Chapter 831: Golden boss: The film empress ex-wife's cuteness (Part 32)

The director knit their brows and wanted to reject her, but they found that Bai Yi Yi had already walked over. She rudely took the remaining ink from the bully's hands.

Luo Qing Chen narrowed her eyes and her lips curled into a faint smile.

Bai Yi Yi's delicate voice sounded as her hands demonstrated her actions.

But she didn't even have time to speak because when she raised the ink, Luo Qing Chen's left hand grabbed her wrist as her right hand gave her a slap.

"Pa." A crisp slap rang through the campus.

Feng Cheng's lips curled as she said, "Since you want to use an easy to solve method like confrontation, using a bit of ink is too boring."

Bai Yi Yi's eyes were wide open in disbelief as she looked at her, looking like she was completely confused.

"You.....You actually hit me?" She only covered her face a few seconds later. There were tears in her eyes as she motioned for the assistant beside her to take a photo.

"Since young miss Bai wants to place a role in our cast, you should at least....." There was a faint sparkle as she revealed a faint smile, "Look at the script!"

"You really are petty....." Bai Yi Yi understood what Luo Qing Chen meant. Although her eyes were filled with unwillingness, she didn't dare say anything.

But she had a Weibo, she had fans, she could turn right into wrong!

"I admit it." She gave a shrug with an uncaring look. She didn't forget to add when walking away, "Although miss Bai Yi Yi's skill reveal her true colours.....they are still bad. You shouldn't learn from her!"

"I.....I got it." The newcomer acting as the bully was a bit timid, but she still gave a nod.

The next few scenes tested one's acting skills rather more. The director and crew thought that it would take them at least two or three days to finish them all.

But they never thought that Luo Qing Chen and Ji Li Sheng could do it in one take, showing off all the best parts of Yan Fan and Feng Cheng.

The director even forgot to yell cut during the scenes and kept letting them act.

When dusk came, the director reluctantly called an end to the shoot.

The part that would take three days was finished in a single day.

He knew about Ji Li Sheng's ability, but Luo Qing Chen.....

Today really made his eyes shine, she seemed to be born to be an actress.

If he used one word to describe it, it would be genius.

But even if she is a genius, a newcomer being the female lead of “Ten Years” would attract rumours.

“This seems to be the female lead of “Ten Years”! It seemed like big sister Yi Yi just suffered at her hands!”

“She doesn’t seem to have any fame, I heard that she was an employee at Star Art.....”

“Ah? Employee! Star Art is a big company, I remember that Star Art has many famous actors!”

“This means that the behind the scenes really is something. For this female lead role of “Ten Years”, sleeping with an old man who is seventy to eighty years old, I wouldn’t be willing!”

.....

Luo Qing Chen naturally heard their whispers, but she never thought that the one to stop them would be Ye Zuo Chuan.

“What nonsense are you saying?” Ye Zuo Chuan stood with his hands crossed and looked at the two supporting actors, “Are you allowed to talk about other people’s crew? Do you want to keep acting?”

Without knowing why, he suddenly wanted to stick up for her! Perhaps he wanted to go back!

Chapter 832: Golden boss: The film empress ex-wife’s cuteness (Part 33)

Luo Qing Chen was surprised, she never thought that Ye Zuo Chuan would speak up for her.

But to her, this wasn’t important at all.

“Mister Ye, we’re sorry, we were talking too much!” The two girls quickly apologized, looking worried that they would lose their roles.

Ye Zuo Chuan didn’t say anything, he just walked over to Luo Qing Chen with a bit of passion in his eyes.

“Qing Chen.....” He lowered his head and awkwardly said, “I’m really sorry about yesterday, I was too reckless.”

His actions were very gentlemanly and Ye Zuo Chuan thought that he could bring Luo Qing Chen to his sides with just a single word.

He was this confident!

“Un humph?” She looked up with cold eyes and crossed her hands at her chest, “What does this matter to me?”

“I.....” He was embarrassed by these clear words and hesitated a bit before saying, “I’ll send you home?”

Luo Qing Chen looked at Linda on the side before saying, “Alright.”

Today’s weather wasn’t that good, there was already lightning in the sky like it was about to rain.

She opened her phone and found the cake shop in her app. Ye Zuo Chuan kept talking on the way, but she didn't say a single word.

When they arrived at the cake shop, Luo Qing Chen turned to him to say, "Do you know why I had you send me here?"

"Because we're friends!" He was surprised, never thinking that Luo Qing Chen would ask this.

"No....." She was a bit surprised as she said, "Because this was her wish before, I wanted to tell her that her wish wasn't worth it."

"She.....Who are you talking about, I admit....."

"It's not important!" She said with a cold laugh, "We can only be enemies from this day forth, never friends."

As soon as her voice fell, she opened the door and headed into the cake shop without turning back.

The rain soaked her clothes, but she didn't care at all.

Because she knew that in a RX-7 not far away, He Chen was near.

There was no decrease in his affection which proved that although he was worried, he trusted her.

Even if she refused to let him pick her up and she took Ye Zuo Chuan's car.

When she entered the cake shop, the waitress came forward with a smile to ask, "May I ask what you are ordering?"

"I already placed an order for a twenty inch custom cake."

The waitress immediately said with a smile, "You're miss Luo, right! Your cake has already been packed. There must be many people celebrating this birthday with such a large cake!"

Luo Qing Chen thought about it before saying, "Two people!"

She received an awkward look from the waitress!

The rain kept falling outside and Ye Zuo Chuan's car was parked there, as if he wanted to make a final struggle.

But Luo Qing Chen called He Chen.....

It was for nothing else but to tell him that in Luo Qing Chen's heart, He Chen was a million times more important than Ye Zuo Chuan.

She wanted He Chen to know that the first person she would look for when it rained was He Chen, not Ye Zuo Chuan who was nearby.

This was her other goal for riding Ye Zuo Chuan's car.....

He Chen sitting in his car was feeling nervous right now.

He believed in her, but he didn't believe in himself. It was very strange that a president worth over a hundred million didn't believe in himself.....

It wasn't Linda who told him that she took Ye Zuo Chuan's car, rather he had been waiting at the entrance of the shoot.

It was raining so he was worried.

Chapter 833: Golden boss: The film empress ex-wife's cuteness (Part 34)

"Ding ling." The moment his phone rang, the caller ID said—wife.

There was a change this morning when he woke up, there wasn't an ending, but there was a bit of excitement.

In that moment, when he saw Luo Qing Chen standing at the door of the cake shop, his lips couldn't help curling into a faint smile.

Without knowing why, his heart was very warm.

Ye Zuo Chuan's car was only two steps away from her, but she didn't get in and she called him.

This kind of feeling, there was no one in this world who could understand.

"Hey." He picked up and her sweet voice came from the phone.

"He Chen, I.....I didn't bring an umbrella. Could you pick me up? I'll treat you to a meal!" She pursed her lips and spoke in a coquettish tone.

"Alright." He hung up and took an umbrella from the car before getting out.

It was raining hard and there were many cars outside. When He Chen opened the umbrella, he felt like his world had lit up.

Ye Zuo Chuan watched He Chen walk to the cake store and come to her side. He took her by the wrist and firmly pressed her beside him, bringing her under his umbrella.

"How about it, is this fast enough!" He Chen looked at Ye Zuo Chuan's car and he held her wrist even tighter.

She gave a chuckle and entered his embrace, with a smile that was hard to hide on her lips.

When she sat in the car, Luo Qing Chen carefully put away the twenty inch cake before turning to He Chen, "Go, go, go, let's go eat!"

"You still like buying such a large cake." He Chen narrowed his eyes and looked at the taste on the tag, as his lips curled into a faint smile, "The taste hasn't changed."

"Taste?" She knit her brows as she went through her memories.

She never remembered the original host giving He Chen cake, so why did He Chen say this?

"Nothing." He shook his head and said, "What is the special occasion that you bought a cake?"

He Chen asked this very casually, it was clear that he had forgotten his birthday.

And he should have completely forgotten it or he wouldn't have been this casual.

"Go to the Michelin Restaurant first, I made a reservation." Luo Qing Chen paused before continuing, "You can treat it as an anniversary for getting remarried!"

The elegant restaurant, the fine music, and a touch of red wine in the air.

Luo Qing Chen swirled the wine glass in her hand as she said, "Mister He, let's make a toast!"

"Ding." The crisp sound of glass clinking was pleasant to the ear.

She looked at the cake on the side and said, "He Chen, happy birthday!"

After being surprised, it was like he remembered something as he said with a faint smile, "Thank you."

At that moment, all the blood in him was boiling as it charged at his heart.

He was suddenly overjoyed, happy that he believed in her, happy that she was still by his side.

[Ding], affection has increased by ten. Mission completion rate is now 60%.]

"You really forgot?" She looked at him in disbelief. After all, she bought such a large cake and invited him to a meal, this was definitely easy to guess!

"Un." He said with a nod, "I haven't celebrated in ten years, I forgot."

He Chen was a little sad when he said this. Luo Qing Chen didn't understand, but she didn't ask anything.

"Ke, ke....." She just cleared her throat and said, "Then it seems like I was right in buying such a large cake! After all, you have to make up for so many years of not celebrating! How about it? Director He, please make a wish!"

The waitress on the side came to light the candle and he softly said, "I hope that the person who celebrates with me next year is the same."

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 834: Golden boss: The film empress ex-wife's cuteness (Part 35)

At that moment, the one who was stunned was Luo Qing Chen.

It was like these very simple words had suddenly become very warm.

Under the intoxicating lights, she narrowed her eyes as she looked at He Chen, suddenly feeling like he was a bit familiar.

This sense of familiarity made her ask a question.

"Have we met before?"

Time flew by and the years passed. It was like when she was young, under the bright sun, she had seen this face from the side before.

It seemed like that face was glowing, bringing a touch of pain and sorrow with it.

He Chen didn't reply and the air was filled with silence.

The phone rang again and again and finally it reached the point where it couldn't be ignored.

He Chen picked up the call and sister Ai's voice came out.

"Quickly bring Luo Qing Chen to Star Art, something happened!"

"Un." He Chen replied before saying, "We'll go back after we finish dinner."

"....."

Ye Yu Xi didn't know what sister Ai said to her, but she knew after they headed back to Star Art.

She was very happy to focus on dinner, but He Chen's mind was filled with thoughts while he was eating.

Because that Bai Yi Yi who said she would post on Weibo actually did it.

[As a newcomer, the most basic thing is having respect and not acting hostile. Learning to take criticism is the first step of being an actor.]

Attached image: Face slap JPG.

The Weibo were filled with comments from fans and a group of people who didn't know the situation who wanted to use their morality to criticize others.

-Who is this? She really is ugly and she actually dares to slap someone. I want to give a hug to my dear baby Yi.

-He, he! No face at all, how could this kind of person be an actor?

-I know what's going on, it's the crew of "Ten Years". They had our baby Yi help out and teach a newcomer, but she never expected the female lead to just slap her! This is simply unforgivable!

-Trash "Ten Year", damn newcomer. Baby Yi, we will always be behind you!

.....

Luo Qing Chend didn't have a Weibo account yet, so the fans who titled themselves 'True Love Fans' went directly to Zhe Xue's Weibo to post.

But great god Zhe Xue had more than ten times the fan of Bai Yi Yi. Both the management and the fans of great god Zhe Xue only did a single thing before great god Zhe Xue made an announcement.

Keep the silence and delete comments.

"The best way is for Bai Yi Yi to clarify everything herself, this is what the story needs. I'll do my best from this side!" Sister Ai gave a sigh. With her years of experience, she wanted to suppress this matter.

"This method isn't exactly the best method." Luo Qing Chen narrowed her cold eyes as she took her phone from her bag with a faint smile, "Since she likes posting photos, how about we send a video for her?"

She was considered a part of this entertainment industry, so naturally she wanted to protect herself.

So when Bai Yi Yi said that she would post on Weibo, she left a path for herself.

“But if you send it out now, the credibility will be too low!” Although sister Ai was a bit more relaxed, she still asked this question.

Luo Qing Chen pursed her lips and said, “If I said that this video was posted even before Bai Yi Yi, how reliable would that be?”

“What? How is that possible?”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 835: Golden boss: The film empress ex-wife’s cuteness (Part 36)

Of course it’s possible!

This is all because of He Chen’s secretary Linda. If they didn’t have Linda, someone might not have recorded this video ahead of time and released it.

You have to go back to when Luo Qing Chen first arrived on set.

“Is it confirmed that the two crew would be sharing a shooting site today?”

“Un, but you can be assured, this matter will be taken care of tomorrow!”

“I’m very assured, I just need your help!”

“What?”

“If someone wants to start something when we’re acting, you have to help me record it.”

“Alright, I got it! Miss Luo really is careful! I will record it and then send it to you.”

“No.” Luo Qing Chen thought about Bai Yi Yi mentioning Weibo last night and she said with slightly knit brows, “You just open a Weibo smurf and directly post it online. If it happens do it and if not, forget about this.”

—

Luo Qing Chen naturally wasn’t certain that Bai Yi Yi would do something, but it was better to be prepared.

She never thought that Bai Yi Yi lived up to her expectations and bravely charged in.

“Damn, it really is clear!” Sister Ai’s face was filled with joy. She could almost imagine Bai Yi Yi’s face being slapped in.

Luo Qing Chen thought for a bit before continuing, “It’s a good thing I was prepared, this circle really is complicated. If it wasn’t for that.....I wouldn’t even join it!”

“For what?” He Chen just came back in through the door. He didn’t say where he was going, he just left her alone with the black faced sister Ai!

Although sister Ai's expression looked much better now.

"For.....For....." Luo Qing Chen quickly thought before saying, "To be radiant!"

This was definitely the truth, the bare truth!

"Then let me take care of what follows!" Sister Ai turned on her computer to deal with this crisis and she was looking much more calm.

When she turned on her computer, the Weibo headlines had changed!

1. Bai Yi Yi's self directed and self acted post.

2. Great god Zhe Xue V587.

[TL Note: This is chinese slang for being overbearing.]

3. "Ten Years" vs "Su Tang".

.....

"My god, Zhe Xue posted on Weibo!" Sister Ai simply couldn't believe it. All fans of Zhe Xue went to Bai Yi Yi's Weibo and started wildly bombarding it, not showing any mercy.

[A string of sentiment isn't shown, the half written words are hard to write. Ten years, sighing at how many times the flower blooms.]

Attached image: Feng Cheng's back JPG.

-Finally we can fight back, #great god Zhe Xue V587#.

-Isn't Bai Yi Yi a part of the "Su Tang" crew? What did she come to "Ten Years" for? To increase her popularity?

-Bowling down to great god Zhe Xue, the female lead he chooses are always the most beautiful!

.....

After that, the PR team of "Ten Years" forwarded the smurf Weibo. The reason for forwarding it was very simple, it was just a few words.

[The important thing is time.]

In an instant, all public sentiment fell to Luo Qing Chen's side like a flood.

-Self directed and self acted, he, he.

-The biggest self directed and self acted play of the year. She actually dares to teach people of other crews like this, it really is something that only a small star like Bai Yi Yi could do.

-Ha, ha, the taste of face slapping is so good! I'm suddenly a newly turned fan of the "Ten Years" female lead because they didn't even bother to stand up and defend themselves.

In less than fifteen minutes, Parkway's Ye Zuo Chuan called sister Ai.

Sister Ai decisively picked up the call and then hung up.

“Daring to touch the people under me, sister Ai and daring to come to reconcile!” Sister Ai shook her head without care, “In your dreams!”

Chapter 836: Golden boss: The film empress ex-wife’s cuteness (Part 37)

The next morning, when Luo Qing Chen arrived at the shoot, she was surrounded by a large group of reporters.

Even if sister Ai had made preparations, giving her a hat and sunglasses, even telling Luo Qing Chen exactly what to say to the reporters.

When the countless flashes appeared in her eyes, she felt quite dazzled.

-Miss Luo, I heard that you got into “Ten Years” because you were hired internally, right?

-What do you think of Bai Yi Yi’s self directed and self acted play from last night?

-Do you have any ties with the upper management of Star Art?

-Miss Luo, please respond. Are you afraid after seeing all the searches last night!

.....

Luo Qing Chen stopped and she gave a cold laugh as she said, “Afraid?”

All the cameras were pointed at her.

She said with a shrug, “I can become a hot search from slapping trash or for hitting people, I can even become a hot search for terrible words and actions, but.....to become a hot search with Bai Yi Yi, I only feel a single thing.....”

“That is.” She didn’t give the reporters any chance to ask questions as she quickly replied, “Shame!”

Had the reporters been hit in the head? They actually felt she was scared!

Everyone was stunned and before they could press the button on their cameras, Luo Qing Chen had disappeared around the corner.

When Luo Qing Chen walked into the school, Ji Li Sheng told her she made the headlines again!

The headlines this time were——

1. National male god Luo Qing Chen.
2. How to face slap to the fullest.
3. “Ten Years” female lead give such fierce words.

.....

“What is this situation?” Luo Qing Chen looked at it before looking at Ji Li Sheng with doubt, “Showbiz really is unpredictable!”

“Now you know!” Ji Li Sheng said with a chuckle, “True and false, how could outsiders know what happened? But you really are an expert!”

“I was prepared in advance.” Luo Qing Chen thought about it before saying, “If it wasn’t for a private enmity with Bai Yi Yi, I also.....”

“You wouldn’t show mercy and start plotting?” Ji Li Sheng unknowingly revealed a smile. His chestnut brown hair had a faint scent of youth to it.

“No, no, no!” Luo Qing Chen immediately replied, “I am already invincible, it’s too late that you only learned that today!”

“Ha, ha!” Ji Li Sheng had a look of praise as he said, “You’re frank enough, I like it!”

“Thank you!” Luo Qing Chen gave a soft laugh, “I hope that I can live up to the title of ‘expert’ you gave me!”

After a while, Ji Li Sheng slowly said, “I said that you’re an expert because you could make Zhe Xue come out for you, do you know that he’s never done this before?”

The most mysterious and unpredictable person in the literary world, no one had ever seen his real appearance before and he never attended any events.

But the more mysterious he was, the more people believed in him and the more fans he had.

He didn’t lose to the ones who stood out, he was the pride of the literary world!

Luo Qing Chen heard this and her heart skipped a beat, “He.....never posted this kind of post before?”

She didn’t know much about things like Weibo, but the previous host worshipped Zhe Xue for a long time and this worship affected her at certain times.

“Of course, he has only posted a total of eleven posts and the previous ten were all very simple!”

“What?”

“Happy birthday.”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 837: Golden boss: The film empress ex-wife’s cuteness (Part 38)

Every year on November 3rd, he would always send a post that had no other words or pictures.

It was just two simple words, happy birthday.

November 3rd.....

November 3rd.....

November 3rd.....

Wasn’t this date her birthday?

God, she actually had the same birthday as great god Zhe Xue!

When He Chen sent her home that night, she kept happily talking about this matter.

“You really won’t bring me to see Zhe Xue?” Luo Qing Chen thought about it before changing her words, “Or could it be that you’ve seen him?”

“Un.” He said with a slight nod, “He’s.....normally quite busy and doesn’t like being disturbed by others.”

“It’s like this! Then he.....”

“Ding ling.” When Luo Qing Chen wanted to ask something, He Chen’s phone ringing cut her off.

The one calling was Linda!

After being on the phone for ten seconds, He Chen’s face changed. He suddenly stopped the car and looked at Luo Qing Chen beside him.

After a while, he said, “I got it.”

“What is it?” Luo Qing Chen pursed her lips as a trace of worry flashed in her eyes.

She rarely saw He Chen like this, this was the first time since they’ve met.

“It’s nothing.” He Chen shook his head and said, “You go home first, I’ll be a bit late since I have another meeting.”

His voice was very calm and there weren’t any waves, but Luo Qing Chen knew that something was in his heart.

“I got it.” She took a deep breath and got out of the car.

It was fake if it was said that she wasn’t angry at all.

There was no girl that could be this calm in front of the one they loved, Luo Qing Chen knew that He Chen was hiding something.

And this matter was 80% related to her.

But what could she do? Should she be unreasonable and stop him from leaving, making him explain himself? Or should she calmly wait for him to tell her what had happened?

Neither the former or the latter suited her style, but if she had to choose, she chose the latter.

At the same time, in a private room in a luxurious hotel.

Linda was behind him as she followed him into this late dinner meeting.

“Director He, long time no see.” The one who spoke was Bai Yi Yi. Her expression wasn’t too good, it should be because she hadn’t slept well in the past two days because of the pressure from the public.

Standing beside Bai Yi Yi was a girl wearing a moon white dress with long black hair and a pair of big eyes.

“Miss Bai, I have passed the information you’ve given me to director He.” Linda’s eyes had a faint sparkle as she looked at her, “Director He only wants to know a single thing right now.”

“Don’t worry, since I brought Fei’er here, it would prove everything.” Bai Yi Yi passed another piece of information to He Chen, “Fei’er is my good friend, she went to study abroad when she was nine and she just came back a few days ago. She told me a few things that made me think of director He.”

He Chen narrowed his eyes as he looked over Gu Fei Er without saying a word.

Linda handed the information to He Chen and said in a soft voice, “It doesn’t seem like she’s lying.”

“Do you still remember me?” Gu Fei Er’s timid voice slowly sounded as she softly bit her lip, “At the Ren Xin Hospital ten years ago, we met!”

At that moment, He Chen’s body trembled. Memories turned in his head and the images from ten years ago appeared in front of his eyes like a movie.

Time passed too quickly, but he was still waiting.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 838: Golden boss: The film empress ex-wife’s cuteness (Part 39)

At the Ren Xin Hospital ten years ago, He Chen still wasn’t the aloof president of Star Art yet.

He was just a boy that had nothing abandoned by his father and had a heavily ill mother.

The corridor of the hospital was filled with the smell of formalin and there was a young girl walking through the hall with a teddy bear in her hand.

There was a drip in her arm and two servants following her.

The doctor in front of the youth said, “Your mother needs to pay at least fifty thousand in medical expenses for this surgery, but the success is very high. If you don’t pay this amount by tomorrow, you will be discharged.”

The youth nodded and didn’t say a thing, but he tightly clenched his fists.

He closed his eyes and he met the young girl’s gaze when he opened them again.

This was a pair of clear eyes that ignored all worldly matters.

With the ring of her cell phone, the apologies of her parents came from the phone. Due to a delayed flight, they couldn’t celebrate her birthday with her.

The girl at that time was a young miss who had been spoiled, so when she heard that her parents wouldn’t be at her birthday party.

She angrily threw the phone on the ground and put her hands in her pocket with an unhappy look.

There was a bank card in her pocket that her father had given her three days ago, an unlimited black card.

The maid behind her quickly comforted her, “Young miss, the master and the madame are unable to come to the young miss’ birthday party because of work, young miss, don’t be sad.”

“Right, right, they invited all of the young miss’ friends to the Royal Noble Hotel to hold a birthday party for the young miss. When you’re done with your IV drip, the driver will take us over.”

“I’m not celebrating my birthday!” The young girl pursed her lips. She looked at the youth who didn’t move at all and slowly walked over.

“Do you want fifty thousand?” The girl spoke very directly, looking at the shocked youth.

The youth nodded with deep eyes.

She took out the black card and said, “Here, the password is 200300.”

She didn’t know why she did this. It might be because she wanted the attention of the youth, or rather the attention of her parents.

When you think about your rebellious phase, you can’t understand what you were thinking at all.

She wanted to do it, so she did it.

“I need fifty thousand, not five yuan.” The young looked at her with calm eyes, like she was joking.

But then he felt that he who felt that she was joking was that naive.

“There’s more than fifty thousand in here.” The girl put the black card in his hand with a soft laugh, “But I have one condition.

The young girl’s condition was very simple, she wanted the second button of the youth’s shirt.

When she was a student, she heard that the second button of a male’s shirt could bring luck and grant wishes.

She really wished that her parents would be with her for her next birthday and wouldn’t throw her into this cold hospital alone.

In the end, the youth agreed to her condition and took fifty thousand from the young girl’s card.

Not a single cent more.....

He told himself again and again that he would remember this person, never forgetting her in this life.

But for this youth that fifty thousand was an astronomical number, this girl was an unattainable dream, a dream that was engraved in his heart.

But to this girl, this was just a small episode in her life, she could remember it or forget it at will.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 839: Golden boss: The film empress ex-wife’s cuteness (Part 40)

The memories of the past appeared in his eyes again and again. He Chen narrowed his eyes at Gu Fei Er in front of him and there was a deep sparkle in his eyes.

Gu Fei Er looked over at Bai Yi Yi beside her before looking back at He Chen, “You really don’t remember me!”

"I do." He narrowed his eyes and there was a single ripple in his voice.

Bai Yi Yi immediately said, "I remembered director He's interview last time, Fei'er told me a similar story after she came back from abroad. I thought that you should know each other!"

As soon as her voice fell, Bai Yi Yi looked at Gu Fei Er with a look that easily conveyed her intentions.

Gu Fei Er immediately said with a nod, "I never thought that we would meet again. The snow of December created a deep memory."

He Chen didn't say anything, he just sat down. His eyes fell onto a certain part of the document and his lips curled into a smile that no one could understand.

Bai Yi Yi immediately said, "Director He wouldn't be doubting me, right!"

She was clearly a bit nervous when she said this. Although she was a professional actor, acting in front of He Chen made people feel a bit nervous.

But she already had no other paths.

The public sided with Luo Qing Chen on Weibo and she was on the cusp of being kicked out of showbiz. Even Ye Zuo Chuan ignored her.

In this situation, she had to be desperate.

Back then Ye Zuo Chuan told her some gossip that Luo Qing Chen didn't know, a secret about He Chen that no one knew.

When the Luo Family suffered a financial crisis, He Chen helped them when they were about to become bankrupt and it didn't take long before he secretly married Luo Qing Chen.

Since Ye Zuo Chuan wanted to get close to Luo Qing Chen to steal Star Art's data, he hired someone to investigate He Chen's matters.

He Chen wanted to marry Luo Qing Chen to repay a debt. When He Chen was ill back then, there was a "noble person" who saved him when he had no paths.

To He Chen, that person was Luo Qing Chen.

But who was certain that it had to be Luo Qing Chen!

Perhaps there was someone else who was at the Ren Xin Hospital other than Luo Qing Chen.

Gu Fei Er wasn't lying, she was indeed there when she was nine years old.

Only Gu fei Er was the daughter of the nurse on duty, she was waiting for her mother to get off work.

She had witnessed everything, but she wasn't the heroine with a shining halo.

"The snows of December....." He Chen looked up with deep eyes, "Your birthday....."

Gu Fei Er was surprised. Her eyes sparkled, she didn't want to lie, but she knew what she had to do.

She thought of He Chen for all these years and finally had a chance to work with Bai Yi Yi on this play, so she definitely wouldn't lose it at this time.

"Un! December 8th!" Gu Fei Er said with a soft laugh, "That day, there really was a lot of snow."

Bai Yi Yi saw this and said, "You really are lucky to meet director He at that time."

December 8th was Luo Qing Chen's birthday. If you wanted to find a girl to confuse He Chen, that girl had to have the same birthday as Luo Qing Chen.

Since that night was that important to He Chen, he must have firmly remembered that day.

Bai Yi Yi thought that He Chen relied on that birthday, so after ten years, he found Luo Qing Chen.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 840: Golden boss: The film empress ex-wife's cuteness (Part 41)

After a while, He Chen put down all the pieces of paper and looked at Bai Yi Yi, "Speak, what do you want?"

He naturally knew that Bai Yi Yi had a goal and it wasn't simple.

"Director He is kidding....." Bai Yi Yi heard this and she became much more relaxed. She smiled as she said to He Chen, "I just felt that my good friend and director He's story from their youth is like a fairy tale, so I pulled this string."

To Bai Yi Yi, she clearly thought He Chen believed it.

"Is that so?" He Chen had an inquisitive look before slowly saying in a cool voice, "Smart people don't hide words."

"That....." Bai Yi Yi said in a somewhat shy voice, "What happened last night seriously affected my acting career, so I hope that since Fei'er helped director He when you were younger....."

She had to have Star Art clear her name so she could walk forward again.

Otherwise with her current situation, she might not even be able to remain as the second female lead of "Su Tang".

"I understand what you want." He Chen put down the coffee in his hand, "I'll be holding a banquet at the V Hotel at eight in three days, there will be many people from the circle there."

As soon as his voice fell, He Chen got up and turned without looking back.

Three days later, the 3rd of November was a certain someone's real birthday.

Bai Yi Yi and Gu Fei Er never would have known that the birthday on Luo Qing Chen's ID was fake!

He Chen recognized Luo Qing Chen not because of her birthday, but because he could never forget her.

She went abroad, came back, she went bankrupt, she had no other paths.

He never cared about her status, even He Chen of Star Art didn't need to add anything.

Silence and not disturbing, this was what He Chen did the most in these past ten years.

He put all his thoughts into words, writing them one by one.

Although there was no need to add anything, he had to send her charcoal during the snow.

Some people could treat him badly, but he would always treat them well. Because when he had no hope, she had appeared in his life like a beacon of light.

That dazzling moment was so bright that he wasn't willing to blink.

—

When He Chen came home, Luo Qing Chen was already asleep.

There was a bowl of longevity noodles on the table with an egg inside, as well as a note with delicate words.

-The noodles might be a bit mushy, so you can just take two bites! Good night (* ^ - ^ *) -

She never knew that someone as steady as He Chen actually had red eyes at this moment.

There were times that what touches people wasn't sweet words or expensive jewelry.

Just a small action could warm him during the cold winter.

He Chen promised that he would not let anything befall his wife in this life.

He would block the blood storms for her, he would block everything.

The cold longevity noodles, he felt that they were delicious. Bite after bite until he finished them all.

When Luo Qing Chen got up the next day, He Chen had already left.

There was a hot breakfast and a note on the table.

When Luo Qing Chen read the note, she couldn't help revealing a smile.

She never thought that He Chen would do something like this. In her eyes, He Chen was always someone that solved things by talking, not writing them down!

-I'm quite busy over the next two days, I'll have the driver wait downstairs for you and I'll pick you up at night.-
