### Chapter 1681: Stunned! I am the evil female lead (Part 19)

Jiang Yi Liang looked at her with deep eyes as if he wanted to say something, but he found that he didn't have anything other than bad things to say about Luo Qing Chen.

This seemed to be some kind of instinct, he had never been good to her.

"Isn't this Xiao Qing?" Jiang Yi Bai saw her immediately when he came out and revealed a happy look.

It was the same for Mrs Jiang standing beside him. When she saw Luo Qing Chen, she happily came over.

For them, the Jiang and Luo Families had always been friends. She was the only one that deserved to be with Jiang Yi Liang, not a Pei Dan Dan without any status.

Although Luo Qing Chen didn't approve of this view, she did feel comfortable in her heart.

Could it be that the people in this world made her unknowingly evil?

But she knew that this was not the case.

The large part of why she didn't like Pei Dan Dan was because of her good act, she felt that it was all intentional and she wasn't as kind as Jiang Yi Liang said.

The hacking case was an obvious example. She didn't want Luo Qing Chen to have a good life and didn't plan on forgiving her.

Only she never showed it in front of Jiang Yi Liang.

"Yes, yes, yes, old man, your eyesight gets better when you see Qing Chen, it normally isn't this good." Mrs Jiang affectionately came forward to take her hand, "Has school been well? Is that kid Yi Liang bullying you?"

When Mrs Jiang said this, her eyes kept looking in Pei Dan Dan's direction with hostility filling them.

At that moment, the atmosphere became awkward. Even she strangely felt awkward, not to mention Pei Dan Dan or Jiang Yi Liang.

"Right, right! Just tell uncle if he's bullying you." Jiang Yi Bai gave a snort, "You are half my daughter since you are Du Gu's daughter. If he wants to be with some random person, he will never get everything that Jiang Family has!"

The atmosphere turned from awkward to tense. Luo Qing Chen could feel Jiang Yi Bai's anger and he was very angry.

It was understandable if one thought about it. The four great families came to the Marriott Mountain Villa this time, so they were all rich people. At the banquet of the four great families, for someone unknown to appear, naturally there would be questions asked about their origin.

If everyone knew that Jiang Yi Liang's girlfriend was only a commoner, Jiang Yi Bai's face would be gone.

“Dad, don’t say this about Dan Dan.” Jiang Yi Liang pursed his lips and said, “I brought her to the banquet, not for you to quiz her.”

“She isn’t qualified for this.” Jiang Yi Bai gave a cold snort, “My Jiang Family will never accept someone with this status. If you’re willing to be on the same level as her, you are also not qualified to be in my Jiang Family.”

“Aiyo, old man.” Mrs Jiang saw that gunpowder between her son and husband was getting worse, so she said, “We’re finally taking a holiday, don’t spend it lecturing your son.”

Pei Dan Dan who had been standing on the side finally spoke.

“Uncle, auntie, don’t be mad.” She turned to Jiang Yi Liang, “Let’s go back first!”

### **Chapter 1682: Stunned! I am the evil female lead (Part 20)**

Jiang Yi Liang tightly held her hand and didn’t back up a single step. He looked like an affectionate man who didn’t want his love to suffer any grievances, but his heart was actually panicking.

He wanted someone’s attention, he felt that he wanted to prove that he wasn’t worthless in someone’s heart.

But then Luo Qing Chen pushed up her large sunglasses and said with a beautiful smile, “Uncle, auntie, I won’t interfere with your family’s matters. My mom should be waiting inside!”

The words “family matters” shocked Jiang Yi Liang. When he came back to his senses, Luo Qing Chen had already gone in.

That unwilling look with a bit of hope was clearly seen by Pei Dan Dan.

The Marriott Mountain Villa was very big and Luo Qing Chen’s room was at the top, a two hundred and thirty square meters suite.

The retail price was fifty eight thousand a night, which really was a sky high price for normal students.

The rooms of the other families were next door. The Mo Family’s room was the largest, being three hundred and twenty square meters, with a price of ninety three thousand a night.

It seemed like the head of the four great families of A City really was the Mo Family. It wasn’t because of the price, but rather because the other three families were willing to give this room to them.

“Di, di, di, di.”

Her phone vibrated, it was from the special notification that she set up on her phone.

Shen Zhe: I wanted to make an appointment with you and Ling Luo right away, but now I have to go to a banquet for three days.”

Luo Qing Chen couldn’t help smiling when she saw this, it seemed like Mo Ze Chen didn’t know who she was.

But this wasn't strange since few people in the circle knew that she was a streamer on Big Pineapple TV, it was just the previous host's personal hobby.

Little Fairy Qing Qing: What banquet is held for three days?

"Di, di, di, di." The other side responded with a text right away and there was a bit of helplessness in his words.

Shen Zhe: Mountain villa, I'll bring you next time.

"Puchi." Luo Qing Chen gave a shrug and muttered, "Do you need to be this direct?"

After being in her room for a bit, she changed her clothes and had some free time to talk with Mo Ze Chen.

Since the previous host wasn't familiar with Mo Ze Chen, she didn't know anything about him.

Most of them were what he told her when she talked to him.

For example, he was about to transfer into the second year of Star Royal Academy, the same school as her.

As expected, the paths of this world were unexpected. Although she had a strong heart, she was still surprised.

It seemed like the male lead and previous host were destined to meet, but the previous host didn't have the chance.

At seven in the evening, the banquet began. Other than the four great families, there were many rich people who had come to the Marriott Mountain Villa this time. The person with the lowest net worth here was Pei Dan Dan, even the chefs and security guards here were richer than her.

Therefore, when Jiang Yi Liang came into the banquet hall holding Pei Dan Dan's hand, it attracted everyone's gaze.

This was most people's first time seeing Pei Dan Dan. She had a limited edition dress, but there was a pair of poor high heels that matched it, causing everyone to explode with whispers.

Jiang Yi Bai's smiling face immediately turned dark.

Luo Qing Chen couldn't help giving a laugh as she thought: Doesn't Jiang Yi Liang understand that you have to give a full set?

### **Chapter 1683: Stunned! I am the evil female lead (Part 21)**

"Who is this person? So unfamiliar!"

"It should be the young miss of some nouveau riche family! I've never seen her even though I've been in this circle for so long."

"It can't be old Jiang has approved of a nouveau riche, right!"

“Nouveau riche your head, look at her shoes, you can tell they are poor products just with a single glance. I think that this kind of shoes has tarnished my eyes.”

The one who said this was the person who was obsessed with shoes in this circle, she was called the ‘Queen of Shoes’ in their circle.

As long as it was the hottest shoes of the season, she would have them no matter how limited they were.

This was also why Luo Qing Chen thought that Pei Dan Dan would never enter this circle because she was just too far away.

The host of the banquet saw this awkward scene and changed the topic with a few words, but he couldn’t divert people’s attention from Pei Dan Dan.

They watched her like an alien, looking at her with scrutinizing gazes.

Pei Dan Dan gritted her teeth and looked in another direction.

Actually she knew that she couldn’t come to this place, but she also knew that she had to come.

Because Jiang Yi Liang had been paying too much attention to Luo Qing Chen lately. They were already an engaged couple and Luo Qing Chen liked him before, so if Jiang Yi Liang changed his mind, it was easy for him to chase after Luo Qing Chen again.

She loved Jiang Yi Liang, she had endured all those jealous gazes to finally be with Jiang Yi Liang, how could she let someone steal him away!

This banquet was originally mentioned by Jiang Yi Liang, but she who had never interfered in his family matters had actually asked to be brought along.

She could clearly see the surprised look in Jiang Yi Liang’s deep eyes at that time.

At half past seven, after half an hour of speeches, Luo Qing Chen was just wandering around the banquet hall.

She had changed into a moon white dress with a white coffee coat on the outside, each of which was a Givenchy limited edition item.

Luo Qing Chen could feel that everyone was paying attention to her when she walked around, but she couldn’t find a face that was enough to stun her.

Mo Ze Chen isn’t here?

“Next we come to the most important part of the banquet, the dance. If the young masters and young miss have a partner they like, please reach out to them and invite them to dance.”

As soon as the voice fell, the beautiful waltz music came on. There were many single men and women in this circle and they weren’t willing to be alone, but they could only be with people who they could match with. This dance was something that the older generation of the rich families all silently agreed on.

The people at the Marriott Mountain Villa were people at the same level, so if they could get together, their families would approve.

Luo Qing Chen drank a cup of yogurt as she looked at her phone. Jiang Yi Liang looked in her direction and narrowed those deep eyes.

This kind of party had happened before and she would always run over to beg him to dance with her.

He told himself that if Luo Qing Chen came over today, he would dance with her.

That way the small flame in his mind would be extinguished by him because what he hated most in this life was the Luo Qing Chen that pestered him.

But he never thought that the world would change from his plans.

There was someone who invited her to dance first.

“Miss Luo, may I have the honour of inviting you to dance?” There was a young man in a white dress shirt and a neat black bow tie. He looked at the phone in his hand and a smile that no one could understand appeared on his lips.

#### **Chapter 1684: Stunned! I am the evil female lead (Part 22)**

Everyone immediately stirred from this.

Everyone’s eyes fell on this most dazzling youth. There was a faint smile in his deep eyes, just like sparkles in the deepest shadow.

Mo Ze Chen casually stood there with the aura of a protagonist, attracting countless gazes.

Among them included Jiang Yi Liang.

He had met Mo Ze Chen before, but he didn’t have much of an impression since it was only a few quick meetings. He knew that he was a genius who got full marks on a foreign university’s entrance exam when he was thirteen and went aboard when he was fourteen.

He was the only son of the head of A City’s four great families, Mo Jing.

He had heard that he would be coming back yesterday, but he never thought that he would invite Luo Qing Chen to dance.

When the system’s voice sounded, Luo Qing Chen was stunned because her first reaction was the rare.....love at first sight.

Mo Ze Chen’s eyes looked that good, deep with a faint sparkle in them. His white skin offset his beautiful appearance and his gentle voice rang by her ear.

The slender fingers made an inviting gesture which really moved one’s heart.

To be honest, if the other side wasn't Mo Ze Chen, this move wasn't enough for her to fall in love at first sight.

This kind of.....throbbing heart.

"Damn! So handsome! Is that the Mo Family's young master?"

"Ah! I know him, he just came back from America, he's someone who got a PhD abroad! Is he coming back to take over the Mo Family?"

"No, no, no, I heard that he's going to high school."

"??? My god, wouldn't he crush all the teachers? This is like someone who's fully equipped going into the beginner village, is this even fun?"

Mo Ze Chen ignored their whispers and seriously looked at Luo Qing Chen who still hadn't responded, "Does miss Luo not agree?"

"Of course not." Luo Qing Chen softly placed her hand in his warm palm and said, "I was just thinking about how to accept in a more reserved manner."

Mo Ze Chen heard this and his lips curled into a beautiful curve as he pulled her to his side, whispering in her ear, "You are already very reserved because everyone knows that I am the one who took the initiative."

The waltz music slowly rang out and they danced to this music, looking at each other with smiles.

Jiang Yi Liang who was not far away looked at Luo Qing Chen and Mo Ze Chen in disbelief.

She looked up at Mo Ze Chen with a faint smile and a sparkle in her eyes.

Mo Ze Chen looked at her with a strange pampering look, like the two already knew each other.

Impossible, impossible, impossible.....

How was this possible? Luo Qing Chen had been sticking to him just a few days ago and now she had suddenly changed.

Was it.....because of Mo Ze Chen?

Jiang Yi Liang didn't know why, but he suddenly felt an uncomfortable feeling in his heart.

It was like something that had belonged to him was suddenly.....gone.

Pei Dan Dan standing beside him was clearly a bit depressed. She looked up at Jiang Yi Liang with a bit of disappointment in her eyes, "You aren't inviting me to dance?"

Actually, she knew who Jiang Yi Liang was looking at and she also knew why he had this unwilling look.

Sometimes people who were too smart couldn't feel happiness, so this time she planned on pretending like she didn't see anything.

The one standing beside him now wasn't Luo Qing Chen, but her, Pei Dan Dan, alright?

## Chapter 1685: Stunned! I am the evil female lead (Part 23)

"I....." Jiang Yi Liang looked back and took her hand, "Sorry, I was thinking about something else just now."

Seeing Pei Dan Dan's slightly disappointed gaze, Jiang Yi Liang felt that he had wronged her.

He felt that it was a temporary mistake, like he had inadvertently been derailed.

Before this, he had always felt that he was the most infatuated man in the world.

He didn't care about how rich the other side was, he didn't care about engagements, as long as he liked it, he would find a way to own it.

But at that moment, he felt a bit despicable.

This was the dark side of human nature, the girl whose hand he was holding was clearly the one he loved, but when Luo Qing Chen was smiling, he felt that if he followed the plans of his parents, it might have also been good.

This feeling was like a flame that burned his heart, it truly felt bad.....

"Un." Pei Dan Dan gave a nod, "Don't think, I feel pain seeing how worried you look....."

She pursed her lips. Her voice was soft, but it was very gentle.

Jiang Yi Liang patted her head, "Fool, let's go dance!"

It had to be said, Pei Dan Dan really was an ugly duckling at this high class dance.

It seemed like god gave her good knowledge, but also stiff limbs.

Luo Qing Chen had seen her step on Jiang Yi Liang several times as she kept apologizing.

Jiang Yi Liang had a gentle smile at first, telling her that it was fine and she could slowly learn.

But Jiang Yi Liang's face became ugly afterwards.

Luo Qing Chen thought: His feet should hurt from being stomped on!

While she lost focus, Mo Ze Chen's smooth as silk voice rang by her ear, "Ze, ze, ze, it seems like my partner isn't focused dancing with me....."

"It's nothing." Luo Qing Chen looked back with a smile, "I was just....."

"Ah!" Pei Dan Dan who was beside her suddenly slipped and fell towards her.

Mo Ze Chen reacted quickly, pulling her aside and firmly protecting her behind him.

[Ding, affection has increased by ten. Mission completion rate is now 20%.]

Jiang Yi Liang and Luo Qing Chen both saw this, but they had different thoughts about this.

Jiang Yi Liang was still filled with dissatisfaction as the feeling that something that belonged to him was stolen became stronger.

Pei Dan Dan felt like how Luo Qing Chen used to feel. It was clearly her who had fallen, but the man next to her was afraid that she was injured instead of her.

It was like the past her, being protected by the excellent youth that everyone worshiped.

But her status would always make others stare at her, she would never match him.

It was different for Luo Qing Chen, this was her home field.....

Mo Ze Chen looked back at Luo Qing Chen, "Are you alright?"

When someone had almost hit her, he had strangely felt a bit worried.

Although it was light, he had still felt it.

It seemed like love went through precise calculations as to who would be by his side.

Actually, he already had his suspicions that "Little Fairy Qing Qing" was "Luo Qing Chen", but he wasn't 100% certain.

He had a vague impression of the Luo Family's young miss, but the day he had seen her perfect playing as an ADC, he began feeling interested in the girl who only loved Jiang Yi Liang.

### **Chapter 1686: Stunned! I am the evil female lead (Part 24)**

After around ten seconds, Jiang Yi Liang shook his head and reached his hand out to Pei Dan Dan on the ground.

There was laughter around them that made Jiang Yi Liang feel very embarrassed.

Perhaps things like rich families still existed and perhaps he couldn't protect Pei Dan Dan forever.

"I want to go back....." She bit her lip as she looked over with crystalline tears in her eyes and said in a soft voice, "Sorry.....I lost face for you."

Jiang Yi Liang saw Pei Dan Dan's teary look and his ego as a man came back.

His heart was filled with contrast, but since he brought her here, protecting her.....was something he should do!

"Don't be afraid, no one can bully you with me here." Jiang Yi Liang took her hand, "It's fine if you don't know how to dance, I can teach you."

Mo Ze Chen heard this and slightly knitted his brows as he said to Luo Qing Chen beside him, "Let's not dance anymore, how about we get something to eat?"

With people that had these dancing skills present, he wouldn't feel assured.

“Alright! I was hungry anyway.” Luo Qing Chen gave a nod. She looked at his smile and she felt a strange warm feeling.

She didn’t even look at Jiang Yi Liang when she left for the banquet table. Luo Qing Chen’s parents had smile that were hard to hide on their faces.

Jiang Yi Liang abandoning their daughter did make them feel a bit unhappy.

But the Jiang and Luo Families were old friends, so they could do anything. Not to mention that the two elders from the Jiang Family were good to their daughter, they just couldn’t take care of their Jiang Yi Liang.

But now their daughter had caught the eye of the Mo Family’s young master, it really was turning over a new leaf.

On the other side, the expressions of the two elders from the Jiang Family were not good. They were dark like it was about to storm, coldly looking at their son with that lowly commoner.

The more status one had, the more they hoped that the other side of their younger generation would have the same status.

That not only allowed you to secure your position in the business circle, it also gave you more resources.

Mo Ze Chen’s father Mo Jing was a rather cold person. Although the four great families had held many banquets together, he had never taken the chance to talk to anyone.

His son had gone abroad to study and had only gotten off the plane today.

But they never thought that he would like their daughter.

The banquet went smoothly and ended in two hours. Luo Qing Chen went back to her room to take a shower before changing into a big red Milan coat. When she was prepared to go and watch the fireworks, she received a QQ message from Mo Ze Chen.

Or perhaps he should be called.....Shen Zhe.

Shen Zhe: Actually, I feel that I should tell you something.

Luo Qing Chen saw the words on her phone screen and quickly typed a message into the chat box with a faint smile.

Little Fairy Qing Qing: Mister Mo Ze Chen, please speak!

Mo Ze Chen who could do instant calculations in his brain suddenly felt like he couldn’t understand anything.

The man who could do amazing calculations actually didn’t understand what was happening right now.

She knew that he was Mo Ze Chen? Why? Why did she know?

When she did find out that Shen Zhe and Mo Ze Chen were the same person?

When he connected all the clues together, he found that there was nothing!

There was no clue that could link Mo Ze Chen and Shen Zhe together!

Really.....Not a single one.....

### **Chapter 1687: Stunned! I am the evil female lead (Part 25)**

He hesitated for five minutes, writing lines in the text box again and again before deleting them.

Finally, he steeled his heart and knocked on her door, but the one who answered was Luo Qing Chen's father.

"Eh, hello, uncle!" Mo Ze Chen was surprised before immediately greeting him politely.

Luo Du Gu immediately came forward to take Mo Ze Chen's hand and said with a bit of excitement, "Xiao Chen, come in, come in."

Mo Ze Chen suddenly felt very nervous at that moment, a nervousness that he had never felt before.

"Un, is Qing Chen here?"

"Mo Ze Chen." Luo Qing Chen came down from the second floor and waved at him, "Over here, over here!"

"Go, go, go, go out and play more. You're finally on vacation, what are you staying inside all day for?" Luo Gu Du pushed Luo Qing Chen out while talking like a parent teaching their child a lesson.

Luo Qing Chen was pushed out with a stunned look before the door was closed in her face.

She opened her mouth and wanted to say something, but she couldn't say a thing.

Please, she just came back to take a shower and change clothes, it hadn't even been half an hour, alright?

"Uncle seems....."

"Don't say it!" Luo Qing Chen proudly shook her head, "I won't listen, I won't listen!"

As soon as her voice fell, she headed to the door. Mo Ze Chen was standing behind her with a faint smile on his lips.

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

The fireworks show at the Marriott Mountain Villa was unparalleled. The young masters and young miss stood there in their high end bathrobes and glasses of champagne in their hands.

Luo Qing Chen looked around and didn't see Jiang Yi Liang or Pei Dan Dan.

At this time, they were having a difficult showdown with the elders of the Jiang Family.

"Jiang Yi Liang, if you're certain you want to be with this girl, then you aren't allowed to take a single step in my Jiang Family." Jiang Yi Bai crossed his hands with an ugly look on his face.

Mo Jing had just knocked on the door of Luo Gu Du's suite with a bottle of red wine in hand, they must have had a good chat after they went in.

As long as he thought of his son being set on being with this commoner girl at this time, his heart would be filled with rage.

He felt that he might be angered to death. How many resources did he lose in A City's business circle just now?

"Father, I....."

"Uncle, please don't blame him." Pei Dan Dan firmly took Jiang Yi Liang's hand as she looked at Jiang Yi Bai to say, "I.....We are truly in love!"

Jiang Yi Liang looked down and didn't say anything. His feelings were too complicated and he didn't know what decision to make or what to say.

"Ok! I'm cancelling all your cards starting today and I'll wait for you to come back after you think this through." Jiang Yi Bai left with crossed hands, not even turning back once.

Pei Dan Dan was a bit stunned, like she felt that she had lost many things.

For example, having to take the bus to school now, or no longer going to high class restaurants, or no longer wearing expensive clothing.....

She looked at Jiang Yi Liang beside her and saw that his eyes were a bit lost. He didn't come back to his senses even after a while.

"Don't worry, uncle might have only said that in anger, nothing will happen!" Pei Dan Dan pursed her lips and softly said, "I will always be by your side and will never leave you. At least you'll.....have me!"

"Dan Dan....." He softly said before giving a nod with a bit of difficulty, "Alright."

### **Chapter 1688: Stunned! I am the evil female lead (Part 26)**

The banquet at the Marriott Mountain Villa lasted three days. Luo Qing Chen didn't see Jiang Yi Liang and Pei Dan Dan during the last two days, it seemed like they had gone back early.

They received a message from Ling Luo on the final day. She was transferring to the Star Royal Academy and was telling them that they would be classmates.

Luo Qing Chen replied, saying that it was a pleasant surprise that they would be at the same school.

After returning from the villa, the relationship between her and Mo Ze Chen was much better.

When they came back to school, he appeared in front of her as a new student, wearing the same uniform as her. He was radiant as he stood in front of her.

"So.....So.....So handsome!"

"I'm suddenly jealous of their students, they had so many handsome guys!"

“Why do I feel that he looks familiar.....He.....Wasn’t he the number one person in the noble ranking last month?”

“Right, right, right! It’s the leader of A City, mister Mo Jing’s son, Mo, Mo, Mo.....Young master Mo!”

“I’ve decided! I have a new male god!”

.....

“Come, come, come, everyone be quiet and let’s introduce this new classmate!” The teacher’s eyes looking at Mo Ze Chen was about to pop out as she said with a bright smile, “He is a student that transferred here from America.”

He nodded before politely introducing himself, “Hello everyone, I am Mo Ze Chen!”

“Pa, pa, pa, pa, pa.” There was a strong wave of applause.

Then everyone had expectant eyes, hoping that the male god would walk in their direction and sit next to them.

But his gaze was very firm as he walked over to the row near the window and stopped in front of Luo Qing Chen. Without another word, he sat down right next to her.

“The villa is quite far from the school, it took an hour to get here. I wanted to go pick you up.” His voice was not soft or loud, but everyone in the class could hear him.

“What is this? The new classmate and Luo Qing Chen.....already.....know each other?”

“It seems like this, but shouldn’t we ask first?”

“Ah, ah, ah, ah, ah, ah! Could it be that the rumours are false! It isn’t that Jiang Yi Liang doesn’t want Luo Qing Chen, but Luo Qing Chen has someone new?”

“Be quiet, whether it is the Mo Family or the Luo Family, you can’t offend them!”

.....

“Don’t worry.” Luo Qing Chen said, “There are some empty houses near our house. My dad likes you this much, it doesn’t matter how many you want.”

Luo Qing Chen said this like a generous landlord with a proud smile on her face.

She thought that she would be a host to him and Ling Luo, but she never thought that something had already happened.

Since young master Mo had this need, as the male lead, naturally he wouldn’t neglect it.

Mo Ze Chen then turned the words that she had said into a joke with his next words!

“There’s no need for now because uncle Luo already promised me that in order to cultivate the relationship between us, he would let me live at your house for now!” He looked over with a sparkle in those eyes that were as deep as the seas.

Luo Qing Chen looked at him in surprise. She was smiling on the surface, but she was cursing in her heart! It felt like she had been sold by her father, how could she get rid of this feeling?

At the same time, at half past eight in the morning, on the bus.

In this crowded bus, there were two students wearing the uniform of the Star Royal Academy being crammed in there.

Jiang Yi Liang's expression was ugly and Pei Dan Dan's expression.....was even more ugly!

### **Chapter 1689: Stunned! I am the evil female lead (Part 27)**

She had been on a bus for several months now. Since becoming Jiang Yi Liang's girlfriend, the bus had automatically become a cheap method of transport.

She had someone drive her to school and back each day, as well as many people looking at her in envy.

When a person had experienced this, they would feel uncomfortable if they went back to how they were treated before.

Pei Dan Dan had this feeling right now, it was like going from a princess to a commoner.

But she seemed to have forgotten that she was a commoner to begin with.

"Why isn't it there yet, we're about to be late." She pursed her lips, feeling a bit worried.

"We'll be there soon....." Jiang Yi Liang knitted his brows, as his face didn't look good.

This was the first time he had taken the bus in his life and it really was.....for love.

"Yi Liang, did your car really get taken by uncle?" Pei Dan Dan tentatively asked, "Otherwise, you can say something to uncle....."

"You're not used to it?" Jiang Yi Liang's voice was a bit cold as he could understand what Pei Dan Dan meant by these words.

He thought that for love, he could endure everything, but Pei Dan Dan's words made him fall into the abyss.

"What do you mean?" It was probably because the bus was too crowded that she was a bit anxious, so her tone wasn't that good.

"My meaning is that we are taking the bus because of you and not because of me." His voice was a bit cold and the anger that had been suppressed in his heart came out.

Pei Dan Dan heard this and her eyes turned red as she sniffed her nose, saying in an aggrieved voice, "I.....Aren't I doing this for you? It's natural for someone like me to ride on the bus, but you're different.....I don't want you to suffer with me!"

As soon as her voice fell, the bus arrived and she ran off without looking back with tears in her eyes.

Jiang Yi Liang came back to his senses and followed her.

“You...Don’t be angry.” He softly took Pei Dan Dan’s hand, “I misunderstood you, I’m sorry.”

“How could you think that I was that kind of person!”

“Sorry, I was too agitated!”

This was their first argument and he didn’t know why he had become like this.

Could it be that he who insisted on marrying for love had been defeated by reality?

Class was already half over when they arrived, but the teacher didn’t say anything because of his status.

But when Jiang Yi Liang passed by Luo Qing Chen, he found that there was someone extra in the empty space beside her.

They seemed to be whispering something with smiles on their faces, not looking in his direction at all.

Not even.....knowing that he had walked in!

In the past, Luo Qing Chen’s eyes would be on him whenever he walked into the classroom.

He was the center of her life and no one could replace him.

But now everything had changed.

First was the heaven defying change with her personality and then Mo Ze Chen had suddenly appeared.

Everything had caught him off guard and he couldn’t react. He had lost Luo Qing Chen and lost everything that he should have as a young master.

He wasn’t willing, he wasn’t willing, he wasn’t willing one bit.

He didn’t believe that Luo Qing Chen had already completely lost all love for him, maybe she had just given up because of how cold he was to her.

Perhaps if he tried changing his attitude towards her, she might become excited.

### **Chapter 1690: Stunned! I am the evil female lead (Part 28)**

Luo Qing Chen didn’t care that Jiang Yi Liang came in at all, she and Mo Ze Chen were talking about eating hot pot tonight.

Moreover, they would call Ling Luo who was also at Star Royal.

They heard Ling Luo say that she was a third year student and wasn’t in the same year as them, so she was still in the third year when she transferred.

The previous host didn’t know much about the third year seniors, so naturally she didn’t leave many memories for her.

But she never thought that her encounter with Ling Luo would come from Pei Dan Dan.

On the web, Ling Luo’s voice wasn’t that of a soft and cute girl, she had the voice of a big sister.

Luo Qing Chen had never seen Ling Luo before and had never seen her picture.

On a certain afternoon, she was planning on going home after going to the library, but she never expected a group of third years to stop her.

The one leading them was a girl with purple and white hair, it gave people a feeling that she came from the 2D world.

Her first words were, "I heard that you were Pei Dan Dan's friend, how about you return her big brother's gambling debts!"

Luo Qing Chen knitted her brows. Although the other side had a strong voice, she felt that it was very familiar.

"Did she tell you this?" Luo Qing Chen gave a cold snort as a look of disdain filled her eyes.

"Yes!"

"You really are a fool. What kind of status do you think I have? Do I need to return money for a commoner that doesn't belong here?"

If she didn't know that Pei Dan Dan wasn't as kind as she acted, she would have thought that the supporting female lead was vicious when she heard this.

Commoner and noble!

She really didn't care to be honest.

"You, you mean that she tricked us?"

This matter started four months ago. Pei Dan Dan's big brother Pei Zhi Zhi borrowed fifty thousand from her, saying that his little sister was in Star Royal and had a rich boyfriend backing her!

She lent the fifty thousand to Pei Dan Dan at 30% interest.

She never thought that her big brother would spend all the money in Macau and would be chased by debtors all day.

When they came to her house last night, Pei Dan Dan said in a panic, "Go find Luo Qing Chen, she has money."

This wasn't an impulsive move for Pei Dan Dan, but rather it was venting the faint anger in her heart.

She didn't want to bring Luo Qing Chen down, but it wasn't bad if she was beaten.

She always criticized herself whenever she had these thoughts before.

But now she felt that this idea wasn't bad.

The group that lent money to her big brother weren't lacking money. The girl in front with the purple and white hair was the young miss of the Gu Family from the four great families.

She loved to fight and cause trouble!

So for someone like Luo Qing Chen who had a temper, she would definitely explode in front of this young miss.

“He, he.” Luo Qing Chen gave a shrug as a faint chill filled her voice, “You really are a fool.....”

“You.....Do you not want to live?!”

“Based on your school uniform, you aren’t from our school? A transfer student?” Luo Qing Chen narrowed her eyes to look at the school card in her chest pocket, “It seems like you haven’t finished the transfer process yet. Not bad, not bad, you already got a bunch of people under you!”

“We transferred with boss Luo, we weren’t just taken in!”

“Don’t change the topic, quickly return the money. Father has another appointment tonight and I have no time to stay here.” That person was angry, like she was about to fight.

“Ke, ke.” Luo Qing Chen cleared her throat, “Classmate Gu Ling Luo, don’t you know that your appointment tonight is with me?”
