Chapter 2581: Loving the prince, but he doesn't know (27)

The snow on the breeze, the white ground covered in frost.

The light snow fell and stained one's clothes.

She stood there in the snow in that moon white robe, giving a feeling that no one could approach her.

It was as if she was indifferent to the world and it was all a dream.

Yue Leng Qing looked at Luo Qing Chen in disbelief. She never would have thought that she would lose.

And she would be defeated this quickly.

She asked herself, in front of their blood feud, if she didn't show mercy and still lost.....

Du Qi Chao quickly helped Yue Leng Qing up before his dark eyes turned to Luo Qing Chen not far away.

There was a cold from her eyes to her voice that seemed to freeze everyone in the world.

He didn't know why Luo Qing Chen felt so cold, but she was more attractive than she had ever been before.

But——

That didn't mean that he would let her hurt Yue Leng Qing!

Although he didn't know why Luo Qing Chen's martial arts became so good, being able to defeat Yue Leng Qing with her Autumn Frost Sword in less than ten moves and even pushing her down.

"Xiu, xiu."

There was the sound of a sword being raised as Du Qi Chao picked up the Autumn Frost Sword and stabbed out at Luo Qing Chen.

When Luo Qing Chen who was helping Ya Nu was about to turn around, planning to evade Du Qi Chao's attack.

There was a figure that quickly came forward, stepping in front of her and grabbing the blade of the Autumn Frost Sword in their bare hand.

'Di da, di da, di da.....' The sound of blood dripping to the ground rang out.

There was a strong scent of blood in the air.....

"Du Jiu Sheng....." She quickly turned around and said these three words in a trembling voice.

"So it's ninth brother." Du Qi Chao narrowed his cold eyes and stabbed out again.

Because of the force added, blood flowed even faster. In just a few seconds, the snow under her feet was dyed red.

But Du Jiu Sheng's face was calm and he didn't even knit his brows.

Yue Leng Qing had been frozen in place before quickly saying, "Chao'er, don't be like this! I wasn't injured!"

"Senior sister!"

"I wasn't injured!" Yue Leng Qing said in a sharp voice, "Did you forget the rules of the Three Emotions Mountain? The people of this world, morality is first. Are you trying to make your senior sister inhumane and immoral?"

Du Qi Chao coldly looked at Du Jiu Sheng before his eyes fell onto Luo Qing Chen. He gritted his teeth before pulling back the sword.

With the sound of the sword cutting the flesh, Du Qi Chao gave a cold snort before moving to Yue Leng Qing's side.

Du Jiu Sheng looked up and slowly said, "Greetings to your highness."

"Humph." Du Qi Chao gave a soft snort as his eyes were filled with ridicule as he looked at Du Jiu Sheng, "People of the cold palace shouldn't come to this Eastern Palace. This highness does not want to see you."

Du Jiu Sheng didn't say anything. He just gave a slight bow before leading Luo Qing Chen away by the hand.

He held her hand with that blood covered hand and the heat and blood from his hand went right to her heart.

It made her heart tremble, it made her mind go black.

She didn't know what feeling this was, but she was afraid.

She was afraid of the butterfly effect, she might lose Du Jiu Sheng if she wasn't careful.

Because she could sense the strength of Du Jiu Sheng in his hand, along with the caution and the firm obsession.

When he had this obsession, when he did all he could to protect her, their story would fall into darkness and there would be no life.

Chapter 2582: Loving the prince, but he doesn't know (28)

On the way, they went through the royal gardens until they reached the fork in the road.

Only when they were at the intersection did Luo Qing Chen come back to her senses. She stopped and shouted, "Big brother Jiu Sheng!"

Du Jiu Sheng didn't turn back and he didn't stop as he pulled her back to the Cold North Palace.

When they were at the Cold North Palace entrance, Luo Qing Chen couldn't help biting her lip and saying, "Big brother Jiu Sheng, why are you ignoring me?"

Du Jiu Sheng suddenly turned around and his right hand took her into his arms.

Not caring about anything.....as he tightly held her.

“Big brother Jiu Sheng.....” Her body trembled as her eyes couldn’t help turning red.

As the snow fell, her heart couldn’t settle.

Without knowing why, this scene made her very sad.

Du Jiu Sheng never said a thing. Luo Qing Chen said while panting slightly, “I’m afraid if you act like this.”

“I’m the one who’s afraid.” His voice was very deep. When the cool as water voice entered her ears, she could hear a tremble in it.

All these years, he had no thoughts after concubine Rou died.

The accumulated power and information was for nothing other than being able to fight back if others came to harm him.

But now that there was a Luo Qing Chen by his side, everything had changed.

He had to have a complete plan. No matter how dangerous it was, he had to protect her life.

Therefore, when he saw Du Qi Chao using his sword to kill, he felt like his heart was about to stop.

Unprecedented fear and panic spread through his heart.

“You.....I.....” Luo Qing Chen’s words came to her mouth, but she couldn’t say them.

What she wanted to say was——

What are you afraid of, I’m the one who’s afraid, alright?

Without knowing how long passed, his suffocating hug slowly released. She came back to his senses, realizing that his hand was still hurt.

“Your injury?” Luo Qing Chen immediately came out of his embrace and found that the wound was still bleeding.

“Eh, eh, eh.” Ya Nu had already brought over the medical box that had a layer of dust on it.

The medical box in this Cold North Palace probably hadn’t been used in a long time.

“It’s fine.” Du Jiu Sheng shook his head, “As for you, how did you win against Yue Leng Qing? I heard that among the younger generation of the Three Emotions Mountain, she is the one with the best martial arts.”

He knew some things about the crown prince. Although it wasn’t everything, he knew that he fell in love with someone from the Jianghu.

“I.....” Luo Qing Chen pursed her lips, “I’m powerful!”

“How powerful?” Du Jiu Sheng didn’t see how she had defeated Yue Leng Qing, so there was some doubt in his heart.

She used to be the daughter of a prefecture governor, how could she defeat someone from the Three Emotions Mountain?

“Aiya, let’s not talk about this first.” Luo Qing Chen waved her hand at Ya Nu on the side, “Come in! Bring me the medical box, I’ll help you two apply the medicine!”

Just based on looking, she could tell that Du Jiu Sheng’s wound was deep. That Autumn Frost Sword was considered a good sword.

Du Jiu Sheng had held it very strong and it had reached the bone, cutting away the flesh.

But there was only one injury. Although it was deep, it wouldn’t affect him.

But she didn’t know how it would affect him holding a sword in the future since the wound might have reached a nerve.

As for Ya Nu.

His injuries were greater than Luo Qing Chen had imagined. The most serious one was his right leg that had been fractured.

Luo Qing Chen took a simple look and knitted her brows, “Although the bones have been treated, that place is special. It might affect your walking in the future.”

Chapter 2583: Loving the prince, but he doesn’t know (29)

Ya Nu’s expression didn’t change when he heard this.

He just gave a nod and used his ‘sign language’ to ask about Du Jiu Sheng’s injuries.

Even when he was heavily injured, what he cared about the most was Du Jiu Sheng’s injuries.

“I’m fine.” Du Jiu Sheng knitted his brows, “You should rest up and not do any work over the next few days.”

“Eh, eh, eh.” Ya Nu was about to reject this when Luo Qing Chen tied up the bandage on the side, “Just recuperate properly! It won’t get better for at least ten days to half a month!”

“Eh.....” Ya Nu stuttered with a choked tone to his voice.

He was grateful to everything in his life. He had Du Jiu Sheng and Luo Qing Chen.

-

When evening came, the colourful sunset fell over the Cold North Palace.

Although many things had happened today, there was an inexplicable warmth in everyone’s hearts.

Since there were two patients at home, it was Luo Qing Chen who cooked today. Although the dishes couldn’t compare to Du Jiu Sheng or Ya Nu’s, it was still not bad.

“Un.....” Du Jiu Sheng took two bits and gave a thoughtful nod.

Luo Qing Chen was surprised, “What? Does it taste bad?”

“Eh, eh, eh.” Ya Nu who was covered in bandages didn’t forget to shake his head. Then he thought that something was off, so he gave a nod.

“Shaking your head and then nodding, what does that mean?” Luo Qing Chen picked up a spoon with a frustrated expression. When she was about to eat, Du Jiu Sheng said, “It’s that our Qing’er cooks too deliciously.”

“Wa! You two are teaming up to bully me!” Luo Qing Chen opened her eyes wide as she acted angry and glared at them.

“No, no, no.” Du Jiu Sheng shook his head, “Don’t misunderstand Ya Nu. Ya Nu’s meaning is that your cooking is too delicious, so you don’t misunderstand.”

“Then what do you mean!”

“My meaning is that Qing’er’s dishes are delicious too!”

“This is more like it.” Luo Qing Chen proudly raised her head, “You two disabled people have to please me during this time since it’s related to whether you can eat fish or meat or.....

“Or what?”

“Dirt!”

As soon as her voice fell, Du Jiu Sheng smiled for the first time since noon.

Ya Nu also laughed along.....

A dinner filled with laughter. Even if they had their own thoughts, it didn’t disturb their harmony.

But what they didn’t know was that two other people in the Eastern Palace also had their own thoughts.

Du Qi Chao sat in front of his desk as he kept thinking about Luo Qing Chen and Yue Leng Qing’s match in the afternoon.

She used a branch to fight and each move was so fast that he couldn’t even see them clearly. By then, she had already defeated Yue Leng Qing.

Impossible.....

He couldn’t be more familiar with Luo Qing Chen, it was impossible that her martial arts was that good.

Even if she had changed from a caterpillar to a butterfly, it couldn’t go that fast.

Martial arts took several years or several decades to train, it was impossible to change the tide that quickly.

Why, so why?

At the same time, in the Dreaming Moon Pavilion.

This was the pavilion that Du Qi Chao specially built for Yue Leng Qing. It was covered in cold and resplendent decorations.

Yue Leng Qing couldn't stop the throbbing in her heart. Everything that happened at the gates of the Eastern Palace played again and again in her mind.

She had thought that it was because Luo Qing Chen's strength had left a deep impression on her, but what was imprinted on her mind was Du Jiu Sheng's expression.

This was her first time seeing Du Jiu Sheng. Those indifferent and proud eyes had made her feel like she was seeing herself.

So familiar.....

x

Chapter 2584: Loving the prince, but he doesn't know (30)

She couldn't tell anyone about this feeling.

Whether it was Du Qi Chao or Du Jiu Sheng, she couldn't say anything.

Yue Leng Qing closed her eyes, letting that cold figure linger in her mind.

But even when she fell into her dreams, that figure never faded.

-

Since Du Jiu Sheng was injured, there were many 'guests' that came to the Cold North Palace over the next few days. Some were maids and some were harem girls.

Sending food, sending medicine, and even sending quilts.

Luo Qing Chen thought that even if the Cold North Palace was a cold palace, it was still the palace of a prince!

How! Could! It! Lack! Quilts!

"Miss Luo, please help me pass this quilt to young master Jiu. He shouldn't catch a cold in this cold weather."

Luo Qing Chen looked at the large quilt and a difficult smile appeared on her face, "Alright....."

As soon as her voice fell, Luo Qing Chen didn't hesitate to close the door. Holding this quilt, she walked in without any expressions.

Du Jiu Sheng who was about to head into the study saw the quilt Luo Qing Chen was holding and didn't forget to say something, "Why is it another quilt? You've bought many quilts over the past two days."

"Bought?" Luo Qing Chen laughed at this before revealing a cold smile, "Young master Jiu, these were all given to you by your fangirls. There are many ginseng supplements in the warehouse as well! I'm afraid that your life is even better than the crown prince!"

“.....” Du Jiu Sheng was surprised before he couldn’t help saying with a smile, “You won’t even call me big brother Jiu Sheng and now you’re calling me young master Jiu!”

Du Jiu Sheng strangely felt happy seeing her being jealous.

These days had been truly blissful.

It would be great if it could continue like this. How good if he didn’t need to care about the world or power.

“Isn’t it because big brother Jiu Sheng has too many fangirls that I’m angered to death!” Luo Qing Chen hugged the quilt and stomped her foot, “Although I have a bad temper, these girls are coming here in the snow and I can’t just reject them!”

“I had Ya Nu reject them before and he would be embarrassed so he would accept some.” Du Jiu Sheng said with a smile, “If Qing’er has objections, then you don’t need to accept them.”

“Wa.” Luo Qing Chen revealed an indignant look, “You say it so easily! Slapping smiling people’s faces, don’t you know! They are here to give you free stuff, why wouldn’t you want it!”

“It turns out that our Qing’er is very diligent and thrifty!” Du Jiu Sheng patted her head, “Very good.”

“Kou, kou, kou.” There was a familiar knock that rang out.

The corners of Luo Qing Chen’s mouth that were about to reveal a smile instantly stiffened at this knocking.

“Good your head!” Luo Qing Chen forcefully put the quilt in Du Jiu Sheng’s hand, “I have to ask young master Jiu to put this large quilt in the warehouse! In another few days, our Cold North Palace might become rich!”

“Ah?” Du Jiu Sheng was surprised, “Qing’er, where are you going?”

“Me?” Luo Qing Chen gave him a look that said you know and you’re still asking, “I’m going to store more quilts.”

As her voice fell, she headed to the south gate. Du Jiu Sheng watched her leave and he couldn’t help revealing a faint smile.

Everything was so warming.

“Which maid is it this time!” Luo Qing Chen said as she opened the door, but it wasn’t a maid that was outside, rather it was a eunuch.

Based on the markings on his uniform, he should be of high rank.

“Miss Luo, this servant is the eunuch of the crown prince’s Eastern Palace.” Eunuch Sheng gave a bow, “His highness invites miss Luo to the Eastern Palace and requires the miss to come alone.”

Chapter 2585: Loving the prince, but he doesn't know (31)

Luo Qing Chen felt her heart tremble as her mind went blank.

But she had to stay calm on the surface or the other side might be able to see something.

"I wonder, why is his majesty looking for this servant?" Luo Qing Chen calmly looked up with a sparkle in her eyes.

Eunuch Gong calmly looked down and said, "What miss Luo should know is that in the palace, it's a taboo to ask questions."

Luo Qing Chen knitted her brows and didn't reply.

Eunuch Shen continued, "When the masters want something, the servants aren't qualified to ask and are even less qualified to say no."

Seeing the meaningful look in eunuch Shen's eyes, Luo Qing Chen was even more unsettled.

This eunuch had been in the palace for many years and could see through the hearts of the masters.

She didn't have her supernatural powers and even if she had good martial arts, she might not be able to break free of the cage of the palace.

Let alone the fact that there was Du Jiu Sheng and Ya Nu.....

"I understand." Luo Qing Chen gave a slight nod, "Eunuch, please wait a bit. I'll go and change first."

"Alright, please hurry."

When she went back to the west wing, Luo Qing Chen changed out of the clothes Du Jiu Sheng bought for her and changed into the pink maid uniform. She even put on the maid's hairpiece.

Sitting in front of the bronze mirror, she closed her eyes and calmly spoke to herself. She told herself that she couldn't be impulsive no matter what.

The previous host was owed the bloody revenge of sixty six lives and whenever she saw Du Qi Chao, there was an unspeakable hatred that appeared in her heart.

She was afraid that she couldn't take it and do something.

She had to be vigilant of herself as she had important people to protect now. Patience wasn't a sign of cowardice, but rather it was the silent way to protect her most important people.

Luo Qing Chen took a deep breath before slowly opening the door. The fine snowflakes fell on her face as a familiar figure appeared in front of her.

"Big brother Jiu Sheng....." Her body trembled. Her voice even trembled slightly when she called his name.

It was as if as long as she looked into his deep eyes, she couldn't hide a single thing.

“I.....”

“Don’t go.” Du Jiu Sheng’s right hand patted her head as he looked at her with a gentle look, “Leave it to me.”

“No.” Luo Qing Chen firmly shook her head, “Since he came looking for me, he must have a reason.”

“I’m not willing to let you go!” Du Jiu Sheng bit his lip. There was a faint sparkle in those deep eyes that lit and dimmed that was like the world in his heart.

He knew what kind of person the crown prince was. He was very ruthless and didn’t hesitate to do anything he had to to reach his goal.

The destruction of the Luo Family was done by the crown prince. Now that Luo Qing Chen was being summoned alone, how could he not be worried?

“Big brother Jiu Sheng.....” Luo Qing Chen took a deep breath before calmly looking at him, “Our power isn’t enough to openly confront the crown prince right now. Maybe we can get our revenge in time, but now is not the time.....”

She knew that she was speaking the truth and she was using the truth to suppress Du Jiu Sheng.

But Du Jiu sheng didn’t care that he couldn’t disobey the crown prince, he just wanted to protect her, alright?

“I disagree!”

Looking into those beautiful eyes, Luo Qing Chen knitted her brows. She reached out her hands to hug him, “Big brother Jiu Sheng, believe in me. I will definitely come back and I’ll come back safely.”

He just froze as he stood there. After a while, he raised his hand to pat her head, “One hour. If you’re not back by then, I will go to the Eastern Palace to ask for you.”

x

Chapter 2586: Loving the prince, but he doesn’t know (32)

When she came out, eunuch Shen had been waiting a long time.

When she came out, she didn’t forget to turn to look at Du Jiu Sheng.

In the white snow, he stood there with his hands behind him and a dark look in his eyes. His eyes were filled with an emotion that no one could understand.

But she could and she could accept it.

No matter how many thorns were ahead, for him, she would work hard.

After all, there was still so much time to spend together.....Yes.....They would spend it together!

-
From the Cold North Palace to the Eastern Palace, the road wasn't long, but Luo Qing Chen felt like it took a lifetime.

This place was like a ghost fire that filled one's heart with fear.

She admitted that she really was afraid.....

That Luo Qing Chen who had gone to so many worlds without fear of life and death was actually afraid.

And she was afraid of death.....

He, he, how vulgar!

"Miss, this way please."

"Un."

Eunuch Shen brought her in through a side door and she didn't meet any maids when she came in.

It seemed that Du Qi Chao had sent the others away for her arrival. The reason should be to not let Yue Leng Qing know about this.

Truly a thoughtful person.....

The ones in this world that were pure and ruthless weren't scary, the scary ones were the ones who had ideas.

Eunuch Shen stopped at a stone wall and he slowly came forward to press a switch on the wall.

A door suddenly opened.

"Miss, please come this way. His highness is waiting for you inside." Eunuch Shen softly said, "This servant won't go in."

"He, he." Luo Qing Chen couldn't help giving a cold laugh when she saw the hidden room behind the stone wall, "The place that your highness has set for the meeting really is strange."

"Miss, please don't forget....." Eunuch Shen replied, "There are only the arrangements of the masters in the palace and the servants can't ask too much."

Luo Qing Chen knitted her brows when she heard this and directly walked in without saying a word.

After passing through a narrow corridor, what she saw was a finely decorated study.

Du Qi Chao was sitting at the desk, it was unknown what he was writing. When he heard the footsteps, he said with a very faint smile, "You're here?"

"This servant greets your highness." Luo Qing Chen gave a proper bow with a calm look in her eyes, even her voice didn't fluctuate in the slightest.

"With the relationship between this highness and you, there's no need for you to call yourself a servant." He looked up into her indifferent eyes with narrowed eyes as his heart filled with doubt.

Although he didn't like Luo Qing Chen back then, he was very clear on her personality.

The daughter of the prefecture governor, she was arrogant, willful, and pretentious. She once rebuked his most important senior sister in the Eastern Palace, but she had already paid the price for this!

Yes! Her entire family!

"Reporting to your highness, this servant is a servant. Qing Chen knows the heavy crimes of the Luo Family....." She lowered her head and said with a deep breath, "Now that I have received my retribution, this servant just wants to live a peaceful life."

When she said this, she felt that her heart was pressed on by a large stone.

But she knew that she had to say this.....

"Heavy crimes....." Du Qi Chao repeated before revealing an evil smile to look at Luo Qing Chen, "How do you know that they are guilty?"

He was testing her.....

"The entire Luo Family has been taken to repay miss Yue, there is only this servant left who doesn't care about life and death....." Luo Qing Chen paused before saying, "If your highness wants this servant's life, you can take it!"

x

Chapter 2587: Loving the prince, but he doesn't know (33)

She didn't know if this 'self confession' would be any use, but she could feel Du Qi Chao's killing intent.

"But you just said that you wanted to live a peaceful life....." Du Qi Chao narrowed his eyes, "Is it because of ninth brother?"

Du Qi Chao looked at her with a look of scrutiny, trying to find even a single clue from her indifferent eyes.

He felt that he shouldn't care about leaving the life of this past prefecture governor's daughter, but he found that he did care yesterday.

He cared about why she changed so much and he cared about the relationship between her and Du Jiu Sheng.

She had changed into the clothes of a palace maid today, but yesterday she was wearing her own clothes.

It meant that she had been prepared today.

With his personality, he would investigate once he had doubts in his heart. It was like when he was back on Three Emotions Mountain, once he loved Yue Leng Qing, he used all kinds of methods to keep loving her.

“This servant is not familiar with the ninth prince.” Luo Qing Chen’s expression changed slightly, “There is only order and obedience between servant and master, this servant knows this.”

Du Qi Chao narrowed his eyes to look at Luo Qing Chen as he didn’t say anything for a long time.

Luo Qing Chen kept going over every word she said in her mind three times. There shouldn’t be a hole anywhere.

Although she didn’t know why Du Qi Chao called her here today, his silence proved that there was nothing wrong with what she said.

“It sounds good.” Du Qi Chao coldly looked up and put down the pen and paper in his hands, “I wonder if the prefecture governor was too obedient to his master that his entire family was killed.”

She could feel the flames burning in her heart, but her expression was calm.

Du Qi Chao was aggravating her and he had reached such a vicious level.

The entire Luo Family was killed and sixty six lives were lost, but it wasn’t worth a thing in his eyes.

Now in order to fish out her bottom line, Du Qi Chao didn’t stop himself from using this method to force her to reveal her ‘true self’.

After all, in Du Qi Chao’s mind, her martial arts were unfathomable.

No matter how he thought about it, he had absolute reason to doubt this. The person standing in front of him wasn’t Luo Qing Chen, or.....she wasn’t the original Luo Qing Chen.

“How could this servant understand the matters of the court?” Luo Qing Chen said with a fake sigh, “It’s just life.”

Even if the flames of hatred burned in her heart, she didn’t show them at all.

Du Qi Chao was testing her and she would endure.

One hot and one cold, when they collided, the one who was the most calm was the winner.

After another long period of silence, Luo Qing Chen knew that she had won.

“A servant is a servant.” After a while, Du Qi Chao gave a cold snort. He threw the letter in his hand on the ground and looked at Luo Qing Chen to say, “Give this letter to eunuch Shen outside. You can leave.”

He knew that Luo Qing Chen didn’t reveal her bottom line, but he couldn’t force out her bottom line.

There was plenty of time. They were all in the palace and there was a way to find a breakthrough.

Du Jiu Sheng, Luo Qing Chen.....

He truly didn’t believe that the two of them were just master and servant.

After all, the scene of Du Jiu Sheng holding the sword and protecting her was still on his mind. Luo Qing Chen picked the letter off the ground and said with a bow, "This servant will leave."

Chapter 2588: Loving the prince, but he doesn't know (34)

Opening the door to the secret room, she let out a long sigh of relief when the white snow reflected in her eyes.

So tired.....

Facing an enemy, one that had a blood feud, she couldn't hold a knife and had to bow down.

At this moment, she couldn't help asking herself, was she still that Luo Qing Chen that didn't fear anything even when the sky fell?

With a weakness, she could become his armour.

Du Jiu Sheng had died for her many times and protected her many times, why wouldn't she use a single compromise to protect his life?

She cared about this world because this world had him.

"It seems like miss has done what this servant has told the miss." Eunuch Shen revealed a happy smile when he saw her coming out unharmed.

Luo Qing Chen handed the letter to eunuch Shen, "This eunuch was.....helping me?"

When Du Qi Chao was 'talking to her', she had been stunned. But when she thought of what eunuch Shen told her before, she understood that she could use the master and servant identity to avoid this danger.

"The prefecture governor has once helped this servant." Eunuch Shen frankly said, "Although this servant is now doing things for his highness, this grace has not been forgotten."

As soon as his voice fell, eunuch Shen took the letter and said, "The situation in the Mo Country is unstable and the world is in chaos, miss should remember to take care of herself and be patient."

Luo Qing Chen was surprised. Only after a long time did she give a nod, "I understand. Thank you."

-

On the way back to the Cold North Palace, the snow gradually became smaller. The sun broke through the clouds to fall on her face. Although it wasn't warm, it shined through the fog in her heart.

Standing at that familiar crosspath, at the endless hallway, she closed her eyes. She felt the silence that belonged to the Cold North Palace, feeling the beauty of this place.

When the cold wind whistled by her ear, she thought about what to say when she saw Du Jiu Sheng.

It should be, "Look, I told you I would be back safely!"

Or, "Big brother Jiu Sheng, I just came back from a walk in the Eastern Palace! That place is quite boring!"

Or perhaps, "It's just a crown prince. I can see right through his heart."

.....

Before she could think it through, she had fallen into a warm embrace.

Du Jiu Sheng's familiar mint smell had a bit of a chill to it, but she still felt very warm when he hugged her.

"Qing'er, I really was afraid....." Du Jiu Sheng hugged her with so much strength that his arms trembled. He said word for word, "I really don't know why I'm like this and don't even know if this is still even me. But I know that.....I really didn't have the courage for you to leave me."

Not understanding at first, but it had to be understood in the end. He didn't care why she approached him, but he knew that it would be good if she stayed by his side to the end and didn't leave midway.....

"We'll be fine and we'll keep going."

After thinking so much, she finally said these words that were different.

She was willing to be with him always, no matter how difficult it was, no matter what the situation was, as long as he was there.

There wasn't a need to take revenge for the blood feud, she didn't need to kill Du Qi Chao, she could ignore Yue Leng Qing.....

"As long as you're by my side. I will get everything that I want and give you everything you want." Du Jiu Sheng narrowed his deep eyes that had a trace of determination in them.

x

Chapter 2589: Loving the prince, but he doesn't know (35)

When Du Jiu Sheng said this, Luo Qing Chen actually felt panic.

What she was thinking was different from what Du Jiu Sheng said. She wanted to finish her life in peace, but Du Jiu Sheng suddenly had a different thought in mind.

"Big brother Jiu Sheng, what do you want to do?" Luo Qing Chen's eyes trembled slightly, "Oh right, did you come here to pick me up?"

"I just sent off Yue Leng Qing." Du Jiu Sheng gently let her go and knitted his brows, "I never thought that she would come to the Cold North Palace when the crown prince had you go to the Eastern Palace."

Luo Qing Chen was surprised before knitting her brows, "What did she come to the Cold North Palace for?"

This Yue Leng Qing was interesting. She didn't seem like a Mary Sue or a white flower, she should be a cold girl.

If she wasn't on the other side, she might not even hate her.

But she couldn't understand why she came to the Cold North Palace.

"She sent some medicine." Du Jiu Sheng softly said, "It seems like she made a trip to apologize for what happened yesterday."

!

What? Send medicine? Apologize?

"Why would she send medicine to big brother Jiu Sheng!" Luo Qing Chen angrily put her arms at her hips, "She must be coveting big brother Jiu Sheng's handsomeness!"

Ulterior! Motives!

"Qing'er, there's some problem with these words!" He took her hand and helped pat the snow off her before leading her forward.

"No problem, no problem!" Although Luo Qing Chen followed Du Jiu Sheng, she didn't forget to mutter, "This Yue Leng Qing must have fallen in love with big brother Jiu Sheng!"

"Don't worry....." He revealed a faint smile with a sparkle in his eyes, "I don't like her."

He had always lived in the palace alone, not caring about the government, not caring about the future, not caring about marriage.

Loneliness was the helpless passing of life.

Until he had her and that bitterness turned into happiness.

How could he like anyone else?

"Of course I know that big brother Jiu Sheng doesn't like her." Luo Qing Chen slightly knitted her brows, "I'm worried about the crown prince."

That kind of ruthless person would do anything to achieve his goals.

If he knew that his beloved Yue Leng Qing brought medicine to Du Jiu Sheng, it was hard to imagine the consequences.

"I know." Du Jiu Sheng took her right hand and gently rubbed her palm, "So there are a few things that must progress."

His voice was a bit low and his hand holding hers was very tense.

"You.....What are you planning on doing?" Luo Qing Chen felt her heart come to her throat. This kind of Du Jiu Sheng made her more scared.

Because whether it was the situation in the palace, the favour of the harem, or the battle between the north and south factions.

The empress and crown prince had absolute power. If Du Jiu Sheng went against the crown prince, it was like throwing an egg against a stone.

She couldn't help him, not one bit.

If she came to this world when the Luo Family hadn't been destroyed yet, if she came half a year earlier, everything could have changed.

But she didn't have powers, didn't have a system, and didn't even have a family.....

Even with her martial arts, she couldn't resist a hundred guards. She was afraid that she couldn't protect him.

"Qing'er....." He called her name. Standing at the entrance of the Cold North Palace, his eyes looked deeply at her, "Since you chose to be by my side, I won't let you live in fear."

When the crown prince called her away this time, he became even more certain of his thoughts.

Since he wanted to keep her by his side, no matter who it was, they couldn't call her away.

Other than himself!

Chapter 2590: Loving the prince, but he doesn't know (36)

"I'm not afraid....." Luo Qing Chen took a deep breath, "The crown prince is too strong right now, we can't fight him with just the two of us alone."

"Don't worry." Du Jiu Sheng gave a chuckle, "I won't put you in danger."

"But you will put yourself in danger, right?" Luo Qing Chen let go of his hand and honestly looked at him as she said word for word, "If something happened to you, if I'm called by the crown prince, you won't be able to pick.....pick me up....."

When she said the final words, her voice strangely choked up. If it wasn't for the two of them living in peace, she didn't need to compromise at all and she could take the previous host's blood vengeance without hesitation.

But she made so many sacrifices to live a normal life with Du Jiu Sheng.

Seeing her eyes turn red and her aggrieved look, he quickly reached out to hug her, "Don't be angry, don't be angry.....I definitely won't let myself be in danger. But keeping a low profile doesn't mean that others won't want to harm us."

He had accumulated power over the years just so he could protect himself one day.

But now it seemed like he couldn't use it to protect just himself anymore.

"Humph." Luo Qing Chen gave a soft snort from his embrace, "You have to promise me that you'll bring me no matter what you do."

The ancient people always said, not born on the same year, month, and day, but hoping to die in the same year, month, and day.

If god didn't let her have a happy ending, then dying together was considered 'happy' for her.

"Alright!" Du Jiu Sheng nodded before softly patting her head, "Is our little sister Qing Chen not angry anymore?"

"I wasn't angry earlier!" Luo Qing Chen took Du Jiu Sheng's hand again, "I was worried!"

Although she was only a teenager in this world, her heart was of an old monster already.

Your heart wasn't good when you got older, especially after learning tragic lessons. When there were winds blowing, she felt her heart beating fast without slowing down.

"It was my mistake, I shouldn't have made you worried." Du Jiu Sheng gave a sign, "I will slowly take back everything that belongs to us in a safe manner."

Of course, that included the sixty six lives of the Luo Family.

Both he and Luo Qing Chen knew who was the killer. His girl didn't take revenge because she didn't want to put him in danger, but.....he had to take revenge for her.

"Alright!" Luo Qing Chen nodded, "Big brother Jiu Sheng is right. The crown prince calling me this time could be avoided with words, but that doesn't mean that it will be the same the next time."

They really couldn't let themselves be passive, but their powers were too lacking to fight head on.

She didn't know what Du Jiu Sheng's plan was, but it was the right thing to do to plan ahead for their safety.

"Un! It's good that you're not angry!" Du Jiu Sheng gave a chuckle, "In order to make up for making little sister Qing Chen worry, I'll personally cook lunch today."

"Your hand is still injured!" Luo Qing Chen pursed her lips, "Let me do it! Although I'm not a great chef, I can still make edible food!"

"Let's make it together." Du Jiu Sheng patted her head before heading in.

But when they opened the door, there was the scent of food that hit them.

Standing not far away was Ya Nu. Seeing that they were back safe, he let out a sigh of relief before revealing a smile.
