Chapter 821: Golden boss: The film empress ex-wife's cuteness (Part 22)

On the half hour drive, Luo Qing Chen was panicking as she sat there.

Luo Qing Chen asked He Chen more than once, "Are you sure you're not drunk!"

The answers were always very serious, no!

He didn't send her back to the hotel, rather he brought her to a noodle shop under his luxury apartment.

"Ha, ha, I remember that I liked eating noodles in this store!" When Luo Qing Chen was about to get out, she found that He Chen had locked the door.

He took off his seat belt and said, "Wait in the car for me."

"Ah?" Before she could even ask anything, He Chen had already gotten out.

Looking out the glass, she could see Linda standing not far away.

She gave He Chen a white bag before leaving!

Luo Qing Chen couldn't help sighing, the world of being a secretary really was hard.

Being on the clock twenty four hours and depending on the boss every day!

If this boss looked good, it was still alright. If the boss didn't look that good and he had a bad character, it was like falling into a bottomless abyss!

"Xiu, xiu." The door was opened.

He Chen gave her a black mink fur coat and said, "Get out after you finish wearing it."

He closed the door after saying this.

She felt like her world had completely become silent.

The price tag was still on, she didn't know when he had Linda buy this.

When she saw the price tag, her head ached a bit.

Four hundred and fifty thousand.....

Four hundred and fifty thousand.....

Four hundred and fifty thousand.....

She only had this number in her head, was this dress made of gold!

Ten minutes later, Luo Qing Chen got out with the heavy 'four hundred and fifty thousand' dress.

He Chen looked her over, "Not bad."

“Of course it’s good!” She curled her lips and said, “Price determines quality, does director He understand that?”

As her voice fell, she headed to the noodle store.

Although this high class restaurant didn’t have the full service of luxury hotels, the price for each dish wasn’t low.

The people who would frequent this place were people with status.

“Director He, there’s no private rooms tonight!” When He Chen came in, the manager on duty easily addressed him by name.

As expected, people with status were different.

He turned to Luo Qing Chen as if he was asking a question.

Luo Qing Chen gave a shrug as she said with a smile, “It’s the same wherever, it’s just eating a meal!”

“Alright, let’s sit outside first! If there is a free room, you can call me!” He Chen gave a nod before walking in Luo Qing Chen’s direction.

She chose a spot by the window, which allowed them to see the beautiful A City night scenery.

In the bustling city, the lights were on. It was like the beauty of the night was just beginning and the talents were meeting.

“Ding, ling.” He Chen looked at his phone, it was from America.

It didn’t seem like he could hear the other side, so he waved his hand at Luo Qing Chen before going outside.

After picking a few dishes she liked, she didn’t know what He Chen liked, so she ordered some shrimp dumplings and a bowl of seafood noodles for him!

She had to blame the original host, she was too bad to the male lead!

He Chen knew what the previous host liked, but the previous host didn’t know what He Chen liked at all!

Luo Qing Chen really wanted to know, why did He Chen marry the previous host?

Was it because the previous host was beautiful?

Chapter 822: Golden boss: The film empress ex-wife’s cuteness (Part 23)

When she was lost in thought, sounds from the door drew her attention.

She narrowed her eyes and immediately saw Ye Zuo Chuan.

The girl standing beside him who was wrapped up like a bear should be Bai Yi Yi!

“I said that I’m not sitting outside, I only sit in a private room!” Bai Yi Yi’s voice was very sharp, like a little duckling.

In short, it didn't sound comfortable and it made people's hair stand on end.

"Young miss Bai, I'm really sorry! Our rooms are all full. Perhaps you could sit outside first and when there's a private room, I'll call you!" The manager knew who she was, a big star and regular customer.

Although her words were a bit unreasonable, his service attitude and politeness were the same.

"Isn't that room being cleaned?" Bai Yi Yi pointed at the second floor, "I want that one!"

As soon as her voice fell, she prepared to walk up.

The manager quickly stopped her, "I'm sorry young miss Bai, that room is already reserved."

"Reserved?" Bai Yi Yi said with a cold laugh, "I'll pay three times the amount, have that person sit outside and I'll pay for their meal!"

What kind of person was Bai Yi Yi, she was a famous star, alright? Adding in the fact that she was confirmed as the star of "Su Tang" and the male lead was the veteran An Ming, she would definitely be famous once it was finished filming!

For someone like her, how could she sit in an ordinary spot! If it wasn't because she was hungry and wanted some of this store's shrimp dumplings, she wouldn't have come all the way here!

"This....." The manager said in a difficult voice, "Young miss Bai, we have rules here, you have to know that!"

He pointed at Luo Qing Chen sitting not far away and said, "The room up there has been reserved by this miss and another gentleman, there really is no other way!"

Bai Yi Yi looked in the direction he was pointing and was surprised, "Luo Qing Chen!"

Ye Zuo Chuan heard these three words and turned to Luo Qing Chen. There was a proud look in his eyes as he tidied up his bowtie before looking at Bai Yi Yi, "Baby Yi Yi, you're right, how could someone of your position sit in a normal spot! I'll help you get it!"

"Humph!" Bai Yi Yi gave a proud snort, "Quickly get her to leave, I don't want to see her even in the private room!"

If it wasn't for that trash Luo Qing Chen not getting the right data for Parkway, her pay for "Su Tang" wouldn't have been cut in half and she wouldn't need to borrow two million to buy her sports car.

Ye Zuo Chuan slowly walked over to Luo Qing Chen by the window, raising his head as he said, "I want your room up there."

Luo Qing Chen just looked out the window. She took a sip of her coffee, completely ignoring Ye Zuo Chuan.

Ye Zuo Chuan was surprised as his eyes filled with disbelief.

Luo Qing Chen stuck to him like a fly whenever she saw him, he couldn't get rid of her no matter what kind of things he said.

What was going on today, did she eat the wrong medicine?

“Hey, did you hear me talking to you! Are you deaf?” Ye Zuo Chuan knocked the table with his hand as his eyes filled with a trace of anger.

After all, he was now the center of attention for this restaurant!

Chapter 823: Golden boss: The film empress ex-wife’s cuteness (Part 24)

“This sir, do I know you?” Luo Qing Chen narrowed her eyes. Her right hand came to her cheek while she softly tapped on the table with her left hand, looking quite natural.

Ye Zuo Chuan was visibly stunned, he never thought that Luo Qing Chen would talk to him like this.

In the past, whenever he cursed at her, she wouldn’t even dare speak to him like this.

In order to grab “Su Tang”, he had her steal the data. Although there was some problems with the final data, Parkway had still taken “Su Tang”, so she was still considered his pawn.

But why did it suddenly change?

“You.....What nonsense are you saying?” Ye Zuo Chuan looked at the surrounding people looking at him and quickly said in a low voice, “Quickly give the room to Yi Yi! What kind of status does she have, what kind of status do you have!”

“How is that related to me?” Luo Qing Chen cleared her throat and narrowed her eyes, “If you want my private room, you have to show some sincerity!”

Facing someone who hurt the original host, now that he had come to her, how could she not abuse him!

“You.....Luo Qing Chen, I’m warning you, don’t go too far!” Ye Zuo Chuan never thought that Luo Qing Chen who was attached to him would say this. He gritted his teeth and said, “Otherwise, I will.....”

“Otherwise you’ll what?” Luo Qing Chen revealed a faint taunting smile, “You have to have confidence in threatening people, or you will become a joke!”

As soon as her voice fell, she waved her hand at the manager, “Hello, can you take me to my room now?”

“Yes, miss Luo, please come this way.” The manager followed along. Not only did Ye Zuo Chuan’s face change, even Bai Yi Yi’s face changed.

“Che, what a joke!” Seeing that Luo Qing Chen was completely ignoring her, she grabbed her black fur coat, “I want that room for sure today!”

Luo Qing Chen pursed her lips into a faint smile as she said, “Are you certain?”

“I’m certain!” Bai Yi Yi said with a cold laugh, “If you don’t give that room to me, I will tell my fans on Weibo that you’re bullying me. When people come for you, don’t blame me for not reminding you.”

“Then thank you for reminding me.” Luo Qing Chen said with a shrug, “If I don’t give it to you, what will you do?”

She took out her phone and displayed the recording to her.

The phone had been recording for three minutes now.

“You.....You.....” The recording was still going, so Bai Yi Yi knew that what she said had been recorded. It was impossible to say anything now, she couldn’t let herself be at another disadvantage.

She had already said the words, she couldn’t lose her face!

“You can record, I bet you won’t put it on Weibo!” Her eyes had a challenging look as she deliberately lowered her voice, “You are an abandoned woman. How about it? How does it taste to be divorced?”

These were the only words Bai Yi Yi said tonight that had touched her heart.

It wasn’t sadness, it was more anger.

Seeing that Luo Qing Chen didn’t say anything, Bai Yi Yi gave an even bolder laugh, “You think that Ye Zuo Chuan will want to be with you now that you’re divorced? Aiyo, can’t you see your own identity? Even if he’s following me like a dog, he isn’t willing to be your man, do you understand?”

She lowered her voice for the later words since she didn’t want Ye Zuo Chuan who was not far away to hear it.

Too bad Luo Qing Chen wanted to cause trouble!

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 824: Golden boss: The film empress ex-wife’s cuteness (Part 25)

She turned off the recording and played back the last ten seconds, raising the sound as loud as possible!

The whole restaurant was filled with Bai Yi Yi’s words.

Even if he’s following me like a dog, he isn’t willing to be your man, do you understand?

Ye Zuo Chuan heard this and his face became incredibly ugly!

“Luo Qing Chen, you.....” Bai Yi Yi rushed forward to grab her phone.

Her lips curled and she easily dodged to the side. There was a warm and powerful pair of hands that tightly grabbed her.

But speaking of this, He Chen had been on the phone for a while that she had forgotten about him!

“He.....Director He!” Bai Yi Yi changed to a delicate appearance and she tidied up her bangs, “I never thought director He liked this restaurant too, our tastes truly match!”

Tastes truly match? Luo Qing Chen couldn’t help giving a cold laugh. She wanted to say something, but director He took the lead.

“My wife likes it.” As soon as his voice fell, he completely ignored the awkward looking Bai Yi Yi and pulled Luo Qing Chen into the room by the hand.

Bai Yi Yi just awkwardly stood there, tightly clenching her fists as she said through gritted teeth, “I heard that director He was divorced, where did you get a wife?”

He Chen and Luo Qing Chen stopped at the same time. Luo Qing Chen raised a brow and was prepared to turn.

He Chen tightly held Luo Qing Chen's hand as he looked at Ye Zuo Chuan with a touch of sadness.

After a while, he softly said, "Divorce or not, it is our family's matter....."

"Ke, ke." Luo Qing Chen was surprised, suddenly feeling that He Chen's words were too far from being domineering. Why did it feel like there was an ambiguous tone to his words.

What was he thinking? It can't be about Ye Zuo Chuan, right.....

Emmmmm.....

She said, "I can only say, what you heard might not be true."

"What?" Bai Yi Yi turned to Ye Zuo Chuan with a confused look.

Ye Zuo Chuan was also very shocked, being frozen in place. Luo Qing Chen and He Chen getting divorced was something that Luo Qing Chen personally told him.

It couldn't be fake! Could it be that they didn't get divorced and she was lying to him?!

But Luo Qing Chen didn't know that the most shocked person was He Chen.

Because Luo Qing Chen had actually said this in front of Ye Zuo Chuan. He looked at her expression and she revealed a faint smile.

Every expression seemed to be real.

"I wonder if miss Bai Yi Yi has a problem with understanding Chinese!" Luo Qing Chen just gave a shrug, "But no matter what, it's not an excuse to be a b*tch!"

These were the last words Luo Qing Chen said to her, having a force that normal people's words wouldn't have.

This meal really was a happy meal!

After they finished, Ye Zuo Chuan and Bai Yi Yi sat at the entrance of the restaurant, waiting for Luo Qing Chen and He Chen to come out.

He Chen's apartment was right next door. If they drove their car out, it meant that they were divorced and Luo Qing Chen was lying.

Bai Yi Yi didn't believe it. She did all those things and used Ye Zuo Chuan for so long, it was impossible for things to end like this.

Luo Qing Chen immediately saw Ye Zuo Chuan's car when she came out. The original host noted many things about Ye Zuo Chuan in her heart, clearly memorizing them.

She turned off the recording and played back the last ten seconds, raising the sound as loud as possible!

Chapter 826: Golden boss: The film empress ex-wife’s cuteness (Part 27)

Just that moment stunned Bai Yi Yi.

She completely ignored what Ye Zuo Chuan said beside her and crazily muttered to herself, “No.....Impossible! Weren’t they divorced? Ye Zuo Chuan, didn’t you tell me that they were divorced?”

Bai Yi Yi frantically shook Ye Zuo Chuan’s arm, biting her lip as her eyes filled with unwillingness!

This biggest benefactor in the entertainment industry, He Chen who she tried various methods to win over actually wasn’t divorced?

He would never know just how distraught she was the day she heard that he was married!

Because she was Bai Yi Yi, the best Bai Yi Yi in the entertainment industry, the one most qualified to stand by He Chen’s side!

“Enough!” Ye Zuo Chuan angrily roared, “Get out my car!”

“What did you say?” Bai Yi Yi looked at him in a daze, “Say that again to me!”

What did Ye Zuo Chuan just say? He actually dared to speak to her like this? When did he get the guts?!

“I said get out of my car!” He gave a cold laugh as he looked at her with a taunting gaze, “She was right, there really is a problem with your hearing and comprehension skills!”

“Pa!” With a slap, Bai Yi Yi angrily said, “Good, good, good! Ye Zuo Chuan, good! Don’t regret this!”

“I’m not a dog, why would I regret this?” Ye Zuo Chuan rolled his tongue before saying, “This slap is from the kindness of my heart, pitying you. But from now on, I have nothing to do with you!”

Since Luo Qing Chen could be reborn, why couldn't Ye Zuo Chuan! Chasing someone was just too tiring and if he suddenly turned around to hold the hand of the girl who had been following him, would she be willing.....

"Pei!" Bai Yi Yi lifted a brow in disdain, "Who wants to have anything to do with you!"

As soon as her voice fell, she angrily got out of the car.

She thought that Ye Zuo Chuan was just acting, it was impossible to leave a big star like her on the street!

She never thought that Ye Zuo Chuan would drive away the moment she got out of the car.

Without any hesitation, leaving behind Bai Yi Yi with a look of disbelief!

At the same time, in He Chen's luxury apartment!

Luo Qing Chen dropped the coat in the place she used to put stuff, there was even a hanger prepared for her coat.

That small loving hanger didn't suit this cold house.

But even after the divorce, he was unwilling to take it down.

"What do you want to drink?" He Chen's expression was calm, but his heart was panicking.

Acting carefully while pretending to be casual, only someone like He Chen could do this.

"Fruit juice....." Luo Qing Chen flipped through the discs as she said, "Drinking wine goes better with zombie films!"

"Alright." He Chen took a bottle of 82 wine from the fridge as he said, "I'm going to the kitchen, you can start watching."

"Why, did you not eat enough!" She looked at He Chen wearing his apron and her lips curled into a sweet smile.

She felt that it didn't suit him, He Chen without his suit seemed much more gentle.

"It's not good to drink late on an empty stomach." His tone was very calm, not hearing a single bit of concern.

But she knew that there was a faint care and reprove in his voice.

It was like he was saying why would you drink wine at night! Even if he didn't agree, he still cooked a few dishes for her.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 827: Golden boss: The film empress ex-wife's cuteness (Part 28)

Foreign zombie films tended to be bloody. While she was watching in front of the TV while drinking her wine, she felt terrified!

He Chen was very calm, helping her bring over a table and putting the dishes on it.

After finally adjusting the temperature to twenty seven degrees, he went to take a shower.

There was the sound of water running from the shower and without knowing why, she felt very comforted.

He Chen's cooking very very good, this was something the original host already knew. Only her heart was completely blinded at that time.

In her heart, Ye Zuo Chuan was always the best!

She was clearly full, but she still finished off all the food he cooked. She leaned on the sofa and gave a yawn as she closed her eyes, unknowingly drifting off to sleep.

She knew when He Chen picked her up. Her lips couldn't help curling into a smile as she turned to rub against him in his embrace.

[Ding, affection has increased by ten. Mission completion rate is now 50%.]

She still slept in the master bedroom, the room still had her scent. It was a very faint perfume, the Chanel that she liked the most.

The original host liked it because of Ye Zuo Chuan, it really was a joke.

But it meant that this room still had her scent in it. This proved that after she left, He Chen never lived in this master bedroom.

He lived in the guest room when the original host was here and he still lived there when she left.

What caused her heart to be filled with a deep shock in this moment?

He hoped that she would come back, waiting with an almost impossible vagueness.

Thinking of this, she knit her brows and suddenly opened her eyes, "He Chen, sorry."

She should have said this a long time ago, she should have said it on the first day she came to this world.

The original host owed him this, she owed him this for his entire life.

He Chen was surprised. He had just put her in her bed when her hands suddenly came around her neck and her eyes were red.

He didn't know why she reacted like this, why did she suddenly apologize to him?

In his world, although she had done many things to hurt him, she hadn't wronged him at all.

Because he had done everything willingly.

Even if it was painful, even if he didn't feel any love at all.

He didn't do anything that made it hard for her or hurt her.

Whether it was escorting her in Star Art or escorting her in showbiz.

He did it to give her a good way, letting her walk on it safely.

“Quickly go to sleep.” He was a bit surprised as his eyes had a faint sparkle and his heart kept beating.

Luo Qing Chen stubbornly shook her head, looking into his eyes as she said, “I have to receive your forgiveness to say the next thing!”

She knew that in He Chen’s heart, she had never loved him, never cared about him, never even treated him well.

This He Chen wouldn’t say what she wanted to hear.

But she wanted to give him a pleasant surprise. This matter, whether it was passive or aggressive, she had to do it.

“I never blamed you, how can I forgive you?” There was a bit of self blame in his eyes.

“Ke, ke.” She seemed to have received an answer, so he took advantage of the wine to honestly say, “If you forgive me then say it, if you don’t.....”

She let go of him and her eyes sparkled like the stars as she said with a faint smile, “Then just leave!”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 828: Golden boss: The film empress ex-wife’s cuteness (Part 29)

She wanted an answer, not to make trouble or use the wine to go crazy.

Because this answer was very important, because she wanted an answer to her request!

He Chen looked at her slightly bloodshot eyes and could see the mist in her eyes, he couldn’t help not being able to bear it.

But his calm mind always stopped working in front of her.

He didn’t know what she was thinking, why did she say she was sorry and why did she want him to forgive her?

But he couldn’t bear to.....reject her.

“I forgive you.” He took a deep breath and sat on the sofa on the side as he looked at her, “So, what do you want to say?”

Even if He Chen’s brain had stopped functioning at this point, it wasn’t like he didn’t have any expectations.

But Luo Qing Chen was nervous right now.....

Because she was drunk before, she thought that she could say anything.

But when she was really about to say it, she became a bit shy in front of He Chen’s calm voice.

“Ke, ke.” She cleared her throat before saying, “I feel that red looks better than green!”

“Un.” After a while, he replied with sparkling eyes.

“Does that mean.....you also think that red looks better!” Luo Qing Chen only had one feeling after saying this!

It was that she didn’t know what she was thinking! Her heart had split in half, one side was telling her to charge and one side was telling her to be conservative.

“Right!” He Chen’s tone was very calm, but he almost couldn’t stay sitting any longer.

Because he knew what Luo Qing Chen was thinking.

Her thoughts filled him with incomparably excitement.

“So.....”

“Certificate!” When she was going to explain the difference between red and green, He Chen’s word made her heart skip to her throat.

So he did know what she was trying to say.....

“Then.....It’s too late! I’m going to sleep, remember to call me tomorrow! We’ll go and accomplish the great task you mentioned!” As soon as her voice fell, she didn’t forget to look at a He Chen with a face that could kill!

He Chen quickly left, but he still revealed a smile he had been holding in for a long time.

She wanted to make up for this regret. She knew that if she didn’t take the initiative, He Chen would never mention getting remarried.

How much pain and hurt had he suffered before.

It won’t happen again.....

The next morning, when the sun rose, Luo Qing Chen got up early to shower.

The dressing table was filled with the beauty products she used before and there were some clothes she hadn’t taken away in the closet.

This place didn’t change at all. It didn’t become messy because she left and it didn’t become someone else’s room.

It was still hers and it seemed like it could only be hers.

At seven in the morning, she opened the room to her door. She had finished putting on makeup and had a red coat on, planning to go get a red certificate.

But actually, her other goal in getting up early was to make breakfast for mister He Chen!

After all, the original host had never done such an ordinary thing for him.

But she wanted to give it her all.

But she didn’t know that He Chen wouldn’t give her this chance.

Because when she walked into the kitchen, she found that He Chen had already prepared breakfast and was planning his day's work on his laptop.

Chapter 829: Golden boss: The film empress ex-wife's cuteness (Part 30)

Didn't novels usually say that presidents only had the job of eating and hugging beautiful women?

Why did it change into a hardworking person when it came to He Chen!

"Isn't the saying the early bird gets the worm?" He Chen saw her walking down the stairs and a faint sparkle appeared in his eyes.

She really was wearing all red!

Luo Qing Chen knit her brows in confusion as she pursed her lips and said, "Then the early worms can only be eaten by the bird....."

Is there a problem! Birds were high up presidents and worms were the working class or hard working students.

It seems like worms had to wake up earlier!

"Sister Ai has a hangover from drinking last night, but she still mailed your schedule early in the morning." He Chen handed a notebook to her, "Take a look."

Luo Qing Chen was a bit surprised!

Shouldn't their big matter today be getting the certification? Why did they talk about work so early!

"Oh." Luo Qing Chen said in a disappointed voice as she took the schedule.

It was the opening ceremony of "Ten Years" today at four. There would be many reporters there and it would be her first time gaining exposure.

He Chen handed her a cup of milk as he said, "Drink and read it."

She took a sip of the milk and saw from the notes that "Ten Years" and "Su Tang" would be filmed at the same university.

"This....." Luo Qing Chen knit her brows and said, "We really are running into each other."

He Chen said, "You don't need to worry, everything has been planned!"

But the list of actors for "Su Tang" had surprised her. Bai Yi Yi wasn't the female lead, rather she was the second female lead.

The male lead was Bei Chun Ni who was several times more famous than her, she should have been poached by Parkway.

But with the relationship between Ye Zuo Chuan and Bai Yi Yi, the male lead of "Su Tang" shouldn't have gone to an outsider.

Unless, they had broken up!

But it was right thinking about it. If she was Ye Zuo Chuan and heard Bai Yi Yi talking about her like that, it would be hard to listen.....

But this didn't seem related to her at all. As long as Bai Yi Yi didn't provoke her, she wouldn't care about her.

After they finished eating, Luo Qing Chen sorted through the notes while sitting in He Chen's car.

There were many things to take care of. Including the time for photos, makeup, and meeting actors. In order to get familiar with the actors as soon as possible, she had forgotten the most important things today.

When He Chen stopped at the certification office, she suddenly remembered it.

He Chen didn't get out and just waited for her, like he was waiting for a response.

Was it just nonsense after drinking too much or did she really want to marry him.....

"Then please take care of me in the future!" Luo Qing Chen pursed her lips into a smile before opening the door.

The future was very long, she didn't want the excellent him to carry this green book.

She would rather change this green book for two red books!

The process was very short. The people at the office couldn't help rolling their eyes at them since they saw the information on their last divorce.

It was like they were saying, although 9.9 yuan isn't expensive, marriage isn't something you can do casually, right?

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 830: Golden boss: The film empress ex-wife's cuteness (Part 31)

Luo Qing Chen didn't care about their gazes, she was just satisfied holding this red book.

After leaving the department office, she took out the green book and tore it to pieces before seriously saying, "I hate green the most in my life!"

He Chen saw her cute appearance and couldn't help revealing a smile.

Without knowing why, he felt like it really belonged to him. It was completely different from getting married to her last time.....

"That....." Luo Qing Chen looked at He Chen beside her and said, "You don't need to send me to set, I can go myself."

He was surprised. When she said this, he actually felt a bit disappointed.

"Un." But for He Chen who always pampered her, he didn't insist.

"There's no need tonight either." Luo Qing Chen seemed to have thought of something as her eyes lit up.

“Alright, then be careful.” He Chen was surprised, but he still agreed.

Luo Qing Chen coolly said goodbye to him as she had the same smile.

He Chen didn’t seem to remember at all that today was his birthday.

—

When she came to the set, big sister Ai was already waiting for her. She didn’t look good, but to give He Chen face, she didn’t say anything.

“You are a bit late.” Ji Li Sheng had already changed clothes. He waved the script in his hand as his eyes revealed a faint smile.

He was wearing a rustic blue school uniform which didn’t hinder his handsomeness.

“Un.” Luo Qing Chen said with a nod, “I had something important, so I came a bit late!”

“Change your clothes and take some pictures first.” Ji Li Sheng reminded her to change clothes, but he didn’t forget to tell her some discomfoting news, “They said that they would coordinate the shooting location in the negotiations, but we met them on the first day.”

“We met “Su Tang”?”

“Un.” Ji Li Sheng said, “I took a casual look and they were wearing uniforms from a rich academy, which didn’t look bad. But.....I’m still more handsome!”

“Look at how confident you are.” Luo Qing Chen took the costume handed to her, “I’ll go change first.”

Because the filming would go from one location to the other, it didn’t follow the script.

Luo Qing Chen’s first scene was being bullied by the ‘pretty girls’ in the school and then slapping their face with her intelligence!

When performing this scene, the cast of “Su Tang” was on the side watching.

Whether it was Bai Yi Yi or Bei Chun Ni, they both disliked Luo Qing Chen, but they didn’t group together.

Because they also hated each other.....

“1, 2, 3, action!” After the director shouted this, the bully walked past Feng Cheng with a box of black ink that she sprayed all over her. She said in an evil voice, “Ai, I’m really sorry. The school uniform you bought with your part time job became dirty!”

Feng Cheng narrowed her eyes, looking at the bully beside with a cold gaze without saying a thing.

Actually, she was waiting for her to finish!

However, when the bully was about to say her next line, Bai Yi Yi on the side said, “This really is a bad performance. How could you act timid as a bad person, let big sister Yi Yi teach you!”

The actor who was the bully was a newcomer, so she was scared off to the side by Bai Yi Yi.

Bai Yi Yi ignored everyone's gaze as she came over, her eyes were filled with arrogance.

Her appearance could be considered killing two birds with one stone. One, she could let the director see her abilities and two.....

She really wanted to hit Luo Qing Chen!

But she didn't know that this scene was Feng Cheng slapping the bully's face!
