Chapter 2241: Magic potion: You will fall wildly in love with me (Part 60)

“.....” Sometimes, silence was when time froze.

You would find that the surrounding area suddenly stopped moving and everyone would look at you with a strange look.

After a while, Yu Feng came to his senses first and he had a bit of panic in his eyes.

No, no, this was definitely wrong.

He was clear on his son’s personality, he wouldn’t compromise this easily.

There had to be some trick with these strange actions.

“Old Luo, old Luo.” Yu Feng quickly said, “My son might be a bit nervous today, don’t mind, don’t mind.”

“Oh.” Luo Long said in an understanding voice, “It’s fine, it’s fine! If you didn’t say anything, I would have thought that they knew each other beforehand!”

Dai Wei suddenly remembered that her daughter seemed to have entered the Alice Academy after hearing this.

Could it be.....that they really knew each other?

“Where were we just now.....Oh, right, right.....” Yu Feng changed the topic, “I was saying that the children have their own thoughts and we should leave it to them. We shouldn’t interfere that much.”

Yu Feng felt that there were some things that he should say for Yu Qian Feng.

After all, their families had been friends for many years and they couldn’t become estranged just because there wasn’t an engagement.

In those few minutes just now, although Yu Feng didn’t completely understand everything, he knew that it would be counterproductive to force Yu Qian Jin to do anything.

“Old Yu’s meaning is that we should forget about the children’s engagement?” Luo Long said with a hint of displeasure in his voice, but he didn’t make it very obvious. He cleared his throat and said, “Our family’s Xiao Qing even specially dressed up when she heard that she was going to meet young master Yu.”

.....

Luo Qing Chen was stunned as she couldn’t help blushing.

Why did it feel like there was a discount tag on her and her dad was desperately trying to sell her off?

“Un, she looks very good.” Yu Qian Jin looked up with a faint smile, “Uncle, you can just call me Qian Jin.”

Luo Long looked at Yu Qian Jin with narrowed eyes, “So your dad thinks that you should have the right to choose. What do you think about this?”

Actually, Luo Long was very smooth when he asked this question. Not only was it natural, he could get an answer for his question.

“Uncle Luo, my father is just dull when it comes to handling matters of emotion.” He politely replied before revealing a smile, “I naturally don’t think the same.”

“What?” Yu Feng’s eyes opened wide when he heard Yu Qian Jin say this and his beard almost jumped over his face.

What was with his son today? Before he met the Luo Family’s young miss, he was saying that he wanted to pursue true love.

But after meeting her, his statements were immediately overturned.

Was this.....setting a trap for his father?

“Old Yu, you, you, you.....Don’t say anything else, let’s listen to the children!” Luo Long had a smile on his face. It was most likely because Yu Qian Jin’s words had increased his impression of Yu Qian Jin in his mind.

“If uncle Luo insists on asking me.....” His eyes fell onto Luo Qing Chen and there was a hint of a pampering look as he said, “A girl that’s as cute as Xiao Qing, it’s a pity not to marry her.”

“Yu Qian Jin.....” Luo Qing Chen was a bit surprised by his focused eyes. It was a gaze that could penetrate her eyes and convey a love as deep as water.

He paused before continuing, “If you ask me when we should get married, I think.....Un, the sooner the better.”

## Chapter 2242: Magic potion: You will fall wildly in love with me (Part 61)

“Xiao Jin, you.....What are you saying!” Yu Feng stuttered as he spoke. His eyes were filled with doubt.

“Old Yu, don’t get involved. I feel that Xiao Jin is quite good. Ha, ha, ha, I really am happy today, I’ll drink a bit more!”

Luo Qing Chen couldn’t help giving a chuckle. Although her father loved her, he was a rather serious man.

After all, successful people had a bit of ‘baggage’ just like stars.

In the previous host’s memories, her father rarely had this kind of smile, so this was a rare chance.

It was said that daughters were the loves of their fathers, so naturally he was happy about this big event in her life.

The starry night was silent and beautiful.

The melodious music of the Royal Imperial Hotel faintly filled the air.

A table of delicacies with one plate coming after the other.

He sat beside her, getting different food for her. Peeling the shrimp, filling her soup bowl, getting napkins for her.

Yu Feng saw all of this and he went from being stunned to being stunned.

Luo Long looked at Yu Qian Jin with a satisfied look. It was like he had already taken him as his son in law in his heart.

After the dinner, the parents decided to leave first.

Yu Qian Jin sent Luo Qing Chen home alone. After all, in their eyes, the two children had just met and even if they fell in love at first sight, they needed to get to know each other.

But Luo Qing Chen felt that after the perfect male god, she would be seeing the devil.

Standing in front of Yu Qian Jin's Maserati, the cold wind blew around her. She bit her lip and acted weak with a faint sparkle in her eyes, "Young master Jin, can I go back by myself?"

He looked down slightly with a playful look in his deep eyes. His beautiful lips curled a bit as he looked at her to say, "What do you think.....classmate Luo?"

"Ke, ke, ke." She desperately coughed a few times after hearing this before immediately saying, "Listen to my explanation....."

"Get in the car first."

Yu Qian Jin's words were concise and didn't give her a chance to explain.

In the familiar passenger seat with a different identity.

The story between them was different from the fairy tale, it was Cinderella who attacked and became the princess in the story.

But she was a rich young miss who used a commoner's identity to approach her prince.....

Until one day when the prince learned the truth.....

This script was too new that she couldn't react to it.

"Luo Qing Chen."

"Here."

She pursed her lips as she watched the increasing speedometer, with her heart jumping to her throat,

There was a strong aura from the other side that suppressed her bit by bit.

"You can explain." Yu Qian Jin turned to look at her and said, "Explain properly."

"....."

Over the next five minutes, she gave a brief explanation.

Because of the Muou Country's elections, she couldn't reveal her identity.

But there was a special reason that she had to come back to China for.

“So, what is this special reason?” After the full five minute explanation, Yu Qian Jin’s question had hit the nail on the head.

The previous host’s special reason for coming back was just because she saw Lu Qiu Fan’s image in the foreign magazines.

But she couldn’t tell Yu Qian Jin this reason!

“It’s just.....It’s just that I missed my family and wanted to come back early!” Luo Qing Chen always looked a bit flustered when she lied.

But she knew that she had to keep calm to make this lie come true!

But Yu Qian Jin’s slightly cold voice said, “Liar.”

Chapter 2243: Magic potion: You will fall wildly in love with me (Part 62)

“Who said I’m a liar!” Luo Qing Chen knitted her brows and pursed her lips, “I didn’t.”

Yu Qian Jin picked up a tablet beside him and handed it to her, “Fifteen minutes ago, I dug up all the information on the Luo Family’s young miss. Un, it’s you.”

Luo Qing Chen was surprised. She looked at the tablet with a confused look as she saw that it was on the fifth page.

Actually, when she saw that tablet, she knew that Yu Qian Jin was angry.

One, it was because she didn’t tell him about her identity.

And two, it was because in the information, it was written that her most admired person was called Lu Qiu Fan.

It had to be said that there was a hole in the previous host’s brain! You always keep your admired person in your heart, why would you say it out loud?

“I.....He.....This information!” Luo Qing Chen let out a long sigh before seriously turning to look at him and saying, “I like you.”

“Si!” There was a sudden break sound that filled her ears. She felt that if it wasn’t for the safety belt, she would have flown out of the windshield in front of her.

There wasn’t a sharp wind sound as the area around her suddenly turned quiet.

There were snowflakes slowly falling from the sky as her heart felt a bit nervous.

When she was about to raise her head, Yu Qian Jin suddenly leaned over and hugged her.

A domineering kiss fell and didn’t even give her a chance to breathe.

She could feel the heat, the anger, the possessiveness, and a bit of panic in his kiss.

She felt that when it came to love, Yu Qian Jin wasn't as mature as he seemed on the surface.

Rather, he was a bit childish.....

"Yu Qian Jin!" His kiss was very deep, swallowing her bit by bit. When she was losing consciousness, she seriously called out his name.

He replied, "You are mine. In life or death, you are my person. Lu Qiu Fan can't take you away, but I'm still jealous of him!"

"What are you jealous of!" She took advantage of the moment he let her go to purse her lips and say, "I am your girlfriend!"

"But your password is his birthday." Yu Qian Jin looked at her and knitted his brows before tightly holding her, "I would think that if I wasn't that decisive before, would you have chosen him?"

Whenever he thought about this, he would feel a bit of fear.

For him, Luo Qing Chen was more important than anyone in the world.

He didn't care if she was a commoner or a rich person, he also didn't care if his family would accept this or not.

So what if she's a commoner, so what if they objected?

Him liking her was enough.....

"I won't." After a while, she suddenly looked up with a determined look at Yu Qian Jin and said word for word, "I don't like him because I'm destined to meet you."

Yes! There were some people destined to meet.

She knew that he was waiting for her, so she never stopped in front of others.

It was because her eyes were too clear that after Yu Qian Jin saw them, he patted her head and said, "Fool."

"So have we reconciled?" Although it didn't seem like they had argued, the atmosphere had become much more relaxed after his words.

"Of course not."

"Why?"

"Because young miss Daisy being the Luo Family's young miss was something that you hid from me."

"I!" Luo Qing Chen's eyes opened wide, "Didn't I just explain it?"

How dare he waste her five minutes of talking?!

"It doesn't matter! For the next week, other than sleeping, young miss Luo Qing Chen will always be with me!" Yu Qian Jin domineeringly crossed his arms, "In order to prevent her from getting in touch with her admirers!"

"Pu!" Luo Qing Chen couldn't help laughing, "Alright, alright."

Actually, she wasn't compromising, she was just giving him assurance.

It's like back on the tree lined path when he did all he could to prove his love.

Just like when he had kept trying to reassure her when he knew that he was going to meet the Luo Family's young miss.

She knew how important she was in his mind, so she didn't think that it was bad for him to make this unreasonable request.

—

Early Monday morning, there was still a bit of snow that fell from the sky. The white snowflakes on the ground looked very beautiful.

She was wearing a limited edition Versace jacket as she walked into the school.

Actually, she normally didn't like wearing these name brands that much. One, it was because it would reveal her identity and two, it was because she didn't feel that it increased her status if she wore it or not.

But today, she wanted to wear it.

After all, people were looking forward to a big play and if she played along, it would become even better.

As expected, when she walked into the class, Ye Si Tian looked at the door and curled her lips to say, "Ai! Our commoner is wearing a limited edition item to go against young miss Daisy!"

Ye Si Tian's follower A said, "Big sister Si Tian, what limited edition! It's clearly a fake, truly embarrassing!"

Ye Si Tian's follower B continued, "Isn't it? Don't you even look at your own identity? I heard that the two families met at the Royal Imperial Hotel yesterday, there was a line of luxury cars outside!"

"Stop going 'right, right, right', isn't it annoying!" Mu Nan Xi couldn't help saying, "If you don't do anything, you won't die. Qing Chen is young master Jin's girlfriend, do you not want to stay here anymore!"

"Ze, ze, ze, this commoner isn't right at all." Ye Si Tian shook her head, "Because of your lowly status, you are ignorant. Yesterday, the two families confirmed the engagement, so what about a girlfriend? Young miss Daisy is now young master Jin's fiancée!"

It was because Ye Si Tian's words were a bit loud that the students in the class started discussing this.

"Actually, I also heard that young miss Daisy and young master Jin have already set a wedding date."

“Wa! Isn’t this Luo Qing Chen miserable? She had finally become a phoenix!”

“What can she do! Although I think that she’s a good person, the circle is like this and it won’t tolerate her.”

.....

At the same time, He Qing Qing came in wearing a white down jacket. She clapped her hand as she said, “That whatever.....Right, you, the classmate in orange, you’re very correct!”

As soon as her voice fell, she looked at Luo Qing Chen, “Our circle can’t tolerate you.”

“I never thought that classmate He Qing Qing liked joining in the fun this much!” Luo Qing Chen narrowed her cold eyes and put her hands in her pocket. She revealed a cold smile and said, “What? Haven’t you been studying your magic potion lately? I feel that the identity of a witch suits you quite well.”

“You.....” He Qing Qing glared at her. She wanted to curse at her, but she swallowed her anger and said with a cold laugh, “You’re right, I like joining in the fun! Moreover, I want to see how hilarious you are!”

“That’s quite good. I was worried that you wouldn’t come and the climax would be lost.” Luo Qing Chen gave a cold snort before turning to walk out of the class.

At 8:20, she was going to the school office.

#### Chapter 2245: Magic potion: You will fall wildly in love with me (Part 64)

The school office wasn’t that far from the classroom. Yu Qian Jin sent a text that had a general meaning of going to the office with her.

She just casually replied: No need. Wait in the classroom to watch the play.

In the school office, the people of the board of directors had all arrived and were fully decked out for her arrival.

On the left were the head teacher and the math teacher of the chemistry department’s class one, waiting there with a smile on their faces.

When Luo Qing Chen came in, the math teacher’s expression changed and he said with a dark look, “Classmate, this isn’t the place you should be. Quickly leave.”

“Teacher Chen Yuan, do you know who you are talking to!” The vice chairman of the board of directors had a dark look as he looked at the name tag on his chest, “You don’t need to come to school for work tomorrow!”

“Vice chairman, I.....” Chen Yuan had a stunned look. He still hadn’t reacted yet and didn’t know what he had said wrong.

It wasn’t that he didn’t know this person, she had even insulted him, so he had a deep impression of her.

“Young miss Luo, director told me that you were coming today. Which class do you want to go to? You can choose whichever one you want.” The vice chairman respectfully said with a smile. Chen Yuan who was standing on the side almost had his eyes pop out.

What was this situation? Wasn't Luo Qing Chen a commoner? How could she be called young miss Luo?

“Un.” Luo Qing Chen softly replied. She pushed back the hair on her shoulder and said with a smile, “Just class one since the teacher and students are already ‘familiar’ with me.”

When Chen Yuan heard this, his face turned pale.

Even if he didn't understand what the vice chairman meant at first, he understood now. This commoner wasn't a commoner at all, but rather a young miss from the four great families.

But when the math teacher named Chen Yuan recovered, Luo Qing Chen had already left the office.

His legs turned soft and he fell down without any strength.

—

When she walked through the halls, everyone looked at Luo Qing Chen with different expressions.

Some had shock, some had confusion, but it was quiet without a single voice discussing this.

At the same time, in class one, He Qing Qing sat beside Ye Si Tian with an arrogant look in her eyes.

The things that she lost would be lost by that person today.

At the same time, she couldn't help looking in Yu Qian Jin's direction. His eyes were casually looking out the window with a mesmerizing look in those deep eyes.

If you took a few more looks, you would become intoxicated.

“Don't look, young master Jin doesn't belong to us.” Ye Si Tian was more self aware and said with a smile, “But it's even less likely that she would belong to that dirty commoner!”

“Humph! You're right! I can't wait to see her embarrass herself.” He Qing Qing was filled with excitement as she looked forward to what was going to happen.

“I'm telling you, that Luo Qing Chen came to school today alone! Young master Jin didn't come with her and young master Jin wasn't here earlier, so I guess he was avoiding her.” Ye Si Tian started laughing before saying, “They might have already broken up.”

Yu Qian Jin, who had been leaning by the window, spoke first.

His words filled Ye Si Tian and He Qing Qing with absolute excitement.

“You're right, we're no longer boyfriend and girlfriend.” He narrowed his beautiful eyes that had a bit of a sparkle in them as he revealed a faint smile.

Since his fiancée wanted to play, as her guardian, it was natural that he would make the script more interesting.

## Chapter 2246: Magic potion: You will fall wildly in love with me (Part 65)

Mu Nan Xi who had been sitting on the side not saying a word heard what Yu Qian Jin said and was shocked. She was about to say something, but Yu Qian Jin gave a look.

Her eyes trembled before she awkwardly lowered her head.

As expected, one couldn't take looking at handsome people more than a few times.

Although Mu Nan Xi didn't feel that way about Yu Qian Jin, a handsome person was a handsome person and one couldn't help looking a few more times.

Not to mention that this was her first time seeing Yu Qian Jin looking at her like this, so it was normal that she felt awkward.

But while she didn't say anything, that didn't mean that others didn't speak.

He Qing Qing, Ye Si Tian, and Ye Si Tian's followers were about to explode!

At that moment, countless voices filled her ears and some of them were quite hard to listen to.

"Ha, ha, ha, ha!" He Qing Qing completely changed from her gentle appearance from before. After laughing, she said, "I really am happy! I believe that everyone will be as excited as me with young master Jin's words."

Ye Si Tian covered her mouth and mocked, "It's a pity! I won't have a chance to see Luo Qing Chen's face! She was still pretending when she came to school today! She should have already been abandoned a long time ago!"

"Shouldn't she? She's just a dirty thing, acting like that."

"She didn't suffer, receiving young master Jin's love for so long. It's a pity that a salted fish is still salted fish and can never flip over."

Lu Qiu Fan sitting on the side knitted his brows. He slowly put down the pen in his hand and softly said, "It's their personal matter, what does it have to do with you?"

It was most likely because their words were too ugly that Lu Qiu Fan couldn't help saying something.

After all, this was someone he liked before and even.....still liked.

"But young master Jin said it, why can't we discuss it?" Ye Si Tian gave a snort. Her tone wasn't that proud, but it wasn't that happy either.

Since Luo Qing Chen came to this class, Alice Academy's two most handsome male gods revolved around her.

It was fine for Lu Qiu Fan since he was also a commoner, so she could understand if the two understood each other.

But she didn't understand why Yu Qian Jin protected her.

But it was a good thing that the male gold never let any flowers touch him. Now that he had returned to being single, Luo Qing Chen didn't have any supporters. She wanted to see what she would use to keep pretending.

"Yes! I said it myself, does classmate Lu have any opinions?" Yu Qian Jin narrowed his eyes with a bit of hostility appearing in them.

Although the saying went that people liked your girlfriend because she was excellent and he should be glad she belonged to him instead of someone else.

For Yu Qian Jin, he only wanted her alone to love her and no one else.

The more excellent a person was, the less he needed them. Although he was proud and had the right to be proud, his heart was still very soft.

He was afraid of losing. The millions of people in this world, he just needed Luo Qing Chen, so why would someone try to steal from him.....

"Humph! Is it important if I have any opinions?" He gave a soft snort and looked at Yu Qian Jin without any fear in his eyes, "She already made her decision, but it was the wrong person."

"You still say you love her, but you don't even trust her eyes." Yu Qian Jin narrowed those beautiful eyes, "Actually, your eyes aren't bad, at least you chose the same as me. But her eyes are even better because she chose me."

"You.....What does this mean?"

#### Chapter 2247: Magic potion: You will fall wildly in love with me (Part 66)

Lu Qiu Fan was an intelligent person, he could naturally understand what Yu Qian Jin meant.

Although the long sentence sounded very awkward, he had completely overturned what he had just said.

Weren't they not dating anymore? Why would Yu Qian Jin say this?

"Aiya! Young master Jin, since classmate Lu likes that filthy commoner, just give her to him." Ye Si Tian rolled her eyes and said with a smile, "They're a match for each other anyway!"

Yu Qian Jin's cold eyes fell onto Ye Si Tian. He released an aura that was as cold as ice and as long as anyone looked at him, they couldn't help trembling.

Ye Si Tian naturally felt this and said with a gulp, "Young master Jin, did I say anything wrong?"

"I think that you're right." Lu Qiu Fan immediately answered Ye Si Tian's question as he said with a determined look in his calm eyes, "As long as she's willing, I can protect her."

"Lu Qiu Fan, do you truly understand what pretending is!?" Yu Qian Jin knitted his brows, clearly looking a bit angry.

His eyes swept over everyone who had spoken badly about Luo Qing Chen just now and said word for word, "I want to tell you all today that she is my person in life and my ghost in death. No one can steal her and no one is able to take her away."

"But, young master Jin, you just said....." Ye Si Tian heard this and leaned towards He Qing Qing in fear as her hands started to tremble.

At this time, the head teacher came in with a slightly pale face.

"Everyone stop arguing. Our class has a new classmate today." The head teacher took a deep breath before saying with a nervous look, "For everyone, this can't really be considered a new student, but she is meeting everyone with a new identity."

"Oh, right." Yu Qian Jin gave Lu Qiu Fan a proud look before casually saying, "I said that we are no longer boyfriend and girlfriend, but I should add something."

Everyone looked at Yu Qian Jin with doubt in their eyes.

He then said, "We'll be engaged from now on."

Everyone didn't understand Yu Qian Jin's words at first, but when the board of directors came in with her, they were even more confused.

"Students of class one, this is our director Luo's daughter, classmate Luo Qing Chen. She will be studying at our Alice Academy from now on." The vice chairman said with his hands behind his back, "You should take care of your new classmate."

As soon as his voice fell, he turned to look at Luo Qing Chen, "Young miss Luo, please."

"Si!" All the students took a cold breath.

They still hadn't recovered when Yu Qian Jin stood up to take her hand before walking back to their seat.

Silence, silence, silence, only silence.

One could even hear a pin drop in this classroom.

No one dared to say a thing. Ye Si Tian and He Qing Qing were stunned as their mouths dropped down, not even daring to move.

When Luo Qing Chen walked past them, her right hand tapped the desk out of habit as she said, "How about it, isn't this script good! Are you satisfied with the ending of this fairy tail?"

"You.....You.....You....." Ye Si Tian's eyes popped out as she looked at her in shock. She couldn't stop her voice from trembling.

After saying 'you' for a while, she couldn't say anything else.

"Impossible!" In contrast, He Qing Qing could still speak even though her face was pure white and her eyes were filled with disbelief.

Perhaps her character liked to deceive herself, but it was impossible with her first reaction!

"Ha, ha!" Luo Qing Chen narrowed her eyes and said with a smile, "I really want to know, what do you mean by this 'impossible'? Could it be that you want to come to my villa or even my Luo Group's headquarters to have a seat?"

Who wouldn't show off their wealth!

This slap really was loud. When Luo Qing Chen said this, she could feel her blood boiling a bit.

It was most likely because her identity had been hidden for too long. When all the glow fell onto her, she felt that she was filled with power.

"How could this be possible!" He Qing Qing bit her lip and desperately tried to argue, "How could Luo Qing Chen be.....a young miss!"

She desperately shook her head as her body couldn't help trembling.

For her, it was like falling from heaven to hell. Everything had changed in just a single moment.

She thought that she would laugh at Luo Qing Chen, she thought that she would watch her being abandoned, she thought that she could bring havoc to her.

But when this impossible reversal came, she felt that her heart was about to stop.

"Oh?" Luo Qing Chen gave a shrug and said with a provoking smile, "It seems like you don't like the name Luo Qing Chen very much. Maybe you can call me Daisy in the future. But, you shouldn't have that chance."

"Ah, ah, ah, ah!" There was a wild scream as He Qing Qing fell to the ground, desperately shaking her head, "Impossible! Impossible! Absolutely impossible! I must be dreaming! Wake up! Wake up!"

Ye Si Tian's reaction was different. Although her face was pale and her voice trembled when she spoke.

But her first thought was how to build relations and how to.....flatter Luo Qing Chen!

"Young miss Daisy, no, no, young miss Luo....." Ye Si Tian showed a smile that couldn't be more awkward and ugly, "I'm not the same as her! I am only a member of young master Jin's support club, the magic potion doesn't have anything to do with me....."

"Che!" There was a click of the tongue that rang out. Almost everyone looked down on Ye Si Tian at this moment.

"Aiyo, Ye Si Tian, why did you change so quickly? You weren't saying this just now!"

"That's right! You were the same as He Qing Qing just now, did you forget so quickly?"

"Ah, ah, ah, ah, ah! Qing Chen, you, you, you, you! You're actually....."

There was a clear voice that rang out among the voices scolding Ye Si Tian which belonged to Mu Nan Si.

Her smile was almost imperceivable, but she was clearly very excited. She wanted to say something, but she didn't know what to say.

"Nan Xi, I'm sorry. I didn't tell you my identity because of some family issues." Luo Qing Chen said with a smile, "I hope that it's not too late now!"

Towards Mu Nan Xi, other than friendship, she felt gratitude.

The gratitude of her being sincere with her when everyone else was against her.

"It isn't!" Mu Nan Xi put her hands at her waist and looked at her with a proud look, "I don't know why, but I strangely feel very good!"

Although she was only in a supporting role, it felt like she had been involved in the face slapping!

Luo Qing Chen said with a smile, "Of course, we used our fairy stick to hit the villains."

Chapter 2249: Magic potion: You will fall wildly in love with me (Part 68)

This normal morning had suddenly become very lively because Luo Qing Chen had appeared as Daisy.

At least ten people in the first class had to be sent to the hospital for suddenly fainting.

Of course some people were real and some people were fake!

After Luo Qing Chen identity was revealed, people who came to build relations with her came from time to time.

She stated that she was good at confrontation, but the saying went that you didn't hit a smiling person.

She really didn't know how to face these people that came to flatter her.

But her family's young master Yu quickly solved this problem.

The solution was very simple, none of those people who 'smiled and gave gifts' appeared in Alice Academy again.

Luo Qing Chen didn't know what Yu Qian Jin did, but she was certain that he did something!

She suddenly gone from a commoner that everyone looked down on to young miss Luo that everyone worshiped.

To be honest, it was quite uncomfortable.

For example, she didn't know who her true friends were.

For example, the original true friends avoided you.

For example, Lu Qiu Fan.

Since he changed classes, he would turn in the opposite direction every time he saw her. He changed the time he went to the library and cafeteria just so he could avoid her.

This avoidance was clear and she could easily detect it.

Until one day in the tree filled path of the school, with the gentle breeze and the snow falling.

When Lu Qiu Fan turned again, Luo Qing Chen called out to him.

“Classmate Lu, please wait.”

Lu Qiu Fan stopped, but he didn’t turn around. Luo Qing Chen didn’t care if he turned around or not, she just wanted to say what she wanted to say.

“Although I can understand the reason why you’re avoiding me, but I couldn’t reveal my identity because.....”

“Qing Chen.” He cut her off as he slowly turned around and narrowed his eyes, “I just don’t dare get too close to you.”

He put some distance between them and his figure looked a bit lonely.

Luo Qing Chen had prepared to say many things, such as Mu Nan Xi’s feelings for him or their friendship.

But when Lu Qiu Fan said this, she couldn’t say a single word.

She understood what Lu Qiu Fan was thinking. The person he liked didn’t like him, so staying away from her was the best method to deal with this.

Time heals all wounds. Not to mention that if weren’t in love, then it can’t be considered a wound from love.

“I got it.” Luo Qing Chen put her hand in her pockets as she gave a slight nod.

“I’m about to change schools soon.”

“Un.”

“So this will be our final meeting.”

“Alright.”

“Qing Chen.....can I hug you?”

The air suddenly froze. The snowflakes gently floated in front of her eyes which made the scene seem a bit unreal.

“I.....”

When she was about to say something, a dark voice suddenly answered for her.

“Of course not.” Yu Qian Jin appeared out of nowhere. He had his hands in his pocket as he looked at Lu Qiu Fan with a dark look.

Luo Qing Chen suddenly felt that it was a bit awkward.

Lu Qiu Fan looked at Yu Qian Jin with a relaxed look and said, “Thank you for this opportunity to study abroad.”

“Since you have the ability to be first in the year, you should have this opportunity.”

“I thought that you would cause trouble for me since you hated me.”

Chapter 2250: Magic potion: You will fall wildly in love with me (Part 69)

“He, he.” Yu Qian Jin gave a cold laugh, but his tone was very calm, “I want you to leave sooner, but since you are heading out from Alice Academy, you should do well not to lose face for us.”

Lu Qiu Fan gave a chuckle as a sparkle flashed in his eyes, “Naturally.”

Luo Qing Chen suddenly felt that the atmosphere was quite good.

Boys were different from girls. They would even treat rivals in love differently than girls would.

In short, Luo Qing Chen liked the atmosphere between Lu Qiu Fan and Yu Qian Jin.

—

Lu Qiu Fan left A City a month later. Luo Qing Chen and Mu Nan Xi sent him off together.

Although Yu Qian Jin sent her to the airport, he didn’t go in to send him off.

According to Yu Qian Jin, out of sight, out of mind. For a possessive person like him, he wasn’t willing to see his wife laughing with someone else, it would cause him to be worried.

When sending him off, Mu Nan Xi broke out in tears which caused a bunch of people to watch them.

Everyone thought that Lu Qiu Fan was a scumbag who was abandoning a girl who had been with him all this time, so they were airing their grudges at the airport.

This was Luo Qing Chen seeing Lu Qiu Fan like this. He had a helpless look and a helpless tone as he patted Mu Nan Xi’s head and whispered, “Don’t cry. I’ll invite you out once I get settled.....You can come and play.”

“Really?” Her eyes were red from crying. It was different from her usual calm look as she asked this with an aggrieved expression.

“Really.” Lu Qiu Fan seriously replied. His eyes finally fell onto Luo Qing Chen and he said with a grin, “I’m leaving.”

“Bye bye.”

A farewell scene would always be a bit sad. When Luo Qing Chen watched Lu Qiu Fan leave, she gave a sigh.

Then she turned around to look at Mu Nan Xi, “Don’t cry, I’ll treat you to a feast.”

Although it was still a feast, the one who treated them wasn’t Luo Qing Chen, but rather her fiancé Yu Qian Jin.

After the meal, Mu Nan Xi kept thinking about her story with Lu Qiu Fan.

When people left, they would miss them more. The words in the bottom of her heart, she couldn't help but want to say them all.

Mu Nan Xi liked Lu Qiu Fan, she always knew this.

When she wanted to put her little brother on the 'right path', she didn't know that she herself was sinking deeper and deeper.

"You, if you like it, give it a shot!" Yu Qian Jin raised a brow and said, "Otherwise certain people might covet other people's wives!"

"What other people's wives?" Mu Nan Xi was surprised as she revealed a confused look.

Luo Qing Chen quickly stomped on Yu Qian Jin's foot before saying with a smile, "Don't mind him, don't mind him."

"Un humph." Yu Qian Jin grunted in pain before saying, "If you like him, I can send you abroad as well!"

For Yu Qian Jin, this was an easy matter! As long as someone found true love and didn't covet his wife, he could even send ten thousand people abroad!

"No! I want to do it myself!" Mu Nan Xi said with a serious look, "I want to obtain the chance to study abroad after getting first place myself!"

"Oh!" Yu Qian Jin said in an indifferent voice, "As long as you're happy!"

He felt like his own happy thoughts were being shattered!

When could Lu Qiu Fan get a girlfriend and stop trying to steal his wife!

It was very annoying and very worrying, alright!
