Chapter 2211: Magic potion: You will fall wildly in love with me (30)

As soon as his voice fell, he took Luo Qing Chen by the shoulder and turned to leave without any hesitation.

Luo Qing Chen who had suddenly been elevated from 'cannon fodder' to 'female lead' couldn't react from the secret rivalry between these two boys.

Yu Qian Jin was different from the other people in the class. He was indeed arrogant and prideful, but he disdained using his powers to suppress people.

In his eyes, this kind of victory through suppression wasn't considered a victory.

He was domineering and things that believed in, no one could change.

The only feeling that Luo Qing Chen had now was that Yu Qian Jin was more domineering than she thought.

Especially that phrase, you're mine if you're alive, you're my ghost if you die.

As for Lu Qiu Fan, she could feel an unprecedented power coming from this elegant and gentle boy.

It was like he had abandoned his previous self and became a new Lu Qiu Fan.

Luo Qing Chen could guess that he had changed because of yesterday's incident, but she didn't know exactly who had changed him.

Was it Xiao Pang's fearlessness, Mu Nan Xi's transformation, or was it her.....indifference?

But that wasn't important. He could rediscover himself and become the original Lu Qiu Fan, that was without a doubt the biggest change for him.

—

On the way, Yu Qian Jin tightly held her hand as they walked around the campus, walking along the path covered in pear blossoms.

There were some gossipers that took out their phone to secretly take photos and the entire school forum erupted.

The biggest title was: Cinderella and the prince, Alice Academy's perfect school hunk young master Jin has confessed to a normal student!

The photos added to the post were very clear. In addition to the photos taken yesterday, there were the photos taken at the breakfast shop today.

In less than an hour, the post already had over a thousand replies.

Among them, at least 80% were filled with shock and jealousy, only a few expressed their blessing which could be considered terrible to look at.

But most people used new accounts or they remained anonymous.

After all, Yu Qian Jin was the only heir to one of A City's four great families, he was not someone normal rich people could offend.

Luo Qing Chen also learned about this during their physical education class first thing in the morning when Mu Nan Xi told her.

When she opened the forum, there were already three thousand replies. Looking around, she saw that half the people here were wildly tapping on their phones, most likely typing out a reply.

When Luo Qing Chen saw the replies, she couldn't help giving a cold snort.

It really was a "grapes are sour even if you can't eat them" situation!

[Top 1] I Am Snow White: This really is a joke, how could young master Jin like such a person! She looks so average! She doesn't look good at all!

-Anonymous: I admit that she looks good, don't be jealous of this.

-Eternal Heart: Truly jealous.

-Yearning: Truly jealous.

[Top 3] Small Sweetheart: I don't think that it'll last that long! Everyone knows young master Jin's personality, he just plays around and then leaves.

"Ai, do you have something to say?" Mu Nan Xi sitting beside her saw her flipping through her phone without stopping.

She knew from her expression that she didn't care about this.

"What is there to say about this? It's not that I'm not confident, but they really can't be considered a match for me." Luo Qing Chen gave a shrug, looking indifferent.

After all, who could take care of someone who had 100% affection from the male lead!

Chapter 2212: Magic potion: You will fall wildly in love with me (31)

"But I'm quite concerned about one person's reply." Mu Nan Xi tapped the screen and said, "Scroll down, it should be on the seventh page."

"Whose post?" Luo Qing Chen scrolled down as she asked this, reaching the seventh page.

She saw the post that Mu Nan Xi mentioned.

It was an anonymous comment and only had a few words, but it received quite a few replies.

This comment hit Luo Qing Chen's heart and caused her back to break out in a cold sweat.

Anonymous: Don't you know about the legend of Alice Academy? It's actually very easy to make someone fall in love.

(Total of 85 replies)

"Legend of Alice Academy?" Luo Qing Chen knitted her brows and suddenly thought of He Qing Qing's expression from yesterday along with what she had said.

Those clips were like a movie that flashed in front of her eyes scene by scene.

—

"This is my final bottle of water."

—

"That bottle of mineral water!" Luo Qing Chen was surprised. She wasn't that confident in her own speculation and she knitted her brows to say, "There can't be a real magic potion in this world, right!"

If it was before, she wouldn't have believed this thing. After all, this was a serious youthful campus drama world, how could there be a medicine that could make someone fall in love?

But.....with all the impossibilities mixed together, she went from being a skeptic to a believer.

After all, the sudden 100% affection had really confused her.

"Magic potion?" Mu Nan Xi shook her head, "You're thinking too much! I'm more surprised that these words came from your mouth."

In her eyes, Luo Qing Chen was a confident person.

Even if Yu Qian Jin confessed and he showed his love, she would never panic like others did.

How could this kind of person believe in the legend of Alice Academy?

"I don't know either, but if my guess isn't wrong." Luo Qing Chen looked at her phone again and narrowed her eyes to say, "This person should be He Qing Qing."

"He Qing Qing?" Mu Nan Xi gave a shrug before saying with a smile, "There's no need to care about her, she's clearly just unwilling."

Luo Qing Chen heard this and gave a sigh without replying. She looked up at the basketball court, looking at the youth that everyone was looking at.

Every clean three pointer from him drew cheers from the crowd.

And whenever he threw the ball, he would turn to look at her.

Those eyes that were focused, domineering, and gentle.

At the same time, in a cafe outside the school.

Because it was morning and the cafe had just opened, there were few people here.

There was a group of people sitting in a private room. It was He Qing Qing, Ye Si Tian, and the girls that followed Ye Si Tian.

“Young miss He, it’s not good to be absent from the morning class, so just say what you want to say!” Ye Si Tian crossed her hands and rolled her eyes, “But don’t make me go touch that Luo Qing Chen. Big sister Mi Li is still lying in the hospital, you haven’t seen how serious it is.”

“Big sister Mi Li?” He Qing Qing knitted her brows, “She’s in the hospital?”

“Why wouldn’t she? I went to see her yesterday, she had eighteen fractures all over her body. Although it isn’t fatal, it really hurts!” Ye Si Tian couldn’t help clicking her tongue, “She didn’t seem like a big sister at all.”

Chapter 2213: Magic potion: You will fall wildly in love with me (32)

Since she went to see Chen Mi Li and adding in the fact that Luo Qing Chen was now Yu Qian Jin’s girlfriend, she knew that this person was not someone that she, Ye Si Tian could mess with.

It wasn’t that she didn’t want to, it was that she couldn’t.

Unless there was a very good chance, then she promised that she would go all out.

“A normal student scares you like this?” He Qing Qing gave a cold laugh, “She isn’t qualified to be young master Jin’s girlfriend, she’s not worthy.”

“But young master Jin confessed to her in front of everyone, you can’t.....”

“That wasn’t him!” He Qing Qing cut Ye Si Tian off before she even finished.

She almost screamed this. She bit her lip and said, “It’s because of the magic potion.....”

“What did you say?” Ye Si Tian’s eyes opened wide when she heard this, with her voice being even sharper than hers.

She could believe in something like the ‘magic potion’. After all, when she came to Alice Academy, this chemistry based school, it was all because of the legend from thirty years ago.

It was a kind of potion that was made from special ingredients. If the person you loved drank it, he would madly fall in love with you.

“The mineral water I gave young master Jin that day was the magic potion.” He Qing Qing clenched her hands in an unwilling manner as her bright eyes turned bloodshot.

She was unwilling, truly unwilling!

Since she accidentally found that book in the library, in the past few months, she had given up sleep and food to study the magic potion.

It was to make the one she loved truly look at her, so they could.....fall in love with her.

But she never thought that after all this effort, someone else had taken it away!

Why? Why?!

“My god, you already developed the magic potion?” Ye Si Tian’s eyes filled with ‘desire’. She grabbed the corner of He Qing Qing’s clothes and said, “Young miss He truly is a talent, truly powerful!”

“You don’t need to flatter me!” He Qing Qing looked up with a proud gaze to look at Ye Si Tian, “Since I called you here to work with me, I will naturally fulfil the desire in your heart.”

“Wait! Work together?” Ye Si Tian said with a bit of disbelief, “Young miss He wants to cooperate with me? Not to mention that I just said it, young master Jin.....”

“Young master Jin doesn’t love her!” He Qing Qing angrily roared out before suddenly slapping the desk, “If it wasn’t for my potion, young master Jin wouldn’t even look at her!”

She blamed herself for her negligence countless times. If she hadn’t misunderstood the final sentence, then.....

“I don’t understand. If young master Jin drank your so-called magic potion, he would fall in love with you. Why would he fall in love with that commoner?”

“Because of blood.” He Qing Qing took a deep breath and said, “Because young master Jin drank the potion mixed with her blood.”

Ye Si Tian heard this and her expression filled with shock as she looked at He Qing Qing, “Damn! Damn! No wonder, no wonder young master Jin who had always been indifferent to girls would make that commoner his girlfriend!”

“Nonsense! Young master Jin’s eyes will never be that bad!” He Qing Qing gritted her teeth and said, “A filthy commoner without any identity, I won’t let her succeed.”

“What do you need me to do?” Ye Si Tian’s eyes swept over He Qing Qing and said, “Telling me such a big secret, it isn’t just to share it!”

“I need a blend of chemicals, but I haven’t succeeded even after many times. I need a god who is very good at chemistry.” He Qing Qing slightly knitted her brows and said, “I know that your father is our school’s chemistry teacher.”

Chapter 2214: Magic potion: You will fall wildly in love with me (33)

“But you already made the magic potion, right?” Ye Si Tian knitted her brows in confusion, “Could it be that this potion will fail?”

“No.” He Qing Qing shook her head, “It won’t fail, but I want to make another potion.”

“What?”

“An antidote.”

An antidote that Yu Qian Jin would drink so he wouldn’t be that madly in love with Luo Qing Chen anymore.

—

The second class was math class.

When Luo Qing Chen came back to the classroom, she found that the things on her desk had been moved to the last row. All the books and her writing utensils were on the desk beside Yu Qian Jin.

Moreover, two boys with glasses looked at her with respectful looks and said, “Sister in law, for your relationship with young master Jin, we took the initiative to switch seats for you.”

The word ‘initiative’, Luo Qing Chen didn’t believe it.

If it wasn’t Yu Qian Jin’s suggestion, how could the little brothers that followed him take this initiative?

“Ke, ke.” She cleared her throat and said, “I remember that I didn’t have a textbook.”

The first day that she arrived, Ye Si Tian had thrown her textbook to an unknown place. She was too lazy to look for them since those questions couldn’t trouble her at all.

It didn’t matter if she had a textbook or not.

“How could sister in law not have a textbook!” The first boy in glasses said, “We will be sister in law’s followers in the future, we will be there twenty four hours a day!”

The second boy in glasses quickly said, “Yes, yes! Sister in law must call us, we’ll feel uncomfortable if we’re too free!”

“You.....”

“He, he.” When Luo Qing Chen wanted to say something, two cold laughs cut her off.

Ye Si Tian had her hands in her pocket and was chewing gum as she rolled her eyes at Luo Qing Chen with a proud look, “A certain someone is quite narcissistic, thinking that they’ve become a phoenix. It really is laughable.”

The bustling class had suddenly become silent because of what Ye Si Tian said.

Everyone turned their gazes to look at Ye Si Tian, some with shock and some with admiration.....

The shock was that although it had only been two days, the current Luo Qing Chen was like heaven and earth compared to the Luo Qing Chen of two days ago.

Not only Luo Qing Chen, even her good friend Mu Nan Xi was being treated quite well.

Those people who usually looked down on them began turning to them with smiles, wanting to hug their legs.

After all, who was Yu Qian Jin? There were dozens if not hundreds of rich families that wanted to get closer to the Yu Family.

Normally there would be no chance, but this commoner was the best opportunity.

“What? Ye Si Tian, are you envious?” Before Luo Qing Chen could speak, Mu Nan Xi not far away spoke for her.

Her tone was filled with provocation, without a single trace of fear.

Luo Qing Chen revealed a smile and gave Mu Nan Xi a thumbs up.

Not bad, not bad, this girl has made progress. She became more and more powerful when picking on people.

Her tone, her attitude, her expression were all just right.

Ye Si Tian heard this and gritted her teeth, but she looked a bit worried.

She then said in her sharp voice, “Don’t you know in your heart whether young master Jin truly loves you or not?”

It was just a cheap trick because He Qing Qing’s potion made Yu Qian Jin love someone, what was so good about it?!

“I know very well whether I love her or not, what is it to you?” A cold voice slowly rang out, almost freezing the air around them.

The classmates all quickly dispersed and returned to their own seats, not daring to say a single word!

Chapter 2215: Magic potion: You will fall wildly in love with me (34)

Ye Si Tian felt her back stiffen and she couldn’t help breaking out in a cold sweat.

Although she and Yu Qian Jin were in the same club, although she claimed to be a member of Yu Qian Jin’s support club, although she was unhappy seeing the fangirls staring at Yu Qian Jin.

She had actually rarely ever talked to Yu Qian Jin.

Most of the time, she just spoke to herself and she didn’t get a response.

But today, she was really talking to Yu Qian Jin.

But she didn’t feel any happiness, only fear.....

“Young master Jin.....I.....” Ye Si Tian tightly clenched her hands and lowered her head to say, “I just don’t want you to be tricked.....”

“First let’s not talk about whether I was deceived or not, rather.....” Yu Qian Jin coldly raised a brow and walked over to take Luo Qing Chen’s hand, “First tell me, what kind of fate will befall those that bullied my, Yu Qian Jin’s girlfriend.”

His voice was very cold with a strong suppression in each word.

Ye Si Tian couldn’t help giving gulps as her heart started beating fast.

“Since you haven’t figured it out, the Ye Group no longer needs to exist in A City tomorrow.”

“Si!” Everyone took a cold breath. Everyone knew that young master Jin was domineering, but they never thought that he would be so decisive in using this real method.

“I.....I.....” Ye Si Tian tightly bit her lips before loudly saying, “I’m sorry, classmate Luo, it was all my fault! I shouldn’t have made random speculations about the relationship between you and young master Jin and I shouldn’t have raised my voice at you.....”

Without knowing why, although Luo Qing Chen knew that Ye Si Tian wasn’t willing to say this.

Seeing her tone lower, she felt strangely satisfied and couldn’t help revealing a faint smile.

Yu Qian Jin was inexplicably happy seeing her smile like this.

He had read in a book before that you would be happy if she was happy and you would be sad if she was sad.

He had laughed at these words before, but now he thought that they were the truth.

Yu Qian Jin narrowed his beautiful eyes and said, “An apology is an apology, but it’s up to my girlfriend whether she accepts or not.”

“Puchi!” Mu Nan Xi standing on the side couldn’t help laughing.

It was probably because the anger towards Ye Si Tian in her heart that had been suppressed was finally vented. Other than excitement, there was only one word, satisfaction!

Ye Si Tian heard this laughter and angrily glared at Mu Nan Xi. Her eyes were opened wide and her face was flushed red from anger.

But Yu Qian Jin was there, so she couldn’t say anything and swallow her anger. She could only silently endure.

“I hope that classmate Luo is big enough to not bother with me and forgive.....”

“Stop dreaming.” Luo Qing Chen didn’t even bother listening to her as she cut her off and said with a smile, “Of course I won’t forgive you.”

“You.....” Ye Si Tian was filled with rage and her eyes were about to pop out. What she wanted to say was stuck in her throat and her rage made her out of breath.

Luo Qing Chen was too lazy to care about her and turned to head back to her seat.

Mu Nan Xi gave her a thumbs up with eyes filled with excitement.

Sitting in a new seat with textbooks, new stationery, new workbooks, and.....a new deskmate.

All the happiness came too quickly that it made her a little flustered and more afraid.

Chapter 2216: Magic potion: You will fall wildly in love with me (35)

It had to be said, after she became Yu Qian Jin's girlfriend, even the math teacher who had gone all out to target her last time had changed.

The math teacher called her less than ten times this class.

And each time was to gush compliments onto her that lasted several minutes.

This kind of obvious move made Luo Qing Chen feel strangely awkward.

After all, the math teacher was different from Ye Si Tian. As a teacher, it was impossible for him to 'deliberately praise' the other side.

Although this teacher didn't have any respect, she couldn't not respect the elderly.

Yu Qian Jin could see this and his right hand casually played with her curly hair, "My girlfriend is quite shy!"

"Ke, ke." Luo Qing Chen cleared her throat and turned to look at Yu Qian Jin who was lazing in the light. She wanted to say something, but she also felt a nervous feeling.

"What is it?" He narrowed his eyes and looked at her with a bit of a doting gaze, "Could it be that you want to confess?"

"Narcissist." Luo Qing Chen pursed her lips and gave a proud snort, "I just wanted to formally talk to you about being your girlfriend."

Actually, she still hadn't agreed yet.

Actually, he understood.

"Qing Chen, are you not going to agree?" Yu Qian Jin's slender fingers were still in his hair as he looked at her with a gentle look.

"Yes!" Luo Qing Chen gave a very sincere nod since she still hadn't figured out the matter of the magic potion yet.

If he only liked her because of the magic potion, she couldn't accept it, alright?!

"Then just agree the next second!" Yu Qian Jin looked at her and said, "Actually, it's fine if it's just a minute, at most an hour."

"You....." She suddenly felt that the male lead Yu Qian Jin was even more black bellied than she thought.

Moreover, he was a very possessive man. The things he wanted, he wouldn't give to anyone else.

"Qing Chen, you are mine." He stopped moving his hand to seriously look at her, saying word for word, "Unless you tell me that there's someone else you like."

"If there is?" Luo Qing Chen pursed her lips, "Is young master Jin planning on giving up or are you planning on going for a fair competition?"

"Do you think that these words would appear in my life?" With a deep smile, Yu Qian Jin looked at her to say, "Kill him and kidnap you."

.....

If another girl heard this, she would laugh at this. After all, this was the kind of 'domineering president falling in love with you' trope that they loved!

But when Luo Qing Chen looked into his deep eyes and saw his faint smile, there was a bit of panic.

Because there were some words that would just be words in the mouth of others, but when Yu Qian Jin said this, they weren't just words.

"This decisive?"

"Just this decisive."

His voice that was like a low cello rang in her ears, shaking her heart.

Actually, she didn't understand Yu Qian Jin, not one bit.

But when sitting beside him, there was a feeling of safety.

"Does the number you gave me last time still work?" Luo Qing Chen pursed her lips as a sparkle appeared in her eyes.

There were some things that had to be explained.

"It will work forever." There was a faint sparkle in his deep as ink eyes, "It's a pity that a certain someone doesn't dare call it."

"Ding ling." Yu Qian Jin's phone rang.

Luo Qing Chen pressed the call button and said, "I called."

Chapter 2217: Magic potion: You will fall wildly in love with me (36)

The air around them seemed to freeze as his deep eyes intensely looked at her. His slender fingers slowly reached into his pocket to press the answer call button as he looked at her to say, "My girlfriend, what instructions do you have?"

"Tonight at the center of Star Moon Street, walk thirty steps to the right and sixty paces forward. Turn to the store to your right and I will be waiting there for you." Luo Qing Chen used a clever method to invite Yu Qian Jin out, but she never thought.....

"The Laurel House." He revealed a smile as he looked at her with slightly glazed eyes, "I never expected out! Our family's Qing Chen actually likes going to bars!"

"I don't like it." Luo Qing Chen gave a shrug before saying with a smile, "I just want to have a drink with young master Jin."

"My tolerance isn't good and I easily get drunk." Yu Qian Jin's lips curled, "If I get drunk.....don't blame me."

"I won't, I won't." Luo Qing Chen revealed a smile, "What kind of person am I, how could I blame young master Jin?"

Actually, Luo Qing Chen didn't believe it, how could Yu Qian Jin depend on getting drunk to do this?

What kind of place was the Laurel House, it was in the center of the city?

What kind of place was the Laurel House, it was the nightless city, okay?

There were many people around, she's not worried at all, alright?

But this idea was completely dispelled when she reached Star Moon Street that night.

No one, not a single person.....

There were street lamps on both sides that had balloons attached and there were flower petals at the end of the street.

The order of the colours were, red, orange, yellow, green, blue, indigo, violet.

There were the slow sounds of cellos all around and the street lamps lit up as she walked along.

She really had to admire the Yu Family's status in A City, only Yu Qian Jin could book a street at the city center for the night.

After taking a few steps, the low cello sounds turned into violins.

Luo Qing Chen knew that the sounds were coming from the stores on both sides, but all the lights had been turned off, so she couldn't see them.

Until she reached the door of the Laurel House that she saw a store that was lit.

"Good evening young miss Luo." The waiters on both sides gave a ninety degree bow that was filled with respect.

There was a beautiful piano sound that rang out as a faint blue glow filled the sky around her.

Luo Qing Chen gave a knowing smile and walked in.

The entire Star Moon Street had been blocked off, so it was impossible for anyone else to be in the Laurel House.

Yu Qian Jin was at the bar, casually swirling a glass of alcohol, which was a tempting blue champagne.

"I never imagined it, young master Jin had this kind of skill?" Luo Qing Chen calm forward and pretended to be calm as she took a sip, "Un, delicious!"

"I don't know if young miss Luo has invited me out to drink? Or....."

"Let's just chat for a bit!" Luo Qing Chen finished the cocktail in her hand and said, "How about it?"

"I feel that truth or dare is more practical." Yu Qian Jin took out all kinds of cocktails from behind him and placed them in a row, "Right, my tolerance isn't good."

Truth or dare?

Luo Qing Chen looked around her heart. She didn't seem to have any 'shameful secrets' that she couldn't share.

Not to mention that her identity had been given to her by her family. Even if Yu Qian Jin is powerful, the Luo Family was just as powerful. It was currently the time of the election and for her safety, they had hidden her identity.

For now, it was impossible for anyone to find out her identity.

Chapter 2218: Magic potion: You will fall wildly in love with me (37)

"Alright!" Luo Qing Chen looked at the cocktails on the table, "So the dare is to drink a glass?"

"Just one is too little."

"Little?" Luo Qing Chen pursed her lips, "Then how many?"

The cocktails were very strong, alright? Although they tasted sweet and sour, it was still very easy to get drunk.

For people with normal tolerance though, one really wasn't considered little.

"Ten." Yu Qian Jin revealed a smile that looked very beautiful in this warm toned environment.

"Ten....." Luo Qing Chen was surprised, but with her attitude of not wanting to lose, she decisively replied, "Deal!"

Anyway, she wasn't bad at drinking and she wouldn't get drunk in normal circumstances.

"You first or me?" Yu Qian Jin raised a brow with a gentle look in his eyes.

This was his first time seeing her like this and he felt a familiar feeling. He thought that just by asking her out, she would stick to him like a fly.

But the attitude that she showed him was completely different from the girls he met before.

This desire of wanting to conquer her, he couldn't forget it.

"You ask first!" Luo Qing Chen put her cheek on her left hand and threw an olive branch.

After all, her questions would be sharper!

In her opinion, Yu Qian Jin wouldn't be able to ask serious questions when he only knew so little about her.

Thinking of this, she casually picked up a cup of watermelon juice on the side to take a sip.

But before she could swallow the watermelon juice, Yu Qian Jin's question hit her heart!

"Is your phone password Lu Qiu Fan's birthday?"

"Pu.....Ke, ke, ke.....Ke, ke." He knew his answer when he saw this large reaction from her and he strangely felt a bit unhappy.

But after seeing that she was choking, he couldn't help hand her a napkin. He patted her back as he said, "Drink slower. The entire Star Moon Street is the property of the Yu Family, no one will steal it from you."

"What?" Luo Qing Chen who had calmed down coughed again after hearing Yu Qian Jin's words.

No wonder, it was no wonder that he could seal this place and make everyone disappear.

"Fool." He raised his hand to pat her head, "Actually, you didn't need to answer since I already knew....."

"Of course not." Luo Qing Chen seriously looked at him and said, "I didn't know Lu Qiu Fan before, how could I know his birthday?"

"Really?"

"Really."

She wasn't lying. It was the previous host's password, not hers.

She couldn't carry this large cauldron and wouldn't carry it.

Yu Qian Jin narrowed his eyes and carefully looked into her eyes. It was clear to the bottom, it indeed didn't seem like she was lying.

"Ke, ke....." Luo Qing Chen cleared her throat and put the watermelon juice to the side before saying, "Is it my turn?"

The main point of this date was this question, otherwise her original intentions would be lost!

She had to ask clearly today.

“Ask!” Yu Qian Jin leaned back in the chair as he had the same faint smile the entire time.

With his back to the light, he was unbelievably good looking.

At that moment, she suddenly felt that it was fortunate that such a beautiful youth confessed to her instead of someone else.

But she was also very worried about whether this confession was because of love, or.....because of something else.

“When did you fall in love with me?” Luo Qing Chen looked at him as that smile turned into a serious look and she said word for word, “Was it the day that Xiao Pang had a heart attack?”

Chapter 2219: Magic potion: You will fall wildly in love with me (38)

There was a silence that lingered in the air for a long time.

Yu Qian Jin just looked at her like this, as a gentle look gradually appeared in those sparkling deep eyes.

He picked up a glass of wine from the table without another word, drinking it down before moving to the next.

Luo Qing Chen was frozen in place, not being able to react.

Because she never expected Yu Qian Jin to not answer at all and choose to directly drink.

A minute later, he finished off ten glasses and his gentle eyes became a bit warm.

He raised his right hand to take her neck and looking at her cherry lips, he sealed it with a kiss without another word.

What was this? What was happening? Who am I? Where am I?

These questions entered her blank mind at the same time when she felt Yu Qian Jin’s passionate kiss.

Why did he suddenly kiss her?! What about truth or dare?

“You still haven’t.....” She wanted to say something, but the more she tried to talk, the deeper Yu Qian Jin’s kiss became.

It was like it was taking over her mind and soul bit by bit, constantly swallowing it.

“I already said that my tolerance wasn’t good, it’s likely that things will happen once I get drunk.” As soon as his voice fell, he lifted her up in a princess carry and headed to the VIP room.

Luo Qing Chen felt her heart beating fast.

She could smell the faint scent of alcohol on Yu Qian Jin, mixing with the cologne that he had which smelled very good.

She suddenly felt nervous, with a bit of a strange expectation.

She felt that these thoughts weren't good, but these bad thoughts kept appearing in her mind.

There was a bit of love, infatuation, and a bit of sinking.....

She even started to think about what kind of underwear she had put on when she headed out this morning.....

When these 'evil thoughts' reached this level, she quickly shook her head. She used her reason to up all these random thoughts even though.....it didn't seem useful!

Until Yu Qian Jin carried her to the second floor, slowly opening the dark room.

When it was opened, she strangely smelled the scent of alcohol and formalin mixing together as the dark room suddenly turned bright.

"Young master Jin."

There were three people in this room, a doctor in a white coat and two angels in white.

Luo Qing Chen head suddenly stopped as she heard a buzz in her ears.

Yu Qian Jin took her injured hand and carefully put her on the hospital bed. Then he used his right hand to pinch her nose, "When I was carrying you up the stairs, were you thinking about....."

"Of course not!" She shouted these words as her white cheeks were covered in a blush that quickly spread to her ears.

This feeling was really, really bad, it was simply being seen through by the other person.

"Ha, ha!" Yu Qian Jin couldn't help laughing at how cute her panicked look was, "I wanted to take you to the hospital tonight to change your bandages, but since you made a date, I couldn't refuse. I could only bring the doctor here."

"Hello young miss Luo, I am province's leading doctor Liu Yi and the Yu Group's private physician."

"Relax, doctor Liu is one of the best doctors in our city." He patted her head and looked at her like a child as he said, "The wound is too deep, I think it's better to change bandages every day instead."

Luo Qing Chen gave an obedient nod. At that moment, if it was said that she wasn't moved, it would have been a lie.

There was a phrase that appeared in her mind, one that was very warm.

When you didn't know a person, you would think that he was cold by nature.

Actually, those that were indifferent gave their warmth to their most important people.

She seemed to finally understand Yu Qian Jin. If a person really entered his heart, they would see his gentle, doting, and bright side.

If she were to use the word sunny to describe Yu Qian Jin before, she really couldn't do it.

But when she saw his smile now, it really was beautiful. It must be a Yu Qian Jin that no one had ever seen before.

"Why don't you answer?" Luo Qing Chen looked up at him, "This answer is very important to me."

Although she desperately told herself that at least in this world, there shouldn't be anything like 'magic potions', everything seemed too coincidental.

This coincidence made her afraid that everything would be fake in the end.

She was afraid that if there really was this potion, any person could be the one that he gave his heart to.

The more you had, the more you were afraid of losing it.

That was how the current her felt.....

"When you finish changing your bandages, I'll tell you, alright?" He could see that her eyes were a bit red and thought that she was in pain from the wound, so he blew on it and said, "Don't cry, don't cry, it'll be better soon."

"The wound really is deep." Doctor Liu knitted his brows, "Such a deep wound needs to have the bandages changed every day or it might easily get infected."

Yu Qian Jin looked at her wound and couldn't help knitting his brows.

This was his first time seeing her wound. When she was at the hospital getting it wrapped, he had been waiting outside.

The first time seeing it, he strangely felt a sense of suffocation and his heart filled with pain.

The scene from the classroom appeared in front of his eyes and a sense of self blame spread through his heart.

Why did he ignore his feelings even though he cared so much?

Why did he have to confirm his feelings again and again even though he clearly wanted to stand behind her.

If he had stood by her side earlier, how could she have suffered such a serious injury?

Actually, he had to thank Lu Qiu Fan for confirming his feelings in the end. If it wasn't for him handing her his handkerchief, the unwillingness in his heart wouldn't have reached its max.

He wouldn't have known his thoughts this clearly.

"It will hurt a bit. Young miss Luo, please endure it." Doctor Liu took a bit of iodine and carefully disinfected her wound.

Yu Qian Jin gently touched her head to put it against his chest as he said in a soft voice, "Don't look, don't look....."

Actually, she wasn't afraid of pain since the feeling of getting stabbed was already something that she was used to.

She seemed to have a low sensitivity to pain and there were times where the pain in her heart overwhelmed the pain of her body.

Yu Qian Jin gently held her head and when he whispered in her ears, she felt the stinging sensation that came from her hand.

It was as if when someone cared about her, she would become more vulnerable.

When she grabbed Ye Si Tian's fruit knife, she didn't even feel any pain when getting bandaged that day.

"Alright! Although the wound is deep, it won't leave any scars if it's cared for properly." Doctor Liu looked at Yu Qian Jin and said, "Then young master Jin, we'll be leaving first."

"Alright." Yu Qian Jin softly said as his eyes were still on Luo Qing Chen, "Does it still hurt?"

She shook her head and said with pursed lips, "So you were like this, Yu Qian Jin."

"Yu Qian Jin was always like this." He revealed a smile as a sparkle appeared in his beautiful eyes, "Also, the answer that you wanted."

"What?"

"Even earlier."
