Chapter 431: Ninth level imperial beast master's three realm love disaster (Part 7)

Di Luo Feng took his hand back in a panic. He looked up and cleared his throat as he said, "It's not impossible to break the Snow Qilin's dream world. Shattering it would hurt the innocent and it might not come out, so we would have no other choices."

She looked at him pretending to be calm and couldn't help finding it funny.

If it wasn't for the affection gain, she really wouldn't have known that Di Luo Feng was pretending to be calm!

"So." She said, "You have another way?"

"Isn't it often said that nothing ventured, nothing gained?"

"You want to enter the dream world it created?" Luo Qing Chen was surprised. If they entered the Snow Qilin's dream world, it would be in control and could control their dreams.

If they couldn't wake up from it, this world would no longer have Ninth Grade Imperial Beast Masters.

"There is nothing in my heart, I'm not afraid of the dreamscape." His eyes sparkled a bit as he looked at her, "If I break this enchantment and break through this dreamscape, the number three divine beast of the Hundred Beast Continent will become my spiritual pet."

In this life, he obtained everything that he wanted. Perhaps there was nothing in this world that could make him lose himself in.

"Humph." Luo Qing Chen pursed her lips and said with a proud snort, "Who knows who'll get out of the dreamscape first!"

"If this is miss Luo's declaration of war." He looked up and that bewitching face revealed a smile to her, "I accept."

So-called not stepping down. The other side had said all this, if she showed fear now, she would be insulting the name of a Ninth Grade Imperial Beast Master.

"It's the transport point in front, it should be the Other Side Forgotten River. You'll enter the Snow Qilin's dreamscape after passing through this." Her expression changed slightly as she said, "Come!"

After saying this, she moved forward.

Di Luo Feng's eyes revealed a different expression. His right hand moved and an azure glow appeared on the hem of her skirt before instantly disappearing.

Luo Qing Chen stood on the transport point and saw the blue light appear. It would be false if she said she wasn't worried.

Entering the Other Side Forgotten River, both of them no longer had any memories. All the stories were made for them by the Snow Qilin just for a single goal.

To let them fall into their dreams and never wake up.

In this world, if neither of them could tame the Snow Qilin, then all the mortals and Imperial Beast Masters of the Hundred Beast Continent would forever stay in the dreams it created.

She and Di Luo Feng went forward at the same point, standing in the transport point.

The Other Side Forgotten River, past and present: Dreams in the beginning, night cherry blossom like songs.

—

A large red sedan was slowly moving across the streets of the capital city, as drums were being beaten and firecrackers exploded.

Sitting in the sedan was the 'capital city's number one beauty' Luo Qing Chen. In order for her father to pay off his underground gambling debts, he had sold his sixteen year old daughter to a sixty year old imperial tutor.

However this young miss Luo only loved the hunter Di Luo Feng from the Other Side Village, vowing to only become his wife.

But the heavens weren't fair, having her marry this dying imperial tutor, just to be his little concubine.

But no one expected that while the sedan was on the road, the imperial tutor stopped breathing in his bed.

There was a cold wind in the air and everyone had shocked expressions as they scattered.

The girl in the large red sedan slowly opened the curtain.

There was a handsome face that met her gaze that had slightly tilted lips in a faint smile.

He slowly raised his hand and gently touched her fingers, "Qing'er, come with me. From now on, I will make sure you have no worries."

Chapter 432: Ninth level imperial beast master's three realm love disaster (Part 8)

Di Luo Feng brought Luo Qing Chen back to Other Shore village and the two lived a happy life together.

For several years, they were as close as glue and very loving together.

"Big brother Luo Feng, you're back." Luo Qing Chen was bringing out the steaming meal while also looking at him with a gentle smile.

"You're being naughty again! Be good, call me husband....." Di Luo Feng came through the door with a rabbit in his hand. He looked at her with a pampering look and said, "I got a rabbit today, we'll eat good tonight!"

"Such a cute rabbit! What a pity it is to eat it, why not keep it as a pet?" A delicate look appeared on Luo Qing Chen's face, but when she said this, her expression changed.

Di Luo Feng was also stunned, feeling that something was faintly wrong.

"If Qing'er likes it, we'll raise it." Di Luo Feng revealed a faint smile as he said with a pampering look.

That night, she carefully pulled the arrow from the rabbit's foot and wrapped it up.

The little rabbit was very cute, as it silently laid down by her.

"Still not sleeping!" Di Luo Feng softly put his coat over her shoulder and said in a caring voice, "Sleep early, don't be tired."

Luo Qing Chen revealed a faint smile and leaned her head against his shoulder, "Has big brother Luo Feng been happy over the years?"

"I am, I am happy wherever you are." Di Luo Feng stroked her hair with a warm look in his eyes.

After that, the little rabbit suddenly stood up. Looking at the hem of Luo Qing Chen's clothes, its ears jumped up straight.

There was a faint azure glow that was sparkling at the hem of her clothes.

Di Luo Feng trembled and tightly knit his brows. After a few seconds, he said to Luo Qing Chen, "Qing'er, do you remember how many years we've been married?"

"How does big brother Luo Feng not even remember this." She looked at him with a faint smile and said, "It's already....."

But after that, she found that she couldn't say a single thing.

How many years.....She.....She couldn't remember.....

"Does Qing'er remember what we ate yesterday?" Di Luo Feng glazed eyes exploded layer by layer as it began to sparkle.

"Ate....." She was stunned as she looked into his eyes. She slightly pursed her lips and said, "Why is it like this, why.....It seems like everything is good, but I can't remember any details.....Could it be we are in.....a dream....."

"Right, we are in a dream." Di Luo Feng's eyes lit up and a charming look flashed in his blue eyes.

In that instant, his aura became incomparably strong.

"Peng." The dream realm shattered after that.

The surroundings returned to normal and they were standing in the center of the Other Shore Forgotten River, with the Snow Qilin standing in front of them.

Di Luo Feng first looked at her with complex emotions in his eyes, they were indescribable and unclear.

He just felt like there was something looming in his heart, arousing expectations that he never had in his heart before.

[Ding, affection has increased by ten. Mission completion rate is now 0%.]

Luo Qing Chen only fully awoke when she heard the system's voice ringing in her mind.

The Snow Qilin's dream realm really made people lose themselves in it.

It seems like Di Luo Feng was still quite strong, being able to see through it.

“What are you looking at, why aren’t you subduing your divine beast?” Di Luo Feng’s soft voice rang in her ears and she was stunned, not knowing what was going on.

Since the dream realm the Snow Qilin made was broken, it was very weak at this moment.

Even a Seventh Grade Imperial Beast Master or higher could tame it.

And he actually gave this chance to her.....

Chapter 433: Ninth level imperial beast master’s three realm love disaster (Part 9)

Luo Qing Chen revealed a faint smile as the Splendid Flashy Orb in her hand lit up.

Since Di Luo Feng was giving her the chance, there was no reason to turn it down!

“Roar.” Although the Snow Qilin’s dream realm was broken and it had no way of escaping, it still gave a meaningful roar.

After all, its blood and essence was that of the third ranked divine beast!

White glow surrounded its body in layers and Luo Qing Chen jumped into the air, as she released her Imperial Beast Energy.

In an instant, white light scattered all around and only when there was a faint Qing word on the Snow Qilin’s brow and it curled into a ball did it all disappear.

After taming the Snow Qilin, the villagers who had been wandering around instantly came back to their senses with stunned expressions.

The sky seemed to open and filled with a blue colour.

“It finally comes to an end.” Luo Qing Chen looked at the Snow Qilin beside her that was three heads taller than her before her eyes fell onto Di Luo Feng, “Let’s bid farewell here.”

No matter what, she would get the Snow Qilin back first before coming out again.

“Un.....” There was a bit of hesitation in Di Luo Feng’s voice. He looked up to see the Golden Swallow flying not far away and his lips curled into a faint smile, “I’m afraid it won’t be as you wish.”

The Golden Swallow dropped a piece of paper into her hand.

When she opened it, it was Dugu Wan Yue’s handwriting.....

The number two divine beast, the Snow Silkworm has appeared. Master knows that you’ve tamed the Snow Qilin, so now head to the Capital of Insects, the Jade Wood County.

Walking out of the Other Shore Village, they met An Qiao Yu rushing over who was followed by a panting Yu Ruo Shui.

Yu Ruo Shui’s expression looked very bad, like she would faint at any second.....

“Have you.....just arrived?” An Qiao Yu was panting. He looked at Luo Qing Chen with a gentle look and said, “I can help.....”

As soon as his voice fell, Luo Qing Chen pointed at the Snow Qilin lazily lying down behind her, “It’s there.”

“You.....You finished it already!” An Qiao Yu said with a frustrated look, “It feels like I didn’t participate at all.....”

Di Luo Feng gave a soft laugh before looking over at Luo Qing Chen, “You’re not putting it in your Spirit Pet Bag?”

“I came in a hurry.....I didn’t bring it.” An awkward look appeared on Luo Qing Chen’s face. The Snow Qilin beside her could feel its master’s feelings and cutely rolled around on the ground.

“I’ll lend it to you.” He gave the Spirit Pet Bag in his hand to her, “The Spirit Pet Bag follows a master, so don’t use it too long.”

“If I use it long enough, my qilin will follow you?”

“No.” His eyes warmed slightly, “But I don’t have many bags and don’t want to make them. Borrowing means returning and borrowing again isn’t hard.”

“Alright.....” She took the Spirit Pet Bag and white light from her hand surrounded it.

The Snow Qilin gave a yawn before jumping into the bag.

An Qiao Yu was stunned. He looked at Di Luo Feng in disbelief and said, “You, you, you.....Didn’t you never lend your Spirit Pet Bag to others?”

“Is that so?” He slightly narrowed his eyes, “I should have said I don’t lend to males.....”

Luo Qing Chen looked at the sky before turning to Di Luo Feng, “Should we go now or go tomorrow?”

“Of course tomorrow!”

“Of course tomorrow!”

Yu Ruo Shui and An Qiao Yu said at the same time. The former didn’t forget to roll her eyes and say, “Aiyo, master, there’s no need to be in such a rush. The divine beast isn’t going anywhere.”

“It’s indeed like this.” Luo Qing Chen narrowed her cold eyes to look at Yu Ruo Shui and said, “So, there’s no need for you to go.”

“Master.....” Yu Ruo Shui bit her lips as an angry look flashed in her eyes.

Luo Qing Chen turned to Di Luo Feng and said, “Let’s set off immediately?”

“Alright.” There was a faint gentle look in his eyes and it was like there was an indescribable warm breeze blowing in his heart, filling it with comfort.

Chapter 434: Ninth level imperial beast master’s three realm love disaster (Part 10)

Outside the Other Shore Village, azure and white light were fleeting.

In an instant, An Qiao Yu gritted his teeth as faint light shined on his right hand and he chased after them.

They left a stunned Yu Ruo Shui behind.

She silently vowed that she would become strong, she would pay back everyone who looked down on her and bullied her.

There was a black colour that flashed in her eyes.

The Bloodthirsty Power was exploding.....

—

On the way, Luo Qing Chen and Di Luo Feng chatted about a few things.

They talked about the long grudge between the north and south factions, as well as experts of the Imperial Beast Master world.

“You became a Ninth Grade Imperial Beast Master an entire year before me.” There was a deep look in Di Luo Feng’s eyes as he looked at Luo Qing Chen, “Before you became a Ninth Grade Imperial Beast Master, I thought that other than the two founders, I would be the first one to break through.”

He never thought that a single girl would ruin his life plans.

Moreover, it was a girl who was younger than him.

He vaguely remembered the day she became a Ninth Grade Imperial Beast Master, the dark as ink night was instantly filled with light.

Everyone in the Imperial Beast Master world was shocked and proud of her.

Because she had created the first miracle in a thousand years.

The next year, when he had become a Ninth Grade Imperial Beast Master, although everyone had been shocked, it couldn’t compare to when she broke through.

After all, everyone would remember the first and not the second.

Un, he was envious of her.....

“So I became the stumbling block in your glorious life?” Luo Qing Chen gave a soft laugh as a faint smile appeared on her face.

Suddenly she felt that this youth with powerful Imperial Beast skills was quite strong in certain aspects.

“Un.” He softly replied before looking down, “We’re here.”

The Jade Wood County, the heaven for insect and bird spirit beasts.

It was very silent around them, like everyone was asleep.

Luo Qing Chen looked up a bit and said, “You’ve seen the Snow Silkworm before?”

"I've never seen it." Di Luo Feng softly said, "After the Snow Phoenix was tamed by you, it wouldn't have disturbed the three great divine beasts. But after that, someone opened the doors to the Dark Beast Pavilion and used an abnormal way to gain Bloodthirsty Energy."

"Un, I know." She nodded, this matter was in the previous host's memories.

"You know?" Di Luo Feng's eyes filled with confusion, "This matter was only known after my master personally went to the Beast Punishing Terrace and entered the Dark Beast Pavilion, how do you know about this?"

Luo Qing Chen was stunned, feeling like she had been exposed.

She innocently blinked as she said, "I have powerful prediction powers!"

"....." Di Luo Feng helplessly shook his head and said, "It really is hard to believe."

"You actually don't believe me." She slightly knit her brows and said, "Not only do I know that someone has opened the Dark Beast Pavilion, I know who that person is." Visit website our Listnovel.com

Di Luo Feng looked at her with a bit of surprise.

Those determined eyes were clear and didn't show a trace of impurities.

Could it be that she really knew?

For a while, the air was silent.

Azure light flickered in Di Luo Feng's hand as he looked at Luo Qing Chen and said, "I feel that the Snow Silkworm isn't that simple."

"Of course!" She gave a shrug, "Since it's the number two divine beast, compared to creating dream realms....."

Saying this, she felt her face become a bit warm and she didn't say anything else.

Di Luo Feng seemed to sense something and his expression became more gentle.

That dream realm, he and her seemed to have fallen in it.

No, they were deeply trapped in it.

When he learned that it was just a dream, he was a bit.....disappointed.....

Chapter 435: Ninth level imperial beast master's three realm love disaster (Part 11)

"Ke, ke." Luo Qing Chen cleared her throat and forced herself to say in a calm voice, "What about having nothing in your mind?"

Di Luo Feng said with a soft laugh, "Perhaps it was because my heart was a bit disturbed from my master matching me up with someone."

"Ah." She said with a smile, "So your master is worried about your life's big matters!"

“My master said that for an Imperial Beast Master like me, I should never marry a girl who is also an Imperial Beast Master.” His light blue eyes sparkled as he honestly looked at her and said, “Because I might not be able to tame spirit beasts.”

Luo Qing Chen heard this and she thought about the Snow Qilin. Her heart couldn't help beating faster.

This was her first time being with someone who didn't like her so much that it fell to negative twenty affection.

Slowly changing while being with each other, gaining affection for each other.

This feeling seemed quite good.

“So, what kind of girl did your master introduce to you?” When she asked this question, there was a bit of nervousness in her heart.

She felt that she was using some method to dig around in someone's heart!

“A waste young miss!” His eyes sparkled as he said, “My master seems to like the waste third young miss of Calm Martial City's Luo Family the most, perhaps he will have me marry her next year.”

Without knowing why, Di Luo Feng was currently feeling quite happy. It was an indescribable feeling of happiness that he never felt before.

“Ah.” Luo Qing Chen felt her breathing stop and felt a bit speechless.

“What are you disappointed about?”

“How am I!” She suddenly looked right into his eyes. Her long lashes trembled a bit and her expression was stiff.

“If you are afraid that miss Luo will take me away.” Di Luo Feng said with a soft laugh, “Then I'll go with you.”

“Who wants to steal you!” Luo Qing Chen bit her lips and said, “You're suited for the waste young miss! Don't tame any divine beasts next year and live a good life!”

Aiya, so angry! Why did she feel so angry when she saw Di Luo Feng seriously telling this joke!

Could it be that he had to take revenge for her becoming a Ninth Grade Imperial Beast Master a year before him!

When to repay this grudge!

“Ai.” Di Luo Feng gave a sigh, “Then I'm really pitiful. I've heard that third miss Luo has been in a coma for many years now.”

“God.” Luo Qing Chen looked at him with a faint smile and said, “Is this kind of joke funny?”

“It's not bad!” His eyes gradually grew deeper, shining like the stars in the sky.

“Peng.” When the two were immersed with their talk, a dazzling white light filled the starry skies of the Jade Wood County.

Di Luo Feng raised his right hand and unconsciously protected her behind him.

This small action was something that even he never would have thought of....

It was like an unconscious reaction to first protect her.

Luo Qing Chen lowered her head to smile as she said with pursed lips, "Is young master Di protecting this stepping stone on your path of being an Imperial Beast Master?"

"I am protecting my future....." He waved his right hand and the Azure Ink Orb in his hand was covered in a faint azure glow. He looked over at her and said, "The one who can steal me in the future and save me from a sea of misery.....The Ninth Grade Imperial Beast Master."

When he said this, there was an unexpected satisfied feeling that filled his heart.

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

Luo Qing Chen's eyes sparkled as her face turned red.

Why does it feel that Di Luo Feng can so easily move her heart like this.

Moreover, it was so thorough.

Chapter 436: Ninth level imperial beast master's three realm love disaster (Part 12)

"Peng, peng." Two more bright white lights filled the sky.

"What is this situation?" Luo Qing Chen looked at the white sky and said with pursed lips, "It's not like the number two divine beast....."

"Indeed it's not." Di Luo Feng knit his brows and said, "Or perhaps the Snow Silkworm has already been tamed.

Luo Qing Chen tightly knit her brows. Who had the ability to tame the Snow Silkworm before them? That was the number two divine beast of the Hundred Beast Continent!

"Roar." Before they could even react.

A red silkworm under the white light not far away from them gradually became larger.

"God, this is....." Luo Qing Chen was stunned by the silkworm that became as big as a person and she panicked a bit.

Could it be Yu Ruo Shui?

"Bloodthirsty Energy!" Di Luo Feng knit his brows. He jumped up and flew at the Snow Silkworm.

The Azure Ink Orb in his hand exploded with azure light, like he went all out at the Snow Silkworm without any hesitation.

Luo Qing Chen didn't have time to think as she quickly followed him.

"Peng, peng, peng." The red and azure light in the sky kept slamming into each other.

It was like the giant Snow Silkworm had lost control, as it released red poison all over.

“Don’t come over.” Di Luo Feng waved his right hand and the azure light blocked her.

His Azure Ink Orb released layers of azure light and his Imperial Beast Energy charged at the Snow Silkworm.

After that, it was like the Snow Silkworm had been stimulated, as a tentacle cut across his arm.

“Di Luo Feng!”

“Don’t come over.” Di Luo Feng had tightly knit brows. After the Azure Ink Orb was stained by his blood, its power increased.

The Imperial Beast Energy was released again as layers of azure light surrounded the Snow Silkworm.

After a while, the Snow Silkworm was submerged in the azure light and slowly calmed down.

Luo Qing Chen jumped up and looked at Di Luo Feng beside her, “Are you hurt?”

“Just a small injury.” His brows were slightly knit and his blood was boiling.

“Who tamed it?” Luo Qing Chen looked at the Snow Silkworm lying on the ground. Although it had lost all its battle strength, there was no way to tame it.

“Since you know someone has opened the Dark Beast Pavilion, do you know what kind of price someone has to pay to get the Bloodthirsty Energy?” Di Luo Feng said this while putting the Snow Silkworm into a sealed Spirit Pet Bag, sealing the mouth of the bag with layers of azure light.

Luo Qing Chen heard this and said while shaking her head, “I don’t know.....”

“You have to use all your blood.” Di Luo Feng said, “Using the Bloodthirsty Energy to raise one’s Imperial Beast Master grade is a heaven defying method, so they need to change all their blood and inject poisoned blood. This kind of thing can’t be done by mortals and only Imperial Beast Masters can do this.”

“So this Snow Silkworm was tamed by someone with the Bloodthirsty Energy?”

“Un.” Di Luo Feng looked at her and said, “No matter what, this matter needs to be reported to the head.”

Instantly, a Golden Swallow and a white Giant Pigeon flew across the sky.

Both of them were messages from the heads.

“They want us to go to the Beast Mound.” Luo Qing Chen looked up and said, “I think our masters know about the Bloodthirsty Energy matter, so they had use tame the three divine beasts in front of everyone.”

“Let’s not care about this, let’s head to the Beast Mound.” Di Luo Feng said with slightly pursed lips, “We can’t let them be ahead of us this time.”

At that moment, the blood in his body had unknowingly begun to boil.

He knew that if he didn’t return to his sect, there would be life threatening danger.

But right now he didn't plan on letting the girl beside him go to the Beast Mound alone.

Not to mention that he hadn't even managed to tame the number one divine beast, the Snow Mastiff.

Chapter 437: Ninth level imperial beast master's three realm love disaster (Part 13)

Luo Qing Chen was strangely silent on the way. The Beast Mound, that was a place the previous host had never been before.

It really gave the future a bit of an uncertain feel.....

"Don't worry." Di Luo Feng said, "Nothing will happen."

"You're not waiting for An Qiao Yu?" Luo Qing Chen knit her brows. Actually she wanted to know where Yu Ruo Shui was even more right now.

"No need." Di Luo Feng shook his head and said, "I don't want to bring his corpse back to the Celestial Hall."

Although his voice was relaxed, his brows had been knit the entire time.

"Are you feeling uncomfortable....." Luo Qing Chen looked at his face and raised her hand to touch his forehead.

She found that it was burning.

[Ding, affection has increased by ten. Mission completion rate is now 40%.]

?! He had a fever, why did it increase his affection for her!

"I'm....I'm fine." Di Luo Feng's breathing was a bit quick and he swallowed a mouthful of saliva as he said to her, "I just need to rest earlier."

He felt that when the girl in front of him softly touched his forehead, his blood burned even more.

This burning was different from before, it had a warm passion to it.

"No, how can you go to the Beast Mound like this." Luo Qing Chen said with a frown, "Is your wound infected?"

A normal Imperial Beast Master had spells that could heal their wounds, so normally there wouldn't be infections.

Not to mention that Di Luo Feng was a Ninth Grade Imperial Beast Master.....

"Possibly a bit." Di Luo Feng pretended to be calm as he shook his head, "It should be that I used too much Imperial Beast Energy and the Azure Ink Orb couldn't take it."

Luo Qing Chen heard this and she slowly took off her white cape, putting it over, "Then don't catch a cold....."

[Ding, affection has increased by ten. Mission completion rate is now 50%.]

?! God, just how shy was this youth!

This innocence of never being with a girl before.....

“Luo Qing Chen.” Di Luo Feng slightly looked up with sparkling eyes and there was a faint blush on his snow white face. He honestly spoke every word, “Speak, are you really not stealing me?”

“You really want to marry the waste young miss?” Luo Qing Chen asked him back without answering before casually saying, “Can young master Di not call me with my surname?”

Di Luo Feng mentioned the waste young miss two times now, could it be that it wasn't just casual talk and there really was someone who was waiting to marry him?

Without knowing why, there was a trace of disappointment that filled her heart.

She felt that like through her hard work, she had left a different mark in his heart.

But in the blink of an eye, there was someone else to marry.

“Then what do I call you?” Di Luo Feng slowly put the cape back over her and said with a faint smile, “Qing'er? Or.....”

“Stop, ke, ke.....” Luo Qing Chen gave two coughs before saying, “Let's stop with this question!”

Inadvertently, she remembered the dream of the Other Shore Forgotten River and what he said to her before!

Instantly, her face turned red and her heart beat fast.....

He gave a soft laugh and said nothing else. He closed his eyes and while it felt like a million ants were crawling all around his body, there was a warm feeling in his heart he had never felt before.

After a while, Luo Qing Chen's clear voice rang in the silent night, “If there really is a day, I will just have to steal you then.”

Her voice was very soft as she looked at Di Luo Feng leaning over a stump.

There seemed to be no reaction.....

His gentle voice sounded, “Alright, it's a promise.”

Chapter 438: Ninth level imperial beast master's three realm love disaster (Part 14)

The next morning, when Luo Qing Chen woke up, Di Luo Feng was no longer with her.

He only left a single note.

(When it comes to taming the number one divine beast, of course I have to be ahead of you. I know that you will follow, so you have to be careful when following my footsteps.)

Damn!

White light covered Luo Qing Chen's hand as she wildly charged in the direction of the Beast Mound.

She knew that he wasn't doing this to tame the Snow Mastiff, but rather to keep her safe.

Why was it that Di Luo Feng liked to mix words, he clearly could have left a note saying: I'm afraid I can't protect you, so I'm heading out first.

He had to write the note like he wanted to get there before her.....

She desperately rushed towards the Beast Mound, but when she came close Di Luo Feng was covered in blood facing the Snow Mastiff in the air.

No, it wasn't the Snow Mastiff.

It was someone wearing a black cloak and a mask hiding their face.

In an instant, Luo Qing Chen didn't even think as she waved the Exquisite Ring on her right hand and joined the fight.

When he saw this, he said with slightly knit brows, "I've already weakened the Blood Mastiff, you tame it first. I will take care of this person with the Bloodthirsty Energy."

"Ha, ha, ha." Her voice suddenly became that of a man before turning to an angry woman's voice. She stood on the Beast Mound laughing as she said, "Di Luo Feng, you dare fight against me while being poisoned? I think you should leave your life here today!"

"He's.....poisoned?" Luo Qing Chen's voice trembled a bit as she looked at Di Luo Feng's pale as snow face, "You....."

"Ke, ke." He spat out a large mouthful of blood. His eyes were deep as he handed the Spirit Pet Bag in his hand to her, "There's no time, tame the Snow Mastiff first."

He gently pushed her and the Azure Ink Orb exploded with azure light, as he charged at the cloaked person.

Luo Qing Chen tightly gritted her teeth as she looked at the Snow Mastiff trapped in the azure light. The Splendid Flashy Orb appeared in her hand and waves of Imperial Beast Energy flowed out.

The Snow Mastiff kept struggling, but it couldn't move at all from the power of the azure light.

She raised her right hand and white light fell onto the Snow Mastiff, while blending with the azure light around it.

"Peng." With a large sound, the Snow Mastiff was successfully tamed by the two of them.

After that, she opened the Spirit Pet Bag and the Snow Mastiff jumped in.

When she wanted to turn to help Di Luo Feng, he was already kneeling on the ground covered in blood.

She quickly pulled him into her embrace as her fingers trembled.

The cloaked person let out a half male and half female voice, "The Snow Silkworm's poison is not something you can cure with spells. Rather it will erode your blood faster and fill you with endless pain."

"I know who you are!" Luo Qing Chen looked up with cold eyes as she looked at the cloaked person, "Give me the antidote and just say what you want!"

The cloaked person was visibly stunned, but after laughing into the sky, she said in a cold voice, "I can give you the antidote, but you have to do one thing."

"Stop wasting words." She bit her lips as her eyes turned ice cold.

"I want you to waste your Ninth Grade Imperial Beast Master cultivation, I want you to become a waste!"

"Don't.....Don't listen to her.....You.....Leave....." Di Luo Feng seemed to sense something and he tightly grabbed her sleeve, speaking with difficulty.

"Done." After saying this, she waved her Splendid Flashy Orb and looked at the cloaked person as she said, "Give me the antidote."

The cloaked person took out the antidote and said with a terrifying smile, "Waste!"

Luo Qing Chen gave a cold snort as her eyes filled with killing intent. Her lips curled into a faint smile as she said, "Yu Ruo Shui, you think that I as your master can't kill you?"

Chapter 439: Ninth level imperial beast master's three realm love disaster (Part 15)

The sky changed and black clouds appeared.

The entire Beast Mound was covered in killing intent as Luo Qing Chen stood up, with the Splendid Flashy Orb in her hand sparkling with white light.

Yu Ruo Shui slowly took off the cloak, revealing a half man half woman face, with blood veins filled with dark blood on her face.

This was the poison blood exchanged for the Bloodthirsty Energy.

She looked at her with a cold smile and said, "Master, you think that you can beat me?"

"A person who can only reach the fifth grade with the power of the Dark Beast Pavilion and the Bloodthirsty Energy, just how much of a waste are you?" Luo Qing Chen narrowed her cold eyes as the Exquisite Ring in her hand sparkled with gold light.

Her appearance had changed the flow of the story, Yu Ruo Shui had turned dark ahead of time.

No, it could be said that she had never been good!

"Ha, ha, ha." Yu Ruo Shui's half man and half woman voice sounded again as he looked at her and said, "You're this adamant before death. Will you cripple yourself or not?"

Luo Qing Chen looked down at Di Luo Feng's pale face with tightly closed eyes. She bit her lip and said, "Watch properly."

After saying this, she closed her eyes and the Splendid Flashy Orb in her hand turned dark, as everything fell into darkness.

Yu Ruo Shui tightly knit her brows. She realized that the antidote in her hand was already covered in white light.

Instantly, she released blood red light and her eyes filled with absolute killing intent.

“Master, master, you really think I would give you the antidote?” Yu Ruo Shui laughed into the sky, “You can only get the antidote if you kill me. It’s a pity that you can’t kill me. How about it, is the disciple still the disciple!”

Luo Qing Chen shook the bottle and knit her brows.

Damn, it really was a fake!

[If you want to kill Yu Ruo Shui, there is only one method.]

Ah! Right, I still have the system! System, you are my god! Tell me, what is the method!

[The host can die with her using the Exquisite Ring. After she dies, the Bloodthirsty Energy will condense into a pill which is the antidote.]

?

You want me to die with her? Is there something wrong with your brain? My mission.....

[The host won’t die.....]

Oh! Why didn’t you say so earlier!

She had thought that if she died, what would she do with the mission? She never thought that the system would have thought of an answer for her!

Really a good system, she didn’t waste the love she gave it over the past few days!

Instantly, Luo Qing Chen jumped up and the Exquisite Ring on her right hand exploded with golden light.

Yu Ruo Shui was stunned because she was unfamiliar with this golden light.

In her memories, Luo Qing Chen should only have the Splendid Flashy Orb, where did she get this powerful energy from?

“You....What is this?” Yu Ruo Shui felt the golden light swallow her body bit by bit and she said in a panicked voice, “No, impossible!”

Luo Qing Chen’s expression didn’t even change as she looked at her with ice cold eyes and said, “A master is a master in the end.”

“Peng!” The sky was filled with dazzling light.

Yu Ruo Shui felt her body being cracked apart by this golden light, like she was put together from pieces and was about to break.

The half man half woman wail filled the sky before it fell into silence.

Luo Qing Chen felt that after she used all the power of the Exquisite Ring, everything turned dark and she lost consciousness.

The youth on the ground used all his strength to open his eyes and he saw the girl in white clothes slowly falling. There was a faint glow in his eyes as his chest was filled with pain.

[Ding, affection has increased by ten. Mission completion rate is now 60%.]

Chapter 440: Ninth level imperial beast master's three realm love disaster (Part 16)

When she opened her eyes, she was in a noisy market.

The scene in front of her was shaking and there was a painful feeling from her leg. It felt like someone was grabbing her ear which made it quite uncomfortable.

What is this situation? Where was this?

“Ai, hunter Wang, you’re here to sell stuff again!” The auntie selling watermelons saw him and asked him this.

Hunter Wang happily said, “My luck was good today and I got a rabbit. It looks quite good and it has a bit of fat.”

This rabbit, in a mountain village like this, it was considered quite good.

?

Rab!

Bit!

!

She had actually turned into a rabbit.....

God, the lowest rank rabbit of the continent's spirit beast grade.....

What kind of joke was this, where's the system?

[.....The system is here!]

Forget it! Don't come out, stay wherever it is cold!

She was held in the hand of the hunter until she reached the busiest place in Calm Martial City before stopping.

Looking around, there were cages around her and all kinds of spirit beasts were locked inside.

The lowest grade was medium grade and only she was a low grade rabbit.....

“Selling a rabbit that looks good and is fat, it can be a spirit pet or it can be eaten!” The hunter holding her cleared his throat before shouting on the street!

This advertisement, it really was.....

She was so angry that she wanted to roar, but she couldn't make any sound at all.

Un, rabbits weren't born with vocal cords, so they couldn't make a sound.

Even a spirit pet was like this.

Going back and forth, there were many people who stopped. It was either a rich young miss or a low level Imperial Beast Master.

They all bought the spirit beasts in the cages around her and not a single person bought her.

When the sun was setting to the west, the cheerful hunter became very depressed.

He began calling out cheaper prices and in the end, the price was the same as a normal rabbit.

But even for five silvers, no one wanted her.

God! This really is a waste of talent! This treasure used to be a Ninth Grade Imperial Beast Master that looked over the world, alright?

“I think that you’re trouble!” Hunter Wang kicked the cage and looked like he wanted to skin her alive!

She felt a wave of pain. Her leg had been hit and it trembled from the pain.

When hunter Wang was planning to kill her, a familiar cool voice rang out that shook her to the depths of her heart.

“I’ll buy it.” Di Luo Feng looked at the rabbit in the cage and his bottomless eyes sparkled with a faint glow.

A glow that hadn’t been seen in a while.

“Yi, isn’t it senior brother Di Luo Feng?” The previous low level Imperial Beast Masters looked at Di Luo Feng with gazes of admiration.

“It really is the senior brother that we haven’t seen in a long time, it’s been three years.....”

Di Luo Feng heard this and narrowed his cold eyes, as the temperature around him seemed to drop.

That person saw his expression change and she trembled, as he didn’t dare say another word.

Three years had passed and now he was the only Ninth Grade Imperial Beast Master on the Hundred Beast Continent.

He was a legend in the Imperial Beast Master world and everyone worshipped him.

But why was it that he felt so lonely. Perhaps there had been something for him to chase before, but now there was nothing.

If there wasn’t that person in front of him, then everything was so boring.....

Di Luo Feng came forward and put a piece of gold in the hunter’s hand before heading towards the rabbit in the cage.

Without knowing why, when he saw the rabbit for the first time, he remembered the dream in the Other Shore Forgotten River.

At that time, it was also a rabbit like this.

At that time, its foot had been injured.

At that time, you were there.....
