Chapter 901: Crossdressing: Crown highness' slight pampering (Part 33)

"Just with you, can you make that decision?" Mo Yu descended from the sky with his jade sword, moving in the direction of the guard leader's neck.

Luo Qing Chen reacted quickly, immediately letting go with her left hand and taking a step back to avoid Mo Yu's attack.

His sword slanted and it attacked Qian Ye An.

Qian Ye An clearly never expected Mo Yu to have such exquisite moves, so he was a bit stunned.

Luo Qing Chen was also taken aback, but she also used her Nine Section Moon Whip to block it.

The guard leader on the ground took advantage of this and stabbed his sword at Qian Ye An.

Luo Qing Chen didn't even think as she grabbed the tip of the sword with her left hand, causing blood to flow out.

Qian Ye An trembled and wanted to react, but he found that hidden weapons fell onto the guard's leg, as killing intent filled the air.

When she saw Hua Su Ye again, she was frozen in place. She was still holding the guard leader's sword and her eyes turned red.

"Who, who dares use hidden weapons on father, scram out here for me....." The guard leader turned around while holding his leg and his expression stiffened, as he said in a stuttering voice, "Your.....Your highness....."

"You're not letting go? Have you gone numb with pain?" Hua Su Ye slightly knit his brows as a trace of worry and reprimand appeared in his cold eyes. He turned to Qian Ye An and an unknown hostility appeared in his eyes.

Luo Qing Chen trembled as she released the sword, which fell to the ground.

"Your highness, you're here. These two are bandits and assassins who have broken into the treasure room, stealing our treasures....." The guard leader saw that his savior was here, so he knelt down to report. He was afraid that Qian Ye An would take the lead and accuse him of neglecting his duties.

Qian Ye An was an imperial guard, his words did have a bit of weight!

"Greetings to your highness." Qian Ye An immediately kneeled and said, "Our friend has been inflicted with a strange poison and needs the Miracle Tears to cure it. That is why we broke in, we are not assassins!"

He said this while pulling on Luo Qing Chen's sleeve, wanting her to bow as well.

She was a bit surprised and when she was about to bow, a clear and good sounding voice rang out, "When did I make you bow?"

As soon as his voice fell, he narrowed his eyes as he looked at her blood dripping. He turned to the housekeeper on the side, "Get the imperial doctor, make them come quickly."

Just these words created a strange atmosphere.

Not to mention the kneeling guard leader having a stunned look, even Qian Ye An had a slightly confused look in his eyes.

He remembered what Luo Qing Chen had said to the guard back at the entrance.

—

"Go tell his highness that a young master surnamed Luo is here."

—

Adding in the reaction of his highness, could it be they knew each other?

"Your highness, this subordinate's injuries aren't serious. Your highness must punish these bandit assassins who have broken into the eastern palace and kill them all!" The guard leader seemed unwilling to give up and kept thinking that the doctor was called for his brothers!"

"Bandit? Assassins?" He narrowed his cold eyes as he looked at the guard leader kneeling on the ground, "If he wants anything, he can take anything in the eastern palace."

"....."

He continued to say, "As for an assassin.....Even if he is an assassin, you aren't qualified to injure him!"

Chapter 902: Crossdressing: Crown highness' slight pampering (Part 34)

His voice was very cold and each word made one's hair stand up. It was like he was protecting a treasure and no one was allowed to hurt it.

[Ding, affection has increased by ten. Mission completion rate is now 60%.]

He never thought that he would meet her here. He almost couldn't believe it when the two little kids were shouting they saw little big brother.

He never thought that the assassin Mo Yu heard about before was her. He couldn't sit still and immediately ran off towards the site of the incident!

Mo Yu was a master of the sword, his martial arts was unparalleled in Jianghu. When he ran here, he could feel a bit of fear in the depths of his heart.....

When Hua Su Ye said this, Qian Ye An was certain that Luo Qing Chen was acquainted with him and their relationship wasn't normal.

The guard leader was a smart person, he could see that that person who his highness protected wasn't a normal person.

"Yes.....Yes, it was this humble one who couldn't see Mount Tai....." The guard leader kowtowed to Luo Qing Chen before saying in a trembling voice, "I ask young master to not put this matter in your heart!"

"Sorry, I broke into your manor at night." Luo Qing Chen slightly knit her brows as she looked at Hua Su Ye with a complicated gaze, "My big sister is sick and doesn't have much time. I won't thank you for this grace, I will personally come tomorrow to plead guilty."

Her voice was very stiff and her eyes were serious.

Hua Su Ye laughed at himself as he said, "You're this stiff, is it for him?"

When he remembered the dangerous situation and her using her body to defend this man, grabbing that sword without any care.

Without knowing why, his heart filled with discomfort. Adding in her stiff tone now, he almost felt like his lungs were about to explode with anger.

Luo Qing Chen saw that he was very unhappy and wanted to say something, but she pulled it back.

In the imperial court right now, there was a rumour that his highness liked men. She was dressed as a man now, if she said something that she shouldn't say, it would create a bloody storm in the court tomorrow.

After a while, she said with a deep breath, "This medicine is very important to my big sister, let me go first."

"Where do you want to go now that you're injured?" Hua Su Ye reached out his right hand and pulled her beside him. Qian Ye An kneeling on the ground didn't even have time to react as Luo Qing Chen was already standing in front of him.

"You....." Luo Qing Chen nervously pursed her lips and said in a low voice, "Let go first, this isn't a good scene....."

"What good or not." Hua Su Ye gave a cold snort as he said with his aura as the crown prince, "Give the medicine to him, I didn't say that I wouldn't let him go."

Luo Qing Chen was stunned, as she thought about what Hua Su Ye just said.

The guards and even Mo Yu were stunned. Hua Su Ye was definitely very strange in the eyes of others right now!

This was an assassin that broke in, but he was treating them gently, even pampering them.

Luo Qing Chen saw that he was tightly holding her hand, so she quickly took the Miracle Tears out with the other hand to give to Qian Ye An, "Bring this back first."

"Then you....." Qian Ye An wanted to say something, but he was forced back by Hua Su Ye's cold eyes. He cupped his hands and said, "This servant will leave first!"

Hua Su Ye's eyes were cold as he looked at the guard kneeling on the ground, "Everyone who fought with him today, you no longer need to appear in my eastern palace tomorrow. Otherwise, don't blame me for not showing mercy."

Chapter 903: Crossdressing: Crown highness' slight pampering (Part 35)

A luxury palace with a faint smell of sandalwood.

The doctor confirmed that it was only a skin wound after looking at it, so he had them leave and he wrapped it up for her himself.

There was only her and Hua Su Ye in the bedroom and there was an ambiguous feeling in the air.

"Looking at your appearance, you're not surprised who I am?" He carefully bandaged the wound with a bit of reproach in his voice.

Luo Qing Chen was surprised as she said, "Didn't you tell me when I was sick?"

Hua Su Ye was surprised a bit before he muttered, "So you were pretending to be asleep!"

"I have a clear conscience!" Luo Qing Chen quickly shook her head, "I really was unconscious, I just heard the gist of it!"

"Alright, I forgive you. But.....There's one thing that I can't forgive!" Hua Su Ye raised his right hand and softly tapped her on her forehead, "Your name is a lie, right!"

So it turned out that when she asked what would happen if she had lied to him, it was because of her name.

Although he was a bit angry, it was a small matter. She was injured today and his heart hurt, so he wasn't willing to condemn her.

"Name....." Luo Qing Chen was surprised like she had thought of something before she said with pursed lips, "Then your honourable highness, if I hid something else other than my name from you, would you be angry?"

"Angry?" Hua Su Ye's slender fingers slid over her bandages, "Execution!"

"Ah?" Luo Qing Chen's lips curled into a faint smile, "It can't be that serious, right!"

She wanted to find the right time and place to tell him that she was a girl, but now it seemed like the time wasn't right.....

"Of course, I hate lies the most." Hua Su Ye said with a faint smile, "Other than your name, I don't feel like there's anything worth lying about. Could it be that you're someone on concubine Lian's side?"

"Concubine Lian?" Luo Qing Chen was surprised before saying with a faint smile, "If I knew concubine Lian and still came to your palace to steal the antidote, could it be that you don't know that concubine Lian also has the Miracle Tears?"

"I'm not really interested in her." Hua Su Ye slightly knit his brows. "The battle in the court and harem was complicated, but it didn't affect me or the empress, so I'm not interested in the tricks concubine Lian plays."

He hadn't taken a princess in a long time and the eighth prince had a son, the emperor was content.

With the status of concubine Lian, the eighth prince, and the little grandson getting higher, this matter worried the empress.

"The empress....." Luo Qing Chen said, "You were brought up by the empress!"

"Un." Hua Su Ye nodded, "Mother's original son and daughter were killed by the harem."

"Damn." Luo Qing Chen's eyes trembled, "Even the empress' son can be killed, you must have met countless assassins living in the eastern palace!"

Looking at Hua Su Ye's calm expression, her heart couldn't help filling with pain.

The sons of the royal family wouldn't be truly happy most of the time. How much glory they had was equal to the danger they faced.

"The matter of my injury has already been sent to the palace, so concubine Lian must be thinking of a way to deal with me." Hua Su Ye slightly knit his brows, "I'll have Mo Yu send you back tomorrow. Right....I still haven't asked, where's your house?"

"That." Luo Qing Chen pursed her lips into a smile, "I still have to get some more medicine from the pharmacy, so I can just go back myself!"

Chapter 904: Crossdressing: Crown highness' slight pampering (Part 36)

Hua Su Ye narrowed his eyes as he looked at her with a questioning gaze, "Just what kind of unspeakable secret do you have, you're even afraid of me.....visiting....."

"Stop!" She felt her heart beating faster and a blush came over her cheek.

This blush even unknowingly spread to her ears!

She seemed to know what he wanted to say, but there was no way to listen to him.

If she was dressed as a woman and was a woman in his heart, it would be fine.

"Your highness doesn't know, but my family is poor and my sister is very ill. We live in a small hut, so it's better not to go....." Luo Qing Chen gave a solemn nod, "Next time, next time....."

Hua Su Ye gave a shrug as he said with a smile, "As you wish. Anyway, it's too easy to find you."

After all, she was related to that so-called imperial guard.

Humph!

Even if he was unwilling to admit it, that imperial guard was related to her!

The next morning, Luo Qing Chen left the eastern palace early. She spent the night in the eastern palace and she entered the place that no one was allowed to enter.

Everyone seriously saluted her and their respectful manner made her feel a bit nervous.

When she returned to the Luo Manor, Luo Jin Yan was already asleep. Qian Ye An was sitting on a stone bench outside her door and it seemed like he had stayed up all night.

"Is big sister better?" She narrowed her eyes and sat down in front of him.

"Un." He nodded and gave her a cup of tea, "The doctor said that her heart is gradually stabilizing and her complexion looks much better."

There was a bit of stiffness in his voice and a bit of unknown sadness.

"Then that's good." She took the tea he gave her, "I'll have to trouble you with big sister."

"Qing Chen." When she wanted to stand up, Qian Ye An suddenly grabbed her sleeve and asked, "You and the crown prince.....are you two close?"

With a spring breeze, the petals of the flower slowly fell and a rich flower fragrance filled the air.

After a while, she slowly turned and looked at him with serious eyes, "Yes, we're close."

"His feelings towards you aren't normal." Qian Ye An didn't let go, as if he was waiting for an answer that would never come.

"I know!" She revealed a faint smile. A small hibiscus flower fell onto her light blue dress, making her look beautiful.

"You....." He seemed to have something to say, but he stopped. After a long, he never said a word.

"Qian Ye An, I know that some things can't be forced." She looked up at him slightly, "If you're good to her, she will be happy."

This was probably their last time talking face to face alone.

There were some things that were impossible. The unknown things from before had all become clear.

Luo Qing Chen.....had no feelings for him.

Three days later, Luo Jin Yan gradually became better, but Hua Su Ye didn't come looking for her. It was probably as easy as flipping his hand for him to find someone.

When she was still confused, Qian Ye An brought news from the palace.

The crown prince had been locked up by the empress. The reason was: He had stayed in the same room with a man in the eastern palace!

She didn't know where this rumour came from, but Hua Su Ye must be very anxious!

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 905: Crossdressing: Crown highness' slight pampering (Part 37)

The eastern palace.

"Peng!" With a sound of porcelain smashing on the floor, Hua Su Ye closed his eyes and said in a deep voice, "If you don't let me go, don't blame me for not being merciful."

If it wasn't for his mother spoiling him, who would have been able to keep him here in the court and harem.

"Your highness, don't be anxious, the empress is doing this for your good!"

"That's right, your highness. There are rumours all around, you should listen to the empress!"

The two maids were kneeling on the ground, worried that he would do something rash.

After all, concubine Lian looked at him with jealousy. The news of him sleeping with another man in the eastern palace was actually spread.

The emperor was furious and asked the empress to lock him up, cutting off all the rumours.

"Rumours?" He closed his eyes and took a deep breath before muttering, "If it wasn't for those rumours....."

"Your highness, please don't scare these servants!" The two maids looked at each other and their hearts filled with panic."

"The empress is here." When they didn't know what to do, the empress came.

"You can leave first!"

"Yes! Empress!"

"Ye'er, don't cause trouble!" The empress tightly held his hand when she came in and brought him to the side, "The rumours that you didn't like girls was spread by concubine Lian.....this one didn't believe it. But this time, it seemed to have come from your eastern palace."

"So what if it is or isn't....." Hua Su Ye clenched his fists and said, "This child has the right to choose."

"Nonsense!" The empress looked at him with a very strict gaze, "Your father is very angry and is already helping you a crown princess. This time I can't help you!"

As the empress, she had to endure in her entire life. After her two children had been killed, she wasn't able to find the truth for them.

She could only walk on thin ice in the harem. For Hua Su Ye, she had given her sincere support.

Now that the emperor's body was becoming worse each day and the crown prince was reluctant to marry a princess, what would they do if the eighth prince made the first move.....

"Crown princess?" Hua Su Ye gave a cold snort, "I won't marry, I definitely won't!"

—

At the same time, in the court.

"The matter of the crown prince has already spread, it really harms the dignity of the royal family. This minister asks the emperor to come up with a plan to calm this storm!" Minister Deng of the household department came forward with a dark glow in his eyes.

The emperor said with a cold snort, "This one has already asked the empress to pick a suitable woman and we will marry the crown prince on the next auspicious day."

"But emperor....." Deng Ren continued, "If the crown prince isn't willing, what do we do?"

“How do you know he isn’t willing?” The emperor looked at Deng Ren with a dissatisfied look, “Could it be that you know him better than me?”

“No.....No.....” Deng Ren saw the emperor’s expression change and immediately said with a smile, “I’ve heard that the eighth prince’s princess is pregnant again. Congratulations to the emperor on another grandson!”

“Humph.” The emperor gave a smile of contempt, “Daring to say that you understand this one’s crown prince and you even dare ask about the matters of the harem, as well as having the ability to predict the future. The grandchild.....you already know if it’s a boy from the moment the woman is pregnant?”

“This minister.....This minister does not dare.” Deng Ren quickly knelt down, “Please forgive this minister, emperor.”

“This one really wants to cure your crime.” The emperor threw his decree on the ground, “The Deng Family knows what they have done.”

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 906: Crossdressing: Crown highness’ slight pampering (Part 38)

After Deng Ren saw this, he kept calling out he was wronged, but he was taken away by the guards.

Although he wanted to be smart and help the eighth prince say some good things.

The emperor wasn’t a fool. The court and the harem both had to be balanced.

But in his eyes, he had never wavered on who his successor was.

“Since this matter has been opened, then this one will discuss with the ministers the matter of the crown prince’s wedding.” The emperor stroked his beard and said, “According to the list from the empress, there are currently five women who are a match for the crown prince.”

As soon as his voice fell, he looked at eunuch Liu beside him and eunuch Liu handed out the tags to the ministers.

When the conversation started, one of the second rank ministers came forward to say, “This minister believes that mister Du’s daughter Du Wan Er is a perfect match for the crown prince.”

“Mister Luo’s daughter Luo Jin Yan is the number one beauty in the capital. If she becomes the crown princess, she would be a skilled and beautiful woman!” Another minister saw Luo Jin Yan’s name and also stood out.

At this time, Du Xian glared at Luo Shu with eyes filled with hostility.

Everyone knew that the emperor loved the crown prince, so your road would be open if you could get your daughter as the crown princess.

“Un.....” The emperor gave a nod, “The empress also thinks that these two are the most suitable, but this one thinks that minister Luo’s daughter is more suited. The crown prince is rather anxious, a scholarly family like the Luo Family can complement him. What do you all think?”

“Yes, yes, yes.....” The emperor had spoken, so everyone could only agree.

But Du Xian's expression was a bit ugly since he wanted to use this to climb up.

But if the emperor wouldn't give him this chance, he couldn't say a single thing.

"This minister has three daughters....." Luo Shu came out and cupped his hands, "The eldest daughter Luo Jin Yan who is also the number one beauty in the capital has been in poor health recently. The third daughter is from a concubine and the second daughter....."

"Then it'll be the second daughter." The emperor's expression was a bit dissatisfied as he cleared his throat, "This matter will be handed to the empress to take care of, so minister Luo shouldn't let down this one."

Luo Shu was a smart person and he didn't dare say anything else after seeing the emperor's dissatisfied expression. He just bowed and said, "Thank you, emperor."

Actually the play of weakening power in the imperial court, any insider could see it.

The emperor was weakening the eighth prince and concubine Lian's influence, this crown princess was just a starting point.

Whether it was the Luo Family's daughter or not, it couldn't be Du Wan Er.

Everyone knew that the Du Family was close to concubine Lian, so he suppressed Du Xian today. The eighth prince naturally understood this, so if he wanted to become the crown prince.....it would be very hard.

If the emperor didn't want to give it to him, it would all be useless no matter how he and concubine Lian conspired.

—

At the Luo Manor.

"Is big sister feeling better today?" Luo Qing Chen gave her a bowl of millet congee while revealing a faint smile.

"Un." She nodded as her eyes filled with joy.

"Ai, why are you so happy?" She said, "Did your male god confess to you?"

"You....." Luo Jin Yan was stunned as she looked at her in surprise, "It can't be that you....."

She was still curious, why did Qian Ye An suddenly mention her marriage to her father? Could it be that this silly girl said something.....

[**Quick Transmigration Female Lead: Male God, Never Stopping**](#)

Chapter 907: Crossdressing: Crown highness' slight pampering (Part 39)

"Big sister, you're thinking too much." Luo Qing Chen shook her head, "How could I control Qian Ye An?"

But she had been there when he had proposed.

Luo Shu's face was ugly and after confirming it three times with him, he gave a sincere nod.

When walking out of the hall, he said to her, "This is what I owe her, I'll repay it back with this life. But I can't feel the same way towards her as I do you, that will be the secret forever in my heart."

Her shoulders trembled, but she didn't look back. This was probably the best ending for her and Qian Ye An.

"Then why did he suddenly....." Luo Jin Yan shyly lowered her head as a stunned expression appeared on her face.

"Big sister looks this good." Luo Qing Chen pushed the scattered hair on her face back, "You really look good! It's Qian Ye An's blessing to marry the number one beauty in the capital, alright?"

"No." Luo Jin Yan shook her head and said with a certain voice, "It is my blessing."

"Big sister, I've always had something to ask you." She leaned on the bed and looked at her, "Why do you like Qian Ye An?"

She didn't know why Luo Jin Yan who had always been cold and aloof had suddenly fallen in love with Qian Ye An.

The men who liked her were mainly all good people! But there were a few gentlemen whose words and feelings wouldn't lose to Qian Ye An.

"Would you believe it if I said it was love at first sight?" She gently held her hand, "I never believed in love at first sight before, but this feeling is very strange. It was like in that moment, all the blood in my body boiled."

"Ha, ha." Luo Qing Chen heard this and laughed, "Isn't this too exaggerated!"

"It is like that!" She replied, "I just want to get closer, get closer, and get closer."

Seeing how happy Luo Jin Yan was, she really felt relieved. Although she didn't know why Qian Ye An had become like that in the other world, at least the current him had charm.

"As long as you're happy, I think that everything is fine." She closed her eyes and her lashes trembled, as she revealed a smile, "Big sister is such a good person, you deserve to be happy."

"Actually....." She paused before looking at her with a gentle smile in her eyes, "I know that young master Qian doesn't like me.....But if he's willing to marry me, I'm still happy."

Luo Qing Chen heard this and suddenly opened her eyes to see Luo Jin Yan's eyes filled with tears, but there was a smile on her lips.

She could never become like her. If the other side didn't like them, she would still like them.

"I never thought that big sister is this kind of person." Luo Qing Chen gave a soft laugh before giving a shrug, "I always thought that you were a cold and aloof person. If someone doesn't like you, you definitely wouldn't spare them another glance!"

"No, I used to think like this, but after meeting him, I didn't feel that way anymore." She shook her head and said in a certain voice, "Whether he likes me or not is his matter, whether I like him or not is my matter."

"Young miss, second miss, the master wants to announce something in the hall." Xiao Guo quickly ran over and her expression didn't look good.

The sisters looked at each other before falling Xiao Guo to the hall.

Chapter 908: Crossdressing: Crown highness' slight pampering (Part 40)

There was only Luo Shu in the hall right now, all the servants had retreated.

Luo Shu was in the center with a solemn look in his eyes.

Luo Qing Chen very casually sat down and poured herself a cup of tea. She waved the tea to cool it down before taking a sip, "Dad, just tell us if something happened!"

She could tell from Luo Shu's expression that it wasn't a good thing.

"It's dad who has let you down." Luo Shu gave a sigh, "The emperor has given a marriage order and the Luo Family would be cut down if we defy it."

Right now the court was filled with rumours that the crown prince was that, so the emperor had to find a crown princess for him.

But this crown princess definitely wouldn't satisfy the crown prince, even the empress couldn't convince him. Although it was lucky for the Luo Family to receive the right, the person who would be married wouldn't be happy.

He thought that marrying as the crown princess would be sending his daughter out and now that Qian Ye An had already proposed, it was impossible for him to send Luo Jin Yan into the palace.

Therefore when he was in court today, he had said that. He never thought that before he could refuse for his second daughter, the emperor's face would already turn dark.

Now that the Luo Family's position in court wasn't good, he couldn't find a chance to refuse.

"Dad....." Luo Jin Yan staggered back and said, "Who does the emperor want to marry?"

"It's me, right!" Luo Qing Chen slightly knit her brows before chugging the cup of tea, "I won't marry."

"Qing'er, although this crown prince is that, if you can be respectful to each other....."

"I won't marry....." Luo Qing Chen cut Luo Shu off, but she scratched her ear like she had heard something else.

She blinked in a daze and said, "Who did you just say? The crown prince?"

"Yes....." Luo Shu gave a sigh, "I was reprimanded by your mother yesterday, she said that your matters should be decided by you. I'm old now and want to enjoy my life in peace, but I never thought....."

"I'll marry." She pursed her lips into a faint smile, "Dad, don't say anything, I'll marry!"

Without knowing why, she suddenly looked forward to Hua Su Ye seeing her wearing female clothes.

After all, she had been in this world for so long and even she had never seen herself wearing female clothes.

“Qing’er.....” Luo Jin Yan tightly clenched her fists, “Dad, let me marry the crown prince! I’m not afraid that he’s that. I can live a life of just being respectful, but Qing’er can’t.....”

“Why not?” Luo Qing Chen said, “I feel like I can!”

“No, definitely not!” Luo Jin Yan desperately shook her head, “She has already lost too much, didn’t you love her since she was young? As her big sister, I can’t be selfish!”

“I feel like I can!” Luo Qing Chen gave a serious nod before turning to Luo Shu, “When is the marriage?”

“Qing’er!”

“Big sister!”

Luo Qing Chen bit her lips with a bit of difficulty, “This matter is rather complicated, I’ll tell you about it later. In short, it’s better for me to marry into the eastern palace instead of you.”

“Why?”

“Because.....” She narrowed her eyes, “I know him, he definitely isn’t that!”

Luo Shu never thought that Luo Qing Chen would agree to the marriage this quickly since this girl had been a bit arrogant lately and he wouldn’t even have a way out if she didn’t agree.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 909: Crossdressing: Crown highness’ slight pampering (Part 41)

The next auspicious day would be in seven days since after this day, they would have to wait another three months. Their Luo Family could wait, but the royal family couldn’t.

Now that the rumours of the crown prince were all around, the emperor and the empress wanted to suppress this matter as soon as possible.

Qian Ye An and Luo Jin Yan’s wedding was set for a month later since Luo Jin Yan hadn’t recovered yet.

Therefore Luo Qing Chen had to take care of choosing her wedding dress.

This was her first time wearing female clothes in this world.

Under the morning light, she was wearing an alizarin dress with a dual butterfly shape pattern, holding the fan she normally used in her hand. Her clear as water eyes with that white skin and a faint smile, it touched one’s heart.

When Qian Ye An saw her, he was frozen in place.

She suddenly touched her ears in embarrassment, “Is it very strange? Should I change back to male clothes!”

As soon as her voice fell, she turned to leave, but she never thought that Qian Ye An would grab her hand before letting go.

He said with a gentle smile, "It's not strange, it looks very good."

"It really has been many years since I've worn female clothes." Luo Qing Chen said with a faint smile, "This is my big sister's! She said that it isn't good to always wear male clothing."

"She's right." Qian Ye An looked at her with deep eyes and said while laughing at himself, "I envy him a bit."

Luo Qing chen was taken aback. She looked at his eyes and naturally she knew who he was talking about.

But knowing and not doing anything was the best way for them.

"Let's go, we'll choose a wedding dress for big sister."

"Alright."

Beautiful Square.

This was the largest silk store in the capital, the people who chose clothes here were very rich or were high ranking nobles. Although it couldn't compare to the designs of the royal family, most of the workers here had worked for the royal family, only leaving once they became old.

"This young miss is so beautiful, I wonder if she's the young miss of some family. She really looks beautiful." The lady boss knew that she was the daughter of a large family once she saw her clothes.

New customers were always more welcomed by the lady boss. Regulars would always be regulars and new customers could become regulars!

"Un, I'm here to pick a wedding dress for my big sister!" Luo Qing Chen pointed at Qian Ye An on the side, "This is the groom, can you show me your best red fabric?"

"Alright, I'll bring you there!" The lady boss happily walked into the store and she kept muttering, "It really is a big deal."

Qian Ye An didn't seem interested in this shopping, so he stood there being watched by the crowd.

After a while, the rumours from the crowd entered her ears.

"Isn't that young master Qian from the imperial guards?"

"The woman beside him is so beautiful, could it be the number one beauty Luo Jin Yan!"

"Right, right, right, I've heard that young miss Luo and young master Qian were engaged, so they must be here shopping for a wedding dress."

"It isn't! I heard that young miss say that she was picking a wedding dress for her big sister!"

"Big sister.....Could it be that she's the one who the emperor gave the wedding decree to....."

"Shh, be quiet! If you dare gossip about the crown princess, you don't want to live anymore!"

.....

A sharp gaze narrowed among the crowd as those eyes filled with unwillingness.

"Humph! That crown princess position is mine!" Du Wan Er glared at Luo Qing Chen's back as she muttered, "Big brother Su Ye and I are a heaven made match, how is this second miss Luo qualified to steal this from me!"

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 910: Crossdressing: Crown highness' slight pampering (Part 42)

"Young miss, don't be angry." A maid on the side quickly persuaded her, "This is a marriage from the emperor, young miss.....Young miss, please calm down!"

Du Wan Er bit her lip and angrily said, "I don't care!"

As soon as her voice fell, she walked into the Beautiful Square.

At the same time, the lady boss took out a batch of large red fabric and said, "This batch of fabric is a tribute from Jiangnan. It is very soft whether it is in terms of colour or texture. The embroidery was done by the number one master in Jiangnan. Is the miss satisfied with this batch?"

Luo Qing Chen took the cloth and slid her finger across it before giving a satisfied nod.

But she never thought that someone else would speak first.

"I want that cloth." Du Wan Er came over and forcefully grabbed it. There was a look of arrogance as she looked at Luo Qing Chen, "I said that I want it, so how is this person so shameless that she won't let go!"

Luo Qing Chen turned to look over Du Wan Er.

She was wearing a dark green dress and the fabric looked quite good, but it was really ugly when she wore it.

"This....." The lady boss looked awkward before quickly saying, "Young miss Du, you are a regular customer here. This cloth was already taken by this young miss here, so I'll show you another....."

"She took it first?" Du Wan Er said with a smile of contempt, "Did she pay?"

She put an ingot of gold on the table, "This is mine since I paid, do you understand?"

"He, he." Luo Qing Chen let go when she heard this. She revealed a cold smile, but she didn't say anything else.

"What are you laughing at?" Du Wan Er never thought that she would let go this easily as her eyes filled with disbelief.

"He, he." She continued with her cold laughter and walked into the store.

"Hey, you actually dare laugh at me!" Du Wan Er's face was red as she reached out to grab Luo Qing Chen's clothes, but she never thought that Qian Ye An would pull out his sword to stop her, "If miss Du wants to make a move, don't blame my blade for being blind."

"You....." Du Wan Er stomped her foot, "A small guard dares to talk to me like this!"

She naturally knew Qian Ye an, she had been obsessed with him for a while, but he was too proud and cold, so she could only give up.

She never thought that he would be such an annoying fellow!"

"This one is an imperial guard and a second grade minister, what rank does this miss have in court?" He put his sword away with a cold snort, "Why can't I talk to you like this?"

"Pa, pa, pa, pa." Luo Qing Chen pursed her lips and couldn't help clapping for Qian Ye An as she praised, "Handsome, handsome, handsome!"

The surrounding people clapped at the same time, during which some love crazy girls kept praising Qian Ye An!

"Young master Qian is too handsome!"

"Ah, ah, ah, ah, truly handsome! I'm so jealous of young miss Luo!"

".....Shouldn't you be jealous of young miss Luo's appearance?"

"That seems right....."

After a while, Luo Qing Chen found a cloth that looked the same and said to the lady boss, "I want this one."

As soon as her voice fell, she handed the silver to the lady boss. Then she took the same looking piece of cloth as she walked away with a taunting smile in her eyes.

"You....." Du Wan Er angrily looked at the lady boss, "Didn't you only have one piece?"

"Young miss Du....." The lady boss awkwardly looked at her, "I said a batch, it's a total of forty pieces! This....There's no problem with what I said before!"
