Chapter 2201: Magic potion: You will fall wildly in love with me (20)

Her gaze ignored everyone and fell onto Yu Qian Jin.

She nervously held the bottle of mineral water as her heart beat fast, feeling very nervous.

Ye Si Tian couldn't back down because of what happened earlier, but it was a good thing that the attention was turned to He Qing Qing.

"Young miss He, didn't young master Jin tell you not to approach him?" She gave a taunting laugh before rolling her eyes, "You aren't a student of our class, you're making things hard for our support club by coming here every day!"

After all, He Qing Qing was from a rich family and was the young miss of one of A City's four great families. Although Ye Si Tian didn't like her, she wasn't as direct as when she spoke to Luo Qing Chen's group.

"I'll leave after giving young master Jin one final bottle of mineral water." He Qing Qing bit her lip. Her voice trembled a bit as a cold sweat broke out on her back.

She could only sink with the boat today.

Although there was still a final step to this magic potion, she didn't have any time.

Yu Qian Jin narrowed his deep eyes as he looked at He Qing Qing. Those calm eyes didn't show any ripples at all.

Even Luo Qing Chen felt that he was a cold man at that moment.

He didn't seem like he was able to love someone, he couldn't even like someone. Whether it was true or false, it seemed the same for him.

He just watched as things fell to the ground, not caring about the feelings of others.

Yu Qian Jin, Yu Qian Jin, Yu Qian Jin.....

Luo Qing Chen repeated his name three times in her heart. He was indeed a hard character to capture.

Ye Si Tian saw that Yu Qian Jin didn't say anything, so she couldn't say anything either.

Instead she kept pointing her finger at Luo Qing Chen and Mu Nan Xi. She had more to say to Luo Qing Chen, but she felt an inexplicable feeling of fear when she saw her eyes.

"Mu Nan Xi, I urge you to apologize to me or don't blame me for showing you no courtesy!" Ye Si Tian stood straight up and glared at Mu Nan Xi.

Luo Qing Chen couldn't help giving a cold snort. She wanted to help Mu Nan Xi speak, but she wanted her to say the words that came to her mouth herself.

She didn't know what happened in the past, but she felt that Mu Nan Xi needed a chance, a chance to not be as weak anymore.

There was a long silence that filled the air. Mu Nan Xi gripped her hands and pursed her lips.

Ye Si Tian crossed her arms and looked down at Mu Nan Xi with a proud look.

In the past, to settle things, she had even kneeled down and apologized to her.

She had seen this kind of woman before, there would be a second time if there was a first. Could it be that she wanted to go over her head?

"Apologize? Based on what?" After a few seconds, there was an ice cold clear voice that rang out. Mu Nan Xi suddenly looked up with eyes filled with determination and said, "I want to know, what is your courtesy worth?"

Ye Si Tian was filled with rage. She might have been able to endure it if it was someone who had been arrogant the entire time like Luo Qing Chen.

But she couldn't take this sudden madness that came from the commoner student who had kneeled down at her feet before. In her rage, she took out a fruit knife from a bag that she had picked up from an unknown place, stabbing out at Mu Nan Xi.

"Ah!" Screams came from all around them.

Ye Si Tian's actions were too fast and even Luo Qing Chen couldn't react fast enough.

Xiao Pang who sat beside Mu Nan Xi seemed like he had been injected with steroids as he ignored everything to stand in front of her.

The knife was long and very sharp.....

Chapter 2202: Magic potion: You will fall wildly in love with me (21)

Luo Qing Chen slightly knitted her brows. The moment before the knife stabbed Xiao Pang's chest, she grabbed it with her bare hands.

The blood dripped down drop by drop, but her face was calm and her knitted brows relaxed.

Other than indifference, there was only indifference.....

Everyone covered their mouths in disbelief and took a cold breath.

Actually if she had been half a second faster, she had other ways to stop Ye Si Tian. It was just too bad that her reaction was half a second late and there was only this one way left.

"Qing Chen!" Mu Nan Xi called out before immediately reaching her hands out to push Ye Si Tian.

“Peng, peng, peng!” There were the sounds of several rows of desks and chairs falling. Ye Si Tian couldn’t stop herself and fell to the ground.

She was stunned for a few seconds, but when she wanted to curse, Xiao Pang who had been standing in front of Mu Nan Xi suddenly collapsed.

His hands were clutching his chest and his expression was filled with pain.

Luo Qing Chen was stunned before knitting her brows. She looked at Mu Nan Xi with a calm look and said with a touch of urgency, “He’s having a heart attack! Lay him flat, quickly!”

“Alright.....Alright.....” Mu Nan Xi said twice as her breathing became a bit faster.

Luo Qing Chen naturally knew that no one in this class would help and most of them would just watch the fun.

The rest wished that he would die, so in this case, Luo Qing Chen could only make a bet.

Ye Si Tian had been stunned, but after seeing Xiao Pang fall, she broke out in laughter.

That voice was very sharp and piercing as it rang out in the silent classroom.

Luo Qing Chen knitted her brows and suddenly turned around. Her eyes were filled with absolute killing intent as she looked at Ye Si Tian, “You best remember the words I’m saying today.”

Her voice was very, very cold and the chill from her eyes froze everyone around her.

“You.....What do you want to say?” Ye Si Tian gave a gulp, trying to calm herself down.

Actually, she was very flustered. She didn’t know why, but when she looked at Luo Qing Chen like this, she felt like she was seeing a messenger from hell.

In that clean uniform, her eyes were that cold. She looked like a normal student, but one would feel intimidated if one took a few more looks.

A strange kind of fear.....

But even if she was afraid, she couldn’t step down. She was the female boss of this class and she couldn’t appear weak.

“If Xiao Pang dies today, I will bury you with him.” Her voice wasn’t agitated at all. Each word was said with the same tone, but it made people’s hairs stand on end.

Ye Si Tian took a deep breath and wanted to say something, but she found that she couldn’t say a thing.

The aura of the entire class seemed like it was being controlled by the girl named Luo Qing Chen. Everyone’s eyes gathered on her, without any contempt or displeasure.....

There was only admiration and surprise.....

She had become herself, removing the ‘cannon fodder halo’ and the much anticipated light fell on her again.

This was her.....using her own skills to gain attention.

She also knew that Yu Qian Jin who had never looked at her was currently looking at her.

Even if she didn't look at Yu Qian Jin out of the corner of her eye, she was confident.

Luo Qing Chen still had this bit of confidence!

Actually, it was like this. Yu Qian Jin, who had been leaning by the window with his hands from his pockets, had never moved his gaze from her.

Chapter 2203: Magic potion: You will fall wildly in love with me (22)

"Nan Xi."

"I.....What do I need to do?" Mu Nan Xi was very nervous and not a single word was lacking a tremble. She was already doing her best to calm down.

Luo Qing Chen fell to her knees and crossed her bloodstained hands before looking at Mu Nan Xi to calmly say, "Straighten his body."

"Alright."

CPR, every time she pressed down, the wound on her hand opened a bit more.

One could even see the bones on her palm and the classroom was filled with the faint scent of blood.

The bright red blood stained Xiao Pang's uniform. Yu Qian Jin put his hands in his pockets and his eyes were filled with indescribable emotions.

He felt a tug on his heart, a strange sense of suffocation.

He Qing Qing gently opened the bottle of mineral water and placed it in front of him, "Young master Jin, this is my final bottle of water, please don't reject it."

Don't reject it, alright.....

Her voice was soft, almost as if she was begging, with a bit of hope.

The gaze was directed at no one else but Yu Qian Jin.

Yu Qian Jin took the bottle of water.

At the same time, Lu Qiu Fan standing on the side finally couldn't take it anymore and walked over towards Luo Qing Chen.

He quickly grabbed her wrist, the wound on her palm was pulled back, throwing blood into the air.

There was one drop that fell into the bottle of water.

Yu Qian Jin didn't see this, but He Qing Qing did.

She was surprised as she couldn't help thinking of the final image and words in the book.

Finally, add a bit of the deepest colour in this world, with a bit of warmth and a bit of danger.

The blood spread across the water and was completely absorbed.....

"Don't drink it!"

[Ding, affection has increased by one hundred. Mission completion rate is 100%.]

Luo Qing Chen was frozen in place. She suddenly turned around to meet Yu Qian Jin's deep as ink eyes.

Cold sweat broke out on her back and even her fingers started to tremble a bit.

His eyes focused, as if he couldn't look away from her eyes. The fragments of light from the window fell onto her face, her white face with those slightly red lips.

What was this situation? What happened?

"Let me do it! You go bandage your wounds." Lu Qiu Fan's pleasant voice rang out. He had been holding her wrist the entire time as he knitted his brows, looking at her blood fall drop by drop.

"Di da di da."

That sound was like a nightmare, hitting Yu Qian Jin's heart, making him unable to breathe.

Lu Qiu Fan took out a white handkerchief and put it in her palm.

Then he fell to his knees and started performing CPR on Xiao Pang.

A minute later, Xiao Pang took a deep breath as he woke up.

"Can you see?" Lu Qiu Fan waved his right hand in front of Xiao Pang's eyes and asked, "Do you have medicine?"

"I do....." Although Xiao Pang's voice was weak, he was still conscious.

Luo Qing Chen heard a few relieved voices from the class and after a few seconds, someone started to clap.

She knitted her brows to look in the direction of the clapping.

It was no one other than Yu Qian Jin. He had taken his hands out of his pockets and he was looking at her with a shimmer in his eyes.

The other classmates didn't question young master Jin's applause and suppressed the feelings in their hearts as they also applauded.

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 2204: Magic potion: You will fall wildly in love with me (23)

“Pa, pa.....Pa, pa, pa, pa, pa, pa!”

The applause became louder and everyone seemed very excited like they had been a part of the rescue.....

“Nan Xi, call an ambulance.” Lu Qiu Fan helped Xiao Pang up as he looked at Mu Nan Xi, “Also help him get his medicine.”

“Alright.....” Mu Nan Xi was surprised. Seeing Lu Qiu Fan’s gaze, she couldn’t help thinking of what happened in the past.

“Actually.” At this time, there was someone in the corner who raised their hand to say, “I already called an ambulance.”

As soon as their voice fell, another person raised their hand to say, “That, I also called the nurse’s office.”

Seeing this, Luo Qing Chen couldn’t help feeling a bit excited.

It seemed like people were inherently good.

Maybe some people did have the intention of watching in the beginning, but once it became a life and death situation, they would follow their hearts and make kind decisions.

On the other hand, Ye Si Tian had her hands at her hips as her face turned red. Her eyes were wide open as she glared at Luo Qing Chen with a sharp look.

She wanted to curse her, she wanted to hit her, she even wanted to pick up the fruit knife from the ground to slash her.

But the truth was that she couldn’t do it.

Because Yu Qian Jin personally.....called that person’s name.

“Luo Qing Chen.” Yu Qian Jin’s voice was very beautiful, it was low and soothing.

One would feel goosebumps from hearing it and all the classmates took a cold breath when they heard this.

Because since the start of the year, they had never heard Yu Qian Jin ever call anyone by their name.

He always acted arrogantly and domineering, doing what he wanted to do without caring about anyone else.

But behind this kind of Yu Qian Jin were many fangirls who supported and loved him.

And this was their first time hearing him call someone by their name.

It really.....was the first time.....

“If you have something to say, say it. If it’s the same kind of stuff as before, I ask you not to say anything.” Luo Qing Chen turned to look up at him. Her eyes were calm as she had a faint smile on her lips.

Although she didn't know what happened, maybe there was something wrong with the system or there was another reason.

In short, the notification she heard wasn't wrong. She had 100% affection, if she wasn't a bit arrogant, it would be letting down herself too much.

"Si!" There was another cold breath. Luo Qing Chen could feel the gossipers gasping to the end.

The sound of breathing fell silent as everyone held their breath, nervously waiting for the development of this 'plot'.

After a few seconds, there were a few whispers that entered her ears.

"Is this Luo Qing Chen crazy? She.....Is she really challenging young master Jin?"

"Truly arrogant! But why do I strangely feel that it's a bit handsome....."

"Damn! Me too! I'm a young master worth millions and I'm about to become her fangirl."

"Wa! I also feel she's handsome! No, no, I am young master Jin's fangirl, I have to support him! I can't change my heart!"

.....

Ye Si Tian's cold laugh was mixed in with the whispers. She had her hands at her waist as she muttered, "Luo Qing Chen, seeking death like this, I don't even need to take care of you."

"Alright, I'll change." Little did she know that as soon as she finished talking to herself, Yu Qian Jin's beautiful voice slowly rang out.

Everyone was stunned as they watched him moving towards Luo Qing Chen step by step. When he stood in front of her, he said with a grin, "Be my girlfriend!"

Chapter 2205: Magic potion: You will fall wildly in love with me (24)

"....."

Silence, silence, silence.....

The entire classroom fell into a deathly silence at that moment.

No one dared to speak, no one even dared to make the slightest bit of sound.

Yu Qian Jin stood in front of her with a sparkle in his dark eyes. It was as if there were stars sparkling in the eyes looking at her.

His slender fingers slowly took the white handkerchief in her hand and carefully helped her bandage her wound.

The wound was very deep and blood kept flowing out. Luo Qing Chen narrowed her eyes as she watched Yu Qian Jin's gentle actions, making her knit her brows.

She had her doubts. A person that was this cold and so arrogant that he was hard to approach.

After she came to this world, not to mention any affection, he had never even looked at her.

But now he had suddenly given her 100% affection, why?

"No!"

There was a sharp cry that rang out through the silent classroom.

Luo Qing Chen still hadn't thought it through when He Qing Qing's voice interrupted her.

"It can't be like this.....It can't be like this....." Her voice was trembling as her tears fell down.

Everyone thought that He Qing Qing had gone a bit crazy because she couldn't accept Yu Qian Jin confessing to another girl.

Only Luo Qing Chen seriously listened to the words she muttered.

"It's me, it's me!"

"Don't steal it, you can't steal it....."

"I made the potion....."

.....

Although He Qing Qing tightly held the bottle of mineral water and muttered nonsense to herself.

Luo Qing Chen could understand what He Qing Qing wanted to say through a few key words.

The legend, the legend of Alice Academy.

"Will you?" Yu Qian Jin didn't listen to He Qing Qing's words at all as he focused all his attention on Luo Qing Chen.

Luo Qing Chen looked up and seriously looked into his eyes. She wanted to see if she could read anything from his gaze, but she couldn't see a thing.

Yu Qian Jin saw that she didn't speak and said, "It doesn't matter if you don't answer because it doesn't matter who you liked in the past or who you like now."

Yu Qian Jin's voice was very firm as he said with an absolute domineering and possessive voice, "The one you like in the end must be me."

Must be me.....

These words echoed in her mind a long time.

Even when she was at the hospital getting her stitches, she couldn't forget it.

This person was this confident?

Could it be that he didn't know that his first impression, his second impression, and his third impression were all bad?

"Does it hurt?" The female doctor finished carefully sewing up her wound before looking at her to say, "The wound is so deep, people that don't know might think that you were holding a knife in your hand like in the dramas!"

Luo Qing Chen was surprised before saying with a faint smile, "If auntie wasn't a doctor, you could be a fortune teller."

This guess really was accurate.....

Yu Qian Jin had sent her to the hospital, but it couldn't be considered that since they came in the ambulance that came for Xiao Pang.

The wound was very deep, so it took six hours to finish her operation.

Yu Qian Jin had always been waiting at the entrance, not moving a single step.

She didn't know why but although the 100% affection made her feel strangely happy, she also couldn't help feeling a bit of distance from it.

Why would it suddenly jump to 100% affection!?

She could accept it if it was 20% or 30% since she had been quite handsome when she was saving someone.

But it wasn't enough for full affection!

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 2206: Magic potion: You will fall wildly in love with me (25)

After bandaging the wound, the female doctor told her a few things to take care of.

When she was sent out of the operating room, she also didn't forget to tell Yu Qian Jin a few things.

"You have to take care of your girlfriend. She can't let the wound touch water for a week and she has to come and change her bandages in three days. If it had been a bit more to the side, it would have cut the nerves."

Yu Qian Jin gave a serious nod before saying with a smile, "Alright! Thank you, doctor."

Luo Qing Chen was surprised when she saw her smile. This person was clearly a very arrogant person, but he was smiling like a spring breeze.

The huge contrast made Luo Qing Chen a bit unwilling to look away.

The previous host was right. Although she wasn't interested in people with Yu Qian Jin's personality, he was really handsome.

If he just stood there, he would attract everyone's attention. He was so handsome that he was glowing.

"What are you looking at?" Yu Qian Jin tapped her forehead and said, "Did you hear what the doctor said?"

"Un." She nodded as she reacted a bit slowly.

"I'll send you....."

"No need, I want to see Xiao Pang."

Luo Qing Chen cut Yu Qian Jin off. She wanted a bit of silence to take care of a few things herself.

Her tone was very determined, leaving no room for discussion.

"Alright." After a while, he looked into her flustered eyes and said, "Give me your phone."

Luo Qing Chen was surprised. She wanted to reach into her pocket for her phone, but she realized that her hand was still wrapped up.

Yu Qian Jin saw this and he reached his slender fingers into her pocket, taking out her phone.

"What's your password?"

Luo Qing Chen was surprised. She thought about it and said, "1213."

"Your birthday?"

Luo Qing Chen was surprised again. This 1213 wasn't the previous host's birthday, but rather.....Lu Qiu Fan's birthday.

What to do? What to do? What to do? There was a strange panic that came from her heart.

"No, no, no, it was just something casual." Luo Qing Chen revealed a sweet smile and her clear eyes were quite bright.

Yu Qian Jin quickly entered a number into her phone before giving it back to her, "Call me if you dare."

He narrowed his eyes that had a bit of gentleness in them, but his tone was domineering.

"I....." Luo Qing Chen cleared her throat and said, "I'm leaving first....."

She was a bit flustered as she escaped. Her heart was beating fast and there was a faint blush on her face.

Yu Qian Jin watched her leave as his lips curled into a faint smile.

He didn't panic at all, but he suddenly knew why there had been a feeling of restlessness in his heart.

Since he had decided, he wouldn't let the other side escape.

—

In the room, Mu Nan Xi was sitting on the side as she chatted with Xiao Pang.

When Luo Qing Chen came in, Xiao Pang sat up in the bed and said, "Classmate Luo, why are you here....."

"Just lie down! I just came to see how you're doing." Luo Qing Chen looked at Mu Nan Xi and said, "You were great today."

She really wanted to praise her for the simple sake of praising her.

Mu Nan Xi heard this before a few tears came into her eyes. She looked at Luo Qing Chen and pursed her lips, "Are you willing to hear a story?"

"Actually, I already wanted to hear it." Luo Qing Chen looked at Xiao Pang and said, "Just rest up, the teacher has already contacted your parents. I'll go downstairs with Nan Xi for a walk."

"Alright....." Xiao Pang replied with a nod.

After Luo Qing Chen turned, he couldn't help saying, "Thank you for saving me."

Chapter 2207: Magic potion: You will fall wildly in love with me (26)

The sun was always bright after the rain. There were many stone benches downstairs at the hospital, so Luo Qing Chen randomly found one to sit at while waiting for Mu Nan Xi who went to buy drinks.

There were many things in her heart, but she forgot quite a bit when she heard Mu Nan Xi's story.

But this story had made her feel very surprised and a bit sad.

Mu Nan Xi's little brother was called Mu Yao. He was a very excellent youth and a very bright person since he was young.

But he liked a person, one that he wasn't allowed to like.

Luo Qing Chen had thought that there was definitely a story between Mu Nan Xi and Lu Qiu Fan, but it was actually a story between Mu Yao and Lu Qiu Fan.

Un! Mu Yao liked Lu Qiu Fan. It wasn't a kind of admiration, but sincere love.

Mu Nan Xi strongly opposed this kind of love. She gave the best things to her little brother since they were young.

But he insisted on loving a boy and no matter what she said, Mu Yao wouldn't listen.

Mu Nan Xi had no choice but to come up with a last resort, confessing to Lu Qiu Fan.

She knew that Lu Qiu Fan didn't like Mu Yao, but Mu Yao silently watched him from afar.

He was rejected, but it was no use.

Mu Yao's love was like a demon, desperately, moving forward.

In the end, Lu Qiu Fan who had been 'single forever' took Mu Nan Xi's hand and announced in front of everyone that from this day forth, she would be his girlfriend.

Jealous, envious, and unwilling gazes fell onto her at that moment.

But she didn't care. As long as she could get her little brother back, she didn't care.

Lu Qiu Fan cooperated with her. Taking her home and picking her up in the snow, going out for a meal with her, even bringing her to the movies on the weekends.

For a moment, Mu Nan Xi wasn't clear if this was an agreement or if....there were other feelings.

But as the school hunk's girlfriend, she naturally received the attention of many people.

For example, Ye Si Tian's group of fangirls.

Mu Nan Xi's world suddenly changed as she started getting bullied and it was all when Lu Qiu Fan wasn't around.

But for Mu Yao, Mu Nan Xi never broke up with Lu Qiu Fan, even when she felt like she was about to collapse.

She had gritted her teeth and persevered.

But she never thought that there would be a day when her little brother would leave her.

"So why did he die?" Luo Qing Chen knitted her brows with a bit of doubt in her eyes.

"In the beginning, all the evidence pointed towards Ye Si Tian." Mu Nan Xi said with a bitter smile, "But I knew from the beginning that he committed suicide. I thought he hated me for stealing the person that he loved, but actually....."

"He used an extreme way to protect you." Luo Qing Chen took a deep breath when she said this.

Mu Yao knew that Ye Si Tian's group bullied Mu Nan Xi, so he created some clues that pointed at Ye Si Tian.

But he failed in the end. The police had reached the conclusion that Mu Yao committed suicide through the evidence they had found, so Ye Si Tian was exonerated.

"Yes! Actually, he wrote a letter to me....." Mu Nan Xi bit her lip and she raised her trembling hands to reach into her pocket, pulling out a letter.

When she gave it to Luo Qing Chen, she lost control of her emotions and couldn't help crying.

That sad crying revealing her regret and pain.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 2208: Magic potion: You will fall wildly in love with me (27)

To my dearest sister.

Big sister, I love you, more than anyone in this world, but you don't know this.

I was rebellious since I was young, but our parents couldn't control me. They would beat and scold me, but only you stood by my side, desperately protecting me.

After we grew up and our parents left us because of a car accident, we could only depend on each other.

You worked hard at a work study program for a month to buy me crabs each week because I loved them.

Even if you only ate porridge, you never said a thing.

I knew that I was your burden. If it wasn't for me, you would definitely fly much higher and further.

But the me who was doted on fell in love with a boy. I don't know what it became like this, but I know that it's a feeling that I can't control.

I wanted to pull away, but I couldn't.

Big sister, you don't know this, but when I found out that you became his girlfriend, how I hated you.

But it was only for an instant because right after, I started worrying if he would be good to you.....

This change was so fast that even I didn't notice it.

I watched you going out together, eating together, watching movies together.

Those days of following you, I suddenly found that I wasn't angry at all. The stubborn love that had been in me had suddenly disappeared.

Not only was I not angry, I was very happy.

If he could treat you well in the future, I wouldn't mind following you for the rest of my life.

But.....there are those people who think that they are superior that will keep causing you problems. When you were being bullied, I even wanted to kill them.

But I could only endure because we didn't have a status and couldn't fight them.

Until one day when I saw Ye Si Tian splashing you with instant noodles, I did it.

She was called Lin Huan, you should remember her. She's dead. I killed her that rainy night.

I know that I can't run, I can only take away those that hurt you.

I designed the scene and will frame Ye Si Tian with a plot from a drama. I don't know if the police will be able to see through this, but.....I have no regrets.

Only a bit unwilling. Big sister, I can't be with you anymore.

Actually, I regret it quite a bit.....Why is it that I can't be with you that I would take away a bit of your worries.

If possible, help me tell him that my love for him was true, it was sincere.

But I love my big sister more, more than him.....

Finally, you have to be happy. I will be in the heavens with mom and dad watching over you.

——From Mu Yao.

There were many places in the letter that weren't consistent and places that were off, but Luo Qing Chen felt her eyes turning red.

Tears that couldn't be held back fell drop by drop.

This was their story.

"Qing Chen, was I wrong....." Mu Nan Xi broke down as she tightly held her jacket and said in a sobbing voice, "I regret it, I truly regret it....."

Luo Qing Chen took a deep breath and carefully folded the letter before putting it back in the envelope.

After a while, she slowly said, "Un! You really were wrong."

There was no distinction between man and woman when it came to love in Luo Qing Chen's eyes. True love was not something where gender mattered.

If she was Mu Nan Xi, she would live with the blame of losing this little brother her entire life.

But life was unpredictable and the Mu Family had this son. As the big sister, Mu Nan Xi should have hoped that Mu Yao would carry on their family since their parents were no longer here.....

Chapter 2209: Magic potion: You will fall wildly in love with me (28)

Luo Qing Chen laid in bed that night with her phone in hand as she remembered what Yu Qian Jin had said.

"Do you dare call?"

"Do you dare call?"

"Do you dare call?"

.....

Those four words were like a nightmare that kept lingering in her mind.

She held her phone and after thinking for a bit, she just looked at Yu Qian Jin's number for a bit and didn't call it in the end.

Un! It was a bit embarrassing and she didn't know what to say. If she could only chat awkwardly, that would be boring.

At the same time, in the Rong Family manor.

Yu Qian Jin had a cup of coffee in his hand as he narrowed his eyes in front of the window on the thirty third floor, looking at the number that had been written on the window with a marker.

It was Luo Qing Chen's phone number.

He sipped his coffee as a gentle look appeared in his eyes.

It was a very strange feeling that spread through his heart, with a bit of excitement and unknown expectation.

He had never felt this way before.

For him, it was as if there was a beam of light that had shined into his dark heart.

It was a dazzling light that made him unable to close his eyes.

There was only one image in his mind. The young girl indifferently stood there as drops of blood came from her palm, dripping down her fingers.

She didn't have any expressions like it wasn't her blood.....

—

The next morning, Luo Qing Chen went to the breakfast shop as normal.

A cup of soy milk and an omelette.

When she was about to pay, the boy standing beside her said, "Let's pay together!"

Luo Qing Chen was surprised as she turned to say, "Lu Qiu Fan?"

"I saw you coming to this breakfast shop before so I wanted to give it a try." Lu Qiu Fan raised his right hand and pointed at her hand, "Is it better?"

"It wasn't a big deal to begin with." Luo Qing Chen shook it and said, "It's just wrapped up in an exaggerated manner."

"Yesterday....."

"Classmate, here's your breakfast." Lu Qiu Fan was interrupted by the waiter. Luo Qing Chen took her breakfast and said, "Let's walk and talk."

"Alright....."

Going from Yue Xing Street to Alice Academy was one that every student took, so those that were eye catching received special attention.

When they came out of the breakfast shop, she and Lu Qiu Fan were the center of attention.

The students that came by would take another look at her before whispering to each other.

"Wa! Isn't that the girl that young master Jin confessed to yesterday?"

“It is, it is! She’s actually going to school with school hunk Lu!”

“Damn, why do I smell the scent of gossip?”

“What gossip, I heard that they sit together.....”

.....

The gossipers didn’t care about what they said as the various ‘guesses’ had already become ‘hammers’ that they had personally seen.

Lu Qiu Fan didn’t mind as there was no fear at all in those clean eyes. It was as if what had happened yesterday had given him a kind of redemption that came from the bottom of his heart.

“I should apologize to you about yesterday.” Lu Qiu Fan pursed his lips and those beautiful dimples lingered, “I didn’t help right away and let you two girls.....I’m really sorry.”

“I accept your apology.” Luo Qing Chen shook the soy milk in her hand, “Although there are many things that can be left unrelated to yourself, there are things that have to be done.”

She seriously looked at him and paused before saying, “This is a kind of mission, being a hero in a mess.”

Quick Transmigration Female Lead: Male God, Never Stopping

Chapter 2210: Magic potion: You will fall wildly in love with me (29)

For a long time, Lu Qiu Fan looked at her with a serious look. He didn’t know what he was feeling, but it was like being in the deep mud and suddenly seeing a life saving straw.

This life saving straw saved his fate.

“Actually.....you don’t have to agree to young master Jin’s confession.” Lu Qiu Fan looked up with a deep look, “I think that he won’t make it hard for you.”

“I.....”

“You really are thinking too much.” Before Luo Qing Chen could speak, there was a cold voice that came from behind.

It was as if everything around them froze. The students who had been gathered around whispering suddenly stopped moving. It was as if the first cold breeze of winter came, stopping everything.

Yu Qian Jin had this kind of aura that made people unable to breathe.

“Ke, ke.....” She cleared her throat and quickly came back to her senses. She waved her hand at Yu Qian Jin and said with an awkward smile, “Hi.”

Yu Qian Jin saw this and slowly came forward, taking her other hand and saying, “From the moment yesterday afternoon at 5:20 when I confessed to you, your life was destined. You’re mine if you’re alive, you’re my ghost if you die.”

“Si!” There was a cold breath that entered her ears. Yu Qian Jin had such a strong aura as he came to her side, taking her other hand and pulling her into his embrace.

There was a touch of coldness in his deep eyes as he looked at Lu Qiu Fan in front of him, “Everyone knows that I have a bad temper. Of course I definitely mind her having friends of the opposite gender, especially.....someone like you.”

Luo Qing Chen could feel the strong possessiveness of the man beside her, as each word entered into the depths of her heart.

It had to be said, Yu Qian Jin’s words.....really were direct!

“But I think that you should give her a chance to choose.” Lu Qiu Fan narrowed his eyes without a single trace of fear in them.

Once a person was redeemed, many things he did would be more like himself.

The things that he didn’t dare do or say now became much more fearless.

Yu Qian Jin narrowed his eyes and revealed a grin as he said word for word, “She doesn’t have this chance.”

He had never liked anyone since he was young. He didn’t even know what love was or what it felt like to like someone.

Because he didn’t understand, he was free.

Because he didn’t understand, he was fearless.

Because he didn’t understand, he was a playboy.

.....

It was because he didn’t understand that there would always be one girl after another by his side.

He didn’t know why they would stay. Was it because of his face or his money?

So those girls always stayed by his side for a very short period of time.

As long as a few days and as short as a few hours.

He didn’t find anything interesting, so his personality became more domineering and cold.....

But now that he had found it, he definitely wouldn’t let it go and definitely wouldn’t give it to someone else.

Unless he died.....

Lu Qiu Fan knitted his brows. He looked at Luo Qing Chen who never spoke and after a while, he didn’t answer.

The more outstanding a person was, the more they understood other outstanding people.

He felt that Luo Qing Chen was outstanding, so naturally Yu Qian Jin could also see this.

Being this possessive towards the person he loved, this suited Yu Qian Jin's personality.

"Since classmate Lu doesn't have anything else, my girlfriend and I will be heading to class first." His right hand came to her shoulder and his beautiful eyes had a sparkle as he looked at him, "Also, thank you for buying her breakfast. I will treat you tomorrow."
