Chapter 2711: Silly and sweet: The lost granddaughter of the rich man (62)

Mo Ling who was standing not far away trembled as a faint sparkle appeared in his eyes.

Luo Qing Chen's mind turned and she vaguely remembered that when she first talked to Mo Ling, he asked her not to go back to school.

Was it.....because of a girl?

"Classmate Luo dropped a doll just now. I couldn't give it to her by the time I caught up." Gu Hong Fei gave the doll to Tan Xiao before saying, "Help me give classmate Luo this doll!"

"Eh....."

"Right!" Gu Hong Fei took out a bottle of yogurt from her bag, "Give this to her as well. If she drinks more yogurt, she will feel better."

Without knowing why, Luo Qing Chen, who had planned on just watching, suddenly came to the door. When she saw Gu Hong Fei, she said, "Hey! Come in!"

"Ah?" Gu Hong Fei was surprised, clearly not being able to come back to her senses.

Luo Qing Chen looked at her bag and saw that there was a doll that was very similar to the one in her hand.

"Yi, you also have this doll!" After Luo Qing Chen took the doll of Lu Jue Feng from her hand, she acted dumb as she asked, "Classmate, where did you get your doll from!"

"Young miss....." Tan Xiao gave her a wink from the side, but she pretended like she didn't see anything.

After experiencing so much, while she wasn't the best at other things, if she said that she was number one at reading people, no one dared to say that they were second.

This Gu Hong Fei, she felt that she was a pretty good girl.

When you met a good girl, it wasn't wrong to pull her in.

[The host is clearly just having fun!]

"Aiya, my god!"

"You.....What's wrong?" Gu Hong Fei was scared by Luo Qing Chen.

She gave an awkward laugh. Actually, she was the one that had been scared just now, alright?

The system that hadn't appeared in several hundred years, why did it suddenly speak and scare her?

Ze, ze, ze! Aren't you the one having fun?

[The system wants to have fun! (* ^ - ^ *)]

Oh! Then be quiet!

[Oh.....]

"It's fine, it's fine." Luo Qing Chen waved her hand and said, "Come in, come in! I've heard Mo Ling mention you before and I've finally met you in person today!"

"!" Mo Ling turned to look at Luo Qing Chen with a surprised look. He wanted to say something, but it was stuck in his throat.

"He.....normally talks about me?" Gu Hong Fei's eyes trembled as her lips couldn't help curling.

Tan Xiao standing on the side was even more surprised. It had to be known that the three words Gu Hong Fei were Mo Ling's weakness.

How could he mention them.....

"Yes!" Luo Qing Chen pursed her lips to look at Mo Ling, "She came here all by yourself and you're not asking her to sit."

"Young miss....." Mo Ling knitted his brows, "We're dealing with a difficult matter right now and outsiders.....outsiders shouldn't get involved."

Gu Hong Fei revealed a disappointed look when she heard this, but she didn't keep going. She just gave the bottle of yogurt to Luo Qing Chen with a deep breath, "I won't bother you anymore, I'll be leaving first."

"Ai!" Luo Qing Chen wanted to stop her, but Mo Ling spoke first.

"Young miss, we should deal with our matters first." He knitted his brows and said, "This matter must have reached the old master's ears, so we need to think of a countermeasure first."

"Think of a countermeasure?" Luo Qing Chen took Gu Hong Fei's hand and brought her over to the couch before saying with a faint smile, "Why do we need a plan? Did you get trapped in a dead end?"

Chapter 2712: Silly and sweet: The lost granddaughter of the rich man (63)

Luo Qing Chen's words stunned everyone here. Even Gu Hong Fei who just came in was a bit confused.

The entire school was spreading the rumour that Luo Qing Chen was a fake and there was no one that could stop the pressure of public opinion.

If the rumours weren't stopped now, the consequences would be disastrous.

"Young miss, do you already have a plan?" Tan Xiao thought about it before saying, "Could it be that you already know who spread this information?"

"Is it important who spread it?" Luo Qing Chen said with a faint smile, "Not to mention that your young master Feng should already be finding her."

"Then does young miss have a plan to calm this situation down?" Mo Ling's eyes flickered. He wanted to look at Gu Hong Fei, but also didn't dare.

Luo Qing Chen gave a shrug, "It's simple!"

"What should we do? How many people do we need?" Tan Xiao said in a serious voice, "I'll prepare them."

"Wa! You really can't think this through." Luo Qing Chen shook her head with a helpless smile, "The truth will always be the truth! Grandfather and I just need to do another paternity test, what other countermeasures are needed?"

"Si!" Everyone was surprised before taking a cold breath.

They had really complicated this matter. They had based everything on how to convince people that this lie was the truth.

But they never thought that Luo Qing Chen was real in the first place!

"But....." Tan Xiao knitted his brows, "Even we aren't sure that the young miss is the old master's real granddaughter, why is the miss so certain?"

"Un humph?" Luo Qing Chen looked up with a smile, "Didn't you say that there were many people who came pretending to be your young miss?"

"Yes!" Yan Ze pursed his lips and said, "Many people....."

He didn't like or hate Luo Qing Chen, but she had made Yan Tong leave and also made Yan Tong leave Lu Jue Feng's side.

He was selfish, so he was a bit confused now.

"Why would they pretend to be Luo Qing Chen?"

"For money and fame." Tan Xiao said word for word, "So that's why young master Feng had thought that it would be best that this 'young miss' didn't appear."

"It's a pity that he's dying of regret now." Mo Ling couldn't help cutting in with a tease.

"Puchi." Luo Qing Chen couldn't help laughing, "Then why do you believe me like this?"

"It should be because you've gotten to know each other!" Gu Hong Fei slowly said, "Only people who have gotten to know each other know that your character is superior to others."

Mo Ling was surprised, but he didn't say anything.

Tan Xiao said with a nod, "It's indeed like this. So I don't think that the young miss is pretending to be the old master's granddaughter for money and fame."

"You know best that I don't need those things!" Luo Qing Chen said with a smile, "Do I need those crude things with my abilities?"

"Si!" Tan Xiao's eyes opened wide as he looked at Luo Qing Chen, "You, you, you, you, you.....You're admitting it? You went.....from the villa to the hospital with a 'whoosh'?"

Everyone looked at Tan Xiao with confused looks and only Mo Ling could understand a bit, but he didn't understand everything.

Luo Qing Chen calmly took two sips of the yogurt Gu Hong Fei gave her, "I never denied it!"

"My god!" Tan Xiao gave a gulp, "Too.....Too much!"

"Don't be surprised like this." Mo Ling helplessly shook his head, "Go and find young master Feng. Young master Yan, go and investigate who is spreading these rumours."

Chapter 2713: Silly and sweet: The lost granddaughter of the rich man (64)

At the same time, on the roof of the school.

Yan Tong gave a casual throw and pieces of paper fell into the school yard.

Lu Jue Feng was standing not far away with narrowed eyes, releasing a coldness from his body as if he wanted to freeze everyone around him.

"Young master....." Yan Tong's eyes were filled with a faint sparkle as she turned to look at Lu Jue Feng, "Why don't you believe me? She is a fake, she really is a fake! She might be approaching you for other intentions!"

When Yan Tong said this, she could feel the pain in her heart. Why didn't Lu Jue Feng believe her?

If he believed her, then that Luo Qing Chen wouldn't have a chance.

How could this fake have been that young miss for all those days!

"Other intentions?" Lu Jue Feng's deep eyes had a bit of gentleness in them as he revealed a faint smile, "I hope that she approached me with other intentions."

"Why?" Yan Tong's voice choked up when she heard this. It was like she went crazy as she threw the stack of paper down and roared out, "Didn't the young master protect her because she was the young miss? That was why you let her approach you?"

It's like this, it had to be like this!

This was the final line of defense in her heart, but why was she so afraid? She was afraid that this final line of defense would collapse at any moment.

Poems about Life Page 5

"I'm protecting her not because she is the young miss." Lu Jue Feng's cold eyes narrowed and looked at her like cold arrows, "You've followed me for all these years and you really don't understand anything."

"Young master.....It can't be that the young master likes her.....The young master wouldn't....." Yan Tong bit her lip and muttered to herself as tears fell one by one.

This was a dream, it was like a fairy tail dream.

She had been beside him and those girls couldn't approach. There was no one by his side and he never looked at another girl.

Only her, only her, only her.....

But now.....

"I don't like her?" Lu Jue Feng seemed to be asking himself as he revealed a smile.

A few seconds later, it was like he saw through his heart and said with a chuckle, "It should be deep love."

It was very hard for Lu Jue Feng to face his heart in the past, but now he felt it was a very warming thing.

This was the joy of having her in his heart!

"I don't believe it!" Yan Tong roared out, "I don't believe it! I will never believe it! Young master, she is a fake!"

"So what?" Lu Jue Feng coldly looked at Yan Tong, "It's quite good if it really is like this. At least I don't need to ask the old master to marry her."

If she was, he could also be assured in being a son in law.

The area fell into silence and Yan Tong didn't say anything.

Her eyes were hollow. She thought that Lu Jue Feng would hate Luo Qing Chen after the truth was revealed, but she never thought that not only would he not hate her, but rather.....Rather those cold eyes would fill with this kind of warmth.....

After a while, she gave a cold laugh and her eyes turned very sharp as she said word for word, "But you can't protect her. She is a fake and mister L won't let her off. Ha, ha, ha, ha, ha, ha, he absolutely, absolutely won't let her off!"

Yan Tong laughed wildly and threw the pieces of paper off the roof like she had gone crazy.....

Chapter 2714: Silly and sweet: The lost granddaughter of the rich man (65)

Lu Jue Feng ignored her. This matter was tricky and he had more important things to do.

He dialed Yan Ze's phone and said, "Go find Yan Tong on the roof of building A. Don't let her run off."

After saying this, Lu Jue Feng didn't stay at school and directly drove to the Luo Manor.

Luo Bai Wan sat in the living room with a dark look and Chen Nan was beside him with knitted brows.

"Old master, about the young miss....." Lu Jue Feng came forward and was about to explain.

But before he could finish, Luo Bai Wan angrily slammed his cane down, "Who is it? Who dares spread rumours like this? Do they think that there's no one in the Luo Family?"

Lu Jue Feng was surprised. Luo Bai Wan didn't have any doubts about Luo Qing Chen and believed that she was real without hesitation.

Why was this?

"Young master Feng, I won't hide anything from you now that matters are like this." Chen Nan explained, "Actually, the young miss looks exactly like the old madam when she was younger. Although the old master had another wife later on, he could never forget the old madam. So he never doubted the young miss from the moment that he saw her."

Chen Nan paused before continuing, "Their first meeting wasn't in the Luo Manor."

Over the next half an hour, Chen Nan spoke of matters that even someone who thought of everything like Lu Jue Feng didn't know.

Luo Bai Wan first saw Luo Qing Chen on the street and it was just a quick look.

But because Luo Qing Chen was so familiar to the old madam, he had Chen Nan investigate this matter.

The investigation didn't take long and soon he got all the information on Luo Qing Chen.

Before Luo Qing Chen went to the hospital for a paternity test, they had already tested her.

After all, it was easy for the Luo Family to get something like her hair.

So the second time Chen Nan only did a test to let Luo Qing Chen feel assured, but he never thought that there would be this incident.

Chen Nan also investigated this matter in just a single day.

There was no need to mention this matter, but they never thought that someone would create a fuss over this.

"Da, da." Anxious footsteps rang out and two people wearing black suits came in. They looked at Chen Nan before looking at Lu Jue Feng.

Chen Nan waved his hand and said, "Speak!"

"Yes." One of them said, "It's been investigated, it was.....it was Yan Tong who used to follow young master Feng."

"Yan Tong?" Chen Nan knitted his brows to look at Lu Jue Feng, "You....."

"Don't doubt me." Lu Jue Feng laughed at himself before saying, "I used my life to protect her."

"I know." Chen Nan narrowed his eyes, "The assassins at the square had been arranged by Yan Tong as well! We have already caught several of them outside of the country and we have confirmed the trajectory of the bullet. But since I've never seen Yan Tong again, I thought that.....you had already taken care of it."

“I’ve had Yan Ze find her.” Lu Jue Feng looked up and said, “I wanted to come back and explain to the old master first.....”

“Un. We’ve already sent someone to deal with the young miss matter, you don’t need to worry about it.” Chen Nan looked at him and said, “Go and pick up the young miss from school, the old master is worried that she will have random thoughts.”

“Yes, yes, yes, quickly bring Xiao Qing back!”

“Alright.”

Chen Nan came to the door with Lu Jue Feng. When he sent him off, he didn’t forget to say with a smile of deep meaning, “Does young master Feng regret sending killers after the young miss the first time?”

Lu Jue Feng trembled before saying with a bitter smile, “It’s too late for regret.”

Chapter 2715: Silly and sweet: The lost granddaughter of the rich man (66)

If he knew that he would love her this much one day, so much so that he didn’t care about his life, he would have designed a hero saving the beauty scene to make her fall in love at first sight.

“Ha, ha, ha.” Chen Nan couldn’t help laughing, “You young people! You’re too impulsive when you do things. I knew that you were doing this for the old master’s sake, but there are some tribulations that can’t be avoided.”

“Uncle Nan, I don’t want to hide it.” Lu Jue Feng seriously said, “After this incident is over, I hope that uncle Nan will help me say a few good words to the old master.”

“Ke, ke.” Chen Nan cleared his throat before saying with a faint smile, “The young miss is the darling of the old master’s heart, you have to bribe me with quite a bit.”

Lu Jue Feng said with a chuckle, “Alright.”

-

This matter was handled much faster than Luo Qing Chen expected. There was a personally recorded video by Luo Bai Wan that explained the matter to everyone that was played on the big screen at school in the afternoon.

Luo Bai Wan was known as an all powerful tycoon in the business circle, so he always crushed rumours like this and never explained it to anyone.

But today he used his identity as a grandfather to tell everyone that Luo Qing Chen was his granddaughter. He also attached a DNA report and a picture of his former wife.

Everyone was stunned when they saw this picture. Although the picture was a bit old, they could see that their eyes were very similar.

At the end of the video, Luo Bai Wan said something that was considered a threat and protection.

“No one is allowed to bully my granddaughter, those that do already no longer exist.”

The people who had laughed at Luo Qing Chen and rolled their eyes at her in the morning when her identity was still in question were now trembling with pale faces.

Who dared to go against the Luo Family?

Luo Qing Chen didn't go back to school in the afternoon after being picked up by Lu Jue Feng. It was said that the blonde haired girl Xia You You looked for her for a long time.

Luo Family's cafe.

"This kind of person really is a small person that follows the trends." Tan Xiao didn't forget to tell Luo Qing Chen after hearing about this, "Young miss, you mustn't forgive her."

"Forgive?" Luo Qing Chen took a sip of her coffee, "I don't even plan on meeting her."

Everyone was responsible for what they say and what they do.

Since they decided to provoke her, it meant that they had already decided to bear the consequences.

"Handsome, handsome, handsome!" Tan Xiao gave a thumbs up, "I like this kind of young miss!"

The cold wind blew and snow fell from the sky. Luo Qing Chen put her cheek in her right hand as she watched this by the swimming pool on the first floor.

Mo Ling and Gu Hong Fei seemed to be talking about something. Then Gu Hong Fei pushed him and she used quite a bit of strength as her foot slipped and she almost fell.

It was at this time that Mo Ling finally took her hand.

The three in the cafe revealed knowing smiles. It seemed like bringing Gu Hong Fei to the Luo Manor was the right decision.

"Ai, you're all in pairs and I'm all alone." Tan Xiao said in a sad voice, "How can I live on like this!"

"Don't you still have Yan....." Luo Qing Chen thought of something and her eyes fell onto Lu Jue Feng.

At the same time, Lu Jue Feng also looked at her and slightly knitted his brows.

It was because this matter was resolved so quickly and he had smoothly brought her home, so even he had forgotten about Yan Ze.

"What is it?" Tan Xiao realized that this atmosphere wasn't right, so he asked with slightly knitted brows, "Why isn't Yan Ze back yet?"

Chapter 2716: Silly and sweet: The lost granddaughter of the rich man (67)

In a dark bar, there was no one there since it was the afternoon.

In the VIP room, Yan Tong was drinking glass after glass of wine while Yan Ze silently sat there beside her.

Lu Jue Feng wanted him to bring her back, but he knew in his heart that if he really brought her back, with the personality of the old master and with Luo Qing Chen's current status in the Luo Family, Yan Tong wouldn't be able to survive.

He liked her that much, how could he just watch her die?

"Why.....Tell me why?" Yan Tong gave a bitter smile. She poured the red wine in her mouth and silently said, "Why does the young master like her that much? She is a fake!"

"She isn't a fake." Yan Ze looked down and said with a sigh, "The young miss is the old master's granddaughter....."

"Impossible!" Yan Tong's eyes opened wide and she grabbed Yan Ze's collar with her right hand, "Didn't you see the report? She isn't mister L's granddaughter, she is just a fake!"

"She is." Although Yan Ze wasn't willing, he still told Yan Tong the truth.

"There was a problem with the test. The old master had already tested the young miss and....." Yan Ze took out his phone to play the recording that Luo Bai Wan had played at school.

Also, the picture that looked very similar to Luo Qing Chen.

He didn't know how to persuade Yan Tong. He only knew that if he didn't tell her the truth, she might do something even more crazy.

Luo Qing Chen had Lu Jue Feng protecting her, so if she had any strange thoughts.....

"No!" Yan Tong shook her head in disbelief, "This can't possibly be true.....It has to be fake....."

"Tong Tong!" Yan Ze saw that she was about to lose control and grabbed her by the shoulder, "Give up! You are just torturing yourself like this!"

He couldn't bear to see Yan Tong like this. The girl that he liked for so many years, he just wanted her to be well.

"I won't." Yan Tong gritted her teeth and drank the complete bottle of red wine, "I won't give up, I won't even if I die."

"I....."

"I know that you won't bring me back." Yan Tong coldly looked at Yan Ze, "Since you're not planning on bringing me back, then you have no right to control what I do."

As soon as her voice fell, she put on her black coat and left the VIP room.

Yan Ze watched her leave. He wanted to reach out to grab her, but he felt like he lost all his strength at that moment.

It was at this time that his phone rang.

The caller ID was: Lu Jue Feng.

-

At the Luo Family's cafe.

Yan Ze walked in step by step in an exhausted manner. His head was lowered and he was covered in the scent of alcohol.

"You were drinking?" Tan Xiao knitted his brows, "Where's Yan Tong?"

"I couldn't find her." He said in a soft voice as he buried all his worries in his heart.

Mo Ling walked in with dark eyes, "Is it because you didn't find her or you weren't willing to bring her back?"

Yan Ze couldn't suppress the emotions in his heart and he roared with a cold laugh, "You are all monsters without any emotions! Who did Yan Tong do all of that for? Don't you know that if Yan Tong was brought back, it would be the same as killing her? Are you all that selfish?"

Gu Hong Fei standing on the side who didn't plan on speaking couldn't hold herself back when she heard Yan Ze's words spoken from the moral high ground, "So Qing Chen was framed and ridiculed by others because she deserved it? Then based on what you said, as long as there's justification, even murderers don't need to be punished by the law?"

Chapter 2717: Silly and sweet: The lost granddaughter of the rich man (68)

Yan Ze's blood had rushed to his head and he couldn't accept anyone criticizing Yan tong.

Let alone a person who was unrelated to this matter.

He gave an angry roar and charged at Gu Hong Fei.

Luo Qing Chen and Mo Ling were surprised at the same time before quickly standing in front of Gu Hong Fei.

This was someone that she brought back, so she had to protect her.

"What do you want to do?" Mo Ling's eyes became extremely cold.

There were some people that had an unbearable weight in his life. He could leave her because of his status or other reasons.

But he definitely wouldn't let anyone hurt her.

"Yan Ze." Luo Qing Chen narrowed her eyes to look at him, "I urge you to clearly think about what you are doing. If you don't want to stay in the Luo Family anymore, I can talk to grandpa for you."

Compared to Mo Ling, Luo Qing Chen was calmer.

She expressed what she wanted to express very clearly. Some people are worth giving up everything for, but some people weren't.

If Yan Ze stayed in the Luo Family and continued as one of the four young masters, he would have a bright future.

But if he chose to be with Yan Tong, she didn't care. It all depended on what Yan Ze chose.

Gu Hong Fei's body trembled. She wasn't scared by Yan Ze, but rather Mo Ling and Luo Qing Chen's reactions.

The icing on the cake wasn't like coal sent in the storm. The more dangerous it was, the more one could see through someone's heart.

Luo Qing Chen was a friend worth making and Mo Ling.....he still cared about her!

"He, he....." Gu Hong Fei calmed down and looked at Yan Ze not far away before giving a cold laugh, "I never thought that among the four young masters rumoured to be gentlemen, there's one that could make a move against a girl. Truly shameless."

"I didn't." Yan Ze gradually calmed down and calmly said, "I don't care if you believe it or not, but I don't hit women."

His expression was very ugly, or it should be called filled with embarrassment.

At that moment, he felt that he had shamed the four young masters....."

"Enough." Lu Jue Feng who had never spoken until now finally spoke, "Where's Yan Tong?"

"I don't know....." He looked down with a bit of frustration.

Since leaving the bar, he never saw Yan Tong! Most likely Yan Tong didn't want to see him!

"You're lying." Gu Hong Fei knitted her brows, "She did all those bad things and you're still covering for her."

"I'm not lying!" Yan Ze's face turned red, "Just like how I didn't really want to hurt you, I just....."

"I don't believe it." Gu Hong Fei looked over with a faint sparkle in her eyes.

She wasn't someone who was aggressive, she wanted to believe what the other person said.

But she really looked down on Yan Tong's behaviour. Not seeing other people's good points and only doing these disgusting things.

When she was with Mo Ling, she had seen Yan Tong several times.

Those ice cold eyes and that proud personality as if she couldn't put anyone in her eyes.

She didn't have any good feelings towards this woman then. She wasn't a noble princess, so why did she look down on everyone like she was above them?

She naturally knew why Yan Tong hated Luo Qing Chen that much. It was because she was jealous of her in her heart.

She was jealous that she was the real princess, that she can be protected by Lu Jue Feng and the four young masters.

She felt that everything belonged to her, but in reality.....even if Luo Qing Chen didn't appear, they didn't belong to her at all.

Chapter 2718: Silly and sweet: The lost granddaughter of the rich man (69)

Lu Jue Feng looked at Yan Ze before calmly saying, "He really doesn't know where Yan Tong is. After all, he can't stop Yan Tong either."

The reason why he had Yan Ze look for her was because he guessed that Yan Tong wouldn't obediently come back. If it was Tan Xiao or Mo Ling, it was very likely that they would fight.

Yan Tong had followed him for many years and her skills weren't bad. Mo Ling should be fine, but Tan Xiao wouldn't be a match for her.

At least if Yan Ze went looking for her, there wouldn't be a conflict between them.

"Young master Feng, why don't you just let Yan Tong go?" Yan Ze carefully said, "She.....She never did anything that bad!"

"What do you consider bad?" Luo Qing Chen calmly said with calm eyes and a voice that didn't have any fluctuations.

"I....." It was because Luo Qing Chen had a different status than Gu Hong Fei that he was a bit speechless when she asked this question.

His words were stuck in his throat and he couldn't say a thing.

"What's done is done. Although I'm not a narrow minded person, I'm not that magnanimous either." Luo Qing Chen narrowed her eyes and looked at him, "But I also won't forgive her."

"But old master.....old master.....Old master won't let her go." Yan Ze was very conflicted. He understood the reason, but he really couldn't watch Yan Tong coming back to be punished.

"She won't be much safer outside." Lu Jue Feng took a sip of his coffee before saying with a calm look, "Uncle Nan has already given the order and people both on the light and dark side will be rewarded if they catch Yan Tong first."

"Will they.....they hurt Yan Tong?"

"Hurt?" Lu Jue Feng gave a cold laugh, "Uncle Nan's orders didn't say that she had to be brought back alive."

"What?" Yan Ze staggered back when he heard this and his face turned pale.

This was the second reason why he asked Yan Ze to see Yan Tong. It was impossible for mister L to let Yan Tong go, so coming back and being punished was the best result.

But since Yan Tong wasn't willing, it was unrelated to him.

After all, they had been acquainted for a while and she did many things for him. If it wasn't for the fact that she targeted the person he cared about the most, he might even help her.

But right now, it was even more impossible for him to forgive her.

The dark side of his heart didn't even want to see her come back alive.

-

Time passed very quickly and half a month went by, but there was no news on Yan Tong.

As expected of someone Lu Jue Feng found, she was very good at investigating and counter espionage.

Luo Qing Chen often called Gu Hong Fei over to play. Like this, she and Mo Ling saw each other more and they were no longer as awkward as before.

During this time, Luo Qing Chen also had a general understanding of what happened between Mo Ling and Gu Hong Fei.

They used to be a couple, but they separated.

The four young masters of the Luo Family weren't as omnipotent as they seemed on the surface, they also had enemies. Mo Ling had the best skills and did many things for mister L, so naturally he had many enemies,

Gu Hong Fei was still his girlfriend back then and he didn't expect that his enemies wouldn't let her off, directly targeting her.

Although they didn't get Gu Hong Fei, they got her little brother.

In the end, Mo Ling saved her little brother, but her little brother had a broken leg and had to stay in bed for two months.

Mo Ling was filled with guilt and even though he compensated the Gu Family with a lot of money, he still felt guilty.

But while he blamed himself this much, Gu Hong Fei and her little brother didn't blame him at all.....

Chapter 2719: Silly and sweet: The lost granddaughter of the rich man (70)

"My little brother likes playing basketball very much. There are many trophies at home from him participating in tournaments at school."

On a lazy afternoon, Luo Qing Chen and Gu Hong Fei were drinking milk tea in the luxurious cafe in front of the Luo Manor. This seemed to be the end of the story.

"Your little brother must like you very much, so he can't bear to blame you or Mo Ling." Luo Qing Chen pursed her lips into a faint smile.

"Yes!" Gu Hong Fei nodded, "Me and my little brother thought that Mo Ling would treat me better, but we never thought that he would break up with me."

"He did it to protect you." Luo Qing Chen talked about protection for the first time as an outsider. Her mind couldn't help thinking about everything that had happened in a certain special world.

Girls could understand this so-called protection, but they couldn't accept it.

"I know." Gu Hong Fei gave a nod, "But that doesn't mean that he had to leave! I don't want to leave him!"

“You won’t leave each other.” Luo Qing Chen said with a chuckle, “Mo Ling isn’t willing, he is just torturing himself.”

“Really?”

“Un.” Luo Qing Chen narrowed her eyes brows and looked in a certain direction like she was looking far away, “There used to be a person who used his life to exchange for someone’s long life, but he still came back with another identity.”

“Ah?” Gu Hong Fei knitted her brows as if she didn’t understand what she meant.

Luo Qing Chen shook her head, “It’s nothing.”

“What are the two beauties talking about?” A vibrant voice rang out. Luo Qing Chen turned to see Tan Xiao walking over with different kinds of greeting cards in his hand.

“A girl’s secret.” Luo Qing Chen pursed her lips and said, “Not telling you.”

“Che.” Tan Xiao gave a pretend disdainful roll of the eyes, “You’re about to get married and you’re still calling yourself a girl!”

Luo Qing Chen was surprised before looking at the card and revealing a smile, “He talked to grandpa!”

“Un.” Tan Xiao said with a nod, “I don’t know what they talked about, but they were in the room for five to six hours! When he came out, he let out a sigh of relief and had a relieved look.”

“Ha, ha.” Luo Qing Chen said while laughing, “I really want to see his relieved expression.”

“Ze, ze! The young miss is so bad!” Tan Xiao put the greeting card on the table, “The old master loves you this much, so young master Feng must have spent quite a bit of effort passing his test. Choose your wedding card properly, it’s set for Christmas in two months.”

“A good day, I like it.” Luo Qing Chen flipped through the cards and finally chose a card that matched the theme of Christmas.

“You’re done?”

“Un.” Luo Qing Chen said with a nod, “You talk, I’ll go look for Lu Jue Feng.”

“Aiyo, aiyo.” Tan Xiao couldn’t help teasing her, “You already can’t wait to see your future husband!”

“What does it matter to you!” Luo Qing Chen gave a shrug before instantly refuting, “Single people aren’t qualified to speak, they can only hide in the corner and be jealous!”

“I.....You.....” Tan Xiao’s face turned red in anger instantly and he put his hands at his hips for a long time before finally saying, “Brother is single because he doesn’t let a single petal from thousands of flowers stain him, alright? You guys don’t know how many people want to be my girlfriend, but I.....”

“That.....Young master Tan, you can talk about that. Let me out first.” Gu Hong Fei didn’t want to interrupt him, but he blocked the door and wouldn’t let her out.

“Where are you going!” Tan Xiao turned and looked at Gu Hong Fei’s rushed appearance to say, “Why don’t you have some coffee here if you have nothing to do?”

Gu Hong Fei was a bit surprised as she never thought that Tan Xiao would talk to her like this, but she immediately recovered. She learned from Luo Qing Chen and put her hands at her hips to say, “What does it matter to you! Single people aren’t qualified to speak, they can only hide in the corner and be jealous!”

“Hey, it’s fine if the young miss teases me with her wedding.” Tan Xiao’s face was red as he looked at her, “You, you, you.....You’re also single, how can you refute me like this!”

“Who told you she was single?” There was a cold voice that rang out and a figure came out from behind Tan Xiao.

Mo Ling had a calm look on his face. Other than his eyes being a bit more focused, there was nothing else different.

He moved past Tan Xiao and decisively took Gu Hong Fei’s hand before turning to head to the door.

“You, you, you.....Do you know what you’re doing?” Tan Xiao’s eyes opened wide as he stood there with a stunned look.

Was this person crazy? He did all he could to pull himself away and now he was planning on heading back?

Mo Ling replied with a faint smile, “What does it matter to you! Single people aren’t qualified to speak, they can only hide in the corner and be jealous!”

As soon as his voice fell, he took the stunned Gu Hong Fei’s hand and left Tan Xiao’s vision.

Tan Xiao was so angry that he fell to the ground as if he had lost all his strength.

Luo Qing Chen walked through the long halls to Lu Jue Feng’s room. Although they lived in the same villa.

The villa was really very big and it took ten minutes to walk from her room to Lu Jue Feng’s room.

The hall had an European design, so it was easy to get lost if you didn’t know where you were going.

“Lu Jue Feng.....” Luo Qing Chen gently knocked on the door as she called out.

The sound insulation of the room was very good and she couldn’t hear any sounds from inside. Her knocking was loud and she didn’t know if the other side could hear her.

Seeing that there was no response, Luo Qing Chen knocked on the door again and still there was no response.

The room was opened with a fingerprint or a password. Luo Qing Chen remembered the password from Lu Jue Feng’s hotel room the first time, 1111.

She put the four numbers in, but all she received was ‘du, du, du’ notification.

Wrong password?!

Does this person like to use 2222 instead of 1111 now?

Luo Qing Chen tried with 2222 and it was still wrong in the end.

When she was very frustrated, there was a text that came from Lu Jue Feng.

(The password is 7520. ——Lu Jue Feng)

What was 7520?

Moreover, why didn't he open the door when he clearly knew that she was outside!

Luo Qing Chen angrily put in 7520 and angrily shouted after opening the door, "Why didn't you open the door for me?"

There was no one in the room and there was the sound of water splashing in the bathroom.

Luo Qing Chen looked over to see Lu Jue Feng coming out of the bathroom wrapped up in a towel.

There was a faint cherry blossom fragrance in the air that made this scene seem a bit familiar.

"You knocked so loudly that I could hear it from the bathroom."

"Ke, ke." She cleared her throat and then picked up the remote control for the air conditioner from the table. She came up in front of him and put the remote to his forehead before saying with a sweet smile, "Mister Lu, I advise you not to move around. I can't use the M745 pistol well and if it accidentally goes off, you really can't blame me."
