

Quick T 2011

Chapter 2011: Master, please step up (Part 48)

"God Admiring the Moon, are you happy being naughty like this?" Luo Qing Chen narrowed her eyes and angrily ate the entire cake on the plate.

Gong Mu Bai heard this and raised his right hand to pat her head as he said with a gentle smile, "Un, I'm happy if I have you."

The Gong and Luo Families stayed in the Royal Hotel that night and the next day, there was a driver that sent Gong Mu Bai and Luo Qing Chen to the civil affairs office for their marriage certificate.

Although it felt a bit hasty in their hearts, it settled down after a few years.

But Luo Qing Chen was in disbelief when she got that red marriage certificate.

"But I'm just eighteen, how can I get this?" At the entrance, she looked up at the incredibly handsome Gong Mu Bai standing beside her, "Could it be that the marriage laws changed without me knowing?"

"Of course not." His slender fingers took her hand and he had a gentle look in his eyes as he said, "There are many things in this world that can be settled with money and power."

Luo Qing Chen understood that Gong Mu Bai's words weren't without reason.

After all, the Gong and Luo Families had always had a strong position in A City's business world, so this marriage between the two families would be a powerful alliance in the business world.

Luo Qing Chen slowly took out her ID card and her picture with the red background. Both of them had her wearing white clothes, looking to be around eighteen years old.

Looking down, she saw that on her 'marriage license', she was listed as twenty years old.

It seemed like things could be solved with money and power, such as her age.

—

At the same time, at Forgotten River High School.

Guan Zi Yang sat in his seat with a black envelope in hand which had the pictures that he had taken last night.

Some were blurry and some were clear.

When he got home last night, he had thought about it for a long time. He hated Gong Mu Bai, he hated this from the first day he arrived at Forgotten River High School, but he was always the center of attention while he was nothing more than an ant.

He hated this feeling, he hated it from the bottom of his heart.

He wanted to post these pictures on the school forums, but when he was about to click accept, he hesitated.

It's not that he didn't want to ruin his reputation, but he wouldn't be able to get the goddess of his heart.

Right! It was Luo Qing Chen!

People were like this, the more they couldn't get something, the more they wanted it.

When he was used to looking at beautiful things, when something ugly suddenly came into his world, he wouldn't be used to it.

He wasn't blind, he could naturally see the difference between Xia Tian Xin and Luo Qing Chen.

Since he had decided to get Luo Qing Chen, the greatest use of these pictures was to threaten her and make her get together with him for the sake of her reputation.

But he never thought that Luo Qing Chen didn't come to class all morning.

The second period math class had been switched with English class in the afternoon since Gong Mu Bai hadn't come to school either.

Could it be that last night at the hotel.....

"No! No!" Thinking of this, he slammed the table and gritted his teeth to say, "It can't be tainted!"

"Zi Yang, what's wrong? You scared me." Xia Tian Xin beside him had a surprised look before knitting her brows in dissatisfaction, "Since transferring schools, I've felt that you've changed more and more. You like to shout more and you don't spoil me like before."

Chapter 2012: Master, please step up (Part 49)

She felt a bit aggrieved. She had always thought that doing everything she could to transfer to this school and giving him a pleasant surprise would make him love her more.

But she never thought that not only would he not care more about her, he was even more distant. It was as if he wanted to distance himself from her, which made her sad.

"Don't bother me." Guan Zi Yang knitted his brows. He took out a pack of cigarettes from his bag and picked up the envelope before heading out the door of the classroom.

Xia Tian Xin's sharp voice came from behind him, mostly cursing him, but he didn't care at all.

No, he couldn't wait. He had to take action first or he wouldn't have a chance.

Guan Zi Yang chose to skip the last two classes in the morning and went to find an internet cafe near the school.

Opening the form, he wrote a headline and uploaded the blurry pictures that he took, as well as adding in a watermark.

[Shocking secret] Is there a relationship between student and teacher in our school?!!

Due to the taboo nature of the topic, he attracted everyone's attention as soon as he posted it. People from all over turned into detectives, looking for the truth of the matter behind this so-called 'student teacher love'.

When Cheng Xing Xing saw this post, she immediately recognized Luo Qing Chen in the blurry picture.

She quickly called her, but she never picked up.

It wasn't until after lunch that Luo Qing Chen turned on her phone after getting home. As soon as she turned it on, Cheng Xing Xing's phone call came through.

"Qing, Qing! Quickly look at the forum, there's your picture!" Cheng Xing Xing seriously said, "Although the math teacher is handsome, you can't.....Right when there's the university exams.....You can't do this!"

Luo Qing Chen knitted her brows as she said, "I got it, I'm hanging up first."

Luo Qing Chen hung up without another word and quickly went onto the forums. The most popular post was the one that Cheng Xing Xing told her about.

Although it was a bit dark and the face couldn't be seen clearly, she knew that the person in the photo was her.

Moreover, this was from last night when Gong Mu Bai took her to the Royal Hotel to see his parents and held a birthday party for her.

Luo Qing Chen knitted her brows. She tried to guess who would do this and then there was a fat face that appeared in her mind, Guan Zi Yang.

She was normally a low key person at school and didn't have any enemies. For an enemy to appear now, it was most likely Guan Zi Yang.

But.....she didn't have any evidence.

"Di, di, di." With the sound of a text arriving, Luo Qing Chen turned to see the name: You Are My Sunshine.

Since the previous host's phone hadn't been cleaned yet, she could still see the chat that was still there from before.

It had to be said, this message really sounded.....a bit disgusting!

It also proved that the previous host really did like Guan Zi Yang if she was hurt by a game.

——You Are My Sunshine: I'll be waiting at the Cat Demon Cafe near your house tomorrow night at six, it's related to the post on the forum. If you don't come, I might post the clear pictures tomorrow. I don't want others talking about you, so you should come!"

"He, he." Seeing Guan Zi Yang's text, Luo Qing Chen couldn't help muttering, "Do people need to be this shy when threatening people?"

She narrowed her eyes and quickly replied with two words: No time.

Chapter 2013: Master, please step up (Part 50)

Meet?

He, he, he, he, she was someone who liked to do things openly. Secretly taking photos like this, what kind of a man was he!

This feeling of being able to fight, she was open and fearless.

—You Are My Sunshine: Qing Chen, you have to think this through. If I send these photos, who would be the first one to suffer from this?

Guan Zi Yang sitting in front of the computer clenched his fist. Why, why was the other side so calm?

This was a 'student and teacher relationship'! As the math teacher, he got together with the math class representative, how ugly did that sound?

—Qing Qing Qing Qing: Release any HD photos you have, it's my loss if I even take a single step back.

After sending this, Luo Qing Chen deleted the entry in her phone and directly blocked Guan Zi Yang's phone number.

There was some gossip in the game that she didn't want to ruin that fast. Since he didn't want to play, then she wouldn't hold back!

The triangle relationship between the 'plastic sisters' and 'Sun God', she would definitely drag it out into the sun.

She didn't go to class that afternoon, she stayed home making a powerpoint that was about Xia Tian Xin (Sweetheart Darling) and Cute Darling.

It had to be said, this complicated relationship when put on a diagram was a bit hard to understand.

After all, the story between them was just too ugly!

—

There were two math classes in the afternoon, Gong Mu Bai had fully used 'seeking public vengeance for a private grudge'. As long as it was a complicated question, he would ask him and he kept asking him.

Guan Zi Yang was filled with rage and he tightly clenched that black envelope in his hand.

Be arrogant! He wants to see if he could still be arrogant in a few hours! When he got home after class, he would tell the story of Luo Qing Chen and Gong Mu Bai, as well as adding some things to the story to make it even more vivid.

As for Gong Mu Bai, he naturally saw the post on the forum. After all, there were some people that had guessed and there were quite a few of these people.

It should be because his Maserati was too conspicuous and they quickly got an answer using the process of elimination.

This process could also be applied to the person who sent this post. As long as he found the IP, he would know that the person who sent this was Guan Zi Yang, even if he went to an internet cafe.

Since he wanted to play with him, he would be happy to play to the end.

Anyway, he wasn't just a handsome scholar, but rather he was a proud person who had a strong possessiveness.

Although in his eyes, whether it was in terms of looks, family background, or money, Guan Zi Yang couldn't compare to him.

He didn't like him because he had grudges with every person that liked Luo Qing Chen, without exception!

Of course, Guan Zi Yang had the advantage when it came to age, but in his eyes, what if he was Luo Qing Chen's teacher? Because he was older, he had experienced more things than her.

He would let her take less detours in life or even not take any detours, this is where he matched her.

Guan Zi Yang just stood there for the two math classes clenching his fists as his eyes filled with rage.

He didn't care anymore, it didn't matter if he could get Luo Qing Chen or not, he would completely ruin Gong Mu Bai.

As a teacher, he actually brought a student to a hotel. If Luo Qing Chen's parents knew about this, there would definitely be a good show!

Chapter 2014: Master, please step up (Part 51)

At half past seven, when Luo Qing Chen got home, she received an urgent call from Cheng Xing Xing.

There was another follow up on the post this morning. Although the photos weren't high definition, it clearly showed Gong Mu Bai holding Luo Qing Chen's hand as they walked into the Royal Hotel.

The entire Forgotten River High School forum exploded since this was the biggest 'news' since Forgotten River was established.

The label of a romance between student and teacher could create waves in any school, not to mention a relationship between a math teacher and a third year student.

When Luo Qing Chen logged on, there were over a thousand replies to this post and the comments were mixed. There were some supporting them and some against them.

Call Me Little Cutie: I know the female lead! The third year's flower, she looks quite good. The male lead is new, but I have to say it a few times, so handsome!

Stepping On Clouds: I can't understand what third year students are thinking? They're falling in love with their teachers?

It's Always Sunny After the Rain: So what if it's a student and teacher relationship? Are they bothering you? The person who created this post is funny, what are they trying to do?

Little Red Hand: Ah, ah, ah! Teachers secretly going out with their students? So disgusting.....

.....

There were various comments on the forum. Luo Qing Chen narrowed her eyes as a chill appeared.

It seemed like Guan Zi Yang had been enraged by her response and couldn't hold back as he sent his so-called high definition pictures.

To be fair, it really was stupid.

Luo Qing Chen didn't care as she logged into the game. Gong Mu Bai was online, but he wasn't doing anything.

She opened a private chat with him and quickly sent a sentence.

Summer: I have something to say to you!

Gong Mu Bai was leaning on the sofa, sipping his coffee as he browsed the post on the forum.

It had to be said, the picture of the two of them openly walking together really didn't look bad.

The warm light made her face even more beautiful.

Admiring the Moon: Un! The forum matter?

Luo Qing Chen was surprised before quickly typing something.

Summer: So you saw!

Admiring the Moon: Yes! Our wife really is beautiful!

Luo Qing Chen almost spat out the milk tea in her mouth. Their god Admiring the Moon really cared about something different.

But since Gong Mu Bai didn't care, he should let her play however she wanted.

After all, if someone slapped their face like this, wouldn't it be too awkward if they didn't slap back!

Summer: Leave this matter to me! =。 =

Admiring the Moon: Alright!

Gong Mu Bai had planned to directly hack the school forum and tell everyone that Forgotten River High School was a school under the Gong Group, which was just a high school affiliated to Forgotten River University.

It didn't have any value or meaning to the Gong Group, but.....this kind of method was quite good when it came to this time.

But, since his wife wanted to solve this, he would naturally believe in her.

Summer: Thank you great god for giving me this chance! I definitely won't disappoint and will do my best to complete this task for the great god! (Cute Expression)

Admiring the Moon: Are you happy being naughty like this?

Wa! The great god was learning to talk like her! He was more and more like the disciple White Clothes like the Beginning and not like Admiring the Moon at all!

Summer: Happy! Very happy! Very, very happy!

With a great god on her side, being naughty was what made her the happiest!

Chapter 2015: Master, please step up (Part 52)

Luo Qing Chen didn't reply with a single word on the forum. Gong Mu Bai had given her his complete trust and didn't interfere at all.

Although he didn't interfere, he still did a few small things.

She slept very well that night and she got up early to head to school.

When she took the bus, she felt countless eyes looking at her. There were good and bad, but most of them were just the eyes of 'gossipers'.

As the fragments of whispers entered her ears, it didn't sound very pleasant.

"Look, isn't that the female lead on the forum?"

"Be quiet! What if she hears! A student and teacher relationship is a big matter, they will be punished."

"Actually, I feel that it isn't that bad. Just don't do it in your third year or it'll affect your studies!"

"Luo Qing Chen is first place in every exam, so it shouldn't affect her studies....."

"You're right, but I don't like this kind of student teacher relationship, it seems so taboo! I can't take it in my heart, just like I can't take homosexuality!"

"Me too, me too!"

.....

Luo Qing Chen heard this and whispered in her heart: What's wrong with homosexuality? What did they do to you?

Everyone was innocent, there was no bad deeds, why do they need your approval?

Luo Qing Chen gave a soft snort and walked into the school with her head held high.

When she entered the class, everyone turned to her. Luo Qing Chen calmly walked to her seat and looked at Cheng Xing Xing who had dark circles around her eyes before asking, "Did you play with a panda last night?"

"You....." Cheng Xing Xing immediately lowered her head and said, "I was worried about you all night and didn't sleep well. I'm afraid that you couldn't think it through and would do something silly!"

"Silly.....Silly your sister." Luo Qing Chen tapped her head with the ballpoint pen, "How could I do something silly before taking my great revenge!"

"You.....What are you going to do!" Cheng Xing Xing gritted her teeth and said, "The math teacher was called in by the school board this morning, don't be impulsive!"

Ah? Gong Mu Bai was called away? It seemed like she had to hurry.

"Xing Xing, plots being reversed are interesting." When she said this, she looked at Guan Zi Yang and revealed a smile, "Otherwise it would be too boring."

As soon as her voice fell, Guan Zi Yang looked at her and loudly said, "Classmate Luo Qing Chen, you and the math teacher won't be able to escape that easily this time! It will be hard to say if he can even keep teaching."

When he said this, there was a deep anger in his heart. He wanted to let Luo Qing Chen go, but he never thought that this girl would be so ignorant.

Since it was like this, he couldn't be blamed for being fierce.

"Ai, Guan Zi Yang! If you say these things, it wouldn't be you who sent that post, right!" Cheng Xing Xing raised her sleeve and looked like she wanted to rush up to beat him up.

This scum, he really was shameless.

She suddenly felt that her Qing's eyes were quite good, decisively casting this scumbag and going to great god Admiring the Moon!

"Hey, hey, hey, this one called Cheng Xing Xing, I'm telling you that you can't just speak nonsense." Xia Tian Xin gave a cold snort, "Don't pay too much attention to our Zi Yang or I might think that you have other intentions!"

"I have other intentions?" Cheng Xing Xing gave a cold laugh, "Can you go and look in a mirror? Were your eyes run over?"

Chapter 2016: Master, please step up (Part 53)

"Ai, why are your words so crass?" Xia Tian Xin angrily stood up and slapped the table, "Do you have the guts to say that to this old lady again?"

"What? You want to fight?" The male student called Lin Xiao Xiao said, "I urge you to restrain yourself as a new student, there's no one in this class that will help you!"

Lin Xiao Xiao stood in front of Cheng Xing Xing and Luo Qing Chen when he said this, looking at her with an angry look.

"What, don't you think that it's shameful for a student and teacher to have a relationship?" Guan Zi Yang couldn't sit still. He thought that exposing them would make everyone turn on Luo Qing Chen.

The other students in the class would look down on her and condemn her. She would definitely regret it and become his girlfriend.

How he wanted to see her look of regret, only then would his heart be satisfied.

“Actually, I was just a bit surprised, it wasn’t that shameless at all!” A silent classmate, a girl with black glasses who sat in the front row stood up and looked at Guan Zi Yang to say, “Not to mention that I don’t think that it’s that big of a deal.”

“I agree! Moreover, Qing Chen and I have been in the same class for three years, but she never had a boyfriend. It’s normal to get together when she meets someone that she likes.”

“Qing Chen, don’t worry! We all support you, no one in class one will blame you.”

“I heard two girls talking about Qing Chen when I came through the gates this morning and I told them off.....They should mind their own business!”

“I also support Qing Chen, Qing Chen’s eyes are the best!” Another girl patted her chest and said with a smile, “If teacher Gong likes me, I wouldn’t mind being in a relationship with him either! Anyway, we’re about to go to university soon and university is heaven for dating!”

.....

Actually, Luo Qing Chen couldn’t stop her nose from becoming stuff as she almost let a tear out.

Whenever something like this happened, all the students would want to laugh at her and see her fall into an abyss so that she could never stand up again.

She would always stand at the center of attention and become her own hero every time.

But this time, not only did her classmates not blame her, they all protected her.

This feeling was like a warm current that entered her heart bit by bit.

This deep feeling in her heart couldn’t be described in words.

“You all.....Are you all sick!” Guan Zi Yang bit his lip and looked at them with bloodshot eyes, “Even if you protect her, so what? The school won’t allow something like this to happen, that math teacher will definitely be fired.”

Guan Zi Yang couldn’t believe that not only would he not get support, everyone in the class would attack him.

He wasn’t willing, based on what? How could a relationship between a student and teacher not be criticized and a righteous person like him who exposed the ‘scandal’ be criticized like this?

“Teacher Gong won’t be fired, you can’t make that decision.” Luo Qing Chen looked at the clock and said, “Everything will come to an end soon.”

“Impossible! If a teacher like Gong Mu Bai can still teach at Forgotten River High School, I, Guan Zi Yang will write my name backwards!” Guan Zi Yang angrily roared out before charging out the door.

He couldn't lose, he had to strike first. Since no one here supported him, he would have everyone else in Forgotten River High School stand with him.

Chapter 2017: Master, please step up (Part 54)

In the school broadcast room.

If there wasn't class, there would be a song playing to relax all the students.

Guan Zi Yang walked into the broadcast room alone and snatched the host's mic without a single word.

"Hello everyone, I am year three class one's newly transferred student, Guan Zi Yang."

When Guan Zi Yang's voice came from the broadcast, Cheng Xing Xing had pulled Luo Qing Chen into the broadcast room with her.

Actually, she knew what Guan Zi Yang was planning to do. A person with a simple brain like him would just come to the broadcast room to stir up public opinion.

But in her eyes, this method really was.....a last resort.

"I believe that everyone should have read the forum post. Actually, I won't hide it from everyone, I was the one who made that post." Guan Zi Yang admitted his post on the forum without any hesitation and then added, "I just can't accept that a teacher who should be a model for the students would actually have ideas about his students, even taking them to a hotel."

At this time, Gong Mu Bai who was sitting in the director's chair took a sip of coffee as a cold look appeared in his eyes.

The principal beside him immediately said, "Quickly, go to the broadcast room and catch that person for me! Immediately expel him!"

"No need." Gong Mu Bai's cold eyes looked up and he revealed a faint smile, "Our family's Qing Chen will solve it, I don't want to steal her spotlight."

"Ke, ke." As expected, Luo Qing Chen's voice came from the broadcast. There was another microphone in the room and Cheng Xing Xing secretly plugged it in.

"You.....Why are you here?" Guan Zi Yang saw Luo Qing Chen lazily leaning against the door of the broadcast room and couldn't help feeling a bit nervous.

Without knowing why, his heart was beating fast and he had a bad premonition.

"If even a bystander like you can come, why can't I come as the female lead?" Luo Qing Chen gave a cold snort as her eyes were freezing cold.

Guan Zi Yang shuddered before taking a deep breath to say, "Is there anything wrong with what I said? I took the photo with my own hands, you still don't want to admit it? Or do you want to say that you brought the math teacher to a hotel to study calculus? Ha, ha, ha, does everyone believe that?"

Luo Qing Chen looked at him with cold eyes, "Naturally we didn't go to the hotel to study calculus, we went to see our parents."

Guan Zi Yang was stunned. He thought that Luo Qing Chen would explain the hotel matter, but he never thought that she would openly admit it.

"It seems like you know that you have nothing to say to this!" Luo Qing Chen gave a shrug and said with a faint smile, "In three months, there will be the biggest wedding for the business circle of A City and Gong Mu Bai and I are the main characters of this wedding."

When Luo Qing Chen said this, Gong Mu Bai who was sitting in the director's seat couldn't help revealing a smile.

This feeling of openly basking in their relationship.....it really felt good.

"You.....I don't understand what you are saying. Aren't you making it official that you went with the math teacher to a hotel?" Guan Zi Yang could understand Luo Qing Chen's words, but he didn't fully understand. He could only use his evidence to make himself look better in the public.

The students of the school exploded and countless comments came in, but Luo Qing Chen didn't care at all because their current relationship wasn't as simple as a student and teacher relationship.

"It seems like classmate Guan Zi Yang likes to play the fool, so I'll be even more direct!" Luo Qing Chen's eyes had an absolute certainty to it as she said word for word, "We have a license."

Chapter 2018: Master, please step up (Part 55)

[Ding, affection has increased by ten. Mission completion rate is now 90%.]

Gong Mu Bai sitting in the boardroom was very happy!

Luo Qing Chen could see the stiffness in Guan Zi Yang's expression, turning blue and white as shock filled his face.

After all, he wasn't a fool and he could understand what Luo Qing Chen meant even with a tiny bit of intelligence.

"To be fair, seeing your look of disbelief, I feel very comfortable." Luo Qing Chen looked up and said, "Right, I had Xing Xing make a post for me, so the interested people can go take a look."

She paused before revealing a faint smile, "After reading it, you should know just how.....nosy classmate Guan Zi Yang is."

The whole school listening to the broadcast took out their phones to check the school forum.

The top post was titled: With my surname, with your name.

Opening it would show two red forms which had their wedding photo on it.

Then there were a few photos of their two families celebrating her birthday at the Royal Hotel. The two families looked very happy together.

Then there were a few words added on.

For the person who sent the story about classmate Luo Qing Chen and teacher Gong Mu Bai's student teacher relationship, this poster wants to say: Their parents are the matchmakers, the premise is that they are willing to sign a contract to be together forever.

As for you, does your family live by the seashore?!

[TL Note: It's an idiom for being nosy]

As soon as the post was sent, there was no criticism from the commenters.

After all, this was someone else's family! They were legally husband and wife, so why would there be any blame!

I Love Studying: I want to say something about the last post, was the poster the boy who was in the broadcast just now!?

Cloud in the Sky: Definitely! He probably can't stand other people's happiness since he's living in a dark world, truly disgusting!

Buried Love: Ai! Perhaps he couldn't get what he wanted and he turned dark!

Can't Wait For the Past: The above commenter's name is 666! But I also feel the same. The envious girls in front, the male lead is too handsome!

.....

Luo Qing Chen standing in the broadcast room gave a shrug and shook the mic in her hand as she walked away with a victorious look. She left behind a Guan Zi Yang who was stunned and couldn't stand up straight.

How could this be possible? How could they be married? He didn't believe, he didn't believe, he didn't believe!

—

That night, Guan Zi Yang got onto the game and sent several horns, showing his anger and ridicule in his words.

[Horn] Sun God: Thinking about it, the game is better and real life is truly fake.

[Horn] Sun God: Do you know? Our school had a relationship between student and teacher. Truly shameless, the two of them are both poor and they were cast aside by the students.

[World] A Small Bear: Oh? Does the silent Sun finally have some gossip?

[World] Sun God: No gossip, it just disgusts me. Everyone in our class looks down on them and I felt they were shameless when I saw them.

Luo Qing Chen who was sitting in front of the computer saw Guan Zi Yang reversing the situation in the game while eating her chocolate cake.

It seemed like his mind was confused because of the anger from this morning's incident and he was running into the game to change the script to give himself a sense of existence.

It's a pity that Guan Zi Yang never would have thought that they played the same game.

Chapter 2019: Master, please step up (Part 56)

This world was very big and some people might not meet in an entire lifetime.

But the world was also very small and some people were born to be nemeses.

Luo Qing Chen took a few sips of her milk tea and bought a set of horns from the store. She decided to accompany Guan Zi Yang in the script that he wrote in his heart to the end.

[Horn] Summer: Student and teacher relationship? Are you sure?

Luo Qing Chen's horn being sent at this time completely angered Guan Zi Yang. He was like a powder keg and Luo Qing Chen had decisively set him on fire.

[Horn] Sun God: What does it matter to you, you know nothing!

[Horn] Cute Darling: Husband, don't talk to her, she just wants your attention! I've seen plenty of women like this, they really are disgusting.

[Horn] Sun God: Thank you darling, I'm too lazy to talk to her.

Luo Qing Chen sitting in front of the computer revealed a smile as she quickly typed something on her keyboard.

[Horn] Summer: Guan Zi Yang, is Cute Darling your wife or Sweetheart Darling your wife?

It had to be said, Luo Qing Chen's words made the silent world chat explode.

[World] Falling Happiness: Damn! Why does Summer know Sun God's name? Could it be that they know each other in real life?

[World] Dove Chocolate: What I care about is the relationship between Cute Darling, Sweetheart Darling, and Sun God.

[Horn] Cute Darling: What nonsense are you saying? Talking to yourself? We sisters have a good relationship, we're not like a certain someone who is jealous of someone else's bond.

Luo Qing Chen let the world and horn chat turn into a sea of blood. She didn't say a thing because someone definitely wouldn't take it and sent a horn before her.

[Horn] Sweetheart Darling: Guan Zi Yang? You are Guan Zi Yang? @Sun God?

[Horn] Cute Darling: Sweetheart, don't listen to that evil person's nonsense. How could she possibly know Sun's name?

[Horn] Sweetheart Darling: You shut up! Am I asking you? Sun God, are you Guan Zi Yang?

[Horn] Sun God: Who are you, being so fierce to my contracted? Isn't it because after she got me, you and Fairy look down on her? Are you still sisters? What else can you do other than being jealous? Father is Guan Zi Yang, so what?

Although he didn't know how this person named Summer in the game knew his real name, there was a flame raging inside of his heart and he wanted to vent whenever he saw anyone.

Not to mention that this person named Sweetheart Darling actually told his contracted to shut up, he couldn't take this!

[Horn] Sweetheart Darling: Guan Zi Yang, do you know who I am? I am your girlfriend!

When Xia Tian Xin said this, the world chat stopped for three seconds before it suddenly exploded.

[World] Snowflakes Falling To Become Frost: Damn! I finally understand this situation!

[World] Hundred Dream Scholar: Come, come, come, let me summarize for everyone. A certain Cute is Sun's contracted in the game and a certain Sweetheart is Sun's real life girlfriend, this kind of relationship really is rarely seen!

[Horn] Sweetheart Darling: What, why aren't you saying anything? Cute, you shameless girl, have I ever wronged you? You even tried to become my boyfriend's mistress in the game?

[Horn] Cute Darling: What mistress! Sun never said that he had a girlfriend in real life, you must be mistaken!

Chapter 2020: Master, please step up (Part 57)

[Horn] Sweetheart Darling: I made a mistake? He, he, do you know the truth of the student and teacher relationship? Shameless, is being a mistress fun?

Cute Darling sitting in front of the computer immediately sent a private message to Sun God and she only received a single word in response: Yes.

She felt her world collapse right away.

From the first day of starting this game, she liked Sun God very much. His voice was soft and his skills were good.

She felt that he was the rare male god of her life, but before she could reach her male god's side, he already had a contracted.

But she didn't give up. After they broke up, she bravely confessed and finally got together with the male god of her heart.

But she never thought that it was all fake.

[Horn] Cute Darling: So you were all liars. I'm shameless? I'm the mistress? That girl called Sweetheart, if you were so good, why did Sun find a contracted in the game?

[Horn] Sweetheart Darling: A fox still wants to reason? People who are shameless are invincible. Didn't you say that you wanted to find a leg to hug? It's a shame! No one wants you!

.....

Seeing the two people who called themselves sisters ripping each other apart, the other person called 'Fairy Darling' silently changed her name. She watched as Sun God was completely covered with insults from the gossipers.

Luo Qing Chen's expression: Un! Very satisfying!

"Di, di, di." There was the sound of a private message, but Luo Qing Chen knew who it was without even opening it.

[DM] Admiring the Moon: Is our wife happy being this naughty?

[DM] Summer: Happy! Ha, ha, I even want to laugh about it!

[DM] Admiring the Moon: Since you're so happy, let's go out for a midnight snack!

?

Eating a midnight snack because you're happy, what logic was this?

It's no wonder fatties will always be fat, it's because having a wide heart makes your body fat.....

Before she could reply, Gong Mu Bai said the 'truth' from his heart.

[DM] Admiring the Moon: I miss you.

Actually, there were times when the great god came to pick people up which was quite warming.

At half past nine, the food stands were filled with people wandering around.

Luo Qing Chen thought that someone like Gong Mu Bai would take her to an elegant restaurant and book the entire place.

But she never thought that he would bring her to food stands like this.

The previous host had come to this food stand before. There was nothing to say about its taste and it was close to the city center, so you could see the fireworks being set by the river.

"You've come here before?" Luo Qing Chen opened a bottle of beer as a sparkle appeared in her eyes.

When she was about to drink it, Gong Mu Bai took it away and changed it for milk.

"You're more suited to drink this." He narrowed his deep eyes and revealed a smile.

"Humph!" Luo Qing Chen gave a soft snort when she heard this, "It seems like the math teacher really thinks that I am a child."

She could see Gong Mu Bai slightly knit his brows, it seemed like he really didn't like those two words.

"Are you happy being naughty?"

“Happy! Who told you not to let me drink, I’m already of age.” Luo Qing Chen put her cheek on her right hand and looked at his handsome face to say, “Have you forgotten about the birthday party you threw for me?”

“Ke, ke.” Gong Mu Bai cleared his throat and said, “In the heart of a math teacher, you will always be a child.”

?!

“Damn! Gong Mu Bai, you’re this black!” Luo Qing Chen looked at him with a surprised look, “It seems like you like our relationship quite a bit!”
