#### Chapter 811: Golden boss: The film empress ex-wife's cuteness (Part 12)

"But it seems like our Star Art has been messed up by us. It's fine if we lose "Su Tang", but now the female lead for "Ten Year" is gone....." Milly said with a bit of guilt as her eyes filled with frustration.

"Please, you want Bei Chun Ni to be the female lead of my male god's novel!" Luo Qing Chen took a deep breath and shook her head, "I won't accept it!"

On one hand, it was the influence of the original host and on the other hand, parts from the novel "Ten Years" kept popping into her head.

This was indeed a book worth reading, whether it was characterization or plot, it was on a higher grade than "Su Tang".

"Then who do you think is suited for being the female lead!"

"I feel that Gu Tian isn't bad or Xiao Luo!"

"What about Shan Shan? How about Shan Shan? I feel that her performance in "Evil Supporting Female Lead Ascends" was quite good!"

"Right, right, right! I also saw it! But I feel that she can't play in this kind of pure play."

After a bunch of chatter, one of them turned to ask Luo Qing Chen, "Leader Qing Chen, who do you feel is a good lead for "Ten Years"?"

"Me!" Luo Qing Chen's eyes lit up as she revealed a sweet smile!

"Ah?" Everyone looked at her in surprise before they broke out in laughter.

"Ha, ha, ha.....Qing Chen, you really are funny!"

"You must be joking!" Qing Chen, you really know how to joke! That is showbiz.....We normally take care of so many things, just thinking about it is terrifying!"

"Just saying! To become the female lead, one must sleep with the director, the assistant director, the screenwriter....."

Hearing this, Luo Qing Chen chuckled. She remembered the feeling the previous host had for Zhe Xue and she couldn't help teasing, "If it's the screenwriter for "Ten Years", I can consider it!"

"Ha?"

"Ke, ke." Seeing everyone's stunned look, she quickly said with a smile, "Joking!"

"We know!" Everyone said together!

"But I'm serious about auditioning for the female lead!" Luo Qing Chen's eyes lit up as she revealed a faint smile.

This book was definitely popular. The film empress didn't depend on experience, rather on work.

“Ah?”

“Un!”

After making that decision, Luo Qing Chen first sent a text to He Chen.

That sleeping with director, assistant director, and screenwriter had no meaning.

But to her, using her ex-husband to walk through the backdoor wasn't too much!

After all, to climb to the peak, you have to use methods!

Her methods were considered quite good!

(Director He, I feel that Bei Chun Ni doesn't have a temperament suited for “Ten Years” and shouldn't be the female lead! ——Luo Qing Chen)

She had to enter this topic eventually, it was better to ask directly!

“Ding ling.” After a while, there was the sound of a text.

(Un. ——He Chen)

God, it was short and concise!

She thought for five seconds before giving up her previous thoughts. She deeply believed that it was necessary to enter the main topic.

Therefore, the message she sent He Chen was like this!

(Director He, if you can't find a suitable person to play Feng Cheng, what about me? ——Luo Qing Chen)

“Ding ling.” This text came even faster, almost coming immediately.

It was just a simple word, but it made her heart skip a beat.

(Alright. ——He Chen)

**Chapter 812: Golden boss: The film empress ex-wife's cuteness (Part 13)**

Yes, that's right! She received a chance to be the female lead of “Ten Years” just like this.

She was dazed, even feeling that she was dreaming.

As expected, people with background were different. They could receive things in minutes that people worked hard for years couldn't obtain.

Thinking like this, she was a bit embarrassed.

The next afternoon, when Luo Qing Chen was seriously reviewing the script for “Ten Years”, Linda walked into their office.

“Young miss Luo, director He is inviting you to the audition on the first floor at three to take a few photos and to see which popular actor is suited for being the male lead!” Linda always spoke respectfully to Luo Qing Chen, she never called her by name.

After all, after being with He Chen for so long, just a single glance was enough for her to tell that this girl didn't have a normal position in director He's heart!

“Alright.” She said with a faint smile, “I got it!”

“Then you can keep working!”

After Linda walked out of the office, the entire office exploded!

There were some who were jealous, some who were envious, and most of them started gossiping!

“God, Qing Chen, are you teasing me! Are you really prepared to enter showbiz!” The first one to speak was the boy with glasses.

Without knowing why, she felt that this boy really liked to gossip!

“Why not!” Milly happily looked at her and said, “Is our leader Qing Chen not pretty enough? Her face can kill many pretty girls, why can't she enter the entertainment industry!”

“Right, right!” Everyone repeated with smiles, “If you become famous, you have to take care of us!”

“Whether I become famous or not is for later!” Luo Qing Chen had a deep look in her eyes, “Choosing a male lead is the most important!”

After all, rat poop was enough to ruin a meal, not to mention an entire rat falling into the bowl.

The male lead would affect the direction of the show since when acting together, the requirement for feelings from both sides was rather high!

She hoped that the male lead wasn't some hot boy who only looked handsome and couldn't act, this would be a stumbling block on her path to becoming a film queen instead of a stepping stone!

“I like Jiang Yan Cai.”

“Aiyo, haven't you seen Jiang Yan Cai's last drama? He was just a vase, he displayed anger, rage, and pain all by roaring.....”

“Ah, ah, ah, you can't talk about my male god! He worked very hard, working nearly twenty hours a day. We fans really worry about him.....”

“You actually believe him when he sends a Weibo about working over twenty hours a day! Little girls really are easy to trick!”

“.....” Luo Qing Chen was speechless. She pursed her lips and said, “Who else is coming to audition for the male lead this afternoon?”

Milly opened her computer and pulled up the information that was just sent. She printed it out and handed it over to her, “Here, leader Qing Chen!”

Luo Qing Chen looked at Milly with a satisfied gaze.

She looked at the names on the white paper, most of them were popular hot boys and some veterans.

There were people with acting skills and people with face value.

According to the memories of the original host, there were only two people suited to being the male lead for “Ten Years”.

One was Ji Li Sheng, who received plenty of good and bad reviews. He had the appearance and acting skills, also his explosive ability wasn’t bad.

The other was An Ming, an veteran actor. There was nothing to say about his acting skills, but he had the charm of a mature man. There was only positive reviews about him.

**Chapter 813: Golden boss: The film empress ex-wife’s cuteness (Part 14)**

Luo Qing Chen’s decision in the end was using the auditions to find who would be the best male lead for “Ten Years”.

She arrived on time at three in the afternoon.

Linda let her bring Milly as an assistant, clearly showing a bit of power!

Milly was very happy. If she could really become her assistant, she would be even happier!

Star Art’s audition room was very big and the female lead Feng Cheng couldn’t have more costumes.

After all, in the novel, the female lead was the young miss of a rich family.

The plot wasn’t shallow, it was very innovative and deep!

Luo Qing Chen looked around and found that other than her auditioning for the female lead, there was no one else.

Could it be that He Chen intended to only let her audition?

Thinking of this, Luo Qing Chen had to call her system!

System, can I exchange for acting skills?

[Didn’t the host act in proud actor emperor’s best coupling world?]

Right! But it’s been too long! I will definitely study properly this time, imprinting it in my head like the piano skills!

[Ding, 500 exchange points has been taken. Successfully exchanged for acting skills (Can only be used in this world).]

Actually, slapping faces was her true colours, but it was hard to cry in a crying scene if you didn’t have the skills.

“Miss Luo, please come this way.” Linda picked out several outfits for her, “You can change and then we’ll take the photos.”

“Alright, thank you!” Luo Qing Chen took the clothes and walked into the fitting room.

She couldn’t help thinking of He Chen on the way. If it wasn’t for his instructions, how could Linda escort her like this.

It seemed like she had some status in her ex-husband’s eyes.....

The previous host was quite beautiful, the number on the status panel was quite high.

There were many guys that had crushes on her abroad, but she never accepted a single one.

What kind of truck ran over her eyes to make her fall in love with trash like Ye Zuo Chuan!

But it didn’t matter since people would meet trash in their lives!

When she was going to focus on changing, there were whispers from the door that she had heard!

“Who is the person auditioning? She’s so unfamiliar, she shouldn’t be from the industry!”

“She shouldn’t be, I never saw her before. I also saw the work badge on her chest, she can’t be a staff member, right!”

“She looks quite good, but I don’t know how to work with a female lead with no fame! It really is a waste of time!”

“This.....But this is “Ten Years”, great god Zhe Xue’s only novel, it will bring us up if it succeeds!”

“That’s right. I’m afraid that this girl can’t act, she can’t match the identity of young miss Feng Cheng!”

.....

“Kacha.” Luo Qing Chen heard this and opened the door to the fitting room, narrowing her eyes as she looked at the gossipers in front of her.

She was wearing a Bottega Veneta wool coat with an elegant satin dress inside. It was like she was wrapped up like a Christmas present and the angles of the BV dress added quite a bit of strength. The dark and pure colours truly offset her graceful figure.

“This dress really is super beautiful!”

“Right! Looks good, looks good!”

The two quickly changed their tone and gave awkward smiles.

Luo Qing Chen was reborn into the center of attention. Linda gave a snap and a warm light came down over her.

Even the makeup artist beside her who didn’t pay attention to her ran over and said with a weird smile, “Miss Luo, let me help you with your makeup!”

### **Chapter 814: Golden boss: The film empress ex-wife's cuteness (Part 15)**

Luo Qing Chen just gave a slight nod and said nothing.

When the director at the audition saw her, his eyes filled with satisfaction.

After all, beautiful things were worth appreciating.

She couldn't guarantee that she was a perfect Feng Cheng, but she guaranteed that she could act as a rich young miss.

"Director, this wouldn't be director He's relative, right! It's a pity that she didn't enter showbiz before with this appearance!" The assistant director looked in her direction again and revealed a look of satisfaction.

"Ke, ke." The director cleared his throat and said, "She's someone without any fame no matter how good she looks. Compared to Bei Chun Ni, there's still a risk."

"Of course, so I generally recommend we don't use this kind of obscure person."

"You can't say this." The director crossed out Jiang Yan Cai's name as he said, "Is there a lack of first rate actors playing in bad movies? They still have fame and resources."

"Yes, yes, yes." The assistant director quickly said, "Then does the director think this girl is suitable?"

"It's not important if I think she's suitable or not!" The director rolled his eyes at him, "Director has decided, so she will be the female lead!"

As soon as his voice fell, he yelled into the loudspeaker, "Next, Ji Li Sheng."

Ji Li Sheng was wearing the clothes the young Yan Fan wore, showing a trace of melancholy in his actions, but his lips had a trace of a black bellied curve.

This overall feel was correct for Yan Fan and it could be displayed so easily!

"Un, not bad." The director nodded as he circled Ji Li Sheng's name before continuing, "Next, An Ming."

No one appeared.

The director slightly knit his brows as he said again, "Next, An Ming."

"That, director, An Ming is answering a very important call, you might need to wait for a bit. How about the director call the next one first!" An Ming's agent swaggered over, looking very casual, not attaching any importance to this audition.

The reason for not caring was because An Ming had already been chosen as the male lead of Parkway's "Su Tang".

The other side's male lead was Bai Yi Yi, although her fame wasn't big, compared to "Ten Years", it was much bigger!

"You are the last one!" The director pushed up his glasses, not wanting to miss An Ming.

After all, An Ming's veteran status in the industry was very good, it was more than a bit better than Ji Li Sheng.

"Coming, coming!" An Ming casually picked up a coat from the pile of male lead costumes and gave a few poses.

To be honest, just a few casual poses gave quite a good feel.

"Can you button it properly to let us take a few photos?" The director looked at the pictures and said, "Yan Fan was very strict when he was twenty years old, he wouldn't wear such sloppy clothes."

"Aiyo, director, this is only an audition. I will naturally button it up when we're filming." An Ming's expressions as a bit impatient. This person's image was completely different from what he showed the world!

An Ming was a married man with a pair of twins. His wife was a foreigner and wasn't very beautiful, but he frequently showed his affection on Weibo. The image of a good man was deeply imprinted in the hearts of his fans.

But Luo Qing Chen didn't feel this way since the previous host was considered half an insider, it wasn't like she didn't have any understanding of An Ming.

"Since you don't want to try, what will you be filming?" Luo Qing Chen slightly knit her brows and walked over to the audition stage with her hands in her pockets.

**Chapter 815: Golden boss: The film empress ex-wife's cuteness (Part 16)**

An Ming was surprised. He looked at Luo Qing Chen slowly walking over and a faint sparkle appeared in his eyes.

It was like an eagle watching its prey with its sharp gaze.

A very unfamiliar face, but she looked quite good.

He elegantly raised his hand and his slender fingers came across his buttons, neatly buttoning all the buttons on his suit.

Every gesture had the special charm of an older gentleman.

But Luo Qing Chen didn't like it.

"It seems like for this hot IP, Star Art wants to use a new female lead!" An Ming's eyes had a faint sparkle as he looked at Luo Qing Chen like a gentleman, "Director, since the 'internally decided female lead' is here, how about we compete for the audition?"

When he said this, he looked at Ji Li Sheng from the corner of his eyes, looking like he had already won.

"This....." The director looked at Luo Qing Chen with a bit of difficulty, since this uplifted female lead of "Ten Years" definitely didn't have a simple background.

Luo Qing Chen heard this and casually gave a shrug, "Fine."

An Ming challenged someone who didn't seem like a match.

The male lead Yan Fan was a soldier and during a secret mission, he was 'killed' by the explosion of a strong bomb.

The female lead Feng Cheng had seen everything through a drone and knew that he was dead.

"1, 2, 3, action!"

Yan Fan tightly clutched the tag at his chest and his eyes were filled with tears when he saw the bomb.

He tightly clenched his fists and his lips trembled as he said, "Feng Cheng, it seems like.....I have to break my promise."

"Peng." There was an explosion right after.

The camera turned to Luo Qing Chen.

She was standing in a surveillance room several hundred kilometers away. Her left hand softly brushed the ring on her right hand as the tears fell uncontrollably.

Those eyes filled with light like they could speak. All her emotions were revealed, grief, unwillingness, and heartache.

"Very good!" The director clapped his hand in a satisfied manner, "It really was good!"

When An Ming was feeling complacent and thinking that he had won the male lead part, Luo Qing Chen said, "Director, I also want to act with Ji Li Sheng."

Ji Li Sheng was surprised. He looked at Luo Qing Chen with a slightly confused gaze.

"This....." The director seemed to have made a decision, thinking that Ji Li Sheng couldn't surpass An Ming when it came to this male lead role.

But since Luo Qing Chen had spoken, the director couldn't say anything since Linda on the side completely represented director He.

"Alright!" The director said with a nod, "You can choose a part and prepare to begin!"

Ji Li Sheng looked at Luo Qing Chen and she gave him a wink that seem to say——

You pick, I'll follow.

In the end, Ji Li Sheng chose the scene of the first encounter, the main hall of the airport.

Feng Cheng had just returned and they were standing in front of the glass window at the same time.

Yan Fan turned to look at her, recognizing that she was the one who saved his mother when he was younger.

He turned to look at her as he said, "It's raining this hard, the plane won't be able to take off tonight."

"Un." She was a bit surprised as she turned to the youth beside her. Then she turned back to look at the sky, "The nearby hotels should all be full."

With this kind of rain, there must be no space in the hotels around the airport.

Yan Fan took out the room card from his pocket and gave it to her, "I'll give you mine."

#### **Chapter 816: Golden boss: The film empress ex-wife's cuteness (Part 17)**

This was a very awkward scene, but one had to demonstrate the small emotions in this. Every detail, every small action, and every expression Ji Li Sheng had was very special until the end.

It wasn't until the scene ended that the director came back to his senses. It was like he was watching a TV series and he wanted to know what would happen next.

An Ming and Ji Li Sheng could both act, it made it hard to decide who would receive this Yan Fan role.

At this time, An Ming's agent came over and shook the phone in his hand, "Parkway said that they want to hold a press conference for you this afternoon so they can start promoting you."

But An Ming was a bit hesitant at this moment, which he couldn't understand.

Bai Yi Yi had some fame and the male lead of "Su Tang" was definitely a challenge. He had acted as a soldier in his last project, so he shouldn't act as a soldier this time.

"Since mister An has already decided on "Su Tang", you must not have enough time." Luo Qing Chen turned to the director and said, "Director, what do you think?"

Before the director could even speak, An Ming's agent said first, "Your Star Art really is funny. You're letting a newcomer decide who is the malelead, this isn't professional at all!"

"Oh?" Luo Qing Chen said with a cold laugh, "This young miss, when did I ever say that An Ming wasn't suited for being the male lead? Or.....do you think that he isn't suited?"

"You....." The agent rolled her eyes as she took An Ming's hand and left, "The box office decides everything, someone like you who hasn't even had a single movie wouldn't know that!"

After that person left, Linda quickly came forward to comfort her, "Miss Luo shouldn't mind it, An Ming's reputation on screen is good, but his reputation in the industry isn't good. Director He already told me that he shouldn't be the male lead."

The director on the side quickly echoed this, "Aiya! So director He said this, Linda, you should have told me ahead of time! You saw how awkward it was just now!"

"Director He said that he trusted miss Luo's eyes." Linda nodded with a sincere smile.

On the other hand, Luo Qing Chen's lips twitched awkwardly.

Ignoring everything else, He Chen said that he trusted her eyes?

Her eyes in his eyes should be quite bad, right!

In the end, the male lead of "Ten Years" was Ji Li Sheng. He seemed very satisfied and from time to time, he went to find Luo Qing Chen to discuss questions about the script.

For such a leisurely afternoon, Ji Li Sheng asked her to discuss the script in a private room in a dessert shop.

“What mood do you think Zhe Xue was in when he wrote “Ten Years”? He’s too amazing!” Ji Li Sheng didn’t forget to praise the writer of the novel while taking notes.

But speaking of this, “Ten Years” was about to start filming, but great god Zhe Xue hadn’t appeared yet!

Normally speaking, weren’t writers also supposed to be screenwriters? That way they could bring out all the small details in a script, right?

“What are you thinking?” Ji Li Sheng saw that she was distracted and lightly tapped her head with his pen, “Linda should have arranged an agent for you, right!”

“Un, big sister Ai.” Luo Qing Chen said with a nod, “Although she’s a very good agent, I feel that there really isn’t a need!”

She had seen the ‘hot’ PR that big sister Ai gave her, it was just too.....fake!

**[Quick Transmigration Female Lead: Male God, Never Stopping](#)**

**Chapter 817: Golden boss: The film empress ex-wife’s cuteness (Part 18)**

“You will need it!” Ji Li Sheng said with a soft laugh, “Although I don’t know how you became the female lead, the entertainment industry is not as simple as you think.”

“I never thought that it was simple.” She said with a shrug, “But if you want something really complicated, don’t you feel that our lives are more complicated?”

Dramas came from life. The love stories in novels were just the twist and turns in a certain person’s real love stories.

But through changing it a bit, it became a novel.

Zhe Xue, the author of “Ten Years”, must have experienced an extraordinary story to write the soulful experience of Feng Cheng and Yan Fan.

When returning to her hotel that night, Luo Qing Chen sent a text to He Chen who must have been busy recently.

(Director He, can I meet great god Zhe Xue? ——Luo Qing Chen)

If she wanted to deeply understand the soul of Feng Cheng, it was better to meet the writer.

After a few seconds, He Chen’s response came!

(You just act based on your own ideas. ——He Chen)

Luo Qing Chen couldn’t help rolling her eyes, thinking that he just gave a perfunctory answer!

(I want to see my male god! ——Luo Qing Chen)

“Ding, ling, ding, ling, ding, ling.” When the text was sent, a call came in.

It seemed like the president was different, he didn’t like to text, he liked to talk!

Because their time was precious and they felt that typing was special!

She knew!

“Hey.”

“Un.” He Chen drove his car as he said, “Did you eat dinner yet?”

“Ah?” Luo Qing Chen was confused by He Chen suddenly changing the topic. She touched her stomach and said, “No, but I can order takeout.”

Wasn't modern society filled with takeout? Who would go out to eat on such a cold day!

“You live at the Roy Hotel, right?”

“How do you know?”

“I'm at the entrance to the hotel, change into an evening gown and come down.”

Luo Qing Chen knit her brows, but she still obediently changed and went downstairs to get in He Chen's car.

An absolute luxury car, the RX-7, a myth in the sports cars industry.

“Where are you going?” Luo Qing Chen turned to ask He Chen beside her, “Dinner?”

“Did you blacklist sister Ai's phone number?” He Chen looked at his watch and said, “I'm sending you to a banquet.”

“Why!” Luo Qing Chen knit her brows, suddenly feeling a bit dissatisfied.

He Chen didn't reply and Luo Qing Chen could tell from his face that he wasn't too happy either!

When they came to the V Hotel, He Chen opened the car door and said, “Get out. Sister Ai will take you to meet some people who work in the industry.”

“You're not going?” Luo Qing Chen suddenly thought of something as she looked at He Chen and said, “Why?”

“Miss ex-wife.....” He Chen's deep eyes had a faint sparkle, “Do you think that my identity suits going with you?”

Without knowing why, seeing her depending on him, he couldn't help feeling a bit warm.

Although he knew that this was just his misconception.

She wanted to act in “Ten Years”, but it was just to take revenge on Parkway's Ye Zuo Chuan and Bai Yi Yi.

But even so, seeing her sparkling eyes, he was a bit unwilling to let her go.

[Ding, affection has increased by ten. Mission completion rate is now 30%.]

Ah? Affection? Where!

She was still a bit dissatisfied and seeing that the other side was also dissatisfied, how could it increase her affection?

### [Quick Transmigration Female Lead: Male God, Never Stopping](#)

#### **Chapter 818: Golden boss: The film empress ex-wife's cuteness (Part 19)**

"Do I really need to go?" She turned and said this in a dark tone, clearly showing that she wasn't happy.

He Chen didn't reply. His face was calm, but his hands holding the steering wheel were a bit pale.

"Fine, I'll go." Seeing that he didn't reply, she opened the door and felt panicked as she got out.

Actually, she knew that it was for her good.

A new person wanted to act in a movie, even if she had Star Art helping her, she had to generate a certain amount of exposure.

He didn't know what her dream was before, he just knew that she joined Star Arty to get internal information for Parkway.

For Ye Zuo Chuan.....

But when she told him that day that she wanted to be the female lead, he suddenly felt that she was different from what he imagined.

There were many people at the entrance to the V Hotel, who were all wearing hats and masks.

Just a single glance was enough to tell that they were reporters.

These people generally came here because they cooperated with Star Art.

"Quickly come in." Big sister Ai who wasn't far away saw her and quickly came forward to grab her hand. She pulled her along as she said, "Did you see the email I sent you?"

"No." She looked at the luxury car that just left and she didn't know why she felt a bit disappointed.

Big sister Ai handed her a piece of paper and said, "The banquet will end soon and you will leave with Ji Li Sheng."

Luo Qing Chen looked at the paper and slightly knit her brows.

There were a few simple words and a few actions on it, it was just like a script.

But seeing a script in this situation, she felt very uncomfortable.

"You want us to act as a couple?" Luo Qing Chen revealed a helpless smile, "Just to increase exposure for our film?"

"Yes!" Big sister Ai turned around and said in an agent manner, "To be precise, it is to increase your exposure!"

Luo Qing Chen heard this and said with a faint smile, "He Chen had you do this?"

"I am a professional agent, I naturally have my own ideas of the assignments director He gives me!"

“Fake couple.” Luo Qing Chen remembered how calm He Chen was when she got out of the car and she couldn’t help feeling disappointed.

She then said, “It is indeed a good method!”

“Qing Chen.” Ji Li Sheng called from not far away.

Big sister Ai behind her looked at her phone and said, “I’ll go confirm with the reporters one last time, you and Li Sheng talk.”

Luo Qing Chen gave a helpless nod and headed towards Ji Li Sheng.

She waved the piece of paper in her hand, “Before we even begin, I have to act first!”

Thinking of He Chen’s expression, he must have known!

“Un humph?” Ji Li Sheng took a deep look at the paper and said, “It seems like you’re not willing.”

To be honest, when it came to fake couples before, Ji Li Sheng never agreed.

Although he went to night clubs and used his appearance, he had never had a couple.

The reason was that he wasn’t willing to fake it. After all, this kind of thing would be people using his reputation, him using other people’s reputation, or they would be using each other.

He never agreed to any of these.

But when big sister Ai asked for his help, he unexpectedly agreed.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

**Chapter 819: Golden boss: The film empress ex-wife’s cuteness (Part 20)**

“Really boring.” Luo Qing Chen gave a helpless shrug, “The popularity of a movie needs to be hyped with a fake coupling, do you think that’s interesting?”

“Not at all!” Ji Li Sheng patted her shoulder, “This circle is very complicated. Although you’re very lucky, being able to act in great god Zhe Xue’s “Ten Years” for your first movie, you are still a newcomer. Your acting skills aren’t professional, so you can only rely on this to create news!”

“What do you mean my acting isn’t professional!” Luo Qing Chen’s inner OS: It doesn’t matter if you question my acting skills, but you can’t question my system!

[.....] System: I’ve never seen the host being this nice before!

“Un.” Ji Li Sheng narrowed her eyes as he remembered her acting from that day. It was indeed much better than those girls who only relied on their face to become popular.

The reason why Ji Li Sheng had all those negative reviews and could still become popular was because—  
—

He could act!

Whether it was the hot guys or the hot girls in the industry now, most of them relied on their faces, but they had the same paralyzed expressions.

This was indeed an era based on appearance, but the current audience were very smart.

If the acting wasn't good, they would be labeled 'no acting skills' or 'hot guy'. Appearances weren't necessary for people, rather they wanted to watch something that was pleasing!

"Ding ling." When Luo Qing Chen wanted to say something, big sister Ai's phone sounded.

She said 'un' a few times before knitting her brows while turning to Ji Li Sheng.

After hanging up, he said, "Are they asking about if we're rehearsed well enough?"

"You really are smart!" Luo Qing Chen pursed her lips as she remembered He Chen's appearance.

Calm and composed was his calling card, but in the car, she could see a bit of displeasure in his eyes.

"Let's go." Ji Li Sheng looked at her and said, "There's nothing to worry about. Everyone will know that we were acting as a couple for the movie when it comes out. Then again, having a scandal with me, Ji Li Sheng, isn't that bad!"

Seeing her lost look, Ji Li Sheng couldn't help feeling a bit frustrated. After all, he was still the male god in many people's hearts!

"Wait." Luo Qing Chen said with a soft laugh, "Of course it's not bad, but.....I think that my family's mister won't be too happy."

Her mind suddenly sparked as she thought about the best thing for this moment!

"Mister?" Ji Li Sheng suddenly realized something, "Oh, uncle? It seems like uncle quite cares about his daughter!"

"No, no, no." Luo Qing Chen said with a faint smile, "Husband!"

"You're married?" He simply couldn't believe it. The girl who was just in her early twenties was already married!

"Yes!"

"Damn!"

"So!" Luo Qing Chen gave the piece of paper to Ji Li Sheng, "I should go out alone!"

"You....." He couldn't help saying with a bitter smile, "You mustn't let the reporters know that you're married. Otherwise when "Ten Years" is released, you'll be overwhelmed by the keyboard warriors!"

Luo Qing Chen gave a shrug and said with a faint smile, "I have a goal in the showbiz industry, just let them come!"

"Come?"

"I can enter the headlines for fighting people, but I can't enter the headlines for a fake couple." Luo Qing Chen pointed at the banquet behind her, "Eat a bit more, remember to eat my share as well!"

**Chapter 820: Golden boss: The film empress ex-wife's cuteness (Part 21)**

Snow flew all over, covering everything in white.

But when Luo Qing Chen walked out of the V Hotel, everyone looked at her go and didn't say a word.

After taking a few pictures, they just all stood there in a daze.

This scene seems to be different, shouldn't it be two gossip items coming out together?

Why was it just the girl alone?

"Ding, ling." Her phone kept ringing.

She turned off the phone and looked at the snowflakes falling from the sky, suddenly feeling a bit better.

He Chen in the RX-7 parked not far away saw one person coming out of the V Hotel alone and a faint sparkle appeared in his eyes.

It was very shallow, but also very deep.

He didn't know how he was feeling in this moment, he just felt something he had never felt before.

A trace of joy and a faint expectation.

Pressing on the gas, the RX-7 followed behind her bit by bit.

Only at the turn did he stop at the same time as her.

Luo Qing Chen didn't even say anything as she entered the car. She rubbed her hands as she said, "I'm cold and hungry, also I'm wearing this red evening gown! I wonder if people think that I'm the little match girl!"

"You....." His expression didn't seem as indifferent as before. There was a faint light in his eyes as he looked at her and said, "You're running again?"

"Director He, can we stop doing this kind of thing in the future? It wastes time and there's no need!" Luo Qing Chen helplessly shook her head, "I'm not like Bei Chun Ni or Bai Yi Yi, using these kinds of things to become popular!"

He indeed never thought that these words would come from Luo Qing Chen. He thought that she wanted to act in films to become popular, just for.....Ye Zuo Chuan.

But it seemed like that really wasn't the case.....

"Alright." He Chen revealed a smile that wasn't easy to find and drove towards a certain luxury apartment.

"So hungry!" Luo Qing Chen looked at her phone and realized that it was off, so she turned to look at He Chen's watch.

He Chen was a bit surprised. Feeling her cool fingers slide across the back of his hand, his heart skipped a beat.

He almost slammed into a tree.....

“Tree, tree, tree.....” With a sharp turn, He Chen gave a helpless smile.

In the end, no matter what she did, even if she was just a bit close to him, it would completely mess him up.

He Chen, ah He Chen, can't you see her clearly?

Not only does she not love you, she can betray you for another man.

Why was it that after divorcing, his heart could still be moved so easily?

“Damn, He Chen, you.....Did you not pass your driver's test!” Luo Qing Chen patted her fast beating heart, “Such a large tree and you didn't even see it!”

The RX-7 race car had a speed of over 200 kilometers per hour. At such a high speed, wouldn't she be sending herself to see the king of hell?

“Sorry, there were a lot of things just now.” He Chen turned to her, “Are you alright?”

“Don't look at me!” Luo Qing Chen raised her hand at He Chen and continued with a face that could kill, “Face forward when you're driving!”

He narrowed his eyes and his lips couldn't help curling into a loving smile.
