Chapter 1901: Hello, my mister confidant (Part 4)

"It means what it means!" Luo Qing Chen gave a serious nod, "I seemed to have seen you and Fang Xiao Jing together at the entrance of school, what is your relationship?"

In this situation, the preemptive strike was definitely the best method.

If Luo Qing Chen wanted to confirm what was on her mind, she wouldn't use an 'unnecessary' method like this.

This was a strange mentality. As long as the other side had a special relationship with Fang Xiao Jing, whether they held hands or not, he would be stunned.

Facts proved that Xu Ze Yan was stunned.

"What nonsense are you saying!" He looked away and said, "We were just discussing next month's celebration party."

Hearing Xu Ze Yan's words, Luo Qing Chen was more assured!

After all, although in another world, Xu Ze Yan was a scumbag.

If he didn't cheat in this world first, she didn't want to be the one who cheated first!

"Oh." Luo Qing Chen gave a shrug and her lips curled into a faint smile, "You don't need to tell me, I don't need to know."

After she said this, she turned to look in He Jin Nian's direction.

He was still talking to the girls in this class and he didn't notice her at all.

Angry, angry, angry!

Without knowing why, she just felt so angry!

"Qing Chen!" Xu Ze Yan was a bit angry as he said, "Don't change the subject. I am asking you about your relationship with He Jin Nian! What do you mean by very good?"

Luo Qing Chen couldn't help which donkey kicked in the brain of this person named Xu Ze Yan, could it be that he couldn't understand such a simple fact?

"So with what identity is classmate Xu Ze Yan asking me this question with?" Luo Qing Chen put her hands in her pocket and calmly looked at him, "Why don't you tell me so I can correct you?"

"You're asking about our relationship." He angrily looked at her, "I am your husband! You and another man are doing unknown things and you won't let me say it? Do you want to put a hat on my head?"

Damn! Luo Qing Chen silently cursed him out in her heart!

This trick of who went first was not bad! If she cheated first, he and Fang Xiao Jing being together would be justified.

Such a late encounter, it would be considered a beautiful fairy tale!

It was a pity that she was the author of this fairy tale! Wouldn't it be funny if he could play word games with her?

"Ke, ke, Xu Ze Yan based on what can you say this?" Luo Qing Chen narrowed her eyes, "Do you have evidence?"

"Is there even a need for evidence! The entire school is aware of your unclear relationship, alright?" Xu Ze Yan deliberately raised his voice so that the bystanders would look at her.

He Jin Nian's calm look was included among these people looking.

"But the evidence between you and Fang Xiao Jing....." Her lips curled into a beautiful curve, "I have it."

Actually she didn't have it, but the previous host did.

The reason Fang Xiao Jing appeared in the memories of the previous host was because she had actually seen them together at the entrance of a bar.

And she took a picture with her phone.....

The previous host wanted to find a time to talk to Xu Ze Yan about this, but she never had a chance.

Only after she came to this world, Xu Ze Yan created this opportunity.....

Chapter 1902: Hello, my mister confidant (Part 5)

Xu Ze Yan was clearly surprised and was in a bit of daze. He cleared his throat before lowering his voice, "She and I are just normal friends, not like the special relationship between you and He Jin Nian!"

He looked very angry, but his tone had improved. Luo Qing Chen didn't reply and just looked at him with a calm look. She deliberately watched his anxious look and felt very happy.

A scumbag was a scumbag, he would be a scumbag no matter which world it was.

Seeing that Luo Qing Chen didn't speak, Xu Ze Yan became even more anxious. He had indeed gone to a bar with Fang Xiao Jing and had drunk a lot that night, so he didn't go home.

If Luo Qing Chen didn't see it with her own eyes, she wouldn't be able to describe it, so he was a bit panicked.

Fang Xiao Jing, although she didn't look bad, she was quite good at teasing.

What he liked was having a foot in both boats, it was exciting!

Therefore if he hadn't heard this from Luo Qing Chen, he wouldn't have planned on breaking up with her. After all, being with the top of the school and the school flower gave him face.

The most important thing was that he didn't want to lose to He Jin Nian.

Wasn't it said that they had an abnormal relationship? It's a pity that she was his girlfriend!

“Qing Chen, I’m not here to argue with you. If you apologize to me and promise to never go around with He Jin Nian in the future, you will still be my good wife!” Since the other side didn’t reply, his tone gradually changed. But why did his words sound.....so bad?

“Apologize?” Luo Qing Chen gave a cold laugh, “It can’t be that your head was smashed right!”

To be honest, she was too lazy to argue with Xu Ze Yan.

Actually.....she couldn’t not argue, it was too much!

“Are you going to apologize or not? If not, we’re breaking up!” Xu Ze Yan wanted to take a step back and reconcile.

He never thought that she wouldn’t accept and would speak in such an aggressive manner.

Would he keep this girl?

“You’ve finally said something a human would say.” Luo Qing Chen slowly stood up and pulled the stunned You Tang beside her, “We’re leaving!”

“What?” You Tang looked at her with an awkward look, “Don’t, don’t, don’t fight.....”

Luo Qing Chen revealed a calm smile, “We’re not fighting, we’re going separate ways!”

As soon as her voice fell, Luo Qing Chen walked forward without even looking back. She left behind a stunned You Tang and a Xu Ze Yan whose face was red from being angered to death.

When she moved past the stone bench, she looked at He Jin Nian.

His face was calm and he had a faint smile. He was still listening to his little fans, not caring about her at all!

Damn! So angry!

At lunch, You Tang looked at her with a dissatisfied look. She gave her a piece of her favourite sweet and sour pork rib before saying, “I was just joking about priorities this morning, you and Xu Ze Yan should reconcile! A golden couple, how many people are jealous of you, what are you fighting for!”

“He and I aren’t a golden couple!” Luo Qing Chen didn’t even care about this topic as she was already looking at He Jin Nian who was sitting at the windowsill.

He leaned by the window and girls would pass by his table from time to time.

Among them was Fang Xiao Jing from the music department. Luo Qing Chen didn’t find this strange because in a different world, the story would develop differently.

Chapter 1903: Hello, my mister confidant (Part 6)

Luo Qing Chen wasn’t far from He Jin Nian and she could see that Fang Xiao Jing gave him a box of chocolates with her super 5.2 vision.

The important thing was: After he refused it, the fatty beside him took it.

Angry! So angry!

After lunch, there were no classes in the afternoon for university students.

You Tang had done quite poorly on the exam this time, she had died on the questions worth a lot of points!

As long as there was a question that included calculus, she didn't get a single one right.

"Just come with me! Otherwise I can't pass the next exam!" You Tang pulled her hand with an aggrieved look, "Just help me!"

Luo Qing Chen looked at the sun in the sky before agreeing to You Tang's request.

Since it was class time, there weren't many people in the library. Luo Qing Chen chose several books that helped with calculus from the shelves and chose to sit near the window.

You Tang was very quiet, probably because she felt that she couldn't take her bad mark, so she started studying hard after sitting down.

Luo Qing Chen took out a manga for herself and casually looked through it as the fragments of sunlight fell on her snow white face.

As soon as she flipped to the next page, there was a familiar figure reflected in the window.

He Jin Nian.....

He put a bottle of chilled Pepsi on the table and looked at her, "I thought about buying you some alcohol, but then I was against drinking alcohol at school."

Luo Qing Chen strangely felt a bit nervous, but she didn't let that nervousness show with her personality.

There was a 'ka' sound as white mist came out.

She took a big sip from the Pepsi, "I feel that it's very appropriate."

"There's a high school reunion tomorrow, they can't find you, so they wanted me to ask if you're free." He Jin Nian was very calm without a single ripple in his calm as water eyes.

It was as if they were just classmates who had known each other for a long time, it was as if 'the relationship beyond friendship' didn't exist between them.

"Un, I'll go! Anyway, we haven't met in a long time." Luo Qing Chen looked at him, "I can also tell your little fans in high school all about your dazzling accomplishments in university."

In front of this calm youth, the preemptive strike was definitely the best choice!

He looked over and narrowed his beautiful eyes as he seriously looked at her, "Single people have nothing to share."

"You....." Luo Qing Chen gritted her teeth before she gently shook the Pepsi bottle in her hand, "I'm also single."

“You’re sure?” He softly said as a different emotion appeared in his eyes.

She finally saw through Xu Ze Yan’s ‘scum’ personality and broke up with him?

“I.....”

“Qing Chen!” When Luo Qing Chen was about to say something, Xu Ze Yan appeared again!

She suddenly knitted her brows. She felt like this was a familiar feeling, why did this Xu Ze Yan keep lingering around her?

He Jin Nian’s beautiful eyes had a faint dark glow. He slowly stood up and he didn’t forget to say after he left, “Tomorrow afternoon at two, I’ll pick you up in the old place.”

The cafe by the high school was always the place they met when they made appointments before.

“He Jin Nian.....” Luo Qing Chen slightly knitted her brows as she said, “Don’t be late.”

He waved her hand and left only his back to her before disappearing from her gaze.

She couldn’t help looking at the Pepsi on the table and thought: Did he really just come here to give me this?

Chapter 1904: Hello, my mister confidant (Part 7)

But she didn’t have time to think about it now since there was a ‘big problem’ standing in front of her!

“Didn’t we make it clear this morning during physical education?” Luo Qing Chen half leaned against the windowsill, taking a sip of her Pepsi as she said, “What else do you want to say?”

Luo Qing Chen could see that Xu Ze Yan was clearly very contradictory. He wanted to have one foot in both boats while also not wanting to break up with her.

After all, the previous host was quite good to him and the previous host had a good family, they would always give him red envelopes and gifts during holidays. Therefore, while his relationship with Fang Xiao Jing wasn’t set yet, he didn’t want to break up with Luo Qing Chen that quickly.

Of course, for someone like her who had been through all those words, she could see through his thoughts with a single look.

A scumbag was a scumbag in the end, he always ate his bowl and then looked in the pot.

“I was impulsive this morning.” He put his hands on her shoulder and looked at her with a determined look, “I love you very much, I don’t want to break up, alright.....”

Everyone looked at Luo Qing Chen with envious gazes. After all, it was a school hunk who was looking at her and talking in such a low voice, the fans couldn’t help being envious.

But she knew exactly what kind of person Xu Ze Yan was.

But since he was acting this weak, if she still acted tough, she would let him seem like he was the one being bullied.

The most appropriate thing to do now was.....acting like a pig to eat the tiger!

“Then can you guarantee that you won’t have anything to do with Fang Xiao Jing in the future?” She looked up with clear eyes that had a bit of aggrievement in them.

When this was said, everyone around them exploded!

“Wa! Is something happening?”

“It’s also something big. Didn’t school hunk Xu always say that there is an unspeakable relationship between Luo Qing Chen and male god Jin Nian?”

“The way you talk is so strange.....why is school hunk He a male god to you?”

“Because he’s my male god! But it looks like it really is messy!”

Xu Ze Yan’s expression changed. He clearly wanted to get angry, but he suppressed that anger!

He had already come to her and bowed his head, what else did she want?

“There’s nothing between me and her, you’re mistaken!” He was quite righteous when he said this and there wasn’t the slightest bit of panic in his eyes.

“Don’t you know in your heart whether I’m mistaken or not?” Luo Qing chen gave a soft snort before looking at him with a pretend proud look, “I can’t tolerate even the slightest bit of sand. Xu Ze Yan, be good or scram, or.....”

Her lips curled and she came in closer to say, “I will release the photos of you two on the school board. When the time comes, the network of fools that you’ve built will completely collapse!”

“You.....” Xu Ze Yan gritted his teeth and said, “Good, good, good, Luo Qing Chen, don’t regret this!”

Xu Ze Yan’s face was red from anger. He wanted to scold her, but there were too many people here, so he could only angrily leave with a head covered in veins.

Watching Xu Ze Yan leave, Luo Qing Chen was certain that he wouldn’t come looking for her again.

But that didn’t mean that she wouldn’t teach this scumbag a lesson. But before taking care of this scumbag, she should take care of mister confidant first.

He Jin Nian, He Jin Nian, He Jin Nian.....

Just what kind of things were hidden in his heart under that calm appearance?

The previous host didn’t know and she didn’t know either.....

She felt that he was a very mysterious person, one that kept all his thoughts in his heart.

Chapter 1905: Hello, my mister confidant (Part 8)

The next morning, it was a sunny day.

Luo Qing Chen chose a moon white dress with a pair of white sandals.

The weather in June was always hot which made it hard for people.

At the entrance of the cafe, He Jin Nian was standing there with a white dress shirt and a casual black tie. His chestnut hair swayed in the wind and attracted the gaze of countless people.

Among them were hers.

Luo Qing Chen narrowed her eyes before walking over.

“Not bad! Quite punctual!” Luo Qing Chen gave a chuckle, “Are you all dressed up to show off?”

She felt that what was hidden in He Jin Nian’s bones wasn’t a cold man, but rather someone who loved to show off!

“It’s to help the vice class president show off.” He looked over with a smile, which made her heart tremble when she saw it.

He gave the bag in his hand and said, “Drink up first. We’re going to the supermarket, they didn’t buy enough stuff.”

“Coffee?” Luo Qing Chen took the cup and saw the coffee drawing on it.

She had been tossing and turning all night, so she was a bit tired.

“Hot chocolate.” He looked at her and said, “If you drink too much coffee, you won’t be able to beat me on the next test.”

“.....”

There were a lot of people in the supermarket on the weekend. Luo Qing Chen walked in front of the shopping cart, choosing the things that she liked to eat.

When she got the shrimp, He Jin Nian knitted his brows and put it back.

She took another plate and he put it back again.

“What are you doing!” Luo Qing Chen turned over, putting the shrimp back in while looking at him with knitted brows, “You can’t eat shrimp?”

It’s fine if he can’t, but what if other people wanted to!

“You can’t eat it.” He put them back and looked at her to say, “Did you forget that you almost went to the hospital last time for having an allergic reaction?”

Luo Qing Chen heard this and was stunned, as she began going through her memories.

Actually the previous host loved to eat shrimp, but she became allergic after eating too much. It’s fine to eat it normally, but she couldn’t eat too much.

“But what if they want to eat it?” Luo Qing Chen took a step back while saying, “You can’t.....Aiya.”

“Be careful.”

Luo Qing Chen didn’t know what she stepped on, but she lost her balance.

In an instant, He Jin Nian grabbed her hand and pulled her to his side. The table behind them was covered in bottles which fell and his back hit the wall.

She felt her heart beat wildly. It wasn't because she was nervous because she almost fell, rather it was the faint scent that came from He Jin Nian and the warmth from his hand holding hers.

This lasted for three seconds. She blushed without daring to look up and when he turned, his beautiful eyes lit up.

"Aiya, I'm really sorry, we forgot to straighten the line here."

When the supermarket worker's voice slowly rang out, Luo Qing Chen came out of his embrace.

But the pain from her right ankle made her knit her brows.

She, who was prideful of course, pretended that she was fine. She looked at He Jin Nian whose lips were twitching with a faint smile and said, "That, I almost fell down....."

"I can see." He looked at her ankle before immediately moving aside.

Luo Qing Chen could see his red and swollen wrist and she felt a bit moved.

Perhaps the previous host never would have noticed that he had been injured for her.....

For He Jin Nian, he had been waiting his entire life. Waiting for the person he loved and paying with everything.

But that person hadn't appeared yet, so he placed all his care to the person he was the most grateful to.

But at this moment, he suddenly felt a bit of emotion that was different.....

[Ding, affection has increased by five. Mission completion rate is now 25%.]

Chapter 1906: Hello, my mister confidant (Part 9)

On the way to the villa for the party, He Jin Nian was carrying two large bags and didn't forget to bring the half cup of hot chocolate that Luo Qing Chen had been drinking.

At the bus station, he stood by her and his eyes kept looking at her from time to time.

That scorching sun on that white face and that faint blush looked very good.

He never had thought that she was dazzling, but today.....

They took ten stops and arrived at where their classmates were gathering.

It had to be said, it had been a long time since she had taken the bus. When He Jin Nian sat beside her, she felt that he was always the center of attention.

He really was that kind of dazzling no matter where he went.

"Yo! The class president and vice president are here." Xiao Pang came over and teased them with a smile, "And they're in a matching couple's outfit!"

Seeing her smirk, Luo Qing Chen couldn't help feeling a bit awkward.

The class reunion in Luo Qing Chen's mind was just showing off, but their class reunion was more like a place for them to reminisce about when they were in school.....

Classmate Xiao Pang, He Jin Nian, and Luo Qing Chen.....had a pretty interesting conversation!

"Xiao Qing, do you want cola or orange juice?"

"She drinks coke."

"....."

"Xiao Qing, do you want kebabs or chicken wings?"

"She'll have the chicken wings."

"....."

"Xiao Qing, do you want fish balls or fish paste balls?"

"She doesn't like eating fish balls."

"....."

He Jin Nian had a calm look as if he was answering normal questions, but in the eyes of the other classmates, they didn't think so.

Xiao Pang looked at He Jin Nian with a bad smile and teased, "It can't be that you're dating, right! I've been asking about you since we graduated, are you finally together?"

When Xiao Pang asked this, He Jin Nian was silent.

Three seconds later, he slowly turned and gave Luo Qing Chen two kebabs, "She has a boyfriend."

Luo Qing Chen felt her body tremble and there was an indescribable feeling of suffocation.

She slowly looked up at He Jin Nian's eyes. His beautiful eyes had a sparkle in them and his lips were curved without a single bit of awkwardness. He even.....gave people a feeling that he didn't care.

So angry.....

She had never experienced this feeling even after all those words.

But this time she really was angry with He Jin Nian!

She looked up and took the chicken wings from his hand, "He's very right!"

"Is that true? You really ended this journey of falling in love?" Xiao Pang pulled the former study committee member Chun Tian over and said, "Aren't you at A University as well? Come, come, come, tell me the situation."

Since Chun Tian was in the literary department, he didn't know much about them.

But Xu Ze Yan and Luo Qing Chen were famous in A University since the appearance of a handsome couple was always paid attention to.

Chun Tian pushed up his glasses and said, "Yes! It's also A University's school hunk!"

"Damn! School hunk?" Xiao Pang angrily replied, "Isn't our class president handsome? It can't be that the school hunk is more handsome than our class president right?"

"Our class president is also the school hunk!" Chun Tian gave a shrug, "Don't you understand something after all these years? Even if the class president and vice president aren't together now, it's not impossible in the future."

"Why?"

"Because the journey of falling in love never ends."

Chapter 1907: Hello, my mister confidant (Part 10)

Luo Qing Chen carefully listened to Xiao Pang and Chun Tian falling deeper into their script. When she looked over, she saw that He Jin Nian was no longer by her side.

Could it be that he was angry because of what she said?

Looking around, she saw him currently talking with Chen Ying Ying who had been rumoured to be dating him before.

Chen Ying Ying was his only rumoured girlfriend in the three years of high school because the whole school had seen He Jin Nian carry Chen Ying Ying into the school on his back.

The reason was that Meng Ying Ying had broken her leg.....

She clearly remembered that this Chen Ying Ying had been rejected when she gave He Jin Nian a love letter, but she broke her leg not long after and He Jin Nian didn't care about others as he took care of her.

He had even left Luo Qing Chen alone even after they planned to go to the library together.

The previous host naturally felt uncomfortable then.

But with her naturally proud personality, she acted like it didn't bother her and fanned the flames with other boys in class.

Until that time when He Jin Nian found out that she went to an internet cafe with other boys, only then did she become more restrained.

He Jin Nian had only said one thing then.

"With your state of mind, we might not even be on the same page for the next midterm exam."

What kind of personality did the previous host have? She had felt ashamed at that time.

She studied all night after getting home and although there was a three point difference, at least their names were on the same page.

But it was under his name.

From that day forth, He Jin Nian no longer accompanied Chen Ying Ying. Perhaps it was because her leg was better or perhaps it was for another reason.

In short, the library appointment between He Jin Nian and Luo Qing Chen came again.

The memory was very far away, but now that she saw He Jin Nian and Chen Ying Ying laughing, she still felt a bit unhappy.

At the same time, Chen Ying Ying was the first to greet He Jin Nian, "Mister school hunk has gone to A University, do you have many fans?"

She liked him like this because he was so dazzling. It was like a beam of light being shined into her life and she wanted to get it no matter how hard it was.

It was a pity that she would always only be a normal classmate in He Jin Nian's mind.

Perhaps.....she couldn't even be a friend.

"It's alright." He looked up, feeling a bit upset.

Actually he knew why he was upset, but he couldn't admit it.

"Are you and the vice class president still in the same class?" She pursed her lips and revealed a helpless smile, "Does she know that you changed the school you were going to because of her?"

If it wasn't for Luo Qing Chen, perhaps the one that was at the same school as He Jin Nian would be her.

But at the last moment, He Jin Nian had changed his form.

"I just felt that the computer science course at A City is more famous." He picked up a bottle of coke and took a sip. The carbonation of the drink instantly stimulated his mind.

He didn't know why that girl liked to drink this stuff. She said that the moment she drank it, it was like having all her cells stimulated.

But for him, there was only a touch of bitterness.

"Ha, ha, ha....." Chen Ying Ying gave an awkward laugh, "Class president, ah class president, you can lie to her, you can lie to yourself, you can lie to everyone, you can't lie to me."

She didn't accidentally break her leg, she had accidentally gotten hit by a motorcycle while chasing He Jin Nian.

Luo Qing Chen still didn't know a thing to this day.....

Chapter 1908: Hello, my mister confidant (Part 11)

She vaguely remembered that it was that year's Qixi Festival. The school was very lively because they were celebrating their twentieth anniversary.

Luo Qing Chen was always well known since she was smart and good looking, naturally there were plenty of people who gave her love letters.

In her opinion, He Jin Nian didn't care at all. She even thought that they only knew each other a bit longer.

But facts proved that it wasn't like this.....

Chen Ying Ying and He Jin Nian had been in the office for the new workbooks and they walked out to hear Cao Lu Shen from class two preparing to confess to Luo Qing Chen.

She had given a shrug at that time and said with a smile, "You and the vice class president are the signboards of our class. You always get love letters from time to time. It can't be that you even compete with this, right!"

He Jin Nian slightly knitted his brows though and his eyes that shined as bright as stars dimmed a bit.

She didn't know what was wrong, she just knew that Lu Shen didn't appear that night, nor did he.

Chen Ying Ying was very worried, so she went looking for He Jin Nian around the gate, finally seeing him in front of a certain cafe.

His right hand was a bit red and he turned to see Chen Ying Ying before heading off in another direction.

She called out his name and followed him, but he didn't turn back and started moving faster.

Only when she got into an accident with a motorcycle at the crossing lights did He Jin Nian finally turn back.

Actually she knew that He Jin Nian taking care of her was to apologize to her.

—

"It was Lu Shen before and now it's Xu Ze Yan." She gave a chuckle as a bit of sadness appeared in her eyes, "The men that she's admired over the years, there aren't that many of them."

"Xu Ze Yan....." Chen Ying Ying knitted her brows. She wanted to ask something, but He Jin Nian directly replied.

"Lu Shen was just someone she admired, but Xu Ze Yan is now her boyfriend." As soon as his voice fell, he drank the entire bottle of coke in his hand and the carbonation filled his stomach.

He almost suddenly knew why she liked to drink this stuff.

After a simple barbeque, Xiao Pang suggested that they go to KTV and no one objected to this. After all, they were considered half adults now that they were in university, so things like coke and orange juice weren't enough for them.

But beer and dice worked!

They got a large private room and Xiao Pang sang "Frozen Rain" alone. Luo Qing Chen was eating some almond flakes while watching them have fun.

One of the boys named Zhong Yin who was close to He Jin Nian before drank two shots before turning to Luo Qing Chen, "Vice class president, you and the class president liked to compete before. Who would win when it comes to dice and drinking?"

He Jin Nian calmly looked at her and drank the cup of alcohol in front of him without another word.

Luo Qing Chen was surprised, feeling that this was his declaration of war towards her!

It seemed like no matter how many years passed, this competition would always exist!

"What's so hard about playing with dice!" Luo Qing Chen's right hand came up and took the brand new dice on the table, "The hard part is only winning and not losing!"

"Woah!" Xiao Pang who was singing 'the cold frozen rain falls on my face' suddenly smelled the scent of gunpowder and her expression changed. She looked over with a smile and said, "I also want to play!"

Chapter 1909: Hello, my mister confidant (Part 12)

In the end, there were a total of six people who participated in the dice summit.

He Jin Nian, Luo Qing Chen, Xiao Pang, Zhong Yin, Chun Tian, and.....Chen Ying Ying.

Luo Qing Chen didn't know much about Chen Ying Ying since they were never together back in high school.

The impression she had of her was only 'the rumoured girlfriend of He Jin Nian'.

Although He Jin Nian didn't contact her much in the future, she still didn't like this person.

There was no reason, she just didn't like her.

"Ha, ha, ha, in order to be gentlemanly, the girls will only drink half a cup and the guys will drink a full cup, what do you think?" Xiao Pang said with a smile and a pride that she would be the final victor.

Luo Qing Chen gave a shrug and said with a smile, "I don't care."

"I think that's quite good." Chen Ying Ying then said, "I feel that the girls shouldn't drink too much."

Luo Qing Chen heard this and thought: The best way not to drink is not to play, stop trying to join in the fun!

"Then let's start!" Luo Qing Chen impatiently knitted her brows as she began shaking the dice in her hand.

He Jin Nian then calmly said, "How about we make a deal?"

"What deal?"

He looked up with his deep eyes and looked right at her. He narrowed his eyes as he said, "The first one to get drunk has to listen to one request from the last person to get drunk."

"Woah, woah!" Xiao Pang replied with an excited look, "Class president's idea is great! Does a one night stand count?"

The ones that were about to enter adulthood would boldly say these words to tease old friends who they hadn't seen in a long time.

Actually, most of them were joking.

Luo Qing Chen thought that everyone would be against it, but she never thought that He Jin Nian and Zhong Yin would say at the same time, "It does."

"Ah?" The three girls were all confused.

There was a touch of joy on Chen Ying Ying's face. Perhaps.....this was her only chance to get close to He Jin Nian.

Chun Tian pushed up his glasses and cleared his dry throat before saying, "Are we playing for that much?"

"Is the study committee member worried?" Xiao Pang gave a confident laugh.

Chun Tian patted his chest and threw aside his glasses, "Who's afraid of who! Our family has brewed rice wine for three generations! Who could get drunk on this beer that only has 2% alcohol?"

"I like you doing this!" Xiao Pang opened a bottle of beer on the table and after chugging the bottle, she looked right at Chun Tian, "This is for our study committee member. Thank you for not missing my name on the absentee list back then!"

"Pu!" The crowd watching on the side couldn't help laughing after hearing Xiao Pang's words.

Luo Qing Chen couldn't help looking up, meeting He Jin Nian's gaze.

She slowly picked up a bottle of beer from the table and after opening, she chugged it without hesitation.

Everyone turned to Luo Qing Chen. Doing this was equal to accepting Xiao Pang's declaration of war.

Everyone began to cheer even louder and Chen Ying Ying couldn't help knitting her brows in dissatisfaction.

In the end, she was still that unwilling in her heart.....

After chugging the bottle of beer, Luo Qing Chen looked at He Jin Nian with a faint smile, "This bottle is for our class president. Thank you for the exams, the quizzes, the tests, and even the university exam.....for not letting me win."

[Ding, affection has increased by five. Mission completion rate is now 30%.]

Chapter 1910: Hello, my mister confidant (Part 13)

He Jin Nian looked at her, with his eyes narrowed with a bit of questioning. She didn't hesitate as she looked back and when their eyes met, there was a strange tremor in her heart.

She had a bad premonition and facts proved that her sixth sense was right.

The following dice game, whether it was Xiao Pang, Zhong Yin, or He Jin Nian, whenever she said a number, they would follow without another word.

It was like the three of them had realized something and had a tacit understanding!

She could only drink coke and not alcohol!?

But He Jin Nian never would have thought that Luo Qing Chen's tolerance was even greater than he thought.

She was very awake as she looked at him with those clear as water eyes, making him unwilling to look away.

But he kept falling into this KTV room filled with smoke and the scent of alcohol.....

Xiao Pang was the first one out and she leaned her head beside a beer bottle as she kept muttering, "I can still drink, I can still drink....."

Zong Yin was a bit better until he went to the toilet to vomit and waved his hands to show that he was out.

Chun Tian didn't know how to drink either. Although few people pushed him, after a few times, his face was red as an apple.

"Vice class president, I can't anymore!" Chun Tian had a hand on her shoulder as he said with glazed eyes, "If I keep drinking, I'll really.....Ugh....."

Before he could finish, he covered his mouth and quickly headed off in the direction of the toilet.

Looking over, there were only three people left at the table.

Luo Qing Chen, He Jin Nian, and Chen Ying Ying.....

It had to be said, Chen Ying Ying was still able to drink. Although the three men didn't force her, that didn't stop her from targeting Chen Ying Ying.

Without knowing why, she was just not pleasing to the eyes.

After all, she was the only scandal that He Jin Nian had in high school.

"How about it, should we keep going?" Luo Qing Chen shook the glass in her hand and her lips curled into a smile. She looked right at Chen Ying Ying with absolute provocation in her eyes.

Chen Ying Ying could naturally feel the hostility from Luo Qing Chen. Although her head was already dizzy, she had to hold on.

All these years, no matter how hard she tried, she couldn't enter He Jin Nian's heart.

She didn't know what was in his heart, whether it was Luo Qing Chen or.....

But even if he didn't love anyone, she wanted to stay by his side and become the closest person to him.

Right, she wanted to take Luo Qing Chen's place. At least before He Jin Nian had a girlfriend, she wanted to be the first one he thought of no matter what he did.

"Of course!" She said with a smile, "After not seeing each other for so long, we won't go home unless we're drunk!"

Luo Qing Chen looked at her and then nodded before turning to look at He Jin Nian.

He rolled the dice in his hand with a calm look, but there was a strange look of determination in his eyes.

"Un, let's continue."

"Alright!"

The remaining three all seemed unwilling to admit defeat. Whenever Luo Qing Chen called three sixes or four fives, he would roll them without hesitation.

It was fine if he drank, he just seemed like he wanted to get her drunk!

Luo Qing Chen didn't hesitate to attack Chen Ying Ying no matter what points she got.

Actually, she was strangely angry deep down, an anger that had a bit of a grievance.

In her eyes, He Jin Nian was helping Chen Ying Ying get her drunk.

But whether it was the previous host or her, she was a proud person.....

There was only 'death in battle', there was no 'surrender'.
