Chapter 891: Crossdressing: Crown highness' slight pampering (Part 23)

Ning'er saw the situation wasn't right, so she trembled. She quickly knelt down and cried, "Ning'er.....Ning'er doesn't remember."

Luo Jin Yan quickly said in a soft voice, "Qing'er, Ning'er should have gotten these flowers from the housekeeper. It should have been around half a month ago when she first came!"

"Yes.....Second miss, these flowers were given to Ning'er by the housekeeper!" She cried out even louder like she had suddenly found a backer, "Ning'er.....Ning'er doesn't know what she did wrong. For the second miss to treat Ning'er like this.....Ning'er....."

Luo Qing Chen ignored her as she slowly stood up and looked at the counter.

"Qing Chen." Seeing her stand up, Qian Ye An pulled at her sleeve, "What are you doing?"

This was his first time seeing such ice cold eyes from her. She was very powerful when she was hitting someone.

But this was her first dinner since coming back, so why did he feel that something was about to happen before they even started eating?

"Don't pull on me, or you will be an enemy.," Her eyes had never left the desk when she said this, but Qian Ye An knew that she meant it.

He felt like he lost all his strength and his hand slipped down.

She came to the table and slowly raised the incense. After sniffing it, there was a faint mint scent that hit her nose.

"Second miss, those are mint leaves....." Ning'er's face was especially nervous when she stood up. She unconsciously stretched out her hand when she picked up the incense.

She didn't feel the mint scent was familiar, but she knew she had seen this incense before.

She lifted it up slightly and closed her eyes, as memories kept flashing in front of her.

Ten seconds later, she suddenly opened her eyes and looked at the orchid by the window. Looking at the ashes from the incense, there was killing intent that flashed in her eyes.

The incense was a bonus in the auction at the Drunken Moon House, the main item was the Sleeping Wonder Illusion Mint Leaf.

The Illusion Mint Leaf had an effect for helping with sleeping, but all medicine had advantages and disadvantages. The Illusion Mint Leaf were grown in the swamps to the south and were hard to cultivate, so there weren't many of them.

Therefore, they were treasures of the south and were popular in the capital.

She didn't listen to the host talking about the taboos of the Illusion Mint Leaf, the only thing she remembered was that because of the planting conditions, they couldn't come in contact with orchids.

Otherwise these two harmless things would come together to form a terrifying poison, the Mint Illusion Orchid.

Long term exposure led to mind numbing, cold hands, weakness, and eventually death from respiratory failure.

It seemed like she wasn't the only one from the Luo Family at the auction. If she hadn't recognized this incense, she wouldn't have figured out how Luo Jin Yan was poisoned.

"Mint leaves?" Luo Qing Chen took the incense and slowly came in front of Ning'er, looking at her with an ice cold gaze, "Are you certain that's its name?"

Qian Ye An took the incense from her hand and sniffed it before saying, "It should be mint leaves, but it's a bit strange."

Incense made of mint leaves shouldn't have such a strong cent, this was something that all the young misses and young masters of large houses knew.

"Yes.....Yes.....Ning'er.....Ning'er is certain." Ning'er clearly couldn't hold on. Her face was very pale and her fingers had started trembling.

Chapter 892: Crossdressing: Crown highness' slight pampering (Part 24)

"I'll give you one last change, do you want to confess the mastermind to the old master or do you want me to shut you in a room to experience the effects of the Mint Illusion Orchid?" Luo Qing Chen suddenly grabbed her by the collar, "I already said that I'm not patient, so if you are honest, I'll give you a way out."

"Qing'er, what's going on?" Luo Jin Yan looked at her nervously as her heart kept beating fast.

This was her first time feeling her little sister was strong. Every word gave one the feeling that they were suffocating.

She almost.....didn't recognize her.....

"Big sister, you don't have to worry about these tricks." Luo Qing Chen looked at Qian Ye An, "Take care of my big sister."

"Second miss.....What mastermind, what illusion orchid.....Ning.....Ning'er doesn't understand." Ning'er's lips were trembling like she couldn't take Luo Qing Chen's aura. She kept shaking her head as her eyes filled with terror.

"Good!" Her clear eyes were a bit bloodshot and she had an ice cold smile as she said, "Since you don't walk the path of heaven, then you shall fall into hell."

As soon as her voice fell, she dragged her to Luo Zhao Xin's room.

On the way, Ning'er kept shouting the same words.

“Second miss, Ning’er doesn’t understand, Ning’er is being wronged!”

“Second miss, you can’t do this to Ning’er! Although Ning’er is a maid, she is still a person.....”

“Ah, save me, save me!”

.....

She dragged Ning’er while not forgetting to talk to her system!

System, I need a weapon, also give me the skill for the weapon!

[Nine Section Moon Whip! That is the best weapon for the host!] The system didn’t mind watching everything happen.

Do you give the skill for using it?

[No!]

Exchange!

Although the system was greedy, she had to look handsome while fighting!

[Ding, 3000 exchange points has been taken. Successfully exchanged for Nine Section Moon Whip (Can be used forever).]

[Ding, 500 exchange points has been taken. Successfully exchanged for Nine Section Moon Whip skills (Can only be used in this world).]

She decided to properly use this whip, that way she didn’t need to exchange for the skills next time.

“Peng.” Luo Qing Chen stood at Luo Zhao Xin’s door and threw Ning’er to the ground.

The door was directly slammed open after that.

The first one to come out was Luo Shu with an ugly look, it seemed like he was spending the night with her aunt again.

“What are you doing this late!” Luo Shu crossed his hands. This was his daughter, so there was a bit of worry in his voice, “You just came back, why aren’t you resting?”

“I have no time to rest.” Luo Qing Chen narrowed her cold eyes and looked at Luo Zhao Xin who came out, “Do you know her?”

Luo Zhao Xin was quite confident, but her face turned pale when she saw Ning’er.

“I.....I don’t know her.....” She bit her lip and said, “Big sister, you’re disturbing dad and mom’s rest like this.”

“It seems like you won’t cry until you see a coffin.” Luo Qing Chen narrowed her cold eyes. She waved her Nine Section Moon Whip and grabbed her by the neck, pulling her in front of her.

“Audacious! Let go of her now!” Luo Shu was very angry as he roared out in rage.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 893: Crossdressing: Crown highness' slight pampering (Part 25)

Luo Qing Chen gave a cold snort and she used even more strength.

Her eyes were filled with killing intent. She narrowed her eyes to look at Luo Zhao Xin's mother Liang Mei Xue and her voice didn't have a trace of warmth as she said, "Hand over the Illusion Mint Leaves, otherwise I'll send your daughter to hell now!"

As soon as her voice fell, she used a bit more strength.

Liang Mei Xue was stunned. Seeing the whites of her daughter's eyes, her heart couldn't help feeling conflicted.

She naturally knew what the Illusion Mint Leaves Luo Qing Chen talked about was. Her bringing Ning'er here meant that she knew everything!

What to do? She still had some hope in her heart that Luo Shu would save them.

She could just shift the blame to the maid and everything would be unrelated to them.

But.....would the family head really protect them?

"Luo Qing Chen, stop for me!" Luo Shu angrily roared, "All of you, grab her for me!"

As soon as Luo Shu's voice fell, the guards surrounded her.

Although their faces were ugly, they still knew that they should follow the family head's orders.

"Just with them?" Luo Qing Chen gave a cold laugh. The Nine Section Moon Whip slid across Luo Zhao Xin's neck and fresh blood appeared on her white skin.

She stepped on Luo Zhao Xin with her left foot as she waved the Nine Section Moon Whip in her right hand. There was an ice cold look in her eyes as she looked at Luo Shu, "Stop wasting words, come together."

The guards looked at each other and didn't dare step forward facing this aura.

But with Luo Shu's order, they had no choice.

Uncle Liu in front could only bite the bullet, "Young miss, sorry for this offense!"

"Xiu, xiu, xiu." Before uncle Liu finished these words, all the guards fell to the ground holding their knees and pitifully crying out.

Luo Qing Chen's Nine Section Moon Whip had hit the nerves in their legs. It wasn't fatal, but it filled them with pain.

All of that took less than a second. Luo Qing Chen stepped down even harder with her left leg and said with a cold laugh, "It seems like the one to apologize is me."

"Mo.....Mother, save me....." Luo Zhao Xin cried out in pain, but her eyes were filled with hatred.

“Master.....Master, quickly save Xin’er! What has Xin’er done to receive this kind of treatment!” Liang Mei Xue cried out as she looked at Luo Zhao Xin in pain, still holding this hope in her heart.

Luo Shu couldn’t understand his daughter at all. She stood under the moonlight with an ice cold face and deep eyes. There was a strange domineering aura to her actions.

He tightly knit his brows and looked at the guards on the ground before angrily roaring, “What are you doing!”

“I said it very clearly, give me the Illusion Mint Leaves.” She narrowed her ice cold eyes. It was like the rain was coming and the cold in those eyes froze everyone around.

“I don’t understand what you mean at all!” Liang Mei Xue tightly bit her lip and said, “If you’re dissatisfied with us mother and daughter, you can come to me, why are you making it hard for Xin’er.....She.....She is your little sister!”

Liang Mei Xue was betting on Luo Qing Chen acting and not daring to do any harm to Luo Zhao Xin!

But she never thought that right as soon as she finished, Luo Qing Chen took the Nine Section Moon Whip and leaned over. She used the sharp head of the whip to cut a hole in Luo Zhao Xin’s wrist, letting the hot blood flow out.

She looked at Liang Mei Xue and said word for word, “I said it before, I don’t have patience.”

Chapter 894: Crossdressing: Crown highness’ slight pampering (Part 26)

“Ah!” Liang Mei Xue saw the blood coming out of Luo Zhao Xin’s wrist and cried out in shock, “You....You’re killing people to silence them, you have to pay with your life!”

Liang Mei Xue never thought that Luo Qing Chen would do such a terrifying thing so decisively. Her eyes from the beginning were like a demon, looking down on these ants from above.

“What? You’re allowed to hurt my big sister and I’m not allowed to hurt your daughter?” She said with a disdainful snort, “I hate trouble the most, you should know clearly what you did. With the rate of bleeding, your daughter won’t be able to be saved in half an incense time. I have time to wait, but your daughter doesn’t.”

She said this and she didn’t forget to step on Luo Zhao Xin. She twitched and her eyes had unconsciously closed.

The blood was flowing quickly, but Luo Qing Chen’s expression was as calm like she was looking at a stranger.

“Just what are you doing! If you don’t say anything, I can’t save Xin’er’s life!” Luo Shu turned and grabbed Liang Mei Xue’s shoulder, “Just speak, what is this Illusion Mint Leaf? What did you take from her?”

Luo Shu was a smart person. Luo Qing Chen did something like this and her tone was this firm, so there must be a reason.

Right now Liang Mei Xue still planned on hiding things, which made her think that this woman's mind was deep.

Liang Mei Xue tightly bit her lips and watched as the blood flowed from Luo Zhao Xin's wrist. Her heart like stone finally turned soft.

She took a deep breath and said, "Xiao Fang, take out the Illusion Mint Leaves from under my pillow!"

Liang Mei Xue knew that as long as she admitted the Illusion Mint Leaves were in her room, she would lose.

She never thought that after plotting for so long, she would still lose.

Liang Mei Xue was better than anyone at playing tricks. Ning'er was only a scapegoat for her, she could take the blame even if these tricks were revealed.

Since Ning'er's parents were in her hands, she had no choice but to listen to her.

But she never thought that Luo Qing Chen would directly attack her. This terrifying method made her instantly come to a lose.

A person like a demon came forward step by step, not giving her any chance to breathe and grabbing her vitals.

She didn't have any path of retreat, no other choice!

—

An hour later, Liang Mei Xue was kneeling in the hall with a pale face. Luo Zhao Xin had already fainted from blood loss and a doctor was saving her.

Luo Shu looked at Luo Qing Chen with a dark glow in his deep eyes. His daughter really was different.

This difference made him afraid. Remembering her every action from before, he felt his hairs stand on end.

"Master, I lost my mind and did this, but this is unrelated to Xin'er! Xin'er is innocent!" Liang Mei Xue cried while not forgetting to blame someone, "Luo Qing Chen can't do this to Xin'er! If something happens to Xin'er, I.....I definitely won't let her off."

"Liang Mei Xue, I don't need you to let me off." She paused before saying with a cold laugh, "Because.....I never planned on letting you off."

"Alright! Stop arguing! What has this family become!" Luo Shu's eyes turned cold, "The Illusion Mint Leaf and orchids coming together is very poisonous, Yan'er has already inhaled it for half a month. You.....Take out the antidote and I'll take care of this matter as a family matter."

"Master.....Master....." Liang Mei Xue cried out, "Master.....I don't have the antidote!"

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 895: Crossdressing: Crown highness' slight pampering (Part 27)

Luo Qing Chen heard this and slightly knit her brows. Looking at Liang Mei Xue's pale face, it didn't seem like she was kidding.

Luo Shu's face was dark and ugly. He always knew that Liang Mei Xue had bad thoughts, but he never thought that she would do something as despicable as poisoning someone.

"This matter, we'll have to consider a long term plan." Luo Shu said with a sigh, "Uncle Liu, call all the famous doctors in the city to treat the young miss."

"Master.....Master, you have to save Xin'er! She is your daughter, you can't just let people kill her with evil intent like this!"

Liang Mei Xue's face was covered in tears, people that didn't know the story would have thought that she was the victim.

"Evil intent?" Luo Qing Chen gave a cold snort as she looked at her with cold eyes, "I want your daughter dead, it is definitely righteous. Listen clearly Liang Mei Xue, you better burn incense and pray that my sister is fine, otherwise I will guarantee your daughter doesn't have a complete corpse!"

"You....."

"Audacious! In front of the emperor, is there even law!" Luo Shu angrily slapped the desk, "Your dad isn't dead yet and your words are this audacious!"

Luo Shu's face was red from anger. He was actually a bit afraid of his arrogant daughter.

But he had to suppress the fear in his heart and take out the aura of a family head.

It was a pity that Luo Qing Chen didn't buy it at all.

She understood a father marrying a concubine. She couldn't accept the concept of having multiple wives in the ancient era, but that didn't mean she didn't understand it.

But one that allowed the concubine to bully his wife and harm his daughter, that was a father without any responsibilities.

This kind of person didn't deserve her respect.

History was too close, there was an important reason why she was so decisive.

She couldn't let the tragedy of the other world repeat. If it was like this, she would have lost all meaning in coming here.

Luo Qing Chen narrowed her cold eyes and said to Luo Shu word for word, "Laws? I really disdain them."

"You....."

"I'll just leave these words." There was a sharp glow in her eyes, "If my big sister can't live, I'll let your daughter follow her. Don't think of running, you can't run."

When she said her final words, the dark glow in her eyes made people tremble unconsciously.

This aura made Luo Shu whose face was black with anger instantly become speechless.

He wanted to give himself an excuse that his crossdressing daughter was just speaking arrogantly to scare people.

But he was clear in his heart that this Luo Qing Chen, everything she said was serious.

She really.....would kill Luo Zhao Xin.

—

Being suppressed by this aura made Luo Shu decide that before this matter was resolved, Liang Mei Xue would be confined in her room.

There were four guards at the door. They were waiting for the doctors to diagnose Luo Jin Yan before deciding how to deal with her and Luo Zhao Xin.

But the situation didn't look good.....

The doctors all came out of Luo Jin Yan's room shaking their heads, making her feel very uneasy.

"Finding out this early means nothing will happen.....Relax!" Qian Ye An sat with her outside her door. His brows were slightly knit and there was a faint worry in his eyes.

"I hope so." Her eyes were very cold, looking at Qian Ye An without any warmth at all as she asked, "I've always been very curious, since you have already talked to Luo.....my dad about marriage, why has nothing happened? What are you waiting for?"

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 896: Crossdressing: Crown highness' slight pampering (Part 28)

"What am I waiting for?" His eyes trembled and he laughed at himself, "Your big sister didn't tell you?"

"What should she tell me?" Luo Qing Chen gave a helpless shrug before saying with a smile, "When you caught each other's eyes is something I don't know anything about! We were brothers back then and the first time you saw my big sister, I knew....."

"You don't know anything....." Qian Ye An cut her off, "Actually, I....."

"Second miss, young miss wants you to come in." The maid Xiao Guo cut off what Qian Ye An wanted to say."

"Got it." Luo Qing Chen nodded before turning to Qian Ye An, "What did you want to say?"

She didn't like only hearing half of something, she always felt that it was very uncomfortable.

Qian Ye An gave a sigh, "Go, we'll talk later."

"Un." Seeing that he wasn't anxious, she didn't force it as she followed Xiao Guo in.

There wasn't anyone in the room, the doctors had gone to the hall to report to Luo Shu.

Luo Qing Chen slowly came forward and seeing her pale face without any blood, her heart couldn't help skipping a beat.

After coming to this world, she still couldn't let her big sister who cared about her live a peaceful life.

“Qing’er, come over.” Luo Jin Yan waved her hand at her with a loving look in her eyes.

“Do you feel better today?” Luo Qing Chen sat beside her and gave a sigh.

If she didn’t leave home these days, she would have quickly found these tricks and it wouldn’t be like this.....

“Why are you always sighing lately.....” Luo Jin Yan touched the ribbon that had fallen from her hair, “Although Qing’er was a little fatty who loved to eat before, you were always laughing without any worries. Now that you’re this pretty, you’re always worrying.”

“Big sister, be assured.” She knit her brows and said, “When you’re better, I will still be the same smiling Luo Qing Chen.....”

“I know that I won’t get better.” Luo Jin Yan gave a helpless bitter smile, “The doctor said it very clearly, the poison has already spread to my heart and if I don’t receive the antidote in three days, I won’t be able to live.”

There weren’t many people she worried about in her life, the only one she did worry about was her little sister.

“Then I’ll find the antidote in three days!” Luo Qing Chen bit her lip and said, “I’ll go find it....Everything has a match, it isn’t like no one has been poisoned by the Mint Illusion Lotus before, there will be an antidote!”

“Alright, I’ll listen to you.” Luo Jin Yan rubbed her head as she said, “Since we were young, there were always more people around me. I always felt like I wronged you and wanted to give you as much compensation as possible.....”

“Big sister!” She closed her eyes and her lashes trembled. She bit her lip and said, “Don’t talk like there’s no hope, alright? Wait until I bring back the antidote, we can still.....”

“Qing’er.” Luo Jin Yan took a deep breath before she said with a sad look in her eyes, “There’s something that I should have told you earlier, but big sister was selfish and didn’t tell you.”

Luo Qing Chen narrowed her eyes and watched as the broken tears fell drop by drop from Luo Jin Yan’s eyes.

“I.....I wronged you.....” Luo Jin Yan tightly held her hands as she said, “Young master Qian didn’t propose to dad to marry me.....rather it was for you.....”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 897: Crossdressing: Crown highness’ slight pampering (Part 29)

At that moment, Luo Qing Chen felt her body tremble and her heart beating without stopping.

This should be the remaining thoughts of the previous host.

“What did you say.....” Her voice was hoarse as she looked at Luo Jin Yan in disbelief, “He.....”

“Yes! I like him, but I never dared to tell you.” Luo Jin Yan said, “I know that I’m not a good sister.....I was there on the day he proposed to father, but I said.....you weren’t interested in him.....”

She was crying very hard, so hard that her hand holding Luo Qing Chen's hand wouldn't stop trembling. After a while, Luo Qing Chen softly patted her hand, "I indeed am not interested in him."

This was from her and not the previous host.

The moonlight was bleak and there was a chill in the air. Luo Qing Chen stood outside the hall listening to the conversation between the doctor and Luo Shu, knitting her brows deeper and deeper.

Qian Ye An slowly walked towards Luo Qing Chen. She made a 'shh' gesture and he stopped, standing at her side.

"The young miss has been inflicted with a poison that isn't normal, the Mint Illusion Orchid formed from the mixture of the Mint Illusion Leaf and orchid flowers is not something people like us can solve....." All the experienced doctors stated that they were helpless at this moment.

Luo Shu's expression was very serious. Now that the Luo Family's position was unstable in court, Luo Jin Yan was the final trump card in his hand. Now that she had been poisoned, what should he do in the future?

"Just be straight, how much time is left!" Luo Shu closed his eyes.

The doctors looked at each other before saying, "If she doesn't get an antidote, in less than three days, the young miss will....."

"You mean that my daughter can only wait for death?" Luo Shu's eyes were cold as he slammed the teacup on the ground.

Everyone took a step back. At this time, one of the doctors came out to say, "I've heard that the antidote for this Mint Illusion Orchid is called Miracle Tears, it's produced on the snow capped mountains. There were only three bottles sent as tribute to the capital last year, it has a miracle detoxification effect....."

"Three bottles....." Luo Shu seemed to have thought of something, "It can't be that concubine Lian has one, the eighth prince has one, and the other one is at the crown prince's eastern palace, right?"

"Yes!" The doctor replied.

The reason why Luo Shu clearly remembered this matter was because this so-called Miracle Tears had caused a murder in the palace.

One of the bottles was given to little princess Yue that the emperor pampered back then.

Everyone knew that the royal harem was dangerous. This little princess Yue showed off in front of concubine Lian and then the next day, she drowned in the water.

Therefore, one of the bottles of the Miracle Tears fell into concubine Lian's hand.

As soon as his voice fell, Luo Qing Chen ran towards the palace without even thinking. Qian Ye An following behind her anxiously said, "You want to find concubine Lian? She's not a good person."

Qian Ye An was an imperial guard and had some understanding of the court and harem. Concubine Lian was the most powerful woman in the harem. She didn't have a child, but the eighth prince's mother died young, so the emperor gave him to concubine Lian to be raised.

The two were people with ill intent, they had hurt many people in the palace and the harem.

And their common enemy was the crown prince.

"Who said I'm going to find concubine Lian?" Luo Qing Chen gave a cold snort, "I can't get into the palace at this time anyway!"

"Then who are you looking for?" Qian Ye An followed her with an anxious look, afraid that this little girl would do something stupid.

"I'm going to the eastern palace!" She took a deep breath as a tender look appeared in her eyes.

Chapter 898: Crossdressing: Crown highness' slight pampering (Part 30)

Luo Qing Chen never would have thought that it wouldn't be easy to enter the eastern palace.

This was after all the place where the crown prince lived, she couldn't just enter at will.

"Who is it? Don't wander here, otherwise don't blame me for not being polite." Before she walked in, she was blocked by four guards.

Qian Ye An quickly pulled her to the side and said to the four guards, "This one is the imperial guard Qian Ye An, she is my little.....little brother. He's normally quite playful, so please don't take offense."

"So it was guard Qian, this one's tone was too much earlier." The guard captain narrowed his eyes and said, "His highness hasn't been well lately, so please submit a request before visiting! We're all in the same line of business, guard Qian should know this!"

"I do....." Qian Ye An said in a deep voice, "Please tell his highness that imperial guard Qian is asking for a meeting."

"I will pass guard Qian's words to him, but it is already late. Guard Qian should bring your little brother home." The guard captain looked at Luo Qing Chen in disdain, with a hostile look on his face.

Luo Qing Chen naturally couldn't wait that long.

She bit her lip and said, "Go tell his highness that it is a young master surnamed Luo who wants to see him."

"Ai, is your nose even still on your face!" The guard captain took out his blade to say, "Guard Qian, you should take care of your little brother if he keeps being this stubborn. Although the eastern palace isn't as strict as the imperial palace, it is definitely not a place one can freely enter!"

"You....." Luo Qing Chen gave a cold snort, "Alright, then I'll go for you!"

As soon as her voice fell, Luo Qing Chen ran off very quickly. Qian Ye An gave a sigh and explained to the guard. When he tried to catch her, he found that Luo Qing Chen had already disappeared.

[Ding, 500 exchange points has been taken. Successfully exchanged for teleportation (One time use).]

[System notification: The host only has five hundred points left, please treasure them!]

In the eastern palace, she appeared in a deserted hall. Because she hadn't been to this place before, she couldn't just enter the treasure room.

She could only move from outside to inside.....

Hua Su Ye was leaning on a couch with his head thinking of a small fatty.....No a certain handsome young man.

Inch by inch, lingering without leaving.

"Reporting to your highness." His follower Mo Yu came in and reported with cupped hands, "This lowly one has investigated all the households surnamed Luo in the capital, there were a total of eight households and two were officials in court. But the strange thing was that there wasn't a single person named Luo Chen."

Hua Su Ye tapped his fingers on the table and said, "As expected, she wasn't telling the truth."

After a while, he thought for a bit before continuing, "Then how many men are between sixteen to eighteen?"

"Reporting to your highness....." Mo Yu looked at the list in his hand, "A total of five."

"Bring those five into the eastern palace tomorrow, make no delays." Hua Su Ye's face was still a bit pale, but he couldn't take the thoughts in his heart.

This was his first time feeling this way, he wanted to resist advancing.

Whenever he didn't want to head forward, he would tell himself: He just didn't have a brother he could rely on, that's why he thought of this one that he went through 'life and death' with.

But he knew in his heart what kind of feeling it was! There were some things that was easy to deceive others with, but it would be very hard to deceive yourself.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 899: Crossdressing: Crown highness' slight pampering (Part 31)

Taking half an incense worth of time, she found the treasure room.

Something like the Miracle Tears was most likely to be in the treasure room.

Luo Qing Chen tiptoed through the door and waved the torch in her hand, lighting up the room with a dim glow.

The eastern palace's treasure room was very clean and clearly classified, there should be people who cleaned here daily.

The first floor of the treasure room was filled with porcelain, calligraphy, and paintings, the second floor should be where the pills and elixirs were.

All the medicine had labels on them, so she wasn't afraid of making a mistake.

Although the Miracle Tears were regarded as a precious antidote, it couldn't cure all poisons, so it wasn't considered precious in the eastern palace.

She searched for less than quarter of an hour before finding the thing.

A small blue and white porcelain bottle with a faint fragrance that had the words 'Miracle Tears' written on them.

She smoothly took the medicine and it would be very smooth to exchange for teleportation!

She wanted to exchange for teleportation, but she only had five hundred points left.

If she used them, she would have to survive as a normal person in this world.

The future was still unknown, she had to leave a way out for herself.

Thinking of this, she put the Miracle Tears in her pocket and slowly walked out of the treasure room.

All the walls in the palace were high, she couldn't find a single short wall!

She took a deep breath and took out the Nine Section Moon Whip from her storage space, walking towards the wall.

There weren't a lack of guards in the eastern palace, but there were shifts. Every time the shifts changed, she would relax a bit and walk towards where the servants lived.

Because she could see that the wall was the lowest here.....

But what she didn't know was that while she calculated the shifts of the guards, she never expected someone to call out to her!

"Little big brother!"

"Ya! It really is little big brother!"

Xiao Qiu charged forward and jumped into her arms, shouting in a loud voice, "Little big brother, big brother was super rich and lived in this large house alone. There are no wolf cries at night. I came out to pee with Xiao Bao and never expected to run into little big brother!"

"Who, who is speaking!" Before Luo Qing Chen could respond, the four guards at the door who had just finished their shift charged in her direction.

With the torches, Luo Qing Chen couldn't help knitting her brows.

When she wanted to run, she found Xiao Qiu tightly holding onto her waist!

Ai.....it really is a pig teammate!

"It's actually you! When we didn't let you in, you actually dared to come into the eastern palace at night!" The guard leader took out his sword and said, "Grab him for me! If you resist, we'll kill you!"

?

What was this, kill her!

“Don’t kill my little big brother!” Xiao Bao came out in front of her, speaking in his young voice.

The guard leader knit his brows before saying to the two behind him, “You two take the children away, don’t harm them.”

As soon as his voice fell, he pointed his sword at Luo Qing Chen, “As for you, be good, otherwise don’t blame me.....”

“What a joke!” She waved the Nine Section Moon Whip in her right hand and a cold glow appeared in her eyes as she looked at the guards in front of her, “Come together! If you say that you won’t show mercy, it’ll look ugly when you’re beaten!”

“Audacious!” The guard leader angrily roared out, “Contact the archers, capture this assassin!”

“Yo, yo, yo, you don’t dare fight yourself and you find a bunch of lackeys!” Luo Qing Chen gave a cold laugh as the Nine Section Moon Whip headed in his direction.

“Xiu.” The guard captain jumped out and dodged this blow, the sword tightly held in his hand stabbed in her direction.

Her lips curled into a faint smile. The Nine Section Moon Whip came back to her hand and tangled around his sword like a vine.

“You only have this bit of technique?” Luo Qing Chen gave a cold snort, “You’re not afraid of people laughing their teeth off?”

“You.....” That guard leader’s face turned red in anger and he tightly bit his lip before angrily roaring, “All of you can charge for me!”

“Yes!”

Luo Qing Chen was surrounded by four people. She pulled with the Nine Section Moon Whip in her hand and the guard leader’s sword fell to the ground!

Everyone looked at each other blankly and drew their swords at the same time, wildly swinging at Luo Qing Chen.

She gave a cold snort and swayed, as the Nine Section Moon Whip in her hand moved like running water.

In less than ten rounds, the four guards were all on the ground. When she was about to laugh at them, arrows from the eaves came down at her.

In the blink of an eye, ‘ping, ping, ping’ sounds filled her ears.

Qian Ye An was holding his sword in his right hand, firmly standing by her eyes with a proud look in his eyes.

“Good Qian Ye An!” The guard leader clutched his wound as he unsteadily stood up, “An imperial guard charging into the eastern palace, do you know that this is a capital crime?”

“Not passing a message and not reporting as a guard, you just want to get off work as soon as possible. This kind of person is qualified to mention capital crime in front of me?” Qian Ye An narrowed his eyes as his sword revealed a cold glow under the moonlight.

In the cold wind, every word was filled with power!

This was Luo Qing Chen’s first time seeing this kind of Qian Ye An after coming here.

There was no hesitation at all, he was like a lighthouse standing firmly by her side.

She suddenly understood a bit why the previous host liked this man, he was handsome and righteous!

“This is bad.”

When the guards felt their hearts being pierced, the housekeeper ran over and said in a nervous voice, “The treasure room has been broken into!”

As soon as his voice fell, Qian Ye An looked at Luo Qing Chen beside him with a look of worry!

“Good! Not only are you assassins, you even stole things!” The guard leader’s lips curled in rage, “Archers prepare, the two assassins who broke into the eastern palace at night aren’t willing to cooperate, to protect his highness, kill them all!”

“You leave first.” Qian Ye An’s brows knit as he drew her behind him, “You have to save your sister.”

“Guard Qian.....you want to be the hero saving.....your little brother, but it’s too late.” The guard leader gave a laugh of disdain, “Fire.....”

“Then you’ll be buried too!” Luo Qing Chen gave a cold snort. She waved the Nine Section Moon Whip in her hand and grabbed the guard leader’s neck, bringing him in front of her with a strong pull.

Her left hand then grabbed his throat.

“Don’t.....don’t.....fire!” The guard leader instantly panicked. His hard voice instantly softened, “Don’t be impulsive, don’t be impulsive, we can talk this out!”

“Let us go.....” Luo Qing Chen looked around before biting her lip, “Otherwise I can guarantee that you’ll be the first to die among the three of us!”
