Chapter 1691: Stunned! I am the evil female lead (Part 29)

Luo Qing Chen never thought that she would meet Ling Luo like this, it seemed that fate wasn't shallow.

"You....What nonsense are you talking about, father is with Little Fairy Qing....." After saying this, she paused before saying, "You, you, you.....You are....."

"Didn't I carry you to Challenger not that long ago, did you already forget?" Luo Qing Chen gave a laugh, not planning on hiding her identity.

Ling Luo went from an arrogant look to a stunned look, never imagining that she would meet Luo Qing Chen in this situation.

At half past seven, at Prosper Hot Pot.

It was very pleasant to eat hot pot when winter came. She liked crab sticks and fish balls and Mo Ze Chen liked to eat.....vegetables.

He didn't forget to fill Luo Qing Chen's plate during this time. Seeing the way she smiled, he felt very happy.

Strangely.....happy.

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

Ling Luo put away plate after plate of beef, looking quite happy as she ate.

"Ai, Xiao Qing Qing, based on what you said, isn't Pei Dan Dan Jiang Yi Liang's girlfriend?" Ling Luo ate her beef as she said, "He can't even repay his girlfriend's debt!"

Luo Qing Chen heard this and raised a brow, "I think that Pei Dan Dan didn't tell Jiang Yi Liang about this."

After all, she was a rather proud girl and her status didn't match Jiang Yi Liang's to begin with. If something like a 'high interest loan' suddenly appeared, her image in the eyes of the Jiang Family would be even worse.

"I heard that uncle Jiang has already stopped all his cards." Mo Ze Chen elegantly ate some vegetables as he said this.

"I heard that it was more than this." Ling Luo looked at Luo Qing Chen with a gaze of deep meaning as she revealed a smile, "Young master Jiang abandoned his finance and chose the commoner Cinderella?"

"Fiancee?" When Mo Ze Chen who had a calm look heard this, there was a dark glow in his deep eyes.

Luo Qing Chen seriously shook her head at Ling Luo before clearing her throat to change the topic, "That.....You weren't from our school to begin with, so the rumours you heard aren't accurate."

"Aren't accurate?" Mo Ze Chen kept asking.

He had investigated Jiang Yi Liang before and he did know that there was a relationship between him and Luo Qing Chen before.

But he didn't think that Jiang Yi Liang had the qualification to turn this around since he had come back.

Ling Luo quickly said, "Calm down, calm down! I have an idea! Since that Pei Dan Dan likes playing these small tricks, how about we put on a play?"

Luo Qing Chen and Mo Ze Chen looked at each other before Ling Luo started talking about her plan.

The next morning, during the flag raising ceremony of the Star Royal Academy, during this serious time, Ling Luo led her sisters in and shouted, "Luo Qing Chen, come out for this old lady!"

Everyone turned their gazes to Luo Qing Chen at this time and Pei Dan Dan standing not far away had a worried look.

Why was this person wearing a Star Royal uniform?

She.....Wasn't she a loan shark young miss?

The surrounding students saw this and they all began whispering, looking like they were having fun with this.

"This girl is a bit familiar! I heard that she was famous in a nearby private school....."

"She seems like a thug, can she even go to a private school?"

"Aiyo! Please walk carefully if you're in this circle, alright? She is the Gu Family's young miss, you're clearly some who's here because their family suddenly became rich overnight!"

Chapter 1692: Stunned! I am the evil female lead (Part 30)

The person scolded lowered their head silently and Pei Dan Dan standing on the side had heard this.

Her mind turned blank, as if there was a mask that was about to be torn off in front of everyone.....

Jiang Yi Liang unintentionally looked in Luo Qing Chen's direction. Mo Ze Chen didn't immediately move over and had been looking at him.

Was this a.....chance for him?

If he helped Luo Qing Chen now, perhaps he could awaken her old love for him.

There was a complicated feeling in his heart, it should be from taking the bus and eating in the cafeteria for a few days.

He couldn't take the current way he was living.

"What do you want to do?" He hesitated a bit and slowly moved towards Luo Qing Chen with his hands in his pockets.

Luo Qing Chen and Ling Luo were both surprised, they never expected this to happen.

Mo Ze Chen narrowed his eyes as a dangerous glow appeared in those eyes that were like stars.

Ling Luo was someone who reacted quickly and quickly followed the plan.

“What? You all want to stick out for a commoner?”

“Commoner?” Jiang Yi Liang asked back before continuing, “Do you know who she is?”

Pei Dan Dan who wasn’t standing far away had a pale look on her face. She wanted to reach out to grab Jiang Yi Liang’s sleeve, but she grabbed nothing.

She could only walk away, wanting to get far away from here.

“I don’t know!” Ling Luo pretended to be angry as she said, “I just know that Pei Dan Dan told me that Luo Qing Chen would pay the fifty thousand high interest loan that her big brother took with me!”

“Si!” Everyone took a cold breath as their eyes turned to Pei Dan Dan who was preparing to leave. They all looked at her with gazes of disdain.

Everyone knew that with the relationship between Pei Dan Dan and Luo Qing Chen, how could Luo Qing Chen repay her debt?!

Moreover, their family had borrowed money?

It really was hard to tell if someone like this was qualified to stay in Star Royal.

Jiang Yi Liang trembled before his eyes fell onto Pei Dan Dan. He tightly knitted his brows and there was a bit of disgust in his eyes.

It was as if the already shaky image that Pei Dan Dan had in his mind had already collapsed!

“You.....You’re speaking nonsense!” Pei Dan Dan bit her lip and looked at Ling Luo, “I never said anything about Luo Qing Chen, don’t slander people!”

She was a smart person, naturally she knew what she had to clarify at this time. She was a kind girl in Jiang Yi Liang’s eyes, she couldn’t let that image collapsed, definitely not!

“Oh, then you mean you don’t need her to pay me back!” Ling Luo gave a shrug before walking towards her, “You still owe me money, that is a fact. Fifty thousand, not taking interest from you is already considered a kindness for a commoner like you!”

Luo Qing Chen put her hands in her pocket and didn’t say a word. There was an indifferent look in her eyes like she was watching a play!”

“You.....You owe money?” Jiang Yi Liang knitted his brows and softly said, “Didn’t you say that your parents were both common workers, you.....”

“Yi Liang, it isn’t what you think.” Pei Dan Dan suddenly looked at Ling Luo, “Go find whoever owes you money, it’s unrelated to me.”

Chapter 1693: Stunned! I am the evil female lead (Part 31)

When she said this, her eyes were cold and there was even a bit of hatred.

This was the first time that she felt helpless over not having any power or money.

It would make it hard for you and would make everyone look down on you!

“Ze, ze, ze.” Ling Luo raised a brow before grabbing her hair, “When I went to your broken place looking for your big brother for my money, you didn’t say this! I remember that you were saying ‘go find Luo Qing Chen, she has wronged me and has money!’.”

Actually, Ling Luo’s words were only half true just to force Pei Dan Dan into the spotlight.

After all, she was still a part of society. There wasn’t that much of a difference between a real kind soul and a little white flower, it was just a difference in thoughts.

“You really said this?” Jiang Yi Liang’s eyes were filled with anger at this moment. He never thought that Pei Dan Dan who was completely innocent in his mind would say these words.

This was completely different from the love in his heart!

“I.....I didn’t!” Pei Dan Dan had red eyes as she bit her lips while Ling Luo tugged at her hair, “I just wanted her to find Luo Qing Chen, I didn’t say that she had wronged me!”

She really didn’t say the latter, how could she be wronged like this!

“Let go!” Jiang Yi Liang came forward to pull Ling Luo’s hand from Pei Dan Dan’s hair before looking at her, “I will return the fifty thousand for her. It’s young miss Gu, right? My Jiang Family and your Gu Family still do business, so for just fifty thousand, you wouldn’t not give me any face, right!”

Although Jiang Yi Liang’s heart was filled with anger, Pei Dan Dan was still his girlfriend.

If she was bullied in front of everyone, he wouldn’t have any face.

“Ke, ke.” Mo Ze Chen who walked to Luo Qing Chen’s side looked at Jiang Yi Liang before turning to Pei Dan Dan. His lips curled into a cold smile, “Then the problem is, the one that is riddled with debt.....Why did you have them come find Luo Qing Chen?”

Mo Ze Chen pulled back the topic that was about to be changed with just a single word.

All the students around realized something before turning to look at Pei Dan Dan.

“Damn! So shameless! She really is a little white flower acting pitiful!”

“I thought that Luo Qing Chen went a bit too far with how she treated her, but now it seemed like that was nothing more than an act!”

“That’s right! So disgusting, people here hate her openly and she still secretly came here. If it wasn’t for young miss Gu coming here, if she had trapped Luo Qing Chen in an alley, what would have happened? These people have always been unreasonable.....”

“Really, really, really, really, really disgusting! I don’t know why school hunk Jiang likes her.....”

“Commoners are all poor and crazy like her, it isn’t much to do something this despicable in her eyes!”

.....

Each word was like a sword that had pierced her heart bit by bit.

What did she do wrong to be treated like this!

Based on what, based on what, based on what?

Based on what was she born into this family, based on what was Luo Qing Chen to have everything that she didn't!

She was smarter and more powerful than her, she had taken away the man she had loved since they were kids.

Chapter 1694: Stunned! I am the evil female lead (Part 32)

Actually when she held Jiang Yi Liang before, Jiang Yi Liang had been fierce towards her, but there was a strange happy feeling in her heart.

But recently.....she hadn't been feeling this happy feeling again!

[System notification: The supporting female lead's personality is undergoing a shocking reversal, the plane has collapsed!]

???

Plane collapsing, what does that mean?

"Good, good, good, I believe you young master Jiang." Ling Luo gave a shrug before crossing her hands at her chest, "But I really can't approve of your tastes!"

"Me too!"

"+1."

"+10086."

The surrounding students didn't forget to agree, but the teachers didn't dare say a thing!

This was A City, when the four great families were together.

They! Absolutely! Couldn't! Offend! Them!

After everyone scattered, Jiang Yi Liang made a call before leaving school with Pei Dan Dan.

"Young master, here is your car." As soon as they came out, the butler respectfully came over and gave the car keys to him.

"Un." He gave a nod before saying to Pei Dan Dan behind him, "Get in! Let's go have some lunch."

On the way, Pei Dan Dan had her hands together and kept crying.

But this time, Jiang Yi Liang didn't say a thing.

It was a high end Mediterranean restaurant and there were expensive dishes on the table, this single meal cost him close to ten thousand yuan.

"We.....Why did we come to such an expensive restaurant?" Pei Dan Dan was a bit worried as she said, "We can just eat something at the side of the road, I want to explain this to you."

"Is it expensive?" Jiang Yi Liang elegantly ate his steak as a faint indifference filled his eyes, "I used to eat this every day."

"Yi Liang....."

"I've wronged you the past few days." When Pei Dan Dan wanted to say something, Jiang Yi Liang cut her off, "It won't be like this in the future."

Hearing this, Pei Dan Dan let out a sigh of relief and she looked at him with tears in her eyes, "Thank you for trusting me.....I.....In the future, I....."

"I don't trust you." He looked up and slightly knitted his brows, "Let's break up!"

When Jiang Yi Liang said these words, Pei Dan Dan was frozen. She never thought that there was this possibility and she didn't believe that Jiang Yi Liang could bear to say this, could bear to not want her anymore.

After all, he used to protect her!

"You really want to break up?" She gritted her teeth and said, "Don't you know that there are many people in school who like me!"

"Un." He said with a nod, "Very good."

Actually he wasn't completely willing, but everything that Pei Dan Dan had done had violated his belief in love.

He could take the bus for her, he could eat at the cafeteria for her, he was someone that could live for love.

But he had seen that Pei Dan Dan wasn't that kind of girl today! She had changed, she had completely changed!

The things that she looked down on before, she was now doing! This wasn't his kind of girl!

"Jiang Yi Liang." Pei Dan Dan bit her lip and splashed the wine on her right side in his face as she angrily said, "You will regret this, I won't look back!"

"I don't think I need you to look back." Jiang Yi Liang wasn't angry at all, he wiped his face with his napkin before looking at her and saying, "I feel that my fiancée....is quite good."

Luo Qing Chen!

That girl that had loved him for so many years, he was definitely qualified to steal her back from Mo Ze Chen!

Chapter 1695: Stunned! I am the evil female lead (Part 33)

At half past eight, at Ling Luo's personal high end club. She had put away the punk look and was wearing a long black dress, looking very elegant.

"Un....." Mo Ze Chen gave a slight nod, "Sure enough, people rely on clothes."

"Ke, ke, you can't be like this." Ling Luo cleared her throat, "I've given my ADC god Qing Chen to you."

"She was already mine." Mo Ze Chen unexpectedly said these words with a touch of gentleness in his eyes.

Luo Qing Chen was taken aback. Hearing him say such decisive words, her face couldn't help being covered in a blush.

She didn't fully understand Mo Ze Chen's personality since he wasn't too cold or warm.

She felt that it was a mysterious zone in between, but the more mysterious it was, the more people wanted to explore it.

"Ze, ze, ze, showing off!" Ling Luo gave a snort before taking out a bottle of 88 brandy and walking over, "We did a big thing today, how about we.....have a glass?"

Mo Ze Chen took the wine glass and revealed a faint curve on his lips, "I have to say, your acting skills are quite good."

She never gave Pei Dan Dan a chance to explain from beginning to end, making her completely reveal her nature.

It was an overwhelming victory!

He helped Luo Qing Chen pour some wine, not forgetting to say in a gentle voice, "You can't drink too much."

"My tolerance is good." She drank it all and the blush immediately spread across her face.

Mo Ze Chen felt a strange throbbing in his heart when he saw her cute appearance, but he still teased, "A girl who is too good at drinking makes it hard for people to worry."

[Ding, affection has increased by ten. Mission completion rate is now 50%.]

Suddenly giving her affection, it seemed like these words went against the feelings in his heart.

"Un." Luo Qing Chen looked up and said, "So a girl who is too powerful isn't easily loved?"

"That depends on who it is." Mo Ze Chen took a sip of his red wine, "My answer is yes if it's Ling Luo, but if it's you, my answer is no."

Mo Ze Chen had said it casually, but it had pulled her out.

Moreover, he had used such a special method of 'comparison'.

Of course, Ling Luo who had been insulted for offering good wine couldn't take this!

“Mo Ze Chen, you are too much!” Ling Luo said with a proud look on her face, “You have to find the right time and place to give affection, can’t you see that there’s someone else here?”

Mo Ze Chen’s answer instantly made her speechless.

“You are our people.”

It had to be said, his EQ was so high that it exploded.....

He was worthy of being a professor in America, it was unknown why he came back to enrol in the second year of high school.

It felt like a Challenger cutting his way through Bronze!

“Ah, ah, ah, ah!” Ling Luo called out a few times, but she couldn’t do anything. Then she changed the topic, “Speaking of this, did you hear? Jiang Yi Liang and Pei Dan Dan split up this afternoon.”

Luo Qing Chen couldn’t help knitting her brows when she heard this, suddenly remembering what the system had told her this afternoon.

What does the plane collapsing mean? Even if Pei Dan Dan’s personality changes, it should be as serious as the plane collapsing, right!

Then again, what happens if the plane collapses?

[The plane collapsing means cracks in this planar space, which would allow existences outside of this plane to enter.]

The system’s voice suddenly rang in her mind which scared her.

Chapter 1696: Stunned! I am the evil female lead (Part 34)

The system’s explanation wasn’t that easy to understand. She felt that it contained a lot of mystery and wasn’t understandable with the planes she had been to before.

After all, in all those other planes, she had never experienced a collapse before.

When she asked the system again, the system pretended to be dead.

Moreover, it abruptly ended it with another sentence.

[System notification: The male lead is looking at you.]

Mo Ze Chen suddenly felt uncomfortable seeing her slightly knit her brows like this.

“What?” Mo Ze Chen looked over with a faint sparkle in his deep eyes, “You still care about him?”

He clearly knew about the matter between Luo Qing Chen and Jiang Yi Liang, but.....he felt that she shouldn’t like Jiang Yi Liang anymore.

Luo Qing Chen was surprised and could hear the jealous tone in Mo Ze Chen’s voice.

He had attacked with this question to see her answer from her expression.

But Luo Qing Chen felt.....that it was too troublesome.

Since it was him, since she had 50% affection in hand, then it wouldn't matter if she teased him a bit!

She took the wine from the stunned Ling Luo's hand and poured herself half a glass before clinking it with Mo Ze Chen's glass, "I care about you."

"Damn!" Ling Luo suddenly understood what was happening between the two!

One was being jealous!

One was responding!

And the feeling they gave was just right!

[Ding, affection has increased by ten. Mission completion rate is now 60%.]

Mo Ze Chen looked at her as she said the four words he wanted to hear the most in his heart.

That feeling of the person he cared about coming closer to him.

It swelled in his heart and he was incomparably excited.

But his expression was still very calm! He casually looked at her with eyes that were as deep as the sea and softly said, "So should I apologize for misunderstanding or should I——confess?"

She was surprised and she couldn't help being a bit nervous when she heard these words.

Ling Luo seemed to take a long time to realize the meaning in Mo Ze Chen's words before waving her hands, "That's enough you two, this is my club!"

"But young miss Luo hasn't answered my question yet." Mo Ze Chen kept chasing with a faint sparkle in his deep eyes.

Luo Qing Chen couldn't help giving a laugh as she looked up, "Confess then!"

"I like you." Mo Ze Chen saw the faint blush on her white cheeks and seriously said these three words, not caring about the people around them.

"Mo! Ze! Chen!" Ling Luo angrily roared out. She wanted to say something, but Mo Ze Chen decisively cut her off!

"Oh, right, you can be a witness."

"Are you confessing or proposing!"

"If I can propose, I'm very willing!" Mo Ze Chen's beautiful eyes had a gentle glow in them along with a smile.

"I'm not willing!" Luo Qing Chen said with a slightly proud snort, "Balloons, wedding dress, rings, and roses, not a single one here, how can you propose!"

"I have a ring." Mo Ze Chen's eyes relaxed as his lips revealed a hard to hide smile.

He took out a beautiful box from his pocket and inside was a Cartier diamond ring!

For someone with a high EQ like him, when he was set on someone, he had to prepare a diamond ring!

"Damn, so handsome!" Ling Luo looked at the ring Mo Ze Chen took out and was completely stunned!

This was simply like being a part of a fairy tale, it was too shocking.

Chapter 1697: Stunned! I am the evil female lead (Part 35)

Luo Qing Chen never thought that Mo Ze Chen would have a diamond ring on him and it would be such an expensive diamond ring.

It had to be said, his thoughts were deep and he had prepared for everything.

"I accept your confession." She pursed her lips into a smile, "But.....if you want to propose, you have to be fully equipped!"

"Alright!" Mo Ze Chen nodded, "Everything you say is right."

"Yi....." Ling Luo had been fed a mouthful of dog food, but she didn't know why she was very happy!

The next morning, Luo Qing Chen was not woken up by her alarm clock, but rather her phone ringing.

The number on the caller ID surprised her, it was actually.....Jiang Yi Liang!

Since Jiang Yi Liang had never called her, she had never changed the set name that the previous host had put.

'The one of my heart.'

After being stunned for ten seconds, she remembered the note from the memories of the previous host and knew that it was Jiang Yi Liang.

Because she took so long, it hung up.

Everything that should be said was already said, she already had nothing else to say to this Jiang Yi Liang.

After all, she had said it in the very beginning, she wanted the infatuated man and woman to live a good hundred years together!

But she didn't understand why having this idea would twist the supporting female lead's personality, causing the plane to collapse.

She didn't understand this at all.

"Ding ling." Her phone rang again. Luo Qing Chen slightly knitted her brows before turning it off.

But when she came downstairs, she saw a familiar Porsche and a familiar figure waiting there.

"Why didn't you answer your phone?" Jiang Yi Liang's voice was not gentle, but it wasn't as cold as before.

This was a person that always stuck to him, so he found it hard to suddenly speak softly to her.

Luo Qing Chen knitted her brows and felt that hearing this tone in the morning, she wanted to beat someone! It wasn't pleasant at all!

"Ah! Ah! Ah!" She called out three times before moving to the garage without even looking back.

Jiang Yi Liang was taken aback and felt that he was being ignored. In the past, there was a Pei Dan Dan by his side, so he could accept Luo Qing Chen ignoring him. But now that there was no girl by his side, why did she still pretend to be reserved?

"Luo Qing Chen!" Jiang Yi Liang shouted in a somewhat angry voice and said to her back as she walked away, "Let's go to school together!"

"Ze, ze, ze." She narrowed her cold eyes and didn't turn back, as slowly raised her right hand, "I'll just say two things. One, don't show up in front of me again, I'm afraid that my boyfriend will worry. Two, when we see each other in school, don't call me by my name, don't even call me with my surname."

She really didn't know if Jiang Yi Liang was really stupid or pretending. Now he wanted to chase this treasure, was there a problem with his brain!

"You....." Jiang Yi Liang's heart was filled with rage. He thought that he was giving her a pleasant surprise and she would change her mind to run into his embrace, but he never expected to run into a wall.

There was no one around them right now, which meant that Luo Qing Chen's attitude wasn't for anything else, she just simply hated him.

Could it be that she really didn't like him anymore?

Could it be that she really hated him?

Could it be that she really wasn't turning back?

"Ding ling." The phone rang again and the caller ID this time was pleasing to the eye!

Chapter 1698: Stunned! I am the evil female lead (Part 36)

"Hey, dear." Luo Qing Chen showed her affection the moment she picked up. Seeing Jiang Yi Liang's green expression, she couldn't help feeling pleased.

Once upon a time, he hadn't shown any mercy to the previous host just like this.

Mo Ze Chen on the other side replied without any hesitation, "Un! I'm here. Walk a hundred meters in front and then turn right, I'll be at the corner waiting for you."

?

She just wanted to force out a show of love, but now it seemed like it didn't need to be forced.

"Alright, I'm coming over now." Luo Qing Chen walked forward, but she didn't forget to ask, "How did you know that I....."

"Telescope."

!

She suddenly felt that Mo Ze Chen not only had a high EQ, but he was also quite black bellied.

No matter what he did, he planned everything in advance! This wasn't just as simple as having a plan B, it should be plans ABCD!

There was a silver Maserati waiting there. Mo Ze Chen had changed to a new car and there was a big luggage case in the back seat.

"Are you going to school or going on vacation?" Luo Qing Chen pointed at the luggage case after sitting down in the passenger seat and asked this.

The other side slightly raised a brow before replying with a smile of deep meaning, "School first, travel later."

"Ah?"

"I already talked to uncle, I'll live in your house tonight."

"....." Luo Qing Chen was surprised, "Just like this.....you already settled on it!"

"Un, it's very important to make the elders happy!" Mo Ze Chen said with a faint smile, "Uncle was very happy!"

As soon as his voice fell, he turned the wheel and headed in the opposite direction of the school.

When Luo Qing Chen wanted to know why, she suddenly understood.

It had to be said, Mo Ze Chen really was a black bellied person. Because he could have gone right to school, but he deliberately went back.

It was just to pass by Jiang Yi Liang!

Of course, when Jiang Yi Liang saw Mo Ze Chen's car passing by, his face had turned completely black!

—

Mo Ze Chen drove very well, he safely arrived at school in less than ten minutes.

The first two classes in the morning were boring, but the next two were important.

Mr Tom, a very famous math professor from Las Vegas in America came to Star Royal Academy, holding a math contest with a prize of a hundred thousand yuan.

All the students in the Star Royal Academy could participate and the final contestant would get all the prize money.

There was only one winner.

Star Royal Academy held a similar event last year, but there wasn't a hundred thousand yuan price, but a seven day trip to Maldives.

In the end, the one who won the math competition was Star Royal Academy's Pei Dan Dan.

It was said that she sold the seven day trip to another student for ten thousand yuan to cover various expenses.

After all, Star Royal Academy had waived her tuition fees, but she still had to pay fees like school uniforms.

A single uniform cost five thousand, so ten thousand bought her two sets.

“Di, di, di.”

There was a notification from QQ and Luo Qing Chen opened it to see a discussion group.

Ling Luo: I’m going to sign up for the contest. I feel annoyed looking at Pei Dan Dan, I will take care of her.

Shen Zhe: Are you certain she won’t take care of you?

Ling Luo: Aiya! Isn’t there still you? [Smile]

Shen Zhe: Tom is my student, he wouldn’t agree if I were to participate!

Little Fairy Qing Qing: (=?Д?=?)! Are you sure that the student isn’t the teacher?

Ling Luo: Same question!

Shen She: Although he is thirty years older than me, he is indeed my student!

Seeing what Mo Ze Chen said, Luo Qing Chen felt that her world views were about to collapse!

Chapter 1699: Stunned! I am the evil female lead (Part 37)

Little Fairy Qing Qing: No matter! Let’s see it before deciding!

Luo Qing Chen didn’t tell Ling Luo about her genius level mathematical abilities since this was acquired after!

After working hard for several lives, she was finally able to calculate the answer in her mind without exchanging for the skills.

This was even harder than being grade ten in piano!

There weren’t many people who signed up for Star Royal Academy’s contest. Most of them were students who had relied on scholarships to enter Star Royal Academy. Luo Qing Chen saw Pei Dan Dan with a single gaze, she had a bright smile on her face, not looking sad at all after breaking up with Jiang Yi Liang.

But in reality, this was only what was on the surface. Only she knew how much hate was in her heart.

“Xiao Qing Qing.” Ling Luo called her name with a wave of her hand.

Luo Qing Chen walked over to where she was and seeing the number on her chest, she said with a faint smile, “You really signed up!”

"I told my sisters that we must do a bit of contribution to prevent a certain someone from getting the money!" Ling Luo looked at her with a proud look, saying that she was very useful!

Luo Qing Chen gave a shrug with a helpless look, "This is called giving it to someone!"

As soon as her voice fell, she signed her name on the registration form and one of the student council members gave her a number, number fifty two.

It seemed like there were few people in this competition, but there was a surprising amount of spectators.

Over a thousand seats were completely filled right now.

It seemed like they cared about Pei Dan Dan since she just separated from school hunk Jiang, so they wanted to know if she could act normally.

But then the whispers of the surrounding people made her head buzz!

The story of the past school hunk and this Cinderella was already ignored by everyone!

What they cared about was something that she really, really, really never expected!

"Did you follow school hunk Mo's Weibo? He said that he wanted to come and watch this competition!"

"I did, I did! I came here because I saw his post! Mister Tom even replied to his post, calling him teacher!"

"Right, right, right! He's super charismatic, handsome, and gentle, your eyes aren't that bad!"

.....

Luo Qing Chen touched her ear and pulled at her coat, sitting in a corner.

But she never thought that Mo Ze Chen who was releasing the glow that screamed he was the center of attention would sit by her. He handed her the chocolate milk from Starbucks and said, "There's less milk and sugar, I don't know if you like it sweet or not."

"Si." Luo Qing Chen took a cold breath before clearing her throat, "How did you know I was here?"

"I can see my girlfriend with a single look." His voice was very gentle, strangely sounding good.

In front of all these fans, he was openly showing his love.

The surrounding girls pursed her lips unwillingly, but since they were both from A City's four great families, even if they were a bit unhappy, there was nothing they could say!

But Luo Qing Chen's status change from chasing school hunk Jiang to another excellent school hunk's girlfriend, it really was a bit surprising!

It seemed like school hunk Jiang's eyes weren't as good as school hunk Mo's.

Whether it was based on appearance or status, Luo Qing Chen was several times greater than Pei Dan Dan! Pei Dan Dan's only advantage was being at the top of the school in terms of grades!

Chapter 1700: Stunned! I am the evil female lead (Part 38)

At ten in the morning, the host gave a simple introduction before starting the competition.

Since Pei Dan Dan was last year's champion, she skipped the first round and directly entered the second round.

She sat on the sofa with a smile on her face, with a crown on her head and a faint smile on her lips.

Actually, there were over a thousand people in the audience, but she still saw Jiang Yi Liang with a single glance.

At that moment, it was hard to describe the pain in her heart, but she felt a sense of familiarity.

After all, she had encountered Jiang Yi Liang for the first time at the math competition.

Of course, she had succeeded in taking the heart of the idol of countless girls in the school. Through her own hard work, she had become his most important person.

But now after just a single year, it had all changed.

The man's eyes were no longer on her and had unknowingly turned in a different direction.

When she looked in that direction, she saw a familiar face that she was absolutely disgusted in which represented a status that she absolutely hated.

"Alright! Next we invite number fifty two classmate Luo Qing Chen to go against number sixty seven classmate Jiang Yi Liang!"

Luo Qing Chen was surprised, but she had to admit that enemies met on a narrow road!

But what she felt strange about was why Jiang Yi Liang had participated in this competition.

Properly speaking, he had split up with Pei Dan Dan and he didn't lack money!

[The supporting male lead is very good at math, last year's final was between Pei Dan Dan and Jiang Yi Liang.]

The system explained very enthusiastically, making Luo Qing Chen gave an 'oh' sound as she understood!

So the infatuated man and woman had met like this!

The two walked onto the stage from the same direction and Jiang Yi Liang said in a low voice, "It can't be that you're here for me, right! I remember you saying that if god gave you another chance, you would definitely come to participate and wouldn't let me meet Pei Dan Dan."

He had seen her get into Mo Ze Chen's car with his own eyes and felt very unhappy.

He suddenly knew that he couldn't treat Luo Qing Chen like he had before, he should be gentle, like how he had treated Pei Dan Dan.

Only this way would he be able to awaken her past feelings for him!

Jiang Yi Liang's words had suddenly covered her in goosebumps, shouldn't she be saying this?

She could take the other pots the previous host left behind, but she wouldn't take this one!

"Sorry....." Luo Qing Chen gave a cold snort and said with a cold look in her eyes, "The person who said this is already dead."

"I don't believe it." Jiang Yi Liang shook his head, "You're not good at math. If it wasn't for me, you wouldn't....."

"Humph." Luo Qing Chen couldn't listen to his disgusting words anymore and cut him off, "Classmate Jiang, why are you so sure that you will win?"

"The two sides are in place, now it's time for the thirty second preparation period."

The first round was multiple choice, whoever took the shortest time won. If both sides answered the ten questions correctly in a minute, they would both advance.

When the giant computer screen in front of her lit up, there was a golden glow that appeared in Luo Qing Chen's eyes.

This moment, this atmosphere, it belonged in her absolute realm!

Mo Ze Chen sitting under the stage couldn't help being deeply attracted by her glowing eyes and he couldn't help revealing a gentle smile.

[Ding, affection has increased by ten. Mission completion is now 70%.]

Pei Dan Dan sitting on the side directly revealed a look of disdain. In her eyes, someone like Luo Qing Chen couldn't answer a single question.

In this place, the spotlight would belong to her!
