Chapter 461: Ninth level imperial beast master's three realm love disaster (Part 37)

Luo Ying Ning never thought that Luo Qing Chen would admit it so openly, what was with that pure and innocent look!

At this moment, her heart exploded with rage and the blood inside her began to boil.

It was like she was about to explode.....

She was so uncomfortable.....She wanted to suck someone's blood, she had to suck someone's blood.

She threw aside the red veil and attacked Luo Qing Chen who was standing not far away.

At that moment, everyone gave a gasp. This person with a face covered in dark blood marks, what kind of evil being was this.....

Luo Ying Ning suddenly showing this face had even scared Luo Qing Chen.

This idiot had actually turned her beautiful face into this, she simply couldn't accept it!

Those lips were something that Di Luo Feng kissed, alright?

Thinking of this, her heart filled with displeasure.

She flicked her sleeve and easily knocked Luo Ying Ning to the ground, she couldn't approach at all.

But that man who had been frozen in place appeared in front of her first and the Azure Ink Orb was sparkling with the same familiar azure light.

He knew how powerful the Blaze Orb in her hand was and how it was as simple as a turn of the hand for her to deal with someone like Luo Ying Ning who used the Soul Lock.

But he wasn't willing to let her be in any danger.....

Twice, he had helplessly watched her die twice in front of him.

Now that she was back, even if she was this powerful, he would put her behind him and wouldn't allow any mistakes at all!

Luo Ying Ning fell to the ground and looked up at Di Luo Feng with a look of despair as she clutched her chest.

She bit her dark lips and said with tearful eyes, "Big brother Luo Feng.....What are you doing, quickly kill her!"

Why.....Why was Di Luo Feng protecting her little sister?

Even if they had been engaged before, he shouldn't be standing in front of her!

She was Luo Qing Chen, she was his most loved person lying in the secret room!

Di Luo Feng heard this and didn't react. He gently took the hand of the person beside him and said in a trembling voice, "You're here to steal the groom, right?"

His voice was very soft and a bit uncertain, but it was filled with anticipation of the answer.

“A long time ago, I promised someone this.” Her eyes were clear as she said with a faint smile, “If he was getting married, I would definitely steal him away.”

“So you’re here.....”

“Ai.” Luo Qing Chen pretended to sigh as she said, “He said that he would be marrying the Luo Family’s third young miss, but it’s a shame that he didn’t keep his promise!”

Everyone who heard their conversation revealed confused looks, even Luo Ying Ning lying on the ground didn’t know what was going on.

She roared out, “I am Luo Qing Chen, she.....She’s just the Luo Family’s third young miss. Big brother Luo Feng.....Don’t listen to her nonsense, I can’t be more clear on who she is.....”

“Oh?” Luo Qing Chen heard this and moved towards her step by step with a faint smile, “Why can’t you be more clear on who I am?”

“Because you are my.....” Luo Ying Ning bit her lip as she said in a trembling voice, “My.....”

“Can’t say it?” She crossed her hands and said with a faint smile, “You want to say because I am your little sister, right?”

“Si.” Everyone took a cold breath in that moment.

The Luo Family’s second miss had disappeared for a while, how could she.....

“Who was the one who gave you this Soul Lock?” Di Luo Feng gave a cold snort. He stood behind Luo Qing Chen and he looked at Luo Ying Ning on the ground with cold eyes as he said this.

Chapter 462: Ninth level imperial beast master’s three realm love disaster (Part 38)

Luo Ying Ning desperately shook her head as she muttered, “No....No. There is no Soul Lock, I am Luo Qing Chen.....I am.....”

“Luo Qing Chen used to be a Ninth Grade Imperial Beast Master of this Hundred Beast Continent before going into a coma, as for you.....” She raised a brow and looked at Luo Ying Ning as she said, “Can you even tame a low grade spirit pet?”

“I.....” She was trembling as she stood up, looking at her and saying, “I lost my ability, that doesn’t mean I’m not her.....”

She was Luo Qing Chen and she was going to marry Di Luo Feng, no one was going to stop her, no one was allowed!

“Alright.” Luo Qing Chen gave a soft laugh. She waved the Blaze Orb in her hand as the sky filled with golden light. She looked at her and said, “I’ll make you admit it!”

After that, the spirit beasts in a certain part of the Di Manor charged out and lined up in front of Luo Qing Chen.

It included the number three and number four divine beasts, the Snow Qilin and the Snow Phoenix.

There was a faint “Qing” word that was glowing on their foreheads.

Luo Ying Ning kept quibbling while biting her lip, “You are just about to tame the spirit beasts because of your strong ability, this isn’t anything special!”

“Si.” There were cries again.

But this time it came from the Imperial Beast Masters.

Spirit beasts were different from people, they recognized their masters with their souls and not their bodies.

One of the Fourth Grade Imperial Beast Masters slowly said, “You have to know that once you tame a spirit beast, it will never change masters.....”

This was something that even a First Grade Imperial Beasts Master knew, it was impossible for this Ninth Grade Imperial Beast Master to not know.

Luo Ying Ning was stunned. She kept shaking her head and grabbed her face with her fingers as she muttered, “No, I am Luo Qing Chen. You.....You are the fake! Big brother Luo Feng, you have to believe me.....”

Di Luo Feng’s eyes were calm as he coldly looked at Luo Ying Ning and said, “When you first appeared, I was indeed a bit stunned, but I quickly learned that you weren’t her.”

“No.” She bit her lips as she looked at him and said, “If I’m not her, why did you keep me in the Di Manor.....You still love this face, right.....I will properly keep this face, I won’t let it become like this again.....”

She had sacrificed so much, could it be that she was destined to fail?

No, definitely not.....

“Actually that is all secondary.....” After a while, Di Luo Feng’s eyes turned gentle as he softly said, “I will never stop approaching the person I love, whether she is human or beast.....”

His clear words entered her ears word by word, filled with that kind of love.

“No!” When Luo Ying Ning was desperately crying out, the sky was covered with clouds.

A dark unidentified object fell down from the sky and landed by her. It said in a half male and half female voice, “You really are useless. Even with a Soul Lock, you still can’t take his heart! You waste!”

She wanted to suck out Luo Ying Ning’s blood, but she was stopped by golden light.

Luo Qing Chen revealed a faint smile as she said, “Even if it is a living corpse, it’s not something you can touch.”

“You....You are.....” That person saw the spirit beasts beside the girl and their eyes were filled with shock.

“Is it very strange?” Luo Qing Chen said with a soft laugh, “My disciple, since you can live, why can’t I?”

“You are Luo Qing Chen!” The half male and half female ghost trembled as its eyes filled with shock.

“Un humph.” Luo Qing Chen heard this and her eyes lit up as she said, “It’s a pity that I am still a Ninth Grade Imperial Beast Master and you, are you a half human half ghost?”

Chapter 463: Ninth level imperial beast master’s three realm love disaster (Part 39)

At this moment, Yu Ruo Shui’s heart was like a giant flame that burned without stop.

The person in front of her had ruined her entire life, but she could still stand there looking this bright.

Why!

“Ah!” Yu Ruo Shui roared into the sky, “I am willing to fall into hell eternally.....”

“Peng, peng.” Luo Qing Chen slightly raised her hand as her eyes filled with killing intent. Two powerful beams of golden light slapped onto Yu Ruo Shui’s wandering soul and destroyed the female half of her face.

Instantly, she was only left with the male voice as she wailed in pain.

“You weren’t my opponent when you had the Bloodthirsty Energy.....” The golden light of her Blaze Orb fell onto Yu Ruo Shui as she said, “Now you are the same as an ant.”

Instantly, everything disappeared wherever the golden light went. Yu Ruo Shui’s weak wandering soul couldn’t take this powerful energy.

In an instant, her soul was scattered.

The black dotted object formed when the soul scattered and became a body.

Or perhaps it should be said that it was a corpse, Luo Ying Ning’s corpse.

Luo Ying Ning on the side had exploded from not being able to suck blood, only leaving behind a dark Soul Lock.

Di Luo Feng slightly knit his brows. As he watched that face disappear from this world, his heart couldn’t help filling with a bit of discomfort.

He wanted to properly cherish and protect everything that belonged to her!

Luo Qing Chen took back the Blaze Orb in her hand and put her hand down to tightly hold Di Luo Feng’s hand.

She seemed to be using this method to calm the heart of the man beside her.

“Thank you for coming back.....” After that, he ignored everyone as he suddenly took her in his embrace, as his arms trembled slightly.

Passionate and warm.

Luo Qing Chen pursed her lips into a smile as she said, “Young master Di, are you satisfied with this groom stealing?”

[Ding, affection has increased by ten. Mission completion rate is now 100%.]

Un, this really was a hard earned ending.

The system didn’t ask if she wanted to stay in this world because as long as he was there, she would always want to stay.

Di Luo Feng’s arms tightened around her as he whispered in her ear, “Satisfied.....You know that I’ve waited for this day for over three years and now you’ve finally given me hope.....”

He really had waited too long. He thought that she could stay by his side for a long time as a rabbit, but he never thought that the rabbit would leave him.

Luo Qing Chen looked slightly to the side and seeing that familiar black mark, she couldn’t help feeling assured.

It was like that man had always been by her side and had never left.

“So, is this wedding still being held?” Luo Qing Chen pointed at the bridesmaid and the sedan ,”Did you prepare a wedding dress for me when I came to steal the groom?”

Di Luo Feng was stunned. He gently let her go as an awkward look flashed in his eyes.....

“Ke, ke.” Luo Qing Chen put her hands on her hips as she said with a dissatisfied voice, “You already said you waited for three years! You haven’t even prepared this! Young master Di, where is your sincerity!”

“Who said I didn’t prepare it?” He had a deep pampering look in his eyes as his lips slightly curled while he said, “Your highness Qing’er, I have prepared it, only you shouldn’t wear it right now.....”

After saying this, he turned to the housekeeper behind him. The housekeeper nodded and walked inside. After a while, he took out a large rabbit wedding dress which had two golden bells that would hang on the ears, it really was cute!

“Di Luo Feng, what is this!” Luo Qing Chen had a helpless smile as she took the wedding dress, “It can’t be that you thought that the giant rabbit would be here to steal the groom, right!”

“Un.” Di Luo Feng stroked her head and said, “That was what I expected.....”

“Alright!” She nodded and said, “I’ll wear it!”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 464: Ninth level imperial beast master’s three realm love disaster (Part 40)

To be honest, this wedding dress was just too big! But after she put it on, it really was quite cute.

It was like a princess wrapped up in a rabbit castle, sweet and blissful!

“Qing’er, are you really not changing wedding dresses?” Di Luo Feng saw her staggering and was afraid that she would fall over soon.

Luo Qing Chen pursed her lips and pulled down the hat, covering her face. She giggled as she said, "I don't want it, I want to wear this one!"

Di Luo Feng had no other choice, he could only tightly hold her and carefully move with each step.

The bridesmaid voice came slowly, she was actually a bit nervous.

First bow to the Hundred Beast Continent.

"Wow!" Everyone called out.

Second bow to the patriarchs.

"Wow!" Everyone called out again.

Third bow to each other.

"Enter the nuptial chamber!" Everyone called out.

After that, with a flash of azure light, everyone was blocked out and there was azure light that covered the doors of the Di Manor.

Luo Qing Chen felt herself enter a warm embrace.

Un, a very warm embrace.....

"So, mister Di, did I succeed?" Luo Qing Chen smiled as she looked at him.

"Un, very successful." He gently carried her to the room covered in plush blankets, moving very softly and gently.

But when Luo Qing Chen saw the room, her eyes teared up.

The room filled with carrots and vegetables, it was that familiar.

She was still a rabbit then, raising her ears when she was happy and stomping her foot when she was angry.

She liked leaning against him with her heavy body, she liked watching him knit his brows when he seemed like he couldn't hold it anymore.

In short, everything had been beautiful.

"What are you thinking?" Di Luo Feng asked in a concerned voice when he saw her looking dazed.

"Wu." She touched her fake ears and said with a smile, "I'm thinking about that fat rabbit."

"Then do you want to go see it?" Di Luo Feng gently stroked her hair and said, "I can bring you over tomorrow to see it."

"Why tomorrow?" She narrowed her eyes and said, "Why can't it be now?"

Di Luo Feng said in a very decisive voice, "Not now."

He raised his hand and his slender fingers slid across her rabbit dress, untying the stain belt.

“Wu.” Her face turned red and she slightly pursed her red lips, “I, I, I.....”

“Un? Could it be that miss Luo isn’t willing to take responsibility after stealing the bride?” With a soft laugh, he said with eyes filled with endless pampering, “Or perhaps that she is shy?”

Shy, who was shy! This Di Luo Feng was blatantly teasing her.

No! Definitely now!

“Ke, ke.” She cleared her throat and her lips curled into a smile, “Sir husband, have you prepared the nuptial chambers?”

Di Luo Feng was stunned, he never thought that she would tease him back. He felt his heart beating faster as his face turned completely red.

“I’m prepared, but you.....”

“Dong.” Luo Qing Chen pushed him down and having the aura of someone who wasn’t willing to lose, she slightly raised Di Luo Feng’s chin and kissed him without another word.

Her mind went back to that day in the ice room, when he kissed the other her.

That gentle and delicate kiss that was filled with affection.....

But in the end, she paid the price for her boldness!

As a Ninth Grade Imperial Beast Master who had never been with a woman, when he really touched the one he loved.....

He completely lost control.....

Chapter 465: Ninth level imperial beast master’s three realm love disaster (Part 41)

It was said that that night at the Di Manor, two beams of azure and golden light exploded, shining as bright as the stars.

The tossing and turning all night made her almost unable to stand when she got out of bed the next morning!

She regretted it very much, she shouldn’t have casually teased young master Di!

This proved that there were no simple people in this world, one had to pay the price no matter what!

“Qing’er, did you sleep well last night?” Di Luo Feng came in after washing his face, with his face looking very refreshed.

Good? How could it be good? Wasn’t she supposed to be the one who took the lead!

Why did it suddenly become reversed?

“Humph!” She angrily stretched out and the sounds of her bones cracking were very crisp.

“Ah.” Di Luo Feng quickly put down the water basin and walked over to massage her shoulders as he said, “I didn’t think of everything and tossed you around all night.....Qing’er, don’t be angry, I’ll make it up tonight.”

???

Tonight! You’re still thinking of tonight?

“We’re sleeping in separate rooms tonight!” Luo Qing Chen gave a serious nod to Di Luo Feng as she said this.

“Don’t, dear wife.” Di Luo Feng quickly said, “The north and south factions that have just had a bit of peace are about to break apart again!”

“I don’t care, I don’t care,” She pretended to be firm as she shook her head, “If I stay up tonight again, I won’t be beautiful anymore.”

“Don’t, you’re very beautiful.....” Di Luo Feng wrung out a hot towel before giving it to her with a flattering look, “I’ll give you a present. If you’re happy, don’t have this idea of sleeping in separate rooms, alright?”

“Gift?” Luo Qing Chen’s eyes filled with a sparkle as she said, “What gift?”

After all, girls couldn’t resist something like a gift.

She naturally wasn’t an exception.

“Wash your face and eat breakfast, then I’ll give it to you.” Di Luo Feng warmly patted her head and said, “Get up.”

After breakfast, Di Luo Feng brought her to the ice room she hadn’t seen in a while.

Things of the past flashed in front of her eyes and her eyes suddenly misted over.

She didn’t know if she was happy or moved.

But being able to return to his side was really good.....

“I’m bringing you to see the fat rabbit.” Di Luo Feng held her hand as he led her down the white jade steps.

Step by step, every footstep fell onto her heart.

She remembered that she was still a rabbit last time she was in this ice room.

He had told her a secret.

Now that she was human, he wanted to give her a present.

In the center of the ice room was a crystal coffin and looking at it, she knew there was a fat rabbit inside.

She felt that it wasn’t suited for this icy place, it should be lying on a furry carpet. She felt like it should be a carefree rabbit.....

Even if it was fat, ugly, and had no skills.

Even if it wasn't her anymore.

"Silly, don't be sad." Di Luo Feng looked at her with warm eyes and said, "I know what you are thinking, I said that I would give you a present."

As his voice fell, he took out the Soul Lock and with a wave of his right hand, the Azure Ink Orb exploded with azure light.

Luo Qing Chen was stunned as she looked at him in disbelief and said, "What are you doing!?"

"Yu Ruo Shui stole the Soul Lock from the underworld, but she didn't know it's true use." Di Luo Feng paused before saying, "It can be used to call spirits."

After saying this, the Soul Lock fell onto the ice coffin and was covered in spiritual light.

Chapter 466: Ninth level imperial beast master's three realm love disaster (End)

The light spread in all directions before with a clink of the Soul Lock, aquamarine light spread.

After that, the rabbit lying in the coffin moved its ears.

Suddenly there was silence.

Di Luo Feng's eyes were relaxed as they held a faint sparkle.

He raised his right hand and the Azure Ink Orb released his Imperial Beast Energy towards the rabbit that had just awakened.

"Peng!" A golden light blocked the azure light that had just reached the rabbit.

"Qing'er, what are you doing?" Di Luo Feng looked at her with a confused face, "You want to tame this rabbit?"

"Of course!" Luo Qing Chen said with a smile, "This rabbit used to be me!"

"No, Qing'er, this rabbit has a profound meaning to me!" Di Luo Feng was a bit hesitant before he looked at her and said, "Dear wife, give this to me!"

Luo Qing Chen was a bit confused. There was no problem in letting him have one spirit beast since she wasn't that interested in Imperial Beast Master business anyway.

But....

She was very interested in why Di Luo Feng had to tame this rabbit.

"But." She pretended to be in a bind as she said, "No matter what aspect it is, this rabbit means more to me than to you!"

Di Luo Feng was a bit anxious as the azure light of his Imperial Beast Energy was stuck in the air. He bit his lip and said, "I kissed it!"

???

What was going on!

The golden light froze and the azure light seized this chance to surround the rabbit.

After a few seconds, there was a 'Luo' letter that appeared on its forehead.

"You.....What did you just say?" Luo Qing Chen was completely focused on what Di Luo Feng had just said, she still hadn't reacted to this.

"This....." Di Luo Feng walked up and picked up the rabbit. He smiled at her and said, "I thought that after kissing it, you might come and steal me!"

"What is going on!" Luo Qing Chen slowly came back to her senses as she said, "You shouldn't have a habit of kissing corpses!"

"What is this!" Di Luo Feng responded by imitating her tone, "I only like kissing my wife, alright?"

"Humph!" She put her hands on her hips and pretended to be angry as she said, "Do you like this rabbit more than me?"

"How could that be, do you see the mark on its head!" Di Luo Feng raised the rabbit and looked at her with a pampering gaze as he said, "The Luo word is in my name and is your surname."

Her face turned red.

Un, she seemed to be stunned.

The rabbit looked over and its furry ears stood up, looking quite happy.

—

Afterwords

It's said that the two most powerful Ninth Grade Imperial Beast Masters of the Hundred Beast Continent loved playing with the rabbit in their manor the most.

It seemed to be their most favourite spirit pet, but this spirit beast didn't seem to have any other abilities other than eating and sleeping.

It swaggered around the Di Manor and even the four divine beasts retreated before it, it had a high status.

A certain day several years later, its legs couldn't walk anymore. The reason was that its body was so heavy that it crushed its leg tendons, so it could only be carried from place to place.

But it didn't seem frustrated, it kept eating and drinking.

Finally on a certain afternoon, it became too fat and died!

It's said that its fat crushed its heart and it exploded!

Luo Qing Chen felt very sad, but Di Luo Feng told her that a rabbit's life was short to begin with. This was the same even for a spirit beast.

It had actually lived for over ninety years.....

She personally buried it and prayed for it, hoping that it had a peaceful life in the stars.

Luo Qing Chen and Di Luo Feng didn't live long in this life because the Emperor Contract of the Beast Mound revived again.

It went on an unstoppable slaughter and even they couldn't seal it working together.

The entire Hundred Beast Continent was destroyed by a single beast, this was something that Luo Qing Chen as the host never would have imagined.

But experiencing a lifetime of happiness, who cared about the ending.

Having you was the best memory possible.

Fortunately, in those fleeting years, we happily played with your name and my surname.

Chapter 467: Di Luo Feng's side story

Three lives, the dreams are still there. I am willing to stay with you for a lifetime. ——Di Luo Feng.

I knew my future path since I was born. I knew my own power and I knew that I had to become the most outstanding person of the Hundred Beast Continent.

However, the heavens didn't help me. I was beaten by a little girl of the north faction.

After seeing her at the age of ten, I only saw her again in a mortal market.

I clearly knew that she was strong enough to tame the Black Bear, but I still took out the Azure Ink Orb to compete with her.

But with a wave of her right hand and a flash of golden light, the white light suddenly charged forward and tamed the spirit beast in front of me.

I was stunned at that moment, she really deserved her title as a Ninth Grade Imperial Beast Master.

I had different emotions for her when we were at the Other Shore Forgotten River! The Snow Qilin's dream was quite beautiful, so beautiful that I had forgotten myself and forgotten my life's path.

I only thought that it really was good being with her.

But god seemed to be playing a joke on me as I witnessed her.....dying in front of me.

I thought that without witnessing life and death, I would never understand what kind of feeling despair was.

I brought her corpse back and placed it in an ice room. I would go see her every day and tidy up her face.

She was still that good looking, never getting tired of it.....

Then I randomly bought a rabbit, a small rabbit.

I didn't know why either. I had only bought a rabbit, but it filled my life of despair with colours.

Time passed quickly and the little rabbit turned into a big rabbit. It kept getting bigger and bigger, it was especially fat.....

Occasionally, I would see it standing in front of the mirror looking over itself before its ears drooped down, looking very depressed.

I walked over to softly pat its head. It really liked to jump into my embrace which was especially cute.

It was a very strange rabbit, it could understand the human language, but it couldn't awaken any skills.

I had the Snow Mastiff help it raise its skills, but the number one divine beast was acting cute in front of a fat rabbit!

I simply couldn't believe it, but facts proved this to me.

Until I took it to share my secret.

Then I learned its secret.

So the love had never really left, he just didn't know it was there.

After I learned that she had turned into a rabbit, I didn't even know how happy I was.

I thought about things that I could do for her all day, like building a room for her or custom ordering clothes for her.

When I thought that I would be in this happy cycle, the heavens brutally hurt me again.

A despair that was like an endless cycle.

However, she appeared again. It was her body, but it wasn't her.

I knew, but I didn't reveal it.

I was waiting the whole time, creating a chance for that person to reveal themselves.

At the same time, I selfishly did a thing, waiting for her to come steal me.

We had made a promise and even if the chances were slim, I was filled with hope as I waited for her to come.

She didn't know how much my heart had trembled when she called out that fake.

My mind was blank at that time like someone who had lost their soul, using all their strength.

But it was a good thing she was back, it was good she was back.

There is only a single thing you need to do in this life, be with me, be with me.....

Chapter 468: Little theater side story

I'm not willing to separate from her. If we must separate, I would rather say goodbye to this world.

—

[The system is a bit nervous because the system has many questions to ask.]

“Then properly think it over.”

[Pu, humph!] The system gave a proud snort.

However, Di Luo Feng didn't care at all.....

[No introduction, no prelude, no opening, the system is about to ask the questions!]

“Un, system, ask!”

[“First question: Three lives of love, which one did you like the most?”]

“I liked them all.”

[.....] So simple and concise!

[“Second question: When she turned into a rabbit, why didn't you immediately notice?”]

“.....This, it's very hard to notice! A dead person had turned into a rabbit, I never would believe something like this, alright?”

[Oh! Alright, the system feels the same!] The system helplessly nodded its non-existent head.

[“Third question: Why did you kiss a dead person and a dead rabbit?”]

“System, do you really want to keep living? Do you know the next world?”

[Ah, ah, ah, the system knows, don't scare this system!]

[“Fourth question: If you could go back in time, where would you want to stop?”]

“Other Shore Forgotten River.”

[Is that place really that good?]

“At least I would never lose her.”

[“Fifth question: Who do you think is stronger, the Ninth Grade Imperial Beast Master you or her?”]

“Of course she is! I was an example of a henpecked husband! After getting married, I never tamed a spirit beast other than the rabbit!”

[Wa, the host is so strong!]

[“Sixth question: How did you know that the person who came out of the ice coffin wasn't the host?”]

“I think that I have always loved her. Even if the appearance of that face could surprise me for a bit, it still can't stop the rejection that comes from my heart.....”

[“This system feels that you all quite like to say mushy stuff, it feels like it’s too much.] The system was still a baby, it didn’t like eating dog food.

[“Seventh question: What was the warmest moment for you?”]

“Playing with the rabbit!”

[“Why does young master Di like playing with the rabbit?”]

“Because it was fat, ugly, and cute!”

[.....]

[“Eighth question: What did you feel when you first saw her? Don’t tell the system it was love at first sight, the affection proves that it definitely wasn’t!]

“I was thinking that this person was starting something! However, I couldn’t compare to her even using all my strength and my unwillingness to lose came up.”

[Oh! The system knows, so you reduced your affection for the host! Too far!]

“Sorry! Deeply sorry! If I knew that I would be inseparable from her, I would have given her a hundred at first sight and wouldn’t let her feel aggrieved!”

[“Ninth question: What was the most incredible thing for you in this world?”]

“Un.....I still married the Luo Family’s third young miss in the end. Going in a circle, everything was destined from the beginning. I had three lifetimes of love with her and it was just a reincarnation to test my love. Although I don’t like this kind of reincarnation, as long as she can return to my side, it was all good.”

[“Tenth question: Ke, ke.....Why couldn’t the two of you combined take care of the Emperor Contract! You already said you would keep the peace of the continent, where’s the protagonist aura!”]

“The protagonist aura only exists in novels, reality is very cruel! Not all light exists forever and when darkness swallows everything, you can only hug the person by your side. You are helpless in everything else.”

[The system seems to understand a bit.....]

[Ding, congratulations on bringing a soul fragment into the Lead God Space. 9/100]

Chapter 469: Power user military commander’s number one agent (Part 1)

La, la, la, la, welcoming the host back to the embrace of the Chaos Space!

“Un.” Luo Qing Chen softly replied before muttering, “It’s all because of Di Luo Feng, otherwise I would have been able to die together with the Emperor Contract!”

[He knew.]

“What?” Luo Qing Chen’s eyes popped out a little as she said, “He....Why did he block me if he knew!”

[Because to him, a world without you didn't have any meaning.]

Her expression changed slightly as her eyes couldn't help turning red. To Di Luo Feng, she was more important.

Perhaps that was why he was able to wait three lifetimes without forgetting.

[The following is a summary of the previous mission. Host, please properly look over it.]

"God, this status!" Luo Qing Chen said in shock, "It's a bit broken! System, when have you ever been this nice to me!"

But what stunned her more was that——

The bronze mirror didn't change images."

Luo Qing Chen blinked in a daze before asking in a suspicious voice, "Is the bronze mirror broken?"

She was a bit worried in her heart, when has the system ever been this nice to her?

[Of course not. Because the host's next world is rather special, the bronze mirror doesn't have any information.] Although the system's voice was still mechanical, there was faint tremor in it.

"I don't really understand, how is it special?" Luo Qing Chen knit her brows as an unsettled look appeared in her eyes.

This was her first time that she felt uneasy in the Chaos Space before heading to the next world.

[The host will not receive all the mission information in the tenth world.]

Luo Qing Chen took a cold breath before asking, “You mean that I don’t even know who the male lead is?”

[Yes!]

“My god, are there any other changes?”

[The host won’t have a system!]

“Damn, are you kidding!” Luo Qing Chen jumped out of her pink bed and said with a panicked look, “This means that I won’t have any abilities to use?”

[Yes. The host can choose one ability to exchange for free before entering the next world.]

“He, he, he.....” Luo Qing Chen gave two cold laughs before saying, “You’re about to send me to death, there’s no need to waste your conscience, right?”

[The host can choose not to take it!]

“Of course I want it!” She rubbed her chin as she seriously considered it before saying, “So the previous host’s identity is a special agent?”

[Yes! Is the host prepared for the next world?]

“Wait, wait, wait, wait.” Luo Qing Chen cleared her throat before continuing, “It can’t be that there aren’t even the previous host’s memories, right?”

[There is this, the host can be assured!]

[So, is the host prepared.....]

“Wait, wait, wait.” Luo Qing Chen kept asking like a curious baby, “Then when will I know that the mission is over!”

[“When the mission is over, the system will give the host a notification. Otherwise the system will not appear again!]

“Damn, I don’t want to see you anyway!” Luo Qing Chen closed her eyes as she said through gritted teeth, “Begin!”

[Host please sit tight, the memories are being loaded.....]

Chapter 470: Power user military commander’s number one agent (Part 2)

There were the final words between her and the system that flashed in her mind.

She went back to three months before the previous host died.

She seriously went over the memories this time, even if a person only appeared once, she would firmly remember them.

She knew that she didn’t have any help from the system this time.

The previous host was the number one secret agent of the Z Country's shadow organization, responsible for large scale sniping and explosive operations.

Her final mission before death was to kill the head of C Country, Du Jiu Sheng.

However, she didn't even see Du Jiu Sheng before she was killed by a scum man and a scum woman.

One was her most trusted partner.

The other was her most protected little sister.

The plot was bloody and reality was cruel.

Her most trusted partner is Zuo Yu Chen and her little sister is Luo Zi Jun.

Zuo Yu Chen was the second best agent and the best partner of the previous host.

There wasn't a single failure for the tasks they completed together and they completed the task very perfectly each time.

Deeply loved by mister X, this was something that the previous host's little sister saw.

She didn't accept it, she felt that she should be a pair with Zuo Yu Chen. She had this idea that came from a large scale hunting operation.

Luo Zi Jun wasn't an agent back then, she had appeared in front of the enemy as a hostage.

The previous host did everything to save her, but it couldn't stop her little sister's personality from changing.

Just because Zuo Yu Chen took a bullet for her, that bullet changed her entire life.

But what she didn't know was that in this operation, the previous host had taken seven bullets and almost lost her life.

She did everything she could to save her little sister, but what she received was a death plot.

Luo Zi Jun insisted on joining the shadow agency even against her opposition and although her methods were good, she couldn't stand with Zuo Yu Chen.

As time passed, the jealousy in her heart became deeper.

The previous host never thought that the little sister she pampered since she was young would actually plot to kill her for a man.

All because she loved that man, she deeply loved him!

As the number one agent, the previous host was very decisive and careful.

If it wasn't her little sister who had set the trap, she never would have been caught in that explosion.

It was a death banquet where the previous host was ambushed by more than ten assassins. She used her incredible skills to perfectly escape from danger.

But she never thought that her little sister Luo Zi Jun would use herself as a bait to lead her into a death trap.

The previous host would never forget the final smile Luo Zi Jun looked at her with, it was like a dark flower that came from the bottom of her heart.

And Zuo Yu Chen had participated in this plan because he couldn't get what he loved and because he wanted to be the number one agent.

Letting her die if he couldn't receive her love, that was Zuo Yu Chen's style.

The two who had the same goal naturally came together, they wanted the previous host to die.

Luo Qing Chen took a deep breath as she sorted through the relationships. There were many people who appeared in the previous host's memories.

But most of those memories were about Zuo Yu Chen and Luo Zi Jun.

Damn, it can't be that the male lead is Zuo Yu Chen, right! It seems like it's not, the system wouldn't give her this kind of scumbag male lead!

But the system had said that this mission was very special, it didn't say it was this special!

Humph! But so what?

Even if she failed the mission, even if she lost experience points, if she didn't slap this kind of scum man and woman, it really was hard to get rid of the anger in her heart!
