.”

“Who says it’s the truth!” Jiang Yi Liang immediately shouted with an unwilling anger in his voice.

Pei Dan Dan jumped back in fear. She had known Jiang Yi Liang for this long, but she had never seen him this angry before.

It was like he was angry at her and angry at himself.

Why?

Was it the sentence never interfering or.....never loving.

Pei Dan Dan was a smart person, but she was frozen at this moment.

“For.....Forget it.” Pei Dan Dan took the phone from him to give back to Qi Zi Jun before saying, “Let’s go get something to eat, I want to eat hot pot today.”

Jiang Yi Liang heard this and he knitted his brows. He said with flickering eyes, “I won’t let her say this about you, you didn’t interfere with us.....you didn’t!”

As soon as his voice fell, before Pei Dan Dan could say anything, he asked Qi Zi Jun “Where is she? Did you see her?”

“The east basketball court.....There was someone hurt there and she rushed over as soon as she heard!” Qi Zi Jun said this before instantly fleeing.

Jiang Yi Liang narrowed his eyes and looked to the east, heading in that direction without another word.

Pei Dan Dan was taken aback and she wanted to say something, but she didn't know what to say.

Jiang Yi Liang had given a very good reason, he had to go for her.

But in reality.....she didn't want to go.

—

On the other side, Luo Qing Chen seriously looked into Gu You's eyes, “Xiao You, I have a few short questions for you. Tell me right away if you know them, alright? Believe me, I will think of a way to save him.”

“Alright.....Alright.....”

“What is your boyfriend's name?”

“Ding.....Yang.”

“Do you know your boyfriend's blood type?”

“O.....O!”

“Weight?”

“It should be one hundred and sixty pounds.”

“Alright.” Luo Qing Chen nodded before turning to one of the boys taking a video with his phone, “That guy over there in the black jacket, stop filming. Quickly call the 120 emergency center, the patient is a one hundred and sixty pound male with O type blood, make sure they have it ready.”

The boy in the black jacket almost dropped his phone when he was called, but then he quickly said, “Alright, alright!”

When she turned back, she felt her head hurt and her heart tense.

She bit her lip and ignored it. She immediately said to the other boys on the side, “If you can, come over and help.”

Everyone looked at each other, but when they looked at Ding Yang whose face was completely pale, these people with 'good' natures, only four men came forward.

“Listen to me, Ding Yang's steel bar is inserted through his vena cava and he is bleeding, so there is only one way to save him.” Luo Qing Chen narrowed her eyes, “I will pull out the steel bar and immediately stop the bleeding.”

“What? You.....You can't.” Gu You nervously shook her head, “He will bleed to death.....”

“The ambulance will only get here in another fifteen minutes at the earliest.” Luo Qing Chen slapped the ground with her right hand and blood splashed up. She knitted her brows and said, “He will definitely die if he continues to bleed for another five minutes.”

Chapter 1678: Stunned! I am the evil female lead (Part 16)

“But.....But I.....” Gu You couldn’t decide and she was trembling.

At this time, there was a familiar voice that came from behind.

It was from.....Jiang Yi Liang.

“She’s right, it should be more than 1000 ccs based on how much he has already bled.”

“That is obvious, there’s no need to repeat.” Luo Qing Chen knitted her brows. Although she didn’t turn back, she could see Pei Dan Dan from the corner of her eyes.

At such a dangerous time, she really wasn’t ashamed to complain!

She immediately turned to look at Gu You, “Severe hemorrhagic shock occurs from bleeding from the vena cava for six to ten minutes. After this rod is pulled out, there will be a large loss of blood and can even cause irreversible cerebral damage.”

Luo Qing Chen paused before looking at her, “It’s your choice, I’ve told you the worst case scenario, so it’s all up to you.”

There were whispers all around them before, but it all stopped now.

Everyone could tell how serious it was and they all put down their phones.

After a while, Gu You suddenly looked up at her, “I’ll listen to you!”

“Relax, I will definitely find the location of the bleeding in two minutes.”

The doctor from the infirmary stood on the side, clearly not knowing what to do.

He could understand what Luo Qing Chen was saying, but there weren’t that many people who could find the location of the bleeding in just two minutes. Not to mention A City, there weren’t that many in the entire country.

This was something that only the most experienced doctors could do.

Jiang Yi Liang narrowed his eyes. He looked at Luo Qing Chen squatted on the ground covered in blood with a deep look.

This person was scared of blood since they were young and at this moment, she was doing something that normal people couldn’t do.

He suddenly didn’t hate her that much.

Luo Qing Chen had the boy helping on the side hold the gauze and the saline solution, while she held the scalpel and the hemostats.

“Get ready.” Luo Qing Chen looked at them and said, “1, 2, 3, pull!”

Blood suddenly splattered all around them.

The moon white uniform and that white as snow face was covered in blood.

The young girl’s eyes had been on the wound the entire time, never changing.

“Gauze, gauze.” Luo Qing Chen almost roared out before muttering, “It’s the vena cava, it is indeed the vena cava.”

She quickly found the location of bleeding and used the hemostats to hold it closed.

“Di, da, di, da, di, da.” Eight minutes later, the ambulance arrived.

Luo Qing Chen was still tightly holding the hemostats in place.

“You did very well, there was a boy who already explained the situation along the way....” The doctor saw her holding the vena cava with the hemostats and was taken aback. What he wanted to say was stuck in his throat and he couldn’t say a thing.

“Open up the venae connection and use the saline solution to maintain blood pressure.” Luo Qing Chen knitted her brows, then she turned to the nurse behind the doctor, “Bring the patient into the ambulance and prepare the operating room.”

“Al....Alright! Quickly, quickly put the patient in the ambulance.”

When the nurse said this, the doctor in front of her came back to his senses and he immediately said, “The O type blood transfusion is already prepared.”

As soon as his voice fell, he carefully took the hemostats from Luo Qing Chen and brought Ding Yang into the car.

“Can I....Can I go with you?”

“You are?”

“She is the patient’s girlfriend.”

“?” The doctor was stunned as he asked in a surprised voice, “Then you are?”

Chapter 1679: Stunned! I am the evil female lead (Part 17)

The doctor was very shocked and a bit unconvinced.

After all, there weren’t even that many powerful people like her in the Sea Court Hospital.

He was a bit dissatisfied, so his tone wasn’t that good.

With an evening breeze, the clothes covered in blood and her body covered in blood was quite cold.

She looked up at him and said, "Luo Gu Du on the Sea Court Hospital's board of directors is my father, who do you think I am?" She was no longer a divine doctor, but one of the members of the A City's four great families, the young miss of the Luo Family.

The doctor was stunned before immediately laughing along, "So it was young miss Luo, no wonder you were this skilled. Your technique could be considered bringing a life back with a single gold needle. Ha, ha, ha, ha, ha, ha, ha."

Then there was an awkward laugh. Luo Qing Chen was too lazy to care and took out a pen and paper from the chest of his white coat, "The sharp object entered the left chest and pierced the vena cava causing over 1000 ccs of bleeding. The blood pressure is low and the heart rate is unstable."

After writing this, she looked up and said, "I can only do this much."

"Alright!" The doctor gave quick nods before entering the ambulance.

Luo Qing Chen narrowed her eyes as her head was covered in sweat and her heart was beating fast.

She felt that there was something wrong with her, or perhaps it could be said that the previous host's body was a bit strange.

It was like.....

"Di, da, di, da, di, da."

When the ambulance left, the crowd around them broke out in applause.

Luo Qing Chen was scared by this applause as she looked around, seeing that everyone had a look of admiration.

At this time, there was a familiar and annoying voice that sounded that had a doubtful tone, "Weren't you.....afraid of blood?"

Although he wasn't willing to pay attention to Luo Qing Chen, she was still his childhood friend. He still knew that she was scared of blood.

"If you feel uncomfortable, you can go to the infirmary." Pei Dan Dan didn't forget to say this. Her tone was a bit strange, there was still concern, but the tone—— "Ze, ze, ze." Luo Qing Chen turned around and put her hands in her pocket. She didn't even bother looking at Pei Dan Dan as she directly looked at Jiang Yi Liang, "Classmate Jiang, please don't show up wherever I go or I will think....."

He was stunned and awkwardly looked away. At that moment, he forgot why he came here and rather felt strangely nervous.

"Wh.....What?"

She gave a soft snort and said, "That you have a crush on me."

"Hey! Stop joking alright?" Jiang Yi Liang immediately said as a bit of nervousness appeared in his eyes.

He had a crush on her? Was there a mistake? She had always been the one who had been clinging to him, alright?

He only had hatred for her, not to mention a crush. He wasn't even willing to look at her.

In his eyes, what he expected was a love that was perfect and not a match made by their families.

So he was destined to hate Luo Qing Chen.

He used to think that her and Pei Dan Dan were worlds apart. She didn't have any merits, was arrogant, and seemed disgusting. But today, when he saw her focused on saving that person with that first class medical ability.

She had saved someone from the edge of death just like that.

She didn't have any brand clothes on and was covered in blood, looking a bit dirty.

But even so, she was indeed that dazzling at this moment.

Chapter 1680: Stunned! I am the evil female lead (Part 18)

The news about Luo Qing Chen saving someone spread in just a single afternoon. There were many rumours and Luo Qing Chen had already heard quite a few different versions.

She could hear all kinds of whispers from the people gossiping at the MacDonald's outside the school gate.

"Did you hear? That Luo Family young miss not only rebuked school hunk Jiang, she also saved someone in an exaggerated manner!"

"It really is eye opening, like she can do everything!"

"It can't be that she embellished this to chase school hunk Jiang, right!"

"I don't think so, she might have transmigrated!"

.....

After hearing the final sentence, she couldn't help spitting out the mash potatoes in her mouth.

Were the brains of kids this empty now? Did they read too many webnovels from Glazed Glass and had these wild ideas.....

When she came home, there was a message from her mother.

(The four great families will be gathering tomorrow, we'll be at the Marriott Mountain Villa for three days! Bring someone if you want. ☺?☺)

Luo Qing Chen was a bit shocked when she got this text and even checked the number several times.

It was indeed from the previous host's mother!

Looking at this text, she couldn't help muttering: Damn, are parents this cute now? They even know how to send emotes?

After a simple response, she began packing the things she needed while also taking a leave of absence.

The teacher immediately replied saying that she had to take care of herself. As long as she was happy, it didn't matter if she took thirteen days off.

Luo Qing Chen finally felt the difference between a normal teacher and a teacher at a private school!

It was like heaven and earth!

The next morning, she got up not late or early. The driver was already waiting for her downstairs. She had a limited edition LV suitcase and was dressed in brand clothing, looking especially dazzling.

She looked at herself before going out and she was 100% a beauty. To be honest, the previous host was not just a little bit more beautiful than Pei Dan Dan, she didn't know what was wrong with Jiang Yi Liang's eyes.

Could it be.....he cared more about what was on the inside?

"Ding dong."

When she got in the car, there was a notification from her phone.

Opening it, she saw that it was from Mo Ze Chen's QQ.

Shen Zhe: I'm off the plane.

"Damn!"

"Young miss, what is it?" The driver was scared by her sudden cry and quickly asked this.

Luo Qing Chen shook her head, "It's, it's nothing. Just focus on driving, safety comes first."

As soon as her voice fell, she quickly replied on her phone.

Little Fairy Qing Qing: You're at the airport?

Shen Zhe: I got off the plane two hours ago.

Little Fairy Qing Qing: I should pick you up since you're a guest from afar, but I'm busy today.

Shen Zhe: No need, just do what you need to do.

Luo Qing Chen's lips curled as she thought: This was a considerate male lead.

The Marriott Mountain Villa wasn't far, it was just an hour by car. When she arrived, she met Jiang Yi Liang who was also from one of the four great families.

Of course, he brought someone. He didn't care about uncle Jiang's face at all and brought someone who didn't belong here.

It had to be known that a single day at the Marriott Mountain Villa was a year's worth of living expenses for Pei Dan Dan, this definitely wasn't an exaggeration.

Luo Qing Chen put on some dark sunglasses and casually walked out when the driver opened the door.

Through the sunglasses, she looked over Pei Dan Dan. She was in a pink dress, which was part of Chanel's autumn and winter collection.

Only she didn't know if Pei Dan Dan's face could really match this dress.

Because she also had one and she had brought it along.
