Chapter 621: So what if you're my big sister? (Part 56)

"Of course." Luo Qing Chen suddenly sat up and picked up a pillow before sitting on the sofa to the side. She said with a faint smile, "Not sure!"

As an underage girl, can't she deny it?

After all, before she was eighteen, even if they weren't in a messy love anymore, they couldn't just break taboos!

"So our family's wife is this shy!" He narrowed his eyes and ate the candy beside him before he slowly moved towards her.

Leaning over and kissing her.

The sweet candy taste entered her mouth bit by bit. This kiss was so sweet and warm.

Finally, Luo Qian Zhe controlled the desire in his heart to push her down on the bed. He planted a kiss on her forehead before saying, "Wait for me to come back, I'll tell our parents about us."

This seemed like a promise, an eternal promise.

Three days later, Luo Wen Feng set out with Luo Qian Zhe as scheduled. During their goodbye, Hua Ying Yue's eyes weren't right, both having tears and looking like she couldn't bear to see them go.

"I'll be leaving first, take care of Qing Chen....."

Hua Ying Yue wanted to say something, but she just said a few words in the end, "In this life, it's really good having you."

Luo Qing Chen felt like these words were missing something, but she couldn't react right away.

Luo Qian Zhe's eyes were on Luo Qing Chen the entire time. Only when he turned around, he unwillingly looked away.

But his feet stopped once again at the entrance gate.

He suddenly turned around and rushed forward to tightly hold her. In front of their parents, he used all his strength.

He didn't say another word, as he included thousands of words in this hug.

That kind of decisiveness, that kind of passion.

Parting, even this short parting filled his heart with unwillingness.

Luo Qian Zhe was very clear that he loved the girl in front of him to the point of abnormality.....

—

For an entire afternoon, Luo Qing Chen listlessly looked at the sky outside the window.

She didn't know if the plane flying to X Country would pass overhead.

But the ten o'clock news had a piece of news that made her entire world collapse.

The conspicuous title, the somber sound, all of them slammed into her heart.

[One hour ago, the 2:30 flight from S City to X Country had lost contact. Currently they are taking all methods to make contact with the plane.]

The cup in Hua Ying Yue's hand fell and Luo Qing Chen looked over to see her panicked eyes.

"Mom....." She tried to hold her breath as steady as possible, making the last confirmation, "Qian Zhe's plane, it can't be....."

"As expected.....we can't escape....." Hua Ying Yue suddenly fell to the ground. The glass shards pierced her white leg and drops of blood slowly came out.

At that instant, she remembered the parting words between Luo Wen Feng and Hua Ying Yue.

He just said take care of Qing Chen, he didn't say 'wait for me to return'.

"You're not telling me that.....you already knew that something would happen, right?" She charged towards Hua Ying Yue and her hands tightly clenched around her hands, "Mom, why didn't you say anything!"

"Your father is a very obsessed person." Hua Ying Yue looked up as tears dripped down from her eyes like pearls. She bit her lip and said in a trembling voice, "No one can stop the things he's decided on."

Perhaps this was so-called destiny. Every person's life was different. Some people did things for food, for love, for power, or for money.

Luo Wen Feng did it for loyalty.

Chapter 622: So what if you're my big sister? (Part 57)

The Luo Family's first master wasn't from S Country, but rather from X Country.

Luo Wen Feng was the number one officer of the X Country, existing to protect the royal Yuwen Family.

Although X Country wasn't big, it was a fertile country. Oil, ores, and all kinds of natural resources could be extracted without end.

But the internal struggles of the country were worse than imagined.

The twelfth wife of the old king Yuwen Shuo was a narrow minded person, she just wanted her son to become the king, using all kinds of means.

In the end, after all kinds of meticulous plans, there were only two living princes left in the palace.

One was her son Yuwen Bai Hui, the other was the queen's son Yuwen Qian Zhe.

That year, concubine Mei Na took all power in the palace and Luo Wen Feng had no choice but to leave the X Country with the queen's only son.

Sixteen years later, concubine Mei Na had finally died. Her son Yuwen Bai Hui was obsessed with evil all day and finally decided to sell his country in exchange to peerless beauties from a neighbouring country.

This matter was passed to Luo Wen Feng in the end.

There were some things he had to take back for the old king. The bloodline had to be right for one to be crowned king.

These things were not things the Hua Ying Yue understood.

She only knew that Luo Wen Feng had been entrusted by an old friend and brought back a child.

“So you used to live in X Country?” Luo Qing Chen received too little information from Hua Ying Yue.

It wasn't a coincidence that something happened to their plane headed to the X Country.

Her father had been in the business world for many years with eyes all over the world, how could he make a mistake.

Impossible, impossible.....

“Yes.” Hua Ying Yue looked down in a daze.

“Mom, get up first.” Luo Qing Chen took a deep breath as she slowly helped her up. She bit her lip and said, “I feel that things aren't this simple. Since dad brought Qian Zhe to the X Country, he wouldn't let this happen.”

“But the news.....” Hua Ying Yue seemed to hear some hope from this and suddenly grabbed Luo Qing Chen's hand, “Daughter, you've always been smart, are they really not dead?”

Luo Qing Chen's hand holding the disinfectant trembled. She took a deep breath and said, “Luo Qian Zhe will never leave me.....”

Her determined words only lasted three days.

Three days later, the black box of the plane headed to X Country was found and not a single person survived.

There was no connection to Luo Wen Feng and Luo Qian Zhe's phones.....

She knew that he probably didn't have a way to call her.

Because as long as he was still alive, how could he be willing to let her worry.....

The snow fell hard that day and just like her heart, it was ice cold.

The dust covered memories became eternal as his most domineering appearance flashed in her mind.

One that no one could resist.

System, right.....She still had the system.

[The system also doesn't know what the host wants to know.]

Why? Aren't you the system? Why don't you know!

[The world was distorted by the host's entrance, the future continues to change in this world.]

Can you at least tell me, is he.....still alive?

After a while, the system's voice sounded that slowly grabbed her heart.

[Yes.]

It's good that he was alive. At least she could find him, at least she could wait.

Since the beginning, it was finally her turn to wait.

Waiting for that black bellied warm youth to slowly come back.

She thought that if he didn't come back, he would at least comfort her.

But there was nothing. One month, two months, three months.....

There was no news at all.....

Quick Transmigration Female Lead: Male God, Never Stopping **Chapter 623: So what if you're my big sister? (Part 58)**

At the same time, on the X Country side

Luo Qian Zhe was currently lying in a metal chair surrounded by all kinds of instruments.

[Ding, memory removal successful. Please import memories next.]

"Master Luo, young master Qian Zhe won't forget everything after his memories are removed. He'll just be losing his emotions, not his memories." The man in the agent uniform beside him said, "In other words, he will look at experiences as a bystander. That includes familial love, friendship, and love."

"Un, very good." Luo Wen Feng looked at the memory box and said, "Then the old king's memories should fuel his feelings towards the X Country!"

"Yes!" He said with a nod, "When young master Qian Zhe wakes up, master Luo's plan can be executed."

"Un." Luo Wen Feng pushed up his gold trimmed glasses as a faint mist flashed in his eyes.

Ignoring his identity, Luo Qian Zhe was the son he pampered since he was young.

But the old king's will and the promise to the queen, he couldn't ignore it.

Yuwen Qian Zhe had to take back his throne.

—

When Luo Qian Zhe woke up, his eyes were filled with rage. His first words were, "Where is she?"

"You're in the palace, your highness Qian Zhe. Everything has been prepared for the plan."

"If I succeed, will you return her things to me?"

"If your highness succeeds, the X Country will belong to you."

"I think that dear dad should know that I'm not talking about this." Luo Qian Zhe took a deep breath. He put his hands in his pocket and said with an ice cold look, "Go."

"Your highness Qian Zhe." Luo Wen Feng could understand his meaning and said with a frown, "During the plan, all our people's phones will be tapped, so for their safety...."

"I know." He looked up with cold eyes as he tightly clenched his fists.

Luo Wen Feng would never know that no matter how much of his memories and emotions the ice cold machines took.

They would keep spreading from his heart, only growing.

That was because the love he felt for this girl broke all boundaries, reaching an abnormal state.

—

However, the process of reclaiming the throne wasn't as smooth as they imagined.

The left faction, the right faction, and the center faction.

Each faction had to be exterminated, one by one.

But if they made a mistake, they might lose everything.

In the end, Luo Qian Zhe was supported by the citizens and all of Yuwen Bai Hui's forces in the palace collapsed.

This large battle for control had lasted three long years.

"Qian Zhe.....let me go....." Yuwen Bai Hui was kneeling on the ground, kowtowing again and again. He kept muttering, "You can be the king, I....I was forced to do it. I just want beauties and fun.....I don't want power....."

"Si." The muzzle of the revolver fired right into his heart.

Blood splattered all over the hall of the palace.

Luo Qian Zhe looked up with cold eyes and his cold voice slowly spread, "I left her for three years, your life isn't worth it."

Then came Luo Qian Zhe's coronation.

When everyone left, he finally revealed a faint look of fatigue.

"Your highness Yuwen, everything is over." The struggles of three years made Luo Wen Feng look much older.

But his heart was calm. X Country was still here, the bloodline was still here.

Sixteen years ago, he left the X Country with the old king's will, waiting for the triumph of this day.

He was worthy of his country and his king.

“Dad.....” Luo Qian Zhe’s voice had a slight tremble to it. He took a deep breath and said, “i want to go home.....”

Chapter 624: So what if you’re my big sister? (Part 59)

Luo Wen Feng never would have known that everything he did was irreversible.

King.....

He didn’t care.

Power.....

He didn’t want it.

“There shouldn’t be anything wrong with the memory surgery, right.....” Luo Wen Feng looked at him with knit brows, “Shouldn’t the country be the thing that you care about most in your heart?”

The air was silent and only after a while did the other side give a self deprecating laugh. His eyes were faintly misted over as he said the words he wanted to say his entire life.

“I want Luo Qing Chen.”

He thought that after returning from X Country three years ago, he could say this to his parents. He thought that as long as they were adults, he could openly be married to her.

But everything made it seem like the plan couldn’t keep up to the changes.

Luo Wen Feng’s eyes had a faint sparkle before he said after a while, “Qing Chen’s identity isn’t enough to become the X Country’s queen.”

He didn’t know what kind of position the words Luo Qing Chen had in Luo Qian Zhe’s heart, the memory operation should have taken away his feelings.

What kind of terrifying obsession was this.....

“Ha, ha, ha.” After that, Luo Qian Zhe said with a cold laugh, “Other than her, I want no one else.”

—

S City.

It was her first day at the Noble University.

The moment Luo Qing Chen stepped into the school, her eyes couldn’t help turning red.

Three years, an entire three years.

There seemed to be no end to this slow wait.

“What are you thinking?” Su Mu’s voice slowly sounded, making her thoughts fly away.

If it wasn’t for the words from the system, she wouldn’t have been able to endlessly wait in this world.

Luo Qing Chen gave a soft laugh and shook her head, “Nothing.....”

“I thought that you would be in the library.” Su Mu’s eyes had a faint sparkle as he looked at Luo Qing Chen.

She was still that sweet girl, but her clear as water eyes were covered in a faint mist.

It was like nothing could enter her heart.

She was very calm after the plane crash.

She came to school the second day without crying or fussing.

It was like Luo Qian Zhe wasn’t related to her at all, that kind of calm.

“There is something I want to do that will take up a lot of time.” She pursed her lips as she headed in the direction of the medical department.

Su Mu narrowed his eyes and watched her back, but he didn’t call out to her.

He was still the same as three years ago, even if there was no Luo Qian Zhe by her side, it was impossible for there to be a Su Mu.

After signing up, she went to the acting department to find Feng Xiao.

“Big star, is it done? We can go get some food if you’re done!”

“The freshman performance!” Feng Xiao shook the sheet in her hand and said, “I already signed up to sing, you have to help me!”

“Help you with what?” Luo Qing Chen said with a soft laugh, “I’m not participating in this thing!”

“Accompany me!” Feng Xiao pulled her arm and said, “I know that you’re good at piano.”

In these three years, other than immersing herself in books, she had also spent quite a bit of time with the piano.

After completing the task, there was no need to exchange for the piano skill.

After all, the dancing of the black and white keys was something she remembered in her heart.

“We’ll talk about it after you pass the first test!” Luo Qing Chen said with a soft laugh, “Let’s go!”

“Qing Chen.....” It was like Feng Xiao suddenly thought of something as she gave her today’s newspaper, “Xiang Tian Qing committed suicide in prison!”

Luo Qing Chen took the paper and looked at the censored body.

Not a single part of the body was intact and each part was covered in blood.

Chapter 625: So what if you’re my big sister? (Part 60)

“Un.” She softly replied before handing the newspaper back, “She deserved it.”

“After seeing this satisfying report, I have a private matter to ask you.”

“Speak.”

“Why don’t you.....give Su Mu a chance!” Feng Xiao’s eyes trembled a bit as she said, “There are some people.....who won’t come back anymore. The future.....”

“Alright, Feng Xiao.” Luo Qing Chen cut her off with pursed lips, “I like waiting, it doesn’t matter if I wait a bit.....”

Feng Xiao knit her brows. Seeing her like this, she didn’t say anything else.

There are some people who could wait endlessly, it didn’t matter how long it was.

Even if she cried while waiting, she would stubbornly persist.

When they arrived at the basketball court, they saw a group in the middle.

Feng Xiao pulled her hand and said, “Let’s go join the crowd!”

“Puchi.” Luo Qing Chen couldn’t help laughing. She used to be the center of attention, but now she was just part of the crowd.

“What makes you so arrogant, do you think you can approach young master Jiang?”

“Why don’t you look at yourself? You entered the Noble University just because you know how to study, you think that you can ascend to become a phoenix?”

“Big sister Wei, we have to teach her a lesson today. We have to show her that the young master Jiang love team isn’t something she can look down on!”

The scene was quite familiar. A stubborn girl was standing in the middle, while the others stood righteously around her.

Song Ling Ling’s looked up with cold eyes as she said in a cold voice, “Don’t think that people you like are people that I like.”

As soon as her voice fell, she turned to walk off in another direction.

“Want to run!” Lin Wei rushed forward to grab her arm and pulled her back.

Song Ling Ling bit her lip and she slipped, falling onto the ground.

Luo Qing Chen was surprised. If she didn’t have the system, she would have suffered the same fate as Song Ling Ling back in school.

“Ha, ha, ha.” Lin Wei said with a cold snort, “Let me tell you, stay away from young master Jiang in the future. Someone like you will only stain young master Jiang’s eyes.”

“This really is funny.” Feng Xiao muttered, “It’s like she’s saying that she looks good.”

“That girl in suspenders over there, do you dare say that to big sister Wei again?”

“Damn, your ears are good!”

“Your big sister Wei’s hearing is not the same as normal people like you.” Lin Wei’s eyes fell right onto Feng Xiao.

Luo Qing Chen had a smile in her eyes as she said to Feng Xiao beside her, “I feel that you’ve become famous on the first day.”

Feng Xiao wasn’t afraid to stand out and say, “Bullying people and not letting others talk about it.”

“How are you qualified?” As soon as her voice fell, Lin Wei moved towards Feng Xiao and raised her hand very aggressively.

“Peng!” There wasn’t a crisp slap sound as Feng Xiao caught the hand that was coming down.

“Sisters, go!” Lin Wei shouted behind her and the others headed towards Feng Xiao and Luo Qing Chen.

The girls rolled up their sleeves and came forward without another word.

This was a proper group fight.

“Feng Xiao, will you treat me to lunch?” Luo Qing Chen looked up with a smile in her eyes.

Feng Xiao naturally knew what she meant and said with a desperate nod, “I’ll treat young miss Luo to a month of lunches!”

“Deal!”

Lin Wei heard the inexplicable conversation between them and she said with eyes filled with rage, “Beat the two of them to death for me!”

Chapter 626: So what if you’re my big sister? (Part 61)

“Overestimating yourself.” Luo Qing Chen’s eyes had a faint sparkle as she passed by Lin Wei.

With a beautiful shoulder move, she charged at the group in front of her.

In an instant, they fell to the ground with screams of pain.

“So handsome!” The surrounding people said as several girls unconsciously clapped.

Lin Wei felt embarrassed by this and when she was hit by the shoulder, she seemed to have flashed her waist.

“Wei....Big sister Wei.” One of her followers said with a stutter, “She doesn’t seem easy to deal with....”

“We didn’t go all together just now, we can win if we go together!”

“I’ll grab her hair!”

“I’ll scratch her legs!”

Everyone agreed and lined up before charging forward with a battle cry.

Luo Qing Chen narrowed her cold eyes. She grabbed the left hand of the closest person as quickly as possible and then firmly took her right hand, turning it to create a scream of pain from her.

Luo Qing Chen said with a soft laugh, "Sit down properly!"

"Xiu." That person was pushed by Luo Qing Chen and fell into the others, knocking them all to the ground.

"Aiyo!" Pitiful cries came out once again.

Lin Wei wanted to say something, but someone from the crowd said, "Young master Jiang is here."

Luo Qing Chen looked in the direction of the voice and her heart trembled.

"Who is that person?" Luo Qing Chen turned to ask Feng Xiao beside her.

Feng Xiao shook her head, "This is also my first day, I don't know....."

"You don't even know young master Jiang!" A bystander from the science department honestly said, "He's the school hunk of Noble University, second year in the acting department. He's super handsome and has many fans! Lin Wei is the head of his fans!"

Jiang Yi Jun had his hands in his pocket, a bad smile, and soft ripples in his thick brows. His white skin contrasted with his pink lips and his facial features were perfect without a flaw.

"Qing Chen." Feng Xiao saw that she was in a bit of daze and quickly pulled her hand in worry as she asked, "What is it?"

"Nothing." Her eyes gradually calmed down the moment she saw Jiang Yi Jun.

Although he was handsome, he was far lacking compared to that person.

It was like Lin Wei saw her saviour as she quickly rushed in Jiang Yi Jun's direction. She said with an aggrieved look, "Young master Jiang, that person.....she hit me."

At this time, Song Ling Ling stood out and said to Jiang Yi Jun, "It was my fault. I accidentally borrowed your book when I went to the library the other day. I thought that this matter had passed, but I never thought that people would still remember it after a summer had passed."

Song Ling Ling's voice was very soft, but there was a touch of stubbornness to it.

"Young master Jiang, don't listen to her nonsense!" Lin Wei said with a teary look on her face, "They are the clingy girls that you hate the most."

Jiang Yi Jun, the school hunk. He had never had a girlfriend and had a first class personality.

He once said that he hated clingy girls the most, he liked girls who were cold and arrogant.

It seemed like Song Ling Ling was very suitable.....

Song Ling Ling turned to Luo Qing Chen, "Thank you."

Luo Qing Chen didn't say anything and just gave a nod before planning to turn to leave.

"Pei, thieves working together!" Lin Wei pursed her lips and said, "You think that young master Jiang will care about you like this?"

She didn't know that when Luo Qing Chen turned, Jiang Yi Jun's voice slowly rang out, "Luo Qing Chen, please wait."

Chapter 627: So what if you're my big sister? (Part 62)

In that moment, Luo Qing Chen felt like she had become the center of attention.

Feng Xiao on the side quickly said in a soft voice, "It can't be.....Why do I feel that this scene seems familiar!"

"Familiar your head...." Luo Qing Chen narrowed her eyes as she looked at Jiang Yu Jun and replied, "I don't know him....."

Is there a problem! I really don't know who this person was!

Lin Wei was like a deflated balloon as she stood there looking lost. Luo Qing Chen's eyes looked at Song Ling Ling and felt embarrassment coming from her eyes.

Jiang Yi Jun slowly came over and caused a lot of heated discussions.

"A freshman? How could she know young master Jiang."

"It seems to be a freshman, she looks quite beautiful....."

"So jealous, so jealous, actually catching young master Jiang's eyes. Speaking of this, I've never seen young master Jiang having a girlfriend before....."

.....

Luo Qing Chen was already used to the gossip since she was also someone popular.

"Do you have time to talk alone?" Jiang Yi Jun's voice was very gentle, but there was a polite tone to his cool voice.

"Keep your words short." Luo Qing Chen could tell from his eyes that this was a chat with a goal.

But since the other side's invitation was sincere, she would seem too cruel to reject it.

—

In an elegant cafe, the sounds of the piano flowed like water.

The wind chimes at the door swayed and there was a faint scent of jasmine in the air.

"What does the sir and miss want to order?" The waitress' face was a bit red as she slowly came over.

"Miss, you can go first." Jiang Yi Jun raised his hand with a touch of elegance, but there seemed to be a bit of unnatural feeling to his elegance.

Or it could be said that this elegance didn't suit his style.

"A cup of lemon tea, thank you." Luo Qing Chen looked at Jiang Yi Jun with her 180 IQ and said, "You looking for me.....is it because you know my mother?"

Jiang Yi Jun was surprised, he never thought that Luo Qing Chen would say his intentions so accurately.

“Your mother has talked about me to you?” He asked with a soft laugh.

Luo Qing Chen pursed her lips into a smile and said, “No.”

“Then how did you know.....”

“A guess.” Luo Qing Chen took her lemon tea and took a sip, “The S City’s Jiang Family, I’ve heard of you a long time ago.”

“So you know why I came looking for you?”

“An engagement?” Luo Qing Chen raised her brow as she looked at Jiang Yi Jun and said, “After my father’s disappearance, the Luo Group was taken over by my mother, but she is a woman after all and there are many things she can’t handle.....”

Thinking of this, she couldn’t help feeling pain for Hua Ying Yue. She had done and sacrificed many things for the Luo Family.

“I’ve long heard that Luo Family’s young miss’ intelligence isn’t like normal people’s.....”

“Stop, stop, stop.....” She gave a soft laugh and cut him off, “I’m not interested in family marriages, young master Jiang really doesn’t need to talk to me about this.”

As soon as her voice fell, she stood up with her lemon tea, “Thank you for your hospitality.”

In these three years, the Luo Family’s status in S City couldn’t compare to before the plane crash.

She didn’t care that much, but Hua Ying Yue had greatly changed because of this.

She always said that she wanted to work hard to keep the Luo Group that Luo Wen Feng worked hard to create, to be a good wife.

Even if he was no longer in this world.

At least on the path to the yellow springs, she could tell him this when she met him again.

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 628: So what if you’re my big sister? (Part 63)

Jiang Yi Jun heard this and wanted to say something, but Luo Qing Chen had already walked out the door.

There was a faint inquisitive look in his eyes and there was a ghost of a smile on his lips.

Did this girl do it on purpose, or did she really not want to marry into the Jiang Family.....

—

“Qing Chen, what did Jiang Yi Jun look for you for?” Feng Xiao was eating potato chips while watching the game and asking her this.

“Are the chips good?”

“Not bad!”

“That’s good!”

“.....” Feng Xiao seemed to remember something as she suddenly asked, “What about what I just said!”

“You said not bad!” Luo Qing Chen chuckled and changed the topic.

Faced with someone whose mind was simple, it wasn’t that easy to change the topic.

But she didn’t notice that two people on the basketball field winked at each other at the same time.

The basketball was suddenly flying at her.

“Be careful!”

“Aiya!”

Luo Qing Chen narrowed her eyes and looked at the bump on Feng Xiao’s head, “It’s fine!”

“Ai, I’m really sorry.” A student wearing a basketball uniform came over who was around one meter and ninety centimeters tall. He said with a look of disdain, “Who told you to have an ugly face that the basketball couldn’t stand you.”

“What did you say?” Feng Xiao suddenly stood up and said with an angry look, “Your basketball skills are so bad and you’re not embarrassed about hitting people?”

[Host, be careful. The other side is the S City’s youth Sanda champion.]

Who is he?

[Lin Wei’s big brother, Lin Hao.]

Lin Hao revealed a cold smile and kicked the basketball into his hand. With a beautiful turn, he shot a perfect three pointer.

“Do you see it? This is called skill.” Lin Hao pointed at Luo Qing Chen to the side and said, “You should be glad that I don’t hit women, otherwise you wouldn’t even be able to come to class tomorrow!”

These two dared to bully his sister as soon as they enrolled, he simply couldn’t take it.

It was known that his Sanda skills were super good that no one dared to bully his family’s Lin Wei.

That hit just now was considered a lesson. There were many people here and a big man bullying two girls was hard to talk about.

“He, he.” Luo Qing Chen said with a cold laugh, “Lin Hao?”

“You know him?” Feng Xiao held the bump on her head while looking at Luo Qing Chen in disbelief, “Why do you know everyone?”

“I disdain knowing this kind of person.” She crossed her arms and said with a smile of contempt, “Lin Wei’s big brother.”

“Oh.” Feng Xiao suddenly understood, “I thought that he was just crazy!”

“What did you say?” Lin Hao gritted his teeth and clenched his fist, “Don’t force me to hit women, even I’m afraid of how fierce I am!”

“Your shameless little sister should know how strong our Qing Chen is!” Feng Xiao held her hands at her waist and said, “Don’t think that you know how to fight just because you’re tall!”

“Humph, I would fear her?” Lin Wei tilted his lips and spat out his tongue twice, “Come if you have the skills. Although I don’t like hitting women, a cheap woman should be beaten!”

System, what is the chance of me beating him?

[60%.]

Too low, I won’t fight!

[.....]

Luo Qing Chen gave a yawn before looking at Lin Hao, “People should be courteous, don’t you think?”

“What do you mean?” Lin Hao looked at this person with a confused look, not understanding what she meant at all.

“My meaning is that since I know who you are, I should let you know who I am.” She gave a soft laugh as a sparkle appeared in her eyes.

Chapter 629: So what if you’re my big sister? (Part 64)

Lin Hao knit his brows and pretended to be calm as he said, “You’re just a freshman, what are you pretending for?”

“Our Luo Family owns 20% of the shares of this Noble University.” She looked at Lin Hao with a cold laugh and said, “How many steps do you think it’ll take for you and your little sister to disappear from this school?”

“Luo Family.....” Luo Hao was first stunned. S City’s Luo Family.

Although because of that plane crash, the Luo Family’s sphere of influence wasn’t as good as before.

A cockroach wouldn’t die. It was still very easy for this family to deal with someone as small as him.

The surrounding students began to whisper about this.

“Luo Family.....So she’s the Luo Family’s young miss, no wonder she’s so arrogant!”

“It really is a social class thing, I’m so jealous that she could be with young master Jiang!”

“Jealous of what, she might not care about young master Jiang! There was that person before.....”

“Right! The deceased is stronger.....Let’s not mention it!”

“Who is it! Don’t just stop halfway!”

“Anyway, if you were in the Noble School back then and you saw someone named Luo Qian Zhe, you would know that it would be hard to find someone as handsome as him.”

.....

“Enjoy your final time in university!” She gave a cold laugh before turning to leave while taking Feng Xiao’s hand.

Since there was a large family behind her, why wouldn’t she use it!

If she could use influence to solve something, why use force!

60%, how bad it would be if she was injured!

Jiang Yi Jun standing not far away unknowingly curved his mouth into a beautiful smile, she really was smart.

But his face changed after. Luo Qian Zhe.....wasn’t that her little brother?

The man who died in the plane crash!

Lin Hao awkwardly stood in place, he didn’t dare call out Luo Qing Chen’s name. It was hard enough to get into the Noble University, how could he leave just like that.

In the afternoon, when classes were over, Lin Wei came to the door of the medical department’s classroom. Seeing Luo Qing Chen holding a scalpel in her hand, she took a step back in fear.

“Hey.” She grumbled before unwillingly saying, “Sorry.....”

“The wound on Feng Xiao’s head isn’t better yet, why should I accept your apology?” She gave a shrug as she looked at Lin Wei with a soft laugh.

“I’ll pay for her medical expenses!”

“Something like money is something my Luo Family doesn’t lack!”

“You.....” Lin Wei had also been a young miss since she was young, when had she ever suffered like this. She bit her lip as she said, “I want to see how long your Luo Family can be arrogant for.”

She turned to head to the stairs after saying this.

Luo Qing Chen didn’t plan on caring as she walked in the other direction.

She never thought that ten seconds later, Lin Wei’s screams would fill the building.

Luo Qing Chen narrowed her eyes and when she came to the stairs, Lin Wei was in a pool of blood.

But there wasn’t a single person by her.

When she took two steps down, a group of passing girls saw the scene and cried out, “Murder....Murder!”

Luo Qing Chen didn’t care about them as she dialed 120 before running to Lin Wei’s side.

Her face was very pale and her breathing was very shallow, it was unknown if her life was in danger.

More and more people gathered as the sounds of gossip rang out.

“God! It can’t be that Luo Qing Chen pushed Lin Wei down the stairs, right.....”

“Definitely not! It’s reasonable for Lin Wei to push Luo Qing Chen, but why would Luo Qing Chen push her!”

“Who knows! I heard that Luo Qing Chen said that Lin Wei and Lin Hao shouldn’t be in this school anymore!”

“Rich people are like this, they like playing with power.”

The last voice was very familiar. She narrowed her eyes and saw Song Ling Ling in the crowd.

Chapter 630: So what if you’re my big sister? (Part 65)

Lin Wei’s injuries weren’t light, but there was no danger to her life. She didn’t blame Luo Qing Chen when she woke up, but her words were——

“Although I didn’t see who pushed me, there was only me and Luo Qing Chen on the third floor!”

.....

When Feng Xiao told her this, she gave a helpless shrug, “A simple mind and a strong body.”

“But, who would follow you to do this?” Feng Xiao pursed her lips and said, “Lin Wei really was lucky, she would be dead if this was a murder!”

Luo Qing Chen sipped her coffee and said, “The problem is the person who pushed her didn’t show mercy!”

“Then what do we do?” Feng Xiao leaned in and said in a low voice, “Everyone thinks that you pushed Lin Wei because of Jiang Yi Jun!”

“Jiang Yi Jun?” Her mind quickly turned and finally a person’s figure appeared.

“Yes.....”

“Right.....” Luo Qing Chen seemed to have thought of something as she suddenly asked Feng Xiao, “Didn’t the gossipers say last time that Jiang Yi Jun hated a certain kind of girl the most?”

“A clingy one!” Feng Xiao quickly described it.

Luo Qing Chen said with a soft laugh, “Although I don’t like plots, if someone wants to play, I’ll play with them.”

—

The autumn night was always cold. After Luo Qing Chen finished her last assignment, she headed towards the second year performance art floor.

“Help me find your department’s Jiang Yi Jun.”

“He was called out!” The man with glasses pushed them up and said, “Come earlier next time!”

Damn!

When she wanted to roll her eyes, someone behind her tapped her shoulder and said, “You’re looking for me?”

Actually Jiang Yi Jun saw her coming up the right stairs and couldn’t help thinking if she was here looking for him. He never thought that it would really be this case.

Without knowing why, his heart was filled with a bit of excitement.

Luo Qing Chen turned to see Song Ling Ling slowly walking over before turning her head again.

She gave a wink as Jiang Yi Jun.

He was a bit surprised as he didn’t know how to react. Without another word, Luo Qing Chen pressed him against the wall and cleared her throat before saying, “The matter we discussed at the cafe last time, I think that it’s quite good now that I think about it! After all, we can be considered in the same social class!”

The surrounding people were stunned hearing this, including Jiang Yi Jun being pressed against the wall.

“Last time.....” He felt his heart unknowingly beating faster, as a feeling that he never felt before spread through it.

Luo Qing Chen narrowed her eyes and looked at Song Ling Ling on the side.

She slowly looked over with a face of unwillingness!

She saw Jiang Yi Jun’s face was a bit red and she whispered in his ear, “It’s just a play, don’t mind it.”

Everything was prepared, the target was hooked.

In the same lab, at the same staircase, in the same science room.

She touched her ear and heard Feng Xiao’s voice, “Everything is prepared.”

In an instant, every LCD screen in the entire Noble University lit up at the same time.

Luo Qing Chen put her hands in her pockets as she revealed a faint smile, as she remembered the figure of a youth.

In the past, she used this same method to take care of Xiang Tian Qing.

Only that youth didn’t know that she really, really missed him.

When she came to the stairs, she closed her eyes and a mist appeared over them.

A pair of hands that seemed to come from hell pushed her.
