### Chapter 2471: God! Mary Sue world (13)

Silence, silence, silence.

After Gu Fan Fan said this, the elevator was deathly silent.

She had hesitantly cut Jin Yi Xuan off and instead, Jin Yi Xuan didn't know what to say.

As for Luo Qing Chen.

She adhered to the principle of 'I don't have any words for you', so she didn't say anything.

She knew that the more she didn't speak, the more awkward it was for Jin Yi Xuan and Gu Fan Fan in this elevator.

"Eh." Gu Fan Fan could feel the awkwardness in this elevator and she pursed her lips as she looked at Luo Qing Chen, saying in an awkward voice, "I already apologized to you when I spilled that coffee on you yesterday. Although you didn't accept it, I can't do anything. As for the role.....I didn't mean to take your female lead role."

When Gu Fan Fan's voice fell, Luo Qing Chen called out her system.

System! Are you sure this is a Mary Sue? And not a white flower!?

This was really forcefully dumping a pot wasn't it? Was this bringing the Mary Sue and white flower together?

Saying this kind of shameless thing without even a single blush, stutter, or a skip of the heart?

[Although the system also thinks that she's shameless, she thinks that these words are sincere!]

Sincere words are the most terrifying, right?

Didn't you feel disgusted saying this kind of noble thing from the moral high ground?

Of course, Luo Qing Chen adhered to her principle of 'I won't speak'. Although she wanted to say something, she didn't say anything in the end.

Because she knew that saying something wouldn't be as good as saying nothing!

Because as long as you didn't speak, the other side didn't have any reason to splash you with dirty water.

Unless they really wanted to be beaten by her!

In just a few short seconds, the atmosphere in the elevator had already become very awkward.

This awkwardness was torment whether it was Gu Fan Fan or Jin Yi Xuan.

But to Luo Qing Chen, she was silently watching the play through her sunglasses.

After six seconds of silence, Jin Yi Xuan still spoke.

“Qing Chen, Fan Fan is asking you something!” Jin Yi Xuan said, “You’re a senior, shouldn’t you give her some advice?”

Ze, ze, ze! Shameless people were unparalleled!

Before Jin Yi Xuan said this, Luo Qing Chen just thought that he was a scumbag that liked Mary Sues.

But when he said this, Luo Qing Chen felt that there was something wrong with his personality.

Properly speaking, as her fiancé, they should have gone to the audition together.

Moreover he was confirmed as the male lead and she was auditioning for the female lead.

But after that incident, he immediately thought about changing the actor and didn’t help her.

But that wasn’t important!

The most important thing was.....

He was shameless enough to say that she should teach her something as a senior!

Could it be that there wasn’t just a problem with his personality and also his brain!

Luo Qing Chen pushed up her sunglasses and looked at the floor display.

Second floor!

With a ‘ding’ sound, the elevator door opened.

Luo Qing Chen narrowed her cold eyes and didn’t even turn back as she walked out the elevator.

This aura really put Jin Yi Xuan’s face under her feet.....and stomped it!

She really.....didn’t give him any face!

On the way to the office, Luo Qing Chen was in a rather good mood!

Although she didn’t say a word in the elevator, she knew that she had angered Jin Yi Xuan half to death!

At the same time, she must have made Gu Fan Fan very awkward.

There were times that silence had more effect than saying something!

This was shown by how when you fought with someone, you would be more angry if he didn’t say anything than if he scolded you!

#### **Chapter 2472: God! Mary Sue world (14)**

The main reason she could anger Jin Yi Xuan was because of contrast.

After all, the previous host had never treated Jin Yi Xuan like this.

This contrast was very satisfying!

When she was in the office, she kept reading up on Gong Yu Bai.

He really was a mysterious person.....

Moreover, he really was handsome.....

“Kou, kou, kou.”

“Come in!”

Luo Qing Chen looked up to see that it was her agent sister Mi opening the door.

“What is it, sister Mi!” Luo Qing Chen said with a smile, “Did it go smoothly with Fei Fei yesterday!”

Lan Fei Fei was the artist that sister Mi went with yesterday.

The forever second female artist, but she never had a scandal.

“It did!” Sister Mi nodded while putting a stack of documents in front of her, “After I called you, I kept feeling bad. I called a few large directors and made appointments for you to audition.”

Luo Qing Chen looked at the blue folder and seeing how thick it was, there should be at least twenty scripts in there.

The previous host really was popular. Even if she didn’t play the female lead in “Youth”, she was still a popular actress.

If she didn’t fall because of Jin Yi Xuan, her status in the entertainment industry was something that Gu Fan Fan would never be able to reach.....

“Thank you, sister Mi.” Luo Qing Chen gave a chuckle, “I will look over them! You shouldn’t blame yourself! What’s mine will be mine and what’s not mine won’t be mine. This kind of thing can’t be forced.”

Sister Mi was surprised when she heard this.

It wasn’t her first day working with Luo Qing Chen, so she naturally knew that her temper wasn’t that good.

Then adding in the fact that Jin Yi Xuan was her fiance and Jin Yi Xuan had always been her weakness in this world.

If it was before, she definitely would have made a fuss!

But today, why was she so.....calm?

“You and Yi Xuan.....” Sister Mi asked in a worried voice, “Are you fighting?”

“Fighting?” Luo Qing Chen casually replied, “We broke up!”

“Si!” Sister Mi took a cold breath.

At the same time, Luo Qing Chen’s office door was opened.

In the eyes of outsiders, it was the polite Jin Yi Xuan.

It was a pity that Jin Yi Xuan never liked seeing the previous host, so he never knocked when he opened the door to her office.

“Yi Xuan!” Sister Mi greeted him first. Jin Yi Xuan gave a slight nod in response before turning to Luo Qing Chen, “Director Xiao wanted to invite you over, he felt a bit awkward about what happened yesterday. The second female lead of “Youth” hasn’t been chosen yet, so you can head over.”

This was a complete commanding tone and Luo Qing Chen didn’t hear any tone of inquiry at all.

Jin Yi Xuan put his hands in his pocket. He felt suddenly uncomfortable in this office that he had hated.

“Youth” suddenly losing Luo Qing Chen had been scolded on the web. Then there was Gu Fan Fan not having any fame, which made it more awkward.

There wasn’t a shortage of keyboard warriors and some people even said that Gu Fan Fan only got this opportunity by sleeping with the director.

After Gu Fan Fan learned about these rumours, she cried silently for a long time. When he saw this, his heart felt sorry for this girl.

This role that she worked hard to get was ruined by those keyboard warriors.

Director Xiao suggested it was best for “Youth” to have Luo Qing Chen. If she was the second female lead, although the popularity would be reduced, it could explain the newcomer and the keyboard warriors would back off.

Director Xiao naturally knew the relationship between Jin Yi Xuan and Luo Qing Chen, so it was easier for Jin Yi Xuan to mention this difficult matter.

Jin Yi Xuan even thought that it would be easy!

### **Chapter 2473: God! Mary Sue world (15)**

Luo Qing Chen narrowed her eyes and leaned on the sofa. She tapped the table with her right hand out of habit and a sharp glow flashed in her eyes as she looked at Jin yi Xuan, “Why do you think that I would accept this second female lead role?”

Actually, she could see the confident look that Jin Yi Xuan had, thinking that Luo Qing Chen would definitely agree to his request.

Laughable, truly laughable.....

When Luo Qing Chen said this, the atmosphere suddenly became awkward.

Sister Mi didn’t dare to speak since she still hadn’t come back to her senses after hearing Luo Qing Chen say “we broke up”.

Jin Yi Xuan was clearly embarrassed when he heard this. From the moment that he met Luo Qing Chen, she had never rejected any of his requests.

It was because of this that her strange behaviour not only made him feel ashamed, it also made him a bit angry.

"This is a good chance." Jin Yi Xuan fixed his tie and then said with a fake calm look, "If you miss this, my schedule will be full for several years and you won't have any chance!"

Whether it was playing hard to get or using another method to get his attention, he didn't want to play around with her.

Luo Qing Chen liked him and he naturally had the confidence that if he didn't have time, she would definitely treasure this chance to film with him.

Even as a second female lead.

But the second female lead was suitable for her, she couldn't get the love she wanted.

"Mister Jin, it seems like you still don't understand." Luo Qing Chen gave a cold laugh and picked up the folder on the table, "There are over twenty high grade scripts here waiting to cast me as the female lead, so why do you think that I would want to play a supporting role?"

The words 'mister Jin' in the beginning completely divided the relationship between them.

Jin Yi Xuan couldn't react and was a bit stunned.

A few seconds later, he raised a brow and said, "You don't want to film with me?"

"No." As soon as his voice fell, Luo Qing Chen gave him a decisive answer.

"Luo Qing Chen, you....." Jin Yi Xuan's head exploded as anger filled his mind.

He forced himself to calm down as he gave a cold laugh, "Don't you think that your playing hard to get is too much?"

"Don't you think that it's annoying if you babble nonsense?"

Absolute rhyme and it was a very arrogant answer.

"Si!" Sister Mi saw that this wasn't good and quickly cut in, "Don't fight, don't fight, we're all one family, so there's no need to fight."

"Sister Mi, did you forget what I just told you?" Luo Qing Chen crossed her arms and with an arrogant smile, she said, "We broke up."

Once upon a time, Jin Yi Xuan wished that there wasn't a fiancée like Luo Qing Chen in his world.

But now, why was it so frustrating when she said that they broke up?

"Did you take the wrong medicine?" Jin Yi Xuan narrowed his eyes to coldly look at her, "You're saying break up just because of one role?"

"Oh?" Luo Qing Chen replied with a cold laugh, "Does mister Jin want to grow old together with me?"

Jin Yi Xuan was surprised. He was a bit afraid when he heard Luo Qing Chen's tone change.

It was a rare chance to ask her for something and if this was just playing hard to get, wouldn't this be a good opportunity for him?

x

#### **Chapter 2474: God! Mary Sue world (16)**

"We are indeed not suited." Jin Yi Xuan took a deep breath before looking at her to say, "But this isn't related to whether you're in 'Youth' or not! Gu Fan Fan is a newcomer, so naturally it's good if you can promote it!"

"Jin Yi Xuan, is there something wrong with your brain?" Luo Qing Chen simply couldn't understand this kind of man who was so self centered that he was this arrogant in asking for things from people.

There was only one word written on her face, hate!

"What did you say?" Jin Yi Xuan never expected Luo Qing Chen to insult him like this since she had only been gentle to him before.

There were times that she wasn't happy, but she put away her princess temper to cater to him.

But today.....she had changed into a different person!

"If you were filming a serious and someone stole your male lead role, would you wear a green leaf hat and play the second male lead role for him?" Luo Qing Chen gave a cold laugh as her powerful words slammed into Jin Yi Xuan's heart.

Jin Yi Xuan's hands in his pocket clenched as his face turned a bit red.

Luo Qing Chen's words had clearly pricked his heart.

He couldn't confront her head on or it would be very ungraceful.

"Helping newcomers in the company is something you should do, don't you think so, miss Luo?"

Although he didn't direct confront her, he used the words 'miss Luo' to make his attitude clear.

He didn't like Luo Qing Chen in the first place, so since she wanted to make their relationship clear, why didn't he go along with it?

"Is that so?" Luo Qing Chen gave a clap before saying, "Then you should give up this male lead role and play the second male lead, right?"

"You....."

"Helping newcomers, it doesn't matter if you're the male lead or the second male lead, right?"

"Luo Qing Chen, you're going too far! We don't need you to play the second female lead!"

Jin Yi Xuan clearly couldn't take being insulted and even his tone had changed, as he couldn't maintain his gentleman appearance anymore.

Since it was like this, Luo Qing Chen didn't need to give him any face.

"Oh! You can scram then."

A simple five words that were powerful and concise.

She could even see the flames in Jin Yi Xuan's eyes and the look of disbelief.

"Good! Don't come begging in the future!" Jin Yi Xuan left her office with a dark look on his face.

There were a bunch of gossipers who had gathered outside of Luo Qing Chen's office.

Although the facilities of Star Group were high end, it wasn't a spy company, so the sound proofing wasn't that good.

Let alone the fact that the two of them had spoken very loudly.

There were even a few words that had been spoken more loudly to overshadow the other side.

"What are you looking at? Don't you have any work?" Jin Yi Xuan coldly said to this group of gossipers with an expressionless look on his face.

As soon as his voice fell, he quickly walked forward without turning back.

The gossipers all started whispering.

"Why do you think Jin Yi Xuan is so angry! Although he and Luo Qing Chen are a couple, is there anyone in the office who doesn't know Luo Qing Chen is chasing Jin Yi Xuan!"

"Right, right, right! It's strange, he recommended Gu Fan Fan as the female lead and now he wants Luo Qing Chen to be the second female lead."

"Ke, ke.....you still don't understand! It's very easy for youth series without traffic to be unpopular, didn't he say it? He wants to boost the popularity of this series."

"To be fair, who would be willing! The current Luo Qing Chen is an absolute female lead and I wouldn't be willing to be a second female lead for anyone!"

"Right! And it's the one who stole her female lead role. What is Jin Yi Xuan even thinking?"

.....

x

## **Chapter 2475: God! Mary Sue world (17)**

Hearing the gossip coming from outside, Luo Qing Chen thought: Un! It seems like everyone else's perspective is normal!

Only that Jin Yi Xuan.....

He, he! He really was overconfident!

She didn't know Jin Yi Xuan that well at first, but through that dispute, Luo Qing Chen was able to understand him.

In Jin Yi Xuan's heart, the previous host was a 'ten thousand year old spare tire'. Whether it was feelings or work, as long as Jin Yi Xuan needed it, the previous host had to help.

The previous host's help was natural in Jin Yi Xuan's eyes and if she didn't help.....

In his eyes, it was a heinous crime not to take care of newcomers!

After getting rid of the gossipers, sister Mi came back into Luo Qing Chen's office and looked at her with a worried look, "Qing! Be honest with me, did you really break up with Yi Xuan?"

"Yes!" Luo Qing Chen gave a shrug, "Is that very strange? If I don't break up with scum, should I bring him home for New Years?"

"But....." Sister Mi bit her lip, "Didn't you really like him?"

"That was the past!" Luo Qing Chen read the scripts as she said, "People! They need to grow, they will know pain after a heavy fall."

The previous host learned pain too late, so she ended up with such a tragic fate.

"Then should we announce it one-sidedly or wait for the other party to announce it?" Sister Mi asked for her opinion, "The internet has been filled with speculations about the casting of "Youth" over the past two days. There are many people cursing Gu Fan Fan and if we take this chance to announce the break up, it will be beneficial and harmless to us."

Luo Qing Chen put her cheek on her right hand and was silent for two seconds, "The previous host and Jin Yi Xuan never announced their relationship, so now that we've broken up one-sidedly, it seems like we're trying to gain attention."

"Previous host....." Sister Mi knitted her brows, "Who is the previous host?"

"Ah?" Luo Qing Chen realized the slip of her tongue and quickly said with an awkward smile, "It's.....it's just a general term."

It's all the system's fault. Saying previous host, previous host all day, it almost made her jump into a deep pit.

[Why does the host always blame the system for your own mistakes!]

Because you aren't cute at all!

[.....]

"Oh....." Sister Mi replied before continuing to ask, "Then we won't do anything?"

“Measures have to be taken, but they shouldn’t be that deliberate.” Luo Qing Chen pursed her lips and said, “I will take care of this matter myself. I’ll be taking a trip to the South Pole, so don’t arrange anything for me this week. We’ll talk after I get back.”

“Pu! My Qing! You, you, you, you’re really going to look for god Yu!”

“Shh.” Luo Qing Chen covered her mouth with her right hand, “Be quiet!”

Sister Mi immediately nodded and lowered her voice, “He really is hard to handle, so you should be careful!”

“Relax.” Luo Qing Chen said with a nod, “I’ll leave things to you when I’m not here.”

“Ok!”

At the same time, Jin Yi Xuan returned to the studio.

He was in a very bad mood, but he couldn’t lose his temper at the people on the crew. He could only sit on the side drinking a large bottle of water, suppressing the anger in his heart.

Director Xiao was hesitantly teaching the supporting male lead, so he didn’t notice that he was back. Only Gu Fan Fan noticed that he was back.

She slowly came forward and hesitantly asked him, “Did something happen? It seems like you’re in a bad mood.”

Actually, the reason why Gu Fan Fan cared so much about Jin Yi Xuan’s actions was because she had taken some time to look up “Youth” online.

The screens filled with abuse had made her eyes red and she had lost all her confidence.....

x

## **Chapter 2476: God! Mary Sue world (18)**

She knew that she was an unknown person and she could only get this role because of Jin Yi Xuan and Ye Su, as well as her luck.

But it was undeniable that she thought she was better suited for this role than Luo Qing Chen and she believed that she could play it well.

So she cheered herself on in her heart and told herself that she could do it.

But.....she was still very worried.

It’s said that without the fame of a popular new star like Luo Qing Chen, the trending status of “Youth” had greatly dropped. There were even people who had set up anti “Youth” clubs because of the choice of female leads.

In just two short days, this matter had taken up all the headlines in the entertainment news.

Exposure did help, but most of it was negative.

She had accidentally heard the director say that they wanted Luo Qing Chen to be the second female lead, so she had become a bit more assured.

After all, she knew Luo Qing Chen's personality. She felt that she was a good actor, but as for the motivated Gu Fan Fan.

She believed that she would become more popular than Luo Qing Chen if she worked hard!

"It's fine." Jin Yi Xuan heard this and slowly looked up, "How is it? Were the test shots good?"

Gu Fan Fan revealed a faint smile, "It's good, the director said that I was very talented."

"That's good!" Jin Yi Xuan patted her shoulder and comforted her, "Don't worry about the gossip on the web, just be yourself and believe in yourself."

Jin Yi Xuan was like a dazzling light that had shined into Gu Fan Fan's life.

It made the ordinary her become dazzling and bright.....

At first glance, it was like a Cinderella story.

It was a pity, it was a pity.....

This 'evil villainess' wasn't that easy to deal with.

"Un, un! I will! I will definitely work hard and not let down your expectations." Gu Fan Fan awkwardly scratched her head and said, "Oh, right! I heard that the director wanted you to ask miss Luo to play the second female lead. Was she.....willing?"

Gu Fan Fan was very nervous when she asked this question, but she pretended to be very casual as she asked this.

This kind of feeling was like a darkness lurking in her heart and she couldn't show it to others.

Because her evaluation of herself was bright, kind, and righteous!

Jin Yi Xuan knitted his brows, but then his expression immediately relaxed. He gave a soft snort and said, "Don't worry about people like her, she's been in too many big name titles that she thinks that she's a film empress. Actually, she just became popular because of a single cultivation drama....."

Not only was he unhappy about Luo Qing Chen's sudden change and her decisive breakup, he was feeling depressed.

Even the good impression he had of Gu Fan Fan had been suppressed by this resentment.

Very annoying!

"She's not willing....." Gu Fan Fan lowered her head in a sad manner before looking at Jin Yi Xuan with a smile, "Actually, it can't be blamed on her. Although I used my own skills, I still took her role from her, so she must be blaming me!"

Although Gu Fan Fan smiled, she was very worried.

After all, it was her debut and she wanted a very, very, very good response.

She hoped that she could stand in the spotlight and show off her charm.

“It’s her loss if she’s not willing, I don’t know what kind of medicine she took.” Jin Yi Xuan gave a cold snort, “With such a good script, there are many in Star Group that want the second female lead role! Don’t worry about this, you just need to play your role properly. You can ask me if you have anything you don’t understand.”

“Alright! Thank you, big brother Yi Xuan!”

x

### **Chapter 2477: God! Mary Sue world (19)**

But Jin Yi Xuan was wrong, Star Group indeed had many talented people.

But women with high popularity weren’t willing to play the second female lead role and girls with low popularity weren’t willing to play the foil of someone who had no fame at all.

In the end, the second female lead role could only be played by an unknown actress, Chen Xiao Yi.

A series that was filled with popularity had become abandoned in a single night, this was something that neither Xiao An or Jin Yi Xuan would have imagined.

That night, after Luo Qing Chen finished her shower, she laid in bed and logged onto her Weibo account.

She posted at the right time and gave a fatal blow to “Youth”.

Luo Qing Chen V: Sometimes things are fated in life and sometimes it’s better not to insist and wait for a fortuitous encounter.

Di da, di da, di da.

A few minutes later, the post she sent had several thousand comments.

The previous host was a popular actress, but she hadn’t handled the matter of “Youth’s” audition properly.

She cared too much about Jin Yi Xuan that she ruined her life over this small matter.

This time, she would definitely do every single thing right.

Even if Gu Fan Fan’s Mary Sue halo was strong, she definitely wouldn’t repeat the mistakes of the previous host.

Luo Qing Chen looked at the comments on Weibo while drinking some cucumber water that the butler made.

After reading a few pages, her lips couldn’t help curling.

Un! The results weren't bad!

Kite: God! This is our Seven Seven's first work, alright? Can the director be at least a bit serious when choosing roles!

Small Whale in the Sea: 666! The first and second female lead has never been seen before. It's really speechless that they're relying on our Yi Xuan alone to make it popular!

Xiao Xiao Likes Eating Cakes: He, he! I can feel my Qing's grievances from her words! The entertainment industry really is dark. A person who came out of nowhere can play the female lead, I really don't know what benefits the director received!

-Cutie: What other benefits are there other than sleeping with them!

Smile and Dreams: @Cutie, I don't think that you can say that yet, there's no stone hammer still!

Cutie: @Smile and Dreams, there's no stone hammer, but based on the outlines in the July promotional posters, it's clear that it was my Qing. Although no one could see it, the outline was the same.

-Forever Accompanying Qing: @Cutie, +10086, we can see that it was our Qing. It had been decided and it was changed overnight.

Barik: I'll just see what this Gu Fan Fan can do with Xia Qi Qi. This kind of female lead, the author will be crying over a toilet, alright?

.....

Luo Qing Chen felt very happy when she saw everyone's comments.

She didn't post on Weibo when they first announced the female lead. She let this matter build up for a while which made the comments even more heated.

When the unknown actress was announced as the second female lead, it was enough to push "Youth" to the headlines if she made a post now.

Not to mention that this post was very profound.

When she was preparing to get her beauty sleep and then see the penguins early next morning, her phone rang.

It was a special notification sound that made her knit her brows. As expected, it was a message from Jin Yi Xuan!

(Luo Qing Chen, what is the meaning of your post? ——Jin Yi Xuan)

"He, he, he, he." When Luo Qing Chen saw this message, she laughed sitting in her bed and then quickly sent a reply.

## Chapter 2478: God! Mary Sue world (20)

(? ——Luo Qing Chen)

She sent the message almost right away.

Facing this nasty man with the coldest attitude.

After a while, her phone rang.

But this time, it was no longer the exclusive ringtone, but rather a very normal ringtone.

This kind of a man wanted an exclusive ringtone? Keep dreaming, alright?

(You don't know at all? What is the meaning of your post? ——Jin Yi Xuan)

Jin Yi Xuan who was standing in front of the full window from his eighteenth floor house looked very annoyed.

Just a few minutes ago, he had received several calls.

It was from the crew of "Youth" and it was about Luo Qing Chen.

He always felt that he had clearly defined his relationship between Luo Qing Chen, but now they seemed even closer.

He was very annoyed with this feeling. He had already had a bad attitude when he talked to Luo Qing Chen and now it was even worse when he was in a bad mood.

Luo Qing Chen thought about it and before she could find the 'right words' to attack with, Jin Yi Xuan sent another message.

(Fan Fan is a newcomer, if you have any dissatisfaction, come at me! Don't do these petty things! ——Jin Yi Xuan)

To be fair, Luo Qing Chen really was angry when she received this message.

If a person like her was angry, there were only two ways of expressing it.

One was silence.

And the second was being a tentacle monster. (Explosive hand speed)

She chose the second this time.

(Yo! Is there something wrong with you? Why do I need your consent to send a post? ——Luo Qing Chen)

(What does it mean? Exactly what it means! Can't you understand? If you can't, you can go back to elementary school and learn Chinese again, alright? ——Luo Qing Chen)

(You've repeated that Gu Fan Fan is a newcomer many times! Let me ask you something, how does that even relate to me? ——Luo Qing Chen)

(Finally, who are you? What are you coming to me for? Jin Yi Xuan, you really are giving yourself face. The brain is a good thing, but not everyone seems to have one. ——Luo Qing Chen)

In less than sixty seconds, Luo Qing Chen quickly sent four text messages.

Then she pressed in the upper right corner and blocked Jin Yi Xuan, not accepting any of his texts.

In the memories of the previous host, Luo Qing Chen naturally knew that Jin Yi Xuan had quite the temper.

Actually, this was the better way because the more you ignored him, the angrier he would become.

But Luo Qing Chen wanted to curse him, curse him from the bottom of her heart.

After cursing him, she didn't give Jin Yi Xuan any chance to say anything. That would definitely be the best way to anger Jin Yi Xuan to death.

In the Jin Manor.

There was a "peng" sound as the iPhone X was slammed on the ground.

Jin Yi Xuan had his hands on his hips as his face turned red. Lying on the floor, there was a single can't be sent on the screen of the phone and a reminder that.....it was rejected.

He never would have thought that Luo Qing Chen would treat him like this. This feeling was like someone who was completely obedient to you suddenly stabbing you with a knife one day.

Jin Yi Xuan clenched his fists and punched the window, "Just you wait!"

-

The next morning.

Luo Qing Chen got up early and dressed up before heading to the airport.

She thought that there wouldn't be that many people on a flight to the South Pole this early, but.....the airport was filled with people.

People would have thought that it was a concert as 6:30 in the morning if they didn't know better!

She had really underestimated Gong Yu Bai's popularity.....

No! Perhaps it was more appropriate to call him god Yu!

### **Chapter 2480: God! Mary Sue world (22)**

Luo Qing Chen thought: If she had a frying pan, she would definitely hit this girl in the head!

Of course, that was on the premise that she wasn't a star.

She didn't want to be in the headlines tomorrow.

Gong Yu Bai had a calm look, showing neither joy nor anger. His eyes fell onto Luo Qing Chen's pen as he calmly said, "I can give you a signature, but shouldn't you ask if this miss is willing to lend you her pen first?"

Wa! This handsome?

In the cabin thousands of miles in the sky, sunlight fell through the small cabin window to land on Gong Yu Bai's face. His words were calm, but there was a bit of a protective tone towards her.

She almost cried out, alright?

Un! But this was just an 'image'. She calmly looked at him with a smile that was hard to hide.

"Oh....." The girl who wanted an autograph replied before pursing her lips and looked at Luo Qing Chen with an unwilling look, "Can you lend me this pen?"

Although she was asking, Luo Qing Chen felt her words were very unpleasant.

"What I dislike the most is others using my things." Luo Qing Chen rejected her without even thinking, but she did add, "The stewardesses have pens, you can ask them."

She could understand this little sister's excitement in seeing her idol, but that didn't mean that she could be rude.

She could tell that this little sister was from a rich family.

But nothing in this world completely belonged to you. If you want to use other people's things, you should at least ask politely. She felt that this was very necessary.

Otherwise it was reasonable if they refused.

Sharing was out of kindness and wasn't a duty.

"You.....The young girl's face turned red and she angrily glared at Luo Qing Chen.

It was clear that Luo Qing Chen was making her lose face in front of her idol. After this, she forcefully pressed the service button and raised her voice to angrily say, "Stewardess, come here."

Because this was first class, the stewardess came very quickly.

"Hello, is there anything I can help you with?"

"I want a pen." The young girl knitted her brows. Although she wasn't willing, she added, "Can you lend me one?"

"Alright! Please wait a bit."

Luo Qing Chen gave a soft snort. Although she wasn't satisfied with this girl's behaviour, she felt that she could still be taught.

But she was just a bystander in her life, so she wouldn't interfere in her future.

But the pen belonged to her, so she could decide whether she lent it or not.

In the end, Gong Yu Bai still gave her his autograph.

She looked very happy, but she still arrogantly looked away when she saw Luo Qing Chen's sunglasses.

Luo Qing Chen felt that she wasn't hostile, but was a proud girl and was waiting to be educated.

The flight continued on and the temperature dropped later in the night.

Although there was still heating, Luo Qing Chen was still cold after wrapping herself up in two layers.

“Wu.....Wu, wu.....Wu, wu, wu.....” There was the sound of heavy breathing coming from not far away. Luo Qing Chen knitted her brows as she looked over and the service bell of the young girl who asked for the signature had lit up.

The stewardess quickly came over and in less than a minute, there was an announcement that filled the cabins.

Ding dong! Sorry for the disturbance, but there is a passenger on the plane who is suffering a heart attack. If there are any passengers who are in the medical industry, please call the stewardess and come to the first class cabin!

Luo Qing Chen was surprised at first, but then she knitted her brows as she quickly went over to the young girl's seat.
