

Quick T 381

Chapter 381: Mister's childhood lover (Part 34)

Luo Qing Chen was walking on a small road while talking to the system.

System, calling the system.

[The host can speak directly if you need anything, you do have the exchange points!]

Humph! Proud system! I need two things!

[Please speak, host.]

1. An avatar that looks exactly like me. I know you have it, I saw it in the shop.

2. A drug that makes people see illusions.

[Alright! The avatar will cost 5000 exchange points and it can only be used once.]

??? So expensive!

[This price is already quite cheap. As for the hallucination drug, what kind does the host want?]

It's that kind of drug that people wanted to use when they did "pa pa pa".

The system's face turned red, but it still said in its mechanical voice.

[Yes! 500 exchange points, but it isn't a drug and rather it's a powder.]

Fine, exchange!

[Ding, 5000 exchange points has been taken. Successfully exchanged for avatar (One time use).]

Luo Qing Chen was stunned and doubtfully looked around. It was a good thing this was a remote corner, otherwise if someone appeared out of thin air, she would definitely be on the front page of the major newspapers tomorrow!

She patted her small chest and looked at the avatar in front of her, as she couldn't help sighing with praise.

It really was too similar!

Other than the eyes being a bit blank, almost every pore was exactly like hers.

[The host can use your thoughts to control the avatar and help you do what you want to do.]

Ke, ke, my powerful system! It seems like you already know my thoughts.

[.....Yes!]

So am I right in guessing what Cheng Qian Zi wants to do?

[Completely correct.] The system spread its nonexistent hands to say: The host after experiencing many worlds really has become an old schemer.

Facing supporting female leads, she doesn't wait for them to harm her before she fights back and even puts up the best defense!

Un, smart!

—

When the avatar moved towards the convenience store, several people came out of a white business van and hit the back of her head before taking her away.

All of this took less than thirty seconds and there weren't that many people on the street. Even if an aunt or uncle saw it, they quickly left the scene and didn't try to help or stay.

The avatar was just an avatar and it didn't feel pain, so it wasn't really knocked out. It just fell down when Luo Qing Chen sent a thought for it to faint.

The business van drove for around thirty minutes before it stopped at a private club.

It was a very remote place with all kinds of red lights around, looking like a place that sold H.

Luo Qing Chen closed her eyes and could see everything the avatar saw.

"Come, lift this beauty up for big brother!" Liang Kun revealed two uneven rows of teeth that were black and yellow. Even if she wasn't standing by him, she could smell a terrible stench.

Cheng Qian Zi was the last one out of the business van and she had a camcorder in her hands.

She knit her brows. Although she didn't like this place, her lips still unknowingly curled into a smile.

Finally, finally she would take her revenge!

This girl would be played with by a bunch of lecherous and dirty men, becoming disgusting and violated!

Thinking of this, her smile became even brighter.

Like this, her Gu Qing Nuo would only ever belong to her and no one would be allowed to take him away!

Ever!

Chapter 382: Mister's childhood lover (Part 35)

Liang Kun couldn't wait as he threw the avatar onto the water bed as Cheng Qian Zi calmly set up the camcorder before saying to him, "Big brother Kun, don't be in a rush. I'll help you record this, so you can appreciate your majesty in the future!"

"Ai, little sister Qian Zi understands me the most." He took a mask from the table on the side and said, "But big brother is shy, so it's more safe wearing this mask."

This little girl suddenly took out a camcorder and didn't even know what this meant. Rape was a serious crime, he couldn't leave evidence.

But he wanted to appreciate his body and his abilities to "pa pa pa", so naturally he didn't reject her.

“It’s good that big brother Kun likes it.” Cheng Qian Zi walked out with a cold laugh.

She sat down on the sofa outside and heard the disgusting sounds inside, as she revealed a satisfied look. She couldn’t help muttering, “Luo Qing Chen, the feeling of three guys and five guys must be good, right!”

After that, with a soft sound in the air, the space around them froze.

[Ding, 500 exchange points has been taken. Successfully exchanged for teleportation (One time use).]

[Ding, 500 exchange points has been taken. Successfully exchanged for space and time freeze (One time use).]

Luo Qing Chen knit her brows. There was smoke in the air and it was quite dirty here, so she felt uncomfortable.

She took out the powder the system gave her from her pocket and poured it into Cheng Qian Zi’s nose without stopping.

She then dragged her body into the room.

When she came in, her face turned red. There were three men by the bed, taking off their pants while touching the avatar.

Luo Qing Chen felt her stomach churn as she directly called over her avatar.

The avatar belonged outside this world, so it had the ability to ignore the space and time freeze.

She changed the clothes of the avatar and Cheng Qian Zi as fast as she could before putting Cheng Qian Zi on the bed. She casually took a mask and placed it over her face.

Finally, she softly held her avatar’s hand as she hid behind the screen of the room.

With a snap of her finger, the space and time freeze disappeared.

Cheng Qian Zi on the bed took a deep breath and breathed in all the powder.

In an instant, an illusion appeared in front of her eyes that clouded her eyes and ears.

She had a mask and couldn’t see anything, but she could faintly see the man pressed down on her. His white skin, his handsome face, and a spring like smile that stared right at her.

“Qing Nuo, give it to me.” Cheng Qian Zi opened her mouth as her eyes blurred.

“Ai, quite slutty, even asking big brother to give it to you. Don’t worry, these big brothers will satisfy you!” After saying this, Liang Kun quickly took off all his clothes.

The little brothers on the side saw that their big brother didn’t make them leave, so they also took off their clothes.

There were three people, one in front, one behind, and one on the side that couldn’t get in no matter what.

He was angry, so he took off Cheng Qian Zi's mask and placed his thing into her mouth without another word.

Instantly, white liquid splattered over Cheng Qian Zi's face. She just had a smile as she enjoyed it very much.

"Ah——" With a fluttering sound, the air was filled with a dirty scent.

The three men all reached their climax as their eyes turned red, not caring who it was under them. They only knew that their pleasure was great and no one could stop them.

Chapter 383: Mister's childhood lover (Part 36)

[Host, the powder's effect is about to end.]

Say it earlier! I don't want to stay in this dirty place for another second.

The three men had completely enjoyed themselves and were lying on the side feeling completely tired.

Luo Qing Chen raised her right hand and gave another snap, freezing the space around them again.

[Ding, 500 exchange points has been taken. Successfully exchanged for space and time freeze (One time use).]

Although spending like this was a bit too luxuriously, the effects were good, so it was worth it.

She once again changed the clothes between her avatar and Cheng Qian Zi before dragging her back to the sofa outside. She casually picked up a cloth and wiped off her face and hands.

Finally her heart hurt as she placed the avatar back on the bed and hid behind the screen again.

With a snap, the surroundings returned to normal. Please visit on our NovelFull

She used her mind to control the avatar and had her disregard everything as she ran out.

"Hey, stop!"

Three large men chased after her and tried to grab her, but they found that no matter how hard they tried, they couldn't grab her.

In less than three seconds, the avatar had already ran out of the club.

Cheng Qian Zi heard this and suddenly woke up, watching the avatar run downstairs.

She knit her brows and her face turned red. How could she have fallen asleep and had those dreams....

But those dreams really were beautiful, it left a beautiful taste when she remembered them again.

She promised herself that she would make those dreams a reality.

"Qian Zi, that person ran off." Liang Kun's group put on their pants before running out and he said, "That slut is so strong, we can't catch her."

“It’s fine if she ran off.” She waved her hand in an uncaring manner and said, “It’s fine since big brother Kun has enjoyed yourself.”

“Ai, you know that big brother Kun likes little sister Qian Zi.” Liang Kun’s ugly face stared at her and said, “When big brother was doing it, there was only little sister’s image in front of me.”

“Big brother Kun.” Cheng Qian Zi revealed a disgusted look before casually smiling and saying, “In the future, there will be more girls for big brother Kun to enjoy!”

She said this while walking into the room and taking the camcorder, “Let’s keep in touch.”

“Hey, you have to bring more benefits to big brother next time!” Big brother Kun scratched his head before revealing an ugly expression, “Tight feels good!”

Cheng Qian Zi casually walked off while taking the tape from the camcorder, heading in the direction of the school.

She had done all this preparation and the heavens were finally on her side, as everything went smoothly.

Now she needed to put the tape into the school’s broadcast system and set a time to play it. When it was time for the morning flag raising, the whole school will see Luo Qing Chen’s passionate video.

Thinking of this, her heart filled with happiness to the point that she couldn’t help humming.

Teleport.

[Ding, 500 exchange points has been taken. Successfully exchanged for teleportation (One time use).]

“Ding ling—” Right when she arrived at home, she got a call from Bei Xiao Shi.

“Hey, your phone is finally on!” Bei Xiao Shi said with a sigh of relief, “If you didn’t turn on your phone, I couldn’t keep hiding it from Ye Zhi Jin.”

“Ye Zhi Jin?” Luo Qing Chen said in a confused voice, “What happened to him!”

“He said that he couldn’t call you, so he was afraid that something happened.” Bei Xiao Shi said with a soft laugh, “My desk mate, oh, no, it should be your childhood friend is a rather caring person!”

“I won’t talk anymore, I’ll send him a text message.”

“You’re this rushed, go, go!”

Hanging up the call, Luo Qing Chen sent a text to Ye Zhi Jin.

(I was just talking to some middle school classmates, it’s fine. —Luo Qing Chen.)

“Ding ling—” The phone rang immediately after and when she opened it, she was stunned in place.

(I like you. —Ye Zhi Jin.)

Chapter 384: Mister’s childhood lover (Part 37)

If you really like a person, how could you be willing to just be a friend?

Ye Zhi Jin finally said the words he wanted to say the most, the words that had been hidden in his heart for four years.

Liking a person didn't have to be love at first sight, it could love over a long time.

He didn't know when it began, but there was a different kind of feeling that filled his heart.

It wasn't love yet, but it was a different kind of affection.

This affection unknowingly took root in his heart, spreading inch by inch.

In the end, it bloomed into a flower.

Ye Zhi Jin was drinking on the other side of the phone, sitting in a chair downstairs in the dorm.

After a while, seeing that Luo Qing Chen didn't reply, he sent another text.

(Sorry, I drank too much... ——Ye Zhi Jin.)

“Ding dong——”

(Then is the first text true or the second one? ——Luo Qing Chen.)

Without even a second passing, Ye Zhi Jin's text was sent to her phone.

(The first one.... ——Ye Zhi Jin.)

(I understand, I want to eat date buns tomorrow. ——Luo Qing Chen.)

“Ah——” Ye Zhi Jin sitting downstairs suddenly called out, as he released all the joy and happiness in his heart.

He really was happy, a happiness that he never felt before. He finally went past his alone chapter, going through all that silent time and slowly working hard to write their shared chapter.

He went to the same school as her and did many things that she didn't know, but she also didn't need to know.

[Ding, affection has increased by ten. Mission completion rate is now 90%.]

When Luo Qing Chen heard the notification the system gave her, she was a bit surprised.

So his affection for her had unknowingly reached 90%, this mission was going a bit too smoothly.....

At the same time, Ye Zhi Jin borrowed an electric bike from a friend and was heading in the direction of his home.

In that moment, he only had a single thought.

That was to——

Make plenty of date buns!

—

The next morning, Luo Qing Chen and Bei Xiao Shi had just entered the school when they met Cheng Qian Zi.

Her mood seemed quite good, as her face bloomed and her lips curled into a smile.

Luo Qing Chen narrowed her eyes as she watched her walk over.

“Ai, Luo Qing Chen, why do you still have the face to come to school today?” Cheng Qian Zi crossed her hands and had a teasing look in her eyes as she looked over Luo Qing Chen.

“Are you crazy! What does it matter to you if others come? Are you really that nosy, caring about everything!” Bei Xiao Shi gave a cold snort and rolled her eyes at her.

“He, he.” Cheng Qian Zi bit her lip and looked at Bei Xiao Shi with wide eyes as she said, “Surnamed Bei, let me tell you, don’t act so arrogantly or you’ll suffer the same fate as Luo Qing Chen!”

“Come! Who’s scared of you!” Bei Xiao Shi couldn’t take it and pushed her aside.

This scene was caught by Gu Qing Nuo who had just walked in through the school gate.

Cheng Qian Zi looked over and the moment she saw Gu Qing Nuo, she looked at Bei Xiao Shi with an aggrieved look, “It’s fine that you wanted to fight last time, but why won’t you let me go!”

“Ai.....You.....”

“What is going on?” Gu Qing Nuo slightly knit his brows and came forward to put Cheng Qian Zi behind him. He stood in front of Bei Xiao Shi and said, “We’re at school, stop playing.”

“My god.” Bei Xiao Shi said with a shrug, “Alright! Cheng Qian Zi, I give you full points for your crappy acting!”

After saying this, she grabbed Luo Qing Chen’s hand and headed to the classroom without looking back, How could there be such a person in this world!? Shouldn’t people be a bit more honest?

Chapter 385: Mister’s childhood lover (Part 38)

When she came to the classroom, her desk was covered in steaming date buns and date flavoured soy milk.

Luo Qing Chen turned around and Ye Zhi Jin was ‘very seriously’ reading over his test paper.

When Bei Xiao Shi came over and tilted her head in confusion and asked, “Your test, it’s.....upside down!”

“Pu!” Luo Qing Chen couldn’t help breaking out in laughter.

Ye Zhi Jin quickly turned the test around and said, “I.....I was just going over the wrong answers backwards.”

“The main thing is.....” Bei Xiao Shi said with a shrug, “You didn’t make any mistakes.....”

It was clearly full marks, what mistakes was he looking at?”

“Ke, ke.” Luo Qing Chen cleared her throat and looked at them and said, “Let’s end this embarrassing talk, alright?”

“Deng, deng, deng, deng, deng, deng, deng, deng, deng, deng, deng—”

“It’s time for morning assembly, let’s go!” Bei Xiao Shi grabbed Luo Qing Chen’s hand and ran out to the yard.

Luo Qing Chen was naturally clear on what would happen next.

There was a phrase that said: You won’t die if you don’t seek death, so why are you looking to die?

—

“Half of the next semester is almost over and it’ll be winter soon. Everyone needs to focus on their studies. There are three things to announce today. The first is about the basketball tournament that just ended. As ones with potential, we didn’t disappoint and took home the championship——”

When the head teacher was passionately talking about this on the stage, the large monitor in the center of the assembly ground lit up.

“Un ah——”

“So good, so good——”

The dirty scene appeared in front of everyone’s eyes scene by scene, not hiding a single thing.

At the beginning, three hairy uncles were lying over a masked girl and they kept trembling.

Instantly there was an uproar in the field, even the head teacher’s face turned white in fear.

“Damn, what is this?”

“Sex tape?”

“So disgusting! It’s even a four way.....”

“That’s right! It really is disgusting. I don’t know who’s this shameless, doing this kind of shameless thing at such a young age.” Cheng Qian Zi said this in a very loud voice, allowing everyone to clearly hear her.

Finally in the most exciting moment, her eyes fell onto Gu Qing Nuo not far away.

She saw the youth she loved also revealing a shocked expression, looking at the screen in disbelief.

There was a warm breeze, blowing over his dazzling and beautiful face.

Ye Zhi Jin narrowed his eyes and he panicked a bit as he unknowingly moved closer to Luo Qing Chen.

He firmly stood by her side and only then did his heart calm down a bit.

But Luo Qing Chen's expression was very calm and she had a faint smile, as she crossed her hands and watched the screen.

The video kept going until——

One of the uncles took off the girl's mask on the water bed and everyone took in a cold breath of shock.

Their eyes fell onto Cheng Qian Zi almost at the same time.

This was because the face on the LCD screen was hers.

The uncle put his thing into her mouth and he kept moving back and forth, looking very disgusting.

Cheng Qian Zi on the bed revealed a charming smile and from time to time, she muttered, "Faster, un, faster, I still want it....."

"Ou——" The sound of vomiting rang out.

Cheng Qian Zi was frozen on the spot and her face turned white. She shook her head in disbelief as her trembling lips said, "No.....Impossible.....How.....How could this be possible....."

Chapter 386: Mister's childhood lover (Part 39)

"Ding——" The screen turned dark, it should have been someone going to the AV room to turn it off.

This matter could be described as creating a stir in Dream One High School.

Bei Xiao Shi looked at Luo Qing Chen beside her in a daze, as her eyes were filled with worship.

"Wow——" She placed her lips beside her ear and whispered, "Baby Qing Chen, you are simply my goddess!"

She didn't know at all what methods Luo Qing Chen used, to actually record this video without Cheng Qian Zi finding out at all.

"Do you still remember what I said to you before?" She pursed her lips into a smile as she looked at Bei Xiao Shi and said, "If I can guess what Cheng Qian Zi is planning and still fall for her trap, I would be useless!"

"No——" Her eyes sparkled as she said, "You are too useful! I can feel Cheng Qian Zi fainting from rage."

"She doesn't care about what others think of her, she just cares about how Gu Qing Nuo sees her." Luo Qing Chen slightly knit her brows as she said in a cold voice, "To her, this should be the darkest moment in her life!"

But everyone had to be responsible for what they did, right? Pitiful people had to have their hatred. If it wasn't for her system, what would have happened to her?

This matter was suppressed by the school, since the corrupting nature of this material was too great.。

Cheng Qian Zi kept denying that the person in the video was her, someone must have edited the video to harm her.

But specialists from the school determined that there were no traces of editing.

One thing worth mentioning was——

The day before the morning assembly, the camera in the AV room caught Cheng Qian Zi, it was her who had snuck the video into the room and set it to play.

With this, she couldn't wash this off even by jumping into the Yellow River.

No, she was the culprit and didn't need to wash it off.

Due to how serious this was, Cheng Qian Zi was expelled. The day she left, she stood at the entrance to class seven for a long time, but Gu Qing Nuo never came out.

Luo Qing Chen didn't even look at her, like this girl had never appeared in her life before.

She wasn't even worthy of being considered an enemy.

Time passed quickly and the final exams of the semester were here. This exam determined how their seats would be arranged.

Without knowing why, Gu Qing Nuo who had never worked too hard suddenly became quite enthusiastic.

Ye Zhi Jin was the same as always, other than bringing her a date bun every morning, he brought her cold medicine when it was cold and mineral water when it was warm.

In short, it was like his bag had become Doraemon's treasure pouch, filled with warmth.

As for Bei Xiao Shi, she was still hopelessly in love, but she made more and more contact with Xu Ji Yuan.

For example.

"Ai, I've heard that Cheng Qian Zi is going to Martial Three High School now!" Bei Xiao Shi poked Luo Qing Chen's back with her ballpoint pen and said, "I've heard that the man in the video is her brother and this is a case of molesting a minor, so he's been put in jail!"

"That's quite good! Anyway he's not a good person. But for her to go to Martial Three, she might steal your male god!"

"Ke, ke." Bei Xiao Shi cleared her throat before looking over at Gu Qing Nuo and saying, "My male god at least has some eyes, alright?"

"Yes, yes, yes, your male god is the most handsome." Luo Qing Chen looked at her as she revealed a sweet smile.

This kind of high school life was really good.

The hardest thing to obtain in the world was happiness.

The hardest thing to guess in the world was the future.

Luo Qing Chen thought that Cheng Qian Zi's transfer would be the end of this story's most hateful existence, but she never thought that it would just be the beginning.

Chapter 387: Mister's childhood lover (Part 40)

Three days later, the results of the exams were announced.

Ye Zhi Jin was first place with a full score of 1050 and Luo Qing Chen was still ninth.

She was the ever same ninth.

One thing worth mentioning was that Gu Qing Nuo who had been out of the top twenty suddenly jumped into third place.

Although there was still a difference between his score and Ye Zhi Jin, these grades were still praised by the teachers.

In the end, the teacher kept his promise and put Ye Zhi Jin at the same table as Luo Qing Chen.

The students all sighed at this, the teacher was just taking a step back.

Although first years high school students were forbidden to be in a relationship, if the people at the same desk both had their grades sharply increase.

It seemed like nothing wasn't allowed.

The first day Ye Zhi Jin shared a desk with Luo Qing Chen, he was caught by the math teacher for passing notes.

"Do none of you listen anymore?" The math teacher angrily hit the desk with their ruler as they said, "The two of you come up. If either of you make a single mistake, everyone in the class will have to stay behind today."

His class representatives were passing notes in class, this was an insult to math!

"Ah!" The other students complained, but one male student stood up and said, "Hey, it's Ye Zhi Jin and Luo Qing Chen, we should believe in our math tyrants!"

When this was said, the teacher became angrier!

He took out the sample test questions and quickly wrote a few test questions from this year's third grade math test.

As first year high school students, it really would be a miracle if they could solve this.

Ye Zhi Jin took the chalk first and finished the questions from left to right. Each answer had his process clearly written, looking like sample answers.

He slowly put down the chalk and turned to the math teacher to say, "Teacher, can we go now?"

That's right, he said 'we'.

When his voice fell, the students in the class all discussed in whispers.

"Woah, are they right?"

“The math teacher’s face is red with anger, it should be right!”

“He, he, he really is the math male god, school hunk Ye, so powerful. He could probably even take the university exam this year!”

“He might even be a top scorer!”

“Peng, peng, peng——” The math teacher slammed his ruler on the table and said, “Do you all want to come up as well!”

Instantly the crowd was silenced.

The math teacher pushed up their glasses and looked at Ye Zhi Jin as he said, “You can go first.”

Ye Zhi Jin looked at Luo Qing Chen and his lips curled into a faint smile before he walked down.

After that, the math teacher picked up the eraser and completely erased everything that Ye Zhi Jin had written.

It was like he couldn’t vent the anger in his heart since Ye Zhi Jin’s answers were all right, so he couldn’t say a thing!

Then he opened the example book and wrote more questions. This time the questions were harder and included graphs.

Just with the complicated graphs, he spent at least five minutes drawing them.

When he finished both questions, he slowly turned and looked at Luo Qing Chen with crossed hands as he said, “As the math class representative, these two questions shouldn’t be hard!”

Of course these two questions were hard, these were questions that even third grade high school students couldn’t finish, alright?

He was thinking: Finally he could get some face back!

But right after that, Luo Qing Chen picked up the chalk and wrote on the board for three minutes each on the left and right side of the chalkboard. Then she put down the chalk and said, “Teacher, can I go now?”

???

The whole class was stunned!

This Luo Qing Chen, she only wrote the answer.....

Chapter 388: Mister’s childhood lover (Part 41)

The math teacher narrowed his eyes. He looked at the answer book before turning to the blackboard before turning to the answer book before turning back to the blackboard.

After repeatedly checking, he could only awkwardly clear his throat and say, “Go!”

“Thank you teacher.” Luo Qing Chen gave a nod as her lips curled into a faint smile.

When she turned to leave, she and her mister childhood friend locked smiles.

This kind of smiling, this kind of tacit understanding, it really suited them.

[Ding, affection has increased by ten. Mission completion rate is now 100%.]

The lonely years with the cold silent nights alone.

In the high school years, having someone by her would make things much brighter.

But would it really be that smooth?

—

As they reached the end of their first year, Bei Xiao Shi brought some shocking news.

Cheng Qian Zi had dropped out!

Perhaps the story had been passed from Dream One High School, so she was talked about no matter where she went.

The hatred and loneliness accumulated over time in her heart and finally one day, it exploded.

In a dark alley, there was a man smoking a cigarette and a woman with red lips also sucking on a cigarette.

“You came out quite quickly” Cheng Qian Zi’s red lips curled as she took a deep breath of her cigarette, looking at Liang Kun as she spoke.

Liang Kun stroked his beard and said, “It’s all thanks to you!”

If it wasn’t for Cheng Qian Zi suddenly changing her testimony at the second appeal, no matter how good his lawyers were, he wouldn’t have been bailed out this quickly.

“Then you have to properly repay me!” Cheng Qian Zi gave a cold snort, as her eyes narrowed and filled with endless hatred.

“Ha, ha.” Liang Kun laughed as he stretched his hands out to take her waist, while saying with a smile, “I’ll repay you with a night together?”

“Pei—” Cheng Qian Zi slapped it away and said, “Remove your dirty hands.”

“You.....”

“Let me tell you, I can get you out, which means I can also lock you up.” Cheng Qian Zi immediately grabbed his collar and said, “I want you to kill someone.”

“Kill someone?” Liang Kun’s expression changed, “No problem, let’s see your price.”

“Five hundred thousand.”

“Deal!” Liang Kun’s lips had an ugly smile as he looked at her and said, “But you’re just a high school student, how do you have that much money? Did you sell yourself?”

“Pa——” A crisp slap sound rang through the dark alley, as Cheng Qian Zi glared at Liang Kun and said, “I’ll give you half now and you’ll get the other half once the matter is done.”

“Alright.” Liang Kun tilted his lips as he rubbed his stinging face, asking in a dissatisfied voice, “Who do you want to kill?”

Cheng Qian Zi took out a picture and gave it to Liang Kun, “A high school student. For someone as dirty as you, it should be very easy to take care of.”

“It isn’t like your big brother Kun hasn’t killed anyone before!” Liang Kun took the picture and he revealed a surprised look, “Why is it her again?”

In the picture, Luo Qing Chen was wearing a pink coat as she stood outside the school gates. Standing beside her was the handsome and stylish youth, silently watching her with his eyes filled with pampering.

She had a faint smile, a smile that was filled with happiness. It was so contagious, it was like anyone near her could feel the happiness in her heart.

Based on what?

Everything should have been hers, she should have been standing by the bright Gu Qing Nuo’s side, being his most important person.

If it wasn’t for that appearance of that damn Luo Qing Chen.

It was her, it was all because of her!

Chapter 389: Mister’s childhood lover (Part 42)

Without knowing why, when it came to art class, the teacher thought that they would be the turning point in your life.

Careful choices were a kind of responsibility to one’s future.

—

“Hong long——” The thunder roared out. It was only the third class of the afternoon and it was already dark outside the window.

Bei Xiao Shi behind them was lying on the table, not having any energy.

“You haven’t looked good in the past two days and your cold looks quite serious.” Luo Qing Chen knit her brows. Bei Xiao Shi’s colds only lasted a day before, but she didn’t get better this time.

“Ke, ke.” Bei Xiao Shi coughed twice before she said with sparkling eyes, “If it isn’t because of Xu Ji Yuan’s birthday and I wanted to give him a present.....”

Although she wasn’t a school beauty or have much money.

At least she could give him a decent present for his birthday.

"I never thought it!" Luo Qing Chen said with a smile, "Our Bei Xiao Shi is going all out."

She shook her head and looked at her watch before saying, "I'm going to skip the next class, my part time job at the bubble tea shop is coming up."

Luo Qing Chen was surprised. She handed over the cold medicine from Ye Zhi Jin's bag and her coat as she said, "It's raining so hard outside, don't get wet."

It's been getting colder, so her mister childhood friend has been reminding her to bring a coat every day. Even though he reminded her, he still brought an extra coat just in case.

No, there was an extra coat.

Bei Xiao Shi revealed a bright smile to her and said, "Mua! It's my baby Qing Chen who treats me best!"

She picked up her bags as soon as she said this and prepared to leave.

"What are these things?" Luo Qing Chen looked at the large bag in her hand and asked in a confused voice, "Could it be that your present has some starry paper as well?"

Writing something on starry paper and then folding it up, this really was like Bei Xiao Shi's style!

"Ah!" Bei Xiao Shi rushed forward to cover her mouth, "Don't say it!"

Her face was a bit red as her eyes sparkled, looking very shy.

She was afraid that someone would accidentally say the secret hidden in her heart.

Luo Qing Chen just revealed a sweet smile.

In the face of something that moved her heart, even this open girl would feel shy.

Actually this wasn't embarrassing at all.

"Un, I'm leaving! You two have to be careful when you go back, the weather seems like there's gonna be a big storm later." Bei Xiao Shi waved her hand at them as she maintained her smile.

Luo Qing Chen waved her hand and said, "Be careful."

"Ding ling——" The bell rang.

She looked down and when she was prepared to take out her english textbook, there was a delicate gift box that fell by her foot.

Opening it, she saw it was a unique watch.

Damn, this girl forgot to bring it.

When she was prepared to stand up, Ye Zhi Jin pulled her sleeve and said, "Where are you going?"

"Xiao Shi forgot something. She just left two minutes ago, she's probably still waiting for the bus. I'll be back right away."

"I'll come....."

“No need!” She cut him off and said, “Help cover for me, I’ll be back soon.”

As soon as she said this, she turned and ran off.

Running through the stairs of a school was a scene of one’s youth.

Luo Qing Chen never thought that when she reached the school gate, she would see stars all over the ground and someone in a pool of blood.

Chapter 390: Mister’s childhood lover (Part 43)

In that instant, she threw away everything in her hand and wildly charged forward.

The rain fell onto her white face and thunder boomed in the sky, like it was resonating with her anguished heart.

“Xiao.....Xiao She.....” She slowly picked her up with her hands that kept trembling.

In this year, they had been the best of friends. Whenever she had been bullied, Bei Xiao Shi was the first one to stand up for her.

Why.....Why did it become like this?

“Can.....Can you call an ambulance?” She bit her lip and looked up at the surrounding people, as she spoke in a voice filled with panic and begging.

“Classmate, please be assured, we’ve already called them.”

[Host, it won’t make it in time.]

When she let out a sigh of relief, the system’s voice rang in her mind and broke all her hopes.

It can’t be.....System.....You must have a way! You are the system!

[Sorry, host.]

System.....

[It isn’t like there is no way, but there is too much risk and the chances of success aren’t high.]

Get to the main point.

At this time, her heart was in chaos and she didn’t want to waste time with the system.

[Reversing time, you can go back seven minutes to when you gave Bei Xiao Shi your coat. If you want to go back seven minutes to change her destiny, you have to give a terrifying price. If you fail, the person you care about most in this world will die.]

.....

[Host, you have thirty seconds to consider this. If you pass the seven minutes, you will have to pay a bigger price.]

Change!

“Ding, successfully exchanged for time reversal.”

Everything around her turned silent and then everything in front of her eyes began going backwards.

The black van also slowly moved backwards.

Her cold eyes looked up and saw the person inside.

Liang Kun.

In that instant, there was a fierce flame that burned in her heart.

This thing was definitely connected to Cheng Qian Zi, if this time reversal didn't require her life, she definitely wouldn't let her off still.

[Host, you will return to seven minutes ago after ten seconds. Then you will have an hour to say goodbye to them.] The system's voice sounded in her ear. Although it was the same mechanical voice, she could hear the worry in it.

I know!

She took a deep breath and closed her eyes, listening to the system's countdown in her mind.

When it reached one, she suddenly opened her eyes.

Everything around her had returned to seven minutes ago.

“Qing Chen, baby Qing Chen.” Bei Xiao Shi patted her shoulder, holding the cold medicine and her pink coat as she looked at her while saying, “What are you in a daze for! I'm leaving, you have to be careful when you head back later.”

In that instant, when she saw the smiling Bei Xiao Shi, her nose stuffed up and tears almost fell down.

She had been hugging her bloody body just a few seconds ago, but now the healthy Bei Xiao Shi was standing in front of her looking just fine.

This feeling was really good.

“That.” She suddenly stood up and took back the coat, “I'm afraid of being cold, let me give you Zhi Jin's!”

“Isn't it the same?” Bei Xiao Shi looked at her with a confused gaze, “Why are you so strange?”

“How so.....” Luo Qing Chen lowered her head in a panic, picking up the box on the ground and giving it to her, “You don't even know you dropped something.”

“Ah, I really did.” Bei Xiao Shi quickly picked it up and said to her with a smile, “Mua! You really are my baby Qing Chen, otherwise I would have worked half a month for nothing.”

“There's still a few days left!” Luo Qing Chen looked up with an unwilling gaze.

Bei Xiao Shi didn't notice anything wrong with her, she just tilted her head and said, "Although I bought the present, there is a beginning and end for work! There's still two days left, then I'm free!"

"Uhm, that's good." She looked out the window, "Go quickly, class is about to begin. If you don't leave now, you'll bump into the teacher!"

"Ok!" Bei Xiao Shi ran off while saying, "See you tomorrow!"

Tomorrow, was there really a tomorrow.....
