Chapter 601: So what if you're my big sister? (Part 36)

"From this day forth, classmate young master Qian will be a part of our class B!" The teacher had a wide smile, as they felt a sense of pride.

After all, class B couldn't compare to class A before. If they offended Luo Qian Zhe, she couldn't even keep her job!

"Woah!" There was a round of warm applause as the students began whispering to each other.

"Young master Qian is specially coming to our class for the transfer student?"

"Definitely! Didn't you hear? Yesterday, the big sister of the second year Gu Ting Er brought a bunch of people to surround Luo Qing Chen and she didn't come to school today!"

"Damn! Is this true? Did she get expelled?"

"Expelled? I don't think it's that simple, I heard Gu Ting Er's parents were even kneeling at the school gate today....."

.....

Luo Qing Chen was laying on her desk with her head in her hands. It seemed like someone was discussing Luo Qian Zhe?

It can't be.....

But it was possible since Luo Qian Zhe's popularity had completely convinced her in just two days.

It really wasn't an ordinary degree of popular.....

At this time, Luo Qian Zhe's eyes were on the girl lying on her desk. The sun after the snow was sprinkling onto her, looking so quiet and beautiful.

But her deskmate didn't seem that pleasing to the eye!

Luo Qian Zhe didn't care about the cheers and discussions, he went to the vacated seats and sat down.

He knit his brows. At first he thought that she was deliberately looking down because she heard his name.

But now it seemed like she might really be sick.....

He felt she was acting strange in the morning!

Damn, even coming when sick. Could it be she didn't know how hurt her felt when he saw her sick like this.....

"Ke, ke." The teacher cleared her throat and calmed everyone down before continuing, "Next our class has a special transfer student who has come all the way here from Zurich."

“Woah, so beautiful!”

“Damn! What is going on with our class, handsome guys and beauties are all coming in!”

“They’re all male gods and goddesses, truly beautiful! There’s a mixed race feel to her.....”

At this moment, the girl who came in confidently flicked her hair and she looked at everyone with a dazzling smile, “Hello everyone, I’m Xiang Tian Qing.”

Luo Qing Chen suddenly sat up and looked at the girl in front. Su Mu wasn’t scared by her sudden reaction and he looked at her as he asked, “What is it?”

Properly speaking, she didn’t even feel anything when Luo Qian Zhe came in, but she became excited when this mixed race girl came in.....

“No.....Nothing.”

She narrowed her eyes as she looked at Xiang Tian Qing, there was a fierce determination in her eyes.

The memories of the previous host came forward at this moment.

Those hidden memories in her mind were provoked at this moment.

This Xiang Tian Qing, she should be a ruthless supporting female lead with brains.

Back then, for Ji Hao Chen, she used quite a few small actions from the back.

She remembered one time when the previous host made an appointment to go to the library with Ji Hao Chen.

In order to stop Ji Hao Chen from going, she deliberately sprained her ankle to receive Ji Hao Chen’s sympathy.

Just like this, she dissolved the relationship between the previous host and Ji Hao Chen until she took her position.

Although it was in another world and now the one here was the host Luo Qing Chen.

Xiang Tian Qing’s appearance would surely open an unknown road.

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 602: So what if you’re my big sister? (Part 37)

Xiang Tian Qing proudly raised her eyes and looked around the class.

At first her eyes fell onto Ji Hao Chen before they turned to Su Mu.

Then with a sparkle in her eyes, her eyes that had remained on Su Mu for a long while finally fell onto Luo Qian Zhe.

There wasn’t just a look of appreciation in her eyes, it was a fervent hope.

Luo Qian Zhe had his hands in his pocket. Seeing Luo Qing Chen suddenly sit up when the teacher said the new student’s name, he looked over towards the front.

At this time, he met Xiang Tian Qing's gaze.

"Classmate, you can go find an empty seat, but young master Qian's spot...."

The teacher didn't even finish speaking as Xiang Tian Qing headed towards Luo Qian Zhe. Her voice was very soft as her red lips parted slightly, "Can I sit here?"

"I'm afraid that's not good....." The teacher was in a difficult position. This transfer student's background was rather strong, but Luo Qian Zhe couldn't be offended.

"Teacher, he didn't say anything....."

"No." Luo Qian Zhe gave a cold snort as his voice was filled with a cold disdain.

"Yi!" The class was filled with chatter after that.

"This transfer student wants the school hunk on the first day, isn't she too confident in herself?"

"Who knows, she's probably proud of her own figure!"

"Young master Qian is definitely most handsome when he rejects people! Please, not just anyone can approach young master Qian, alright?"

.....

The students in the class were all protective of their school hunk who just arrived. Although Xiang Tian Qing received praise from a few boys, it wasn't enough to receive the approval of the girls.

In their eyes, someone that could match Luo Qian Zhe, didn't exist!

Xiang Tian Qing's expression was very awkward at this moment and the discussions on the side threw away all her face.

It had to be known, she was the school flower and ruler at the noble school in Zurich, not a single boy didn't fall under her foot.

She received the love of many people, she didn't fail with anyone.

But now, she had been sternly rejected after coming back to this country.

"Classmate Xiang can sit by me." Ji Hao Chen saw it was a bit awkward. The seat beside him was still empty, so he invited Xiang Tian Qing.

She bit her lip and said in an unwilling to give up voice, "Since it's empty, why can't anyone sit there?"

"Peng!" Luo Qian Zhe picked up the basketball by his foot and threw it at the window.

In an instant, glass shards fell onto the ground outside the classroom and shattered to pieces.

Everyone held their breath, not daring to make a single sound.

Even the teacher didn't dare speak out of fear of being implicated.

Luo Qian Zhe narrowed his cold eyes as he looked at Xiang Tian Qing's white face, "It's not your fault since you don't know who I am, but you won't be forgiven for speaking too much."

His tone was very cold as each word spread through the silent air.

Xiang Tian Qing was shocked by this and couldn't help taking a step back. After biting her lip for a bit, she headed in Ji Hao Chen's direction.

Luo Qian Zhe looked over and met Luo Qing Chen's gaze. After that, his lips curled as he said, "Come over."

His voice was very soft, but the classroom was very silent. The gentle and pampering voice was simply a different person from the ice cold voice just now.

Everyone's gaze fell onto Luo Qing Chen at this moment.

That included Xiang Tian Qing who had just been rejected.

[Quick Transmigration Female Lead: Male God, Never Stopping](#) **Chapter 603: So what if you're my big sister? (Part 38)**

She very calmly turned her head and acted like she didn't hear as she opened her textbook.

But she never thought that the teacher's voice would sound out.

"That student Luo Qing Chen, your seat will be beside young master Qian in the future!" The teacher cleared her throat and seriously considered Luo Qian Zhe's thoughts.

It had to be said, they truly were a teacher. They were truly different in judging words.

Luo Qian Zhe had his chin on his hand as he spun a black pen in his other hand, while his lips curled into an evil charming smile.

It seems like he had to increase this teacher's rank. Understanding his intentions like this, not bad, not bad.

Su Mu looked over at her and wanted to say something, but he couldn't say it in the end.

Luo Qing Chen packed up her things and headed in Luo Qian Zhe's direction.

She shook her head, not feeling that bad.

The system's medicine really was good, at least she could use a bit of strength.

When she sat down, she didn't forget to ask Luo Qian Zhe beside her in a low voice, "Why did you come to class B?"

"Asking even though you know." There was a faint warmth in his voice.

She didn't reply because even though the teacher had begun the lesson, there were still many people looking at them.

This was because she was the first deskmate of Luo Qian Zhe!

"Ding ling." The bell rang and Liang Zi who was already waiting at the door came in, respectfully handing over a bag.

Luo Qian Zhe took the bag and said, "Thank you."

Liang Zi trembled. Standing there in a daze, his ears couldn't help turning red.

This was his first time being thanked by Luo Qian Zhe, it seemed like his mood today really was good!

"What did you buy?" Luo Qing Chen looked over, wanting to see what was in the bag. She was a bit hungry.

Luo Qian Zhe looked over and softly tapped the black pen on her head. There was a sparkle in his dark eyes as he said, "Only knowing how to eat!"

Then there was a cry that came from the hallway.....

She was surprised to find that the students in the hall had moved from class A to class B.

She rubbed her head and said, "Don't hit me. I was just feeling a bit better, you might knock me out."

"You also know that you'll faint!" There was a scolding tone to his voice. He took out cold medicine, a vacuum flask, and a disposable cup from the bag.

"What is this?" Luo Qing Chen took the bag and said, "I think that it was something delicious, why are you drinking cold medicine?"

"It was for you!" Luo Qian Zhe looked at her in a somewhat annoyed manner, "I don't remember who said last night that they didn't catch colds!"

Luo Qing Chen's face instantly turned red.

Luo Qian Zhe's voice wasn't loud, but the surrounding people had heard it clearly.

The words 'last night' were just too sharp, everyone knew that they stayed together last night.

"No, no." Luo Qing Chen shook her head and said, "Drink it yourself to prevent colds!"

Luo Qian Zhe heard this and put his hand on her forehead, it actually wasn't warm at all.

He asked in a confused voice, "Did you already drink cold medicine?"

"It should.....be yes!" She said in an avoidant tone.

"Where did it come from?" Luo Qian Zhe looked at her with a questioning gaze, "Did someone else give it to you?"

Yes! It was care from someone else! My system!

[.....]

After that, Luo Qing Chen took the cold medicine he had prepared and drank it before saying with a smile, "You don't believe me even if I lie. I just have a small cold, it'll be gone soon!"

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 604: So what if you're my big sister? (Part 39)

Luo Qian Zhe didn't really doubt her, Su Mu didn't buy her any cold medicine.

It should be that he was just too worried.....

“It’s a bit bitter.....” Luo Qing Chen stuck out her tongue as she gave a frown.

After that, he took out a pack of candy for her as he said, “Go eat these then!”

Just those four simple words created waves of gossip around them once again.

“My god, young.....when did young master Qian become so warm!”

“I’ve never seen this kind of young master Qian before!”

“So warm! But how many days do you think this new transfer student will be young master Qian’s girlfriend?”

“I think it’ll definitely be longer than Su Yan Yan.”

.....

Luo Qing Chen automatically ignored the gossipers and she looked at the pack of candy on the table before looking at Luo Qian Zhe with a pained look.

In the previous host’s memories, the only time she was a bit warm towards Luo Qian Zhe was the second time he was hospitalized for stomach bleeding.

She saw that he looked very painful lying on the bed, so she gave him a pack of candy.

Some people’s casual actions could be remembered by some people for their entire lives.

It was unknown if this memory was too touching or if she felt pain for Luo Qian Zhe, when she bit into the candy, her eyes couldn’t help turning red.

Luo Qian Zhe was surprised when he saw this and looked at her in a panic, “Does it hurt?”

“No! She looked up with clear eyes.

He saw the faint mist in her eyes and couldn’t help feeling a bit of pain.

Damn! He really wanted to hug her in front of everyone.....

With a breeze from the window, a bit of snow came in. They looked at each other, seemingly only having each other in their eyes.

Xiang Tian Qing looked at them and she narrowed her eyes as she made her plans.

She had the entire school in Zurich, it had to be the same here.

A queen was a queen, no one was allowed to steal her spotlight.

—

Luo Qing Chen was very energetic when she went back that night. It was unknown if the system’s medicine was too effective or if she slept too much during the day.

She held her phone as she called to Luo Qian Zhe downstairs, “Luo Qian Zhe, do you want a pizza!”

“Si.” With a quick drift, Luo Qing Chen saw his car on the screen suddenly fall into the water.

Luo Qian Zhe slowly took his hands off the controller and walked towards her.

His black eyes had no bottom and he had an aura that normal people didn't have as he walked over.

“You, you, you.....You can't be thinking of.....beating me, right!” Luo Qing Chen moved back as she said, “I didn't do it on purpose, I just asked if you wanted to eat.....Aiya!”

“Be careful.” She backed into thin air and fell off the stairs. He quickly came forward and took her in his right hand.

The air was silent and there were only the sounds of the clock ticking.

“Do you want it or not.....” Her phone screen was still on and it was frozen on the order screen.

Luo Qian Zhe took her in a princess carry. His foot injury wasn't better yet, but he stumbled up the stairs step by step.

“You.....”

“Did you eat your medicine?” Seeing her chirping without stop, thinking about eating junk food and not eating the thing she should have eaten, he suddenly felt a bit angry.

Actually this anger came from worrying about her too much!

Seeing his expression wasn't right, Luo Qing Chen obediently closed her mouth and wrapped her arms around his neck. She dug herself into his neck and didn't dare speak!

Chapter 605: So what if you're my big sister? (Part 40)

At that moment, Luo Qian Zhe stopped.

His breathing became a bit heavy. Because of her sudden actions, his heart was rolling around.

“Luo Qing Chen.” His charming voice slowly sounded in her ear, “If.....you want to eat pizza.....then just order it!”

“Ah?” Luo Qing Chen was surprised. Her little head suddenly came up and looked at him with a confused gaze.

Why did this person suddenly undergo a 360 degree change!

“But.....” He paused as his tone returned to normal, “You still have to eat your medicine.”

As his voice fell, he carried her to the master bedroom before quickly leaving to help her get her cold medicine.....

Luo Qing Chen watched as he quickly left and she couldn't help revealing a smile.

It seemed like Luo Qian Zhe had times when he was shy!

But, his love was really more stubborn than normal people's.....

There were times when she thought that this kind of love was very terrifying. He could die for the previous host even when his affection was only at 30%.

Now that she had 90% affection, he would definitely protect her.

No mistakes, no harm.

—

Since Luo Qian Zhe transferred to class B, class B became the class that was completely blocked.

Not only was the door blocked after every class, there were even more people when school was over.

The direct result of this was being especially late when going to the cafeteria.

It was no wonder Luo Qian Zhe didn't like going to the cafeteria and having people buy food for him, so this was the reason.

"Qing Chen, you take this soup and I'll order from the second floor. There isn't anything that delicious on the first floor." Feng Xiao handed her the hot tomato and egg soup before running towards the second floor.

Luo Qing Chen found that there wasn't a seat at all and began walking outside.

The cafeteria was divided into inside and outside. There were many more spots outside, but since it was winter, there were less people eating outside.

Xiang Tian Qing was perfectly in time to see Luo Qing Chen carrying her soup outside.

She looked at Su Mu who was also eating outside and her lips curled into a proud smile.

If she couldn't approach Luo Qian Zhe in class B, at least she could choose to approach Su Mu.

After all, this man's popularity was comparable to Luo Qian Zhe's. She had to suppress Luo Qing Chen's momentum and make this male god stand on her side!

She thought this as she headed towards Luo Qing Chen.

Luo Qing Chen was walking up and she was walking down, the moment that they passed each other.

She suddenly pushed Luo Qing Chen. Luo Qing Chen's cold eyes narrowed and quickly dodged.

When she was prepared to throw the soup down and fight back, Xiang Tian Qing poured the tomato and egg soup from her plate all over herself.

"Ah!" With a pitiful cry from her, the soup scattered all over the ground.

Ji Hao Chen ran over right away after hearing Xiang Tian Qing's cries because he had been eating with her. She said she was going to buy a drink and in less than a minute, he heard her screams.

"What is going on?" Ji Hao Chen came over. He first saw Luo Qing Chen and softly pushed her aside. Then he pulled Xiang Tian Qing up and put her behind him as he asked in a worried voice, "How did you become like this, you're turning red from being burnt!"

“You....How could you do this?” Xiang Tian Qing looked at her as her tears came down. She cried while pointing at her and saying, “Just because I don’t know the rules of the school and almost became young master Qian’s deskmate by accident! You didn’t need to do this.....”

Chapter 606: So what if you’re my big sister? (Part 41)

“Un humph?” Luo Qing Chen gave a cold snort as she looked at Xiang Tian Qing with cold eyes, “Then do you know the rules now?”

Xiang Tian Qing was stunned as she looked at Luo Qing Chen in disbelief.

After all, what she said was far from what she had imagined.....

“What? Shocked eyes?” Her lips curled into a dangerous smile as she looked at Xiang Tian Qing, “My answer was too far from what you expected?”

In less than thirty seconds, a group of people had surrounded them.

Among them was Su Mu.

“Qing Chen.....” There was a bit of anger in Ji Hao Chen’s eyes, but since they were at school, he couldn’t say anything else. He could only gently say, “Tian Qing just transferred in today, there are some things that she doesn’t understand.”

Ji Hao Chen’s tone was filled with reproach, accusing Luo Qing Chen of being a bully.

“What are you coming to school for if you don’t understand things?” Luo Qing Chen said with a cold snort, “You want people to laugh at you?”

“Ha, ha, ha, ha.” The surrounding people heard Luo Qing Chen’s clever response and broke out in laughter.

The gossipers began exploding with chatter.

“That Luo Qing Chen is young master Qian’s new girlfriend! Why is her personality so different from young master Qian’s last girlfriend!”

“Ze, ze, I feel she’s so handsome! I’m about to become a fan.”

“Who is that Tian Qing, never seen her before! It feels like she has such heavy makeup, I don’t like her.....”

“She, if she is someone with a strong background, she might come for you!”

“Stronger than young master Qian?”

“Who knows how many days Luo Qing Chen will be young master Qian’s girlfriend, if something happens, you can’t speak nonsense!”

“That’s right!”

.....

Xiang Tian Qing bit her lip, naturally she could hear the gossip around her. She looked over at Su Mu not far away and seeing that he was still watching, she kept crying while shouting, "Is bullying people fun? Is it interesting? What else do you want to do?"

What a female protagonist glow! She was just like a kind girl being forced into a desperate situation!

Every word was filled with righteousness!

But Xiang Tian Qing thought that this person was that same Luo Qing Chen who she had stepped over in a previous world?

Her cold eyes narrowed and she said to Xiang Tian Qing with disdain, "It's fun and interesting! As for what I want to do——"

She stepped off with her right foot and flipped off the railing on the second floor before landing on the first floor.

"Woah!" Everyone was stunned by this. Luo Qing Chen softly touched her curled hair and before putting her hands in the pockets of her uniform. She looked at her and said, "If we can fight, let's not talk too much?"

"Qing Chen." Ji Hao Chen looked at her and said, "We're all classmates, let's end it here, alright!"

"If I say no, what can you do?" Luo Qing Chen's cold eyes looked at Ji Hao Chen and Xiang Tian Qing as the flames of rage appeared in her heart.

The previous host's memories were vivid in her mind. Some accounts had to be settled.

No matter which world it was.

"Qing Chen." A cool voice entered her ears. Su Mu's face didn't have any emotions, but he came in front of her. He slightly knit his brows as he looked at her and said, "How about.....just forgetting it!"

Xiang Tian Qing heard this and a smile that no one saw appeared on her lips.

Finally.....caught him.....

She really was better than any other girl. She was good at using the male mind to give professional performances.

"I won't." She looked up at Su Mu, with each word being filled with strength.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 607: So what if you're my big sister? (Part 42)

If the person who came up to her today wasn't Xiang Tian Qing, she would have cared and forgotten about it.

After all, although Su Yan Yan, Gu Yin Yin, and Gu Ting Er were very bad people, she didn't do anything to them.

But Xiang Tian Qing was a hurdle she couldn't pass.

Ji Hao Chen came down with Xiang Tian Qing whose face was covered in tears and stood by Su Mu's side.

Xiang Tian Qing was like a puppet whose strings were cut as she suddenly fell towards Su Mu.

Su Mu knit his brows, but he still caught her like a gentleman.

"If you're ready, come together." Luo Qing Chen's lips curled into a dangerous smile as an ice cold look appeared in her eyes.

The whispers around them suddenly changed when Luo Qing Chen said this!

"Did you hear about what happened yesterday on the second year's roof? Luo Qing Chen beat ten people by herself, so handsome!"

"Damn! More than hearing about it, some people had taken photos and even sent it on the school board, alright?"

"Truly a beating, a master beating bronze....."

"Ze, ze, ze, this person is finished!"

.....

Ji Hao Chen felt his scalp turn numb from these words. He took a step back, but because he was so brave earlier, it seemed like it was too late!

"That.....Qing Chen....." Ji Hao Chen said in a depressed voice, "Violence can't solve problems!"

"Violence can solve many problems." She said with slightly knit brows, "Xiang Tian Qing, I'll give you two choices. One, you can kneel down and beg for forgiveness or two, you can drop out."

"Ze, ze." There were sighs around them.

Her words made countless people's eyes drop. Her little figure stood in the snow and a soft breeze picked up her hair, making her look very strong.

"You....." Xiang Tian Qing's face was a bit ugly and her voice was trembling a bit as she said, "You....You're going too far!"

Her tears were still flowing, as drop by drop fell onto Su Mu's white clothes.

The brain dead fans of Su Mu all looked at her with dissatisfied looks.

Now she had achieved her goal. She had made Su Mu hate Luo Qing Chen while getting closer to Su Mu.

But if she was forced to drop out, wouldn't that just make things worse.....

"Sorry, I want to go this far!" Her tone became even colder, seemingly echoing in the snow around her.

"Qing Chen." Su Mu knit his brows as a worried look appeared in his eyes.

He had accidentally walked past the principal's office today and had heard them discussing Xiang Tian Qing's identity.

Her father was a famous real estate investor with a net worth of over one hundred million. Although it couldn't compare to Luo Qian Zhe's family, this background was still higher than most students of the school.

She was being treated special by Luo Qian Zhe now, but if Luo Qian Zhe ever liked someone else, he might give her up.

But she was acting this arrogantly, so Xiang Tian Qing might deal with her in the future.

Su Mu wasn't a rich young master, he could only stop things from getting too serious.

But the current Luo Qing Chen didn't seem to care at all.....

Luo Qing Chen knit her brows. With her intelligence of 180, she seemed to understand the emotion and stubbornness in this youth's eyes.

She softly said, "Su Mu, some grudges aren't as simple as you think. Maybe in a past life or in a parallel world, I know why you stood up and I think only I know....."

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 608: So what if you're my big sister? (Part 43)

Su Mu heard this and he trembled. He never intended to explain why he came out, but Luo Qing Chen's simple words seemed to have contained all his thoughts.

He was suddenly very gratified and moved, suddenly feeling like it was worth it to stand out.

"Ha, ha." Xiang Tian Qing pretended to laugh at herself, "It really is funny and unreasonable. You splash soup over me and you want me to apologize. You want me to kneel, but I won't kneel!"

She was the young miss of the Xiang Family, she had been treated like a treasure since she was young, how could she kneel to others!

Although this was a dangerous move, didn't she use it perfectly?

Ji Hao Chen cared about her and Su Mu protected her.

At least the two male gods of class B stood by her side, right?

She had been here for less than a day and she already obtained many things that others dreamed of, it really wasn't difficult at all.

To be honest, she really liked competing for and stealing guys.

This was the pleasure of her charm, why wouldn't she do it!

Luo Qing Chen didn't give her time to spout her hypocrisy, she just said in a voice that contained no warmth at all, "Kneel or scam, I'll give you three seconds."

She hated Xiang Tian Qing the most since she liked treating herself as a little girl who was being bullied and making others to be evil girls.

Then if she didn't help her, wouldn't she be disappointing the crowd?

Xiang Tian Qing bit her lip and angrily said to Luo Qing Chen, “Based on what, based on what should I kneel and scam?”

The person in front of her wasn’t qualified! She was just someone Luo Qian Zhe cared about during this time! Saying she didn’t understand the rules, she was only here for a single day!

Luo Qian Zhe had more than ten girlfriends during the short period of a month.

Was this backing reliable? What qualification was this to make her kneel? Luo Qing Chen was just a little cheap girl being played with by others.

In just a few days, Luo Qian Zhe wouldn’t like her anymore and would toss her away like trash.

This kind of lowly person, based on what should she kneel!

Luo Qing Chen gave a cold laugh and instantly thought of an elegant line!

She wanted to say: Because I’m the Luo Family’s young miss.

But then she thought of Luo Qian Zhe.

He never told anyone she was his girlfriend, it was because he was afraid she didn’t like it!

She suddenly felt that this young who was stubbornly in love with her was quite good.....

At least he was very moving, comforting, and warm.....

“Based on what?” She gave a cold laugh and looked at the fierce face in front of her, “Seven words, do you want to hear it?”

Everyone was stunned as they held their breaths waiting for Luo Qing Chen’s so-called seven words.

Her lips curled into a faint smile as she said, “Because I am Luo Qian Zhe’s girlfriend.”

“Pa, pa, pa.” There was a crisp clap as a familiar figure walked out from behind a tree not far away with a pampering look in his eyes.

His hands were in his pockets and a few white snowflakes were on his chestnut brown locks, with a sweater over his white school uniform. His lips were in a faint smile, creating an incredible handsome scene in the snow.

He walked towards her with steady steps, not forgetting to say, “She’s not my girlfriend.”

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 609: : So what if you’re my big sister? (Part 44)

“Yi!” There was a round of gasps.

Luo Qian Zhe walked very slowly, with his heart beating slower than normal with each step.

Once upon a time, this scene had appeared in his dreams. The fragments couldn’t be as moving as her words just now.

Because, I, am, Luo, Qian, Zhe’s, girlfriend.

He felt like he could remember these seven words for his entire life.

The sky was filled with snow and she was casually standing there, but it was a beautiful scene.

Su Mu slightly knit her brows and wanted to say something, but Xiang Tian Qing came first.

“Ha, ha, ha.” She laughed as she said, “Ze, ze, how embarrassing for you! You’ve lost all your face! Based on what do you want me to kneel or scam? Based on what can you say that you’re young master Qian’s girlfriend? How embarrassing! Did you hear it? Open your ears, young master Qian even said you’re not his girlfriend!”

Luo Qian Zhe firmly stood beside her and said with cold narrowed eyes, “Right, she’s not my girlfriend.....”

“Luo Qian Zhe, did you come to cause trouble!” She lowered her voice as she revealed a dissatisfied look!

“But—” He took her by the waist and said, “She is my wife!”

“Si!” Gasps appeared around them again.

Luo Qing Chen had a stunned look that seemed to say: Why didn’t I know that I was your wife?

The space around them was silent. After a full five seconds of being frozen, gradually the sounds of gossip appeared.

“God, wi.....what is this wife.....”

“Young master Qian had never called anyone his wife in public, did I hear wrong!”

“You didn’t hear wrong, my heart is about to jump out.....”

“So handsome, so handsome, so handsome! I don’t want to say anything else, this boyfriend power is in full burst!”

.....

At this time, Xiang Tian Qing’s face was already as white as paper. She bit her lips and she couldn’t say a single thing.

“You went against my wife. As long as she wants to do something or go against someone, as long as she’s happy, I don’t care.” Luo Qian Zhe’s hands tightened.

Su Mu slowly let out a sigh of relief deep down. Without knowing why, his heart was very calm at this moment.

It was probably because he confirmed that Luo Qian Zhe really treated her differently.

He looked at Luo Qing Chen with his hands in his pockets and said, “Thank you.”

Thank you for understanding and thank you for knowing.

As soon as he said this, he turned to walk into the crowd.

He didn't care about the gossip, he just wanted to use his own method to protect this person.

Xiang Tian Qing couldn't stand firm and almost fell to the ground.

There were more and more people gathering around and there was more and more gossip.

Everyone didn't seem to care about the truth as they all stood on Luo Qian Zhe's side.

No, she couldn't lose face in front of the male god.

She looked at Luo Qing Chen while biting her lip and saying, "You're powerful, alright? There is no fairness in this world. You can pour soup on other people and you can win, does it feel good?"

She was like a righteous warrior standing in the snow, saying each word filled with power.

[Host, there is a camera in the tree behind you to the right. It captured the scene from earlier.]

Powerful, my system.

"If you have the skills....."

"Ke, ke." Luo Qing Chen cut off the words of the youth holding her waist and looked at Xiang Tian Qing with a faint smile, "Do you know that there is a camera here?"

Chapter 610: So what if you're my big sister? (Part 45)

With these words, her cheeks that were already pale turned even more white.

She really didn't know the layout of the school's surveillance cameras, it couldn't be that much of a coincidence, right?

"You....." Xiang Tian Qing nervously swallowed a mouthful of saliva, "You're.....just speaking nonsense....."

"Un humph?" She narrowed her cold eyes and said, "I just said there was a camera nearby, what nonsense is this?"

Luo Qian Zhe looked in the direction she talked about before looking at Liang Zi to his side. Liang Zi gave a nod and headed to the security room.

Ji Hao Chen awkwardly took two steps back and collided with Feng Xiao who just came over.

When those two looked at each other, there was a faint disappointment in Feng Xiao's eyes.

She didn't say anything and headed towards Luo Qing Chen.

"Did something happen?" Feng Xiao said with a faint sparkle in her eyes, "Is it a fight? I also want to participate."

"With me here, how is there a need for you to participate?" Luo Qian Zhe looked at Xiang Tian Qing with narrowed eyes and said, "I'm sorry, I never taught my wife well. You can wait for your parents to kneel and as for dropping out, how about we do that after you watch a short film?"

Although his tone seemed like a question, there was no room for negotiation in his voice. It was like a dangerous symbol with a terrifying aura that swallowed Xiang Tian Qing bit by bit.

She seemed to be scared by Luo Qian Zhe's aura and suddenly took a step back, falling in the snow.

The surrounding people saw her face didn't look good and began speculating.

The funny thing was that most of their speculations were right!

"This Xiang Tian Qing suddenly looks so scared, it can't be that things really aren't as they seem....."

"I think that it's very possible! Otherwise why would Luo Qing Chen talk about cameras. She really smashed her own foot....."

"Yi, it can't be that this acted everything out like in the dramas, right!"

.....

Luo Qian Zhe's phone rang. His dark eyes had a faint sparkle as his lips curled into a dazzling smile.

"Just do it." As his voice fell, he hung up and continued to hold her.

Xiang Tian Qing only felt her heart beating fast because she never expected things to develop like this.

What to do, what to do, what to do.....

These three words filled her mind, but she couldn't think of a way to solve this situation.

Luo Qing Chen saw that she kept thinking and she said with a cold smile, "You're helpless now, are you thinking about what to do? But you can't think of anything at all, right?"

"You....." Her body kept trembling as she said in a strong voice, "Luo Qing Chen, you just wait!"

"Ding." After that, all the LCD on campus lit up and the image reached the eighteenth second, everyone gave a 'wa' sound.

It was the scene of Xiang Tian Qing pouring the soup over herself.....

Didn't the fluidity of the motion seem perfect?!

"I can wait for you....." Luo Qing Chen revealed a dangerous smile as she said, "But I'm afraid you can't wait for yourself."

Xiang Tian Qing was already filled with rage and her pale face turned completely red. She had never been shamed like this before in her entire life.

Definitely, she definitely wouldn't let her off!
