

## Quick T 2501

Chapter 2501: God! Mary Sue world (Part 43)

Now it was sister Mi beside her who was venting her rage, "Too much!"

"It's not worth getting angry with her." Luo Qing Chen narrowed her eyes that had a faint sparkle in them, "To make her very angry is what we should do."

Instead of Gu Fan Fan, she wanted to deal with Ye Su right now.

Other than Jin Yi Xuan, the other main reason the previous host walked that dead end was because of Ye Su.

She knew that in a Mary Sue plot, there would be a righteous person defending the Mary Sue.

She would stand at a moral high ground and use a 'righteous' method to deal with girls like Luo Qing Chen.

Right! In her eyes, people like Luo Qing Chen were "evil supporting female leads"!

"Right, right, right!" Sister Mi seemed to have thought of something as she turned to look at Luo Qing Chen, "Let's go to the VIP audition room later. There will be many people that want a role in "Time", so this definitely is a golden opportunity for us!"

Director Li Yuan was well known in the industry. Not a single one of the dramas and films that he chose to make wasn't popular.

Even those that played supporting roles in his films were all now first and second class stars.

For most new stars, this was a chance that they couldn't beg for.

"Supporting role?" Luo Qing Chen gave a soft snort before revealing a faint smile, "Some people say that I have no ambition, but when faced with certain choices, I can't be without ambition."

She suddenly thought of Gong Yu Bai and felt a strange and warm feeling.

It was as if he had paved the path for her future, including beating down the villains.

Gu Fan Fan, ah Gu Fan Fan, you have to see who the male lead is before counterattacking.

If the male lead was Jin Yi Xuan, you could indeed rise to the top.

But if it's Gong Yu Bai.....

You have to ask god Yu if he agrees.

"You.....It can't be that you want the female lead role of "Time", right?" Sister Mi looked at her with a slightly surprised look, "Qing! It's not that I doubt your abilities, but director Li Yuan really is an unpredictable person."

"He's so strange?"

Luo Qing Chen thought about it after hearing this. Since he was this strange, Gong Yu Bai promising her the female lead role meant that his identity should be very powerful.

“Isn’t he!” Sister Mi looked at her and honestly said, “We should start with the supporting roles and slowly progress.”

Luo Qing Chen just answered with a chuckle.

When they arrived at the office, the floor was already filled with people.

Everyone was talking about how Li Yuan would be personally coming to Star Group to find supporting roles for “You Are More Shocking Than Time”.

Everyone wanted to take this opportunity to get to know director Li, not to mention that the male lead was also appearing.

Although he wasn’t an acting emperor, he was still a popular little star, Ye Shi Liang.

Ye Shi Liang didn’t have any scandals and his acting was quite good.

In the previous film that director Li Yuan made, he had only played a supporting role.

Director Li Yuan admired him and this time he gave up countless popular stars to choose him as the male lead.

The previous host and Ye Shi Liang were acquainted. They had seen each other at award shows a few times and he had quite the good temper.

#### Chapter 2502: God! Mary Sue world (Part 44)

Sitting in the office, she could hear everyone gossiping outside through the glass window.

Everyone seemed to be focused on director Li Yuan’s film. Even if it was just a supporting role, they could become an instant hit.

“What should I do! I’m suddenly a bit nervous and even my hands are sweating!”

“You think it’s just you! I just went to check the script and there were many supporting female roles! They also play quite a few scenes!”

“It seems like there’s a chance!”

“I feel that you’ve been doing well recently! You’re still worried about not being able to get into director Li’s drama!”

“You can’t say this, this is director Li Yuan! Anyone with a private office wants to play the supporting female lead role, not to mention us!”

.....

Luo Qing Chen didn’t think anything of the girls talking outside, but then Ye Su’s voice made her slightly knit her brows.

“What you said is very correct.” Ye Su crossed her arms and gave a soft snort, “But not every little star can withstand acting in director Li’s drama, it will depend on your skills!”

“Isn’t this sister Ye Su?” Hearing Ye Su’s words, the little star Mo Mo who liked gossiping flattered her, “The artists under you really are doing well recently! Especially that Gu Fan Fan, I heard that she just entered the circle and already became the female lead of “Youth”! This really is amazing!”

“Right! My eyes have always been good.” Ye Su raised a brow and looked at sister Mi standing not far away, “Unlike someone else who always has had bad eyes.”

“Ye Su, what do you mean! You.....”

“Dong.” There was the sound of a door opening.

Luo Qing Chen slowly opened the door and coldly looked at Ye Su, “I hate people like you the most in this life. Since you like showing off, why don’t we make a bet in front of everyone?”

Some people didn’t give her any face, she was already showing off in front of her office.

Truly annoying!

“Alright! What do you want to bet?” Ye Su looked up arrogantly, first looking at sister Mi before her eyes fell onto Luo Qing Chen.

Actually, she disliked sister Mi more than Luo Qing Chen.

She was too lazy to deal with a first rate star like Luo Qing Chen, but who told her to be blind enough to take Chen Mi as an agent. She could only say that she deserved it, it couldn’t be blamed on her.

“I like making exciting bets.” Luo Qing Chen narrowed her cold eyes and said with a smile, “It’s boring to bet without any excitement.”

Ye Su trembled. Seeing the smile on Luo Qing Chen’s lips, she strangely started to panic.

She didn’t know why she felt that Luo Qing Chen had changed. Although she was arrogant before, she didn’t have the same look.

This kind of aura that looked down on people, she couldn’t help being a bit afraid.

But even if she was afraid, she wouldn’t show it.

“Alright! Let’s bet then! I’ve been in Star Group for many years, I don’t believe that I can’t beat a little girl like you.” Ye Su seemed to have been provoked by Luo Qing Chen and directly said, “Tell me how you want to bet.”

“How about we bet on director Li Yuan’s “Time”?” Luo Qing Chen narrowed her cold eyes, “Whoever gets the highest position wins and the loser will.....leave the entertainment industry.”

“Si!” Everyone around them took a cold breath.

Everyone started gossiping again. When Luo Qing Chen saw Ye Su’s pale face, she strangely felt happy.

If you want to go head on, then don’t be afraid.

Chapter 2503: God! Mary Sue world (Part 45)

“God! Luo Qing Chen is going too far, this is her path to stardom!”

“Right! If you say it in front of all these people, you might really have to leave the entertainment industry if you lose!”

“Actually, I know that there are some grievances between sister Mi and sister Ye Su. Luo Qing Chen is so handsome standing up for sister Mi, my little girl’s heart.”

“Perhaps it isn’t just for sister Mi, don’t you remember? That unknown Gu Fan Fan stole the female lead role for “Youth”, she has to put up a fight this time no matter what!”

“But the problem is that it isn’t just Gu Fan Fan competing for the supporting roles this time! Wan Wan and Qiu Kai under sister Ye Su are second rate stars if not first rate! Not to mention that everyone knows that director Li has a strange temper!”

.....

Ye Su felt her heart beating faster and her hands were sweaty.

Luo Qing Chen’s aura was pressing down on her, making it hard for her to breathe.

Many people were looking at her, so it was impossible for her to change her mind.

Wouldn’t this be too demoralizing, how could she raise her head in front of Chen Mi in the future?

Ye Su bit her lip and looked at Luo Qing Chen, “Alright, it’s a bet! I don’t believe that a person who’s been in the industry for so long and can’t even compete with Fan Fan can be better than my artists!”

“Alright! Keep your word!” Luo Qing Chen said with a cold laugh, “Remember, the results are the most important.”

As soon as her voice fell, Luo Qing Chen gave another cold laugh and headed off with her hands in her pockets.

Sister Mi followed behind her with nervous little steps and her voice was trembling as she spoke.

“Qing, Qing, Qing.....You, you, you.....” When they came around the corner to the elevator, sister Mi patted her chest twice before saying, “My heart, it really can’t be tossed around when I’m old. My little ancestor, aren’t you going too far!”

“What are you afraid of?!” Luo Qing Chen pursed her lips into a faint smile, “Although I am a person who definitely won’t back down when fighting head on, that doesn’t mean that I will fight uncertain battles.”

She believed Gong Yu Bai and everything he said.

Since he told her that she would be the female lead of “Time”, then it wouldn’t be anyone else.

Even if director Li Yuan was hard to deal with, she wasn’t worried at all.

“Then why on earth did you make that bet!” Sister Mi paced back and forth with tightly knitted brows, “I was stunned watching you just now and couldn’t stop you. Even if you are 99% certain that you can get the supporting role, there’s still a 1% chance that an accident can happen!”

This girl’s behaviour really was different from before, her appearance today really scared her.

Now she could only watch her play. She hoped that director Li Yuan would be able to appreciate her.

“Supporting role.” Luo Qing Chen said with a chuckle, “Who said that the highest role is the supporting role?”

“Wh.....What?!”

“Let’s have a meal first, we still need to see the director in the afternoon.” Luo Qing Chen took her by the shoulders and said with a smile, “Relax! Let’s repay old and new grievances together.”

“Wait, wait, wait.” After entering the elevator, sister Mi pressed the first floor button before taking her hand, “Little ancestor! You might not know what kind of temper that director Li Yuan has, but I know it very well. He came looking for supporting roles this time, he must already have a choice for the female lead role.”

“So what if he has his choices, it only works if someone agrees.” Luo Qing Chen took her phone and found that there were three texts waiting for her. They were all from the male god of the entertainment industry, Gong Yu Bai.

Chapter 2504: God! Mary Sue world (Part 46)

(I’ll come find you in the afternoon, there are two things I need to tell you. ——Gong Yu Bai)

(It’s all good to me, I feel that it should be the same for you. ——Gong Yu Bai)

(Why aren’t you replying? It seems like it’s time to post a ‘scandal’ on Weibo. ——Gong Yu Bai)

.....

Luo Qing Chen was surprised when she saw the final text.

It read: Forty seconds ago.

She didn’t care about sister Mi and quickly replied to Gong Yu Bai.

(I’m insulting people! ——Luo Qing Chen)

Gong Yu Bai on the other side was filled with joy when he saw this long awaited response.

Not to mention that she even acted cute like this, the anxious mood from waiting a long time was completely swept away.

Anyway, there was an indescribable joy!

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

Then he immediately sent a reply to Luo Qing Chen.

(Who are you insulting? Do you need help? Who dares to bully our female lead!)

Hearing the notification from the system and adding in Gong Yu Bai's protective tone, she was in a very good mood.

(You'll know in the afternoon! Come and see my miserable state at Star Group. ㄟ( ▽ ㄟ) ㄟ——Luo Qing Chen)

At the end of the sentence, she didn't forget to act cute and get some sympathy from god Yu.

She seemed to have completely forgotten that she had made that domineering bet in front of her office just now.

In front of Gong Yu Bai, she acted more like a child.

"Di, di."

A few seconds later, the sound of a text rang out again and Gong Yu Bai replied with three concise words.

(Wait for me. ——Gong Yu Bai)

Sometimes although it was just a few short words, it could make people feel very warm.

The elevator opened with a 'ding' sound and it was hard to hide the smile on her lips.

"Ai! You can still smile at this time....." Sister Mi standing on the side said in a dejected voice, "I can't even laugh if there were two clips holding my cheeks back right now."

She was filled with anxiety. She was like an ant in the pot, being burnt alive.

"Don't worry, I'll treat you." Luo Qing Chen said with a smile, "Let's celebrate with a good meal, I'll pay!"

She wanted to explain this to sister Mi, but since she and Gong Yu Bai had the premise of 'end of the world dream' between them, there were some things that she couldn't explain.

She couldn't just tell her that the cold and arrogant nation's male god god Yu had suddenly fallen in love with her at first sight, right!

"Celebrate? He, he, he, he....." Sister Mi had a bitter look as she said, "I can't even drink soda right now, what good meal!"

"People have to eat, no matter what, we have to eat!" Luo Qing Chen gave a shrug before saying with a smile, "You can watch a good show after eating your fill!"

"Right! That's right! That's absolutely right!" Sister Mi patted her chest twice before saying, "Let the storm come more violently! Let's go eat some KFC!"

"....." Luo Qing Chen couldn't help smiling as she said, "You really are saving me money."

Luo Qing Chen never thought that she would be slapped by 'saving money', but she was slapped.

Because sister Mi ate two family buckets. It wasn't that it was expensive, but her appetite really stunned her.

"Sister, this.....what's going on?" Luo Qing Chen took two sips of her coke as she was stunned by this.

"What! Are you afraid that I'll eat you out of house and home?" Sister Mi picked up a chicken thigh to bite into as she said, "Even if I go to the Yellow Springs, I will be a full ghost!"

Chapter 2505: God! Mary Sue world (Part 47)

"Pu." Luo Qing Chen said with a chuckle, "Even if the results are bad, it's just me leaving Star Group. What road to the Yellow Springs are you taking!"

"Gulu, gulu." Sister Mi took two large gulps of her juice, "You made this bet because of me and Ye Su. Although I can't act that handsome, I can still act with you."

"Act how?"

"I'll leave Star Group with you!" Sister Mi gave a shrug, "Anyway, I'm just a third rate agent, so it doesn't make a difference where I go."

Luo Qing Chen looked at sister Mi's carefree appearance and felt that at least the previous host had a good eye for agents. It was just that her eye for men was bad.

"Relax! You will have everything that you want." Luo Qing Chen patted her shoulder and said, "It's not a bad thing to lose a scumbag!"

Actually, she could tell that sister Mi was thinking of something and it should be related to the person that she liked.

That man chose Ye Su in the end and was abandoned by Ye Su. Although it had already been several years and some wounds would have healed, the pain couldn't be forgotten.

"He isn't a scumbag!" A few seconds later, sister Mi looked over at Luo Qing Chen with slightly red eyes, "He's just bad at meeting people."

Luo Qing Chen narrowed her eyes before putting her right hand on her cheek and saying with a smile, "Although there's no alcohol, if you want to tell a story, I will be a silent listener."

Sister Mi thought about it before pursing her lips, "Then don't tell anyone else!"

"This is all rotten stuff and you care about it that much!" Luo Qing Chen saw sister Mi's nervous appearance and couldn't help feeling a bit surprised.

As expected, people couldn't be judged by their appearances. Some people could laugh all day, but there was an unknown thing throbbing deep down.

The wounds don't need to be shown to others, but it's a good thing if you can share the pain in your heart with another person.

"Anyway, you can't say anything, it's a promise!"

“Un! I won’t.”

Over the next half an hour, Luo Qing Chen had a general understanding of the grievances between sister Mi and Ye Su.

The one that came between them was called Lin Lan, a neat young man with clean eyes.

The one to fall in love with Lin Lan first was sister Mi and she had told Ye Su about this secret.

She had been Ye Su’s best friend at the time and shared all her secrets with her.

But Ye Su directly told Lin Lan about this.

Luo Qing Chen could understand this feeling, some people were just like that. She liked someone, but used the excuse of a friend liking him to approach him.

Ye Su was that kind of person.

She also liked Lin Lan, but she didn’t have a reason to approach him. Whenever she went to find Lin Lan, she would act reluctant, like she was conveying sister Mi’s feelings.

But she was just doing this to get closer to Lin Lan.

Long term love was deeper than love at first sight. With a girl chatting by his side all day, Lin Lan’s heart was moved.

Until one afternoon, when Ye Su went to find Lin Lan to tell him sister Mi’s feelings for him.

“Even if she likes me, that doesn’t mean I like her.”

“Then who do you like? Tell me and I’ll help you take care of it.”

“I like you.”

There were some love that weren’t born in an instant, they were nurtured over a long time of being together.

Lin Lan and Ye Su were like that.....

Chapter 2506: God! Mary Sue world (Part 48)

“Wa! So you’ve never been with Lin Lan?”

Hearing sister Mi’s story, Luo Qing Chen was a bit surprised. After all, based on the argument between her and Ye Su, Luo Qing Chen always thought that sister Mi was with Lin Lan at first and Ye Su stole him away.

“Un.....” Sister Mi gave a sad sigh before saying, “But a crush is still love! I just thought that if Ye Su liked Lin Lan, she could have told me in the beginning and not used this method!”

She could accept a fair competition, but Ye Su was using other people’s emotions as a bargaining chip to talk with the person that she liked.

This made her feel like a clown which she couldn't accept!

"This method does make people feel uncomfortable." Luo Qing Chen nodded in agreement. After thinking for a bit, she asked, "So you separated because of this matter?"

"Of course not!" Sister Mi shook her head and said, "Although I was angry with Ye Su, it wasn't like I couldn't understand what she was thinking. Since Lin Lan liked her, no matter what method she used, Lin Lan would have liked her."

"Un humph, that's right."

"But I couldn't accept that after she got Lin Lan, she liked someone else because of her career ambitions! I really, really can't accept this!"

When Sister Mi said this, Luo Qing Chen could hear the agitation in sister Mi's voice, along with her voice choking up.

It seemed like this matter was a bomb lurking in her heart that could explode at any moment.

"You're right!" Luo Qing Chen took a gulp of juice like sister Mi and said with a smile, "Let's resolve all the grudges this afternoon!"

"Please, little ancestor! No matter what kind of grudges I have with her, I'm happy as long as I don't cause any trouble for you."

"You'll know in the afternoon! The entertainment industry depends on results, right? Then we'll let her see what results are!"

It was already 1:30 after they finished eating and director Li Yuan's VIP audition room was filled when they arrived back at the office.

Other than the executives of Star Group, there were a bunch of famous first rate agents.

Of course, that didn't include Ye Su.

This time Ye Su made double preparations. Other than bringing Gu Fan Fan, she also brought Qiu Kui.

Qiu Kui had participated in many youth dramas and she had a rather cute and sweet appearance, so she looked very much like a student.

"Yo! It seems like you've come to line up?" Ye Su saw sister Mi coming over and crossed her arms with an arrogant look on her face.

But Luo Qing Chen could tell that this was just to hide her nervousness.

"You make it seem like you've already won the supporting role." Sister Mi refuted, not giving her any face.

"I haven't gotten it yet, but it's coming soon." Although Ye Su panicked a bit, her tone was filled with absolute confidence.

After all, she had two against one, she still had another if she lost one. But if Luo Qing Chen failed, they wouldn't have a single chance.

Luo Qing Chen was too lazy to care about her because she felt that if she argued with Ye Su at this time, it was too beneath her.

“Everyone move aside, move aside.” There was an unfamiliar voice that came from behind.

Luo Qing Chen narrowed her eyes to see Ye Shi Liang in a suit walking into the audition room.

Chapter 2507: God! Mary Sue world (Part 49)

“Isn’t this director Li’s male lead?” Ye Su was the first to come forward and say with a smile, “This is your first time at Star Group, right! Illusion and Star keep fighting over the years, but this time it’s an opportunity to cooperate.”

“Manager Ye, I’ve long heard your name.” Ye Shi Liang’s agent blocked her with a polite smile, “We have to talk to director Li first, so if you’ll excuse us.”

“Oh, oh.” Ye Su looked a bit awkward, but she quickly recovered her smile to say, “Take care of your business first, take care of your business first.”

When Ye Shi Liang and his agent entered the audition room, Ye Su’s expression changed and she muttered, “What are you trying to play? If Ye Shi Liang wasn’t in “Time”, how could that agent compare to me?”

“Sister Ye Su is the best.” Qiu Kai praised her, “How could she compare to you!”

“Naturally she can’t compare to me, but he is the male lead in director Li’s new drama, so his worth has more than doubled.” Ye Su gave a cold snort. Although she was very unhappy, she couldn’t say anything.

Sister Mi standing beside Luo Qing Chen said in a low voice, “There aren’t many people who can control Ye Su’s temper in this business, but she is one of them.”

“She?”

“She is Ye Shi Liang’s wise manager.” Sister Mi slightly knitted her brows, “She acts how she wants and has offended quite a few people.”

Luo Qing Chen nodded when she heard this, but she said nothing else. It wasn’t good to talk too much about others.

After a while, the door to the audition room opened. Director Li Yuan’s assistant said to everyone, “Come in! Director Li is a very casual person, so everyone can act casually.”

Everyone swarmed into the audition room.

Since coming to this world, it was her first time seeing Li Yuan. He was a middle aged man wearing a chinese style robe.

He seemed like a gentleman with a very special aura.

“For the sake of fairness, come into the room one by one and alone.” The director pointed at the room behind him and said, “I have a list of all the registered artists and those whose names are called can follow me.”

Ye Shi Liang saw on a chair on the side, looking at Luo Qing Chen with a smile.

Actually, he already knew that the female lead of “Time” was Luo Qing Chen, but he didn’t tell anyone.

The two of them had entered the industry at the same time and their relationship wasn’t bad. He looked forward to this collaboration very much and since Luo Qing Chen had kept a secret from him first, he would naturally keep his mouth shut.

The first ones to go in were the newcomers which included Gu Fan Fan.

Jin Yi Xuan had arrived late, but he stood by Gu Fan Fan’s side as soon as he arrived. Even Luo Qing Chen who was five to six people away could see them ‘whispering to each other’.

This was just making it too obvious!

Gu Fan Fan even reminded Jin Yi Xuan to keep his voice down in the end, but Jin Yi Xuan wasn’t convinced as he looked at Luo Qing Chen from time to time.

His bad mood hadn’t disappeared over the past few days, it actually got worse and worse.

He also received a call from his parents in the morning that the Luo Family had cancelled their engagement.

He thought that Luo Qing Chen was just trying to play hard to get, but this sudden fact had slapped him in the face.

She wasn’t playing hard to get, she was breaking up with him!

Why? She always had a good temper towards him in the past, so why did Luo Qing Chen’s personality suddenly change?

He could only think of a single reason, she fell in love with someone else!

## Chapter 2508: God! Mary Sue world (Part 50)

Jin Yi Xuan guessed that this person was Ye Shi Liang, the male lead of “Time”.

He rushed to the audition room not for Gu Fan Fan, but to confirm whether Luo Qing Chen’s personality had completely changed because of Ye Shi Liang.

Even going as far as cancelling their engagement.

From what he could see, he was almost 90% sure that Luo Qing Chen’s personality had changed because of Ye Shi Liang.

Because Ye Shi Liang had been staring at Luo Qing Chen all along without looking away.

Damn! He was also the male lead chosen by director Li Yuan which really made him unhappy!

To be fair, Jin Yi Xuan's fame wasn't below Ye Shi Liang's, so why didn't he have this opportunity! Therefore, his other purpose in coming to this audition was to show off in front of director Li Yuan. He might have a chance if there was an accident!

—

The auditions went by one by one. Whether it was Gu Fan Fan or Qiu Kai, they were all called. It was only Luo Qing Chen who wasn't called.

As time passed, sister Mi became visibly worried.

She had clearly given Luo Qing Chen's information to director Li's assistant, so why wasn't she called?

"The last group is Lin Yao Yao, Amy, Baby, and Xi Mu, please go into the audition rooms."

"Last group?" Sister Mi was surprised. She was about to go forward to ask director Li's assistant, but the assistant cut her off.

"Please wait a bit. If you have any questions, can you please wait until after the auditions?"

The assistant turned around and went back into the audition room. Sister Mi was left behind with a stunned look as well as a sharp laugh.

"Ha, ha, ha, ha, ha!" Ye Su laughed at sister Mi and said, "As expected! Some people's acting skills are so poor that they aren't even qualified to audition."

Sister Mi's face turned red before she angrily pointed at Ye Su, "You.....You.....Don't be so arrogant, alright?"

She really lacked the words to speak and she didn't know what to say at this moment.

But the little ancestor saw this and suddenly decided not to speak.

"I'm arrogant? What does this have to do with being arrogant?" Ye Su crossed her arms and looked at her with a sarcastic gaze, "If you aren't qualified to audition, then you aren't qualified! Can you blame this on me? Director Li Yuan has good eyes, he can't stand you, alright?"

"Do you know this?" Luo Qing Chen narrowed her cold eyes.

"How could I not know?" Ye Su immediately replied, "Don't forget about the bet, when are you planning on leaving Star Group? Don't go back on your words!"

As soon as her voice fell, she broke out in laughter. But her laughter was suddenly interrupted by director Li.

He sat in front of the screen and waved his hand at Luo Qing Chen not far away, "Qing Chen, come over and take a look at which of these people are suited for playing Ye Nuan Yang. She will be acting with you quite a bit, so you can come and choose."

The entire VIP audition room suddenly fell into a deathly silence.

Before she arrived, she had received an email from director Li Yuan that had the title——

“At two this afternoon, miss Luo is sincerely invited to come and choose the supporting female lead together.”

So she knew that she wasn't here to audition, but rather to cast people.

Of course that included Gu Fan Fan and Qiu Kai under Ye Su.

Chapter 2509: God! Mary Sue world (Part 51)

The voices surged around them and for some reason, Luo Qing Chen felt that the play was getting exciting.

She strangely felt excited.

Even the gossip around her sounded quite sweet to the ears.

“What.....What does this mean? Could it be that Luo Qing Chen already has a role in “Time”?”

“But if I remember correctly, Ye Nuan Yang is a very important supporting female role in “Time”!”

“Right! So who is Luo Qing Chen playing!”

“God! This is so shocking! This really is explosive news!”

“What do we do? I suddenly remembered a certain someone's bet on the twentieth floor this morning!”

The gossipers didn't really care about what happened, not to mention that there were no absolute friends in the entertainment industry.

The more people fighting for resources, the more enemies that there were that acted kindly.

Once a problem happened, they would draw lines right away and some people would even throw stones at them.

Ye Su's face was pale and her lips kept trembling. Her heart was in her throat and no matter how she tried to hide it, she couldn't hide it.

Qiu Kai beside her was startled and stumbled two steps back.

Gu Fan Fan's nervous hands wrapped around her chest. Jin Yi Xuan stood beside her, comforting her in a low and gentle voice, “It's fine! Relax, even if she's playing a supporting role, you and Qiu Kai still have a chance.”

“But I'm still worried! I feel that I'm not good enough, so I'm afraid that Qiu Kai won't pass and that will implicate big sister Ye Su.” Gu Fan Fan's voice was a bit choked up when she said this.

She thought that she was kind enough and she always took the other person into consideration when doing anything.

Other than this, she still had a bit of selfishness and she wanted Jin Yi Xuan to comfort her.

Without knowing why, since she came to this VIP audition room, Jin Yi Xuan's eyes had always been directed at Luo Qing Chen.

She didn't like this feeling. This was clearly hers, so why would it be given to someone else?

Jin Yi Xuan was so good to her, treating her like a little princess.

She was intoxicated with this feeling. He would take her to fancy restaurants, but to help save him money, she would always take him to eat at food stalls by his house.

The feeling of holding skewers and milk tea in his hand was always novel to Jin Yi Xuan.

They would walk hand in hand on the streets, talking about the matters in their hearts.

She knew that she was special in Jin Yi Xuan's eyes. It was because he was always surrounded by arrogant young misses that he was tired.

Yes! She was a Cinderella, a kind hearted Cinderella.

She was always positive and she kept going to auditions after graduating. Getting the female lead role in "Youth" wasn't just based on luck, but also her ability.

She had gotten this role with her own skills.

She felt that this was her luckiest year and she would become a real star, as well as getting the love of her life.

"Don't worry....." Jin Yi Xuan gently patted her head, "You have to believe in yourself! If we can get the role of Ye Nuan Yang, we will still win!"

"But.....But I'm just so scared....." She grabbed Jin Yi Xuan's sleeve and said, "What do we do?"

"Don't be afraid, I'll always be by your side."

Chapter 2510: God! Mary Sue world (Part 52)

When Jin Yi Xuan said this, his eyes still turned to Luo Qing Chen from time to time.

In front of all these rumours, she didn't say a single thing and just walked in front of director Li Yuan.

Qiu Kai standing on the side whispered to Ye Su, "Big sister Ye Su, what do we do? If she chooses, there definitely won't be a chance that she'll choose me or Fan Fan yo play Ye Nuan Yang!"

Ye Su gritted her teeth as she stared at Luo Qing Chen standing not far away.

Qiu Kai was right, there was a 90% chance that she lost the bet from this morning.

Right now, she could only pray for a miracle or an unexpected accident.

"Damn!" Ye Su angrily muttered, "When did she hook director Li Yuan, when did she get such a good opportunity!"

Ye Su's whispers were heard by sister Mi who came back from her pleasant surprise.

She replied with a proud look, "Some people! They can't eat the grapes and still call them sour! Instead of saying this, it's better you think about how to write your resignation letter to Star Group!"

"You....." Ye Su was almost angered to death and adding in sister Mi's words, her face was already half green from anger.

On the other side, Luo Qing Chen had sat down beside director Li Yuan and was watching the clips of the people who had auditioned.

To be honest, if she were to judge Gu Fan Fan from a fair and impartial view, not to mention her acting skills, she couldn't even read her lines.

Director Li had asked them to act out a scene from "Time" of the supporting female lead Ye Nuan Yang at the train station.

The senior who she had loved unrequitedly for several years was about to chase the one he loved. Ye Nuan Yang had followed behind him the entire time.

It's a pity that she fell onto the platform and started bleeding.

The senior looked back, but he didn't stop. Ye Nuan Yang's tears started falling drop by drop as she said in a desolate voice, "Thank you for taking away all the fairy tales of my youth."

This scene gave cues for actors, but there was only a single line.

Gu Fan Fan's acting wasn't good in the beginning, but even her reading sounded like she was just reading from the script.

When it came to Gu Fan Fan, director Li Yuan had skipped over it without even watching the whole thing.

Actually, any veteran actor or senior director could tell with a single glance if an actor was in the role or not.

"Director, is there a need to put her on the pending list?"

Seeing director Li skip over it, the assistant on the side asked this.

"Your acting is better than hers."

Although director Li Yuan's voice wasn't loud, many people had still heard it.

Even the people standing at certain angles could see that it was Gu Fan Fan, so they all turned in her direction.

"They.....Why are they looking at me!" Gu Fan Fan was surprised as she felt a bit confused.

Jin Yi Xuan could understand what was happening and quickly explained, "It's because you're beautiful and you're the female lead of "Youth", so naturally they will look at you!"

He lowered his voice so that others couldn't hear him, but Gu Fan Fan was much more assured when she heard his words.

But she didn't see the frown on Jin Yi Xuan's face.

Luo Qing Chen had been sitting beside director Li Yuan looking at the auditions. When it came to Qiu Kai, she took a serious second look.

After all, she was still a second rate star. Qiu Kai's expressions weren't bad, but.....she had too many small movements!
