Chapter 2751: Asking about love in Jianghu: A medicine man without a heart (Part 23)

"Wife?" Blind Wolf revealed a smile, "This old blind man has only learned today that the wife number one ranked swordsman on the Sword Trial Mountain Villa's ranking is an immortal medicine man."

Everyone suddenly took a cold breath.

"What did you say?" Fourth young master Hua was shocked, "You're saying that she's an immortal medicine man?"

"Isn't your purpose for coming here to get the immortal medicine man?" Blind Wolf gave a cold laugh, "You are still fighting over meaningless things."

"Ze, ze, ze." Fourth young master Hua narrowed his eyes and revealed a smile, "This is your fault hero Long Yin. Since you've found the immortal medicine man, why are you still sneaking around? This is the treasure of the Jianghu, it should be shared."

The eyes of Fang Rou standing beside Feng Chen Yin lit up. The stone that had been in her heart fell to the ground.

This was great.....That girl wasn't Feng Chen Yin's wife, nor was she the person he cared about.

The reason why he held her hand and protected her was because she was the immortal medicine man, not because she was his wife.

"Then can I ask other than fourth young master Hua, who else needs the immortal medicine man?" Feng Chen Yin's voice was very cold, almost not having a trace of warmth in it.

This cold voice was for fourth young master Hua and the others, but also for himself.

He felt that they were greedy and despicable because of their selfishness.

But he wasn't any good either. He was also using her blood to save Gu Dai Xiang, so he brought her along and.....protected her.....

"The immortal medicine man's life no longer belongs to her alone." The Red Sleeves Divine Nun firmly said, "Now that there are fights all over the martial arts world, everyone wants the immortal medicine man. If someone with intentions receives her, it will harm the entire martial arts world."

Ze, ze, ze, these words really were filled with morals. Luo Qing Chen felt it was laughable when she heard this.

Her life didn't belong to her? Based on what?

"So who does the Divine Nun of Mount Emei think the immortal medicine man's life belongs to?" Feng Chen Yin spoke in a cold voice. Although his words were respectful, his voice was extremely cold.

"Divine Nun.....Teacher needs a bit of blood from the immortal medicine man, it won't harm her. If possible, can you give her to my Mount Hua Faction?" Hua Yu asked the Red Sleeves Divine Nun in a soft voice.

The Red Sleeves Divine Nun didn't respond and just looked at Feng Chen Yin, "This lowly nun thinks that it's best for her to stay at Mount Emei for now. One, she is a woman and two, my Mount Emei can protect her."

"I heard that the elder of Mount Emei was poisoned because of a dispute in the Jianghu and has only relied on medicine and true energy to survive. Now....." Feng Chen Yin gave a cold laugh, "Could it be that you want to use her blood to save your elder's life?"

"Feng Chen Yin." The Red Sleeves Divine Nun was exposed and angrily said out of shame, "This is my Mount Emei's matter, there's no need for an outsider like you to judge."

"Then why should she, the immortal medicine man, need your instructions?" Feng Chen Yin immediately replied. His voice was as cold as ice and his eyes were as deep as ink, with a trace of killing intent.

"You....."

"Ze, ze, ze." Fourth young master Hua waved the fan in his hand and said, "Although I feel that it is wrong for hero Long Yin to lie to us, I really do admire your words. The righteous sects all care about themselves and pretend to be selfless, saving the people of the world. It really is disgusting."

Chapter 2752: Asking about love in Jianghu: A medicine man without a heart (Part 24)

"Fourth young master Hua, shut your mouth for me!" Hua Yu angrily roared, "In front of the Divine Nun, you have no right to speak."

"Whether I have a right to speak is up to me. She is your elder and not mine." Fourth young master Hua gave a shrug before saying with a cold smile, "I didn't grow up eating her rice, how am I not qualified?"

"Rat." Red Sleeves Divine Nun coldly said, "My Mount Emei is indeed looking for the immortal medicine man, but if this lowly nun says that we can protect her, then we can't protect her."

"The problem is that she doesn't need your protection." Feng Chen Yin said with a cold smile, "I won't let others hurt her! If you want to come, come together!"

He was too lazy to waste words with them. They were just a bunch of wolves in sheep's clothing acting as a righteous sect.

"Pa, pa, pa." When fourth young master Hua heard this, he couldn't help applauding Feng Chen Yin, "I like hero Long Yin's spirit!"

As soon as his voice fell, everyone looked at each other. Hua Yu was the first one to charge forward, raising his sword as he said, "Let me experience the Refining Mountains and Rivers of the number one swordsman!"

"I'm afraid you can't take it." Feng Chen Yin looked up at Luo Qing Chen with narrowed eyes, "Take this horse to a safe place and don't get off along the way."

"You....." Luo Qing Chen was surprised. Feng Chen Yin knitted his brows and said, "There are too many of them, you leave first."

“But, if I go alone.....”

“They can’t get on horses to chase you.”

“No, no, no, you’re saying that you want to deal with them all alone?”

“It’s more than enough.” He gently raised his hand to pat her head, “I’ll be distracted if you’re here.”

Then as soon as his voice fell, he slapped the horse’s back. With a single slap sound, the horse started running off.

Luo Qing Chen didn’t hear all of what Feng Chen Yin said, she just heard him pull out his sword and coldly say something.

“If you want to catch her, you have to step over my corpse first.”

Actually, Luo Qing Chen didn’t want to run.....

After all, this wasn’t a special world. She had the Phoenix Dance Sword, alright?

Face them head on! It was like she owed the world since she was born and she needed to save everyone!

Based on what? Did she eat everyone’s rice?

—

“Divine Nun, you chase the immortal medicine man first. We’ll stop Feng Chen Yin.” Hua Yu said, “I hope that the Divine Nun will spare a bowl of the medicine man’s blood for my master.”

The Red Sleeves Divine Nun said with a nod, “Alright, I promise you.”

“Then I’ll thank the Divine Nun!”

Blind Wolf coldly said, “You want to stop Feng Chen Yin with just you. Do you really think that the Refining Mountains and Rivers is such a normal martial arts?”

“What does it matter to you!” The Red Sleeves Divine Nun said, “Rou’er, there’s you as well. We’ll go chase after the medicine man.”

“Yes, master!”

The great martial arts battle was about to break out.

There was a bit of snow coming down. Feng Chen Yin raised the Falling Maple Sword and his eyes became indifferent.

Whether it was Hua Yu or fourth young master Hua, they couldn’t last more than ten moves. It seemed that even if he didn’t use the skills of the Refining Mountains and Rivers, the world would change colours for him.

The ones that challenged him fell one by one and soon there were people lying all around him.

He didn’t kill, but he also didn’t show mercy.

The final one to fall was Blind Wolf. His wolf with a broken leg laid by him licking his wound while howling.

He narrowed his eyes, but he found that Fang Rou and her master the Red Sleeves Divine Nun were gone.

"This is bad." Feng Chen Yin felt his heart skip a beat as he strangely panicked a bit.

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

Chapter 2753: Asking about love in Jianghu: A medicine man without a heart (Part 25)

Luo Qing Chen rode Feng Chen Yin's horse west and she didn't know where this horse would take her.

The Red Sleeves Divine Nun wouldn't have caught her that quickly, but some accidents happened along the way.

It was snowing too much and the horse was slowed by the snow. Also the Mount Emei people met people that supported them, so they flew over the snow and caught up to her.

With a 'xiu' sound, the Red Sleeves Divine Nun landed in front of her with Fang Rou and eight people from Mount Emei appeared behind her.

"You truly are lingering souls that won't leave." Luo Qing Chen coldly narrowed her eyes.

This kind of righteous faction, it really was disgusting.

"You can't run, come back to Mount Emei with us!" One of the people wearing orange clothes took out a sword, "Only we can keep you safe."

"My life is my own, I don't need you to protect me." Luo Qing Chen looked at them with a cold look on her clear eyes.

"Immortal medicine man, your existence will cause unnecessary disputes and struggles in the Jianghu." The Red Sleeves Divine Nun narrowed her eyes to say, "You must return to Mount Emei with us today."

"If I don't?" Luo Qing Chen gave a shrug before saying with a disdainful smile, "Are you so-called righteous people going to kill me to save the people of the world?"

Her voice wasn't soft or heavy, but each word was strong and filled with sarcasm.

"Since you said that your life is your own, why are you following hero Long Yin!" Fang Rou looked at her with eyes filled with confusion.

"What does it matter to you if I follow hero Long Yin?" Luo Qing Chen immediately took the Phoenix Dance Sword from the horse as she got off, "Do you still like him?"

"I....." Fang Rou wanted to say something, but she held back after the Red Sleeves Divine Nun looked at her with a sharp look.

She gritted her teeth and said, "I don't."

"Oh." Luo Qing Chen coldly replied, "I don't care if you do or not, it's fine as long as I do."

"You....."

"This is the reason I'm following him. Telling you this now, will you become happier or more disappointed?" Luo Qing Chen revealed a faint smile as she seriously looked into Fang Rou's eyes.

This tender eyes dimmed a bit and there was even a hint of jealousy and killing intent that appeared.

She couldn't see it clearly and didn't want to know.

"No matter what, we will take you to Mount Emei today." Fang Rou narrowed her eyes and coldly said, "If you don't want to be hurt, don't resist."

"Hurt?" Luo Qing Chen gave a cold laugh, "You think that you can beat me with just you?"

With Shen Qing Feng's protection, the previous host as the immortal medicine man didn't know any martial arts.

But she was different. The previous host couldn't resist, but that didn't mean that she couldn't.

"A little medicine man's tone isn't small." The Red Sleeves Divine Nun looked at Fang Rou, "Rou'er, I'll leave it to you."

"Yes, master!" Fang Rou replied and then quickly drew her sword as she looked at Luo Qing Chen, "I don't want to hurt you, but if you resist, don't blame my blade for being blind."

For the first time, she felt that her master's order was correct. From an unknown corner in her heart, she wanted this immortal medicine man to disappear from this world.

Because of what Feng Chen Yin said: She is my wife.

Chapter 2754: Asking about love in Jianghu: A medicine man without a heart (Part 26)

"Stop dawdling, alright?" With a 'xiu' sound, Luo Qing Chen pointed out with the Phoenix Dance Sword in her hand, "Come together!"

"He, he.....Truly bold!" The woman in orange was the one that attacked her first.

Without enough internal energy and poor swordsmanship. There was too much force and not a trace of rhythm.

Luo Qing Chen gave a cold laugh before jumping out. The Phoenix Dance Sword quickly cut the back of her hand.

The drops of fresh red blood fell onto the white snow and the smell of blood filled the air.

"It hurts....." The woman in orange's face turned pale. Although it was only a small wound, Luo Qing Chen couldn't control her strength when using the Phoenix Dance Sword, so it was deep.

"Junior sister!" Fang Rou was surprised. She couldn't see the moves between them and Luo Qing Chen had easily defeated her junior sister.

Although her junior sister's martial arts wasn't that good, it shouldn't have been that fast.....

The snow filled the sky. In her light dress and snow lining her long lashes, her eyes were ice cold.

“Stop wasting time, or you won’t have a chance when Feng Chen Yin comes.” Luo Qing Chen’s calm as water eyes sparkled as she looked at Fang Rou. She revealed a provocative smile as she said, “Although you.....never had a chance to begin with.”

“Wild words!” The Red Sleeves Divine Nun was a bit anxious. Before Fang Rou could even make a move, she sent out a palm at Luo Qing Chen.

Wherever the palm force went, the plum blossoms on the trees to the sides scattered.

Luo Qing Chen gave a cold snort. The Exquisite Ring on her right ring finger flickered with a faint golden glow as it surrounded the white snow around them.

It wasn’t as if she didn’t have internal energy. Shen Qing Feng transferred his internal energy to her before dying, but it took some time to integrate the internal energy.

Otherwise, she might not have had to use the Exquisite Ring’s power.

The Phoenix Dance Sword felt the power and the sword released a faint red glow. The red glow broke through the layers of palm force from the Red Sleeves Divine Nun and created a dazzling light in the snow.

When everyone came back to their senses, Luo Qing Chen’s sword was already placed at the Red Sleeves Divine Nun’s throat.

“Master!” Everyone from Mount Emei was shocked. They watched everything that happened with looks of disbelief.

“Does the Divine Nun still think that it’s only wild words?” Luo Qing Chen’s voice was still calm and her expression didn’t change.

Everything was as she had expected. She didn’t need Feng Shen yin’s protection and she just wanted to stay by his side. Cutely calling him master, acting proud from time to time, staying together in this suffocating Jianghu.

“You.....What kind of demonic skill was that!” The Red Sleeves Divine Nun’s eyes were open wide as she stared at Luo Qing Chen, “It seems like the immortal medicine man will not follow the righteous path! It will be a disaster for the martial arts world!”

“He, he.” Luo Qing Chen’s Phoenix Dance Sword entered the Red Sleeves Divine Nun’s throat a bit.

When the sharp sword touched the skin, blood immediately came out.

“Your Mount Emei’s martial arts is considered martial arts and mine is considered a demonic art?” Luo Qing Chen gave a cold laugh, “I really don’t know if you’re stupid or ignorant.”

“You.....Don’t you hurt my master.” Fang Rou’s face was pale and her voice trembled as she said, “Just tell me what you want.....”

“What do I want?” Luo Qing Chen revealed a cold smile as she said, “You really don’t have anything worth taking.”

Chapter 2755: Asking about love in Jianghu: A medicine man without a heart (Part 27)

In an instant, she felt that the snow on top of the tree nearby was falling fast.

It was similar to the scene of when she first met him.

"This lowly nun can't say anything if my skills can't compare." The Red Sleeves Divine Nun closed her eyes and said, "If you want to kill, do as you wish."

"Master, don't!" There was a group of voices that rang out.

Luo Qing Chen revealed a smile, "This is my first time feeling that your suggestion isn't bad. We don't have any relations or grudges, but you want to kill me, so you can't blame me if I kill you."

She suddenly felt the dark side of her heart.

But it didn't matter since she wasn't a chivalrous person that cared about the world.

"Medicine man, don't be impulsive." Fang Rou pursed her lips and said, "Hero Long Yin is the number one swordsman in the Jianghu and a true hero! If he knew that you killed the head of our Mount Emei, he would definitely hate you!"

If a person liked a person, they would definitely care about what they thought.

Since this medicine man said that she liked Feng Chen Yin, then she would want to seem perfect in front of him.

Just like her.....

She always wanted to show her best side to him.....

But it was a pity that there were too many things restraining them, there were too many obstacles between them.

"Is that so?" Luo Qing Chen looked up and said, "You know him quite well!"

"Every hero in the Jianghu has a righteous heart." Fang Rou knitted her brows, "They are not people that don't have distinction between right and wrong, killing innocent people."

"He, he." Luo Qing Chen gave two cold laughs before asking back, "According to what miss Fang said, you are taking me away for the righteousness of the Jianghu and me resisting is not knowing right and wrong, killing the innocent?"

If this double standard was in the modern era, she would be a big white lotus.

"I.....I didn't mean that! Don't misinterpret my words!" Fang Rou lowered her sword and looked at her to say, "If you really want to kill, kill me and let my master go."

"You're pointing a sword at me as we negotiate, how should I respond?" Luo Qing Chen didn't change her attitude because of Fang Rou's words.

Her eyes were still cold and hard to see through.

“Then what do you want!” Fang Rou gritted her teeth and said, “Stop playing around too much.”

“I don’t want your cheap life! If you want your master’s life, kneel and beg for it!” As soon as her voice fell, her eyes narrowed as a sparkle appeared in them.

It was as if she was the king of the Jianghu and no one could compare to the sharp glow in her eyes.

“What did you say?” Fang Rou was frozen on the spot. Even her junior sisters looked at Luo Qing Chen in shock.

Taking a person’s dignity was more cruel than taking their life. Luo Qing Chen wanted to step on Fang Rou’s dignity.

A person disliking a person could use many different methods to show this, but she wanted to use the most direct method.

If others were good to her, she would repay it a hundred times. If others were bad to her, she had no kindness for them.

I won’t offend anyone if they don’t offend me, that was the basic rule.

Since the Mount Emei people broke this principle, then it couldn’t be blamed on her.

“Rou’er.....Don’t kneel. A trivial medicine man can’t make you kneel.” The Red Sleeves Divine Nun couldn’t stand her disciple being humiliated, so she gritted her teeth as she glared at Luo Qing Chen.

“What a joke.” Luo Qing Chen didn’t feel angry at all and felt that the person in front of her was extremely stupid.

“You are the respected head of Mount Emei and you can’t even beat a medicine man. What a joke.”

Chapter 2756: Asking about love in Jianghu: A medicine man without a heart (Part 28)

In an instant, there was a purple glow that came from the northwest.

Luo Qing Chen knitted her brows.

She felt that it was a familiar person, but there was a coldness and unfamiliarity in that familiarity.

The Phoenix Dance Sword could feel the power of the person coming and the bell at the sword’s hilt made a sound.

As soon as that sound rang out, there was a powerful sword energy that came in her direction.

Luo Qing Chen slightly knitted her brows and quickly pulled back the Phoenix Dance Sword to block this sword energy.

The dark purple glow surrounded her and she bit her lip. The Phoenix Dance Sword scattered the powerful sword energy flying through the air.

But since the other side sneak attacked her, she felt her chest stiffen as she was forced back two steps.

She thought that she would make contact with the ground, but she fell into a cool and warm embrace.

"Young master Feng." Fang Rou was surprised. She called out Feng Chen Yin's name first before remembering the Red Sleeves Divine Nun and running over to help her up.

"Are you hurt?" Feng Chen Yin's low voice rang in her ears.

She shook her head, "No."

"Actually, I know you aren't." His voice was soft, but there was a hint of gentleness to it.

He didn't know why, he thought that fights in the Jianghu weren't related to him at all.

He thought that he would forever be alone, spending his life in peace.

But he never thought that meeting a medicine man would make his thoughts unknowingly change.

"Actually, I already knew that you were here." Luo Qing Chen thought about it before saying, "The tree to the northeast, right?"

Luo Qing Chen could see Feng Chen Yin's eyes tremble before they relaxed, "You really are smart."

"I wonder, is young master Feng and the medicine man done talking?" Another aloof voice rang out and each word was filled with arrogance.

Luo Qing Chen looked in the direction of the voice and finally saw who it was.

Qi Tian Ge, Qi Tian Ge, Qi Tian Ge.....

These three words, whether it was in the mind of the previous host or her, they wouldn't fade.

She hadn't been in this world for long, but this was her first time seeing Qi Tian Ge.

He was in a red and white robe. Standing in the snow, he looked so noble.

"What does it have to do with you if I talk to her?" Feng Chen Yin coldly looked up. His eyes were bloodshot as they were filled with killing intent.

His father, his big sister, if it wasn't for this man in front of him, how could they end up like that?

If his big sister wasn't poisoned, his encounter with her might have had a different beginning.

It wouldn't be him owing her because of a deal.

"Feng Chen Yin, do you really think that your Refining Mountains and Rivers is invincible!" Qi Tian Ge narrowed his eyes. There was a venomous dark purple glow that appeared in his right hand as he coldly said, "I also have an ultimate technique and it will be done soon."

The Soul Release Sutra.....The book that Gu Dai Xiang used her life to bring to him.

"So what?"

"I let you take her away and gave you enough medicine to keep her alive, but it wasn't so you could compete with me for the medicine man for her." Qi Tian Ge's eyes fell onto her and he revealed a smile, "With her, I will renew the Sword Trial Mountain Villa's rankings."

Finally.....He had finally waited until the day the immortal medicine man appeared to wash away the poison in his body!

"It's a pity that you're not in the Sword Trial Mountain Villa right now." Feng Chen Yin narrowed his eyes that had a cold glow to it. He softly said, "Without the elders helping you, do you really think that you are my match?"

Chapter 2757: Asking about love in Jianghu: A medicine man without a heart (Part 29)

With the snow blowing, the air around them was already freezing.

It was as if with just a single fuse, it would explode!

Qi Tian Ge naturally knew that he was suffering from the backlash of the Soul Release Sutra. The poison in his body was clashing with his true energy.

He was not Feng Chen Yin's match right now, but he had to obtain the immortal medicine man.

Being first in the world was in front of his eyes, how could he retreat?

He needed all of the immortal medicine man's blood, but that didn't mean that others knew that.

Then he could make a deal.

"Hero Long Yin is right. After all, we are not a match for someone like you who has the Refining Mountains and Rivers." Qi Tian He narrowed his eyes and revealed a very meaningful smile, "But we can make a deal."

Deal, it was another deal.

She had been making deals forever since coming to this world, but deals would depend on if she was willing or not.

"There's no deals between us." Feng Chen Yin's voice was ice cold. He hated Qi Tian Ge the most in this world.

If it wasn't for him, his dad wouldn't have died. If it wasn't for him, his big sister wouldn't have been poisoned. If it wasn't for him, he wouldn't need her blood.

Going in a circle, everything started with Qi Tian Ge.

"Why not? Don't you want to save her?" Qi Tian Ge's eyes filled with a bit of confusion. The 'her' he talked about was Gu Dai Xiang.

But he didn't know that Feng Chen Yin and Gu Dai Xiang were siblings.

In his eyes, Feng Chen Yin protected her because he loved Gu Dai Xiang.

"I don't need to make a deal with you and I can still save her." Feng Chen Yin coldly looked at him with a dim glow in his eyes.

He looked at Luo Qing Chen beside him, "We're leaving."

“Ze, ze, ze.” Qi Tian Ge looked at Feng Chen Yin and said, “I must take her today. No one is allowed to take her away.”

“Then come and take her!”

With a ‘shua, shua’ sound, there were several Sword Trial Mountain Villa elders that appeared around them.

They had just rushed over, Qi Tian Ge was just stalling for time.

This was the biggest battle in the Jianghu. Feng Chen Yin had been holding her hand the entire time with his other hand holding his sword, never letting go for an instant.

When one of the elders almost hurt Feng Chen Yin, she quickly raised her hand and used the Phoenix Dance Sword to block that attack.

“Qing Chen.....” Feng Chen Yin knitted his brows as he revealed a surprised look.

Although she had captured the Red Sleeves Divine Nun just now, he had thought that she had done it by taking advantage of an opportunity.

He never thought.....that she was so skilled.

“Ke, ke.” Luo Qing Chen raised the Phoenix Dance Sword and said with a smile, “It seems like it’s the first time master has called me by name.”

With a cold breeze, the bell on the Phoenix Dance Sword rang out. It was as if this sword had a sword soul and when meeting a powerful sword, it resonated.

“Be careful, their martial arts aren’t weak.” Feng Chen Yin revealed a faint smile.

Without knowing why, he liked this feeling. It was like a warm current flowing into his heart.

“Just fight if we can and run if we can’t.” Luo Qing Chen looked to the north, “The Medicine King Valley is surrounded by mountains, so they won’t be able to catch us.”

As soon as her voice fell, Feng Chen Yin’s right hand took her waist. He used his powerful qinggong skills to head off in the direction that she mentioned.

Un, she was a bit nervous.

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

Chapter 2758: Asking about love in Jianghu: A medicine man without a heart (Part 30)

When she heard that affection notification, she wasn’t that nervous anymore.

She didn’t see the slight gentleness that appeared under his ice cold appearance.

“Is it a peak or a cliff?” Feng Chen Yin knitted his brows as he looked down at the bottomless depths.

"It is and isn't." Luo Qing Chen pursed her lips, "These are the four peaks built by the Medicine King Valley to guard against enemies."

"They are here!"

Before Luo Qing Chen could finish explaining, they heard Qi Tian Ge's voice.

He ran over with a group of people, like wolves hunting a sheep.

Among them was Fang Rou who had been thinking of Feng Chen Yin the whole time.

She naturally didn't want to become enemies with him, but there was a certain place in her heart that wanted to see that immortal medicine man die.

If possible.....she wanted Gu Dai Xiang to die as well.

That way, no one would be able to catch Feng Chen Yin's eyes. Wouldn't she have a chance then.....

Luo Qing Chen slightly knitted her brows before pulling on Feng Chen Yin's hand with a smile, "Master, are you afraid of death?"

"Do you want to die with me?" Feng Chen Yin narrowed his eyes to look at her with a sparkle in them.

The strange feeling of wanting to get closer was like a ball of fire that kept burning the endless loneliness in his heart.

No one could see it, only he knew.

Even if she wanted to die with him, he felt that it was a beautiful thing.

"I'm not willing to let master die!" Luo Qing Chen said with a chuckle, "Please take my hand and believe in me."

Luo Qing Chen didn't forget to turn to make a face at the people running at them.

Then she pulled Feng Chen Yin's hand and jumped down.

At that moment, Feng Chen Yin unconsciously took her waist and held her in his embrace.

This was the most instinctive feeling in his heart. If one of them was to be hurt, it was him. If one of them must die, it should be him.

The Phoenix Dance Sword created a sharp wish through the air as she quickly pressed a mechanism under the cliff.

A platform came out from the wall and Feng Chen Yin holding her landed onto the platform.

The platform then quickly went back into the wall.

Everything.....returned to normal.

"Ah! It hurts a bit!" Luo Qing Chen touched the back of her hand and she could see Feng Chen Yin's hand covered in blood.

"You, you, you.....Master, you're hurt." Luo Qing Chen pointed at his hand. She revealed a guilty look, "Although there is a platform, there is some distance between the peak and the platform."

"It's a small wound." Feng Chen Yin calmly looked at it without any care.

"I'll wrap it up." Luo Qing Chen took some gauze from her storage space using the darkness of the cave, "There's a long passage here. After we leave, there should be a road that leads to the Magnet State. She.....should be there, right!"

"Yes." Feng Chen Yin lowered his head to watch her wrap it up as he softly said, "Where did you get the gauze from....."

"I brought it with me!"

"Then how did you know that she was in Magnet State?"

"I've been watching you!"

"....."

Suddenly it became very silent. So silent that only the sounds of their breathing and his heartbeat could be heard.

If she had a heart, it would already be beating very fast!

But this can't be blamed on her! Feng Chen Yin was cold no matter what happened. He didn't flirt, so she could only flirt!

There had to be one that made a move first between them!

Chapter 2759: Asking about love in Jianghu: A medicine man without a heart (Part 31)

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

Luo Qing Chen didn't see Feng Chen Yin's red ears, but that didn't mean that he wasn't nervous.

"Ke, ke." He gave a cough before pulling his hand back, "It's getting late, so let's rest here tonight and start our journey tomorrow!"

"Alright." Luo Qing Chen said with a smile, "Although I've never been here before, I've heard sect master Shen say that there's a lot of dried food here. I'll go take a look."

"Un." Feng Chen Yin said with a nod, "I'll go light the lamps."

Although she had heard Shen Qing Feng mention this place in her memories, she had never been here.

The Jianghu's forces had surrounded the Medicine King Valley, so the people of Medicine King Valley didn't have time to hide in this valley.

"This place is quite well made." Feng Chen Yin lit up the cave. They were surrounded by blue jade which looked very cool.

"I heard that it was built by the wife of a former Medicine King Valley sect master." Luo Qing Chen looked around, "From what I remembered, they were quite in love."

"I can see, there's even fine wine like Snow Peach Blossom." Feng Chen Yin looked at the wine on the ground, "This doesn't seem like a place to hide, but rather a place to rest."

Luo Qing Chen's eyes dimmed when she heard this. She found a stone bench and sat down, "Although our Medicine King Valley rarely got involved in the matters of the Jianghu, people who were seriously injured or poisoned often came to look for the sect master's help. He was very happy to help."

"Yes, I heard that senior Shen saved many people. It's just a pity that....." Although Feng Chen Yin's voice was light, there was a bit of a sigh to it.

"It's a pity that the Medicine King Valley no longer exists because of me." Luo Qing Chen laughed at herself, "Master, do you know? The Medicine King Valley's medicines were all picked and processed from very dangerous places by the senior brothers and sisters, but when strangers asked for medicine, we were never stingy."

Her voice choked up a bit when she said this. It should be the feelings of the previous host affecting her.

There was laughter that filled the Medicine King Valley. The senior brothers and sisters all cared for her, but the ending was that sad.....

"Qing Chen....."

"Master, I still remember that many people who came to the Medicine King Valley were people that sect master had once saved." Luo Qing Chen stood up and picked up a jug of Snow Peach Blossom, "Do you think that they are worthy of having morality of the Jianghu?"

"They aren't worthy of living in the Jianghu." Feng Chen Yin looked at her and took the Snow Peach Blossom from her hand, "Little girls shouldn't drink."

"So we should live in this cold Jianghu world." Luo Qing Chen slapped the table, "Master, I'm not a little girl, so I can drink."

"You are a little girl." Feng Chen Yin had a hint of gentleness in his eyes. It was so faint that one couldn't see it if they didn't look carefully.

"One cup."

"No."

"Master!"

"I never let my disciple drink."

Luo Qing Chen was surprised before blinking and saying, "Master, you've had other disciples before?"

This implication made it feel like he's had many disciples before.

"No." Feng Chen Yin opened the Snow Peach Blossom and took a sip, "Just you."

“Humph.” Luo Qing Chen gave a snort before taking the wine from Feng Chen Yin’s hands, “Master, I really am not a little girl. I am the immortal medicine man.”

Chapter 2760: Asking about love in Jianghu: A medicine man without a heart (Part 32)

It should be because the words “immortal medicine man” was too sharp that Feng Chen Yin was shocked under the glow of the lamp.

After a while, he slowly said, “I even forgot that I am a mortal in front of you.”

Age, sickness and death, no more than a hundred years.

This little girl in front of him who was no more than fifteen, she was an immortal medicine man who would live forever.

The distance between them seemed larger than he imagined.

“Master isn’t a mortal.” Luo Qing Chen reached out to touch her head, but she never thought that when her hand touched the flame, her heart filled with pain.

“Ah!” She called out even though she didn’t feel that it was painful.

But for some reason, just accidentally touching the flame was like being burnt by flames for her.

“What is it?” Feng Chen Yin tightly held her hand.

The skin was a bit transparent and the blood seemed to come out drop by drop from the blood vessels.

“You’re afraid of flames.....” Feng Chen Yin knitted his brows as he said this, “Such a small flame can cause such a large wound if you accidentally touch it.”

Luo Qing Chen bit her lip as she remembered one of the previous host’s memories.

The Medicine King Valley was located in the northwest Snow Mountains. It snowed all year round and she never experienced hot weather before.

Of course, the hottest place in the Medicine King Valley was the alchemy furnace. It was a place that Shen Qing Feng wouldn’t let her go.

No, it wasn’t that she wasn’t allowed to go, all medicine men weren’t allowed to go.

“I should be afraid of flames.....” Luo Qing Chen bit her lip and said, “This is bad! Do you think they know about this?”

“I didn’t know about it earlier, but now.....”

At the same time, at the top of the cliff.

Everyone watched the two of them jump down with astonished looks on their faces.

Fang Rou couldn’t control her emotions as she shouted out, “Young master Feng!”

Qi Tian Ge knitted his brows. He picked up a stone and threw it down the cliff. For a long time, there wasn't a single sound.

"This cliff is very deep." One of the elders said, "Could it be that they killed themselves?"

"Impossible." Qi Tian Ge narrowed his eyes that had a sharp glow to them before saying, "He still has someone to save, it's impossible that he would die for a medicine man."

"This Feng Chen Yin took this immortal medicine man to save....." Another elder knitted his brows and said, "Young miss Gu?"

"Yes!" Qi Tian Ge narrowed his eyes, "That woman....."

"Young villa master Qi, since he doesn't want to die, why did he jump off the cliff with that medicine man?" The Red Sleeves Divine Nun slowly said, "Could it be that there's something wrong with this cliff?"

"This junior doesn't know the specifics, but....." Qi Tian Ge said with a cold laugh, "I definitely don't think that Feng Chen Yin will commit a lover's suicide with a medicine man."

"Young villa master, what should we do now?"

Qi Tian Ge thought about it before saying, "Send two people to take turns guarding this place. We'll go back and look at the records, there's something strange about that medicine man's martial arts."

"Could it be that the young villa master of the Sword Trial Mountain Villa is scared of a medicine man?" The Red Sleeves Divine Nun were clearly unhappy about Qi Tian Ge's words.

Qi Tian Ge narrowed his eyes to look at the Red Sleeves Divine Nun before saying with a faint smile, "Do you remember the scene of the head of Mount Emei, the Red Sleeves Divine Nun being held hostage by a medicine man?"

"Who said that you could say that about my master!" The woman in orange clothing almost pulled out her sword, but the Red Sleeves Divine Nun stopped her.

She said with a cold snort, "Since the young villa master is this strong, we'll leave the medicine man to you."

"No problem. After we catch her, if the senior needs blood, you can come to my Sword Trial Mountain Villa."
