Chapter 2491: God! Mary Sue world (33)

"He quite likes this book and he likes the author too." Luo Qing Chen blinked and said, "Having a common interest will help increase the quality of the script."

"Luo Qing Chen, you....." Gong Yu Bai gave a snort, "It can't be that you have the idea of getting on the same plane as him, right!"

Such a great movie, such a great chance. For any other actress, it would be a chance that they would never get in their life, but this girl said that she didn't want it?

Could it have something to do with Ye Shi Liang playing the male lead?

"What plan?" Luo Qing Chen looked at Gong Yu Bai with an innocent look, "I just wanted to see the penguins in the South Pole, who was following you onto the plane!"

"So you really like this novel, so you want to give up this good foreign blockbuster?" Gong Yu Bai crossed his arms and looked at Luo Qing Chen with a look of scrutiny.

He slightly narrowed his eyes, like he was looking at a wife who had made a mistake.

"Of course! Origami is my favourite author, there is now other!" Luo Qing Chen pursed her lips and looked at Gong Yu Bai with a bit of a sparkle in her eyes, "God Yu doesn't want me to act in a youth drama, could it be....."

"You're thinking too much."

Before Luo Qing Chen could finish, Gong Yu Bai had cut her off, "What kind of person am I, Gong Yu Bai? A girl like you wouldn't understand, not to mention....."

"Not to mention what?"

"You look different from the 'Luo Qing Chen' in my dream, I have seen what she looks like." He paused before saying, "She said goodbye to me."

There were many obsessed people in this world, but only Gong Yu Bai was obsessed with a dream.

"Ha, ha, ha!" Luo Qing Chen gave three dry laughs as a bit of imperceivable anger appeared in her voice. She looked at him and said, "I naturally don't know what kind of person god Yu is, but you are not money, not everyone is interested in you, alright?"

If it wasn't for Gong Yu Bai's words making her angry, she wouldn't have said these harmful words!

As expected, Gong Yu Bai's expression changed. Even his voice became a bit heavy.,

"Un, that's good." He looked up at her, "Pack your things, we set off at twelve."

"Twelve?" Luo Qing Chen was surprised, "But today's flight is for ten! Did you remember it wrong? Good thing that I booked a ticket already. Wash up and I'll treat you to a flight!"

"If the two of us appear in economy at the same time, what do you think the headlines will be tomorrow?" Gong Yu Bai revealed a smile, "You don't mind, but I do."

"It seems like you're already prepared! You knew that there were no first class tickets left?" Luo Qing Chen gave a soft snort, "Also, me not minding is called generosity! I can't afford the reputation of god Yu."

"I don't care if you use my fame....." Gong Yu Bai considered it before a faint sparkle appeared in those beautiful eyes, "It's just that the less explosive news in the future won't be.....that surprising."

After a night of thinking, Gong Yu Bai didn't just come up with a plan A, he also came up with a plan B.

But if it's plan B, he had to prepare some things in advance.

"What explosive news?" Luo Qing Chen narrowed her eyes to look at him, "It can't be god Yu is digging a hole for me, right! Don't let me play an evil supporting female lead. I have a bad temper, so if you want me to slap someone, I might use all my strength!"

Chapter 2492: God! Mary Sue world (34)

"It seems like you're quite suited to play the evil supporting female lead role!" Gong Yu Bai narrowed his eyes to look at her, "That violent?"

"It's called guarding against the future, making you timid."

"There's really nothing in this world that can make me, Gong Yu Bai timid." He narrowed his eyes that were filled with absolute confidence.

"Che! Arrogant!" Luo Qing Chen pursed her lips, "When god Yu's fame isn't the same as before, you will start worrying!"

Gong Yu Bai gave a snort before looking up with his starry eyes, "I'm not part of the entertainment industry, why do I care about fame?"

Actually, he admired Luo Qing Chen's unconvinced look a bit.

But he knew very well that too much admiration had immeasurable consequences.

He had to be calm!

"Aren't you an actor? It can't be that you have problems at such a young age, right!" Luo Qing Chen looked him up and down before falling onto a certain part on the bottom half. She touched her ear with her right hand and muttered, "It's no wonder he doesn't do any kissing or bed scenes, it turns out....."

"Da!" Gong Yu Bai's slender fingers flicked her forehead before he looked at her with a serious look, "Do you want to test if there's a problem or not?"

Luo Qing Chen felt her cheeks turning red instantly.

The air around her seemed to have frozen and Gong Yu Bai's calm look made her a bit nervous.

“Ah! That, I suddenly remembered that I haven’t packed my things yet, so I’ll be leaving first!” Luo Qing Chen bit her lip and turned around with an awkward look, fleeing the ‘scene of the crime’.

When she came to the door, she suddenly thought of something. She turned to ask Gong Yu Bai, “So how are we heading out at twelve? It can’t be that you have a private plane, right!”

“Un.” Gong Yu Bai calmly replied, “Is it very strange?”

Gong Yu Bai’s deep eyes intently looked at her, like a hunter looking at prey, looking at her very seriously.

“No, no, no.” Luo Qing Chen quickly waved her hands, “Who is god Yu, a nation’s male god, alright?”

“Un humph! I’m afraid that in miss Luo’s mind, the nation’s male god has a ‘problem’!” His slightly sarcastic tone with that ghost of a smile was very charming.

“Nonsense!” Luo Qing Chen pursed her lips and didn’t forget to give up a thumbs up, “A great nation’s male god.”

Gong Yu Bai heard this and couldn’t help smiling, “Hypocrite.”

-

At noon, they boarded Gong Yu Bai’s private plane after having lunch.

It wasn’t a small helicopter, but rather a small jet.

This was Luo Qing Chen’s first time on a private plane, so this feeling really was a bit surprising.

“I’ve already emailed director Li. When you have time, you can have a first meeting.” Gong Yu Bai took a sip of coffee before saying this to Luo Qing Chen in front of him.

“This fast!” Luo Qing Chen slightly knitted her brows, “I heard that director Li is the most unapproachable person in the entire entertainment industry. You shouldn’t say it like this, or I will be a bit nervous.”

“What are you nervous for?” Gong Yu Bai narrowed his eyes and said, “If you’re not satisfied with him, then he can be replaced.”

!

“Ah?” Luo Qing Chen was startled as her left elbow hit the window. She looked at him and said, “What kind of god is god Yu? You’re speaking as if director Li is one of your subordinates.”

“Guess.” Gong Yu Bai revealed a very faint smile, “I’ll check my schedule. If I have time, I’ll go with you.”

Chapter 2493: God! Mary Sue world (35)

“Don’t!” Luo Qing Chen immediately refused with a smile, “I don’t want to rub off your god Yu’s fame.”

“Do you think that you won’t rub off my fame when you get off the plane?” Gong Yu Bai narrowed his eyes. He looked quite good against the light.

Luo Qing Chen blinked and blinked again, “This is a private plane and they know your itinerary, are you doing such a poor job at keeping secrets?”

Seeing Luo Qing Chen’s dissatisfied look, Gong Yu Bai picked up the pen beside him to tap her head, “Wasn’t it easy for you to get my itinerary?”

“That was sister Mi……” Luo Qing Chen immediately stopped and changed the topic, “When did I get your itinerary!”

This person was too good with words. He could use different entry points to trap her.

Moreover, he could do it so naturally!

“You know in your heart.” Gong Yu Bai’s lips revealed a faint smile. He leaned back in his chair and closed his eyes, “Luo Qing Chen, it can’t be that you have a crush on me, right!”

There was a strange throbbing in his heart that completely spread. He didn’t know why he felt like this, he just felt that his heart that was as calm as dead water was no longer as calm.

“What?” Luo Qing Chen immediately sat up after hearing this and looked at him to say, “Gong Yu Bai, why are you calling me with my surname? Narcissism is a disease, even if you……”

“Dong!”

Before Luo Qing Chen could finish, she was pulled in by Gong Yu Bai.

There was a cool mint smell that hit her and she could feel her heart beating fast as her breathing stopped.

“I don’t like people calling me with my surname either.” Gong Yu Bai’s deep and beautiful eyes looked at her. It was like there was the starry skies in his eyes that shined particularly bright.

But Luo Qing Chen only took a look before turning away. It wasn’t that she didn’t want to see it.

It was that……she was nervous!

“It’s……it’s you who said it first!” Luo Qing Chen bit her lip and said, “I’m……still not happy!”

Gong Yu Bai’s deadly beautiful face was just a few centimeters away, if he suddenly stepped on the brakes, then……

Thinking of this, Luo Qing Chen quickly shook her head. What nonsense was she thinking?

[The host really is thinking nonsense!]

My god! System, why are you appearing now! I’m more nervous if you suddenly speak, alright?

This kind of sudden notification and it’s not an increase in affection, it really makes one more worried!

[……]

“Oh? Not happy? Then what do you want?” Gong Yu Bai’s long lashes trembled and he was simply unbelievably handsome against the light.

“I.....I think.....that this isn’t fair?”

“It isn’t.”

“Why not? You called me by my name, it’s very fair if I call you by your name!”

“Fair doesn’t mean happiness.”

Luo Qing Chen heard this and angrily faced him, “Then what do you want!”

The plane suddenly hit some turbulence and trembled.

Gong Yu Bai quickly covered her hand with his hand as he knitted his brows. He took her into his embrace as he said, “Careful.”

His wool sweater really smelled good, just like the scent on his body.

It turned out that liking someone wasn’t that hard. There were simple moments where Cupid’s arrow would appear without mistake.

Then a beam of light would appear in their lives.

Chapter 2494: God! Mary Sue world (36)

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

The moment that Gong Yu Bai’s assistant Pete opened the door to see this scene, it was like his feet had been locked in iron chains and he was frozen in place.

Until Gong Yu Bai’s cold voice slowly rang out, saying two words.

“Get out.”

Pete’s legs immediately turned soft and he returned to his usual serious expression as he rolled out of the VIP room.

Luo Qing Chen quickly stood up and covered her face with her right hand. She looked out the window as her cheeks completely flushed red.

All afternoon, Gong Yu Bai looked at his computer and Luo Qing Chen looked at the clouds, with neither of them saying a thing.

Until dinner came.

Gong Yu Bai had brought a personal chef for his meals on the plane which quite satisfied her taste buds.

“Is miss Luo Qing Chen satisfied?”

“Yes!” Luo Qing Chen nodded, not forgetting to add, “Mister Gong Yu Bai!”

“You.....” Gong Yu Bai looked at her proud expression and helplessly shook his head, “Your skin is so thin in the entertainment industry, you must have offended quite a few people!”

“Nonsense!” Luo Qing Chen replied while having some ice cream, “I’ve never had enemies before!”

Although the previous host was a bit arrogant, she was very friendly with the people she worked with.

If it wasn’t for Jin Yi Xuan and Gu Fan Fan, she felt that the previous host’s ending wouldn’t have been that bad!

It’s a pity.....It’s a pity.....”

“What about now?” Gong Yu Bai looked at her and said, “Gu Fan Fan?”

“Ke, ke.....Ke, ke.....” It was her first time choking on ice cream and it was all because the three words ‘Gu Fan Fan’ came from Gong Yu Bai’s mouth.

“Look at how agitated you are.” Gong Yu Bai took a napkin to wipe her lips before patting her back, “Director Xiao isn’t that good, you shouldn’t care too much.”

“I don’t care!” Luo Qing Chen gave a cold snort, “If you’ve seen her, you should know that her getting the role of Xia Qi Qi definitely wasn’t based on her abilities.”

“I know.” Gong Yu Bai replied. His expression gradually became deeper as he looked at her and said, “Your fiancé helped her.”

While she had been admiring the clouds all afternoon, he had unconsciously opened up the search engine when he was supposed to be focused on his work.

He typed in the three words ‘Luo Qing Chen’.

He never thought that this information would come with another man. He had some impression of this man, but it wasn’t a deep impression.

No, it was just that he didn’t have a deep impression at first, but then he had a very deep impression of ‘Jin Yi Xuan’ in his mind.

Especially the keywords that gave him a bit of a headache.

#Luo Qing Chen Jin Yi Xuan’s fiancée#, #Luo Qing Chen and Jin Yi Xuan in “Youth”, #Emotional crisis: “Youth” female lead has been changed#.

After reading most of the articles, he found that he was unable to read them anymore.

His mind was filled with those keywords, just like movie clips!

“Ai! Ai, ai, ai!” Luo Qing Chen turned over and looked at him while sitting cross legged, “You can mock me for anything, but please don’t associate me with this person Jin Yi Xuan! Who wants to be put with that scumbag!”

“He’s cheating on you?” Gong Yu Bai didn’t know whether to act serious or smile when he saw her agitated appearance.

Should he not care or care too much.....

Chapter 2496: God! Mary Sue world (38)

"Then come with me." Gong Yu Bai's right hand patted her head. He had a bit of gentleness in his eyes as he looked at her to say, "Your big sunglasses cover half your face, so no one will recognize you."

He couldn't just leave her alone in the airport, at least he couldn't now.

Although he never walked out of the airport with a female star before.

It didn't matter if he was famous or not, he just didn't want to!

Luo Qing Chen took a deep breath before looking at the assistant on the side, "Do you have a mask?"

"Yes."

"Give me one."

After putting on the mask, she tied her long hair into a ponytail. Then she followed Gong Yu Bai's assistant out of the airport.

Everyone said that taking pictures at the airport was necessary for the entertainment industry.

This was her first time wrapping herself up this tightly, walking out of the airport while hiding most of her face.

There were shouts that came along the way.

"God Yu, god Yu, god Yu!"

Luo Qing Chen suddenly felt that she was very lucky. It was so hard for all these people just to take a look at Gong Yu Bai.

But she had already gotten him in hand.

[One third!]

Scram!

When it came to this system, she really hated it sometimes!

Gong Yu Bai personally sent her home and left her all his contact information.

Before leaving, he didn't forget to add a few words!

"What are you doing tonight?"

"Re.....Resting!"

"Then call me before you go to sleep."

"Why?"

When faced with Luo Qing Chen's question, Gong Yu Bai put his hands in his pocket and narrowed his eyes to say, "It seems like I have to go to the news to break the news tomorrow!"

"You....." Luo Qing Chen shook her head and said with a helpless smile, "This is my first time realizing that god Yu likes making people this popular!"

"I don't." He paused before saying, "But you're an exception."

To be honest, she couldn't help feeling that it wasn't her flirting with Gong Yu Bai, but Gong Yu Bai flirting with her.

After she finished dinner, she gave Gong Yu Bai a call.

Even when this demanding director Li Yuan hadn't seen her before, he agreed to give her the role of Mu Chu Xia, the female lead of "You Are More Shocking Than Time".

This news made her feel that Gong Yu Bai really wasn't a normal person. If this was a game, he definitely would be a big boss!

-

The next morning, Luo Qing Chen got up on time and put on a Derek Lam limited edition fall and winter coat before heading to the company.

Her agent sister Mi was already waiting at her door for her and she had a bunch of scripts, along with today's entertainment news in her hands.

"You went to the South Pole and came back so quickly. I thought that you would stay for a few days at least." Sister Mi looked at her and said, "There are two things that are good in my eyes."

Luo Qing Chen took a script and said, "I came back to make a show."

"Dedicated!" Sister Mi said with a smile, "You can read the scripts over the next two days and then we'll choose one."

"No need! I've already decided on one." Luo Qing Chen picked up the entertainment news and was stunned when she saw it.

"Which one!" Sister Mi was surprised as she said, "It can't really be you in the newspaper, right!"

"Do you want me to answer the first or second question more?" Luo Qing Chen gave a cold laugh before sending Gong Yu Bai a text.

(Mister Gong, can you please take a look at today's headlines?)

Shocking revelation: The nation's male god god Yu took a trip on a private plane with a mysterious woman.

After sending this text, Luo Qing Chen went on Weibo and found that her name was the third trending topic.

The first was the headlines and the second was Gong Yu Bai.

Chapter 2497: God! Mary Sue world (39)

"When did these reporters become detectives!" Luo Qing Chen said in an agitated voice, "Their reasoning skills really is incredible."

“What reasoning skills?” Sister Mi looked at the newspaper and asked, “I’m not even certain it’s you, so how could they say that?”

“For those people that are detectives out of habit, they can easily link things together.” Luo Qing Chen slightly knitted her brows as she looked at the comments on Weibo.

Fluffy Cutie: Ze, ze, ze! When I saw the video of baby Qing on the plane, I accidentally noticed that god Yu was also on the plane. It turned out that they were traveling together!

Durian Forgot to Return: Excited! Excited! Baby Qing and god Yu are my favourite idols! (* ^ - ^ *)

Beauty Blogger Asi V: If it’s as peers, there’s no need to be this serious!

Quiet Daughter In Law: Agreed! It feels like creating hype, using our god Yu’s fame.

.....

When the news came out, the entirety of Weibo was half paralyzed and even the page would freeze when refreshing.

There were endless messages on the web. Some congratulated them, some formed ships, and some said that she was just trying to get popular.

In short, whether it was good or bad, they were both about her, Luo Qing Chen.

Because even after such a big piece of news came out, no one said a single bad thing about Gong Yu Bai.

Not! A! Single! Thing!

“Di, di.”

When Luo Qing Chen was lost in thought reading the Weibo comments, Gong Yu Bai replied to her text.

(Un! It’s not bad. ——Gong Yu Bai)

Luo Qing Chen quickly typed a sentence on her phone, indicating the ‘anger’ in her heart.

(You mean that you’re closing your eyes to this and not doing anything? ——Luo Qing Chen)

“Di, di.”

This time Gong Yu Bai replied quite quickly, replying in mere seconds.

(Do you want me to clarify or acknowledge it? ——Gong Yu Bai)

.....

To be honest, when Luo Qing Chen saw this reply, she didn’t know what to say.

After deleting it several times, she put her phone in her pocket and didn’t reply!

Her agent sister Mi had been chatting the entire time, but it went right through her ears and she didn’t hear a thing.

Until the car stopped at the entrance of Star Group, she really experienced the charm of a 'nation's male god'.

Reporters from several major newspapers blocked the entrance, waiting for her to come and get some first hand information from her.

Sister Mi looked at her with an anxious look and said, "This god Yu definitely isn't someone who is easily provoked. This time he will definitely say that we are riding off his popularity, that really isn't easy to handle."

"What are you worried about?" Luo Qing Chen pursed her lips and said, "The boat will naturally straighten when it reaches the dock."

As soon as her voice fell, she put on her large sunglasses and got out of the van.

In an instant, the reporters swarmed her, out of fear that they would miss some shocking news.

"Miss Luo, is it true that you were on the same flight to the South Pole as god Yu?"

"Miss Luo, was it really you in the picture taken yesterday?"

"Miss Luo, what is the relationship between you and god Yu? Are you really just riding on his fame like everyone on the internet says?"

"Miss Luo, please tell us....."

.....

These questions hit her mind at the same time.

She slightly knitted her brows, but she didn't reply as she walked into the Star Group.

Sister Mi followed her the entire time and experienced what was the charm of a nation's male god.

Just a small piece of news could create such a large wave. God Yu really was god Yu.

Chapter 2498: God! Mary Sue world (40)

After they went into the office, the reporters were stopped by the security guards.

Sister Mi thought that she was worried, so she quickly came forward to say, "Actually, any piece of news on god Yu would be emphasized by the news in the past two years. When I was in the car, I thought that it wasn't you in the picture, so I thought that this was a good thing....."

After all, you could be on the trending page and gain such large exposure without spending any money. No matter how you looked at it, it couldn't be a bad thing.

"So it's not a good thing if it was me in the picture?" Luo Qing Chen gave a soft snort as a bit of helplessness appeared in her eyes.

The entertainment industry was this complicated. Exposure could also be a double edged sword.

Only when it was properly used would it have its greatest effect.

On the contrary, if it wasn't properly used, one would be frozen for some time if it was light and they would be chased out if it was heavy.

"It can't be said that it's a bad thing." Sister Mi thought about it and said, "So do you know god Yu?"

There was a 'ding' sound and the elevator door opened. Standing inside was Jin Yi Xue, Gu Fan Fan, and Gu Fan Fan's agent Ye Su who just came up from the underground parking lot.

When Luo Qing Chen was searching the web in the car, she unknowingly caught sight of "Youth is a Simple Thing's" starting announcement.

There were around thirty stars and with the popularity of the novel and Jin Yi Xuan's fame, it was impossible for it not to be popular.

The biggest problem was Gu Fan Fan!

In another world, due to the previous host's love for Jin Yi Xuan, they would follow her onto the trending page.

An evil rich lady vs the pure Cinderella, Gu Fan Fan's popularity and image naturally rose.

The more people paid attention to their love triangle, the more fame "Youth" received.

The previous host was that dumb to be the catalyst for their relationship and their career, but then she ended up with that tragic ending.

"Isn't this sister Mi?" Ye Su was the first to speak. She had a different look in her eyes as she said with a smile, "There really are a lot of reporters outside! Your fame isn't bad."

In the office, whether it was between stars or agents, there would be secret competition.

Sister Mi and Ye Su didn't fight in the dark, they had an open competition as soon as they entered the company.

It was a pity that sister Mi wasn't as good as Ye Su and none of her newcomers could surpass Ye Su's.

Of course, Luo Qing Chen was the exception.

Because she chose sister Mi and sister Mi didn't choose her.

The reason behind the fight between sister Mi and Ye Su was because they fell in love with the same boy when they were in the same class back then.

This boy chose Ye Xu and not sister Mi in the end, but that was not what sister Mi was angry about.

What she was most angry about was that Ye Su had dumped him and got together with an entertainment company's vice president after getting him.

Later the boy became depressed and went to America for treatment. He still hadn't come back yet.

Sister Mi hated Ye Su and Ye Su looked down on sister Mi, so naturally their relationship wasn't good.

Then adding in the fact that they had different artists, it was inevitable that they would clash against each other.

But Luo Qing Chen didn't want to!

"It's a pity that certain people don't even have a chance to become popular." Luo Qing Chen pressed the button for the twentieth floor before putting her hands in her pockets and looking at Ye Su with a provoking look.

If she wanted to protect someone, it didn't make sense if she couldn't protect them.

Chapter 2499: God! Mary Sue world (41)

"Qing Qing, there's no need to talk to her." Sister Mi changed from her passive character and lifted her head up high to look at Ye Su, "Some people will say that grapes are sour even when they can't eat them."

She wasn't angry that Ye Su had abandoned the boy that both of them loved, but she felt that Ye Su's personality wasn't good.

If you are a person with affection, then why would you say that the love from before was unnecessary.

Disgusting, contrived, hypocritical!

"I can't eat the grapes?" Ye Su rolled her eyes in a mocking manner and said with a smile, "The female lead of the popular "Youth" was brought in by me and not you."

"Sister Ye Su is right! If your Qing Chen is so capable, she wouldn't be unable to compete with a newcomer that hasn't even made a film yet." Jin Yi Xuan saw Gu Fan Fan nervously lowering her head and directly took her hand to declare war on Luo Qing Chen.

Jin Yi Xuan's actions made Luo Qing Chen understand two things!

First, he had remembered her words towards him before.

Second, in just a few short days, he and Gu Fan Fan had already gotten together.

But what Luo Qing Chen didn't know was that Jin Yi Xuan had another goal.

He wanted to see if Luo Qing Chen really no longer liked him. After so many years of deep love and obedience, it was impossible for her to change in a single night!

He had thought about it for a long time after leaving the studio and he had absolute confidence that Luo Qing Chen must still like him.

She was just playing hard to get, she was just using another method to get his attention.

Although her personality had greatly changed compared to before, the bigger the change, the more proof that it was done on purpose.

A catalyst had to be used at this time and he knew about Gu Fan Fan's feelings for him.

Therefore, the day before yesterday, he had confessed and she became his girlfriend.

If he treated Gu Fan Fan as best as he could, would his previous fiancée get angry?

He suddenly wanted to see her angry and jealous appearance!

“Yi Xuan, don’t say that……” Gu Fan Fan quickly shook her head, “Big sister Qing Chen is a senior and I was just lucky.”

“Fool!” He gently patted her head and said, “Why are you saying that the role you got with your abilities is just luck?”

“You can’t say that, big sister Qing Chen also put in a lot of effort.” Gu Fan Fan looked at Luo Qing Chen and said, “Actually, I owed big sister Qing Chen an apology. Back at the audition……”

“No need.” Luo Qing Chen narrowed her cold eyes and revealed a cold smile, “Jin Yi Xuan is right, why do you need to apologize for earning the role with your own abilities? But I look down on that role.”

She didn’t cut her off to ridicule her, but because she couldn’t stand Gu Fan Fan’s Mary Sue mentality.

Steal it if you want, but if you pretend to be weak, it will make others feel uncomfortable.

She would rather have a villain that dared to act than this hypocrite who kept making excuses.

Since in Jin Yi Xuan’s eyes, his girlfriend was the kind and gentle Cinderella and she was the evil rich young miss, then she would interpret the characters more clearly.

That way, at least it wouldn’t waste the hat that he tried so hard to put on her!

Chapter 2500: God! Mary Sue world (42)

“Ha, ha, ha!” Ye Su clearly wasn’t willing to see her neighbour and best friend be bullied, so she directly replied, “Only relying on attention to get popularity and getting beaten by a newcomer at an audition just to say that you didn’t like this role. Then can I ask miss Luo, why did you come to the audition in the first place if you didn’t like it?”

She was indeed an agent who had been in the entertainment industry for several years, even without swearing, her words sounded so nasty.

But it was a good thing that these words didn’t reach her heart.

“Un humph?” Luo Qing Chen gave a gentle snort. She took the stack of folders sister Mi gave her with her right hand and raised it a bit before saying with a smile, “Miss Ye Su should have been in the entertainment industry for some time, so you should know some common sense.”

She put the newspaper in Gu Fan Fan’s hand and then narrowed her cold eyes to look at Ye Su, “In this line of work, one only looks at the results and not the process.”

The headlines explained that “Youth” only had garbage popularity with thirty year olds, which proved who was today’s protagonist.

“You……” Ye Su’s face was completely red, as she was so angered by Luo Qing Chen that she couldn’t speak.

The main thing was that she was telling the truth, just like how she was using the audition for “Youth” to attack her.

In this circle, everyone looked at results and not the process.

Without results, the process was empty talk.

Just like the audition for “Youth”, the media focused on the results and no one cared about the process.

Just like how no one cared that Gu Fan Fan had spilled the cup of coffee on her, which made her miss this opportunity.

It shouldn’t be her, but rather the previous host.

“Ding, dong.”

“Ding, dong.”

The sound of a text broke this very awkward situation.

It was a message for the agents of Star Group!

Although it was just a few words, both Ye Su and sister Mi’s eyes lit up.

The top international director Li Yuan will be visiting Star Group at two in the afternoon to cast supporting roles of “You Are More Shocking Than Time”.

“Qing, Qing, Qing, Li, Li, Li, Li Yuan!” Sister Mi was very excited that she didn’t even care that Ye Su was beside her. She was so excited that she almost jumped up.

“He, he.” Ye Su gave a shrug before crossing her arms across her chest, “An actress that couldn’t even become the female lead of “Youth”, you think that she can appear in director Li’s work? To be honest, it would be hard if she could even play the third or fourth female lead!”

Ye Su’s taunting tone completely ignited the anger in sister Mi’s heart and she looked right at Ye Su before raising her voice to say, “Please, Ye Su, if my Qing isn’t qualified to play the third or fourth female lead, then do you think your newcomer with only two thousand followers on Weibo could even play a background role!”

“Chen Mi! Good, good, good, you just wait!” Ye Su bit her lip and said, “I don’t only have Fan Fan under me, not to mention that she is the female lead of “Youth”, so she doesn’t have time to star in director Li’s drama! We will see who can become director Li’s supporting female lead!”

As soon as her voice fell, the elevator gave a ‘ding’ and Ye Su stomped her five centimeter tall heels before walking out.

Jin Yi Xuan held Gu Fan Fan’s hand as he followed Ye Su out. When they reached a corner not far away, Gu Fan Fan threw the newspaper in her hand in the trash.

To be honest, if Gu Fan Fan had thrown the newspaper in her face, she would have admired her more.

Do your best if you liked something, do your best if you hate something, why hide it?
