

Quick T 2511

Chapter 2511: God! Mary Sue world (Part 53)

Although Ye Nuan Yang was a lively person, the scene at the platform was the saddest moment in her life.

She had used her entire youth to love a person, but she had never been able to walk into this person's life.

The loneliest scene in the world was you watching the scene from under the bridge and me watching you from the bridge.

Although Qiu Kai's acting was considered alright, these aggrieved small actions made people feel that it was a bit fake.

Director Li also knitted his brows with a serious look before shaking his head, "Knock her off!"

"Understood!" The assistant replied, "Director Li, that was the last one. There's a total of six people on the short list and twenty one people have been eliminated."

"Un." Director Li nodded before turning to Luo Qing Chen beside him, "Qing Chen, which one of these six do you think are good?"

To be honest, when director Li said this, everyone's eyes fell onto Luo Qing Chen.

The bet on Star Group's twentieth floor was still in everyone's mind and now at two in the afternoon, the bet had become a joke.

"Director Li, is this a joke?" Ye Su couldn't help saying, "How could this little girl decide such an important role? Not to mention that she lost the role of "Youth's" female lead?"

Ye Su knew that saying these words would make people think that she 'would say that the grapes were sour without eating them'.

But she couldn't do anything else. If she didn't say anything now, she really would lose.

Everyone knew that Ye Nuan Yang was the most important supporting role out of the ones that director Li was choosing today.

So even if Luo Qing Chen had a certain supporting role, it wasn't a main supporting role.

So as long as Gu Fan Fan or Qiu Kai got the role of Ye Nuan Yang, then she wouldn't lose her bet with Luo Qing Chen.

"You are?" Director Li Yuan's face instantly turned dark.

What he hated the most in his life was people who talked too much. If their artists didn't have the skills to play the role, they would do all they could to slander others.

In his eyes, this kind of person would never become famous.

“Hello director Li, I am part of Star Group’s talent management team. My name is Ye Su.” Ye Su calmly said, “I feel that letting someone who is in a supporting role decide this important supporting role isn’t very fair for many people.”

Ye Su didn’t seem to hear Li Yuan’s cold snort as she continued, “Look, look, there are many more people suited to making the most out of this script. Since it’s like this, I feel that it’s better to be more fair.”

She thought that when she said these righteous words, there would be others who would support her. But she never thought that a single person would speak.

After a while, director Li Yuan coldly looked at her and said, “Are you done?”

“Ah!” Ye Su was surprised before quickly saying, “Yes.....I’m done.....”

This was her first time speaking to director Li Yuan. This eccentric director rarely contacted any agents and was very cold.

So since this was the first time, Ye Su was clearly a bit nervous.

“First, there’s one thing that I want to correct.” Li Yuan’s heavy voice rang out through the room.

“Please.....Please speak.”

“Qing Chen isn’t in a supporting role, she will be playing the female lead of “Time”, Mu Chu Xia.”

Chapter 2512: God! Mary Sue world (Part 54)

“Si!” Everyone around took a cold breath as they looked at Luo Qing Chen in disbelief.

At that moment, even sister Mi’s mouth dropped wide as she revealed a stunned look.

No one would have thought that there was a female lead at this audition for supporting roles in “Time”.

Mu Chu Xia, Mu Chu Xia, Mu Chu Xia.....

When “Time” was announced three months ago, there were many first and second rate female stars that offered to play this role.

But Li Yuan was eccentric and he never needed to explain his male and female leads to anyone, nor did he need to say anything.

His decision was the final decision, no one could refute it.

Li Yuan never would have thought that a Ye Su would come out to challenge his decision!

After half a second of silence, the room exploded.

“God! Qing Chen is cast to play Mu Chu Xia?”

“Damn, damn, damn! This is simply too stunning! It turned out that Qing Chen didn’t come here to audition for a supporting role, she was already in the lead role!”

“Damn! Isn’t this too much of a slap to the face! If I were Ye Su, my face would be stinging right now!”

“Ze, ze, ze, it’s no wonder Luo Qing Chen dared to make such a big bet! She was already prepared!”

.....

Hearing the gossip around her, Ye Su’s legs turned soft and she stumbled back before almost falling down.

How could this be possible?

How could this be possible?

How could this be possible?

How could Luo Qing Chen be the female lead? An actress that couldn’t even get the female lead of “Youth” possibly become director Li Yuan’s female lead?

“Luo Qing Chen, you plotted against me!” Ye Su roared out with a face flushed with rage. She looked at her and said, “You knew and you still made a bet with me, just how despicable are you?”

“Ze, ze.” Luo Qing Chen stood there with her back behind her hands. She shook her head with a cold laugh, “Getting angry out of shame, that’s not what agent Ye Su who came to my office this morning said!”

Since they were the ones that said it, they would have to bear the consequences.

“I.....” Ye Su was stunned. She wanted to say something, but it got stuck in her throat.

All the people around looked at her like they were watching something entertaining and not a single person spoke up for her.

At this time, the so called heroine with the ‘Mary Sue’ aura came out.

“Miss Luo, you can’t be like this. This circle is already very hostile.” Gu Fan Fan patted Ye Su’s back before looking at Luo Qing Chen to say, “Why are you so proud?”

Ze, ze, ze, Luo Qing Chen couldn’t help muttering to herself: The Mary Sue really is amazing, she will always have a way to deal with ‘great hatred’ and stand on the peak of morality.

They thought that they would be the righteous heroes, but actually.....they were just speaking from a perfect point of view as if these things didn’t happen to them.

Facing this kind of person, Luo Qing Chen would only use a single method.

Which was the most direct method.

“Gu Fan Fan, how did you take the role of Xia Qi Qi from me? My hand still has the burn scar from your coffee, did you forget?”

Everyone suddenly turned their gaze to Gu Fan Fan.

This ‘kind’ and ‘righteous’ person who always stood on the moral high ground had suddenly changed into something else.

“Don’t twist facts!” Gu Fan Fan gritted her teeth and said, “It’s one thing for me to accidentally splash coffee on you, but me taking the “Youth” female lead role is something else.”

“Right! I just want to emphasize one fact.” Luo Qing Chen immediately said, “A bet is a bet, please respect the facts.”

Chapter 2513: God! Mary Sue world (Part 55)

“Alright!” Gu Fan Fan took a deep breath before biting her lip to say, “I will take the bet between you and sister Ye Su, there’s no need to be this aggressive.”

Luo Qing Chen couldn’t help giving a cold laugh deep down. Actually, this situation separated a white flower and a Mary Sue.

Normally speaking, a white flower would definitely use rhetorics to separate themselves from this person so they wouldn’t get involved in this dispute.

But the Mary Sue was different. She would use a different kind of justice to make everyone like her.

To be fair, Gu Fan Fan’s actions really were quite good.

But what she didn’t like was that this was based on the ‘sacrifice’ of others.

A Mary Sue had a Mary Sue’s pride. She wanted to be the center of attention. If she didn’t want to, she wouldn’t have been able to accept the female lead role in “Youth” so easily.

Luo Qing Chen knew that she really wanted this role deep down.

“Since miss Gu is speaking such righteous words, I have a question.” Luo Qing Chen raised a brow and revealed a cold smile, “If I lost the bet, would you tell agent Ye to not be this aggressive!”

Gu Fan Fan was stunned. She wanted to refute her, but she could only say ‘you’ a few times before not being able to say anything else.

A few seconds later, she pulled out a reason and stuttered as she said, “If....If you lost! Sister Ye Su would have pretended like this bet never existed. But everyone is competitive and don’t care about the feelings of others! So selfish!”

“Pa, pa, pa, pa.” Luo Qing Chen couldn’t help clapping after hearing this before saying with a smile, “It sounds really good, but.....”

Luo Qing Chen wanted to properly scold this Mary Sue, but she never thought that the bystanders couldn’t take it anymore.

Of course, there were many people who were dissatisfied with Ye Su.

“So what? This is the entertainment industry and not a charity. Are people who don’t protect Gu Fan Fan considered aggressive?”

“Right! A newcomer who doesn’t understand anything is saying that Ye Su will be magnanimous and pretend nothing happened. I’m afraid that you don’t know how agent Lin Lin left Star Group back then!”

“Isn’t that so? Lin Lin was a first rate agent for Star Group at the time and she said that Ye Su forced her to leave, right?”

.....

The whispers were like stones that fell onto someone’s heart, making Gu Fan Fan’s cheeks flush with shame.

Although she stumbled along in life, when something big happened, the god of luck would always be on her side.

As long as you prayed sincerely, everything would turn around.

She felt that she had an inexplicable aura that was blessing her at all times.

When she bit her lip and her tears were about to come out.

There were the sounds of texts that rang out in the hall.

Everyone looked at their phones and then looked at Ye Shi Liang sitting not far away on the couch with looks of shock.

When everyone looked at him, Ye Shi Liang was surprised before knitting his brows.

Normally speaking, it was a big deal in the entertainment industry when news was directly sent to the agents.

Moreover, it would be some kind of explosive news.

Chapter 2514: God! Mary Sue world (Part 56)

Everyone suddenly turned their attention to Ye Shi Liang, which let Ye Su’s group let out a sigh of relief.

Gu Fan Fan’s expression became much better. As expected, when she was in trouble, she felt that she would always be lucky.

It was as if she drank a luck potion and it was glowing over her.

Jin Yi Xuan standing beside her slightly knitted his brows as he revealed a deep look.

Gu Fan Fan let out a long sigh of relief before pulling at his sleeve to ask, “Did something happen?”

“I don’t know.” Jin Yi Xuan shook his head, “But it doesn’t feel like a good thing.”

How could it be a good thing? Ye Shi Liang “doing drugs” with his foreign friends had just been anonymously exposed.

In the entertainment industry, there wasn’t anything that could be kept secret.

Only Ye Shi Liang could be blamed which made him panic.

He didn’t know why. Was it because of Luo Qing Chen?

Perhaps or perhaps not. In short, he felt that his vanity couldn't be satisfied this time.

At the same time, Luo Qing Chen took sister Mi's phone as she looked at the news with knitted brows.

There were a total of ten pictures and it was in a certain bar. The people who passed by all had blonde hair and blue eyes, so one could tell that it was a foreign bar.

Each picture had a focal point and that focal point was Ye Shi Liang.

These ten pictures weren't clear. Although it was blurry, this person should be Ye Shi Liang.

The entertainment industry was like this. Once a photo was released, after the process, it would have a great effect on a person.

This should be Ye Shi Liang being targeted by someone. Right now the supporting roles of "Time" were being chosen and they were about to start filming.

For this news to come out at this time, whether Ye Shi Liang 'did drugs' with these foreign friends or not, he couldn't wash it clean in the short run even if he jumped into the Yellow River.

Not only that, if he didn't take care of his PR properly, this negative news could hit him like a flood.

In order to get sales, entertainment magazines would often exaggerate and slander.

"It's not like this!" Ye Shi Liang was a bit panicked. He blurted this out immediately as soon as he saw the picture on his agent's phone.

But if one carefully thought about it, it was normal for him to panic like this.

After all, Ye Shi Liang could be considered a newcomer and after so many years of struggling, he had become a popular new star. When the filming of this popular drama was about to begin, for this kind of negative news to come out, it was a fatal blow for him.

His agent Lin Jing Jing quickly took his shoulder and shook her head, "Director Li, other than some troublesome things, I think that we have to go back and discuss some PR measures."

"Un....." Director Li nodded with knitted brows, "It is like this, but "Time" is about to start filming tomorrow and I've already set up the venue and the actors."

Director Li naturally cherished talents, but he was 'famous' in the entertainment industry and didn't associate with any cases of 'drug use'.

Lin Jing Jing naturally understood this and as long as this matter was clear, there would still be a chance to act in the director's projects in the future.

But if they discussed terms with director Li now, it would be more disadvantageous for Ye Shi Liang who had this bad news come out about him.

Lin Jing Jing thought about it before taking a deep breath, "How about director Li choose another male lead? Shi Liang doesn't have the blessing to play this role this time."

Chapter 2515: God! Mary Sue world (Part 57)

“Sister Jing Jing.....” Ye Shi Liang bit his lip as an awkward look appeared on that handsome face.

He wanted to play this role, not just because of the good script and because of how popular director Li was.

Rather.....it was to play a couple with Luo Qing Chen!

When he first debuted, he already liked Luo Qing Chen. He worked hard and got some fame, becoming friends with her at a certain audition.

But the two never had a chance to cooperate.

But this was a once in a lifetime opportunity for him. If he missed this, he wouldn't have a chance!

“Don't say anything.” Lin Jing Jing scolded him in a serious low and angry voice. Then she turned back to director Li and said, “I hope that director Li will still give our Shi Liang a chance next time. If director Li still hasn't found a suitable male lead after this matter has been cleared, I hope that Shi Liang will have the honour of working with you again.”

Lin Jing Jing naturally knew that Ye Shi Liang being able to star in director Li Yuan's “Time” and as the male lead was a once in a lifetime opportunity.

She didn't want to give this up, but she also knew that the person in the picture was indeed Ye Shi Liang.

And the foreign friend of Ye Shi Liang was his half sister from a different mother.

This was a family matter and Lin Jing Jing didn't know everything. She just knew that Ye Shi Liang had this little sister and she was a half blood.

Because her mother was British.

So the picture was without a doubt real which made this even more tricky.

If the picture was fake, they could send out a PR article and file a defamation lawsuit to take the other party to court, quickly settling this matter.

But if this picture was real, then this matter couldn't be solved quickly.

For their long term interests, Lin Jing Jing could only give up this opportunity to leave a good impression on Li Yuan.

This would pave the way for future opportunities.

“Good! It's an honour!” Li Yuan nodded before saying with a sigh, “This matter really is a bit tricky!”

“Yes!” Lin Jing Jing knitted her brows and said, “Then we will be leaving first to take care of this. Everyone can keep working.”

“Take care.”

“It's fine, it's fine! I've also received this kind of slander before, you just need to clarify it.”

“Yes! Sister Jing Jing, take care.”

.....

The other colleagues comforted them before sending Ye Shi Liang and Lin Jing Jing off.

Ye Shi Liang had turned to look at Luo Qing Chen when he left. It was a complicated look that was filled with reluctance.

Jin Yi Xuan had also seen this gaze.

He gave a cold snort before thinking: Ye Shi Liang, ah Ye Shi Liang, you can only blame yourself for being so arrogant. You dare steal my fiancée, are you satisfied with this ending?

Actually, Jin Yi Xuan knew that he hated Ye Shi Liang because of Luo Qing Chen. Even if he didn't want to admit it, it was a fact.

Yes! He didn't like Luo Qing Chen, he just thought that it was a marriage filled with benefits.

He liked romantic fairy tales, he liked the strong Cinderella.

Which was why his heart had been moved when he first saw Gu Fan Fan.

But that didn't mean that others could take Luo Qing Chen!

In Jin Yi Xuan's eyes, he wasn't just an aloof star, he was also a rich young master.

He could throw away things that he hated, but that didn't mean that things could throw him away!

Humph! Want to fight him? Bring your skills!

Taking one down if one came, taking two down if two came!

Chapter 2516: God! Mary Sue world (Part 58)

“Director Li, should we screen for the male lead Li Si Han from the shortlist?” The assistant asked this very serious question in a low voice.

Li Yuan knitted his brows, looking very unhappy.

His male lead was his male lead in his eyes, there were no other choices.

If it was a second choice, then he wasn't good enough. Since he wasn't good enough, then that means that he wasn't qualified to play Li Si Han.

Jin Yi Xuan standing not far away recognized director Li Yuan's dilemma and after clearing his throat, he came forward and boldly recommended himself, “I don't know what kind of outstanding actor the director needs, but I can give it a try.”

To be fair, the moment that Jin Yi Xuan came out, Luo Qing Chen's stomach felt like hurling.

Are you sure you're not kidding? Playing a couple with Jin Yi Xuan!

Damn! This treasure can't even eat dinner after seeing his disgusting face, alright?

At the same time, Gu Fan Fan was surprised. Her face turned pale and she had an indescribable feeling.

Actually, she was already Jin Yi Xuan's girlfriend, so she naturally knew that Jin Yi Xuan and Luo Qing Chen had been engaged before.

But Jin Yi Xuan told her that this was a marriage forced by his family and he wasn't willing.

This matter was already over and they had broken up the engagement.

But she was a girl after all and she was inevitably unhappy about the three words 'Luo Qing Chen'.

At this time, Jin Yi Xuan came out to recommend himself and he wanted to play the male lead role of "Time", Li Si Han.

Everyone knew that youth films were filled with emotions and there were quite a few kissing scenes.

"You want to play the male lead?" Li Yuan knitted his brows as he had a questioning tone in his voice.

"If the director allows it, I can try auditioning." Jin Yi Xuan was very good at speaking, he even knew how to say things in a way that people couldn't reject him.

But that this time, Ye Su narrowed her cold eyes as she started adding 'oil and vinegar' to the pot.

"Some people really are the nemesis of "Time"! Just as soon as the female lead is announced, such a large matter happens!"

She didn't forget to wink at Qiu Kai beside her.

Qiu Kai immediately said, "Right! I feel that director Li should think more about the choice of female lead since "Time" and "Youth" are on the same stage. You don't want this script that has all these stars to be incomparable to "Youth" with our Fan Fan."

Gu Fan Fan who had just been standing there added, "I won't make comments. In short, the heavens have eyes and people are watching."

"I say, you people, can you not be so sour with your voices? It's disgusting." Sister Mi couldn't take the cynical tone of the other side and refuted them.

Luo Qing Chen didn't reply. Why did she feel a strange sense of nervousness surrounding her?

Li Yuan was silent after hearing this before taking out his phone to send a text to a certain someone.

It was just a few words, but he immediately got a response from the other side.

(Young master, the ex-fiance of the girl that you care about is here to steal the role of 'Li Si Han'! ——Li Yuan)

Perhaps others didn't know about the relationship between Li Yuan and Gong Yu Bai, but they were not just friends.

Before Li Yuan became a director, he was their family's butler.

So he didn't even need to see Luo Qing Chen and he could hand the female lead role to her.

After all, he had never seen their young master speak up for any girl before.

(I know about the Ye Shi Liang matter. Even without this, I wasn't planning on letting him play the male lead. But Jin Yi Xuan, is he worthy? ——Gong Yu Bai)

(Then.....Then you have to find me a male lead! The female lead is someone you admire, so it's hard for me to find a male lead! ——Li Yuan)

(It's not hard, I've already thought of one. ——Gong Yu Bai)

(Who? ——Li Yuan)

(Me. ——Gong Yu Bai)

Chapter 2517: God! Mary Sue world (Part 59)

Li Yuan almost dropped his phone as he looked at Luo Qing Chen with a terrified look.

Luo Qing Chen saw this doubtful gaze and first blinked before blinking again.

She could naturally tell that director Li's eyes were a bit strange, but she didn't know what happened.

Until he turned to Jin Yi Xuan and slowly said, "This.....As a director that cherishes talent, I should give you a chance to audition, but....."

"But what?" Jin Yi Xuan could tell that the director was about to reject him and he strangely felt unhappy.

Properly speaking, other than Ye Shi Liang, he was the only other popular star this year.

Although there were many famous actors, in his eyes, he was the only one that could play 'Li Si Han'.

"But I've already chosen someone." Director Li Yuan's first words stunned everyone here.

After all, Ye Shi Liang was Li Yuan's first choice for male lead.

If he couldn't play the role, then the opportunity should be given fairly to others.

Jin Yi Xuan's expression wasn't that good. Even if Gu Fan Fan beside him kept pulling on his sleeve, he couldn't stop himself.

"Director Li, there's something that I don't know if I should say."

"Say it."

Li Yuan already felt that Jin Yi Xuan wasn't pleasing to the eye. He was narrow minded and with his high status in the entertainment industry, it was impossible to let others refute him like this.

Especially this kind of popular new star. A skyscraper without foundations could easily topple.

But in front of all these people, it was impossible for him not to let Jin Yi Xuan speak.

“I’ve read Origami’s book many times and I have a deep understanding of the role of ‘Li Si Han’. As well, I feel that my popularity is very suited for this kind of role.” Jin Yi Xuan expressed all the grievances and anger in his heart with these words.

He thought that director Li Yuan would be moved by these words. Although his words were a bit exaggerated, he at least felt that there weren’t many people who could play this role other than him.

Of course, he couldn’t help thinking of the kissing scenes between the male and female lead.

Luo Qing Chen had been cold during this time, playing hard to get.

In this world, the more proud a person was, the stronger their obsession.

In his eyes, he could throw away Luo Qing Chen, but Luo Qing Chen couldn’t throw him away.

If he really got the role of male lead in “Time”, then with all those kissing scenes, he didn’t believe that she wouldn’t fall in love with him again.

“I don’t think so.” Li Yuan narrowed his eyes to look at him, “There’s someone more suited for this role than you.”

It was probably because of how certain Li Yuan seemed that everyone started to speculate.

“Who is the director talking about! I’m suddenly very curious!”

“It can’t be Chen Dong, right! The new star in the music world!”

“It can’t be! Chen Dong is a bit older and the role of Li Si Han has to be played from junior high! I feel that it’s impossible!”

“Wan Wan? He’s famous this year because he played the second male lead in that youth film.”

“That’s not possible. Although I don’t like Jin Yi Xuan, at least Wan Wan’s popularity isn’t as high as his.”

Chapter 2518: God! Mary Sue world (Part 60)

After hearing this gossip, Luo Qing Chen fell into thought.

In the entertainment industry, there were many people suited for the female lead of “Time”, but there weren’t many suited for the male lead role.

“Di, di, di.”

Her phone vibrated as Gong Yu Bai sent her a text.

(What do you want to eat to celebrate tonight? —Gong Yu Bai)

Luo Qing Chen was surprised. The atmosphere was this tense and then without even asking her about it, he wanted to have a celebration meal!

Celebrate what?! Ye Shi Liang had gotten caught in a scandal, what would they do about the male lead?

(Not in the mood! (?。 ?) —Luo Qing Chen)

As soon as she pressed the send button, Jin Yi Xuan standing not far away spoke again.

“Then can director Li tell me who the person in your heart is?” Jin Yi Xuan gritted his teeth and said, “I only want to know what’s wrong with me that I don’t even have a chance to audition.”

These righteous words that had power behind them.

For Jin Yi Xuan, to achieve his goal, he could sacrifice himself.

Not to mention that everyone’s voices also entered his ears. There were indeed some people that were more famous than him, but that didn’t mean that they were more suited for “Time” than him.

“This.....” Li Yuan was about to say that person’s name when the door to the VIP audition room suddenly opened.

There was a cool glow that came in, as well as a young man standing in the light.

He was wearing a white dress shirt with the sleeves casually rolled up. It was simple and gorgeous, as well as having a bit of indescribable sexiness. The light behind him perfectly highlighted his absolute beautiful face.

It was as if just by casually standing there, every gesture of his would have a noble aura that no one could resist.

[Ding, affection has increased by twenty. Mission completion rate is now 60%.]

When the affection notification appeared in Luo Qing Chen’s mind, she found that her heart was beating controllably fast and even her hands were covered in sweat.

The entire VIP audition room fell into a short three second silence before everyone’s eyes fell onto Gong Yu Bai.

Three seconds later, it exploded.

“My god! Yu, Yu, Yu.....God Yu!”

“This old woman’s heart, god Yu actually came to Star Group! Wa, wa, wa! This is even more exciting than choosing the supporting roles for “Time”!”

“Me too, me too! This was definitely worth it to come!”

Amidst all these remarks, one person’s remark hit the nail on the head that caused everyone to fall silent.

“It can’t be that god Yu is the choice that director Li mentioned for the male lead of “Time”, Li Si Han, right!”

When this was said, Jin Yi Xuan’s eyes popped out wide as he looked at Gong Yu Bai in disbelief.

How could it be possible! How could it be possible! How could it be possible!

How could the legendary nation’s male god come to this kind of youth drama! It was impossible no matter how you looked at it!

But Gong Yu Bai appeared here and.....

He walked towards Luo Qing Chen step by step.

Director Li Yuan's lips curled as he stood up to look at Gong Yu Bai and said, "You're finally here."

"Un! There was a bit of traffic on the way." Gong Yu Bai replied before his eyes fell onto Luo Qing Chen, "Why aren't you in the mood for a meal?"

"Si!" This very normal comment from Gong Yu Bai made everyone take a cold breath.

What was this situation?

Did Gong Yu Bai really know Luo Qing Chen?

Could it be that the article in the news today was true?

Chapter 2519: God! Mary Sue world (Part 61)

"Ke, ke....." Li Yuan cleared his throat and brought the conversation back. He looked at the completely stunned Jin Yi Xuan and said, "God Yu is the one that I feel is more suited to playing the male lead of "Time", Li Si Han. I wonder if you think that this choice is suitable or not?"

"I.....I.....I....." Ji Yi Xuan said "I" three times in a row before not saying a thing.

He was completely suppressed by Gong Yu Bai's powerful aura. His words were stuck in his throat and he couldn't say a thing.

It wasn't because it was too scared to speak, but because there wasn't anything that he could refute this with.

The other side was god Yu!

This was the most mysterious man in the entertainment industry. He became popular all over the world with a single disaster film. He didn't participate in any variety shows, rarely appearing on camera, but his fans had surpassed ten million!

Against this kind of man, what could he use to compete?

He couldn't beat him, he couldn't compare at all. Whether it was his fame or popularity, he couldn't compare.

But he couldn't understand, why would this person at the peak who could shoot an international blockbuster come and shoot this long youth drama?

Because of.....what?

Was it.....Luo Qing Chen?

"This is god Yu?" Gu Fan Fan stared at Gong Yu Bai without turning in a daze.

This was her first time seeing this son of heaven and her face couldn't help turning a bit red.

Beautiful, truly beautiful. He was like a youth that came out of a painting, it was impossible to describe his beauty.

She should work harder so she could become the one that stood by his side.

“Yes, yes!” Qiu Kai on the side was also excited as she said, “God Yu, god Yu!”

With such a powerful aura, Luo Qing Chen felt a bit awkward.

It was as if as long as Gong Yu Bai stood there, everyone’s eyes would turn to him.

Seeing that she didn’t respond, Gong Yu Bai said with a smile, “What do you want to eat that takes this long to think about?”

Actually, when he said these words, he would look at Jin Yi Xuan from time to time.

What kind of person was Gong Yu Bai, there was someone that actually dared to steal the one that he liked. What made him even angrier was that this person had once belonged to him.

He didn’t like to slap faces, but when he really did it, no one could stop him.

“No.....” Luo Qing Chen shook her head and muttered, “Are you really filming a youth drama! Why do I feel that it’s a bit overkill?”

This was Gong Yu Bai! The nation’s male god in the hearts of the fans!

Let alone a youth drama with kissing scenes, even a platonic youth drama would be explosive news.

“What? Could it be that miss Luo Qing Chen wants Jin Yi Xuan as the male lead?” He looked at her with a faint sparkle in his deep eyes that were so dazzling.

His voice was low. Although the others couldn’t hear what they were whispering, based on their small expressions and eye contact, everyone could tell that they were close.

Moreover.....they were very close.

“Of course not!” Luo Qing Chen bit her lip and said, “If he’s the male lead, I would quit!”

So arrogant, so willful!

Although it was said that one must have professionalism as a professional actor, she would rather die than kiss Jin Yi Xuan’s face!

“Relax!” Gong Yu Bai saw her puffed up appearance and raised his right hand to pat her head, “As long as there’s a Luo Qing Chen series in the future, there will be a Gong Yu Bai.”

Chapter 2520: God! Mary Sue world (Part 62)

Luo Qing Chen had thought that Gong Yu Bai was speaking casually, but she never thought that Gong Yu Bai would take it as a vow in his heart.

Jin Yi Xuan saw the interaction between Gong Yu Bai and Luo Qing Chen and it felt like there was a stone being pressed on his heart, making him unable to breathe.

He thought if he were to compete with Ye Shi Liang, he definitely wouldn't lose.

But now the one he was facing was Gong Yu Bai.....

This explosively popular man that had fans everywhere.

How could he compare?

Actually, he wasn't reconciled. After Luo Qing Chen threw him away, she got together with such a famous person.

What about him?

After leaving Luo Qing Chen, he was holding hands with this unknown girl.

That vanity in his heart haunted him, making him feel very unsettled.

"Ke, ke, ke....." Li Yuan saw people taking out their phones to take photos and the discussions were becoming more intense, so he cleared his throat to say, "The male lead of "Time" has been set as god Yu and I'll have the assistant announce the choice for the supporting female leads. Let's end it here today, thank you everyone."

For that entire afternoon, there were many climaxes in the Star Group VIP audition room, but no one could guess this ending.

Like when Li Yuan announced that the male lead would be Gong Yu Bai, Ye Su's eyes rolled back in rage and she fainted.

Not to mention that Luo Qing Chen was already a popular star, then adding in someone with explosive popularity like god Yu.

If "Time" and "Youth" were broadcast at the same time, the latter couldn't win.

In addition to this morning's bet, Ye Su was the complete loser, so she was rushed to the hospital after fainting from her anger.

—

When they walked out of Star Group, there were many reporters standing outside.

Luo Qing Chen gave a shrug and said with a helpless smile, "As expected of god Yu."

"What is that smile for? Are you mocking me?" Gong Yu Bai looked down at her, "What do you think will happen if I walk out holding your hand?"

She wanted to argue back at first, but Luo Qing Chen jumped back when she heard the latter half. She looked at Gong Yu Bai with a solemn look and said, "It was a tone of worship! There definitely was no mocking at all!"

If Gong Yu Bai really held her hand as they walked out, her Weibo would definitely be raided tonight.

The drama hadn't even started filming, she didn't want to be pushed into the spotlight yet.

Gong Yu Bai saw her pursed lips and blinking eyes and he couldn't help revealing a faint smile, "Can you not be this cute?"

[Ding, affection has increased by ten. Mission completion rate is now 70%.]

"What cute!" Luo Qing Chen pursed her lips and awkwardly looked aside.

Gong Yu Bai looked at her with praise and a hint of pampering in his eyes as he softly said, "Relax! It's not suitable to announce our relationship at this time."

He didn't care about what nation's male god, he would rather be the best ship with someone.

"Our.....relationship?"

What relationship was there, could someone tell her!

"Is miss Luo Qing Chen planning on not taking responsibility?" Gong Yu Bai's beautiful eyes narrowed to look at her, "Then I will walk out holding your hand."

"You....." Luo Qing Chen was dumbfounded when she heard this. She felt like she had fallen in a deep pit.

"I'll do it!"

"Don't, don't, don't....." Luo Qing Chen quickly took a step back before clearing her throat to say, "I'm just teasing you! Of course I know what our relationship is!"
