Chapter 2761: Asking about love in Jianghu: A medicine man without a heart (Part 33)

In the library of the Sword Trial Mountain Villa, the elders read for a long time before finally finding something.

The medicine man is afraid of fire.

“You’re certain?” Qi Tian Ge narrowed his eyes. The dark glow in his eye held an endless intention.

“Reporting to the young villa master.” One of the elders said, “I’m certain.”

“Then this is easy.” Qi Tian Ge said with a faint smile, “This medicine man is skilled, but she is very useful to me.”

“But that Feng Chen Yin.....seems to want to protect that medicine man.”

“Then you’re thinking too much.” Qi Tian Ge narrowed his eyes, “He is protecting that medicine man to save Dai Xiang. He doesn’t trust me, but I am also willing to save the person that he wants to save.”

“Young villa master.....”

“Prepare yourselves.” Qi Tian Ge looked up and said, “Send someone to find Gu Dai Xiang, they will definitely go looking for her.”

“Yes, young villa master.”

—

Below the cliff, the temperature dropped as night came.

Luo Qing Chen wasn’t afraid of the cold, but the back of her hand still hurt a bit.

Feng Chen Ying didn’t feel cold at all. He had light clothes, but a calm look in his eyes.

“Master, you aren’t afraid of the cold?” Luo Qing Chen softly asked this after seeing his slightly dazed eyes.

“I was before, but I’m no longer afraid because of a little girl.” He calmly replied with a faint glow in his eyes.

It was as if he could see her and as if he could see other people in her eyes.

In the snow that year, he knelt in the snow in thin clothes with blood oozing from him.

“Actually, we might have met before.” Luo Qing Chen looked up at Feng Chen Yin, “Do you remember? The Luo Family?”

She could see a different glow appear in Feng Chen Yin’s eyes.

“You.....”

“Long time no see. I wonder, has young master Feng been doing well?” Luo Qing Chen gave a chuckle as her eyes sparkled.

Actually, she didn't want to use the previous host's identity to admit certain things, but she felt that the atmosphere was good and she should say something.

"So it was you....." Feng Chen Yin looked at her for a long time before giving a sigh, "The Luo Family in the past....."

"Do you know?" Luo Qing Chen had a bit of doubt in her eyes. Although she had 10% affection in the beginning, she never thought that Feng Chen Yin was thinking about this matter.

"Un." Feng Chen Yin gave a helpless sigh, "I went back to look for.....survivors, but I couldn't find anything."

He wanted to look for her since she had been kind to him in the past.

In this world, she had been the only one who had been kind to him.....

"I was brought to the Medicine King Valley with only a single breath left, with no way to recover." Luo Qing Chen's voice was very calm as she recalled this, without a single ripple in it.

"So sect master Shen turned you into a medicine man?"

"Yes!" Luo Qing Chen leaned against the wall and closed her eyes to feel the cold from the stone wall, "He is a good person."

"Is becoming a medicine man hard?" Feng Chen Yin looked at her with a bit of pain in his eyes.

"No." Luo Qing Chen shook her head, "It's never been hard. The sect master was very good to us and I had many, many friends....."

She revealed a bitter smile when she said this and continued, "The only thing that was hard was watching my friends die one by one. In the end, I was the only medicine man left in the entire Medicine King Valley."

"Alright, don't say anything." Feng Chen Yin came to her side and put his coat over her, "You won't be alone in the future."

She had him.....

He would protect her.....

Chapter 2762: Asking about love in Jianghu: A medicine man without a heart (Part 34)

Feng Chen Yin's robe had a faint scent of bamboo to it and a bit of residual heat.

He gently patted her head and she shrank in.

The light of the lamp seemed to dim and everything around them became more peaceful.

After coming to this world, she strangely felt tired and there was a strange warmth in that tiredness.

Everyone seemed to be looking for her, everyone wanted to kill her.

But her master was seriously.....trying to protect her.

The road to Magnet State wasn't long, there was a path that led to the main road from the peak.

There were more people that passed by and they were all merchants.

There seemed less people from the Jianghu and everything became peaceful.

But they didn't know that it was just the calm before the storm.

"Master, are we almost there?" Luo Qing Chen held candied hawthorn in her left hand and pine nut cakes in her right hand, "It feels like we've left behind those strange Jianghu people, it feels quite good."

"Un, we'll be there soon." Feng Chen Yin's eyes looking at her became more and more gentle.

It was as if in the few days of traveling, he learned how to be a master and how to love his disciple.

"Will we meet them again?" Luo Qing Chen really didn't want to meet those people again.

The more they met, the more anxious they felt.

"Hard to say." Feng Chen Yin shook his head, "Qi Tian Ge won't believe that we died from jumping off the cliff."

It was right thinking about it. Qi Tian Ge was a person with a meticulous mind, how could he easily believe that they would jump to their death!

Feng Chen Yin looked at her slightly dazed eyes and said slowly said, "Don't worry, master will protect you."

"Master has many important people to protect." Luo Qing Chen pursed her lips and said, "Other than miss Gu and me, there's still a miss Fang Rou."

"I....." Feng Chen Yin revealed a helpless smile, "Why do I feel that you're being naughty with me....."

"I am acting naughty with master!" Luo Qing Chen took his arm and said, "Who told you to have love stories with young misses of the Jianghu?"

"What stories can a person like me have?" He could hear the meaning in Luo Qing Chen's words and said with a faint smile, "Being able to protect you and my big sister is enough."

[Ding, affection has increased by ten. Mission completion rate is now 50%.]

He wanted to wait until Magnet State to tell her his relationship with Gu Dai Xiang, but he wasn't willing to see her disappointed look.

Reluctance, can't bear it, not willing.....

"Ah? So it turns out that young miss Gu is master's big sister!" Luo Qing Chen acted surprised as she looked at him, "Is it a little big sister master has picked up in the Jianghu?"

"This little girl is so naughty....." Feng Chen Yin lowered his head and looked at her with a pampering helpless smile, "She is my biological big sister."

“Oh.” Luo Qing Chen couldn’t help smiling, “Master, I already know! I just wanted to hear you say it.”

.....

Feng Chen Yin had a look of doubt in his eyes. The matter that he and Gu Dai Xiang were siblings shouldn’t be something that anyone in the Jianghu knew.

So why did she know.....

“You.....Why do you keep asking if you know?”

“Because.....I care about you!” Luo Qinn Chen still held his arm as she said with a blink, “If master explains it to me, it means you care about me.”

It was unknown why even though she clearly only had 50% affection, Feng Chen Yin gave her a ‘distance’ that felt like she couldn’t approach.

Of course, it was also possible that her master——

Had! A! Low! EQ!

Chapter 2763: Asking about love in Jianghu: A medicine man without a heart (Part 35)

“Ke, ke.” Without knowing how long passed, he gave a cough as a faint blush appeared on his face. There was a hint of panic in his eyes as he said, “What do you want to eat tonight?”

“Three In One House!” Luo Qing Chen pursed her lips and said, “I want a big meal! Magnet Gate feels like a gate to hell to me, so I want to die as a full ghost!”

Actually, she had only said this casually. She really wasn’t that afraid of Qi Tian Ge.

Feng Chen Yin took her there to eat and ordered all of the delicacies before heading to Magnet State.

This was a courtyard in the east. There were maple leaves scattered by the door and two lanterns hung there, looking very conspicuous.

“Let’s go in.” Feng Chen Yin pushed open the door and an old lady aged between forty and fifty came to greet him.

She had just come out of the kitchen. When she saw Feng Chen Yin, she quickly came forward to say, “Young master Feng, you’re back.”

“Un.” Feng Chen Yin said with a nod, “Where’s big sister?”

“Young miss Gu is in the garden!” The auntie said, “She seems to be in better health these past few days, so she’s been walking in the garden.”

“Understood. Auntie, you can go do some work.” Feng Chen Yin calmly said before turning to look at Luo Qing Chen, “Let’s go see big sister?”

“Alright.....”

“Don’t worry, she is a very gentle girl.”

“Master, this is my first time hearing you praise others!” Luo Qing Chen pursed her lips, “You’ve never praised me.”

If Gu Dai Xiang was a gentle woman in Feng Chen Yin’s eyes, then what kind of person was she in his eyes?

Since ancient times, everyone cared about what the person they cared about thought about them and she wasn’t an exception.

Feng Chen Yin looked at her for a long time before raising his head to touch her forehead, “You.....have quite a few flaws.”

“What!” Luo Qing Chen put her hands on her lips and angrily looked at him, “What flaws?”

“Many of them.....”

“How about saying one?”

“Un.....” He thought about it before saying, “You make people worry too much.”

“I think that I’m quite excellent!” Luo Qing Chen knitted her brows with a bit of aggrievement, “Also?”

“Also.....”

Feng Chen Yin looked at her eyes for a long time. The breeze came and the plum blossoms gently fell.

But he finally shook his head with a bitter laugh, “Let’s go see big sister.”

Before Luo Qing Chen could react, he slowly turned around. It was said that the number one swordsman in the Jianghu was as cold as ice, but Luo Qing Chen could see a gentleness in his eyes.

Perhaps this was a gentleness that belongs to her.....

The garden wasn’t far from the gate. Just a short walk would show a garden filled with blooming flowers and the sound of melodious singing.

——Separating in the past, separating forever. The mountains filled with snow, filled with life

——Looking back a hundred years, only hearing him promise with a sigh.

——To destroy a thousand year curse, fulfilling whose wish?

.....

She stood not far away, listening to Gu Dai Xiang stroke the zither strings and singing in that sad voice.

It made her recall the story between her and Qi Tian Ge. A hero saving a beauty and never escaping from that.

“Perhaps some love at first sight is just wishful thinking.” Luo Qing Chen narrowed her eyes and unknowingly said this.

Gu Dai Xiang seemed to hear her voice and stopped her fingers. She looked at her with calm eyes.

“Big sister, I’m back.” Gu Dai Xiang came forward to gently support her, helping her to the chair on the side.

“Un.” Gu Dai Xiang’s eyes fell onto Luo Qing Chen and asked, “You are the immortal medicine man?”

Chapter 2764: Asking about love in Jianghu: A medicine man without a heart (Part 36)

“Un, I am.” Luo Qing Chen said with a nod, “Miss Gu.”

She was wearing a honey coloured embroidered dress with her long hair combed into a bun, with a jade ruby studded hairpin inserted into it. There was a gentle look in her eyes, a face that could make the moon blush.

It was no wonder she was the headliner at the Sweet Water Lane back then, she truly was beautiful.

She had a different beauty from the previous host, she looked like a picture just sitting there.

But this beauty was only admired from a distance. It was like a lotus, beautiful beyond all things.

“Do you know why Chen Yin brought you here?” She waved her hand, indicating for her to sit down beside her.

Luo Qing Chen came over and sat down before saying, “I know.”

“But he needs your blood, why are you willing?” Gu Dai Xiang looked at Feng Chen Yin. His eyes were slightly narrowed and had been on Luo Qing Chen the entire time.

She could already tell that he treated her different when he came in because he called her ‘big sister’.

This was a fact that no one in the Jianghu knew and Feng Chen Yin never told anyone this.

Then the person he told must be someone that he trusted.....or even cherished.

“Because master said that he would protect me.” Luo Qing Chen looked up at Feng Chen Yin with those eyes as clear as water, “Right?”

He saw her cute smile and couldn’t help revealing a faint smile, “Yes.”

“He is your master?” Gu Dai Xiang revealed a faint smile, “He’s never taken a disciple before.”

“Actually, he wasn’t too willing to take me. He just wants to use me to save miss Gu.” Luo Qing Chen gave a shrug as she said in a very self aware voice, “This is a trade. If now, hero Long Yin wouldn’t take the burden of protecting me!”

“Qing Chen.....” Feng Chen Yin cleared his throat and pretended to explain, “Big sister, she told me when she took me as a master that if someone killed me one day, she would collect my corpse for me.”

“This little girl wants to take revenge?” Gu Dai Xiang said with a smile, “I’m afraid that someone that can kill my little brother can kill you with just a single finger.”

“Big sister, you’re thinking too much.” Feng Chen Yin narrowed his eyes as he looked at Luo Qing Chen, “After collecting my corpse, she would take that person as a master, so that person would protect her.”

Feng Chen Yin never thought that this casual joke was something that he would remember so deeply.

“Puchi.” Gu Dai Xiang gave a laugh when she heard this, “Chen Yin, did you.....did you really say something like this?”

In Gu Dai Xiang’s eyes, Feng Chen Yin never cared about this.

Why did it feel like he was a bit disappointed when he said these words.....

“Master, you!” Luo Qing Chen revealed an awkward look, “I was just joking.”

“I remember.” Feng Chen Yin looked at her with a deep gaze, “But not taking revenge for me is true.”

“No!” Luo Qing Chen looked at him with a firm look, “If someone kills you, I will go to the ends of the world to avenge you. I’m not afraid of dying together.”

[Ding, affection has increased by ten. Mission completion rate is now 60%.]

“So, you like him, right?” Gu Dai Xiang looked at her with a sparkle in her eyes.

She looked at Luo Qing Chen like she was looking at her past self.

Going all out for the person she loved, like a moth drawn to the flame.

It was a pity that she didn’t meet a good person.....

Chapter 2765: Asking about love in Jianghu: A medicine man without a heart (Part 37)

“Un, I do.” She looked at Feng Chen Yin when she said this.

He narrowed his eyes before raising his hand to pat his head. As if he was silently acknowledging her saying he liked her.

He should know that she liked him. Becoming master and disciple when they first met and then whenever they weren’t together, he would feel restless.

In front of his big sister, he wasn’t planning on denying the feelings in his heart.

This action made Gu Dai Xiang’s eyes turn red. She gently touched the zither’s strings and lowered her head, “I also thought that I would meet an unparalleled hero who would change my life, but it’s a pity.....”

“Master isn’t the same as him.” When Luo Qing Chen said these words, there was a slight chill in her voice.

Qi Tian He wasn’t qualified to be compared to Feng Chen Yin. Unparalleled hero.....Qi Tian Ge wasn’t worthy.

“You are very protective of your master.” Gu Dai Xiang looked into her determined eyes and asked, “How long have you know Chen Yin? Why do you know that he’s a good person! Back then.....When he saved me from the bad people, I also felt that he was a very good person!”

“You look at a person with the heart, not the eyes.

“You have a heart?”

.....

Gu Dai Xiang’s words made the atmosphere very silent. She was right, she didn’t have a heart.

But.....that didn’t mean she didn’t have a heart.

“I am very clear who I like.” Luo Qing Chen bit her lip and said, “Perhaps I can see it more clearly than you.”

“More clearly?” Gu Dai Xiang narrowed her eyes as a dim glow appeared in them, “Perhaps there’s no one more obsessed than me in this world.”

“Big sister.....don’t say this.” Feng Chen Yin shook his head, “He’s not worthy of being loved like this by you.”

“Chen Yin.....Didn’t you also say that you wouldn’t be attracted by anyone?” Gu Dai Xiang said with a bitter smile, “But what about now?”

Feng Chen Yin knitted his brows as a hint of doubt appeared in his deep eyes.

He felt that something was off about his big sister. Normally she rarely spoke, but she was speaking so much today.

“Big sister, I’ll bring you back to your room first. I’ll make some medicine in a while and bring it to you.” Feng Chen Yin didn’t answer Gu Dai Xiang’s question.

He thought that his love was different from hers, he could sacrifice everything to protect the one that he loved.

But Qi Tian Ge.....he was just a selfish and despicable person.

“Don’t! I feel good today. You’ve found the immortal medicine man, so big sister has hopes of living.” Gu Dai Xiang poured two cups of tea for them, “This is the lotus tea that auntie made today, have a taste?”

Luo Qing Chen nodded and took the teacup from Gu Dai Xiang.

The teacup was a bit warm and the tea leaves were fragrant. With a sip, there was a sweetness that came with the bitterness.

Gu Dai Xiang narrowed her eyes and said, “Does it taste good?”

“Un.” Luo Qing Chen replied, “It tastes good.”

“Chen Yin, do you also want to try?”

Feng Chen Yin took the teacup and chugged it before saying, “Big sister, is there something on your mind?”

They were siblings after all. If the other side was off, even if they didn’t say anything, he could feel it.

“It’s nothing, rather the thing that’s been on my heart for months has finally been relieved.” She looked at Feng Chen Yin with a bitter smile, “Big sister has sunken too deep. Chen Yin, don’t blame me.....”

Feng Chen Yin felt a heavy feeling in his chest and his true energy wasn't flowing properly.

"You....." Feng Chen Yin held his chest as his eyes filled with shock.

"Little girl, don't blame me....." Gu Dai Xiang pursed her lips and said, "I love him, so I'm willing to do anything for him."

Chapter 2766: Asking about love in Jianghu: A medicine man without a heart (Part 38)

Luo Qing Chen felt her head buzz and she felt it hard to keep her consciousness.

"You don't need to resist so fearlessly." A familiar voice slowly rang out. Luo Qing Chen and Feng Chen Yin looked in the direction of the voice.

Qi Tian Ge walked out of the flowers with white snow hanging on his light purple robes. Gu Dai Xiang's eyes were filled with longing as she looked at him.

No matter how Luo Qing Chen or Feng Chen Yin didn't believe it, they had to admit that Gu Dai Xiang had betrayed them for Qi Tian Ge.

It shouldn't be considered betrayal, but selling her soul for the one she loved.

"Come over." Feng Chen Yin roared out, using all his strength to pull her to his side, keeping her behind him.

"Feng Chen Yin, what are you doing?" Qi Tian Ge looked at him with a confused look, "I will save her life, don't you also need the medicine man's blood?"

"I'm not willing to take her blood....." He tightly held her hand as a cold glow appeared in those deep eyes, "I want her."

[Ding, affection has increased by ten. Mission completion rate is now 70%.]

"Love?" Qi Tian Ge raised a brow as he revealed a smile, "The cheapest thing in the world."

As soon as his voice fell, over fifty people holding torches surrounded them.

The air became very hot and even without touching the flames, she could feel her skin feeling like it was being burnt.

"You....." Feng Chen Yin coldly narrowed his eyes, using a very complicated look to look at Gu Dai Xiang.

Doubt, confusion, anger, hatred.....

"I can die, but I can't let him....." Gu Dai Xiang's beautiful eyes were filled with tears. She held her chest as she said, "Chen Yin, it's just a medicine man.....Give her to him.....He will die without this medicine man....."

The Soul Release Sutra's poison couldn't be cured without the blood of the immortal medicine man. Qi Tian Ge would certainly die.

She wasn't willing to let him die. Even if he was cruel to her, she wasn't willing to see him injured at all.

“He, he.....He, he, he, he, he.....” Feng Chen Yin gave a cold laugh. His left hand tightly held her hand as his right hand held the Falling Maple Sword. His voice was incomparably cold as he said, “If you want to kill her, you have to kill me first.”

“Chen Yin!” Gu Dai Xiang roared, “Don’t be like this, I don’t want to see you fight.”

“We were sworn enemies to begin with, but because of you.....I didn’t kill him.” Feng Chen Yin gave a cold laugh, “But now.....it’s not worth it.”

“Truly a despicable love.” Luo Qing Chen gave a cold laugh. The Exquisite Ring on her right hand released a faint golden glow as she looked at Feng Chen Yin holding her and said, “I won’t let anything happen to master.”

“Fool.” Feng Chen Yin tightly knitted his brows as he said in a calm voice with a bit of reproach, “I said that you won’t die if I don’t die.”

“Ze, ze, ze, master and disciple love?” Qi Tian Ge looked at them with a smile before giving a clap, “Dai Xiang, I thought that you found a lover, but I didn’t know that he treated you worse than I treated you. He’s found a new lover this quickly.”

“Lover?” Gu Dai Xiang was surprised before quickly explaining, “He isn’t my lover, he’s my little brother.....”

“Little brother?” Qi Tian Ge’s eyes became serious as a proud look even flashed in his eyes.

The most attractive person in the world was still obsessed with him. This was a kind of vanity, a kind of pride.

But this also confirmed why Gu Liu Shang died at the hands of an unknown person.

It turned out it was because he was his son.

Chapter 2767: Asking about love in Jianghu: A medicine man without a heart (Part 39)

The white snow gradually melted and the snow that had fallen turned into water before hitting the ground.

Qi Tian Ge raised his sword and walked towards them step by step. Feng Chen Yin closed his eyes as a faint blue glow appeared in his palm.

“Be careful!” Qi Tian Ge roared out. Feng Chen Yin’s palm suddenly sent out force and the true energy created pieces of ice that knocked the people around him to the ground.

At the same time, he tasted a bit of sweetness as he spat out a mouthful of blood.

“Master.....” Luo Qing Chen was surprised as she quickly came forward to support him, “You.....What’s wrong with you?”

“She gave us a medicine that reverses the flow of our true energy.....” Feng Chen Yin said in a low voice, “I can’t use any skills other than special skills.”

But the reason it was called a special skill was because it had two sides.

The Refining Mountains and Rivers was the same as the Soul Release Sutra, there were flaws to it as well.

The Soul Release Sutra released a gu poison and the Refining Mountains and Rivers swallowed true energy.

When the Refining Mountains and Rivers was used in a state of reversed true energy flow, it would take one's life to use this skill.

Gu Dai Xiang naturally knew how strong Feng Chen Yin's Refining Mountains and Rivers was, so she had put the drug Qi Tian Ge gave her into his tea.

When the sparks fell onto her, when he didn't care about life and death to take each blow for her.

They didn't seem to think about what would happen once they escaped, they just thought about how to save the other person from this desperate situation.

She didn't have 100% affection, but it didn't seem like she could escape.

"Master....." Luo Qing Chen's body became translucent and even her breathing became a bit fast.

Feng Chen Yin tightly held her hands and firmly protected her from everything.

But he found that he was helpless in this situation.

"Don't be afraid....." He used his sword to support himself and stroked her cheek with the right hand covered in blood, "I won't let you die."

There were corpses all around and the air was filled with a burning smell.

This time, Feng Chen Yin didn't show any mercy.

Anyone that approached them would have their lives taken with a single slash, not giving the other side the slightest chance.

"I'm not afraid." Luo Qing Chen pursed her lips into a smile, "Actually I'm not that coquettish, but you are so cold that I felt that I should be a bit more lively to make you unable to deal with me....."

"Qing Chen....."

"Un! Only then can I make you pay attention to me." Luo Qing Chen looked up with those bright sparkling clear eyes that were so bright.

Her lips curled as she said, "I never thought that it would end so soon. I haven't even heard you say that you loved me, that you cared about me....."

[Ding, affection has increased by ten. Mission completion rate is now 80%.]

Why? There was clearly such a high affection, why couldn't Feng Chen Yin say that he loved her?

Was it because he didn't love her enough or there really wasn't the word 'love' in his heart?

'I will protect you.' 'I won't let you die.' 'Don't be afraid, I'm here.'

His words could be a master protecting a disciple, but it also could be.....a man protecting the woman he loved.....

"I....." Feng Chen Yin's face was a bit pale and his deep eyes gradually filled with affection. He didn't even have time to say what he wanted to say when the Sword Trial Mountain Villa's elders worked together to break through the shield of the Refining Mountains and Rivers.

Chapter 2768: Asking about love in Jianghu: A medicine man without a heart (Part 40)

In an instant, Luo Qing Chen raised her right hand.

The Exquisite Ring released a dazzling light that soared into the sky. She vaguely remembered the last few words that Shen Qing Feng had said to the previous host before dying.

The immortal medicine man's destiny wasn't to use her blood to save others. She had her own things, her own destiny.

"Master, I might not be able to hear you say you love me....." Countless beams of golden light filled the sky. When they landed, they had already turned into blood coloured snow.

She could still hear him it seemed and until the last moment, he silently said her name.

But not that he.....loved her.....

The red snow was burning hot to the touch. The medicine man was afraid of fire and once the temperature reached a certain level, the medicine man would scatter like ashes.

Luo Qing Chen thought that she could use the Exquisite Ring to take the lives of the one that wanted their lives, but she never thought that once the Refining Mountains and Rivers barrier broke, she would immediately die.

No one in the Jianghu knew this.

Maybe.....even Shen Qing Feng didn't know.....

"No.....No.....Don't!" Qi Tian Ge wildly roared. He rushed forward to catch the falling red snow like a maniac.

He knew that this was his final hope.

"Tian Ge, Tian Ge, calm down." Gu Dai Xiang came forward to gently hug him, "There's a way, there's definitely a way....."

She wasn't willing to see him in pain like this. If he was in pain, she would feel her heart twisting in pain.

"What other way! What other way is there!" Qi Tian Ge angrily roared, "Why! Why is this immortal medicine man so selfish? I just wanted a bit of blood from her, why would she rather die than give me her blood!"

He could feel the gu poison in his blood, endlessly corroding him.

When he knew that the only thing that could save him no longer existed in this world, he was filled with despair, endless despair.

“Right, you’re right!” Gu Dai Xiang bit her lip and replied, “Truly selfish, why is she so selfish! We’ll think of another way, don’t be anxious.”

“He, he.....” There was a cold laugh with emotions that hadn’t reacted yet that spread through the heart bit by bit.

It was a suffocating pain that wildly ate at his mind without any control.

The red snow fell into his hands, onto his shoulder. His trembling hands wanted to grab it, but he didn’t dare.

What happened? Just what happened?

It suddenly became silent and it was as if no sound entered his ears.

His heart was empty and it was as if life had lost all meaning.

He could remember their first meeting when he closed his eyes. Just a cup of tea as they looked at each other.

It was as if there was a beam of light that had shined into his life without warning.

He went from being at a loss to accepting her existence, becoming used to her existence, and then indulging in her existence.

Until one day that beam of light was pulled out of his life and he felt like he was dying.

It truly.....was painful.

“What are you laughing at.....” Qi Tian Ge looked at him with an angry look, “It’s all you.....It’s all you.....If you didn’t take the medicine man first, she would have been mine!”

“Chen Yin! You.....Why can’t you help big sister! Why do you make big sister suffer!” Gu Dai Xiang stood on Qi Tian Ge’s side and blamed Feng Chen Yin with tears in her eyes.

He narrowed his eyes that were so dim that they didn’t have a trace of light/

A few seconds later, he softly said, “If I had another chance, I definitely.....definitely wouldn’t have come to save you.”

[Ding, affection has increased by twenty. Mission completion rate is now 100%.]

Chapter 2769: Asking about love in Jianghu: A medicine man without a heart (Part 41)

In the third year of the new reign, there was an intense struggle in the Jianghu. All the sects had suffered damage to a certain extent from the battle in the Medicine King Valley to Magnet State.

It was now the sixth year of the new reign.

It was said that the red snow fell over a certain manor in Magnet State for three years.

The snow was scorching hot to the touch and cold as ice when it fell.

No one in Jianghu knew what happened in that manor, but they knew that many people died.

The people brought by the Sword Trial Mountain Villa's young master Qi Tian Ge all died and even Qi Tian Ge was seriously injured, being forced to flee.

The immortal medicine man also disappeared that year.....

The sects of the Jianghu thought that the Sword Trial Mountain Villa had taken the immortal medicine man, but.....that wasn't the case.

Not long after, Qi Tian Ge lost all his martial arts. Everyone believed that the Sword Trial Mountain Villa didn't get the immortal medicine man.

The Soul Release Sutra eroded his body and there was no way to solve it other than the immortal medicine man.

In order to keep Qi Tian Ge alive, the villa master sacrificed his martial arts and even his life to save his Sword Trial Mountain Villa's successor.

Everything had entered a terrifying cycle.

Gu Liu Shang died for his son Feng Chen Yin and villa master Qi died for his son Qi Tian Ge.

Ultimate techniques didn't make people stronger, but made them lose what they cherished.

After that red snow fell, Feng Chen Yin disappeared without a trace. He was only found a year later.

If it wasn't for the renovation of the Medicine King Valley, as well as the scattered Medicine King Valley survivors gathering there.

Perhaps no one would have known that Feng Chen Yin had gone there and lived there for a long time.

Many people in the Medicine King Valley knew that he and Shen Qing Feng had been friends for years. When Shen Qing Feng was still alive, he often told him about the Medicine King Valley.

When the Medicine King Valley was surrounded by people of the good and bad sects, he had been far away and unable to help.

Time passed by quickly and three years passed in the blink of an eye.

Feng Chen Yin dressed in white stood on the high platform. The Medicine King Valley covered in thousand year snow didn't change at all.

When he came, there were many corpses buried in the snow. No one questioned this or dared to approach.

After all, you would meet ghosts if you walked along at night.

He had come here for three things. One, to reorganize the Medicine King Valley. Two, to find all those people how harmed the Luo Family back then. Three.....to see ghosts.

Even if it was a ghost.....it didn't matter.....

—

“Hero Long Yin.....”

When he was standing in the snow lost in thought, a former disciple of the Medicine King Valley came forward to say, “Mount Emei’s sect master miss Fang Rou is here to see you.”

“Un.” He slightly knitted his brows, “Let her wait in the hall.”

He closed his eyes as he felt the dull pain in his heart. After a while, he laughed at himself and said, “Many things seemed to have happened in the past, but I don’t feel the passing of time.”

It was as if as long as he closed his eyes, he could still see the scene of the street in Magnet State that day.

She held his hand with a mischievous smile on her face.

He had promised to protect her, but he couldn’t do it in the end.

What world’s number one swordsman, what first ranked on the Sword Trial Mountain Villa’s rankings? He actually.....wasn’t anything.

It was because of these difficult years that he suddenly realized something.

Feng Chen Yin had been with Luo Qing Chen because she had been good to him and not because he was good to her.

He was so used to being by her side that when she wasn’t there anymore, he could feel the heart rending pain that came from it.

Chapter 2770: Asking about love in Jianghu: A medicine man without a heart (Part 42)

Seeing Fang Rou again, she had changed from that pink and white skirt to a green skirt.

The long black hair was combed into a hairpin, looking much more mature and calm.

Over the years, Mount Emei had greatly changed. The Red Sleeves Divine Nun was killed when she was hunting down an enemy and Fang Rou had to undertake this danger, as well as accepting this large burden.

Since she was young, the elders made it hard for her when she first became the sect master.

Fang Rou used her own abilities to defeat two of the elders and finally obtained everyone’s approval.

When she took the belt of the sect master, she suppressed the countless throbbings in her heart.

They probably wouldn’t meet again.....

He most likely hated her.....

—

“Sect master Fang, please have some tea.”

“Thank you.”

Fang Rou took the teacup with a slight nod. She took a sip and there was a faint taste of plums in her mouth.

After not meeting for a long time, she was a bit nervous. Her palms were sweaty, but she forced herself to stay calm.

“Sect master Fang.” Before she could calm herself down, a cold voice rang out that had a hint of mocking to it.

“Young master Feng.....” Fang Rou quickly stood up, “Long time no see.”

They last met not far away from Medicine King Valley. On the cliff, he had jumped down with that immortal medicine man.

She still couldn’t forget how he had looked at her, how he had hugged her.

“It’s better not to meet.” Feng Chen Yin sat on the high platform and looked at her with cold eyes, “After all, there are no good memories with sect master Fang.”

Feng Chen Yin’s voice was very calm, but it pierced right into Fang Rou’s heart.

She actually wasn’t that strong. Even if she had forced herself to become stronger in these three years, it had all collapsed with a single phrase from Feng Chen Yin.

“In the past, I was just.....” Fang Rou bit her lip and wanted to explain, but Feng Chen Yin cut her off.

“Sect master Fang, if you have nothing useful to say, then this Medicine King Valley does not welcome your Mount Emei’s people.”

He would never forget over the years. Those ugly people that wanted to act noble and take her blood, those people that claimed that they wanted to save the world.

He didn’t forget a single one of them.....

Fang Rou felt her heart skip a beat and she found it a bit hard to breathe.

“I was asked by someone to come to the Medicine King Valley.” Fang Rou took a deep breath and suddenly looked up at Feng Chen Yin, “The current emperor is sick and they heard that hero Long Yin who is in charge of the Medicine King Valley can bring back a life with a single silver needle. The people in the court can’t come to the Medicine King Valley, so I’m here to deliver a message from them.”

“He, he.” Feng Chen Yin gave a cold laugh, “Bring back a life with a single silver needle, truly laughable.”

If he could really do that, how could he have watched her die in front of him?

“Young master Feng.....” innread.com

"I can't do anything and I don't want to get involved with the court." Feng Chen Yin coldly rejected her, "Sect master Fang, please return."

Fang Rou naturally knew that this method wouldn't work after being sent off.

Mount Emei's position in the Jianghu kept declining day after day. It was a good thing that the prime minister had been secretly helping them, that they were able to obtain a firm foothold in the Jianghu.

Now that the emperor was sick and the court was in chaos.

The prime minister asked her to find a famous doctor, but how could a girl like her know any famous doctors?

The only thing that came to mind was Feng Chen Yin who had been in charge of the Medicine King Valley over the years.

Actually, she was also being a bit selfish. She still wanted to see him.

Just one glance was enough.....
