Chapter 251: Proud actor emperor's best coupling (Part 17)

After the lunch break, it was time for the 'main event' of the first day, the bonfire dinner!

This kind of dinner was the best place to fight for screen time since they didn't need to wear uniforms.

Xia Xing Ge was wearing a long red dress and her hair was slightly curled. Her lips were burning red and there was a charming look on her face that made all the men present lock their eyes on her.

Other than Mu Hua Nian.

He was focused on the lights in the villa, completely ignoring Xia Xing Ge in the spotlight.

As for Luo Qing Chen, she was still in her room thinking about what to wear!

Damn, it was all Mu Hua Nian's fault. If he didn't wear that blue suit, she wouldn't be like this.

After turning out her wardrobe, she didn't have a single blue dress!

So angry, but she had to keep smiling.

"Kou, kou——"

Luo Qing Chen stood up and opened the door to find a delivery man with a package in his hands.

"Who are you looking for?"

"Is this miss Luo? This is your package."

"Package?" Luo Qing Chen looked confused as she planned on asking the system first.

System, this wouldn't be the supporting female lead trying to kill me right? With a bomb?

[The host is thinking too much.....]

After that, Luo Qing Chen revealed a sweet smile and took the package from the delivery man, "Thank you."

After closing the door, she opened the package and she saw a large dress that was like the wide starry sky.

The dark blue dress was inlaid with gems like stars, creating an incomparably beautiful European style dress.

Who was it that sent this dress.....Was it Mu Hua Nian?

[Yes.] The system voice instantly gave her guess an answer.

After putting on the dress, she went downstairs. The moment she arrived on set, she could feel everyone's eyes falling onto her.

Including Mu Hua Nian.

He slightly turned around with his hands in his pocket, as his lips curled into a smile and he looked at Luo Qing Chen not far away.

She was wearing a starry night dress as she stood under the night sky. Her long curly hair was tied up in a butterfly ribbon, styled like a princess.

Sweet and cute, elegant and noble.

In that instant, her spotlight far surpassed Xia Xing Ge in her red dress. She was like a star in the dark night, filling the entire area with starlight.

She gave a slight nod to the director before moving in Mu Hua Nian's direction.

"Mister Mu, thank you for the dress." She picked up the champagne on the table and looked at the other side as she spoke.

Mu Hua Nian was visibly surprised. She was this confident that he was the one who gave her the dress?

Actually early in the afternoon, he had ordered this 'Starry Night' that was newly designed in Paris, but he never thought that it would take so long to deliver.

It was a good thing she didn't have a blue dress and it stalled her for a bit.

"No need, I just didn't want to lose face for myself." He took a sip of champagne as he said with a smile.

Damn, you already sent it and you're still this proud!

"Alright, we'll start tonight's shoot since everyone is here. The activity is called 'Blindfolded Dance Partner!'" The director carefully stated the rules of the ball through his loudspeaker.

The rules of the game were: Using blindfolds to cover the couple's eyes and the first one to lead their partner in a dance would win!

Luo Qing Chen sighed with a helpless appearance and said, "It's over! This game will definitely make us lose face."

"You just need to remember a single thing."

"What?"

"Stand there without moving."

He didn't need her to guide him at all, she just needed to stand there without moving.

Chapter 252: Proud actor emperor's best coupling (Part 18)

Gu Liu Sha looked at how Luo Qing Chen and Mu Hua Nian looked at each other and his heart couldn't help filling with discomfort.

It was like he had forgotten the rules of the game, forgetting his own partner Xia Xing Ge.

There was only one thought in his mind, he would soon hold the hand that he had held for four years.

After a minute, the assistants helped put blindfolds over everyone's eyes.

This was a large bonfire dinner, so there were several background actors in the crowd with the goal to make things more interesting.

The moment the music sounded, Luo Qing Chen felt she had been thrown into a crowd of dancing and music.

“Alright, action!” After thirty seconds, the director’s voice rang in her ears.

She wanted to move, but Mu Hua Nian’s words flashed in her mind.

She didn’t know if he was serious or not.

But she never thought that after seven seconds, a pair slightly cold hands would firmly grab her right hand and gently pulled her to the right.

After a second, another pair of slightly warmer hands pulled on her left hand.

This was a familiar feeling, like it had been holding her for a long time.

The person holding her left hand used more strength to pull her aside and the person holding her right hand slightly trembled. As the other side kept pulling on her hand, they finally let her go.

The waltz was different from other forms of dance. When the music hit its climax, the man would softly touch the woman’s fingertips and the woman would spin according to the music, creating a perfect harmony.

When the waltz music rang out, Mu Hua Nian knit his brows. He casually grabbed Xia Xing Ge behind him and waited for his opportunity to come.

When the music reached its climax and the women turned in place, he softly pushed Xia Xing Ge in Gu Liu Sha’s direction before accurately grabbing Luo Qing Chen’s hand as she was spinning. His right hand firmly took her waist and his lips curled into a proud smile.

“Young miss Luo, was the first half of the waltz good for you?” He slightly narrowed his eyes as a faint trace of dissatisfaction appeared in his voice.

He didn’t know why he was angry, but there was a possessiveness that came from an unknown place, entering his heart bit by bit.

“Mister Mu, are you jealous?” Luo Qing Chen pursed her lips into a smile as she whispered in his ear, “Who told you to let me go?”

Actually she knew why he let go, she just wanted to hear him say it.

For a proud and arrogant man to talk about love, she really wanted to hear it.

For example, wasn’t I afraid of hurting you.

Or, no matter how he tries to take you, you will end up in my hands in the end.

Instantly all kinds of thoughts began to fill her mind.

But the truth was.....

“You’re too heavy, I couldn’t pull you.” After that, Mu Hua Nian almost blurted this out and gave her this so called ‘love talk’.

Alright, you win! This treasure is willing to submit!

“He, he, he——” Luo Qing Chen laughed twice before slipping and falling onto Mu Hua Nian’s foot with a smile as she said, “It’s not that heavy! You’re bearing my weight and you can still the waltz this well!”

Mu Hua Nian’s face didn’t change at all, like there wasn’t any weight at all when she fell onto his shoe.

When the finale of the waltz came, Mu Hua Nian softly pulled her wrist and brought her into a spin, but he never thought that she would slightly pull back.

He knit his brows slightly and a trace of worry flashed in his eyes.

Was she hurt?

Chapter 253: Proud actor emperor’s best coupling (Part 19)

And on the other side, when Gu Liu Sha passively received Xia Xing Ge, his heart was filled with rage and dissatisfaction.

Xia Xing Ge took a step back as she didn’t feel anyone receive her, so she grabbed the man in front of her.

Without knowing why, there was a faint grass scent just a moment ago that made her heart beat faster.

She couldn’t be any more familiar with the cologne of the person in front of her.

“Liu Sha.” She softly muttered.

“Un.” Gu Liu Sha only felt his head ache, not feeling like dancing the waltz at all.

After a minute, the music stopped.

“Alright, everyone can take off their blindfolds.” The director’s slightly awkward voice rang out.

The ‘divorced’ Qing Jing couple of Chu Qing and Nie Jing and the Dong Mo couple of Chen Dong and Xiao Mo had both picked wrong!

When the camera fell onto their faces, the four of them all revealed awkward looks.

“Alright! «Entering Love»’s first day’s winners are the Qing Liu couple and the Luo Mu couple. You two teams will enter the final showdown.”

After that, the camera turned off and the director continued, “Considering the flow of the show, let’s have the Qing Liu couple win the competition.”

Luo Qing Chen was very clear that when the director said this, he wasn’t recording.

“Humph——” Xia Xing Ge gave a soft snort and held her hands at her chest as she disdainfully said, “You say it like they could win.”

Luo Qing Chen was too lazy to care about her, what was there to be arrogant about in terms of talking. In other people's eyes, they were just people without any quality.

The director knit his brows, but he didn't want to refute her. Instead he looked at the crew a few times and the shooting continued.

She could see the moment the lights turned on, Xia Xing Ge's face turned from disdain to pure cuteness.

"This game is called the 'Seven Coloured Wine'. Whichever colour appears on the monitor, the player has to drink from the same coloured cup. There are a total of seven cups and those that drink everything first will win."

Two against two, the first up were Gu Liu Sha and Mu Hua Nian.

The director went quite big this time. There was a row of champagne on the table with a total of seven colours, following the colours of the rainbow. There were seven cups of each coloured champagne, which meant that each couple had forty nine cups of champagne in front of them.

There was a large screen in front of the table and there were colours on the screen, with red being first and purple being last.

This didn't just test their reactions, it also tested their alcohol tolerances.

"Ok, one, two, three, action!"

Instantly the lights shined onto Gu Liu Sha and Mu Hua Nian.

After that, red appeared on the screen.

Mu Hua Nian's expression changed slightly and he stood in front of the white table like a shining protagonist. His lips curled into a faint smile and he picked up the glasses of champagne from the table as he began chugging them.

One, two, three.....Six, seven.....He didn't stop as he drank all the red champagne on the table, not hesitating at all.

There was a warm glow that filled his eyes and his glazed eyes looked at the figure in the dark blue dress.

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

Luo Qing Chen was stunned in place. Looking at him under the lights, he looked incredibly handsome.

After that, the colour orange appeared on Mu Hua Nian's screen. He didn't hesitate at all and narrowed his eyes as he continued sweeping through the orange coloured champagne.

Yellow.....Green.....Blue.....Indigo.....

He went cup by cup, standing in the most dazzling position, becoming the incredible focus point of everyone.

Even the director was so stunned that he didn't call out 'cut'.

When he drank the final purple coloured glass, only then did he stop.

Chapter 254: Proud actor emperor's best coupling (Part 20)

And Gu Liu Sha on the side had quite a bit of momentum. But when he drank the yellow champagne, his face flushed red and he began to sway.

Xia Xing Ge on the side had been nervous. When he finally vomited from drinking the green champagne, Xia Xing Ge couldn't help charging forward and replacing him.

As for Mu Hua Nian in this moment, he was on his forty eighth glass of purple champagne.

He had his hands in his pocket as he headed in Luo Qing Chen's direction. He walked over to her step by step, moving in a straight line, coming to her side.

When he was beside her, he said with a faint smile, "You can't just not drink a single cup, we are an on screen couple."

Without knowing why, this was clearly him complaining, but it warmed her heart hearing it.

Clearly that person drank forty eight cups of champagne for her and only left one, but he was still this proud.

In order to make sure there wouldn't be another take, Luo Qing Chen looked at the director. Seeing the director nod at her, she immediately understood.

Seeing how handsome Mu Hua Nian was, it far surpassed what the director wanted to film.

As for the previous letting the Qing Liu couple win, it all became empty words.

Without knowing why, this person could stand in front of the seven coloured champagne and could have this kind of charm without saying a thing.

Luo Qing Chen: She submitted, alright?

But right now, what she needed to do was——

She needed to drink the only cup of purple champagne Mu Hua Nian left her. There was a faint white mist that floated over the champagne and the instant she raised the cup, she felt a chill.

She swayed the cup in her hand and turned to shrug at Xia Xing Ge. The look she gave her seemed to be saying: I also want to lose, but there doesn't seem to be the chance.

After saying this, she drank the entire cup.

In an instant, Xia Xing Ge who was still drinking the green champagne had her head fill with rage as she flipped the white table in front of her.

"Ping ling pang lang——" All the cups fell and shattered on the ground.

Xiao Xing Ge wanted to pull Luo Qing Chen on the side and pull her to the ground.

In an instant, Luo Qing Chen quickly pushed her and the two went in different directions.

Come! Pretentious! At worst we'll go down together, trash!

Right, she was thinking this in her heart!

Then she prepared her hands to come into intimate contact with the glass on the ground.

But the instant her left hand was about to touch the ground, her flesh wasn't penetrated by the glass shards on the ground.

Rather it was the back of her hand that was cold as some force had grabbed her right hand.

"Don't move, slowly get up." Mu Hua Nian slightly knit his brows, as a cold look flashed in his eyes.

This Xia Xing Ge, she really touched his bottom line.

He was half over her with his left hand being pressed on by her as his right hand softly held her waist, not letting her sit down.

"I...." Luo Qing Chen took a deep breath and a bit of panic filled her voice.

All her strength was on her left hand and her left hand was pressing on Mu Hua Nian's left hand.

And under Mu Hua Nian's left hand was a large amount of broken glass.

She gritted her teeth and gave a soft nod.

After that, she pressed down on her left hand and matching the strength Mu Hua Nian put in at her waist, she stood up.

In that instant, it was like she could hear the sound of glass shattering. Her eyes couldn't help looking at the blood coming out of his palm and her heart made a 'gedeng' sound as it filled with pain.....

But she knew that she had to quickly get up, only then would she be able to reduce the pain that he felt in his palm.

Immediately, Mu Hua Nian also quickly got up and put his left hand in his pocket. His cold eyes narrowed and he looked at Xia Xing Ge sitting in the glass shards.

Chapter 255: Proud actor emperor's best coupling (Part 21)

Her intelligence didn't compare to Luo Qing Chen, but at least when Luo Qing Chen fell, she at least knew to cover herself with her hands to prevent injuries to her body and head.

And Xia Xing Ge fell right on the ground. Gu Liu Sha on the side didn't respond until Luo Qing Chen stood up before going forward to support her.

The funny thing was that of the two other couples other than Luo Qing Chen and Mu Hua Nian, no one went forward with the thought to help her.

It seemed like Xia Xing Ge's arrogance was well known in Starry Night.

Always looking lofty, naturally she didn't have any followers.

Xiao Mo who had been a part of the secondary couple secretly revealed a smile as she thought: Without Xia Xing Ge here, the camera will definitely be pointed at the Dong Mo couple.

"Don't touch me." Xia Xing Ge saw Gu Liu Sha who came to her side late and angrily roared out as she kept trembling.

Looking at her, her entire arm was covered with shards of glass and even her white face had two accidental cuts from when she fell. An assortment of glass shards were poking into her flesh at her feet, making it look quite bloody.

The wound on her face wasn't deep, but blood kept pouring out looking very strange.

"Quick, quick, quick, call 120." The director gasped before quickly shouting out.

[TL Note: 120 is for calling an ambulance in China.]

Xia Xing Ge in this moment gritted her teeth as she looked at the uninjured Luo Qing Chen not far away, as the rage in her eyes reached a peak.

It was like if she had a blade, she would cut the other side to pieces.

Xia Xing Ge looked at her with eyes filled with killing intent.

Luo Qing Chen casually gave a shrug and narrowed her eyes, as if saying: Come at me if you have the skills. If I even give a single step, it's your victory!

—

After fifteen minutes, the ambulance arrived and carried Xia Xing Ge away in a stretcher.

She wanted to ask the nurse for some bandages and some medicine, but she never thought that Mu Hua Nian would go first.

When the ambulance left, he was holding a small green bottle of medicine. His left hand was still in his pocket and he slowly moved away.

"Mu Hua Nian." Luo Qing Chen knit her brows and looked around before finally noticing the small green bottle of medicine and asking, "What did you take?"

Shouldn't he be looking for the nurse for some hydrogen peroxide and some gauze?

After that, he put the little green bottle of medicine in her hand and walked towards the villa without saying anything else.

Luo Qing Chen stood in place with a stunned look before looking down at the medicine in her hands.

There were large words on it saying: Medicine for sprains.

She looked at the slight swelling on her wrist and her eyes instantly misted over.

After a while, she looked at his back in the night and took a deep breath before saying through gritted teeth, "This person really is....."

After saying this, she took her cell phone out of her pocket, found a nearby pharmacy and rushed over.

Without knowing why, there was a strange moved feeling in her heart. It spread as she began to rush forward.

She remembered that when he left, his left pocket was already soaking wet.

But that proud man didn't say a single thing.

"Qing Chen——" When she wanted to walk downstairs, a familiar voice called out to her.

She slightly narrowed her eyes and turned around to see Gu Liu Sha with a red face covered in the stench of alcohol.

"Do you still hate me?" Gu Liu Sha had a helpless smile. He was shaking as he walked over to her and said, "But I seem to still love you....."

Chapter 256: Proud actor emperor's best coupling (Part 22)

WTF? Was it true that one spoke the truth after drinking? Or did he find his conscience or form a new one?

But so what?

What did it matter to her!

"You're done?" She gave a soft snort. She looked at the man in front of her and her lips curled into a faint smile as she said, "I'm leaving if you're done."

After saying this, she turned to leave.

Gu Liu Sha became anxious and reached out to grab her hand. She reacted quickly to take a step back and made him miss.

Her cold eyes narrowed as she looked at Gu Liu Sha and said, "Men and women shouldn't be too close, does mister Gu not understand that?"

It seemed like people who weren't faithful in love were good at being rogues.

"Ha, ha——" Gu Liu Sha took a step back and a look of regret flashed in his eyes. He said with a helpless smile, "Qing Chen, I am not happy at all. Really.....not one bit."

He bit his lip and his eyes turned a bit red as he felt emotional.

In this year, he had been meekly following Xia Xing Ge, only knowing now how blessed he had been.

In his eyes, Luo Qing Chen was just a small girl who just followed him along. She never had a temper and never caused trouble.

When she was aggrieved, at most she would ask to be comforted.

Him of that time would softly pat her head and looked at her with a very pampering look.

He suddenly missed it.....

No, it should be said that.

He missed it!

“Then I really have to say I’m sorry to you!” Luo Qing Chen crossed her hand at her chest and she revealed a faint smile as he said, “Because I hate happiness!”

“You’re lying——” Gu Liu Sha roared out with a breath filled with alcohol as he looked at her, “Last time we met at Starry Night, the way you looked at me.....it was filled with hope.”

“Ke, ke——” Luo Qing Chen cleared her throat and said with a shrug, “That is a lie.”

As soon as her voice fell, she turned and left the villa without looking back.

She left a stunned Gu Liu Sha standing in place.

It was like his feet were chained with stones and he couldn’t take a single step. But there was a burning look that filled his eyes as it began to spread.

What they didn’t know was that behind the curtains of a certain room on the first floor, someone’s dark eyes narrowed and he was covered in a domineering aura.

He watched the two downstairs while using tweezers to pull the glass shards from his flesh.

But his expression didn’t change at all. Only his brows twitched from time to time and his lips curled in dissatisfaction.

“Kacha, kacha——” Two soft sounds came from the underbrush not far from the back of the villa.

It was like something big was about to happen.

When Luo Qing Chen returned to the room, Mu Hua Nian was standing on the balcony outside sipping at some coffee.

The left hand that had been injured, after using water to wash up, he wrapped it up in tissues.

Looking at it from a distance, she could still see the blood soaking it.

Seeing Luo Qing Chen come in, he stood up straight and took a sip of coffee. He gently moved his left hand as if calling for a certain someone’s.....care.

Without knowing why, he suddenly felt a bit of a crisis. It was like someone with bad intention was stealing his onscreen couple.

Luo Qing Chen knit her brows and walked over to the balcony.

When she arrived, she sat down in front of him and put the bag in her hand on the table, as she said to Mu Hua Nian, “Mister Mu, you really were handsome being a hero saving the beauty.”

After saying this, she took his left hand and unwrapped the bloodstained tissues that were sticking to his bleeding wounds. She knit her brows and said, “Only a hero saving a beauty wouldn’t allow themselves to be hurt!”

She felt a bit irritated. She was clearly saying something caring, but it seemed like she was complaining about him.

As expected, since they became a couple, even their personalities became a bit similar.

Chapter 257: Proud actor emperor's best coupling (Part 23)

"Ke, ke——" It was like Mu Hua Nian ignored her last sentence and only focused on the sentence before it as he responded, "Miss Luo shouldn't fall in love with me, I won't take responsibility."

His eyes narrowed and his lips had a faint smile, as he seriously looked at her.

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

Ah? What was this situation! Why was it that while this man in front of her said he wouldn't take responsibility, his heart actually filled with affection for her!

Really! She never would understand the proud male god's world!

"Mister Mu can be assured." She took out the cotton swabs and carefully applied the hydrogen peroxide to his wound while saying with a smile, "If you fall in love with me, I will take responsibility for you!"

She slightly looked up and matched his eyes, as her heart began to beat faster.

"Ya!" Mu Hua Nian called out and scared her.

"What.....What is it!" She stood up in fright. Her voice was trembling a bit as she looked at him in panic.

"It hurts." He slightly knit his brows and looked at her with proud eyes as he said, "Softer!"

Luo Qing Chen was surprised as she looked at him in disbelief. She slowly sat down and said, "I didn't see you shout this much when you were cutting yourself on glass!"

She just applied some hydrogen peroxide, how could he call out this pitifully!

"Isn't miss Luo busy with your ex? How could you have time to listen to my wails?"

Eh.....What was he saying! Why did he talk about this.....

Luo Qing Chen looked at his face that seemed like he had said the wrong thing and a blush even appeared on his face. She couldn't help revealing a smile as she said, "Are you jealous?"

After that, Mu Hua Nian's left hand quickly came up and grabbed her wrist to pull him to her side. There was an ambiguous mood that filled the air and his deep eyes sparkled as he said with a faint smile, "If I said I'm not, would you be disappointed?"

His eyes and his exquisite features were this close to her.

She felt her breathing stop and her mind instantly emptied. After three seconds, her eyes sparkled as she said with a smile, "If I'm not disappointed, wouldn't you lose even more face?"

"I will." Mu Hua Nian slightly raised a brow as he said, "A person should be more honest."

“Pu——” Luo Qing Chen couldn’t help smiling as she softly pulled back the wrist her left hand was holding. She looked at him with clear eyes and said, “I’ll tell you when the program is over.”

He nodded and didn’t refute her, as he let her wrap up his left hand.

Without knowing why, a warm feeling began to fill his heart. Her wearing this starry dress under the night looking down at him, it really made people want to.....

Take her in their embrace.....and kiss her.....

Thinking of this, Mu Hua Nian’s body trembled. He shook his head and broke his thoughts that turned his head red.

Luo Qing Chen immediately looked up and asked in a nervous voice, “Did it hurt you?”

“No——” He didn’t even think as he responded without any hesitation.

It was like he was afraid that she could see his thoughts and his heart through his eyes.

Without knowing why, a blush filled his face and already spread to his ears, filling him with heat.

[Ding, affection has increased by ten. Mission completion rate is now 50%.]

Ah, finally there was some affection that let her know where it was going!

Chapter 258: Proud actor emperor’s best coupling (Part 24)

Due to Xia Xing Ge being sent to the hospital, Weibo had exploded that day.

The gossip filled the sky and «Entering Love» became the number one searched topic.

In order to keep the popularity high, the program leader decided to air the first episode of «Entering Love» that day.

They never thought that even though they wanted to use Xia Xing Ge to raise their popularity, after the show aired, not a single one of the top five search terms were about Xia Xing Ge!

1: #Luo Mu couple#

2: #Luo Qing Chen#

3: #Mu Hua Nian#

4: #Seven Coloured Champagne#

5: #Proper method of performing the waltz#

.....

In just a single night, it was like Luo Qing Chen and Mu Hua Nian were surrounded by stars as they were propelled to the top.

On the «Entering Love» official site, all kinds of comments came in!

I am a Little Pepper: Brain dead fan of the Luo Mu couple, but why is the crew so unfair in giving them so little screen time! 9999+ likes.

Baby Leaf: Ah! This is a real couple! Other than the Luo Mu couple, why do I feel that all the other three couples are fake! 9999+ likes.

After This Year: Didn't Chu Qing and Nie Jing already get divorced? Damn! Are they acting or was it a rumour about their divorce! 1288 like.

Love Song: Luo Mu! Luo Mu! (Not tiring after a hundred times)! 9999+ likes.

Looking Through Autumn Water: What happened, I heard Xia Xing Ge was injured! 5266 likes.

Little Garden Fairy: No love without Luo Mu! 9999+ likes

White Jasmine: Mu Hua Nian is so handsome! Sparkling eyes! 8569 likes.

That Summer: I've heard that insiders say that Xia Xing Ge stole Luo Qing Chen's boyfriend. 7758 likes.

.....

At the same time, Xia Xing Ge in the hospital watching «Entering Love» tightly gritted her teeth with a fierce expression on her face.

She darkly looked at Luo Qing Chen on the screen and she kept clenching her fist, as her body even unknowingly began to tremble.

Although she only had a few scenes in the show, everyone's eyes were attracted to her.

That included her boyfriend, Gu Liu Sha.

When she jumped out of the box and watched the show from an audience perspective, she could clearly see which direction Gu Liu Sha's sparkling eyes had been looking in.

It wasn't her who was named a film empress, rather it was that little star Luo Qing Chen.

After that, she quickly picked up the phone beside her bed to make herself known on Weibo.

But she didn't know that when she turned it on, she found that people were cursing in her comment area.

Almost an hour ago, someone had posted her actions during the Seven Coloured Champagne scene and showed everyone her pushing Luo Qing Chen.

The video was blurry and faces couldn't be seen, one could only judge based on clothes.

But a large amount of keyboard warriors had posted on her Weibo and even her diehard fans didn't have time to say anything before they were swept away by the internet water army.

“Ding ling——”

“Hey, Qing Ge.”

“Big sister Wang?”

Big sister Wang was a golden agent with 'Starry Night', all the stars under her were first class.

"Have you offended someone you shouldn't have offended lately? Like someone from Phantom Magazine?" Big sister Wang's voice seemed quite stable, since she had a first rate public relations team, so she had protocols in handling emergency situations.

But one could hear a faint anxious tone in her voice since this matter would likely destroy Xia Xing Ge's path to stardom.

"No....." Xia Xing Ge wanted to say no, but after thinking about it, she unconsciously nodded and said, "It seems like I've offended a small journalist from Phantom Magazine. But she is just a small journalist, what could she do!"

"Qing Ge!" Big sister Wang said in a somewhat angry voice, "Do you know that the little reporter you offended was actually the daughter of the Phantom Magazine CEO?"

"He, he——" Xia Xing Ge gave a cold snort, "Truly embarrassing, a daughter is actually a small reporter!"

"Xia Xing Ge!" Big sister Wang was completely angry this time. She normally accepted her, knowing that she spoke arrogantly and didn't really care, but since her resources were good, she rarely spoke up.

But now that such a large matter had occurred and she wasn't anxious at all, she had to become angry!

She angrily roared, "You shouldn't be in the limelight for now, I've already found someone to replace you for all the endorsements and advertisements you've taken! I beg to understand reality, I have stars that are more popular than you under me and I don't need to take the anger you give me, so get yourself together!"

As soon as her voice fell, the dial tone came from the other side of the call.

Chapter 259: Proud actor emperor's best coupling (Part 25)

Xia Xing Ge angrily threw down her cell phone and her eyes were filled with hatred as she said through gritted teeth, "It's all because of you Luo Qing Chen! How could my spotlight be stolen if it wasn't for you! How could I have been injured if it wasn't for you! You just wait!"

After saying this, she got out of bed holding back her anger and picked up her phone, as she called the street thug brother Li.

Destiny would happen in the end because many things had to happen and it couldn't be changed.

On the other side, at the Bali Island villa.

After «Entering Love» had aired, Luo Qing Chen and Mu Hua Nian's cell phones never stopped ringing.

Even You Zi and Wan Zi who let them do what they want immediately flew to Bali Island to handle their public relations from their 'overnight fame'!

Her biggest feeling was: No wonder so many people wanted to use scandals to get fame, this effect is quite clear.

But.....

They didn't hate each other, so they didn't argue at all, alright?

At midnight.

In an office at the top of the villa, five people were sitting around the table.

They were You Zi, Wan Zi, the two main leads, and the director of «Entering Love» director Zhong.

“That, for you two agents to come to the villa this time.....”

“It's about the shots of Qing Chen and Hua Nian, I hope that the director can reconsider.” You Zi was very straightforward. Since she was an agent, getting more resources for their talents was a very normal thing in the business industry.

“Naturally, naturally, I've already told the assistant directors to put them in the main couple position. Their camera time will be five times compared to before on the next episode.” Director Zhong's tone was completely different from the past two days, as his heart was filled with panic. The original popularity of the show depended purely on Xia Xing Ge and Gu Liu Sha.

But now that Xia Xing Ge is in the hospital since she was injured, she definitely wouldn't be able to participate in tomorrow's filming at all. It was a good thing that a dark horse like Luo Qing Chen and Mu Hua Nian had appeared which was considered solving a large problem for him.

“Then we'll have to thank director Zhong first.”

“No need, no need.” Director Zhong looked at Luo Qing Chen and Mu Hua Nian on the couch to the side and said, “You can tell me if you have any requests.”

Luo Qing Chen was lazily leaning on the sofa with a twist braid and no makeup, but still looking beautiful.

Her lips slightly curled and she looked at director Zhong with a smile as she said, “Any requests are allowed?”

“Of course, the program team will do their best to meet your requests in the next week.” Director Zhong responded with an honest nod.

“Un.” Luo Qing Chen gave a thoughtful smile, “That person Gu Liu Sha, I really don't want to see him. Since Xia Xing Ge can't participate anymore, then he.....”

A little female star wanted to delude herself to squeeze out the hottest male lead this year. Luo Qing Chen naturally knew that if Xia Xing Ge was here, this would purely be breaking common practice.

But there was no choice since Xia Xing Ge wasn't here anymore.

Mu Hua Nian heard her words and without knowing why, his heart strangely filled with happiness.

Director Zhong should have some understanding of the relationships of the people participating in «Entering Love». He wanted to use this level of the relationship as a critical point and explode it in time.

But he never thought.....

The air froze for three seconds before director Zhong said with difficulty, “This.....”

“Since director Zhong isn’t willing to make this choice, then there’s no need to say ‘you’ll do your best to fulfill our request’, I will feel uncomfortable.” Luo Qing Chen crossed her arms across her chest as she looked at director Zhong in front of her.

“No, no, no, right now you two are our largest attraction, you will bring in more audience than Gu Liu Sha alone. You can leave Qing Chen’s request to me.” Director Zhong decisively gave her his response.

Everyone was clear in their hearts that Luo Qing Chen was just using Gu Liu Sha to complain to director Zhong.

After all, with Xia Xing Ge not here, it was impossible for Gu Liu Sha to continue participating in this program alone.

This was «Entering Love», it wasn’t «A Single Dog»!

She was just using another method to vent some anger on director Zhong, since this director Zhong had called them disposable ‘foil’ to begin with.

“Peng——” When Luo Qing Chen nodded in satisfaction, there was a large explosion that instantly rang in her ears.

There was someone setting fire to the villa.....

Chapter 260: Proud actor emperor’s best coupling (Part 26)

The explosion was deafening and caused everyone to jump out of their seats.

They were on the top floor. When they pulled open the curtains, they found that the fire was already very big.

This fire probably reached the kitchen and blew up a gas pipe, causing the explosion just now.

Everyone had a panicked look on their faces, except for Mu Hua Nian. He picked up the towel on the table with his quickest speed and poured the mineral water over it before covering Luo Qing Chen’s mouth.

“Wu——”

“Don’t speak.”

The fire spread very quickly and in less than a minute, the top floor conference room was filled with thick smoke and the hallway was filled with flames so they couldn’t go out.

Mu Hua Nian took her hand and moved to the southernmost window. There was the backdoor of the villa under the window and the fire hadn't spread there yet.

"This.....You wouldn't be wanting us to jump down, right!" Director Zhong quickly followed with You Zi and Wan Zi following him.

Mu Hua Nian knit his brows. It was indeed a bit dangerous with this angle. This villa was not a normal residence, in order to keep out thieves, the walls were very smooth and there weren't any handrails.

The only method was to make a rope with their clothes. One person would stand at the top holding the rope while everyone climbed down first.

After Mu Hua Nian said this was the only method, director Zhong immediately took off his shirt, "Quick, quick, quick, I'm first, you can all follow after."

.....

"Quickly, what are you doing?" Seeing that everyone was stunned, he quickly put his shirt in Mu Hua Nian's hand and moved to the window.

Mu Hua Nian slightly knit his brows, but this matter was anxious and for someone who was scared of death, it was impossible for him to disregard life and death.

"Alright, stop worrying and quickly tie the rope." Luo Qing Chen knit her brows. She had the same idea as Mu Hua Nian, they couldn't argue who would be first right now, they had to quickly leave this place.

After five minutes, everyone had tied the 'rope' and director Zhong was the first one down. Although he slipped in the middle and almost fell down, there was no danger in the end.

He reached the ground and ran off, not leaving a single trace.

"Coward, I definitely won't work with him in the future!" You Zi gritted her teeth as she angrily said this!

Luo Qing Chen also thought of one thing: Trash!

"Big sister You Zi, you go down first." Luo Qing Chen looked at Mu Hua Nian and she panicked a bit.

If everyone could safely go down, the final person could only go down relying on themselves.

Even ignoring the pressure, this was very dangerous.....

You Zi looked at Luo Qing Chen with complicated eyes. In this moment of life and death, giving up even a second was a very large matter."

"Alright." You Zi nodded and quickly tied the rope around her. Wan Zi and Mu Hua Nian tightly held the rope and slowly lowered You Zi down.

After You Zi was on the ground, Luo Qing Chen pushed Wan Zi and tied the rope around his waist. Then she turned to say to Mu Hua Nian, "Let him down first."

Mu Hua Nian knit his brows and his figure trembled. He looked at Luo Qing Chen like he could see through her.

But her thoughts were just to stay with him until the final moment.

After three seconds, Mu Hua Nian nodded and prepared to slowly let Wan Zi down.

Luo Qing Chen stood in front of the window and looked at the sea of flames outside the room. Her fingers couldn't help trembling.
