Chapter 2531: God! Mary Sue world (73)

“Then what about paparazzi?” Ye Su angrily said, “What if she encounters paparazzi? Fan Fan is currently being besieged by everyone, can you bear to see her making the headlines tomorrow!”

As her good friend, she had to stand up for her.

“Paparazzi?” Jin Yi Xuan shook his head with a bitter smile, “It’s been a long time since there have been paparazzi by my house! There would be some that would come when I was still single and I would make the hot searches from time to time, but now.....”

The two hot names on the trending searches, one was Gong Yu Bai and the other was Luo Qing Chen.

To Jin Yi Xuan, those two names were so dazzling that he didn’t dare look at them.

“What’s wrong with you!” Ye Su stomped her foot before running off to look for Gu Fan Fan.

There was only him and Xiao An left in the room. Xiao An gave a deep sigh before patting his shoulder, “Is it regret?”

“I.....”

“Don’t say anything.” Xiao An saw his complicated look, “Brother understands you. How about we use a special method to get Luo Qing Chen back!”

Xiao An and Jin Yi Xuan had known each other for many years. Jin Yi Xuan was able to debut because of Xiao An.

At this point, the advice of a brother was the most moving!

“But that Gong Yu Bai also likes her, I’m afraid that I don’t have a chance.....” Jin Yi Xuan was very sad, like he regretted that he made the wrong choice back then.

He really thought that Luo Qing Chen was only a match that his parents forced on him, he never thought that she would be that dazzling.

Whenever he saw her picture in the headlines, she would feel that she was dazzling.

He had thought that Luo Qing Chen was just playing hard to get and would reveal her true nature.

But as time passed, he found that he lost all methods to contact her. Whether it was by phone, WeChat, QQ, or even MSN, she had blocked him.

Just like a gust of wind, she disappeared from his world.

“But she’s a woman! She will always miss the one she loved first and the one she loves the most has to be you.” Xiao An said in a firm voice, “I feel that you definitely have a chance, but it just depends on if you’re willing or not.”

“What should I do?” Jin Yi Xuan scratched his head in an irritated manner, “I can’t even get close to her now. When I came home last night, I wanted to have my family reach out, but my parents told me that the Luo Family had already decisively cut off all contact with them.....”

Because the engagement between them was broken, the relationship between the two families had become very strained. Not only was it tense, it had reached the point where they longer contacted each other.

His parents blamed him because Luo Qing Chen had always liked him when they met. Always trying to make him happy, always trying to follow him.

He always ignored her and didn’t put her in his heart at all.

The two families understood this kind of interaction.

So when Luo Qing Chen wanted to break the engagement with him, the elders of the Luo Family almost instantly agreed.

His parents felt they had wronged Luo Qing Chen and didn’t refute it.

His heart had been on Gu Fan Fan back then, but now he felt that his heart had become this irritated after a few months.

It was like eating a fly and being unable to spit it out, he could only swallow it.....

Xiao An saw his sad expression and directly gave him advice, “Girls always like heroes who save beauties the most. I know a few people on the road, so how about you put on a show and then save her?”

Chapter 2532: God! Mary Sue world (74)

“Can we really?” Jin Yi Xuan looked at Xiao An with an excited look, “I remember that Qing Chen is very timid. I used to use wild dogs to stop her from following me before.”

Thinking of it now, he was strangely filled with regret and his chest felt blocked.

If he could do it over again, he didn’t think that he couldn’t beat Gong Yu Bai.

“That’s it!” Xiao An waved his hand, “Relax, little girls are afraid of thugs and even a knife will scare them until they faint.”

“But.....” Jin Yi Xuan knitted his brows, “I’m not that good at fighting, what if they.....I’m afraid that I can’t fight them off.”

He didn’t want to get hurt chasing a girl. The person that he loved the most in this world was himself.

“Relax! Don’t worry about a thing!” Xiao An laughed as he said, “It’s all a play, so if you just push them, they’ll fall to the ground! Don’t perry, you just have to wait for a day when your ex-fiancee goes out alone.”

“Alright!” He said with a nod, “I will definitely work hard!”

“You really have to work hard!” Xiao An looked at Gu Fan Fan who was slowly being brought back by Ye Su, “Otherwise your future career will be affected! I really can’t stand your girlfriend. Big brother will leave first. Let me know when the time is right and I guarantee that everything will be ok!”

“Thank you, director Xiao.”

“No need, we’re brothers.”

That night, a dirty plan was plotted just like that.

Jin Yi Xuan waited for a long time and sent many people to find Luo Qing Chen’s schedule. Finally, three days later, he found out that she was going to C City alone.

It wasn’t for business, but for a private matter. Her cousin was getting married and she was going to the wedding.

It was a good thing that there was this opportunity. Otherwise with Gong Yu Bai around her all day, there really wasn’t a chance to make a move.

He had even gotten excited a few days ago. He thought about blocking Gong Yu Bai along with her in an alley and then after saving the beauty, he could make the nation’s male god bow down to him!

But Xiao An reminded him that it was best not to provoke Gong Yu Bai. Although he didn’t know who he was, he at least had a lot of fans. It would be bad if something went wrong.

Jin Yi Xuan endured and finally a perfect chance came.

It was raining that night, it was a good time for a hero to save the beauty.

At half past eight, there was a boom in the sky as the thunder roared out.

Luo Qing Chen had gotten off the plane and headed to the garage to get picked up.

But since the rain was very heavy, the main road was blocked and she could only take the alley.

She held a large red umbrella and wore a red white sweater with a brown pleated skirt, along with large sunglasses. Even if it was night, she was still very conspicuous walking in the rain.

Luo Qing Chen looked at her phone and called Gong Yu Bai to report that she was safe.

As soon as the other side answered, there were eight fierce men with knives that came into the alley.

The leader had a strong accent as he said in a rough voice, “Yo! Such a beautiful lady can appear in a place like this! I just wanted to steal some money, but now I want something else!”

Luo Qing Chen narrowed her cold eyes. She didn’t hang up and she just heard Gong Yu Bai’s anxious voice from the other side, “Qing Chen, where are you! Give me your location!”

“I just encountered a bit of trouble.” Luo Qing Chen gave a cold snort before revealing a cold smile, “But it’s just them being unlucky.”

Whether it was stealing money or something else, it would be impossible to leave here unscathed tonight.

Chapter 2533: God! Mary Sue world (75)

As the rain fell, Luo Qing Chen narrowed her eyes as a chill appeared in them.

At that moment, she felt that she wasn't the Luo Qing Chen under the spotlight, but the real her.

"Yo! This girl is afraid of trouble!" The leader said, "How about you come home with young master tonight?"

As soon as his voice fell, he reached out his hands. There was a disgusting smell, like he hadn't showered for several days.

At the same time, in a dark corner.

Xiao An and Jin Yi Xuan watched everything happen. Jin Yi Xuan had an excited look and Xiao An gave him a thumbs up.

He signaled that he had everything under control and in a few seconds, he could save the beauty like in a fairy tale.

"Un." Jin Yi Xuan gave a determined nod. He was prepared to arrive the moment that the fierce looking man touched Luo Qing Chen, but he never expected what happened next.

A scene that he couldn't believe happened.

Luo Qing Chen narrowed her cold eyes. With a quick turn, her right hand hit the neck of the fierce looking man.

Her elbow suddenly pressed down and there was a bone cracking sound that rang through this silent rainy night.

Then it was followed by the fierce looking man's wails.

"Ah, it hurts, it hurts, it hurts! It hurts so much!" He said to the brothers behind him, "What are you standing in a daze for! Quickly.....Come save me....."

"Hu, Hu, Hu.....Brother Hu....." The brothers behind him looked at each other before their legs started trembling.

The girl in front of them was too fast, so fast that they couldn't even see her slender body escaping Chen Hu's grasp before she threw him to the ground.

As he kneeled on the ground, the knife with the words 'tiger' were was put at his neck.

"When it's self defense, kill all that comes." Luo Qing Chen's voice was ice cold. There was a chill that came from her eyes that made their hairs stand on end.

"Si!" Chen Hu's brothers all took a cold breath of air.

This, this, this.....Why was this different from the script? Weren't they just acting and waiting for the young master to come to the rescue?

Why was this star so.....terrifying!

“Pei.” One of the brothers angrily spat out before saying, “A little girl can scare us brothers? We were fed and cared for by brother Hu, so what do we do at this time? Brothers, go!”

Everyone looked at each other. Although they were afraid, they had many people, so they thought that one of them would be able to subdue Luo Qing Chen.

“Come all you want.” Luo Qing Chen said with a cold laugh, “It’s been a while since I’ve had a good workout!”

The group charged forward and used crowd tactics to surround Luo Qing Chen. All of them had fierce looks as they came pouncing at her.

She just jumped out and went right behind them. Then with a quick move, they couldn’t see her in the night.

A pair of ten centimeter heels stepped on their faces one by one and grunts came out in the silent rainy night.

When she landed, she still held the large red umbrella in her hand and there was a faint glow in her clear eyes.

Under the quarter moon, she looked that arrogant.

Chapter 2534: God! Mary Sue world (76)

Xiao An and Jin Yi Xuan standing not far away were completely stunned. When Jin Yi Xuan was about to go out, Xiao An suddenly grabbed him.

If he went out at this time, it was certain that this would be revealed.

They might become part of the actual news tomorrow morning.

Xiao An quickly pulled Jin Yi Xuan out of the alley from the other side. Other than worry, there was fear in his eyes.

He was very afraid. Even if it wasn’t him who met Luo Qing Chen in the night.

He could tell from Luo Qing Chen’s eyes that under that clear gaze, those eyes were filled with killing intent.

He never thought that a little girl would have these kinds of eyes. How many trials did she experience to become this cold?

“Miss.....Oh, no, no, no.....Female hero, please spare me!” Chen Hu laid under her feet and kept kowtowing, “We were just asked to do this by someone else, you really can’t.....can’t blame us.....”

“Entrusted?” Luo Qing Chen raised her cold eyes, “Who?”

Actually, the first one that popped into her mind was Gu Fan Fan and Ye Su. After all, the supporting female leads wouldn’t let her live well.

But Gu Fan Fan did have a Mary Sue setting and the system didn’t give her the prompt that Gu Fan Fan had turned dark, so this shouldn’t have happened.

Even if Gu Fan Fan thought of this, she wouldn't do this.

After all, a Mary Sue should be a kind person.

The people kneeling on the ground look at each other. With a 'shua' sound, Luo Qing Chen put the knife at his neck. She narrowed her eyes and said, "The blade is blind. If I kill you, this is still self defense and I'm still the victim, understand?"

"We....." Chen Hu's eyes were filled with. He just stuttered out, "It's.....It's director Xiao who wanted us to do this."

Xiao An?

Luo Qing Chen knitted her brows as a cold look appeared in her eyes. She never thought that Xiao An would target her. Properly speaking, there were no benefits in targeting her.

"Time" had already finished filming and it was too late even if he wanted to deal with her.

"Actually.....Actually, this was just an act. Xiao An wanted to let the hero save the beauty and he said that he would let us make a cameo....." Chen Hu said in a trembling voice, "We didn't really plan on doing anything to this miss!"

As he said this, he felt very wronged. His tears almost fell down.

A strong man like this was actually being forced to act like a dog.....

Luo Qing Chen coldly threw the knife on the ground, "Scram."

When they heard this, they didn't look at each other and desperately ran out of the alley.

Their aura was completely different from when they entered the alley. It was as if the world inside the alley was like hell and the world outside was heaven.

Chen Hu ran in front. He didn't even dare to pick up the knife with his name on it as he just kept charging forward.

But before he reached the exit, a young man in a suit with a black umbrella blocked the path.

His umbrella wasn't open and under the faint moonlight, it looked even more eerie.

The young man had an ice cold look in his eyes. It was as if just by standing there, he released waves of cold air from him.

"I'm afraid that you can't leave tonight." Gong Yu Bai slowly looked up with eyes as dark as ink filled with killing intent.

Chapter 2535: God! Mary Sue world (77)

"Ah!" A pistol with a silencer was placed on Chen Hu's temple.

He froze at that moment. Because he was too scared, he even started wetting himself.

This feeling was like escaping from hell just to actually fall further into hell.

This terrifying atmosphere made him choke and his legs collapsed under him.

“Don’t.....Don’t kill me.....I, I, I.....I didn’t do anything.....” He couldn’t even form a proper sentence. All the brothers behind him kneeled down and started desperately kowtowing.

This was a pistol! As long as the man in front of them pulled the trigger, their lives were finished.

“What else do you want to do?” Gong Yu Bai roared out in a voice filled with rage. The layers of complex emotions filled his eyes as deep as the sea.

He rarely got angry and he hadn’t even gotten angry in close to ten years now.

But he couldn’t take it today.

When he realized that the person he cared about the most was in danger, his heart started to panic unconsciously.

This panic rushed to his heart and made it a bit difficult for him to breathe.

It was at that moment that he realized what it was like to love someone.

Like and love were different. He had always thought that he only liked Luo Qing Chen.

So he liked the fans putting their names together, he liked being put together with her.

His friends kept saying that he had his first love and he had finally fallen in love with someone.

But it was just liking them.

However, now he knew what it was. It definitely wasn’t just liking this girl, it was the kind of feeling of being able to enter the Yellow Springs together.

“Let me go.....Let me go.....Let me go!” Chen Hu kept kowtowing and begging for mercy, “I beg you.....I beg you.....”

“Wait until you see the king of hell to say these words!” As soon as his voice fell, his right hand was prepared to pull the trigger.

But then there was a clear as water voice that slowly rang out. It was like a bell in the wind, fluttering in the night.

“Let them go!” Luo Qing Chen slowly came over holding her umbrella, “They’ve already been badly beaten by me. They didn’t have any evil intentions, so there’s no need for them to lose their lives.”

Although Luo Qing Chen didn’t know what status Gong Yu Bai had, she could vaguely see the black Lincoln cars parked at the entrance of the alley.

He had a gun, so his status definitely wasn’t simple.

“Thank you female hero, thank you female hero.” Chen Hu grabbed at this life saving straw and desperately said, “Female hero is a good person, a good person.....”

“Scram.” Before he could finish, Gong Yu Bai coldly said this one word.

Seeing that she was safe, he was much more relieved.

After receiving the call, it was hung up not long after. He searched here and there as fast as he could.

He did everything to block roads and use special passages, but his heart was still stuck in his throat along the way.

When he saw her in real life, his heart finally calmed down.

Otherwise if he was late, he would rather kill a thousand by mistake than to let even one person go.

Chen Hu's group almost crawled out of the alley because they no longer had the strength to stand.

Luo Qing Chen just stood there and revealed a smile, "How did you know I was here? I seemed to have turned off my phone."

"Come over." His cool voice slowly rang out with a commanding and somewhat pampering tone.

Chapter 2536: God! Mary Sue world (78)

Luo Qing Chen was a bit stunned by this.

This was her first time seeing Gong Yu Bai like this, as those eyes that had been elegant and indifferent turned scary.

He was afraid, afraid for the first time in his life.

That night, he had experienced many firsts in his life. But these first times all revolved around one person, the most important person in his life.

Luo Qing Chen could sense a bit of tension between them. She quickly gave a shrug and came up in front of him with a relaxed smile, "Aren't I alright? How could they do anything with these little fellows....."

Then before her words finished, the other side suddenly reached out to take her in his embrace, using all his strength to hug her.

It was as if if he let go, she wouldn't belong to him anymore.

This kind of fear was something that others would not understand.

"Qing Chen, I love you, I really do....."

[Ding, affection has increased by twenty. Mission completion rate is now 100%.]

Luo Qing Chen's mind went blank at that moment. She just felt someone as powerful as Gong Yu Bai trembling as he held her.

She couldn't pry in his heart, she just knew that he was afraid.

"Don't worry, I'm fine." Luo Qing Chen put her head on his chest and found that he was soaked.

Perhaps Gong Yu Bai was in his most sorry state right now, but she could feel that this man who had lost himself in his worry for her had deeper emotions than anyone, was better than anyone.

He didn't reply and just used the strength of his hug to tell her how important she was to him.

The moon that night was truly beautiful. Their story was.....truly beautiful!

-

Luo Qing Chen wasn't soaked by the rain, but Gong Yu Bai still insisted on bringing her to his home.

Gong Yu Bai's villa was very big, but it shouldn't be the Gong Family's main villa and just Gong Yu Bai's private villa.

After washing up, Luo Qing Chen felt a bit nervous standing in front of the bathroom mirror.

Two hours ago, Gong Yu Bai had told her "I love you". Two hours later, she was taking a bath at his house. What would happen after the bath?

Luo Qing Chen couldn't help thinking about it as she felt her cheeks heating up.

After standing in front of the mirror for ten minutes, Luo Qing Chen finally came out.

Gong Yu Bai was sitting in the living room, looking at a stack of documents in English. She walked over to the sofa and asked, "What are you looking at?"

"I thought that you would sleep in the bathroom tonight!" Gong Yu Bai touched her half dried hair and slightly knitted his brows, "Why didn't you blow dry it?"

"Aiya! It was out of habit." Luo Qing Chen said with a faint smile, "You haven't answered my question yet!"

"Just some group equity acquisition forms." Gong Yu Bai picked up a hair dryer from the drawer and helped her dry her half dry hair as he said, "It seems like our girl is still very attractive that some people wanted to play the hero that saves the beauty. It really is stupid."

It only took him five minutes to investigate everything that happened tonight after coming back. This Jin Yi Xuan truly was laughable, he still wanted to chase her.

"You knew?" Luo Qing Chen pursed her lips and said, "Aren't scumbags like him like this? The more he can't have something, the more he wants it and he doesn't cherish what he has."

"So can he get you?" A certain person said in a somewhat sour tone.

"Of course not!" Luo Qing Chen decisively said, "I've never liked him."

Chapter 2537: God! Mary Sue world (79)

She was telling the truth. The previous host was the previous host, she was her.

The people you met were different and the ending was also different.

Not every story had an end and some people left halfway, whether it was voluntary or forced. It was all the same.

At the same time, in a Maserati.

Jin Yi Xuan's expression as he sat in the passenger seat wasn't good and Xiao An who was driving the car was very nervous.

When they crossed the traffic lights, the brake and accelerator were mixed up and the brake became the accelerator.

"Be careful!"

"Ah!" An old woman screamed as she fell to the ground.

With the screeching sound of the brakes, the old woman stood up while cursing them.

Xiao An quickly rolled down the window to apologize, but the old woman was already gone.

"Director Xian, what's wrong?" Jin Yi Xuan knitted his brows and finally asked this question after being silent all night, "Why are you panicking so much!"

He didn't understand why Xiao An wouldn't let him go out in that situation! He still could have been the hero that saved the beauty!

Although Luo Qing Chen didn't seem to need him saving her.....

"When I was driving out of the alley, I saw a few Lincoln cars from a royal family." Xiao An knitted his brows, "I feel like we've offended the wrong person!"

"Qing Chen?" Jin Yi Xuan thought with a confused look before saying, "It shouldn't be! Although I'm not with Qing Chen right now, I do have a clear understanding of her family."

After all, they had been family friends and he could be considered childhood friends with Luo Qing Chen. He had some understanding of the Luo Family's businesses.

"I don't know, let's talk after heading back!" Xiao An gave a sigh, "I didn't let you go out because there was no longer a need for a hero. I also never thought that Luo Qing Chen had such skills."

When he recalled her gaze from that time, he could still feel a bit of fear.

It was a look filled with killing intent. If they had been in ancient times, he would have been killed by this 'female hero' in an instant.

-

Three days later, "Youth is a Simple Thing" had decided on their broadcast time and held a press conference.

This press conference gathered reporters from half the entertainment industry. After all, "Youth" had been set for the summer vacation half a year later, but then the time changed and it was set for the winter vacation.

At the same time, "You Are More Shocking Than Time" which was released exclusively on Lychee TV was also set for winter vacation. It was said that their finale was just finished three to four days ago, so it was quite rushed.

But in order to not conflict between the two, “Time” and “Youth” would be released with a month in between them. Moreover, it was when “Youth” was its peak that “Time” would be released, so it was without a doubt unfavourable for “Time”.

After this incident spread across the industry, no one from the “Time” crew gave any explanations.

Rather, it was Xiao An, Jin Yi Xuan, and the others from “Youth” that came to explain. They said that everything was normal and it wasn’t like the rumours said.

The two youth films that were already competing were suddenly pushed into the spotlight.

“Youth” that had gradually faded away once again regained exposure because of this time change.

Luo Qing Chen stood in front of the door of the press conference for “Youth”. She was wearing a dark black coat, the standard large sunglasses, and had 999 Dior red lipstick on, fully releasing her aura.

She came into the hotel from the side entrance and took the elevator to the VIP suite on the thirtieth floor.

Chapter 2538: God! Mary Sue world (80)

She didn’t want to come to this press conference at first since out of sight, out of mind.

She had been on Weibo these days and had seen a lot of behind the scene things from the people from “Youth”.

She asked Gong Yu Bai about this many times, but he was very calm each time.

It was as if this temporary change of broadcast times didn’t affect him at all.

She really didn’t know if it was because he was confident in his fame or if he had already prepared something else.

“Kou, kou, kou.”

“Come in.”

In the VIP suite on the thirtieth floor, Gong Yu Bai was sitting in front of the full length window in a suit.

This was the highest rated five star hotel in the area, so you could get a full panoramic view of A City, which was quite luxurious.

“Lord god Yu, is here at the ‘enemy’s’ press conference, do you have any instructions?” Luo Qing Chen sat down on the sofa beside him with a faint smile as she looked at his back and asked this question.

The fine sunlight fell onto his body and looked very dazzling from the side.

Gong Yu Bai revealed a faint smile and slowly turned over. He came to her side and sat down before saying, “Everything has been prepared, it’s just waiting for you to come and watch.”

“What is there to watch?” Luo Qing Chen blinked those eyes that had a faint sparkle in them.

Gong Yu Bai looked into her eyes before pushing a stray strand of hair behind her ear, “I won’t let anyone who bullies you have a good time.”

That was what kind of person Gong Yu Bai was. He either didn't do anything or he would do something completely.

Luo Qing Chen could feel the powerful aura that was coming from him at this time.

"I really feel that you are mysterious....." She pursed her lips as she looked at him blankly.

It was because of this mysteriousness that made people want to explore and understand him more.

"Not mysterious." Gong Yu Bai looked at her with dotting eyes and said, "You can know everything about me."

There was no looking away, there was no hiding.

Luo Qing Chen was first stunned before giving a serious nod.

Gong Yu Bai looked at the clock on the wall and said, "It's almost time, I'll take you to a 'luxurious banquet'."

At half past six, the banquet hall on the third floor was filled with reporters and friends of the "Youth" crew.

Luo Qing Chen was in a VIP seat on the second level, but that had also been filled up already.

When she sat down, a person who should be a waiter in formal clothes came forward.

A tall figure and a nice face.

She held a menu in her hand and as she leaned over to ask, "Miss Luo, what would you like to drink?"

Luo Qing Chen was surprised before looking at Gong Yu Bai beside her. His cool as water voice just slowly rang out, "She wants a cappuccino and a cup of black coffee for me."

"Yes, young master."

Young.....Young master?

When the beautiful lady left their line of sight, Luo Qing Chen looked at Gong Yu Bai and asked with a serious look, "From your family?"

"Un."

"Bringing your family along to attack the enemy isn't good. How many did you bring?"

"One."

"Only one?"

"Un!" He touched her hair after responding, "Just you!"

.....

Why did she suddenly feel that she was being teased and it had been so natural!

"Then why.....did she call you young master?" Luo Qing Chen's eyes were still a bit confused.

Chapter 2539: God! Mary Sue world (81)

After all, this was a hotel. If it was someone brought in by Gong Yu Bai, why did they have to put on such formal clothes?

“Because my family owns this hotel.” Gong Yu Bai casually leaned on the sofa with a sparkle in his deep eyes. It looked that beautiful.

!

“What?” Luo Qing Chen looked at him with a stunned look before lowering her voice, “So it turns out that your house is a hotel!”

A five star hotel, he really was worthy of being a rich person.

But then Gong Yu Bai looked over and said with a proud look in his eyes, “Of course not.”

He didn’t want to hide it, but there were some things that were spoken in deliberate words.

Luo Qing Chen wanted to keep asking, but the press conference for “Youth” on the first level had started.

“Thank you everyone for taking time out of your busy schedules to come to the press conference for “Youth”. The circle is very small and everyone who came here today is friends. I hope that you will be lenient and merciful with your questions later!” The host gave a simple opening to the show as he revealed a smile.

This was the normal opening. Some questions could be asked and some couldn’t, everyone knew about this.

But “Youth” had been caught in public drama, so they were pushed into the spotlight.

Then adding in the rumours, it was impossible for the reporters not to ask sharp questions.

“Next we would like to invite our four main actors and director Xiao An to appear.”

“Pa, pa, pa, pa.” The applause rang out. It wasn’t thunderous, but it also wasn’t lacking.

Gu Fan Fan was the first to introduce herself. She was wearing a pink sweater and a white pleated skirt, looking very girly.

But even with this fine makeup on, it didn’t feel like she was a beauty.

At best, she could be considered a common beauty.

“Hello everyone, I am Gu Fan Fan. I’m very excited to meet you in “Youth” during this cold winter. I hope that everyone will support me and I believe that I will bring everyone even better works.” She had a full smile, but her fingers holding the mic were already a bit pale.

Luo Qing Chen sitting on the second level couldn’t help muttering, “Saying things that she can’t say in a public speech, what is she so nervous for?”

“How much does our family’s little girl dislike Gu Fan Fan!” Gong Yu Bai gave a sigh before saying in a somewhat sour tone, “It can’t be because of a certain someone, right!”

“Stop teasing me!” Luo Qing Chen pretended to check her wrist, “I’m not willing to have any relations with that man!”

In her eyes, if Jin Yi Xuan’s name was put together with hers, she would feel very ashamed!

“Fool, I believe you.” Gong Yu Bai watched the scene on the first level, “After all, some people will soon be reaching the end of the world.”

There were some things coming for them that slowly came without them knowing.

At this moment, Gu Fan Fan’s heart was filled with pride. Although Xiao An’s attitude towards her later on had always been bad, since she was the female lead, she got the exposure that she deserves.

The number of people who followed her on Weibo had increased at this time and she gradually felt that she could compare to Luo Qing Chen.

“Big sister Fan Fan, you really are amazing.” The young girl who played the second female lead said with a smile after seeing her come back, “You aren’t even nervous in front of this large crowd. I would be very nervous.”

Because of Luo Qing Chen, the second female lead wasn’t a first class or second class star, but rather a very unknown actress, so she was very humble.

Gu Fan Fan raised her head as if she was a popular actress and she looked at her to say, “You think you understand. There are many things that you have to bear in my position.”

Chapter 2540: God! Mary Sue world (82)

Actually, she didn’t feel that she had endured too much. The first step in playing a female lead was with someone that she loved, so this was already a blessing for her.

Although Luo Qing Chen had cut in, it couldn’t affect her ending.

In her world, she never forgot her intention or her path. She felt that she had never changed and this role was based on her abilities. She could stand here at the press conference today because she had walked this path step by step.

She worked hard and was motivated, so she felt that she was good enough, but she didn’t keep working hard.

“It sounds like it’s very hard.....” The little girl revealed a smile before not saying anything else.

After introducing all the leading actors, it became a question and answer session.

A male reporter sitting in the front row was the first to stand up and asked, “Miss Gu Fan Fan, did you steal this role of Xia Qi Qi from Luo Qing Chen in the past?”

“Si!” Everyone took a cold breath, but the more experienced reporters regretted this.

Not being the first to ask such a question, it would have a certain impact on whether they could publish it or not.

Gu Fan Fan's face was a bit pale, but she firmly took the microphone and looked at the male reporter to say, "I've already answered this question many times. Luo Qing Chen didn't want to play this role in the beginning, so I got to audition. There were many people there who saw her leaving first."

Xiao An knitted his brows, clearly looking not satisfied with Gu Fan Fan's answer.

Now that the "Youth" crew was in the spotlight, no one could suppress public opinion in the short run.

The smartest answer at this time would be: Sorry! I won't answer any questions unrelated to the drama series.

But she had to forcefully explain and brought in Luo Qing Chen. He really didn't know if she was naive or foolish.

"Then miss Gu Fan Fan, I heard that you are the third party that cut in between Luo Qing Chen and Jin Yi Xuan, using despicable methods to get between them. May I ask if this is true?"

This time it was a female reporter who looked elegant and dignified, but her words were sharp and precise.

Gu Fan Fan's expression became even uglier as she instantly replied, "We were all single and only after meeting did we build our relationship, it's not related to her at all. If there are any other questions about this, I will not be answering them."

Gong Yu Bai who was sitting on the second level took a sip of his coffee and said, "I don't really like this question either."

"Does mister Jin Yi Xuan want to add something?" The reporter saw that Gu Fan Fan wouldn't answer, so she pointed the finger at Jin Yi Xuan.

It was very awkward, but Jin Yi Xuan did have some experience. He took the mic and said with a smile, "We're all friends here. To shoot a better film, we chose the most suitable person and there is no such thing as personal problems."

"Si!" There was another cold breath.

Jin Yi Xuan's words completely distanced him and Gu Fan Fan. Then was their love over the past four months just for show?

Thinking that the audience is blind and wanting to pierce their hearts with a ship!

Gu Fan Fan also looked at Jin Yi Xuan in shock. This scene had been captured by countless cameras.

One of the reporters then said, "It seems like miss Gu Fan Fan is also very surprised by mister Jin Yi Xuan's answer! Is this not the case?"
