

Quick T 1731

Chapter 1731: Stunned! I am the evil female lead (Part 69)

Yes, Pei Dan Dan had snuck out of the hospital.

She had calculated the time when Mo Tian would get out of class and wanted to weakly faint in front of Mo Ze Chen.

But she never thought.....that there would be another person beside him!

And this person was the one she hated the most in this life!

“Luo Qing Chen.” Pei Dan Dan muttered through gritted teeth, “I want to make you lose everything, I will definitely not let you be happy!”

“Un.....” There were scenes that appeared in front of Luo Qing Chen’s eyes.

The bellow of the train and the rows of red railing.

“What is it?” Mo Ze Chen noticed that something was off with her expression. When that girl’s expression had changed before in the past, everything had changed.....

Now it was someone else and she had the same expression as her back then!

“Nothing.....” Luo Qing Chen shook her head, “It could be that I’m hungry.....”

She felt a bit flustered, so she came up with a bad excuse.

A smart person like Mo Ze Chen definitely would have seen through it.

Though someone who was at the peak when it came to IQ and EQ naturally wouldn’t say it.

“Then let’s go and get some hot pot!” Mo Ze Chen looked at her and seriously ordered, “If something is wrong, you have to tell me.”

“Alright.”

—

When she came home, they went through the back door instead of the front door.

Because at this time, the Mo Family villa next door was brightly lit. Mo Tian seemed to have understood something and didn’t ask a thing, rather she said, “I’ll go sleep with Ah Yue tonight.”

“Un, un, un.” Ah Yue happily nodded, “Alright, alright!”

Luo Qing Chen leaned back on the sofa, watching the youth prepare the ingredients in the kitchen and the kids playing in front of her, thinking that this life was quite good.

“Girl, do you eat spicy foods?”

“Ah!” Luo Qing Chen was surprised and tilted her head to look at Mo Ze Chen in the kitchen, “Are you talking to me?”

"Who else would I be talking to! Fool....." Mo Ze Chen in his apron had a pampering look in his eyes, like he was looking at his wife, looking at her so gently.

Seeing Mo Ze Chen like this, her face couldn't help turning red. She touched her ear out of habit while her face turned red.

"Why aren't you calling me by name instead of calling me girl!" She bit her lip, "I couldn't react."

Mo Ze Chen heard this and a sparkle appeared in his deep eyes as he looked at her, "I feel that the name Qing Jiu doesn't suit you, you should have a more special name!"

His words were very contradictory, but Luo Qing Chen knew what he meant.

Luo Qing Chen looked at him with a faint smile and didn't say a word, but it was a very happy smile.

"Fool." He calmly looked at her and asked, "Can you eat spicy foods?"

"No!" Luo Qing Chen decisively shook her head.

"Green onions?"

"Nope!" She decisively shook her head again.

"What about coriander?"

"No!" She knitted her brows when she shook her head.

Mo Ze Chen gave a laugh, "That's an unbalanced diet!"

Although he said this, he brought out a very clear hot pot without any chili peppers, green onions, or coriander.

Ah Yue and Mo Tian looked at each other before picking up the large spoons and happily saying, "Let's start!"

Chapter 1732: Stunned! I am the evil female lead (Part 70)

"Cheers!" Luo Qing Chen raised her cup. Today's glass wine wasn't filled with red wine, but rather carbonated coke.

The fragrant scent made one's stomachs gurgle.

Everything was so comforting that it made her forget the unsettled feeling in her heart.

It was another starry night with a bit of snow in the air. Ah Yue and Mo Tian slept with a doll in their arms. Mo Ze Chen helped her heat up a glass of milk and the two sat by the skylight looking at the moon outside.

In the end, he said the words that had been in his heart for a long time, the words she had been waiting for for a long time.

"I'm not going to the wedding." Mo Ze Chen's eyes turned dim as he looked at her, "Although you might think these words are shameless, if I have to go, I want to bring you with me."

The glass of milk in Luo Qing Chen's hand shook and her eyes turned red.

She knew that Mo Ze Chen could say this to her because after hesitating to make his decision for a long time, he had finally decided to go with his heart.

After a while, seeing that Luo Qing Chen didn't reply, he said in a nervous voice, "Why aren't you.....saying anything?"

Did she think that he changed his mind too quickly and wouldn't treasure what he had?

Or did she think that he was someone who likes new things?

Actually.....it's not strange if she thinks this. After all, he himself thought that he was this kind of person.

The emotion of liking had never changed. He told himself that if there was a 'shameless' change of emotions in the future, he would consider himself scum!

"No, I feel very touched!" Luo Qing Chen took a sip of her milk before looking at him, "Thank you for choosing me without knowing everything. Mo Ze Chen really is a good person."

[Ding, affection has increased by ten. Mission completion rate is now 90%.]

Finally he was attracted to her again. No matter what time it was, no matter what world it was, no matter what status she had.

As long as she was Luo Qing Chen, he would be able to find her with his feelings and everything was possible.

"Do you think that I'm not focused when it comes to feelings....."

"No!" Before Mo Ze Chen finished, Luo Qing Chen cut him off. She looked into his eyes that were like the stars and said, "You will never be that kind of person in my heart!"

"But I can't give you a promise."

"I don't need it!"

"Silly girl....."

"Mo Ze Chen." Luo Qing Chen softly called his name as she said, "Liking a person is following your heart because no matter how big the storms are, there will be no obstacles."

After a while, Mo Ze Chen raised his right hand to pat her head, "Pats....."

It was a sleepless night, whether it was Luo Qing Chen or Mo Ze Chen, whether it was Pei Dan Dan or Jiang Yi Liang.

Not a single one of them could sleep well because it was a grand wedding for two great families of A City.

This wedding that moved all of A City, the male lead had disappeared for a whole day and no one could find them.

And Pei Dan Dan was trying her gold designer wedding dress from Milan, which was one of a kind.

She had heavy makeup and red lips. There were a pair of eyes that were filled with endless hatred, as she hated everything in this world again.

How unfair it was, God had given her this identity, but they didn't give her the perfect ending.

Chapter 1733: Stunned! I am the evil female lead (Part 71)

She couldn't help thinking of this afternoon at the gate of Cherry Blossom Elementary.

After all, Mo Ze Chen had chosen to go with her. Whether she was Luo Qing Chen or Pei Dan Dan, whether she had a peerless look or an ordinary pretty face.

He could rely on his feelings to walk towards her step by step.

Why?!

Pei Dan Dan's heart couldn't help screaming: Why!

She calculated in her heart and did many things. It was all to stand at the peak, just like a queen, to be dazzling.

Just like the past Luo Qing Chen who was the center of attention no matter where she went, who could be that dazzling.

It was a pity that reality was a fierce slap to her face. She had the identity, but nothing else!

At least she didn't get what she wanted and it was also taken away by a person with a lowly status!

She couldn't stand this anger, she really couldn't stand it!

She used to be a kind person, but she was forced into where she was today!

It wasn't her fault, it would always be Luo Qing Chen's fault. How could she steal everything from her?

At the same time, in the Jiang Family.

Jiang Yi Liang laid in bed as he looked at 'Luo Qing Chen' on WeChat again and again. Naturally he didn't know that this person only had Luo Qing Chen's face.

But he felt it was a bit familiar and he was a bit unwilling.

Without knowing why, after the big fire at school, 'Luo Qing Chen's' personality had been different from before.

It wasn't as close as in the beginning and it wasn't as cold as in the end, it had become familiar, strangely familiar.

She replied to his messages and although she wouldn't reply to them all, she would reply to some at least. She complained at times and sometimes expressed her concerns.

It felt like towards the current 'Luo Qing Chen', Jiang Yi Liang was a bit helpless to resist.

She didn't approach him and didn't keep him away. Even if she was about to get married, she stood in the black and white zone between love and friendship, not leaving it.

When night slowly fell, when the sun slowly rose, the biggest wedding in A City began.....

Luo Qing Chen would welcome her most crucial battle and her premonition of danger became even stronger.

It wasn't her danger, but rather Ah Yue's.....

—

At the busy scene, everyone was running around, but the groom didn't arrive.

Mo Jing's expression was very ugly because Mo Ze Chen's phone had been turned off for three days now.

Even at the last moment, he didn't believe that the son he had been proud of would irresponsible enough to abandon this wedding.

To him, this was something that definitely couldn't be allowed.

"Brother Luo, be assured! If Mo Ze Chen doesn't arrive today, he will never be my, Mo Jing's son!" Mo Jing said with a serious look, "I only recognize Xiao Qing as my daughter in law."

Luo Du Gu gave a sigh, "Perhaps my daughter doesn't have this luck, the affairs of young people should be left to them. This wedding.....Ai....."

It was his daughter in the end and even with more resources in business, he wasn't willing to sacrifice his daughter's happiness.

Since Mo Ze Chen had given up on her, he should forget it!

It's better than being even more unhappy after the wedding.

"It was my Mo Family who has wronged Xiao Qing....."

Pei Dan Dan looked at her perfect face in the mirror and tightly clenched her fists. She took off the veil and looked at the elders, "Since he's not coming, I'll go look for him!"

Chapter 1734: Stunned! I am the evil female lead (Part 72)

Luo Qing Chen never thought that Pei Dan Dan would use the Luo Family's influence to take Ah Yue from Cherry Blossom Elementary during the first recess.

When she heard of this news, it was already noon.

She and Mo Ze Chen sprinted to school, but the teachers didn't know a thing.

Sitting in the passenger seat of Mo Ze Chen's car, her mind was panicking, but her face was calm.

Because she knew that she couldn't panic.....

Pei Dan Dan was a smart person. She was now the young miss of the Luo Family, she wouldn't kill anyone if it wasn't the final moment and she wouldn't try to die together.

So what did she take Ah Yue for?

"Don't worry, I will definitely find Ah Yue!" Mo Ze Chen's mind was quickly turning.

Actually, he didn't understand the current Luo Qing Chen or know what she was thinking. He could only use the status of a bystander to think of her reason for doing this and the consequences.

Mo Tian was sitting in the back seat with tears in her eyes, but she didn't dare make a sound.

She blamed herself very much.....If during class she had asked the teacher where Ah Yue had gone, perhaps things wouldn't be as bad as they are now.

Although she was a child, she cherished her friendships more than adults.

A minute later, Luo Qing Chen and Mo Ze Chen's expressions changed at the same time.

The two said in unison, "The station!"

Mo Ze Chen looked at her with an amazed look because for him to say these two words, he had made countless assumptions in his mind before ruling them out one by one.

As the youngest professor of the Aspen University in America, he thought that the things he could do couldn't be done by anyone else.

Because it was too difficult to guess where Ah Yue was, but he never thought that the girl beside him would say these two words!

Without any hesitation.....

"You.....How did you know?" He looked at her as he couldn't help feeling amazed. Then he knitted his brows and said, "But do you know which station it is?"

He could guess that 'Luo Qing Chen' would bring Ah Yue to a station because when she couldn't hurt her, it was easy to sell her to an unknown town or village.

But there were many stations in one city, so if they had to check one by one, there wouldn't be enough time.

Luo Qing Chen knitted her brows before pursing her lips to say, "It should be the train station."

She had heard the whistle of the train and the sound of the tracks in her vision of the future. The system was right, what should come would still come.

She couldn't go against the matters of the heavens, she couldn't stop the future.

But.....she could change the ending of this story!

"You....." Mo Ze Chen looked over at her, "Girl, you really are amazing."

This was his first time he admired a person this much. What kind of calculations had she done to know that Ah Yue was taken to the train station?

—

The air was filled with smoke and there was a 'poor' aura that came from this place.

This was the only 'green train' that ran today. The tickets were very cheap and it moved very slowly. This train was for the relatively poor people, so even the waiting area was different.

Pei Dan Dan pushed up her sunglasses and looked at Ah Yue who was sleeping in the wheelchair before revealing a sinister smile.

Chapter 1735: Stunned! I am the evil female lead (Part 73)

Pei Dan Dan's clothes were very conspicuous here. She came forward to meet a half blind cripple, Ah Gang.

When Ah Gang saw Pei Dan Dan, his drool dripped down and his face scrunched together, revealing an ugly smile.

Although he didn't do anything on the surface, their hearts couldn't do anything about him.

"You were introduced by big brother Pei, right!" Ah Gang licked his lips, looking quite wretched.

Pei Dan Dan didn't know that many people, the only person she was familiar with was her debt ridden brother.

But this time, she didn't find him as a 'little sister', but with another identity.

The Luo Family's young miss!

"Un, here are the goods." She threw a black envelope on the wheelchair before turning to Ah Gang, "I don't need you to do anything else, just bring this girl as far as possible and never come back."

Her voice was ice cold and her eyes were filled with hatred.

"Be assured! We take people's money, so we take care of their problems." Ah Gang's right hand took the envelope, feeling how thick it was before looking it over and then revealing a wretched smile, "Not to mention that this little girl looks this good, big brother won't lack people!"

Pei Dan Dan heard this and she revealed a smile of deep meaning as she said, "Then you have to work hard and don't leave a single trace related to me."

As soon as her voice fell, she put on her mask and walked out of the station without looking back.

Her thoughts had never changed since the beginning. Since she couldn't get happiness, how could anyone else in this world have happiness!

Wasn't it fair for everyone to feel this pain?

At the same time, Luo Qing Chen and Mo Ze Chen arrived at the train station. Since New Year's Eve was coming, there were many people here, so it was very hard to immediately find Ah Yue.

Where, where, where was she?

"I already called the station master and they have all the attendants looking for a child. The photo should have already been sent." Mo Ze Chen tightly held her shoulder with both hands, "Don't worry, we'll find her."

"No.....No." Luo Qing Chen took a deep breath before slowly looking up at him, "I know that you don't believe in fate, but there is a disaster in Ah Yue's life. If my guess isn't wrong, it should be today!"

Although this seemed like fantasy, the five elements and feng shui had been passed down since ancient times.

It was just that normal people didn't understand it. The fast pace life made people forget many things left by the ancestors.

But everyone had a premonition of these things.

"You.....shouldn't be a fortune teller, right!"

"I'm not, but Ah Yue's grandfather is." Luo Qing Chen narrowed her eyes as drops of sweat dripped down her forehead. She looked at him and said, "It should be a green train with rust coloured rails."

"Green train....." Mo Ze Chen quickly took out his tablet and his slender fingers quickly tapped on it, "If it's a green train, one should be leaving soon, but there's only one today. It's at the east gate."

As soon as Mo Ze Chen's voice fell, Luo Qing Chen's expression changed as she flew off towards A Station.

She promised Mu Wang to save Ah Yue, so she would definitely do it.

At this time, Pei Dan Dan who was wearing a black mask and black sunglasses saw Luo Qing Chen and Mo Ze Chen.

She used everything to suppress the rage in her heart and followed behind them.....

Chapter 1736: Stunned! I am the evil female lead (Part 74)

The train for Peace Sun Town would leave at half past one and it was now fifteen past one, so they should have finished checking the tickets.

"Run slower." Mo Ze Chen grabbed her hand and slowly pushed back her scattered hair, "We can get there in time."

"No, we won't make it." Luo Qing Chen shook her head, "It's about to leave soon!"

"If I say we can make it, we can make it." Mo Ze Chen's deep eyes looked at her as he shook the phone in his hand, "This train can only arrive today, it won't leave."

Luo Qing Chen was surprised. Then she realized that with Mo Ze Chen's status in A City, stopping a train was incredibly easy.

In the end, it was a good thing he was here.

Walking into the waiting area, there was a thick smoke and stench in the air. The sanitation worker gave a sigh while cleaning up the soot and dust on the ground.

The funding determined the condition of the building, so this was reasonable.

The people here weren't lowly people, it was just their behaviour that made them like this.

After going around, they couldn't find a trace of Ah Yue. All the surrounding people left the waiting area and went to check in their tickets.

"Ah Yue should have entered already." Luo Qing Chen pursed her lips and asked Mo Ze Chen, "Do you have a way to let us go in?"

They should have stopped selling tickets already, so if they didn't know anyone, they couldn't get on the platform.

"You can just go in." Mo Ze Chen revealed a faint smile, "Because I'm here."

Without knowing why, in such a dangerous situation, when someone was panicking beside him, there was a war feeling.

She stood on her tiptoes and placed a kiss on his cheek, "Thank you, Mo Ze Chen. I will use my actions to prove that you didn't choose wrong."

He had never been wrong about the person he loved since the beginning! He wasn't scum, but that obsessive and terrifying love trapped him in self doubt.

She would definitely tell him that his feelings were right, the person he loved and trusted wasn't wrong;.

Mo Ze Chen had a gentle look in his eyes that was hard to hide and he took this opportunity to place a kiss on her forehead, "I know."

Over the past few days, he would always think about random things. The more he thought, the more outrageous it seemed, but it was also closer to the truth.

Holmes once said that when all the impossible has been eliminated, the one remaining was the truth even if it was impossible.

He had a terrifying feeling in his heart, but he never dared to face it.

That was— —

Perhaps, the past Luo Qing Chen was the current Qing Jiu.

It was very ridiculous, but this was what he thought.

Every action she had was so similar, even the words she spoke and the things she did were similar.

If this was true.....he really would be happier than anyone.

But he never would have thought that the girl standing behind them would already reach her dark hands towards them.

—

At the same time, Ah Gang rubbed the young girl's delicate calf with the back of his hand.

This feeling made his blood boil and there was a wretched look of enjoyment as he began imagining in his head.

Ah Yue who was on his back seemed uncomfortable being touched by these rough hands and she knitted her brows.

The noisy surroundings gradually cleared her dizzy mind and her calves were beginning to swell.

When Ah Yue opened her eyes, she panicked.....

Chapter 1737: Stunned! I am the evil female lead (Part 75)

At the same time, Ah Gang noticed the movements of the girl on his back before a sharp scream rang out.

At the same time, the train hadn't arrived yet. Everyone's eyes fell onto Ah Gang and Ah Yue. There were some little girls who took a few steps back, looking at them with a look of fear.

"You.....Who are you?" Ah Yue's feet were a bit weak and she struggled off Ah Gang's back, but she couldn't stand and she fell to the ground.

"Damn." Ah Gang muttered before saying in a louder voice, "Little sister, you still want to run off with that beast? You're only this old! Come home with big brother!"

It had to be said, since he was in this business, he would meet this kind of situation, so being able to act was good.

Everyone looked at them with doubt, but not a single person came forward.

"No.....No....." Ah Yue's face was incomparably pale and she desperately shook her head as she muttered, "I don't know him, save me.....save me....."

She wanted to run, but she found that she didn't have any strength at all. The wind blew in her ears and she heard the sound of the train running on the tracks as a whistle rang throughout the station.

Luo Qing Chen who was on the stairs heard this sound and her heart skipped a beat as her hands couldn't help trembling.

This was.....Ah Yue's calamity!

"Damn!" She gritted her teeth and ran down three steps at a time, she couldn't even hear what Mo Ze Chen was saying behind her.

Telling her to wait, to wait for him.

At the same time, Ah Gang picked Ah Yue up and planned to bring her into the car before covering her mouth.

When he picked her up, Ah Yue bit right into his arm and blood came out.

“You girl!” Ah Gang roared out in anger and it was at this moment that the green train appeared in front of them.

Pei Dan Dan was also on the platform and she used a shortcut to reach the platform before Luo Qing Chen.

She personally stopped Ah Yue from escaping.....

Ah Yue ran forward, but she hit Pei Dan Dan. She leaned over and stroked her face with her slender white fingers, “You truly are pitiful when you cry, I’m even a bit unwilling when I see this.....”

“Let her go!” Luo Qing Chen’s eyes were ice cold and even her breath was filled with a chill.

“Big sister Qing, save me!” Ah Yue kept crying for help. Luo Qing Chen narrowed her cold eye and looked at Pei Dan Dan who was disguised in this ‘human skin’ with heavy makeup on as a feeling of pure disgust filled her.

When she put her sharp nails into Ah Yue’s arm, Luo Qing Chen’s cold as ice eyes filled with killing intent.

This was the first time she wanted to kill in this world. She didn’t care about the supporting female lead in the beginning, but now she wanted her to die.

It was enough to show how much she couldn’t stand the things she was doing.

“I want you to see the person you want to protect.....dying in front of you.” Pei Dan Dan’s eyes didn’t have any panic, just a look of dead stillness.

These eyes she had seen before. During that sea of flames, when she stood on stage and was surrounded by flames, she didn’t show any fear in her eyes.

As soon as her voice fell, she didn’t hesitate to push Ah Yue off the platform in front of the train that was arriving.

“Si!” There was a sharp brake sound and the sounds of screaming that came from around her.

[Space and time freeze.]

Chapter 1738: Stunned! I am the evil female lead (Part 76)

Everything stopped around her and the train was already in front of Ah Yue.

The train was right in front of Ah Yue and under everyone’s eyes, she didn’t know what to do to not make this world collapse.

If she saved Ah Yue like this, perhaps.....

[System notification: The place will completely collapse and the end of the world will come.]

System! Don’t just watch like this, tell me what to do!

[Let live and let die.]

It can't be that you're telling this treasure to die, right.....

[All living things are in a cycle. Other than that, the host's space and time freeze has already reached level three, so you can unfreeze one person.]

Luo Qing Chen understood the meaning of the system. Although she didn't how it would turn out, but.....

For Ah Yue to survive this calamity, someone had to die in her place, which should be what the system meant by let live and let die.

To unfreeze one person, it was most likely.....

The system knew that she already wanted to get rid of Pei Dan Dan.....

"Ding, space and time freeze lifted."

Pei Dan Dan trembled. She suddenly came out to this absolute silent world, looking around in disbelief.

"Should you repeat what you just said?" Luo Qing Chen curled her lips into an ice cold smile, releasing a chill from her body that could freeze everyone around her!

Pei Dan Dan's face was pale. She was not someone afraid of death, but when she saw everything that went against common sense in front of her, she couldn't help being filled with fear.

This was a fear that everyone would have.....

"This.....What is this?" She desperately shook her head as her fire red lips were trembling from fear.

Luo Qing Chen looked at her with ice cold eyes, "You can't understand? This in our world is called space and time freeze!"

It had to be said, seeing how shocked Pei Dan Dan was and how scared her eyes looked, she felt strangely pleased.

The suppressed feelings seemed to have been vented at this moment.

"Impossible, impossible, impossible." She repeated this three times as her legs couldn't stand firm and she fell to the ground. Slowly turning her eyes, she looked at Ah Yue standing in front of the train in horror.

"Pei Dan Dan!"

"Don't say that! I am not Pei Dan Dan, I am Luo Qing Chen!" She defended to the best of her ability. In this world where only she was Luo Qing Chen, she desperately said these words for herself.

That beautiful face distorted and looked quite sinister.

"No matter who you are, you will always be a poor person who can't get anything." Luo Qing Chen gave a cold snort and looked down on her, "Because you can't kill me and can't kill the people by my side."

"Impossible, I will make you suffer, you will definitely suffer!" Pei Dan Dan hit the floor with both hands as she roared, "You monster, this world can't take you. You're this ugly and have such a lowly status, how can you compare to me?!"

She kept saying that she wasn't good, but it was funny in Luo Qing Chen's eyes.

A person who even looked down on themselves, there was no meaning in letting them live.

"Pei Dan Dan, you can't fight me not because of my status." She looked over at Mo Ze Chen and muttered, "Because you don't have a person who loves you."

Chapter 1739: Stunned! I am the evil female lead (Part 77)

Love?

What an ironic word, how long has it been since she heard someone say they loved her.

When she was at Star Royal, she had nothing, but she had lived happily.

Because of her independence, she obtained Jiang Yi Liang's favour. She didn't know why he changed after, loving a woman he should have hated the most, becoming that unfamiliar.

She could suffer, but she couldn't go back to the hard days after seeing the light.

She could be unloved, but she couldn't be alone after being loved.

Because of this, her personality had greatly changed. The devil in her heart occupied it completely, not leaving a speck of light.

"Ha, ha, ha, ha, ha, ha, ha, ha, ha!" She laughed into the sky as tears came out of the corner of her eyes. She looked at Luo Qing Chen with a sharp look, "So what if I don't have love? Isn't that status I have right now yours? Could it be that you want to tell the entire world that you are a monster that can free time and space?"

Luo Qing Chen gave a shrug and revealed a faint smile, "How old was I when I first called for my mom? What was the first birthday present that I received? What flower do I like? Do I like dogs or cats? Do you know any of this?"

As soon as her voice fell, Pei Dan Dan's face lost all expression and was like a pool of still water.

Because Luo Qing Chen had pierced right through her thoughts. She was a smart girl, how could she not know that even though she became the Luo Family's young miss, every word and every action was like skating on thin ice?

Just a single wrong step and she would lose everything. She wasn't living for herself, but for Luo Qing Chen.

She.....was like a puppet.....

"Stop, stop....." She covered her ears and curled up hugging herself as she shook her head, "Stop talking, I don't want to listen, I don't want to listen."

Seeing Pei Dan Dan in front of her who had lost all her mental defenses, Luo Qing Chen gave a cold snort as her heart filled with joy.

[Host, the space and time freeze is about to end.]

Un, got it!

She turned to look at Mo Ze Chen. His eyes looked so good and there was the familiar black mark on the back of his ear as the light fell onto it, looking dazzling like no one else's.

He was this kind of person, one who could attract her gaze and attention no matter where he was.

But this time, she would leave first. She could imagine how heartbroken he would be after he learned that she had left.

She even thought that it might be better to wait for the end of the world so that everyone could die together.

But as long as she thought of Mo Tian and Ah Yue's smile, she felt that she couldn't do this.

Because.....it was too selfish.

She closed her eyes and stood on her tiptoes to place a soft kiss. This seemed to be the third time she took the initiative to kiss him and each time she felt very nervous.

Even this time, it was when he didn't know about it.

On the platform with snow filling the sky, she could feel the heat from his lips. Moving away with a single touch, leaving behind a faint sweetness.

Luo Qing Chen never would have known that although Mo Ze Chen had been frozen, that kiss was something that he had felt and.....it was that deep.

"Sorry, I'll be leaving first." Luo Qing Chen took a deep breath and unwillingly pursed her lips as she said, "I know what identity you will have in the next world. I don't want to grow old together, I just want a happy life. So in this world, I hope that you can do the same!"

Chapter 1740: Stunned! I am the evil female lead (Part 78)

As soon as her voice fell, she rushed towards Ah Yue during the countdown of the space and time freeze. She lifted her hands and pushed her towards the platform!

"Silly girl!" There was a voice filled with despair that rang in her ears mixed with the whistle of the train and the screams of the bystanders.

Luo Qing Chen could feel her fingers trembling.....It turned out that at the moment of death, every person would feel fear.

When she was about to accept the pain of 'turning into a meat patty', there was a notification from the system in her mind.

[Ding, affection has increased by ten. Mission completion rate is now 100%.]

She felt there was a 'bang' sound like she had suddenly exploded.

The feeling of being in the moment to the feeling of becoming a bystander, that really was unbelievable.

At that moment, she seemed to understand what the system meant. Let life and let die meant this.

The moment the train hit her, their souls had changed back.

Luo Qing Chen could see Pei Dan Dan's eyes filled with horror the moment that it had happened.

This was her final appearance before death: Horror, despair, fear, and hatred.....

[The space will be repaired in the next ten seconds and the memories of everyone except the male lead will change as the system is repaired. What happened just now was Ah Yue accidentally fell off the platform and Pei Dan Dan went to save her.]

Hearing the long notification from the system, Luo Qing Chen understood what it meant.

After all, if it didn't wipe the memory, she would be the person who had killed Pei Dan Dan!

She had gone through everything, how could she go to jail?

But, why did it exclude the male lead?

—

[Ten, nine, eight, seven, six, five, four, three, two, one, zero! The space has been repaired and it is now under control.]

"Ah!" The first thing that could be heard was the scream of a girl as the entire platform was covered in blood.

The train had been too quick and almost crushed Pei Dan Dan instantly. There was a loud sound as a deep red colour stained the rails.

Luo Qing Chen slowly stood up and wanted to find Mo Ze Chen. She found that he was hitting the green train as he muttered like he was crying, "Stop, stop, stop."

She stood there looking at Mo Ze Chen in silence, the Mo Ze Chen who was lost in a panic. Her heart trembled like it had suddenly been hit by a large rock.

At that moment, she completely changed her mind.

If she saw Mo Ze Chen having such a look of despair, she would have let the plane collapse and let the world end.

This was indeed a very, very selfish thought, but she couldn't bear to leave Mo Ze Chen alone in this world.

He was someone with high IQ and EQ, but at this moment he was on the ground begging for the train to stop.

This was Luo Qing Chen's first time seeing Mo Ze Chen like this.

She took a deep breath and slowly moved towards him, with each step being filled with love.

When the dust fell, she steadily walked to him.

"Mo Ze Chen." She gently patted his shoulder and called his name. Her eyes were red as her lips curled into a faint smile.
