Chapter 4: Deeply pampered by the emperor (Part 3)

Putting the money into her pockets, Luo Qing Chen opened the door a crack.

The vast courtyard was completely empty and no one swept the leaves all over the ground. Other than that maid who brought her the pail of water, there seemed to be no one else here.

“Mas.....Master.” Xiao Qiu saw that her master came out of the room and almost forgot to kneel down.

Luo Qing Chen quickly helped her up and said while shaking her head, “I can’t accept this. This sunlight isn’t bad, how about we go photosynthesize together?”

“Photo.....Photosynthesize?” Xiao Qiu looked at her with a look of confusion.

She slightly turned her head. This phrase seemed to have come from the modern era.

It doesn’t matter, she had to leave the palace and buy some clothes!

The process of leaving the palace was a bit troublesome, but it was a good thing she had a system so it wasn’t that difficult.

After leaving the palace, she headed towards the Brocade Stitch District. She had heard that it was the largest clothing market.

Luo Qing Chen went through the Brocade Stitch District three times before finally stopping at a snow white dress.

Reaching her hand out, she found a rough hand that also grabbed that dress at the same time as her.

Which blind fellow was this!?

She looked up with narrowed eyes and saw what the girl looked like. Going over her memory, wasn’t this the maid that served Yan Wu Se?

What was her name? Chun Hua? Was it Chun Hua?

[System notification: Tao Hua.]

Oh, that isn't important. Actually you didn't need to give me a notification.

[.....] The host's ability to adapt was too strong. In just a bit, she was already gradually becoming overbearing.

"Who are you, actually daring to steal from me?" Tao Hua's eyes popped out, looking very angry.

Luo Qing Chen's eyes were calm as she said with a faint smile, "You like it? You don't seem like someone who is worthy of these clothes."

"My master is worth of it! Quickly let go if you don't want to die!" Tao Hua's eyes were slightly sinister. Those eyes really didn't match her name.

"Then I'll let go?" Luo Qing Chen said this, but her hand became tighter.

When the clothes were about to tear, Luo Qing Chen quickly let go.

"Aiyo....." Tao Hua fell onto her butt and rolled back twice.

The people around couldn't help breaking out in laughter. This Tao Hua was one of Yan Wu Se's favourite maid, having a bit of position in the palace, so she spoke in a somewhat overbearing manner.

"You, just you wait." Tao Hua couldn't hold back her anger as she pointed at Luo Qing Chen. It had to be known, she was Yan Wu Se's favourite maid.

After saying this, she ran right into the palace.

Luo Qing Chen was too lazy to care about her and said to the boss beside her, "This water green robe."

"If the miss likes it, I'll help you wrap it up." The shopkeeper had also been bullied by Tao Hua before and now that someone had taught her a lesson, their heart was naturally feeling much better.

"No need." Luo Qing Chen gave a soft laugh and said, "I'll directly wear it!"

Being dressed in the water green robe with butterfly sleeves, it made her seem like she had been reborn.

Luo Qing Chen looked into the mirror and nodded in satisfaction.

This looked like she was trying to steal a man, alright?

When Luo Qing Chen was planning to return to the palace, Tao Hua had suddenly brought a man covered in armour back with her.

“Big brother Niu, this is the one who just bullied me!” Tao Hua had an aggrieved look, like a flower after the rain.

Luo Qing Chen tried very hard to find this person in her memory, she tried extra hard.

But, she had nothing!

There wasn't this person in her memory at all!

“Daring to bully this master's people, not looking at how much weight you have.” Da Niu loudly roared out and angrily charged forward to beat this person.

Damn. System, he wants to fight, do you have a mace for me?

[Yes.] The system calmly replied.

Give me one!

[Host has no experience points, cannot exchange.]

Damn.....

While Luo Qing Chen was waiting to be beaten, a clear as a bell voice rang out, “Daring to bully a weak girl in broad daylight, is this something a big guard can do?”
