### Chapter 2541: God! Mary Sue world (83)

Everyone's eyes turned to Jin Yi Xuan and Gu Fan Fan as the atmosphere felt very awkward.

The reporters didn't hold back with their questions, rather they became even sharper and more direct.

But it was right if you think about it, most people were just having fun and didn't think too much of it.

Gu Fan Fan bit her lip and looked at Jin Yi Xuan with a look asking for help.

Jin Yi Xuan didn't want to accept this look from her. When he turned back, he coldly said, "I ask everyone to keep the topic on the script."

Seeing that the situation wasn't good, Xiao An added, "Yes, yes! This is the press conference for "Youth", so we want everyone to know more about the characters and plot of "Youth"."

"Then can we ask the director if it's true that you used special methods to adjust the broadcast schedule of "Youth" and "Time"?"

Xiao An's face immediately sank. He looked at this reporter with a serious look and said, "Those rumours are all nonsense. Wise people don't believe in rumours, please don't be a stupid person."

After all, he was a director that had been through many things, so he still could scold these rude reporters.

The reporter was surprised as the host interjected, "This is the end of the question and answer session. We ask everyone to take a look at the long preview for "Youth", please turn your attention to the screen."

The host was also very embarrassed. It was the first time that they had experienced something this embarrassing and felt that it wasn't a press conference for a new drama, but rather a crusade.

He was considered half an insider in the industry. "Youth" had indeed used some tricks and although everyone pretended not to know, they did secretly know some things.

This situation would definitely be considered immoral in other industries, but in the entertainment industry.....it wouldn't hurt them at all.

Only it was a pity for a good series like "Time". It had such high fame and it even had god Yu, but Lychee TV had suppressed it.

The screen opened up. There was a beautiful campus in spring that appeared and with the relaxed music, it brought everyone back to their youths.

But.....

This peaceful atmosphere only lasted five seconds before it was followed by a scene in an office.

The one that appeared was no other than Chen Fang, the son of Lychee TV's shareholder.

It was a conversation between two men.

“Did you take care of the matter director Xiao asked me for?”

“Yes, young master! It’s already been taken care of.”

“They gave me quite a bit this time, so do it well!”

“Yes.”

“Also, arrange for the debut of “Time” to be at the climax of “Youth”. Even if there is a god Yu, the debut won’t be that impressive.”

“Doesn’t this need to pass through the board?”

“No need! My dad owns 30% of the shares, so I can make this decision.”

The lens didn’t move, it should be a hidden camera that filmed all of this and then a part of it was cut out.

Although not much was said, this amount of information was enough to make everyone stir.

The expressions of all the people on stage looked very ugly and Gu Fan Fan’s smile had completely frozen.

At the same time, Luo Qing Chen on the second level looked at Gong Yu Bai and said, “You.....You are too amazing! God Yu really is god Yu!”

“I’m very happy to receive a praise from our little girl.” Gong Yu Bai gave a chuckle with a doting look in his eyes.

## **Chapter 2542: God! Mary Sue world (84)**

Gong Yu Bai’s move had without a doubt made everyone on “Youth” unable to stay in this industry, this was forcing them out of the entertainment industry!

She suddenly felt that angering a man with power wasn’t that scary, but angering a black bellied man with power was truly terrifying.

The entire press conference had fallen into silence. When the video on the screen slowly dimmed and the lights lit up above everyone’s head again, they felt like they were waking up from a nightmare.

It was a pity that they still were in a nightmare after waking up.....

The host looked very awkward as the reporters under the stage suddenly burst out with all different kinds of questions.

“Director Xiao An, how much did you give the person in charge at Lychee TV? Can you give us an exact amount?”

“Does the entire crew know about this matter? Or is it just the director?”

“Does your conscience not feel anything about suppressing “Time” like this?”

“After this incident is exposed, will “Youth” still be released? Director Xiao, can you say a few words?”

.....

As the questions came, everyone on stage felt helpless.

The host quickly raised his voice to say into the mic, “Everyone, please calm down. We will be postponing today’s press conference and after we verify the authenticity of the video, we will make an announcement to everyone.”

Xiao An’s face was already completely black. He was more nervous than anyone, but he had to stay calm.

His hunch was right, someone wanted to take care of him.

If he guessed correctly, it should be the Lincolns at the alley, but who was it.....

Who would stand up for Luo Qing Chen and do something this meticulous?

Without saying a word, he planned on leaving the stage, but a well dressed man stopped him.

“Director Xiao, why are you in a rush to leave? Stay another few minutes for me to say something.”

Luo Qing Chen who was sitting on the second level looked at Gong Yu Bai. He had a calm look on his face, but there was a sharp glow in his eyes.

“Was this person arranged by you?” How much had this mysterious man hidden from her?

Even she was surprised by how shocked the people on stage were.

“A good show is about to start.” Gong Yu Bai took a sip of his coffee as he revealed a cold smile.

“You.....Who are you?” Xiao An was stopped by this young person, so he was filled with rage.

But with all these reporters here, he couldn’t use violence.

“Who I am is not important, what’s important is what I’m about to say.” Yin Mu said with a smile, “This is a message from our young master.”

He touched his ear where there was a small diamond stud that had the word ‘Yin’ written on it which looked very dazzling.

Xiao An was surprised. His hands turned cold as he softly said, “You are.....”

“God! Yin Mu!”

One of the six gentlemen of the Gusi Kingdom!

The world’s richest country. Not only was the king the richest man, it was the country with the most diamonds.

The Gusi Group.

The prince Gumusitu Ye had a total of six knights and Yin Mu was one of them.

The ancient saying went, the greater the martial force, the deeper the bottom.

“It seems like your eyes aren’t bad.” Yin Mu revealed a smile. His silver white hair looked that good.

He brought out twenty three transfer papers while standing on stage.

“I don’t think that everyone knows who I am yet.....”

“Yin Mu! Yin Mu! Yin Mu!”

A deafening cheer roared out as if Yin Mu was already an international star.

Luo Qing Chen was stunned by this. How could even the royal family get involved?

### **Chapter 2545: God! Mary Sue world (87)**

Three days later in the morning.

Inside the Panamera, Luo Qing Chen sat in the passenger seat as Gong Yu Bai drove her back to her villa.

Actually, she didn’t go home often after coming to this world, it was her kind father who came to see her.

Although he was addicted to work, he was still a good person.

He desperately called her to come home during this time. A daughter was always the love of a father’s heart, so getting married like this, he would feel strangely uncomfortable no matter who it was.

“Ding dong.”

“The young miss is back!”

“Un! Where’s dad?”

“The master is in his study.” The butler was a bit excited as he looked at her, “The young miss has finally come back.”

The previous host’s father was called Luo Xiao and her mother was Ye Si Yao.

All of this information had been added when she accepted the previous host’s memories. She and Gu Fan Fan were half sisters of the same mother.

Of course, Gu Fan Fan didn’t know this and neither did Ye Si Yao.

“It turned out that I married a young miss.” On the way, Gong Yu Bai didn’t forget to tease her. He knew about Luo Xiao a few years ago, but he never thought that he would fall in love with his daughter.

“Who is!” Luo Qing Chen said with a smile, “Our god Yu wouldn’t be nervous, right?”

“Un! A bit.” Gong Yu Bai said with a faint smile, “But I’m still confident.”

When they came to the second floor, she knocked on the study. There was a 'who is it' that came from inside and after hearing Luo Qing Chen's voice, they ran out to open the door.

"Aiyo, who is the most beautiful daughter!

"Aiyo, who is the most handsome father!"

Luo Qing Chen smoothly followed up on Luo Xiao's words.

"No, no, no, in front of someone's god Yu, your dad is old. I'm not handsome, I'm not handsome."

"Hello uncle, you can just call me Xiao Yu."

As the son of the richest man in the world, his humble appearance made Luo Xiao very satisfied.

Luo Qing Chen also thought that Gong Yu Bai was really good at winning over adults. He had never said 'just call me Xiao Yu' to anyone else before.

"Good, good, good! Dad is really happy like this." Luo Xiao looked at the time and said, "Your mom is about to get off the plane. I wanted to pick her up, but she said that she had somewhere to go. I didn't know when you would come back, but now we can have a meal together."

Speaking of this mother Ye Si Yao, the previous host had some indescribable feelings and it was the same with Luo Qing Chen.

If it wasn't bad for her, she would never not give her anything she wanted.

But that was only money and nothing else. Adding in the previous host's memories, Ye Si Yao treated Gu Fan Fan 200% well after meeting her.

She didn't even hesitate to take her home to make it up to her, forgetting that she had another biological daughter, not giving her any love.

This kind of mother chilled Luo Qing Chen's heart. Even when she was pushed into the spotlight because of the drama series, she had never even called her or sent her a text.

"Where did she go?" Luo Qing Chen pursed her lips as a faint sparkle appeared in her eyes.

Luo Xiao was surprised before his eyes that were very similar to hers dimmed a bit. Then he immediately came back to his senses and said with a smile, "It's not like you don't know your mother. She must have gone to the duty free stores after coming back and bought some things to make herself happy."

### **Chapter 2546: God! Mary Sue world (88)**

Ye Si Yao wasn't going to the duty free shops, both Luo Xiao and Luo Qing Chen knew in their hearts.

They knew where she was going.....

But the father and daughter chose not to talk about it to not oppose or worry about it.

Today was the day Gu Fan Fan's biological father Gu Meng was being released from prison.

“Alright! Then let’s go to the restaurant first, dad!” Luo Qing Chen rubbed her stomach, “I’m already hungry!”

“Little greedy cat.” Luo Xiao tapped her nose, “Daring to act this willful in front of others, they might not want you anymore!”

“Uncle, I don’t dare.” Gong Yu Bai said with a modest smile, “Qing Chen will forever be a little princess, she’ll be cute even if she is willful.”

“You are seeing her through the eyes of a lover. No matter what, all I can see is that she is filled with problems!” Although Luo Xiao said this, he still looked at his daughter with a very loving look.

After all, he only had this one daughter and he did all he could to love her.

It was almost noon when they arrived at the restaurant and Ye Si Yao still wasn’t here. Luo Xiao called her many times, but he didn’t get a response.

Luo Xiao’s expression wasn’t good and when he called the tenth time, it finally connected.

“Why do you keep calling me? Don’t you know that I’m busy?” Ye Si Yao’s impatient voice came from the other side.

“It’s not that, Si Yao.....” Luo Xiao explained with a good temper, “Didn’t we agree to have a meal today? You.....”

“When did we agree on this? I just told you that I was coming back today.” Ye Si Yao’s voice was ice cold. It was as if speaking to Luo Xiao was a form of torture.

“Si Yao.....”

“Alright, don’t say anything!” Ye Si Yao coldly said, “We are both adults, so we know some things. A daughter is one thing and we are another thing.”

Luo Xiao felt that she wanted to say something, so those beautiful eyes turned dull and he didn’t know what to say.

Ye Si Yao said, “Let’s get a divorce!”

Since the room was very quiet, everyone heard it when Ye Si Yao said these words.

Gong Yu Bai looked at Luo Qing Chen with a worried look, but he never thought that she would be so calm.

It was as if she didn’t care about the relationship between her parents.

Luo Xiao wanted to say something, but she had already hung up.

There was only the dial tone and Luo Xiao didn’t say anything. Luo Qing Chen poured a cup of tea for Luo Xiao, “Dad, drink some tea and calm down.”

“You.....daughter! Did you hear everything just now?” Luo Xiao’s expression became even more ugly as he felt that he had let down his daughter.

Even after trying so hard, he couldn't give her a warm family.

"Un!" Luo Qing Chen gave a nod and said, "There are many good women in the world, why is dad trying so hard to hang to this tree!"

"Qing Chen....." Gong Yu Bai knitted his brows. He could clearly feel that her words were intentional, but he didn't know why she said this.

"Daughter....."

"Actually, I know even more than dad." Luo Qing Chen pursed her lips and said, "Since it's like this, let's go eat."

Luo Xiao looked at Luo Qing Chen for a long time as the darkness in his eyes gradually turned to love.

He used everything he could to spoil this daughter, hoping that she would be well.

As for her mother, he had also used everything he could to love her.

A pity.....A pity.....A pity.....

#### **Chapter 2547: God! Mary Sue world (89)**

After the meal was over, Luo Qing Chen went to the supermarket to buy some daily necessities and some snacks for Luo Xiao.

Before leaving, Luo Xiao patted Luo Qing Chen's head in a manner filled with fatherly love, "My good daughter, you're enough for dad."

"Dad's happiness is the most important thing." Luo Qing Chen pursed her lips and said, "You will meet a better person."

For Luo Qing Chen, there were many things that she was indifferent to. Especially her mother.

On the way home, Gong Yu Bai wanted to question her several times, but he didn't know how to ask it. Why was Luo Qing Chen so indifferent?

"Your mother, aren't you being....." He thought for a bit and still asked this.

After all, this was his wife and he didn't need to feel wronged caring for her.

"S Prison, let's go there."

"Prison?"

"Un."

If she remembered correctly, Gu Meng was getting out at two in the afternoon. She clearly remembered this because it was the most painful time for the previous host.

Gong Yu Bai's Panamera slowly stopped not far away from the prison, seeing a Porsche parked there.

This was Ye Si Yao's car, Luo Qing Chen clearly remembered this.

The previous host had wanted to please Ye Si Yao as a child and wanted to play with her many times, so she went into the back of this Porsche back then.

Ye Si Yao was now at a prison and she was here to see her childhood sweetheart Gu Meng.

“She is my mother.” Luo Qing Chen put her chin on her right hand as she looked out the window and said, “She is here waiting for the man she loves the most to be released from prison.”

Gong Yu Bai didn’t say anything. With his intelligence, he could guess what was happening.

But it was even worse than he thought, it destroyed his world views.

“Right, she’s not only my mother, she’s also Gu Fan Fan’s mother.”

“What?” Gong Yu Bai who had always been calm finally looked at Luo Qing Chen in disbelief when she said this.

“The man she’s waiting for is Gu Fan Fan’s biological father.” Luo Qing Chen said with a cold laugh, “But the two of them don’t know about this. But perhaps they will soon.”

According to the original plot, after Gu Fan Fan became famous, people with intentions started researching her background.

Finally they learned that she was the daughter of a rich person.

But that was for later.

She just wanted to see Gu Meng.....

Right, she still wanted him to die.

No, life was perhaps better than death for him.

The previous host hated Ye Si Yao and Gu Meng.

At two in the afternoon, Gu Meng was released. When he came out, Ye Si Yao charged forward to hug him.

Not afraid of how dirty she was, she wasn’t afraid of anything.

“Gong Yu Bai, if I do something despicable in the future, will you be disappointed in me?” When she said this, she looked at Gong Yu Bai with a smile.

But he reached out to touch her head and said, “If you want to do something, you don’t need to do it yourself.”

Luo Qing Chen had thought that Gong Yu Bai would just pamper her, but she never thought that Gong Yu Bai would say that he would do it.

This unpredictable change made Luo Qing Chen stunned.

The day after Gu Meng was released, Ye Si Yao and Luo Xiao divorced. The next day, Ye Si Yao sorted out her things and left the Luo Family.

She didn't even see Luo Qing Chen one last time as she went to Gu Meng.

On the seventh day they were together, Gu Meng was involved in an international drug trafficking ring.

Luo Qing Chen was notified by her mother calling her.

### **Chapter 2548: God! Mary Sue world (90)**

All the money in Ye Si Yao's account was frozen because of her connections to an international drug trafficking ring.

She was no longer Mrs Luo and no one was willing to help a drug dealer.

She remembered her daughter at this time. She wanted to bail out Gu Meng.

But because of how serious it was, the bail was set for very high.

The moment that she received Ye Si Yao's call, she thought of Gong Yu Bai.

Even if Gu Meng had evil intentions, he shouldn't be foolish enough to deal drugs after getting out of prison. After all, Ye Si Yao did have a strong backing and she could support him for the rest of his life, so he didn't need to do something this risky.

So there was only one possibility.

This was set up by Gong Yu Bai.

When Luo Qing Chen arrived, Ye Si Yao was already dripping in tears.

She grabbed her hand right away, "Qing Qing, help mom out and pay the bail. This person is mom's friend, he....."

"Gu Meng." Luo Qing Chen gave a cold laugh as she looked at the person behind the iron bars, "He was put in jail eighteen years ago because of an arson case. I never thought that as soon as he was released, he would go right back in."

Her voice, every word was filled with sarcasm. Her voice wasn't loud or soft, but it was powerful.

"This little girl, what nonsense are you saying? Do you still want to live?" Gu Meng cocked his lips, looking at her with a fierce look.

He naturally knew who Luo Qing Chen was, that man's daughter. The seed that his wife had spawned after sleeping with that man for so many years, so naturally he wasn't willing to see Luo Qing Chen.

"Ai, ai, ai! What are you yelling about?" The guard immediately stopped Gu Meng, "It seems like you don't want to be released on bail. Comrade Xiao Gu, take him to prison."

"Wait, wait, don't put him in yet." Ye Si Yao looked at Luo Qing Chen with a shocked look, "Help mom pay the bail first and I'll pay you back in a few days. Uncle Gu is an important friend to your mom, he was wronged."

"Wronged?" Luo Qing Chen looked at Ye Si Yao and said with a cold smile, "Mom, do you know? Drug trafficking is a death sentence."

“What god damn death sentence, are you trying to curse me.” Gu Meng still had a dirty mouth as he cursed Luo Qing Chen.

“Brother Meng.....You, you.....say a few things less.” Ye Si Yao clearly didn’t want him to argue with Luo Qing Chen since she was afraid that she wouldn’t get the bail money.

But Luo Qing Chen gave a careless shrug and said, “I’m waiting for you to die.”

As soon as her voice fell, she turned to leave without any hesitation. Ye Si Yao angrily charged forward and raised her hand to slap her, but she firmly caught it.

“What is wrong with this child? Is it that hard for mom to ask you for money?”

Luo Qing Chen twisted the wrist that she had caught and calmly said, “You’re not worthy of being my mother. Before taking revenge on Gu Meng, your daughter has already been ruined and is now dancing on stage.”

Because she had been cursed by countless people, Gu Fan Fan had already left the entertainment industry. Since this face would be recognized no matter where she went and she would be cursed out, she couldn’t find any normal work.

She could only go to dance bars and dance with heavy makeup on, being cursed by the customers from time to time.

But she was still a ‘white lotus that wasn’t stained’. Even in that dirty place, she kept her clean nature.

Even if she was harassed by the clients, she treated this as a test of her life.

“What?”

“Oh! You probably don’t know who your and Gu Meng’s daughter is? After the girl was born, she was sent away after she received her name, so you shouldn’t know, right?”

### **Chapter 2549: God! Mary Sue world (91)**

“You.....” Ye Si Yao looked at Luo Qing Chen in disbelief.

She thought that her daughter didn’t know anything, but.....she knew everything.

But what was the most terrifying was that she was this calm after knowing everything.

It was as if everything was in the palm of her hands.

“That’s it, I don’t want to say certain things.” Luo Qing Chen looked at Gu Meng behind bars and said with a cold laugh, “Since you’ve chosen this person, then don’t come looking for dad in the future.”

“You’re actually saying this as my daughter?” Ye Si Yao was filled with rage and her eyes became very sharp.

Ye Si Yao was very unfamiliar with this daughter that she gave birth to.

Or perhaps that she was never familiar with her.

"I'm not your daughter, your daughter is someone else." Luo Qing Chen gave a shrug before revealing a helpless smile, "It's a pity that I don't plan on telling you who she is."

As soon as her voice fell, she turned and left without looking back.

Her heart strangely felt hurt and her eyes were a bit red.

This was her first time feeling this way since coming to this world.

Facing her biological mother, she tried her best to protect her, but now she was cold and distant.

For Ye Si Yao, she couldn't take revenge like she could with Gu Meng, but she didn't want to say anything else.

Since she chose this life, she would let her walk down this path.

As for Gu Fan Fan, it wouldn't matter if Ye Si Yao recognized her or not.

-

A month later, the high court ruled that Gu Meng would get the death sentence for possession of three pounds of marijuana.

Ye Si Yao appealed many times and the high court only suspended the death sentence after she prepared a large sum of money.

She had waited all those years and Gu Meng finally came out of prison, but it was a pity that that was just a beginning and not an ending.

After that day, Luo Qing Chen never saw her mother again. Even if it was to borrow money, Ye Si Yao never came looking for her.

Although this didn't make her heart flutter, it did distract her from time to time.

Did she not handle it well enough? Was there still a chance for Ye Si Yao and Luo Xiao to get back together? Is it possible that there was still hope without her decision?

"What is my little girl thinking?" Gong Yu Bai's right hand tapped between her eyebrows, "Let me guess."

"Stop guessing." Luo Qing Chen took a sip of the juice and said with a smile, "Why do you need to think about terrible things during this pleasant afternoon tea?"

"You're blaming me?"

"No." Luo Qing Chen decisively shook her head, "You did what I was thinking."

Luo Qing Chen never felt that Gong Yu Bai was right. She wanted Gu Meng to die and even if Gong Yu Bai didn't know the previous host's fate in another world, he helped her do this.

Gu Meng did many bad things and he had killed many people in jail. Although he never did it personally, he was still related.

She wasn't standing on the moral high ground to punish a bad person, but she felt that he was worthy of death.

Only Ye Si Yao tried so hard to repeal the death sentence.

"I heard that it's just a repeal of the death sentence, do you want to go further?" Gong Yu Bai took a sip of his coffee as a sharp glow appeared in his eyes.

"No need." Luo Qing Chen shook her head, "Some people will be in more pain if they are alive than if they are dead. Not to mention that the prisoners on death row are not simple, so it's impossible for him to act like he did before."
