Chapter 2461: God! Mary Sue world (3)

Because it was a dress that she loved, a present that Jin Yi Xuan gave her last year on her birthday, so she treasured it.

This time in order to get the female lead of “Youth”, she had taken out this dress that she treasured.

After all, the male lead of “Youth” had already been decided. It was the previous host’s fiance and this world’s supporting male lead, Jin Yi Xuan.

Normally she would leave this in her closet to look at and she felt very happy.

But she didn’t know that this dress wasn’t ‘carefully chosen’ by Jin Yi Xuan, but rather his assistant and he didn’t even remember what it looked like.

Some people’s lives were just this funny. Something you treasured wasn’t worth anything in the eyes of others.

But the person who treasured it would always treat it as a treasure.

The previous host had been in her seat waiting for the audition, but there had been a cup of hot coffee that fell from the sky and landed on her.

Her right wrist had been burnt red, but she immediately protected the dress Jin Yi Xuan gave her.

Then she yelled at Gu Fan Fan.

Her tone naturally wasn’t good. She knitted her brows as she scolded this girl in front of her with her sportswear, her twintails, her exaggerated head gear, and her sunglasses.

Gu Fan Fan, Gu Fan Fan, Gu Fan Fan.....

As the name suggested, she really was ordinary.

The previous host never would have imagined that such an ordinary girl would use the Mary Sue halo that she had to take away the person that she wanted the most.....as well as everything that she had.

Gu Fan Fan immediately apologized.

Moreover, it was an apology with a deep ninety degree bow.

“Sorry, sorry, I’m really sorry.....” She lowered her head and held her hand at her chest. The way she looked made everyone feel sorry for her.

Everyone whispered to each other and even some people whispered that the previous host was starting to bully extras since becoming popular had gone to her head.

She really was angry at that time. Could it be that she had to accept this apology with a smile even though she had been splashed by the coffee?

Sorry, she couldn’t do that with her personality.

So when she yelled at Gu Fan Fan, the 'powerful Mary Sue' image was formed.

Facing powerful people and holding your head high, never being afraid. The Mary Sue strength and bravery was my spirit.

A small background actor took the risk of losing her job and replied to the female lead without fear.

"I really didn't do it intentionally, you don't need to speak this loudly." Gu Fan Fan pursed her lips and looked up at Luo Qing Chen, "I know that your clothes are expensive, but that doesn't mean that I'm inferior to you."

The powerful Mary Sue. Everyone looked at her with admiration and felt that her words were true.

There was no need to humble yourself to flatter others.

This had been seen by Jin Yi Xuan who had passed by the auditions.

Her brave and strong side made Jin Yi Xuan's eyes light up as he had been moved.

He admired this kind of girl, plain and simple. She had immediately apologized, but she had offered a strong rebuttal without caring about the other side's power.

He had come forward to stand in front of Gu Fan Fan like a knight.

Although the previous host was still angry, since Jin Yi Xuan spoke up for Gu Fan Fan, she couldn't say anything.

She just stomped her foot in a fit of rage and left the auditions.

Chapter 2462: God! Mary Sue world (4)

The previous host never would have thought that after angrily leaving the auditions, she would lose the role of female lead of "Youth".

She really was angry. Gu Fan Fan didn't do it on purpose, but this was something that she treasured.

Actually, she didn't have her pay for it, she just couldn't smile and say it was fine.

If it was just her hand that was burnt, she wouldn't even have cared about Gu Fan Fan.

She admitted that she was arrogant, but that didn't mean that she was unreasonable.

But the Mary Sue thought that this rich young miss was trying to make it hard for her.

Because this kind of person would always stand on a moral high point and think that the rich young miss could only deliberately bully her, putting herself in an aloof position.

She didn't think that this rich young miss would care about anything. In her eyes, the rich young miss had money and could just buy another thing to replace the one that broke.

Although Mary Sue didn't have money, she could work hard to pay back the money.

But some people never would have known that if you pay attention and be careful, not pouring coffee on someone else, would someone care about targeting you?

For Gu Fan Fan, her thoughts were: I have already apologized and I can compensate you for your clothes and medical bills. I can earn the money if I don't have any, so what else do you want from me!

Yes! The previous host really couldn't do anything to her.

So when the director of "Youth" decided to listen to Jin Yi Xuan's bold advice and use the newcomer Gu Fan Fan, the previous host had been stunned.....

On one hand, she blamed herself for being arrogant and missing her chance.

On the other hand, she hated Gu Fan Fan even more. If it wasn't for Gu Fan Fan spilling coffee on her, she wouldn't have angrily left the auditions.

So when Gu Fan Fan entered the Star Group, she hated seeing her the most!

The previous host was a person who hated evil and she had a relatively straight personality. There were many ways to hated people, but the previous host used the most simple and direct method.

But she didn't know that the powerful Mary Sue aura pushed her into the endless darkness bit by bit.

Every time the previous host clashed with Gu Fan Fan, it would become the medium that helped the Cinderella relationship between Gu Fan Fan and Jin Yi Xuan develop.

Although Star Group had many people who didn't like Gu Fan Fan since she didn't have any background and status, so why did she act so strong.

Even after makeup, she was far lacking compared to the beautiful stars.

But since the launch of "Youth", Jin Yi Xuan became her escort.

Although she often told Jin Yi Xuan that they weren't from the same world.

Jin Yi Xuan was a very obsessed person and he would always like what he liked.

The more Gu Fan Fan rejected him, the more the thing that he couldn't have stirred his heart.

The male and female leads of "Youth" had many kiss scenes and whenever the director yelled "cut", Jin Yi Xuan would give a few more forceful kisses.

Although this made it seem real, it was a bit too much in the world of youth films.....

But Gu Fan Fan didn't think so.

She gradually fell in love with Jin Yi Xuan through his strong attacks.

In the beginning, she had been feeling worried about stealing the previous host's female lead spot.

But then she felt that with her own hard work, she had won it.

Laughable, truly laughable.....

Chapter 2463: God! Mary Sue world (5)

Here's a question, if it wasn't for Jin Yi Xuan's strong recommendation and Gu Fan Fan's friend Ye Su's contribution.

Even if the previous host wasn't Xia Qi Qi, it wouldn't be Gu Fan Fan's turn.

Speaking of Ye Su, she was one of the 'inner protection' best friend that all Mary Sues would have.

Since they were neighbours, they grew up together. In Ye Su's eyes, Gu Fan Fan was a girl that was upright with backbone.

She felt that this kind of girl was very good and it was countless times better than the rich misses (people like the original host).

Ye Su wasn't a rich person and because she didn't go to college, she started working early.

After two years of self studying management, she joined Star Group as an agent.

Of course, in the beginning, she was only an assistant. It was a good thing that she worked hard and she had a few talents that allowed her to become a regular agent.

Although they weren't as good as the previous host or Jin Yi Xuan, they still developed quite well.

Since one of the actresses was the female lead of the "Youth" director Xiao An's last work, Xiao An coincidentally asked her to come and pick a suitable person.

Since she knew that her best friend Gu Fan Fan was auditioning, so she agreed to Xiao An's invitation.

She thought that she would try to win some supporting roles for Gu Fan Fan, but she never thought that there would be such a good opportunity.

Actually, perhaps even the previous host didn't know why even though Xiao An had thought of her as the only choice as Xia Qi Qi, he would replace her overnight.

The reason was very simple, it was because Gu Fan Fan accidentally spilling coffee on the previous host happened to have an identical scene in "Youth".

Gu Fan Fan did exactly what Xia Qi Qi, the heroine of "Youth" did.

Jin Yi Xuan's recommendation, Ye Su's approval, and the same scene made Xiao An feel that he had found the real Xia Qi Qi.

Even if this person didn't have any fans or any popularity, he believed that he could make her a big hit through "Youth".

Not to mention that there was the famous Jin Yi Xuan creating scandals, so he wasn't scared that Gu Fan Fan wouldn't be popular.

Some people were happy and some people were sad.

The previous host lost the role of Xia Qi Qi and couldn't come back to her senses for a while. Gu Fan Fan had also smoothly entered Star Group and her fiancé had become a completely different person.

This sadness filled her with anxiety and it didn't take long before she fell into depression.

Most stars suffered from this illness to a certain extent, but the previous host's involved her personal feelings and she gradually lost her confidence.

Actually, there were good scripts for her, but she rejected them all.

She was a person who was very serious about her feelings. She liked Jin Yi Xuan, she liked him to her core.

When she saw him being kind to someone else, she felt like she couldn't breathe.

She clearly knew that she couldn't be by his side by being good and she couldn't compare to his strong Cinderella.

She closed herself off during this time, indulging in drinking and smoking.

But as a star, if one bad thing appeared in front of everyone, all their previous efforts would be cancelled out.

Let alone the fact that the previous host was a young and beautiful girl in the eyes of everyone.

Once she was in the spotlight for drinking and smoking, her life was over.

Chapter 2466: God! Mary Sue world (8)

Gu Fan Fan's rise to stardom was smooth, but once a person reaches a certain height, they would change.

That included her love for Jin Yi Xuan.

Because of a drama, she fell in love with another male lead and declared to the public that she only felt gratitude towards Jin Yi Xuan.

Not love.

Yes! How could the Mary Sue cheat!?

After Jin Yi Xuan found out about his, his heart was very sad and at the same time, he felt a bit of regret.

If in the beginning.....he wasn't with Gu Fan Fan, but with Luo Qing Chen.....

But everything was too late. When he remembered Luo Qing Chen, she had already already turned to bones and had been buried.

-

"Understood." Luo Qing Chen muttered to herself before saying with a cold smile, "The people who gained the most in the end was Gu Fan Fan and her father."

[Yes. This is seven months ago when the previous host had just left the “Youth” audition.]

!?

Why did the system say it so lightly? She felt her heart suddenly tremble.

Damn! Are you sure you’re not teasing me? The Mary Sue halo is this strong?

Shouldn’t I be going back to before the audition, wouldn’t the mission be easier then?

[What to do? This can be blamed on the system. The host can go back into the auditions.....]

Won’t go! The things that don’t belong to this treasure, this treasure doesn’t need!

A proud young miss would be a proud young miss. A certain someone with a Mary Sue aura would think that she’s Cinderella.

The things you treasure doesn’t mean this treasure treasures them as well.

Not to mention that Jin Yi Xuan was only the supporting male lead. Even if he was the male lead, she wouldn’t want this world!

[How could the host not want the male lead!]

I’m just giving an analogy, not to mention you’ve told me who is the male lead, alright?

Couldn’t her family’s male lead come and protect her?

She suddenly missed Qian Si Nai a bit. That kind of male lead that used his own ability to attack supporting female leads, wasn’t he handsome?

[Why does the host have no impression of the male lead? Although the previous host doesn’t know the male lead, the world knows the male lead!]

The world?

Luo Qing Chen knitted her brows and went through the previous host’s memories again.

Gong Yu Bai, Gong Yu Bai, Gong Yu Bai.....

These three words, why did they sound so familiar!

She suddenly thought of the Golden Horse award winner. That youth that was in his early twenties who accepted the trophy with a calm expression and a simple thank you!

Countless applause rang out, but Gong Yu Bai had only made a single movie.

He was the male lead of the disaster film “Apocalypse 2150”!

He was the saviour when the zombies came, a Power User with dual awakened powers.

This movie had broken eight billion in the box office. Gong Yu Bai had gone from an unknown youth to the nation’s male god!

Everyone love him, there was no one that disliked him.

Then there was Gong Yu Bai's coldness. Not to mention kissing scenes, other than "Apocalypse 2150" he rejected all films that had any romance in them!

His coldness was one that had politeness and elegance. There were no scandals at all, he was known as the ascetic male god.

When she got home, Luo Qing Chen seriously searched up information on Gong Yu Bai.

He seemed very mysterious and his background was blank. To be honest, just with this information and with his character, even if she never met Gong Yu Bai, her affection kept increasing.

Damn! The male lead is this handsome, was the previous host's eyes run over?

Wait.....

"Apocalypse 2150"?

Was this a plot link?

Chapter 2468: God! Mary Sue world (10)

"You don't want it?" Sister Mi on the other side was a bit dejected. After all, this novel was very popular and if Luo Qing Chen could win this role, it would definitely be heated since there was a scandal with Jin Yi Xuan.

It was her fault this time. She never thought that such a stable role would be snatched away by some unknown person.

"Un." Luo Qing Chen's reply was very decisive. At the same time, she looked at Gong Yu Bai's picture on the screen and said, "Help me investigate Gong Yu Bai's flight."

"What.....God Yu?" Sister Mi was clearly very surprised.

After all, Gong Yu Bai was like a god in the entertainment industry. Not to mention a newly popular star like Luo Qing Chen, even a famous actress couldn't get to him.

An absolute ascetic man, keeping strangers away was his absolute brand.

No matter what kind of reputation or fame they had, Gong Yu Bai was like this. In short, his image was perfect in the eyes of his fans.

In other words, no matter who stirred up scandals with this person, they would quickly become famous from all the news coverage.

Of course, Luo Qing Chen seriously stated that she didn't want Gong Yu Bai's schedule to climb up!

After all, the male lead was cold and if she didn't create a meeting, they might never cross paths!

"Qing! Are you sure you want Gong Yu Bai's itinerary?" Sister Mi said in a worried voice, "He isn't.....a person that can be easily approached."

Now that Luo Qing Chen hadn't gotten the female lead role in "Youth", if there was bad news that she tried to forcefully approach Gong Yu Bai, god Yu's countless fans would attack her.

This wasn't worth it.

"Relax, I naturally have my own ways." Luo Qing Chen revealed a smile, "I just need you to help me get a copy of Gong Yu Bai's schedule for the week."

It's been a long time since she was on the pure offense with a male god!

This made it even more challenging for her.

"Alright! When do you need it?"

"As soon as possible."

-

The next morning, Luo Qing Chen received an email from sister Mi.

Inside was Gong Yu Bai's itinerary.

It had to be said, he really was the most free actor she had ever seen.

For the whole week, he only had a single flight that was heading to the South Pole.

South Pole? Was he going to see the penguins?

What was with his head?

He didn't accept any endorsements, TV series, or films, but he went to the South Pole to see the penguins!

Was there something wrong!

She quickly replied to sister Mi's email and had her prepare plain tickets!

Going to the South Pole was fine, at least there wouldn't be that many fans at the airport, so her identity wouldn't be easily revealed.

Other than that, she could go through seas of flames and mountains of swords to get the male lead, there was nothing to fear! So what was a trip to the South Pole!

[Does the host really have nothing to fear?]

I was just speaking casually, why are you so easy to trick!

[.....]

She was on a flight for tomorrow, so she should go to the Star Group today.

In Luo Qing Chen's eyes, the previous host should get up from where she fell.

Running away would never solve a problem.

Since Jin Yi Xuan's eyes had been run over, choosing a girl like Gu Fan Fan.

Then she wouldn't show a downcast look.

Let alone, was Luo Qing Chen even sad?

What a joke! Showing affection in front of her to get her attention?

He, he, do what you want.

Chapter 2469: God! Mary Sue world (11)

Standing in front of the mirror, she chose a limited edition Givenchy winter coat, Cartier jewelry, fine makeup, and a LV bag that suited her very well.

Everything was ready and she headed out at nine.

Since it was a talent agency, there weren't that many people at work during work hours. If they weren't there for late shootings, they were there to record shows.

The world of stardom wasn't as easy as normal people thought. There wasn't a lack of effort under the spotlight.

Of course, there were those with the Mary Sue aura.

Even if the previous host was from a rich family, she relied on her own efforts to climb up step by step in the entertainment world.

She was someone who could act and worked very hard.

It was because she knew of the previous host's hard work that Luo Qing Chen looked down on those with the Mary Sue aura in this world.

In their world, it was 20% hard work and 80% luck.

Whenever something went wrong, there would be one, two, three, or four who loved her that would appear by her side.

Men would love her and women appreciated her.

Compared to this kind of life, Luo Qing Chen preferred the previous host's life.

Perhaps she was selfish and angry.

But at least she did things with her own effort.

Parking the Maserati, she got on the elevator on the B2 floor. The elevator stopped on the first floor and when the door opened, she saw Jin Yi Xuan standing there.

Yo! It seems like enemies really did meet on a narrow path.

She still couldn't figure out how to make her debut and she had already met Jin Yi Xuan.◦

But this was good since she was very satisfied with her outfit today.

The black sunglasses covered most of her face and her expressions couldn't be seen clearly. Her red lips looked noble and cold.

When Jin Yi Xuan saw her, his calm expression suddenly turned ice cold.◦

Normally, the previous host would give up her young miss personality and grab his hand, speaking to him in a gentle manner.

Even when faced with an ice cold rejection, she didn't flinch.

Jin Yi Xuan in her eyes was everything, everything, everything.....

Jin Yi Xuan stopped there, as if he wanted to keep his distance.

Luo Qing Chen gave a cold snort and when he hesitated, she did something decisive.

She just stepped forward without any expression and her right hand slowly came out of her red jacket, pressing one of the elevator's buttons.

Close the door.

Then the elevator door slowly closed. Luo Qing Chen put her hand back in her pocket and indifferently looked at Jin Yi Xuan outside the elevator through her large sunglasses.

Jin Yi Xuan was frozen in place. This feeling was like having a mother that always loved you suddenly give your favourite buns to the son next door.

This contrast was the most unacceptable thing for a man.

Whenever Luo Qing Chen saw him in the past, she would charge forward and keep chatting in his ears.

Her voice was very beautiful, but he felt that it was annoying. He even hated the faint scent of perfume that she had.

This feeling was one that annoyed people to their core.

But Luo Qing Chen changed today.....

Was she acting?

He didn't know.

But he still reacted and pressed the elevator button again.

When the door opened, Luo Qing Chen was lazily leaning against the handrail in the elevator.

Her hands were in her pocket as she looked at him with indifference.

Chapter 2470: God! Mary Sue world (12)

Silence was the most deadly.

Luo Qing Chen didn't say anything and Jin Yi Xuan didn't know what to say.

This atmosphere gave off a very 'awkward' feeling.

Jin Yi Xuan knitted his brows and pressed the button while pretending not to care.

He really was pretending.....not to care.

It was the first time that he was feeling like this in his entire life.

It was as if there were countless ants crawling on his heart, making him feel very uncomfortable.

But when he was feeling like this, the elevator door opened once again.

Standing at the elevator door was Gu Fan Fan who gave off a rustic feeling.

It wasn't that Luo Qing Chen was insulting her. Star Group was the largest talent agency in the country and the artists would all choose to dress appropriately.

Gu Fan Fan was just too normal and there was no professional stylist to design her look.

It was too much to try to be a star by putting on a bit of makeup, some lipstick, and wearing a dress that didn't fit properly.

"I'm sorry, I'm sorry." She bowed her head to apologize out of habit. When she saw it was Jin Yi Xuan, she smiled.

A person who was only qualified to be a background actor had suddenly become the female lead, she wouldn't have had this chance if not for Jin Yi Xuan!

In front of this noble person and with the fact that he was so handsome, it was hard not to like him.

"It's fine." Jin Yi Xuan gave a chuckle, "There's no one else here."

.....

Luo Qing Chen gave a laugh in her heart. This Jin Yi Xuan really wasn't likeable.

Gu Fan Fan pursed her lips and crossed her hands at her chest, "Am I not dressed formally enough? Ye Su said that there was a meeting today and I'm not used to dressing up....."

Jin Yi Xuan saw her careful appearance and he couldn't help feeling pity.

This girl really was kind and there was an inexplicable aura that attracted him.

But this light seemed a bit dimmer compared to yesterday.

He didn't know why it dimmed. He always felt that there was a dazzling light coming from the corner of the elevator.

"It's fine." Jin Yi Xuan shook his head again. He looked at Luo Qing Chen and said in a bit of a sarcastic tone, as if he wanted to get her attention, "Stars are all the same when they're properly packaged."

"Really?" Gu Fan Fan immediately replied to Jin Yi Xuan, but Luo Qing Chen stood there with her hands in her pockets, not saying a thing.

If it was the previous host, she definitely would have said in an arrogant voice: Not everyone can be a star, alright?

Moreover, Gu Fan Fan had stolen her female lead role in “Youth”, so it was normal that she didn’t like her.

With his understanding of the previous host, if she found it hard to accept before, she definitely wouldn’t endure now.

But he never thought that she wouldn’t say a word!

What was with Luo Qing Chen today? Was she angry at him because she didn’t get the female lead role in “Youth”?

He, he, he! This is good, he could find a suitable time to break their engagement.

“Mister Jin, did I ask a foolish question.....” Gu Fan Fan awkwardly looked away, as her eyes fell right onto Luo Qing Chen in the corner.

“No, I was just thinking about how to answer.....”

Before Jin Yi Xuan could finish, Gu Fan Fan cut him off by looking at Luo Qing Chen and asking, “Is this miss Luo Qing Chen who I accidentally spilled coffee on yesterday?”
