

Read Quick Transmigration Female Lead: Male God, Never Stopping

Chapter 5: Deeply pampered by the emperor (Part 4)

Damn! So handsome!

This was an elegant handsome face that was like an illusory moon, a flower that one couldn't touch. It had curved brows like new moons, a pair of deep blue eyes that were as clear as a starry sea, skin that was white and smooth, and a thin pair of lips that was pursed into a faint smile.

[System notification: An unknown hidden quest has appeared, do you accept!]

Is there a benefit to completing it?

Luo Qing Chen had to ask this clearly. She hadn't even seen the shadow of her male lead and there was a side line that appeared, there was no reason to accept it!

Unless, there was a better return!

[You can obtain a mace!] The system insincerely said.

I won't do it, I don't need a mace now! Pei, pei!

[Congratulations on opening the hidden quest: Letting Su Li pass the civil exams!]

Damn, why did I say that I agreed! System, are you ill, when did I say anything like that?

[A double negative is a positive.]

Damn, system, if you bully the host like this, the host will be angry!

Luo Qing Chen wasn't finished with the system. Su Li was already in front of her and angrily looking at the two in front.

"Ai, so it's young master Su Li!" Tao Huo looked at him with a smile, as a deep infatuation appeared in her eyes.

Luo Qing Chen felt that this was normal. After all, whether it was in appearance or in name, wasn't he a thousand times better than your Da Niu?

“Quickly leave, otherwise you want to be beaten together?” Da Niu saw Tao Hua lovingly looked at Su Li and his voice was filled with even more rage.

“Acting like a boss in front of the people of the court, do you think the emperor won’t punish you for your crimes?” Su Li calmly replied.

As expected, it had some effect on Da Niu.

After all, he was currently wearing the uniform of a guard. He only wanted to help Tao Hua scare someone.

He never thought that he would attract all these onlookers. If he was really reported, he wouldn’t be able to keep his little life.

The surrounding whispers gradually became louder as they kept talking about Da Niu and Tao Hua!

“Ai, look at the government’s people bullying the citizens!”

“Don’t they? Also that maid, she acts all arrogantly when coming here to buy things, she really is disgusting.”

“Don’t, you have to speak softer. I’ve heard that her master is the beloved of the harem, the emperor hasn’t taken another consort over these years all because of her.”

“It’s like that! That master of hers must be a nation collapsing beauty!”

“Shh, that’s not true. I’ve heard that it’s an ugly girl, but she must have used seduction to win the emperor’s heart.”

Aiya, without knowing why, Luo Qing Chen was feeling flattered right now.

Why did she find all the gossip they were whispering so pleasant to the ear.

“Humph, Tao Hua, we’re leaving!” Da Niu seemed unable to hold on and pulled Tao Hua beside him away.

Tao Hua looked at Luo Qing Chen with poisonous eyes, as if her eyeballs were about to pop out.

But what could she do? It would be a real mess if they didn’t leave soon!

“You, just you wait!” Tao Hua angrily stomped down as she spoke while looking at Luo Qing Chen.

“I say girl, don’t jump back. You’ve already said this!” Luo Qing Chen gave a shrug, speaking while revealing a taunting smile.

[System notification: Tao Hua has turned dark.]

Damn, what kind of glass heart was this! She turned dark just like this? What is the standard for turning dark, would they turn dark just with anything casual?

“Miss, are you alright? Your face doesn’t look too good.” After Tao Hua and Da Niu had gone far away, Su Li turned around and asked this concerned question to the stunned Luo Qing Chen.

“I’m, I’m fine.” Luo Qing Chen said with a faint smile, “Young master Su, many thanks for your help today. I’ll help return the favour another day.”

“Miss’ words are too heavy, this one does not have any wishes.” Su Li was stunned and then shook his head.

System, system, when are the civil exams? I still have to prepare him to pass and review the question, he can’t just casually pass the exam, right!

[Tomorrow.] The system’s cold voice rang out.

God damn it! System, this is on purpose isn’t it!
