Chapter 451: Ninth level imperial beast master's three realm love disaster (Part 27)

She couldn't remember how she charged forward, she just knew that when the red and azure light were clashing.

She stepped off with both feet and jumped in front of Di Luo Feng.

Flame rained down from the sky and burned when it fell to the ground.

Di Luo Feng's hands were trembling as he held the giant rabbit covered in blood. He looked at the blue sky and his heart was as dead as ash.

How familiar this scene was, it was almost exactly like what she had done three years ago.....

Luo Qing Chen felt that the instant she charged forward, everything went dark.....

She could hear his heart rending cries in her ears, "You can't die, I beg you, please don't die.....We'll go back to Other Shore Village, I can be with a rabbit all day, I really am happy.....Come back, alright? Please....."

[Ding, affection has increased by ten. Mission completion rate is now 90%.]

At the same time, the girl in the ice room opened her eyes.

Her lips curled into a faint smile. All the divine beasts in the cages around her were vigilant, but they didn't dare move forward.

The young girl swayed as she walked out of the ice room.

Everyone in the Di Manor was shocked to see her, they didn't know who she was or where she came from.

"When your young master is back, naturally he'll tell you." She waved her sleeve as she said this with a faint smile in her eyes, "Prepare something good to eat and wait for the young master to come back."

Everyone blankly stared at each other and no one responded.

"Why aren't you going yet!" The girl's eyes turned cold as she roared out in rage.

When it was evening, Di Luo Feng returned to the Di Manor like a walking corpse.

He had a blood soaked rabbit in his hands as his eyes were filled with despair.

Until he saw her sitting in the dining room, the girl wearing the white dress. His eyes completely turned red and he was frozen in place.

The young girl saw this and quickly came forward to hug him, as she whispered in his ear, "I'm back."

Di Luo Feng trembled. He never thought that she would wake up or that the girl in the ice room would ever return to his side.

But in that moment, he didn't want to let go of the rabbit in his embrace.

The girl slightly knit her brows and pursed her lips as she said, "You're not happy that I'm awake?"

"I...." Di Luo Feng raised his hand and his slender finger's slid across her face, "You....You're back...."

"Un, I'm back!" She nodded with a smile. She awkwardly looked at the rabbit in his hands and said, "This rabbit is no longer important, you can bury it."

Di Luo Feng was a bit surprised and after a while, he said, "We'll talk about it in a few days."

Without knowing why, his heart should have been filled with excitement, but he didn't feel the same joy as he did that day in the ice room.

He unknowingly hugged the rabbit as a bit of panic filled his eyes.

The person in front of him was indeed Luo Qing Chen, the person with the same Ninth Grade Imperial Beast Master powers as him.

But why did he feel so strange when he looked at that face that appeared in his dreams every night.

"Aiya, don't stand there." She softly grabbed his hand and said, "Let's eat first!"

There was a displeased look that flashed in the girl's eyes, as Di Luo Feng's reaction was different than what she imagined.

Did she underestimate the importance of the person lying in the ice room in Di Luo Feng's heart or did he see through her?

Chapter 452: Ninth level imperial beast master's three realm love disaster (Part 28)

After dinner, he had Bing'er prepare a room for the girl.

The girl was a bit unhappy, but she didn't dare show it.

She thought that she would be able to live in the same room as him. She thought that she could become his most important person after finally doing all this.

But she never thought that she couldn't even compare to a rabbit!

Even if it was a dead rabbit!

That night, Di Luo Feng stayed up all night. He seriously washed the large rabbit and put on new clothes that he hadn't had time to give her. There was a faint azure light that sparkled on its ears.

This was personally made by him, as long as she wore it, she would be able to hear his voice from far away.

It was a pity that she couldn't wear it when she was a rabbit....

In the night sky, the stars were sparse and there was a waning moon hanging in the sky.

He went to the ice room alone.

The cages around held the spirit beasts that she tamed. His brows tightened as his eyes filled with a faint doubt.

As an Imperial Beast Master, the most important thing was her spirit beasts.

And she didn't release them from their cage as the first thing after waking up.....

He hugged the rabbit and carefully went down the stairs. He bent over slightly and placed it in the ice coffin where she had been lying.

Since the rabbit was so big, it completely filled the coffin.

He closed his eyes and his brows trembled. The most painful thing in life was losing the one you loved the most and he had experienced this twice.

It was a good thing that the girl was awake.

Although it was very strange, she was still back.

With this bit of hope, he felt that he could still keep living.....

The next morning, the girl was already in the dining hall early in the morning waiting for him, already having made breakfast for him.

Her eyes were very beautiful, but they were a bit deathly, beautiful, but not clear.

"That." She softly called out to him, "I seemed to have slept for a long time and there are many things I don't remember....."

There were some things that had to be said first, or there would be trouble when he asked her about them in the future.

"Un." Di Luo Feng softly replied, as he felt confused.

A confusion that couldn't be explained.....

"Are you unhappy....." She saw that he didn't have any energy and slightly knit her brows. Her eyes turned wet as she pretended to be aggrieved, "If you feel that it isn't convenient for me to live here, I can leave....."

"No....." He looked up and saw that her eyes were red, so he softly said, "I might not have recovered from what happened at the Beast Mound yet."

Was he just too nervous? When she woke up and came out of the ice room, he was unable to reveal a look of happiness.

There was a sparkle in the girl's eyes as she said with a happy heart, "That is something of the past. Luo Feng.....big brother Luo Feng doesn't need to feel sad."

Di Luo Feng heard this and his heart trembled. It had been a long time since heard her call him those four words. He vaguely remembered back at the Other Shore Forgotten River, that was the dream realm that the Snow Qilin had made for him.

That was the dream realm he was willing to never wake up from.

In that moment, his heart was suddenly filled with pain, an intense pain.....

“Rest early.....”

“Do you know what my greatest wish is?” She looked up with pursed lips and said, “I want to marry you. I am no longer a Ninth Grade Imperial and I don’t have any Imperial Beast Master skills at all, so will you give up on me.....”

She bit her lip as a crystal like tear came out of her eyes.

“Pida.” It fell onto the back of a hand.

In order to use this body, she had done too many things.

She longed for it and couldn’t wait another second.....

Chapter 453: Ninth level imperial beast master’s three realm love disaster (Part 29)

Di Luo Feng looked at her for a long time before he looked aside and slowly said, “Alright.”

In the past, they had tamed three divine beasts together.

Now she had lost all her abilities to save him.

No matter how strange he felt deep down, he didn’t have the qualification to reject her.

On the fifth day of October, the Celestial Hall’s Ninth Grade Imperial Beast Master Di Luo Feng would marry the Jade Terrace’s Luo Qing Chen.

When this news came out, it shocked the entire Imperial Beast Master world.

An Qiao Yu immediately rushed to the Di Manor, wanting to see Luo Qing Chen after she woke up.

Also he missed the rabbit a bit.

Without knowing why, he had a feeling like he really liked it when he saw the rabbit.

Even if it was fat, ugly, and useless.

Because it was fat and ugly, it seemed soft and cute.

In the study.

Di Luo Feng had his pen raised as he drew a painting. The girl in the painting was standing in the air with white and gold light intertwining on her hand as she faced the fourth divine beast of the Hundred Beast Continent, the Snow Phoenix.

An Qiao Yu came forward and said in a surprised voice, “Yi! Senior brother, you weren’t even at the Ink Card Forest, how can you draw what happened back then!”

He said this before saying, “Moreover I was there as well, why didn’t you draw me in!”

Di Luo Feng heard this and gave a slight nod, as he drew something in the lower right corner

A person who was lying on the ground appeared!

“Senior brother!” An Qiao Yu said with an angry look, “I am clearly very handsome, how could I be that scared.”

“This is what she said.” A faint warm look appeared in Di Luo Feng’s eyes, as his memories rolled out of a corner of his heart.

Did you ask your junior brother what he was doing when the Snow Phoenix appeared in the Ink Card Forest?

That was their first meeting that year.

That year, she was still the Ninth Grade Imperial Beast Master that could make white light explode with a wave of her hand.

An Qiao Yu saw the daze in his eyes and doubtfully asked, “Senior brother, are you not happy?”

Properly speaking, Luo Qing Chen would always be the pain and regret in his life. Now that she had returned from death to come back to his side, he should be very happy, but why couldn’t he see any trace of happiness on his face.

“No!” He forced out a smile and said, “I’m quite happy.”

Even he didn’t believe what he said, as he bitterly supported this shallow obsession.

“Forget it, I don’t understand senior brother’s world.” An Qiao Yu said with a shrug, “Why don’t I see the large rabbit from last time?”

Di Luo Feng’s pen trembled and there was an extra mark that was made on the head of the girl in the painting.

“What are you nervous about? You just ruined a good painting like this.” An Qiao Yu said with a smile, “It can’t be that you’re unhappy because you like that rabbit more, right!”

An Qiao Yu was certain in his heart, his words were complete nonsense and didn’t have any meaning at all!

But his senior brother didn’t seem to hear a single word!

Instantly, Di Luo Feng looked up at him with a faint sparkle in his eyes as he said, “What did you just say.....”

“Senior brother.....” An Qiao Yu scratched his head and said, “I didn’t say anything.....I think that you’re too nervous since you’re about to get married!”

In an instant, Di Luo Feng seemed like he was possessed as he drew two ears on the girl in the painting.

Large rabbit ears.

In an instant.

His brush stopped and he stood up, as he charged towards the ice room.

He left behind a stunned looking An Qiao Yu frozen in place.

Chapter 454: Ninth level imperial beast master's three realm love disaster (Part 30)

In the ice room, the Giant Rabbit was silently lying inside with its two ears drooping down.

It seemed a bit cold and a bit tired.

He slightly raised his right hand and a faint azure light twirled around the ears. His slender fingers tightly held onto the ice coffin.

He bent over and placed a kiss.

His cool voice filled the entire ice room, "I'm waiting for you to come steal me."

"Ah!" Luo Qing Chen suddenly opened her eyes and woke from her dream.

She felt sore all over and her bones were about to break, it felt very uncomfortable.

"Guang dang." A basin of water fell to the ground.

The little girl in orange clothes called out in a shocked voice, "Third miss.....the third miss is awake! Someone come quickly, the third miss is awake....."

Instantly the Luo Manor exploded, as everyone wildly charged to her room.

The doctor carefully examined her body before looking at madame Luo beside him and saying, "The young miss' pulse is quite stable and her mental state is good, she should be fine."

"Qing'er, Qing'er....." Madame Luo immediately burst into tears as she looked at her and said, "Your big sister is missing and you wake up. These ups and downs make mother's heart.....What wrongs did the Luo Family do for this to happen."

Qing'er, big sister, Luo Family.....

Luo Qing Chen was currently confused right now and she had a stunned look, alright?

She looked down at her pristine jade hands and a stone in her heart dropped down.

Un, quite good, she was a human!

After an hour, her maid called Xiao Die fell under her attacks and told her everything that she wanted to know.

Her identity this time really was amazing.....

The third young miss of the Calm Martial City's Luo Manor, this was a name she had heard three years ago.

It really was familiar!

The waste young miss who had been in a coma for six years had been waiting for her.....

“Young miss, what to do even if you don’t remember anything!” Xiao Die seemed to be sad over something as she said, “When you woke up, your future husband took back the engagement. Xiao Die feels pain for the young miss.”

“What? Canceled the engagement?” Luo Qing Chen narrowed her eyes and said, “Future husband?”

“No, no, no, it’s not husband anymore!” Xiao Die quickly apologized for her wrong words, “Sorry young miss.....”

“No, no, no, the future husband you mentioned.” She looked up and said with a faint smile, “Di Luo Feng?”

“Young miss still remembers!” Xiao Die was very surprised. This husband’s name was something that the young miss had only heard before and was someone she had never met.

After sleeping for six years, she didn’t remember anything else, but she remembered the name Di Luo Feng. Could it be that the young miss was deeply in love with him?

“Did he cancel the engagement to become a monk?” Luo Qing Chen gave a soft laugh as a warm look appeared in his eyes.

That was right, for two lives, he had helplessly watched as she disappeared from this world, so his heart must be dead!

“Humph!” Xiao Die said with a snort, “Of course not! He wants to marry someone else!”

“What?” Luo Qing Chen was shocked into jumping out of the bed, “He....He wants to marry someone else?”

How could his heart change so fast, this treasure wasn’t dead yet, alright?

It’s said that there is a Ninth Grade Imperial Beast Master of the Hundred Beast Continent with the same name as the young miss called Luo Qing Chen.....

?!

The corpse lying in the ice coffin? What a scam!

“Ninth Grade Imperial Beast Master?” Luo Qing Chen gave a cold snort before biting her lips and saying, “What kind of imitation is this!”

Chapter 455: Ninth level imperial beast master’s three realm love disaster (Part 31)

At the same time, at the Di Manor.

In the dead of night, a girl was sitting in front of a bronze mirror fixing the phoenix coronet that had just been delivered today.

There were only seven days left before the fifth of October.

Just seven days were needed to realize her biggest wish in this world. She would marry the one she loved the most, forever being at his side.

She slowly combed her hair, but right after, the comb fell to the ground.

There was a trace of blood that appeared on her white face, dripping bit by bit.

“Ah!” She called out in shock as her face lost all colour.

The half male and half female soul in her mind was talking to her.

If you want to become her, I can help you.

—

That day, she took advantage of the darkness to enter the Di Manor, seeing big brother Luo Feng who she hadn't seen in a long time.

She never thought that she would find an ice room.

Outside the ice room, she could see Di Luo Feng tightly hugging the rabbit she hated as his eyes filled with warmth and pampering.

That kind of expression was something she had never seen before.

A fat rabbit, based on what.....

Her eyes fell onto the ice cellar behind them.

She went down step by step and when she entered the large ice room, she found a crystal coffin.

There were terrifying spirit beasts around, but it was a good thing that the cages were locked, so she wasn't that afraid.

She went up the crystal steps and stopped in front of the ice coffin.

There was a white clothed girl lying inside with her eyes tightly closed and no blood in her face.

But her clothes and hair were very tidy, someone must have frequently cared for her.....

Was that person Di Luo Feng?

And who was the one lying here?

Luo Ying Ning took a deep breath as her expression became deep.

At that time, there was an evil charming laughter around her. She took two steps back in fright as her face lost all colour.

“Who.....Who.....Don't just sneak around, this place is the Di Manor.”

“Oh?” That person's laughter became stronger. A half man and half woman voice alternated as it said, “I come from hell! I am a messenger from hell, ah, ha, ha, ha, ha!”

Luo Ying Ning hugged her head in fear and she trembled as she said, “You....Don’t come over.....I’ll scream if you come over.....”

“Ha, ha, ha.” The half man and half woman spirit kept laughing, “I’m here to help you, isn’t it too much for you to try and drive me away?”

Three years ago, at the Beast Mound.

Two souls and six spirits had been scattered by Luo Qing Chen and she wandered the world with just one soul and one spirit.

Neither living or dying.....

It took her three years to gather her one soul and one spirit, but she couldn’t do anything.

Now there was this girl in front of her that gave her a chance to take revenge on this body.

Even if she could only take revenge on this body, she, Yu Ruo Shui would be happy!

“Help.....Help me.....” Luo Ying Ning’s eyes sparkled. She took a deep breath and forced herself to control the fear in her heart, “What can you help me with?”

“Do you know who the person lying here is?” Yu Ruo Shui floated in the air as her eyes filled with rage.

“No....I don’t.”

“The person lying here is the Hundred Beast Continent’s strongest Imperial Beast Master. Oh, no.....It should be the past strongest Imperial Beast Master.” Yu Ruo Shui said with an excited laugh, “It’s a pity she was killed by me!”

“You.....” Luo Ying Ning’s voice was clearly shocked as her face filled with disbelief.

“Right, I guess she’s the girl that the owner of this house would never forget!” Yu Ruo Shui said with an evil charming laugh, “After all, she only died to save him!”

Chapter 456: Ninth level imperial beast master’s three realm love disaster (Part 32)

In the end, Luo Ying Ning made a deal with this half male half female spirit.

She used her own flesh as a gift and the spirit helped her become the master of this body.

The method used was the Soul Lock.

This thing was said to come from the underworld, it was something that could put one’s soul into a dead body.

But to maintain it for a long time, one had to suck the blood of women.

Luo Ying Ning thought that since this corpse was someone who Di Luo Feng could never forget, if she could become this person, would she be able to catch his eyes!

She revealed a terrifying expression in front of the mirror before she put down the comb to wander the streets of the city.

—

The next morning, Calm Martial City fell into a panic.

A young girl had been found dead on the street with her blood sucked out.

Such a strange and terrifying method of death, it made people terrified just looking at it.

Everyone began to panic!

Di Luo Feng heard about this matter and went out to take a look.

When he came back, his expression was very serious.

“Young master, you’re back.” Bing’er came forward in an anxious matter, “Miss Luo has been in a panic all morning, afraid that something has happened to you. Please go take a look.”

“Un.” Di Luo Feng responded before heading in the direction of the girl’s room.

When he opened the door, she charged forward and tightly hugged him, “Big brother Luo Feng, I heard that a girl had her blood sucked dry last night, I’m afraid.....”

Di Luo Feng slightly knit his brows. Seeing her push forward, a different kind of emotion flashed in his eyes, “She should have been killed for revenge. The government has already issued this case and now they’re just waiting for the autopsy.”

“Everyone says it’s the work of ghosts.....” The girl lowered her head. She deliberately said this since she wanted to hear his response.

After all, last night was her first crime. Although it had gone very smoothly, she was afraid that she had left something at the scene of the crime.

Di Luo Feng’s expression changed slightly as he said, “There are many ghosts in the world, but those are just the rumours of the people, don’t take it too seriously.”

The girl heard this and her lips curled, “With big brother Luo Feng here, I’m not afraid.”

“Rest early.” After saying this, he narrowed his eyes and turned to leave.

The girl wanted to keep holding him, but she hesitated.

After all, she still had to continue tonight. It was better not to talk too much about it and reveal herself.

At night, there was no one in the streets. With a cold wind, the leaves flew away in the night.

On this quiet evening, there was a bloodthirsty killing intent.

Luo Ying Ning was on the streets covered in a black robe. She was very vigilant, looking around with every step.

Until she saw a pink clothed girl sitting in the gazebo not far away from her.

The girl seemed to be crying with an aggrieved voice that seemed more like a man’s than a woman’s. Luo Ying Ning didn’t hear clearly as she silently moved behind her and opened her mouth.....

That person quickly turned around and said with curved red lips, "Official, are you here for me?"

After saying this, An Qiao Yu waved the Dark Tomb orb in his hand, cutting the back of her hand.

Luo Ying Ning was shocked as she turned to run, running off into a small alley.

The so-called 'pink clothed crying woman' was not a woman at all, rather it was a man with heavy makeup!

It seemed like someone had set a trap to catch her, but who was it.....

She didn't even think as she disappeared into the night as fast as possible.

An Qiao Yu couldn't catch her since he was wearing a dress!

Di Luo Feng sat in the study and when he saw An Qiao Yu coming in dressed like a woman, his lips curled into a faint smile, "You look rather good like this!"

Chapter 457: Ninth level imperial beast master's three realm love disaster (Part 33)

"Senior brother! That person got away!" An Qiao Yu crossed his legs and took a big sip of tea as he said, "If I wasn't wearing these broken clothes, I definitely would have caught them."

Di Luo Feng sipped the tea and said, "No rush! That person will appear again."

"But she shouldn't be too confident. She was injured by my Dark Tomb Orb, so she wouldn't appear soon." An Qiao Yu said with a confident look, "Ai, I really am a Seventh Grade Imperial Beast Master, I'm even this powerful in catching people!"

"No, she will still appear." Di Luo Feng narrowed his eyes and said, "Moreover, she's not a person....."

Because it was impossible for humans to suck blood that fast.

For Luo Ying Ning who had failed that night, the blood marks on her cheeks became more clear.

She didn't have time to delay, she had to succeed tonight. Her wedding would be here soon, she couldn't make a single mistake.

At the same time, in the Luo Manor!

"Young miss, people have been afraid lately, you shouldn't go out at night!" Xiao Die hugged her legs while crying as she said, "If the madame knew about this, Xiao Die's legs would be gone!"

Luo Qing Chen had a smile as she pulled Xiao Die lying on the ground up, "You're the same as having no legs right now."

She was about to go crazy in her time at the Luo Family. It was unknown if it was because her parents were completely unsettled from the third young miss waking up after six years or if everyone was worried from the second miss disappearing!

In short, she was followed by a servant twenty four hours a day after waking up and she couldn't take a single step out of the Luo Manor!

Properly speaking, if it wasn't for the fact that matters weren't urgent or that she didn't have much exchange points left!

She would have already exchanged for a teleport, alright?!

"Young miss, I don't care! You can't leave.....You can't leave....."

"I just want to walk around for a bit, alright?" Luo Qing Chen spread her hands with a helpless look.

Actually she wanted to head to the Di Manor, but thinking about how that 'Luo Qing Chen' definitely wouldn't let her see Di Luo Feng and the fact that the Luo Manor had a low reputation with the Di Manor, she definitely couldn't get in.

Then couldn't she just go for a walk on the streets! If she was locked up all this time, she would explode, alright?

"If the young miss has to go, you must bring Xiao Die!" Xiao Die knew that she almost couldn't hold on, so took a step back and thought of a compromise.

"Deal!" Luo Qing Chen nodded in satisfaction. She put on her fur coat and left the Luo Manor through the back door!

She wanted to go window shopping and buy something fun, as well as ask about the Di Manor's wedding, but she never thought that there would be no one on the streets.

No, there wasn't even a single bird.

There was just a cold breeze and the faint moonlight.

"Young miss.....Young miss, we.....Let's head back!" Xiao Die held her arm as she looked around, her legs were already trembling.

Luo Qing Chen took a deep breath as she was covered in goosebumps. After a while, she nodded and said, "I....I feel your suggestion isn't bad, we should....head back!"

Properly speaking, ghosts were more terrifying than bad people.....

"Xiu, xiu." When they were about to head back, there was a dark red light around them as a dark clothed person with their face masked blocked them off.

"Ah!" Xiao Die cried out and fainted.

?! Truly useless!

Luo Qing Chen took two steps back after seeing this and narrowed her eyes to look over this person.....

Although most of her face was blocked by her hair and the night, why did this figure seem so familiar!

Chapter 458: Ninth level imperial beast master's three realm love disaster (Part 34)

The person in black was shocked and she couldn't help muttering, "Third sister....."

After that, her cold eyes narrowed. She already didn't care that much as she charged towards Xiao Die on the ground.

Luo Qing Chen waved her right hand seeing this. She wanted to ask the system if there was some divine weapon she could use.

But she never thought that with a slight wave, a white light would suddenly send the black clothed person flying.

She was surrounded by white light that wrapped around her. Her fingertips trembled as a golden orb jumped out in her hand.

There was one large word on it: Blaze.

Instantly there was a faint golden light that shined in the sky that was as bright as daylight.

Damn, system! What is this situation!

[The Luo Family's third miss had the ability of a Seventh Grade Imperial Beast Master since she was born, but the two elders of the Luo Family didn't want her to live that life. They had the head of the Celestial Hall seal her power, but the seal couldn't resist the power inside her body and under the clashing of the two, she fell into a coma.]

So what am I right now?

[Ninth Grade Imperial Beast Master.]

Very good, you can leave!

Luo Qing Chen's cold eyes narrowed and she said to the black clothed person in a powerful manner, "What evil is this, quickly reveal your true form!"

The black clothed person saw this was bad and ran away with gritted teeth!

And in a corner not far away, the youth looked at the golden glow in the sky with eyes filled with shock.

Ninth Grade.....Imperial Beast Master.....

An Qiao Yu saw that Di Luo Feng didn't have the intention to catch that black clothed person and just blankly stared at how outstanding the pink clothed girl in front of him was.

"Damn, she ran away again!"

"No rush, she will reveal her true form soon." Di Luo Feng slightly raised a brow as he looked at the young girl, not leaving for a while.

Luo Ying Ning didn't immediately return to the Di Manor. The blood marks on her face were becoming more noticeable, she couldn't keep hiding it with thick makeup anymore.

She made a compromise and could only suck a hen's blood, to stop the blood marks from spreading too fast.

Soon it was the day of her wedding, nothing could go wrong, absolutely nothing.....

The next morning, the entire Imperial Beast Master world exploded.

This was because there was another Ninth Grade Imperial Beast Master on the Hundred Beast Continent and it was the Luo Manor's waste third miss who had been in a coma for an entire six years.

Di Luo Feng heard this and slightly knit his brows, as his eyes revealed a deeply intrigued expression.

"Senior brother, this is called a miracle, alright?" An Qiao Yu said with a look of admiration, "If there is a chance, I really want to see that Luo Family's third young miss. Yi...wasn't she the one yesterday....."

"Big brother Luo Feng....." Luo Ying Ning walked through the door. She was tightly wrapped up and had thick makeup on, making her face look a bit haggard.

Di Luo Feng softly replied, "It's almost the day of our wedding, are you prepared?"

"Big brother Luo Feng, I'm prepared." She quickly rubbed her face before saying with a smile, "Qing'er is very much looking forward to it!"

"Un." Di Luo Feng softly replied. The young girl wrapped in golden light standing in the darkness of the night appeared in his mind again.

Back then, he had used this person to tease her, saying that he was being forced to marry a waste third young miss.....

She had said.

She would steal him.

Time passed very quickly and Luo Ying Ning relied on sucking the blood of chickens to hold onto her wedding day.

Almost all the Imperial Beast Masters of the Imperial Beast Master world rushed to Calm Martial City on that day, it was all for the wedding of this Ninth Grade Imperial Beast Master.

Chapter 459: Ninth level imperial beast master's three realm love disaster (Part 35)

The memories of that year, he had already been waiting for three years.

The fifth of October, Calm Martial City.

There was a large red sedan with the sounds of drums, as well as a street filled with all kinds of strange beasts, it really was dazzling.

There were voices all over the streets, some were of congratulations, some were sighs, and some were of confusion. It filled everyone's ears.

"What kind of place is this Di Manor, having such an impressive wedding."

"Listen! He is the only Ninth Grade Imperial Beast Master of the Hundred Beast Continent, he's quite powerful!"

"Then the girl he's marrying must be very beautiful!"

“This.....When the wind blew, I accidentally saw the bride’s face. She does look good, only.....it’s a bit strange!”

“I’ve heard that young master Di was supposed to marry Luo Manor’s third young miss, but someone took him first!”

.....

The sky was blue and the sun was shining bright. Luo Ying Ning nervously sat in the sedan as her hands were covered in sweat.

The blood vessels on her face were already black and could explode at any moment.

Although the thick makeup covered most of it, it couldn’t stop the erosion of the black blood.

Faster, faster, as long as they could reach the temple, everything would be over.

Di Luo Feng was riding a horse as he went ahead. His eyes were incredible deep.

He knew that he was waiting for a person, waiting for her to appear, but he couldn’t say her name or describe her appearance.

The faint golden light kept appearing in his mind, just like the light of redemption.

After going around Calm Martial City, the mighty procession stopped at the doors of the Di Manor.

The bridesmaid waved her large red brocaded handkerchief and opened the sedan with a joyful look as she said, “The bride is coming out to cross the brazier and wish for good luck!”

Luo Ying Ning softly went to place her hand on the bridesmaid’s hand, but she immediately pulled it back into her sleeves.

It was because her hands were already black and there was black blood coming from her fingertips, as the blood vessels kept twitching.....

She had to suck the blood of a girl immediately, otherwise not only would she be exposed, she wouldn’t be able to keep her life.

But right now.....Everyone was watching and she couldn’t do this.

She gritted her teeth and walked over the brazier.

The bridesmaid continued in a high voice, “Because the groom is the only Ninth Grade Imperial Beast Master of our Hundred Beast Continent, this wedding is a bit special. Heaven must be a matchmaker, so we must bow here.”

“Wow.” There were cries all around them.

Some low level musical spirit beasts began to sing songs.

The bridesmaid slowly came forward and handed Luo Ying Ning’s hand to Di Luo Feng before saying, “Young master Di.”

He didn’t take it, rather he kept looking into the distance as he kept searching for a figure.

Could it be that was only his conjecture.....

Could it be that she really was dead and unable to return.....

After a while, Di Luo Feng never stretched out his hand.

The surrounding people all saw this and looked at each other, as the sounds of discussion rang out.

Luo Ying Ning gritted her teeth and her heart was in a panic.

Just one step left, as long as they bowed to heaven and earth, she would become his bride.

His eternal bride.....

Instantly, she let go of the bridesmaid and quickly reached out her hand to grab Di Luo Feng's.....

But she didn't know that.

There was a flash of gold light in the sky and a crisp and melodic voice said, "Fake, are you not embarrassed?"

The young girl came from the sky in a bamboo coloured magnolia dress. Her skin was white and bright and her eyes were completely clear.

Di Luo Feng's eyes sparkled as his fingers kept trembling.

Chapter 460: Ninth level imperial beast master's three realm love disaster (Part 36)

"This....Isn't this Luo Family's third miss?"

"Wa, could it be that she's here to steal the groom?"

"She's so pretty!"

(The above was the discussion of the common folk.)

"God, isn't this the Imperial Beast Master who just reached the ninth grade yesterday!"

"Ah, ah, isn't she too young! I was still at the fourth grade at that age....."

"Imperial Beast Master rank always prioritizes talent, so this girl must be very talented."

(The above was the discussion of the Imperial Beast Masters.)

Luo Qing Chen raised her right hand and the Blaze Orb released a golden flame.

She looked up at the bride who had a red veil over her and said, "I've heard that your name is Luo Qing Chen. What a coincidence, I have the same name."

The world only knew her as the Luo Family's third young miss, very few people knew her name was Luo Qing Chen.

This was because for several years, the Imperial Beast Master world's Ninth Grade Imperial Beast Master Luo Qing Chen was just too radiant.

So no one cared about the name of the person who was in a coma in bed.

Luo Ying Ning wearing the red wedding dress trembled. She quickly moved to Di Luo Feng and grabbed his arm as she said, "Big brother Luo Feng....I'm afraid...."

Di Luo Feng was frozen in place. He raised his right arm and threw Luo Ying Ning off. He stood on the steps as he looked at Luo Qing Chen and said, "You are...."

"Calm Martial City's Luo Manor's third young miss, Luo Qing Chen." She looked up with sparkling eyes and her lips curled into a beautiful curve, "The one who young master Di cancelled the engagement on!"

As soon as this was said, Di Luo Feng's breathing stopped and his eyes slightly misted over.

Finally....He finally succeeded in waiting for her....

In that moment, he knew that everything he did was all worth it....

The heavens were looking down on him and the world was this beautiful....

"Wow!" Everyone cried out with looks of shock on their faces.

To put it more simply, they were fanning the flames even bigger!

"You...." Luo Ying Ning in the back wearing the wedding dress trembled before pointing her finger forward and saying, "Who are you, actually coming here shamelessly to steal a groom?"

Actually Luo Ying Ning knew that this person was her little sister, the little sister she was jealous of.

She could lie in bed and become the fiancée of the person she dreamed of, based on what! She wouldn't accept this!

But when she finally had a chance to get Di Luo Feng, her little sister had actually woke up.....

Moreover, she was this outstanding....

"It isn't important who I am." Luo Qing Chen slightly raised a brow before saying with a soft snort, "Aren't you clear on who you are?"

Every word she said was filled with power, as if she was looking down on this person.

Luo Family's Luo Ying Ning's disappearance was close to the time of her body awakening, so anyone with a bit of intelligence could think of this.

Luo Ying Ning was using her body and she most likely used some evil method!

"I....I am Luo Qing Chen....I....I am big brother Luo Feng's wife....." Luo Qing Chen couldn't control her voice as she began to tremble.

"Calling yourself a wife before getting married." Her eyes sparkled as she said with a faint smile, "I'm convinced that there is something wrong with your brain!"

"You....How can you be so brazen and shameless!" Luo Ying Ning bit her lip and said, "What other reason are you here other than to steal my groom?"

Luo Ying Ning saw that she was at a disadvantage, so she moved onto ethics to suppress Luo Qing Chen.

After all, morals had power.

“Ke, ke.” Luo Qing Chen uncaringly cleared her throat and said, “I am here to steal your groom, can you stop me?”
