Chapter 581: So what if you're my big sister? (Part 16)

Luo Qian Zhe in the class had a frown. His eyes had never left Luo Qing Chen to begin with.

She didn't come find him after class and she went to buy drinks with someone else!

That was fine, but she actually didn't even look at him when she passed by class A!

She didn't know that he was seriously looking at her!

At this moment, Su Yan Yan was on the ground 'seriously crying'.

The surrounding people heard this and they broke out in gossip again.

"When did class B become this arrogant, they actually dare bully young master Qian's girlfriend?"

"There will be a good play to watch! Remember the last time someone offended young master Qian, they didn't come back to school the next day!"

"That's right! No matter how good your family is, it isn't anything in front of young master Qian. This girl will definitely die now!"

.....

Feng Xiao naturally heard this and her face turned red, as she nervously clenched her hands.

She also admired Luo Qian Zhe, so naturally she knew what status he had in the school.

Su Yan Yan was his girlfriend, he would definitely stand up for her.

Thinking of this, Feng Xiao couldn't help taking a step back to Luo Qing Chen and saying, "Qing Chen, go back to the classroom first....."

"What?" Luo Qing Chen knit her brows and narrowed her eyes, "Could it be that they would hit girls!"

"Young master Qian wouldn't." Feng Xiao said with a frown, "But his followers might."

Luo Qing Chen wanted to say something, but the followers Feng Xiao spoke of came over.

That imposing appearance made Luo Qing Chen slightly knit her brows.

Fatty Wang who had a rather humble appearance was in the lead. He looked at Feng Xiao with his hands at his waist and said, "Apologize to goddess Yan Yan, otherwise you won't be able to leave!"

Fatty Wang had two reasons for helping Su Yan Yan. One was because she was Luo Qian Zhe's girlfriend and the other was that after sending Su Yan Yan home, his heart had awakened and he admired her as a goddess.

Now there was a chance to stand up for her, how could he back down!

Feng Xiao pursed her lips and she had a stubborn look in her eyes.

She didn't want to apologize, but she couldn't implicate Luo Qing Chen.

"Wu, wu, wu, wu." Su Yan Yan on the ground began crying even louder!

Damn! She didn't want fatty Wang at all, alright?

She wanted Luo Qian Zhe to come out for her, she wanted to be held by the demonic school hunk!

She didn't want to stand behind this fatty Wang, alright?

One of the tall boys, Liang Zi saw Luo Qing Chen and said, "This beauty just transferred in? So beautiful! Damn fatty, stop being this fierce to this beauty!"

"Damn Liang Zi, whose side are you on?" Fatty Wang angrily said, "Yan Yan is the goddess!"

"Yes, yes, yes!" Liang Zi raised his fist as he said to Feng Xiao, "Quickly apologize, quickly apologize! Stop implicating this beautiful classmate!"

The surrounding people began to gossip even more and most people were on Feng Xiao's side.

It was better to end things before young master Qian came out!

"Classmate, just apologize!"

"Right, right! Otherwise you'll suffer more later!"

"Let's not care about this thing, right!?"

It was clear that everyone didn't like Su Yan Yan. It was because she was young master Qian's girlfriend and because they were clear on what kind of person Su Yan Yan was!

What good girl.....what sweetheart.....

It was all fake!

Feng Xiao heard this and clenched her fist. She gritted her teeth and tears appeared in her eyes as she said, "So....."

"What apology!" Luo Qing Chen pulled her back and said, "What is there to apologize? Didn't classmate Su Yan Yan not accept when Feng Xiao apologized just now?"

Chapter 582: So what if you're my big sister? (Part 17)

Luo Qing Chen's voice was calm, but every word was clear and powerful!

Not to mention that she was the young miss of the Luo Family and Luo Qian Zhe's 'big sister'.

Even if she wasn't, she wouldn't stand these bullies!

Su Yan Yan heard Luo Qing Chen's voice and her crying became even louder.

Fatty Wang's heart turned ruthless. When he wanted to go forward and threaten her, a tall figure appeared in front of her.

At the same time, fatty Wang's hand was suddenly pulled by someone behind him and he almost fell down.

He turned and wanted to curse, but he quickly revealed a bright smile and said in a trembling voice, "Young master Qian."

Luo Qian Zhe's face was ice cold at this moment and his eyes were completely frozen.

He looked at Su Mu with absolute hostility and everyone took a cold breath.

Su Mu was standing in front of Luo Qing Chen with an indifferent look. He turned to her and said in a soft voice, "Head back first....."

According to the rumours, there were many girls who liked Su Mu at this Noble School.

But Su Mu was different from Luo Qian Zhe. Su Mu was like thousand year old ice, almost no one could talk to him.

Although Luo Qian Zhe was domineering and black bellied, he was easier to approach.

In the eyes of many people, the girl who could stand beside Su Mu was a miracle!

Seeing Luo Qian Zhe come out, Su Yan Yan immediately stood up. She went to Luo Qian Zhe's side with a gentle appearance and said in a trembling voice, "Young master Qian.....I.....I'm actually fine....."

"Since classmate Su Yan Yan is fine, can we just forget about this matter?" Su Mu's voice was very indifferent, but his brows were knit.

"Forget your father!" Fatty Wang angrily charged forward.

Su Mu was stunned, as he took Luo Qing Chen's wrist and dodged this punch.

"Enough!" Luo Qian Zhe narrowed his eyes and glared at Su Mu holding Luo Qing Chen's wrist, as an intense chill came from him!

Even he had never held that hand before, but someone else was holding it!

Based on what!

His heart was like a volcano erupting, as it churned without stop.

No one could steal her from him, no one!

"Qian Zhe, it's about time for class, let's go." Su Yan Yan was determined to act weak to the end. She gave a sniff and held his sweater with both hands.

"Young master Qian, we can't let them off!" Fatty Wang thought that Luo Qian Zhe was angry about Su Yan Yan, so he fanned the flames and used his identity as a follower as much as possible!

Luo Qian Zhe gave a cold snort. He ignored everyone's gaze and walked towards Luo Qing Chen.

Su Mu knit his brows and he wanted to push Luo Qing Chen back, but he found that the girl behind him avoided his grip.

Luo Qian Zhe saw her struggle to break free and he was filled with comfort.

He walked to her side and grabbed her hand before heading forward.

There were sighs behind them like they were watching a reversal play, being stunned on the spot.

Among them included Su Yan Yan whose face was covered in tears.

Luo Qing Chen had stolen her protagonist aura as a side character.

Moreover, she had stolen it so easily!

Luo Qian Zhe moved very quickly with Luo Qing Chen behind him, having her wrist being firmly held by his hand.

“Luo Qian Zhe, where are you going?” She bit her lip and pulled his wrist with her other hand, “Hey, slow down!”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 583: So what if you're my big sister? (Part 18)

“Ding ling.” The bell rang and there were only the two of them in the large football stadium.

Luo Qian Zhe finally unwillingly let go of her wrist and turned around. He put his hands in his pocket as he looked at her and said, “This is the reason you went to class B?”

In his memories, she shouldn't know Su Mu, but why did she not take his car in the morning and walk together with Su Mu to school?

Not to mention that that strange person never had contact with girls before, so why did he come out to help her!

“What reason is there!” Luo Qing Chen gave two clicks of her tongue. Her eyes lit up and her lips had a faint smile as she teased him, “My little brother's eyes really aren't that good!”

She naturally knew what to say to change the topic!

“You're not allowed to call me little brother!” Luo Qian Zhe reached a hand out to take her in his embrace and his lips curled into a charming smile, “Otherwise, I won't let you go!”

He naturally knew what to say to stop her from talking!

“Hey!” Luo Qing Chen's face turned red. She looked around and struggled as she said, “I won't, I won't, Luo Qian Zhe, let me go!”

He saw a faint sparkle in her dark eyes and her little lips curled slightly, causing his heart to unknowingly beat faster.

He gently let her go and calmly asked, “What is the relationship between you and Su Mu!”

“Just deskmates!” Luo Qing Chen saw that her Yakult had knowingly disappeared and she was only holding a bottle of mineral water, so she unconsciously took a few sips.

“What?” Luo Qian Zhe heard the word deskmates and almost jumped up. He narrowed his eyes and said, “You’re saying that you’re having improper thoughts with him?”

“Ke, ke.” When she heard what he said, she almost choked and had to cough several times.

Luo Qian Zhe saw this and came forward to pat her back, as he said in a pained voice, “Go slower, no one is stealing it from you!”

“Do you think that I’m you!” Luo Qing Chen gave a soft snort and said with a bit of pride in her voice, “I’ve heard that school hunk Luo has only been in school for a month and your girlfriends.....”

“It’s all because of you!”

“Why is it related to me?” Luo Qing Chen looked at him with a confused look, “I won’t carry the burden of you getting girlfriends!”

What kind of person wanted someone to carry the burden of them getting a girlfriend!

She! Definitely! Wouldn’t! Carry! It!

“If it wasn’t for you going to another country to be a foreign exchange student, ruthlessly leaving me behind, how could I get a girlfriend?” Luo Qian Zhe took her water and took a sip from the opening, “When did you like drinking mineral water, didn’t you like drinking Yakult?”

She had never drank mineral water before, why did her taste buds suddenly change!

“This was for Su.....” Luo Qing Chen was about to answer, but she was stopped by Luo Qian Zhe’s gaze. She cleared her throat and said, “I lost my Yakult when I was pulled away by you!”

Luo Qian Zhe naturally heard what she said and immediately drank the entire bottle of mineral water.

He narrowed his eyes and said to her, “I don’t like you buying other people stuff!”

He thought that she would look for him after coming to school, he even wanted to show off how popular he was with everyone. Then he would take her in his embrace and declare his ownership!

He never thought! The plan would keep changing. He actually turned out to be the one ‘bullying’ her and the one who protected her, shining in the bright protagonist glow wasn’t him!

He really wasn’t willing, she only needed him to protect her in this world, alright!?

Luo Qing Chen saw him finish the bottle of water in less than five seconds and there were a few drops of water that fell onto his sweater. She slightly knit her brows and took out a tissue from her pocket, as she helped him wipe up, “I won’t buy alright, why are you drinking an entire bottle of water on such a cold day!”

“You really aren’t coming to class A?” Seeing her gentle appearance, he was no longer cold and fierce.

Although he was still very angry, his voice was very soft with a trace of shyness.

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 584: So what if you’re my big sister? (Part 19)

"I won't!" Luo Qing Chen looked up at him and said, "Anyway we're just next door, there is no difference!"

She didn't want to be that special. Luo Qian Zhe was already the demon king of the school, could it be that she was about to become the queen?

"No." He stretched out his hands and seriously took her face in a soft grip, "Go back to class first."

Luo Qing Chen was a bit surprised. Touching her face, she wanted to say something, but she found that Luo Qian Zhe had already left.

His hands were very hot, making her cold face a bit warm.

Because she was late for class, the teacher treated her very badly and kept asking her questions.

But they never thought that Luo Qing Chen could answer everything with her 180 IQ!

She really couldn't praise herself, it was all the previous host.

After sitting down, she said to Su Mu beside her in a soft voice, "Sorry, I lost your water."

She said she would bring him water, but she was a bit embarrassed coming back empty handed!

"Un." His voice was very soft and it seemed like he was in a bad mood. He replied in a soft voice, "It's fine."

He was an intelligent person. Just based on Luo Qian Zhe's attitude, he knew that the two of them knew each other and Luo Qian Zhe.....treated her special.

As for how special, he couldn't say, but it was very special!

Feng Xiao sitting in front of her immediately turned to hand her a note and had an apologetic look.

(Qing Chen, sorry, sorry! Young master Qian didn't do anything to you, right! (〒_〒) ——Feng Xiao)

Luo Qing Chen gave a soft laugh. She gave a simple reply in elegant words on the white space before returning the note!

(Don't panic, it's fine! (* ^ - ^ *) ——Luo Qing Chen)

She opened her book and she quickly calculated a few things based on Su Mu and Feng Xiao's attitudes.

Su Mu should have found a few clues, but Feng Xiao definitely didn't see anything.

She really was an open girl, it was really good that she had no plans!

She couldn't help feeling lucky, it was good that few people doubted her relationship with Luo Qian Zhe right now.

But, this kind of luck only lasted until the end of class!

They first heard the sound of crying from next door, it was Su Yan Yan.

Then there was the sound coming from a group that came from class A's fans of Luo Qian Zhe.

The reason was——

Luo Qian Zhe very casually said to Su Yan Yan: Let's break up!

Su Yan Yan was shocked at that moment. She thought that Luo Qian Zhe would definitely stand up for her today since she was bullied, since she was his girlfriend after all!

But she never thought that Luo Qian Zhe would not only not help her, he would take away that strange transfer student!

She was about to explode in anger and wanted to vent her temper after class.

But when she came to Luo Qian Zhe, he said those three words without any emotion. They had been together for four days, how could they break up so easily!

"Young master Qian....." Su Yan Yan was crying as she said, "You can tell me if I did anything wrong.....If it was because of what happened before, I can apologize to them....."

Pretending to be weak, she wanted to use this trick to turn the tides!

"She probably doesn't want to hear your apology." Luo Qian Zhe ignored Su Yan Yan with a cold snort before turning to Liang Zi on the side, "Go and buy all the Yakult in the school's store!"

"Ah?" He said in an awkward voice, "Just.....Just me alone?"

"How about I give you a follower?" Liang Zi actually dared to call her a beauty! If he didn't want to cause a mess, who would let him look at her!

"No, no, no! I'll go now, I'll go now!"

Chapter 585: So what if you're my big sister? (Part 20)

"And you, fatty Wang." Luo Qian Zhe knit his brows and suddenly picked up a stack of books that he threw at his head. His eyes turned cold as he said, "You have no rights to approach her, do you understand?"

"Young.....Young master Qian." Fatty Wang retreated as he said in a trembling voice, "What....Who are you talking about, did I do something wrong?"

"If you don't even know who I'm talking about....." He said with a cold snort, "You have no qualifications to stay with me!"

He couldn't even bear to be fierce with her, how could anyone else dare!

As long as he was here, no one in the world could be fierce to her!

Everyone in class A took a cold breath! It was even quieter than when class was in session!

Liang Zi quickly brought back the Yakult, a full five boxes. He brought it over to Luo Qian Zhe with difficulty and said, "Young master Qian, where do I put this Yakult?"

“Take it to class B, bring it to Luo Qing Chen.” He leaned back in his chair with a relaxed look in his eyes and a faint smile on his lips.

If she wanted to drink something, she never needed to buy it herself!

He wasn’t willing to let her go down the stairs, no one could make her bring them stuff!

Therefore, when Liang Zi came to Luo Qing Chen with the five boxes of Yakult, Feng Xiao was stunned, while Su Mu was calm!

“God, one’s face really determines everything!” Feng Xiao looked at Luo Qing Chen and said, “I never thought that our Qing Chen would be young master Qian’s next girlfriend!”

After that, there were sighs all around before an overwhelming amount of whispers sounded!

“No wonder! No wonder young master Qian completely ignored Su Yan Yan earlier and pulled Luo Qing Chen away!”

“Wa, wa, wa, so jealous!”

“Jealous of what? Come! Let’s bet, how many days will she be young master Qian’s girlfriend?”

“How long was the longest one?”

“Four days, Su Yan Yan?”

.....

Luo Qing Chen slapped the desk and said, “I’m not his girlfriend!”

God, the principal, vice principal, and the head teacher all knew their identities, alright?

If this was heard by them, it really would lose face for their family!

“Yi?” A strange sound rang out again.

Luo Qing Chen bit her lip and said to Liang Zi, “Give all of this back to Luo Qian Zhe. If he brings them again, I won’t show any politeness!”

Her tone was very determined, it was to stop herself from becoming everyone’s target!

But.....Most of the people in the class looked at her with very strange gazes!

Feng Xiao pulled on her sleeve and said in a small voice, “No one calls young master Qian by his real name, you might not know this since you’re new.....”

“Ha?” Luo Qing Chen rubbed her burning ears before sitting down and saying, “You call him young master Qian even though you don’t know him?”

“Right!”

“Don’t you find it strange?”

“Not at all!”

Luo Qing Chen: “.....”

She had either underestimated Luo Qian Zhe’s position in this school or her high IQ brain’s thinking was different from normal people’s!

“Young master Qian.....” Liang Zi’s legs were trembling as he carried the five boxes of Yakult back. He said with a bitter look, “Sister in law didn’t take them.....”

“What did you say?” Luo Qian Zhe’s expression changed and his entire mind was focused on the words ‘sister in law’!

“So....Sorry.....” Liang Zi felt that he had said something wrong, so he quickly apologized!

It was all his fault! Fatty Wang had just come under the muzzle, how could he be so careless with his words!

Luo Qian Zhe never let other people call his girlfriend sister in law. There was a little brother who said it once, causing his face to be beaten in and he only came back to school two weeks later!

Ai, he would be in trouble! He might not be able to keep his little life.....

Quick Transmigration Female Lead: Male God, Never Stopping **Chapter 586: So what if you’re my big sister? (Part 21)**

“What did you call her, say it again!” There was a faint sparkle in Luo Qian Zhe’s dark eyes, like he was expecting something that was smashing into his heart.

“Young master Qian.....Young master Qian.....”

“Speak!” His tone was very strong, like he was giving an order.

Liang Zi’s legs were trembling from his fear, he was even crying as he said, “Sister in law.....said she didn’t want them.....”

“Un.” He softly replied before sitting back down with a sly smile on his lips.

With a breeze, it lifted his chestnut brown hair. There was no end to his handsomeness!

“Ah!” There was another cheer from the corridor!

After a while, he said to Liang Zi behind him, “Put it down. You can take fatty Wang’s place in the future!”

Liang Zi was stunned, as he was frozen in place!

It had to be known, although his family was also rich, if he were to play around, it was impossible for him to go to those high end clubs!

But if he followed Luo Qian Zhe, there wasn’t a place in S City he couldn’t go!

“Yes, young master Qian!” Liang Zi scratched his head in embarrassment as his face turned red!

It seemed like Luo Qian Zhe really treated class B’s Luo Qing Chen special. He had supported him this much just because he had called her sister in law!

Luo Qian Zhe didn't eat when it was lunch time, he wanted to see if she would come find him for a meal!

Right now, class A and B all knew that he treated her special, so it wasn't anything special if she came looking for him for lunch!

But he never would have thought that the girl called Luo Qing Chen didn't have any idea on inviting him for lunch. Rather she went with Su Mu and that girl from this morning.....He forgot what she was called. They went to lunch together?!

When he saw her walking and talking with Su Mu past the class door, he felt like his lungs were about to explode from rage!

"Qing Chen, let me tell you, this is my first time eating with Su Mu!" Feng Xiao softly said from beside her, "There were many girls from our class who invited him, but he never went! He actually took the initiative to invite you! Eh, carry me!"

Luo Qing Chen thought about it before saying, "It should be because I just transferred in!"

After all, it wasn't rude to invite your deskmate!

Although she didn't understand what kind of person Su Mu was, she knew that the other side was a very cold person.

A high IQ and an unknown EQ!

—

On the other side, in class A!

"Young master Qian, do you want to have lunch together?" Gu Yin Yin came to Luo Qian Zhe's desk with a book in her hand. With a soft breeze, there was a faint scent of perfume that came from her.

He had just rejected Liang Zi's invitation and rejected their suggestion to bring him food. He wanted to be hungry because he was angry!

His stomach wasn't good, it was easy for him to get stomach aches. He had vomited blood three times when he was young, making his stomach very weak.

He couldn't handle being hungry and he couldn't eat spicy foods at all, not even a bit.

"No." He narrowed his eyes as a look of disgust appeared in his eyes!

The girls behind Gu Yin Yin laughed at her, they clearly knew her goal!

Now that Su Yan Yan was no longer Luo Qian Zhe's girlfriend and the surnamed Luo from the other class hasn't been officially announced, it meant that her chance had come!

"Let's go, it's not good for your body to not eat!" She said with a smile, "Let's go together!"

Luo Qian Zhe tightly knit his brows. His heart was filled with discomfort when he thought of Su Mu taking her out for a meal.

No, he had to go!

He could skip meals if he wanted to be hungry, but that didn't mean that he could give her to others!

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 587: So what if you're my big sister? (Part 22)

"Alright!" He slowly stood up and put his hands in his pocket as he said with narrowed eyes, "Let's go!"

Gu Yin Yin's lips curled as a confident look appeared in her eyes.

Although she had lost to Su Yan Yan by five votes when it came to the beauty ranking, that didn't mean that she wasn't beautiful!

But Su Yan Yan knew how to use her tricks too well!

In the beginning, she wanted to silently wait for Luo Qian Zhe to pay attention to her.

She had deliberately bought the same cup and the same pen as him, to make it seem like a beautiful coincidence!

However, Luo Qian Zhe didn't pay attention to her at all. There were girls that were always by his side, it was never her.

She knew then that she had to take the initiative!

She came to the conclusion that Luo Qian Zhe liked girls who took the initiative and didn't like passive girls like her!

Only taking initiative could one enter his heart!

Hearing what Luo Qian Zhe said, the girls discussing behind her had their disdain turn into envy.

She liked this kind of feeling. In Gu Yin Yin's eyes, only she was worthy of being with Luo Qian Zhe.

Su Yan Yan?

What a joke, she wasn't worthy!

At this time, the cafeteria was strangely lively because of Su Mu. Luo Qing Chen seemed to sense something!

Becoming the center of attention wherever she went. This definitely wasn't her problem, but rather it was related to the people she stood with!

"You guys line up, I'll go get us a spot!" Luo Qing Chen made the decision to stay out of the limelight!

"What do you want to eat?" Feng Xiao asked.

"Just get me whatever you're eating!" Luo Qing Chen said with a smile, "You know better than me!"

Of course, the later her felt that this phrase was completely overturned!

Because Feng Xiao got her.....all spicy dishes!

"You....really like to eat spicy foods?" Luo Qing Chen asked with an awkward smile.

“That’s right!” Feng Xiao introduced the dishes on the plate with an excited look, “Mapo tofu, spicy stir fried beans, and the spicy basa filet are the three classics of our school! They’re super good and if I didn’t know how to grab them, I couldn’t buy them at all!”

“Eh.....” She touched her ears and said with a smile, “You really can snatch them.....”

The previous host could eat spicy foods when she was younger, but Luo Qian Zhe couldn’t, so the chef only occasionally cooked it!

No one knew that Luo Qian Zhe would suddenly be rushed to the hospital for throwing up blood after having a few mouthfuls of spicy fish head stew!

Since then, the Luo Family never cooked any spicy foods.

As time passed, she really couldn’t eat spicy foods.

Now she probably couldn’t do it at all.....

She slowly picked up her chopsticks and took a string bean. Her body trembled after just taking two bites and her blood seemed like it was boiling.

God! This wasn’t a normal level of spicy!

When she was planning to get up to get a few more dishes, there was a commotion by the door.

“Young master Qian!”

“Damn! So lucky, young master Qian actually came to eat lunch at the cafeteria!”

“I come here every day and this is my first time seeing him! He really is so handsome!”

.....

When Gu Yin Yin appeared behind him, the style of gossip instantly changed!

“Who is that?”

“It seems to be a freshman!”

“She seems so fake, I don’t like her!”

Gu Yin Yin naturally didn’t care about those voices at all because she knew that a dark flower had bloomed in all their hearts!

It was called: The flower of jealousy!

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 588: So what if you’re my big sister? (Part 23)

Luo Qing Chen only heard the sounds of gossip and didn’t even see Luo Qian Zhe as she immediately sat down. She was just focused on scrounging a few bites to eat!

Luo Qian Zhe’s classmates saw him and quickly came over, asking with a smile, “What does young master Qian want to eat, we’ll get it for you.”

“Whatever.” He bluntly answered as he quickly looked for the figure he wanted to see.

Three seconds later, his eyes were locked onto the position by the far right window.

Damn! She’s actually not looking at him!

Everyone was clearly talking about him and she’s still not looking at him!

His hands were thrust into his pockets and he headed in Luo Qing Chen’s direction.

Wherever he went, there were screams.

When the wave of screams were getting closer, Luo Qing Chen knew he was here!

He sat at the empty table on her left and suddenly felt a bit nervous when he saw her face.

Gu Yin Yin put a bottle of water in front of him and casually sat down across from him. She said with a sweet smile, “Liang Zi and the others are getting food, is there really nothing you want to eat?”

“Nothing!” His voice was very cold, not containing any warmth at all.

Gu Yin Yin could feel his discomfort, but she didn’t know why!

“I feel your face doesn’t look good, do you need a drink?”

“No need!” His voice seemed even colder and it was filled with extreme impatience!

This person is so annoying! Can you stop speaking!

The cafeteria was already quite noisy and she kept chattering in his ears, he couldn’t hear the conversation between Luo Qing Chen and Su Mu!

The surrounding girls saw the Gu Yin Yin was being ignored and they began mocking her.

“This Gu Yin Yin is the girl who replaced Su Yan Yan! She really can’t compare at all!”

“Be quiet, she is still young master Qian’s current girlfriend.....”

“Humph! We’ll see how many days she can last!”

.....

Su Mu slightly knit his brows. He looked over at Luo Qian Zhe who he could clearly feel looking over at them.

The reason why he sat beside them should be related to the girl in front of him.

He looked up to see her not touching the dishes on the table, only eating one bite at a time. He slightly knit his brows and said, “Can you not eat spicy dishes?”

“What? You can’t eat spicy dishes?” Feng Xiao finally realized that Luo Qing Chen hadn’t touched her dishes at all!

“Un, I can’t really!” She saw Feng Xiao’s apologetic look and quickly said, “It’s fine, it’s fine, I can eat a bit.”

“Don’t force yourself, the spicy food here is very spicy, it’s not for people who can’t eat spicy foods.” Su Mu gave his own plate to her and said, “Eat mine!”

Seeing her embarrassed look in front of those three dishes, Su Mu couldn’t help feeling this girl was very cute.

“Or you can eat mine.....” Feng Xiao said with an awkward smile, “My spicy basa filet might not be that spicy!”

Luo Qing Chen was stunned as she looked at Feng Xiao and said, “I think that your filet might be steamed.....”

“It’s fine! I can eat spicy food!” Seeing that she was a bit hesitant, he took the two dishes on his plate that hadn’t been touched and placed them in front of her.

When he was about to take the ones from in front of her.

Two slender fingers came forward to take her entire plate away.

He slightly knit his brows. When he looked up, he was met with Luo Qian Zhe’s eyes that were filled with hostility!

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 589: So what if you’re my big sister? (Part 24)

Luo Qing Chen was surprised, as she looked at him with a confused gaze. She pursed her lips and said, “What are you doing?”

Liang Zi came over and he was carrying the dishes he had gotten him, “Young master Qian, it’s all your favourites!”

He took the plate and put it in front of her as he said in a dissatisfied voice, “Eat mine!”

Just these simple words attracted everyone’s attention!

Of course, Luo Qian Zhe was already the center of attention, only this time the focal point also included Luo Qing Chen!

!

How could he allow her to eat other people’s meals, who knew if Su Mu had secretly taken a bite or two.

Did this girl become silly after going abroad, didn’t she understand indirect kisses!

She could only indirectly kiss him, alright?

Luo Qing Chen was surprised before she looked at him and said, “Give me that back!”

This idiot, did he forget that he had vomited blood when he took a small bite of something spicy when he was young!

This is much spicier than the dish from when he was younger, alright?

“I don’t want to!” His tone was very firm, but it didn’t feel fierce.

Rather there was a faint arrogance in his voice.

“You can’t eat spicy foods!”

“Who said!”

Su Mu heard this and he looked at him with a different kind of emotion in his eyes.

His guess was right, they did know each other!

Moreover, it wasn’t just as simple as normal friends.....

Luo Qian Zhe met Su Mu’s gaze and his heart was filled with annoyance.

As long as he, Luo Qian Zhe wanted to do something, there was nothing he couldn’t do.

He gave a cold snort and slowly put down the plate. He took a piece of the filet and put it into his mouth.

Luo Qing Chen was surprised before she jumped him. She knit her brows and looked at him angrily as she said, “Luo Qian Zhe, what are you acting tough for when you can’t eat spicy foods!”

She suddenly felt that this youth was a bit stubborn, stubborn for her.

At that moment, she suddenly didn’t care about anyone else.

Rather, she shouldn’t care about anyone else!

Luo Qian Zhe saw that she was angry and he suddenly felt a bit of joy in his heart.

He liked her looking at him, he liked being cared for by her, he liked being nagged by her.

She took the dishes from his plate and put it in front of him, “Let’s eat together, alright?”

“Alright!” His eyes lit up and his lips curled into a dazzling smile.

Everyone around them was stunned at that moment!

Including Gu Yin Yin, including Su Mu.....

[Ding, affection has increased by ten. Mission completion rate is now 70%.]

Gu Yin Yin knit her brows and looked at Luo Qing Chen with a dissatisfied look, “Classmate, you’re sitting in my spot!”

As expected, this person from class B really wasn’t simple. She was clearly the protagonist, why did a strange transfer student suddenly take her place!

“Your spot?” Luo Qian Zhe gave a cold snort as his dark eyes filled with disdain, “Who are you?”

“I.....” Gu Yin Yin was stunned. The dazzling youth standing beside her had suddenly become indifferent.

Everyone took a cold breath as they were shocked.

Some had wide eyes, some had dropped chins!

“Un humph?” Luo Qian Zhe narrowed his eyes and he tapped his right hand’s finger on the table, as the followers behind him came forward.

He raised a brow and said, “Do you want me to leave a spot for you?”

Gu Yin Yin’s face instantly turned pale.

She wanted to struggle a bit, but she obediently took her plate and left after seeing this situation, “Sorry young master Qian, I’ve disturbed you.....”

Quick Transmigration Female Lead: Male God, Never Stopping

Chapter 590: So what if you’re my big sister? (Part 25)

There was chatter all around as everyone began discussing Luo Qian Zhe’s girlfriend.

“Is young master Qian’s girlfriend Gu Yin Yin or that transfer student!”

“It should be Gu Yin Yin, I saw young master Qian come into the cafeteria with her earlier!”

“Then did Gu Yin Yin just get dumped? Young master Qian’s shortest timed girlfriend in history?”

.....

“Peng!” With a loud sound, a row of chairs fell like dominoes.

The entire cafeteria fell into silence!

His cool voice slowly rang out, “From this day forth, I, Luo Qian Zhe do not have a girlfriend.”

Luo Qing Chen heard this and a charming smile appeared in her eyes as she looked up.

A breeze came through the window and his chestnut brown hair was so handsome that it was dazzling.

“Ah!” Like a bolt of thunder on a clear day, it made many girls present let out sighs of regret.

Why did young master Qian suddenly give up on getting a girlfriend! With the speed he was getting girlfriends at, they would have had a chance at the rotation.....

Why did it end in just a month?

Did Luo Qian Zhe become the same as Su Mu, a male god that no one could approach?

At this time, Su Mu indifferently put away his dishes and slowly stood up. He had a cold look in his eyes as he walked towards the door.

Luo Qing Chen wanted to look over at him, but Luo Qian Zhe’s chopsticks tapped her head. He lowered his voice to say to her, “Do you want to try taking another look?”

Humph! Looking at others in front of him, was he not handsome enough? Was he not enough for her?

Luo Qing Chen picked up a spare pair of chopsticks and tapped his head back, as she pursed her lips and said, “Will you be this capricious in the future?”

She became angry when she thought of what happened earlier, he was forcing himself even though he couldn’t eat spicy foods.

If she wasn't fast enough, he might have already gone far away, alright?

The students in the cafeteria saw that Luo Qing Chen dared treat Luo Qian Zhe like this and they couldn't help being shocked.

Luo Qian Zhe had been at the Noble School for a month and no matter what girl it was, he had never spoiled anyone like this!

It seemed like the other side was special in Luo Qian Zhe's eyes no matter what and it wasn't a normal kind of special.

It was like being held in Luo Qian Zhe's hand, but the other side.....didn't seem to care!

Luo Qian Zhe didn't feel any pain at all from being hit by her chopsticks, rather he felt quite warm.

He took a napkin to wipe the grains of rice on her face before saying, "Let's go if you're full."

Luo Qing Chen felt his warm fingertips touching her lips and his heart skipped a beat.

She took the napkin and wiped her lips before saying, "Goodbye!"

As soon as her voice fell, she pulled Feng Xiao who was still eating her string beans at the next table up and said, "Let's go!"

Feng Xiao looked up at her with a surprised look and said, "Your face is so red, did you get beaten?"

.....

She endured it! She grabbed her hand and pulled her out of the cafeteria like a Pikachu doll!

Sometimes this girl without any plans would make people feel the urge to beat her!

Luo Qian Zhe narrowed his eyes and looked at Luo Qing Chen running away. His lips curled into a beautiful curve.

This feeling was really good!

—

At noon, she went to the office to pick up her uniform. She always felt a bit strange wearing different clothes from everyone else, it was better to be the same as everyone.

Because the toilets on the floor of the freshmen were clogged and were urgently being repaired, Feng Xiao went with her to the second year floor to change clothes. They never thought that something would happen.

She never would have thought that in Luo Qian Zhe one month of being in high school, he would even have little fans in the second year.....no it was big fans!

Luo Qing Chen and Feng Xiao who had finished changing clothes were stopped at the entrance to the washroom by girls led by Gu Yin Yin's big sister, Gu Ting Er.
