Chapter 31: Cannon fodder counterattacking the indifferent campus king (Part 3)

After school, the instant Luo Qing Chen stepped out of the school gates, she heard two familiar voices.

It was the supporting female lead Qian Fei Fei and the little fat girl Wang Zhuang Zhuang.

That's right, she was called Zhuang Zhuang!

[TL Note: Zhuang means heavy.]

"Luo Qing Chen, why didn't you buy Yakult for our big sister Fei Fei today? You caused our big sister to be especially thirsty in gym class!" Wang Zhuang Zhuang was very straightforward. Wearing that light blue sports outfit, her stomach made her look like she was five-sixth months pregnant.

Looking at Qian Fei Fei, her body and face were all fine. Her makeup was quite good, so it was unknown what her face was like!

"If you care about your big sister Fei Fei that much, why didn't you buy it?" Luo Qing Chen looked up with a taunting smile on her face.

"I...." Wang Zhuang Zhuang never thought the weak Luo Qing Chen would talk back to her. Her words were stuck in her throat for a while.

"Zhuang Zhuang was in gym class with me, naturally she didn't have time to buy it." Qian Fei Fei looked at Luo Qing Chen, speaking in a tone that wasn't good.

She felt it was very strange, did Luo Qing Chen really eat the wrong medicine today? She dared to speak to her like this?

"Oh——" She crossed her arms and looked over Qian Fei Fei before saying, "How is it related to me?"

"Luo Qing Chen!" Qian Fei Fei suddenly had a cannon fodder go against her. She pointed at her nose and said, "Are you going to buy it or not?"

"Ze, ze, ze." Luo Qing Chen coldly laughed before saying, "Are you really dumb or are you pretending? I was tactfully giving you some face, are you pretending to not understand?"

Luo Qing Chen didn't plan on breaking all face with Qian Fei Fei, she wanted to take it step by step.

It was a pity that she had such a resolute personality.

Instead of slowly planning to move forward, it was better to directly cut it off.

"Luo Qing Chen, you actually dare speak to big sister Fei Fei like this!" Wang Zhuang Zhuang was clearly trying to mess with Luo Qing Chen so her position among Qian Fei Fei's followers would be better in the future.

"These words are pretty good." Luo Qing Chen gave a cold smile, "I don't even want to talk to you or your big sister Fei Fei."

After saying this, she turned to leave.

"You don't want to go to Tang Yu's birthday party tomorrow?" Qian Fei Fei's cold voice rang out from behind, openly threatening her.

Luo Qing Chen revealed a faint smile. She didn't stop as her voice floated on the wind, "Oh, then I'll trouble you to tell classmate Tang Yu happy birthday for me. I really didn't plan to go."

[System notification: Supporting male lead Tang Yu is close by.]

Oh, so what if he's close by! If you said it earlier, I would have been even more ruthless!

"Luo Qing Chen, don't beg me in the future!" Qian Fei Fei stood there and angrily stomped her foot with a red face!

Tang Yu not far away narrowed his eyes and watched the girl moving away in front of him.

Her lips had a faint smile. Her skin was as white as snow, clean without any impurities at all. Her long black hair flowed over her face. It inadvertently touched the soft spot deep in his heart.

His heart suddenly began to beat faster.....

It wasn't that he hadn't seen Luo Qing Chen before. His brothers were all envious that the school flower liked him, but he felt that she was irritating and troublesome.

In his heart, as long as Qian Fei Fei occasionally gave him an extra glance, it was enough.

Tang Yu took a deep breath and shook his head. He looked away from Luo Qing Chen and forbade himself from having random thoughts.

He elegantly stopped his bicycle and walked towards Qian Fei Fei not far away. The wind blew across his face as a mesmerizing smile appeared that had an evil feel to it.

Chapter 32: Cannon fodder counterattacking the indifferent campus king (Part 4)

“Who has made our young miss angry?” Tang Yu rubbed Qian Fei Fei’s head as he asked in a gentle voice.

He and Qian Fei Fei were childhood friends, he had liked her since they was young. He liked her zither playing and her proud appearance.

But he knew that she had never fallen in love with him.

Over time, he didn’t know it was still love or if it was his habit of guarding someone.

“Tang Yu, let me tell you, you can’t look at Luo Qing Chen in the future otherwise I’ll end it with you.” Qian Fei Fei forcefully broke away from Tang Yu’s hand softly rubbing her head and said this with a fierce look!

Qian Fei Fei thought: Luo Qing Chen, if you have the skills to act arrogant, then act arrogant! You know that your male god only loves me, what can you do to not be my follower. So what if you look a bit pretty, you think this is a world that only relies on faces?

“Alright, alright, alright, you are my princess, what you say counts.” Tang Yu awkwardly took back his hand as he said with a full smile, “Then again, I’ve never looked at her anyway.”

—

System, system, can you tell me where Su Liang Chen is right now?

She went to the school gates as soon as classes were over. In the end, she didn’t see her male lead and instead met those two idiots.

Oh, that’s wrong, it’s three!

[At the corner of the alley, in the 90° Cafe. The male lead works part time there for an hour after school is over.]

Ah? Why is it only an hour!

[Because the cafe was opened by his aunt. He is also waiting for his little brother to get out of school.]

Oh, I see! The system really understands the most!

[.....]

But speaking of this, one couldn't blame her.

One could only blame the fact that the cannon fodder interacted with the male lead too little!

Luo Qing Chen changed her direction and headed towards the 90° Cafe!

No matter how hard getting this male lead was, she still had to take the first step!

Having the affection stuck at zero wasn't a method!

The 90° Cafe was in the corner of an alley near the school, it was a very elegant cafe.

There were wind chimes that rang when she came in and there was a rich coffee smell permeating the air.

She sat down in a spot near the window and silently watched Su Liang Chen making coffee behind the counter.

It's said that all men who worked hard were the most handsome, Su Liang Chen wasn't an exception!

The white cuffed shirt and the clean uniform, his white skin, and that handsome face with a bit of indifference to it.

His slender fingers slid across the coffee cups. His actions exuded a cold elegance and he let out a cold aura that made strangers unable to approach.

"Student! What will this student have?" It was unknown how many people came to stare at their male god, it really was troublesome.

Luo Qing Chen was pulled back to her senses by this sharp voice and she looked up to see the waitress.

Her eyes were filled with impatience and her lips were slightly curled, like someone owned her millions.

“Eh, give me a cup of Blue Mountain.”

[TL Note: A high quality coffee from Jamaica.]

“Ha, what?” The waitress knit her brows as if she had heard wrong. She casually wrote two pinyin on the order ticket and walked over to the counter.

Luo Qing Chen eyes slightly lit up and her lips had a faint smile.

She watched the waitress whisper into Su Liang Chen’s ears with an infatuated look.

Luo Qing Chen thought: There should be first contact.

[Girls who know how to plot are truly terrifying!] The system’s abrupt words scared her.

Don’t secretly listen to other people’s thoughts! Just wait to see how my affection increases later on!

Luo Qing Chen looked away and took out a notebook from her bag. She placed the elegantly written notes that even she couldn’t understand on the table.

A warm wind blew over her and she blinked. Her skin was as white as snow and her eyes were as clear as water.

She knew that that person was currently slowly moving towards her.

Chapter 33: Cannon fodder counterattacking the indifferent campus king (Part 5)

“Hello classmate. We temporarily do not have the Blue Mountain blend, do you want to change the blend?” Su Liang Chen’s cool as water voice sounded in her ear, sounding very smooth.

He really was a well learned male god, even vocabulary like Blue Mountain didn’t go past him.

This kind of coffee came from the Wallenford Estate and its name translated was ‘Jamaican Blue Mountain Coffee’.

Luo Qing Chen’s lips slightly curled and she looked up. She gave the prepared slip of paper to Su Liang Chen and she said with a smile, “There is a blend on the paper, you can just follow this, handsome brother.”

With a soft breeze, the rainbow coloured bracelet on her wrist jingled. She silently watched the young man in front.

Su Liang Chen was stunned. His slender fingers took the slip of paper and directly opened it.

Naturally there wasn't a blend for Blue Mountain coffee, instead there were six beautiful words.

Su Liang Chen, I like you.

Wtf? Why did you directly open it? Shouldn't you secretly go behind the counter to open a slip of paper from a beauty?

[Ding, affection has decreased by ten. Mission completion rate is now -10%.]

God damn! System, your affection can go negative?

[Of course it can.]

Why don't you just deduct one hundred, let everyone separate for good.

She really was angry, so angry that her stomach hurt!

[Because the male lead's dislike for the host hasn't reached one hundred yet.]

I was just confessing, why!

[.....]

Su Liang Chen looked at her face and couldn't help feeling it was funny. It looked like she was conversing with someone.

"Classmate, you really want to drink this flavour of coffee?" He cleared his throat and asked. There was a cold smile at the bottom of his eyes.

"That's right!" Luo Qing Chen said through gritted teeth, "The more bitter it is, the better!"

"Please wait a minute." He said with a faint smile on his lips.

After five minutes, a cup of pure Blue Mountain coffee was placed in front of her.

[System notification: The original host's stomach isn't good, it is not appropriate to drink bitter coffee.]

Forget that, my mood is bad! We'll talk after drinking it!

Luo Qing Chen raised the cup of coffee and drank it in one breath.

However, after fifteen minutes, she regretted not listening to the system's words.

Her stomach hurt.....It really hurt.....

She slightly narrowed her eyes as waves of pain came from her stomach. After a few rounds, her face was a bit pale.

She couldn't hold on, she would talk after heading back!

Luo Qing Chen took a deep breath and raised a slightly shaking hand. She placed her notebook into her bag before waving her hand and saying, "Check."

"Coming." A dissatisfied waitress called out.

"Wait, I'll go." Su Liang Chen knit his brows. He came out from behind the counter and slowly walked towards her.

He was a bit worried about how fast she drank the coffee. She said there with a restless expression after drinking it, she should be filled with discomfort.

The blend for this coffee didn't come from the shop's menu, it was his own blend.

Although he didn't know why he made such a bitter cup of coffee, if something did happen, it wouldn't be good.

"How much....." Luo Qing Chen had her right hand over her stomach. She was too lazy to look up when someone came over and directly asked.

Su Liang Chen directly grabbed her right hand holding her stomach and found that her hand was becoming cold.

His brows knit tighter as he said, "Are you alright?"

Luo Qing Chen was stunned as she suddenly looked up. A white as paper face appeared in the eyes of the other side.

[Ding, affection has increased by ten. Mission completion rate is now 0%.]

Damn broken system, you do have a conscience.

Chapter 34: Cannon fodder counterattacking the indifferent campus king (Part 6)

She nodded while biting her lips before saying, "A bit...."

"It doesn't seem like a little bit." Su Liang Chen took away the cup on the table in front of her and said in a soft voice, "Wait for me."

Luo Qing Chen bit her lips as her right hand tightly covered her stomach. Her head was covered in beads of sweat.

She slightly up looked up in Su Liang Chen's direction.

She saw him take off his work clothes and put on his school uniform coat. After whispering a few words to the waitress before walking over to her with his bag.

"Can you walk?" Su Liang Chen picked up her bag and softly supported her up.

"I can...." Luo Qing Chen was a bit embarrassed, as her pale white face flushed. She reached out her hand and said, "My bag...."

"I'll help you take it." Su Liang Chen held her arm as he said, "There is no hospital nearby, we'll go to the school clinic and have the nurse look over you."

Ha? Going back to school? The two of them? That would attract quite a few pairs of eyes!

Su Liang Chen saw that she wasn't moving and doubtfully asked, "What, you can't walk?"

"No....No." Luo Qing Chen bore the pain and took her right hand off her stomach as she said, "I feel like it's a bit better now. It's possible the school clinic will be closed when we head back, you're still waiting for your little brother....Eh....It's not too convenient...."

"You seem to know quite a bit." Su Liang Chen slightly looked down as he spoke.

What to do, she suddenly felt it was a bit embarrassing?!

[You should have felt this when you gave the love letter and not now!]

Scram.....

The system was becoming even more antagonizing, it would openly mock her now!

"That...." Her face turned red, almost forcefully covering up her white face.

What do say! She was also desperate!

“Is your house nearby?” Su Liang Chen broke the faint awkwardness in the air by asking this question.

“It’s just two bus stops away.”

“I have a bicycle, do you mind.....”

“I don’t mind!” Luo Qing Chen became a bit louder and her eyes lit up with excitement. She slightly raised her right hand like she was making a vow and expressed her eagerness.

Su Liang Chen narrowed his eyes at the girl in front of him. His face was still indifferent, but he felt that this person, was a bit cute.

Sitting on the back of Su Liang Chen’s bicycle, they passed through the alleys.

The air was filled with the smell of spring and the cherry blossoms fluttered in the wind.

It was a bit comforting and a bit beautiful.

They attracted the eyes of the fellow students and quite a bit of discussion.

“God, is that the school hunk and school flower?”

“Damn, they.....Are they.....together?”

“Ah, ah, ah, ah, ah, this is definitely the biggest news of Royal High School this year!”

Luo Qing Chen knit her brows. She didn’t care about her pain as she slightly shrunk her neck.

The person in front seemed to have felt her movement and his lips revealed a faint smile.

He had never had a girl on his bicycle before, it seemed better than he thought it was.....

[Ding, affection has increased by five. Mission completion rate is now 5%.]

Aiya, this is fine, this is fine! It finally went over zero!

Coincidentally, this beautiful scene was also seen by Qian Fei Fei.

Tang Yu was standing beside her. When he saw Su Liang Chen and Luo Qing Chen passing them on their bicycle, there was a confused look in his eyes.

Didn't Luo Qing Chen like him? The school flower who liked him for two years, how did she suddenly change her feelings?

Without knowing why, there was an uncomfortable feeling in his heart.

It was like something that belonged to you was suddenly stolen by someone else.

Chapter 35: Cannon fodder counterattacking the indifferent campus king (Part 7)

Qian Fei Fei angrily threw the cake she had just bought to the ground. She turned to Tang Yu and said, "Tang Yu, take Luo Qing Chen in your hand, don't let her involve herself with the school hunk. I was saying why this girl was acting so arrogantly, it's because she had found a new joy!"

Tang Yu was shocked. Seeing the cake fall to the ground, there was a slight pain in his heart.

That was the cake she had just bought for him with a bright smile on her face, but it all changed in an instant.

"You care that much?" Tang Yu's eyes had a faint hurt look and his lips had a bitter smile.

Qian Fei Fei's eyes slightly changed and she pouted her lips, "Tang Yu, if you get Luo Qing Chen and stop her from being with the school hunk, I'll go on a date with you for a day."

"....."

"Three days"

"....."

"One week! It can't be anymore!" Qian Fei Fei threw away Tang Yu's hand and said in an angry voice.

Tang Yu closed his eyes and took a deep breath before saying, "I understand."

"Ya, it's big brother Tang Yu who is the best." Qian Fei Fei shook his hand with a wide smile on her face.

Without knowing why, in that instant, Tang Yu had the impulse to throw away her hand.

In the past, he would have excitedly grabbed them with both hands.

But today, he felt a bit uncomfortable.

—

On the other side, Su Liang Chen only said a single sentence after sending Luo Qing Chen home.

What do you think it is? Drink more warm water?

Or, sleep a bit earlier?

Or perhaps, eat some medicine?

No! School hunk Su only said one word!

Goodbye.

Lying on the bed, Luo Qing Chen had an understanding of Su Liang Chen.

It was simply harder to take care of than she had imagined!

System, I feel you're not being fair to me!

[.....]

Look, other than me being in the liberal arts class, everyone is in science class and they are all in the same class as Su Liang Chen. How can I even have a first come first serve advantage!

[.....]

After a week, although she and Su Liang Chen didn't have any interaction, Royal High School had their yearly anniversary and Luo Qing Chen finally saw the so called female lead.

Who was classmate Fang Tian Tian!

In her memory, this girl wasn't that bad!

On the list for the anniversary celebration, she and Su Liang Chen were listed together. They were performing a four handed piano performance called «My future is not a dream».

But an hour before the performance, Fang Tian Tian had injured her hand.

She had been hurt by a falling flower pot, hurting the back of her hand and her finger.

The backstage of the performance was complete chaos, since this performance was the highest anticipated performance among the students.

“This can only be canceled for now. This song is a duet and even if Su Liang Chen plays alone, there is still a female singer lacking.” The class president said with a sigh.

“I’ve heard that Qian Fei Fei also knows how to play an instrument, only she’s not that good at singing.....” One of the boys in the performing department said.

“Oh? What instrument.”

“President, I know how to play the zither.” Qian Fei Fei came out of nowhere, already being dressed in performance clothes and having heavy makeup on.

The president looked up and almost couldn’t recognize her.

“The zither.....” The president looked a bit awkward.

“It doesn’t have the same tone as the piano, cancel it still!” Su Liang Chen narrowed his brows looking at Qian Fei Fei and directly cut the president off, rejecting it.

“I.....I can sing.” Qian Fei Fei said while biting her lips.

“It hasn’t been rehearsed, forget it.” Su Liang Chen rejected her without any emotions.

Qian Fei Fei was stunned. She had a rare chance to talk to Su Liang Chen and was coldly rejected like this. It filled her heart with pain and unwillingness.

Why didn’t he even give her a chance? It was hard to make Fang Tian Tian unable to go on stage, she had thought that she had secured this chance.....

At the same time, Luo Qing Chen standing behind the curtains watched everything unfold.

System, system, I can sing, but I’m not too good at playing the piano. Is there a way for me to suddenly have the ability to play the piano!

[Yes, it requires one hundred points.]

Deal!

Finally she didn't have to hear the system saying 'cannot be exchanged', Luo Qing Chen felt that it was pretty good!

If you find any errors (broken links, non-standard content, etc..), Please let us know < report chapter > so we can fix it as soon as possible.

Chapter 36: Cannon fodder counterattacking the indifferent campus king (Part 8)

"About that, president....." Luo Qing Chen came out from behind the curtains and said with a smile, "I know how to play piano. If you let me see the music sheet, I can play it."

"Luo Qing Chen!" Qian Fei Fei naturally never thought that she would see her here. She gritted her teeth. Had that fellow Tang Yu not taken care of her yet?

Was she like that Fang Tian Tian, trying to take her school hunk?

"Isn't that the school flower? So pretty....."

"Truly worthy of being the school flower, being that good looking and that skilled."

The surrounding men all looked at her, of course that even included the indifferent school hunk, Su Liang Chen.

Qian Fei Fei focused on her and she became aggressive, "Is there something wrong with your ears? Didn't you hear what school hunk Su said? It hasn't been rehearsed yet....."

"If it's the piano, you can give it a try." Su Liang Chen's cold voice rang out, directly cutting Qian Fei Fei off.

He had already flipped the piano music sheet to another page when everyone wasn't paying attention. He took out a new music sheet and gave it to Luo Qing Chen.

She took the music sheet and opened it to see the words, «Exclusive taste».

That's wrong, she saw the program list the other day. He and Fang Tian Tian weren't playing this song together, it should have been «My future is not a dream»!

System, system, did I remember wrong?

[No, the male lead has changed the song.]

Luo Qing Chen was stunned, but her lips revealed a faint smile. An affection of five could turn an inspirational song into a love song, it seemed like five percent in the school hunk's heart meant one couldn't compare to normal people.

“Alright, you two can prepared first. You’ll be going up soon.” The class president sat Su Liang Chen agree, so naturally she didn’t have anything else to say. After all, it was very troublesome to change the performance now, so she directly agreed.

System, system, can you exchange for me.

[Ding, one hundred points have been deduced. Piano skills have been exchanged for (can only be used in this world).]

Luo Qing Chen changed her clothes to match Su Liang Chen.

Commonly known as couple clothes.

She was wearing a white shirt with a red miniskirt. Su Liang Chen was wearing a white shirt with a red jacket, as well as a pair of black pants.

When they were prepared to head onto the stage, the president quickly ran over, “Your ties, the makeup artist forgot to give them to you earlier.”

A pair of dark red ties on white shirts gave them more of a youthful vitality.

“I am a bit nervous.” Luo Qing Chen looked up at him with pursed lips.

Su Liang Chen had an almost negligible smile as he said, “Were you not nervous when you sent the love letter?”

“That isn’t the same, alright?” Luo Qing Chen’s face instantly turned red and she tried her best to argue back.

“It’s fine if you just follow me.” His clear voice sounded in her ear. She felt her restless heart gradually calm down.

Host: “Next is third year’s Su Liang Chen and Luo Qing Chen playing four handed «My».....«Exclusive taste».

When the ten white fingers fell onto the black and white keys, Luo Qing Chen was secretly filled with joy. She actually had a chance to.....sit shoulder to shoulder with him!

“Hand.....”

She was stunned and quickly placed her hands on the keys. She took a deep breath and listened to his soft countdown.

“1, 2, 3.....”

The sweet melody followed their hands and vibrantly rang out.

—
.....
Girl: I only know how important you are after meeting you.

Boy: There is no one that can feel your sweetest smile.

Together: I no longer need to find anyone else.

Because I have already found it.
.....

Girl: It was only lively at the movie theater on Saturday because of you.

Boy: I'll take you to see the night sky on Sunday, alright?

Together: I wander around with you.

That is my dream.

The sweet female voice melded with the warm male voice. The four hands on the piano bloomed with a beautiful song.

After the song was over, the students under the stage all broke out in cheers. It was their most passionate cheering in their entire high school life.

Chapter 37: Cannon fodder counterattacking the indifferent campus king (Part 9)

After the anniversary celebration was over, the class president called them to the lounge backstage.

"It'll be the winter vacation in a month, everyone, please leave your address and phone number. After the jury has finished the ranking, the school will directly send the prizes and gifts to your home. Have a good year!" The class president had a full smile. It seemed like she was very satisfied with tonight's anniversary celebration.

Luo Qing Chen walked behind Su Liang Chen and stared right at him. She watched him pick up the pen and write down his phone number.

"135****1314....." Luo Qing Chen muttered.

After Su Liang Chen finished writing, she quickly wrote down her own information. Her writing became a bit crooked.

It was not her fault, she was completely focused on school hunk Su's elegant writing.

System, system, help me remember the address!

[The system does not provide this service.]

What use do you have? You are a calculative system, you can't even remember a single thing. You're not embarrassed to call yourself a system?

Who says it couldn't! The system didn't want to talk to her at all!

Finally, Luo Qing Chen could only remember the phone number and some general information on the address. Golden Manor Yard XXXX, she couldn't remember the rest.

Because all of her mind was being used to remember the cell phone number!

When she came home, Luo Qing Chen didn't even take a shower before sending a short text message to Su Liang Chen's number.

[It was only lively at the movie theater on Saturday because of you. Do you want to see a movie if you have time? How about it! ——By Luo Qing Chen.]

A long night passed and Luo Qing Chen's cell phone didn't vibrate once.

Pulling out my heart, old iron!

The next day, she decided to use the break during her gym class to go to the science room to trap him!

But she never thought that she would trap him.

But there were two people.....

Him and Fang Tian Tian.

She really had the aura of a female lead. Luo Qing Chen felt that when Su Liang Chen talked to her, there wasn't that cold feel that kept other people thousands of miles away.

"Um, about classmate Su's anniversary performance, I'm very sorry....." Fang Tian Tian was wearing a normal school uniform with a white sweater over it. Her long hair was tied up in a ponytail. It gave her an overall pure and cute feel.

Although she didn't have a high value in her face like Luo Qing Chen, standing there with a faint blush and lowering her head, there was a different kind of beauty.

Without knowing why, when facing Fang Tian Tian, Luo Qing Chen was not as confident as when she faced Qian Fei Fei!

It felt like the cannon fodder fighting the female lead! The latter had a complete victory!

"It's fine, is your hand alright?" Su Liang Chen's clear as water voice rang out. It sounded so good that people's bodies turned numb.

His eyes were slightly narrowed. His eyes fell onto the rainbow coloured bracelet that almost didn't seem to be there and lips revealed a faint smile.

"It's.....It's alright. Thank you.....classmate Su for caring." She saw the faint smile on his lips and couldn't control the joy in her heart. She softly bit her lip and lowered her head, as her face was covered with a blush.

"Then that's good." Su Liang Chen didn't say anything else as he turned to leave the classroom.

Su Liang Chen wasn't far away and her heart almost jumped into her throat! It was like secretly listening in on someone's confession!

Fang Tian Tian's eyes faintly sparkled as she was frozen on the spot. It was like getting over the biggest problem in the world, that kind of wild joy.

She suddenly looked up and looked at Su Liang Chen's back as she said, "Classmate Su, I have something to say....."

Puchi, why was it not I like you and I have something to say! That Fang Tian Tian was a bit too reserved!

[Host, do you think that everyone is as direct as you?] The system's mechanical voice rang out.

System, turn yourself into a ball and do what you need to do.

Luo Qing Chen took a deep breath and walked out. She cleared her throat and said, "Liang Chen."

That's right, this old lady wants to call him Liang Chen! After all, she could be this willful with an affection of five!

Chapter 38: Cannon fodder counterattacking the indifferent campus king (Part 10)

Fang Tian Tian slightly turned around and was stunned when she saw Luo Qing Chen. It wasn't like she didn't see the performance last night. Su Liang Chen's faint smile pointed at her was that mesmerizing.

But she recognized in the end that this was just for show.

But now, why was she calling his name so affectionately.....

"Let me borrow your male god for a bit." Luo Qing Chen smiled at Fang Tian Tian before grabbing Su Liang Chen and began moving towards the empty playground.

Fang Tian Tian was stunned. She thought that Su Liang Chen would throw away her hand, but she never thought that he wouldn't resist at all.

Why wasn't he resisting at all.....

When they came to the playground, Luo Qing Chen immediately let go of Su Liang Chen's hand. She placed her hands behind her back and revealed a smile.

"What....."

"School hunk Su, let's make a deal!" Luo Qing Chen looked at the expressionless, but peerlessly handsome face in front of her. She directly cut him off. She decided to take the initiative, stopping him from taking the advantage with a few words!

"Oh?" He raised one brow and curious look appeared in his eyes.

"Let me be your girlfriend!" Luo Qing Chen closed her eyes and took a deep breath before speaking.

Her system was a bit right, she wasn't as reserved as Fang Tian Tian.

"As a trade, I want to know, what benefit is there for me or.....is there anything special about you?" He didn't directly reject her and looked over her with a faint smile in his eyes.

Specialty?

She thought about it before saying, "I look good!"

"Vulgar." Su Liang Chen was very concise.

She gritted her teeth before continuing, "I can sing and play the piano!"

“Vulgar.” His brows slightly raised, waiting for her next words.

Damn, why is he so hard to serve!

“Nothing else?” Seeing her not saying anything, Su Liang Chen narrowed his eyes before saying, “Then I’m leaving.”

Seeing him turn to leave, Luo Qing Chen grabbed his arm in a panic. She suddenly looked up and said, “I! Can! Block! Flowers!”

Her fame as the school flower wasn’t empty, it had a role in blocking others. It could be used to block all the flowers that kept charging at him!

Su Liang Chen stopped moving and there was a faint smile in his eyes. His lips parted slightly to reveal his teeth as he said, “A bit interesting.”

What the hell is a bit interesting? Did he agree or reject her!?

“Ding, ling.” The crisp school bell broke the slightly awkward feeling in the air.

Oh, it’s the damn class bell!

“Classmate Luo Qing Chen, I’m not planning on dating in my third year of high school.” Su Liang Chen’s clear voice sounded in her ears, causing her heart to fall to rock bottom.

She pursed her lips and looked down with a face of frustration.

Su Liang Chen slightly looked down to see her disappointed expression and his heart was filled with joy.

For the first time, someone else’s emotion could affect his heart.

This kind of true feeling was a bit interesting.

“Alright! I understand.....” Luo Qing Chen’s plan A didn’t work, but luckily she could switch to plan B.

But she never thought that before she even finished, Su Liang Chen would cut her off, “It’s not because I’m afraid of dating, rather I don’t want to separate after graduation.”

“Ah!” Luo Qing Chen instantly looked up and looked into his eyes with excited eyes.

It was so good looking that it seemed to glow.....

[Ding, affection has increased by ten. Mission completion rate is now 15%.]

Ah, ah, ah! System, after being silent for so long, the affection has finally increased! Does that mean he's agreeing!?

[Host, which ear did you hear him agreeing to you?]

Humph! System that doesn't understand love!

"Study properly." Su Liang Chen looked down at her flushed face and spoke in a soft voice.

Chapter 39: Cannon fodder counterattacking the indifferent campus king (Part 11)

After all, her grades were just too bad. Like this, she wouldn't even be able to reach the bottom line to get an undergraduate degree.

Luo Qing Chen stood there in a daze, blankly blinking.

Looking at his back, Luo Qing Chen felt like her heart was about to jump out.

System, calling the system!

[Here.]

His meaning is that my grades aren't good enough?

[It's very clear.]

Damn, what do bad grades have to do with me? It's the original host who was too dumb?

[After the host has inherited the original host's body, the results have not improved. Instead, you have dropped several ranks.]

That was because I thought grades weren't related to the mission, alright!?! Ai, so his meaning is that there will be a chance if my grades are good enough?

[Yes.....I think.]

Take out the I think, I feel it's like that! Ze, ze, this is easier! I have a way!

[.....]

—

In the silent night, Luo Qing Chen kept tossing around in her bed, unable to sleep. Her mind was filled with Su Liang Chen's face.

That elegance, that handsomeness, it, it was so good looking!

He seemed to bring light wherever he went that shined into the hearts of countless people.

But it seemed like not a single person's light could shine into his heart.

"Un! I will definitely shine my light into his heart!" Luo Qing Chen suddenly sat up in bed, nodding as she talked to herself.

After that, she picked up her cell phone to send a second text message to Su Liang Chen. [Tomorrow night at the theater entrance at eight, I'll see you there! «Ten miles of spring breeze can't compare to you», I'll be waiting for you.....PS: I'll still be waiting even if you don't come! Wait, wait, wait! ——by Luo Qing Chen.]

Tapping the [send] button, Luo Qing Chen felt her palms being filled with sweat.

Actually it was very embarrassing and even she felt very awkward.....

Things don't always turn out how one wants. After an entire night, she didn't receive any response at all!

When she got up the next morning, there were two large, black circles around her eyes.

System, did I remember the wrong phone number! Come out and check for me.

[.....]

Check! For! Me!

[It's right.] The system's ice cold voice instantly fell over her worried heart.

Un, her heart was completely frozen.

She walked down into the kitchen with a depressed look. Mrs. Xu had already prepared breakfast for her and her loving father was watching the morning news.

In other words, the original host was an only child and had been pampered since she was young. It was no wonder her final regret was leaving her family.

"What wrong baby? You look all listless." Mrs. Xu saw her coming in with a bitter look and asked out of worry.

“Aiya, I say darling, the third year of high school has a lot of pressure. If you keep asking her each day, her worries will become bigger.” Her father narrowed his brows as he spoke to Mrs. Xu.

“Alright, alright, alright, mother won’t ask.” Mrs. Xu put the milk and cake for lunch in her bag and said, “Remember to eat.”

“I know, mom.” Luo Qing Chen pursed her lips as she was very moved.

She had never experienced this kind of thing before. Although it was just a small act of sentiment, it warmed her heart.

No wonder the original host was that unwilling.

If she was also born in this kind of family, she would also cherish it.

“Daughter, the weather report said there would be a storm tonight, remember to bring an umbrella.” Luo Qing Chen was eating her breakfast and thinking about the movie tonight, so she completely missed her dad’s reminder!

At this time, what she was thinking about was: Did Su Liang Chen receive the text message? Did Su Liang Chen even read the text message? Aiya, will Su Liang Chen even come in the end!?

Chapter 40: Cannon fodder counterattacking the indifferent campus king (Part 12)

As a third year high school student, Luo Qing Chen had to go to eight classes each day.

All the music class, gym, and computer science class had all been changed into english class, english class, and english class!

She couldn’t not help feeling that having two languages in this society was very important.

“Achoo——” In the final bit of ‘english class’, Luo Qing Chen sneezed.

She rubbed her nose, “Damn, who is cursing me?”

There were thick clouds in the sky and there were cold winds passing by. The sky became this powerful.

“How could there be someone cursing you, you’re just wearing too little!” Yang Meng Ting turned smile at her aggrieved look as she spoke.

Luo Qing Chen looked down at her light pink sweater, she was only wearing a single piece of autumn clothing. She pursed her lips into a smile and said, "It seems to be so....."

But what she was most depressed about was not her light clothing, but rather her lack of an umbrella!

But it was a good thing the movie theater wasn't far from school. As someone who passed traveled through space, she was not afraid of a little rain.

She carefully placed the movie ticket into her pocket and pulled on her hat before running to the movie theater.

The moment the rain fell on her, she slightly trembled.

To be honest, it was a bit cold.....

It was still around six when she came to the movie theater. There was a fried chicken store next door.

She thought about it. Su Liang Chen shouldn't have eaten yet, she should buy him something.

She would also buy something for herself!

Fragrant fried chicken and ice cold cola. The feeling of them entering the mouth together, that crisp and cool feeling, it really wasn't bad.

But her brain and stomach weren't as lucky. After she finished eating, she felt her head become heavier and her stomach filled with waves of pain.

She looked at her phone over ten times during the hour and it was finally became eight.

She thought that her bitter day was over, but she never thought that the rain would become bigger outside and the cold youth she was waiting for didn't show up.

She didn't know how long passed, she only knew that when she came back to her senses, the staff of the fried chicken store told her it was time for them to close.

Looking at her watch, it was already ten thirty.

The huge rainstorm had cleaned up every street of the city. She stood at the entrance of the movie theater. Her nose became stuffy and she didn't hold back her tears as she let them fall.

Even if she had an affection of fifteen, in his eyes, she wasn't anything.

Actually, he didn't have to come!

In her heart, just a single text from him would fill her with happiness.

Finding a random excuse to push, she would have the courage and motivation to approach him.

But the majestic rain in front of her caused her heart to sink to rock bottom.

"You don't have an umbrella?" A familiar voice sounded and a deep blue umbrella appeared over her head.

Luo Qing Chen looked over with squinted eyes and muttered in a surprised voice, "Tang Yu?"

When Tang Yu saw her turn, he was a bit surprised. Those dark eyes were filled with her image. The long hair over her shoulders, the faint droplets of water on the fringe of her hair, and a pair of incomparably pure eyes.

His heart jumped and awkwardly looked away as he said, "I was passing by, do you want me to send you back?"

She looked over him and said without hesitation, "No need——"

Although this host has been slightly hurt, that does not mean this host has forgotten the original host's experiences.

For Qian Fei Fei's eternal spare tire Tang Yu to strangely speak to her, she could only describe it with four words.

Up to no good!
