Chapter 991: Hello, demonic school hunk (Part 15)

Without knowing why, Li Si Hai grabbed her hand, "I'm hungry too!"

After being angered to death, if he didn't take care of this commoner, he wouldn't be able to say a thing!

As soon as he finished, he saw the blue diamond ring on her right hand and his heart trembled.

"This ring....." He knit his brows as he looked at Luo Qing Chen with deep eyes.

She raised her hand and looked at him, "You know of it?"

Luo Qing Chen naturally knew that the other ring was in 'Li Si Nai's' hands, the other half of the so-called Fate.

But she could feel that when Li Si Nai saw this ring, there was a touch of sadness in his eyes.

Although it was quickly covered up and he said with a deep laugh, "I'll tell you if you treat me to a meal!"

"....." Luo Qing Chen rolled her eyes at him as she muttered: The son of a rich tycoon wanted to be treated, was there a mistake!

But the first thing she had to do was leave this place. It might not just be the students watching soon, the teachers and principal should also be coming.

"Deal!" Luo Qing Chen cleared her throat, "But I'll pick the place!"

"....." The person who fell silent was Li Si Nai!

Luo Qing Chen left the school very easily following Li Si Nai. After all, the Li Group had the highest shares in the Royal Academy, so neither the teachers or the principal dared to stop him.

Luo Qing Chen sat in the passenger seat of Li Si Nai's luxury Maseratti, taking out her phone while guiding Li Si Nai.

Li Si Nai wanted to kick the passenger out of his seat, but he had to be patient!

"Right there!" She turned to look at an old styled small Japanese store and she revealed a faint smile.

"You're certain it's this?" Li Si Nai looked around. All the houses were relatively low hanging and there were houses that were twenty years old, this should be a remote part of A City.

Li Si Nai hadn't been here in several years!

"Young master, this isn't the city center." Luo Qing Chen opened the door as she said, "You can come out if you want to fill your stomach."

"Not going." Li Si Nai raised his brows, looking like a storm that would pass.

How could a young master like him eat in a place like this, this was simply a shame to his status!

“You can eat if you want.” Luo Qing Chen got out while rolling her eyes, but she didn’t forget to add, “I invited you, don’t say that I didn’t because you didn’t want to come!”

“You.....” Li Si Nai closed his eyes and tapped on the steering wheel for a bit before deciding to get out!

He had to order a lot and then not eat it! It wouldn’t be a victory if he didn’t split this commoner’s wallet!

This show was a well known and recommended shop. The decorations were normal and even the signs were old.

But when they walked, they could feel the uniqueness of the decorations. Because of the time, the store was rather empty.

The boss lady came up in a friendly manner and handed them the menu, “The old man just got back from the dock, so our food is quite fresh! This miss really is lucky!”

“Thank you.” Luo Qing Chen took the menu and politely handed it to Li Si Nai, “Do you see anything you want to eat?”

Li Si Nai knit his brows. He looked at the price first before proudly looking at Luo Qing Chen, “Do you commoners all eat things at this price?”

Ten yuan for a bowl of ramen? The restaurants he went to all took tips of at least a thousand yuan, alright?

Chapter 992: Hello, demonic school hunk (Part 16)

“Shut up!” Luo Qing Chen glared at him, not knowing why Li Si Nai was angrily complaining. She just muttered, “How do you even eat!”

The lady boss had an awkward look, naturally knowing that the other side was looking down on their things.

“Eat it if you want, don’t regret it.” Luo Qing Chen took the menu and said to the lady boss, “I want a plate of yakisoba, tempura shrimp, a portion of tonkotsu, and an okonomiyaki, as well as two drinks, thanks!”

“Alright, please wait a minute!”

“Are you a pig? Can you eat that much alone!” Li Si Nai couldn’t help being a bit surprised by what she ordered. She was clearly this thin, how could she eat that much!”

“The sea is immeasurable, don’t you know that?” Luo Qing Chen made a face at him, “Don’t be greedy and steal off me!”

“I won’t eat!”

—

Fifteen minutes later, the delicious fragrance filled the entire Japanese shop.

Luo Qing Chen took a deep breath and swallowed her saliva as she chirped, "So hungry, so hungry!"

"You can't eat this much even if you're hungry!"

"Who cares!"

Luo Qing Chen looked over Li Si Nai and he was clearly drooling over it, but he was still acting reserved.

"Miss, your yakisoba!" The lady boss had a bit of confidence and a bit of worry in her eyes.

After all, when people doubted their prices for being too cheap, she would want to use her dishes to prove that they could eat different delicacies at this price.

A plate of fragrant yakisoba came out. Luo Qing Chen picked up her fork and sucked up a large mouthful.

The fragrance filled the air and the taste buds on her tongue jumped up.

Although it was normal noodles, it was topped with sweet and salty sauce and tender chicken. The first bite made people feel that this was the authentic taste of Japanese yakisoba!

"God, is it really that good?" Li Si Nai pursed his lips and his stomach gurgled, "Too exaggerated!"

Luo Qing Chen couldn't help feeling that he was a bit cute when he clearly wanted to try, but he still held himself back. She raised her hand and brought the noodle to his mouth, "You won't know if it's good or not if you don't try it! If it's not good, we'll go to a five star restaurant!"

"You said it, don't regret it!" Li Si Nai wanted to open his mouth, but it was like he realized something as he said, "You used this fork, if you feed me the noodles, then isn't this an indirect kiss!"

He had never shared utensils, his food was always served separately on plates and he was very clean!"

"What a joke!" Luo Qing Chen rolled her eyes. She moved her hand forward and tapped his lips with the noodles, "You act like we've never kissed before!"

"....." Li Si Nai was speechless.

"Puchi." The lady boss had accidentally heard their words and couldn't help saying with a faint smile, "What a sweet couple!"

"....." Luo Qing Chen was speechless.

Li Si Nai obediently opened his mouth and took a large mouthful of the yakisoba. Luo Qing Chen could see the change in his eyes and the speed at which he chewed.

She took back her fork and she was prepared to keep eating.

Li Si Nai grabbed her wrist and said, "You eat the others."

He was speaking while picking up the plate of yakisoba in front of him, eating it bite by bite after picking up a fork.

It was a very simple taste, like the noodles his mother used to cook. There wasn't much change to it and there were simple ingredients, but it created an absolutely delicious taste.

Chapter 993: Hello, demonic school hunk (Part 17)

"Why don't you order one yourself!" Luo Qing Chen swallowed her saliva, she wanted to eat too!"

"Order another portion!" Li Si Nai ate while giving the lady boss a thumbs up.

"Why don't you order one then!"

"I have to wait!"

God damn!

Luo Qing Chen wanted to pick up the tempura shrimp, but Li Si Nai was faster. He took the shrimp in her hand and dipped it in some delicious Japanese wasabi. The taste and look were perfect.

"What, is it good?" Luo Qing Chen was too lazy to snatch from him, but a faint smile appeared on her lips.

He didn't reply, he just said with a nod, "You have good eyes for choosing delicacies."

"I don't feel proud about your praise!" She ate the tonkatsu while looking at him with a serious look.

"Just your complaining makes you not seem like a girl at all." Li Si Nai's eyes fell onto her sauce stained lips and his heart skipped a beat.

There was a very strange feeling, there was a feeling of wanting to wipe the sauce off for her.

It wasn't using tissue or using his hands.

Li Si Nai handed her a tissue and said, "Wipe it up, you look like a cat."

"....." Luo Qing Chen tossed the tissue aside and ate the tonkatsu with large bites, not forgetting to say, "Why do you like giving people nicknames that much!"

What female pervert, what idiot, what cat!

Nonsense!

All strange!

"This isn't a nickname!" Li Si Nai was half full as he leaned back in his seat, "These are called facts!"

"Scram." Luo Qing Chen narrowed her eyes and said, "I've already treated you and you've eaten your fill! As the saying goes, gifts blind the eyes! Let's return to the main topic!"

They came out for a meal for the origin of the ring, it wasn't to become good friends over a meal, alright?

"Ke, ke." Li Si Nai heard this and took a sip of his drink. He seriously looked over her, "You really aren't like the girl my grandfather described!"

This grandfather talked about the girl who had the ring, her mother and his mother were very good friends back then.

“Grandfather?” Luo Qing Chen narrowed her eyes, “The Li Group’s chairman?”

“Un humph?” Li Si Nai looked at her ring and said, “Didn’t you want to know where the ring came from?”

He paused before continuing, “It’s called Fate.”

“Get to the main point!” She curled her lips and said, “Why is there this ring and why do we each have one?”

“Your mother didn’t tell you?” Li Si Nai said with a shrug, “The one who designed this ring was my mother!”

This was his mother’s last work and she had named it Fate.

“Oh.” Luo Qing Chen gave a thoughtful nod and then she thought of what Luo Wan had said.

-This was her final piece before death and also the one she is most satisfied with!-

“This really is a great design!” She said, “No matter what, thanks for your explanation!”

As soon as her voice fell, she put the money on the table and left the restaurant without turning back.

[Ding, affection has increased by twenty. Mission completion rate is now 0%.]

She didn’t understand why Li Si Nai suddenly gave her affection. Perhaps it was because the Japanese food tasted too good or because her back was too charming.

Chapter 994: Hello, demonic school hunk (Part 18)

“Ding ling.”

There was a call on her cell and Luo Qing Chen heard Su Xiao Xiao’s anxious and soft voice when she picked up.

“Qing Chen, where are you?” Su Xiao Xiao lowered her voice and said, “If teacher Gu finds out that you were skipping class, she’ll be very angry.”

Luo Qing Chen was surprised before suddenly remembering it was time for class. Li Si Nai wouldn’t be scolded by the teachers, but that didn’t mean she wouldn’t, right?

“Got it, I’m coming back!”

—

Luo Qing Chen never thought that it wouldn’t be teacher Gu waiting for her, rather.....

“Right! It’s her, she actually forced a kiss onto our young master Li, so disgusting!”

“That’s right! But she isn’t our young master Si’s, so I object to this!”

"Big sister Na Na, this girl is clearly someone trying to aim for young master Li! Look at the ring on her right hand, she's clearly trying to act like a couple with young master Si! Truly disgusting!" Yan Shui Qing said from the side as her eyes filled with disdain!

Mi Xue Na clenched her fists and her face twisted a bit, as the crystal crown on her head trembled!

She couldn't take it anymore as she charged to F Class.

Everyone's eyes fell onto Luo Qing Chen at that moment.

Su Xiao Xiao knit her brows in worry as she silently stood by Luo Qing Chen's side.

"Ai, now the commoner class wants to get close to our young master Li? You want to become a phoenix?" Mi Xue Na's goal was clear, she came towards Luo Qing Chen step by step. She crossed her arms and looked down at her with an imposing look, "Stop guessing, you're the one who's trash!"

Luo Qing Chen casually leaned on her desk and tapped it with her right index finger.

This casual pose made Mi Xue Na even more angry.

She angrily glared at her and said, "Surnamed Luo, I'm talking to you, are you deaf? Let me tell you, trash like you aren't sparrows at all, you're just nothing more than crows, understood?"

Luo Qing Chen gave a cold laugh and touched her ear, "Do you know what you look like right now?"

"Me?" Mi Xue Na tidied up her uniform that was covered in perfume and the dazzling crystal crown before saying, "I am naturally a princess."

"If you can't even understand the simple concept of a shrew." Luo Qing Chen looked at her with ice cold eyes, "Then you should go back to elementary school and relearn these idioms again!"

Her words weren't strong or soft, it was just right. Every word was filled with strength and had a firm domineering tone.

"What did you say! You trash commoner, what qualifications do you have to talk about our big sister Na Na!" Yan Shui Qing took a step forward. When she wanted to raise a hand, Su Xiao Xiao was surprised and directly jumped out to grab her hand, as she said in a fearful voice, "Don't fight.....don't fight!"

Yan Shui Qing flicked her hand and sent Su Xiao Xiao to the ground. She said in a voice of disdain, "What does it matter do you, scram for me!"

Luo Qing Chen narrowed her cold eyes and a bloodshot look filled them. Her right hand quickly grabbed Mi Xue Na's collar and she pushed her to the classroom window, "This follower, do you have the ability to say that again?"

Yan Shui Qing was stunned as her face turned pale.

This was the sixth floor and Mi Xue Na was currently halfway out the window. As long as Luo Qing Chen let go, she might lose her balance and fall out.

"Ah, you.....What do you want to do!" Mi Xue Na said in a trembling voice, "You, you.....You, you.....You're going against the law!"

“Didn’t you say that I was a commoner?” Luo Qing Chen pressed down with her right hand, “Going with you to the path of yellow springs, it’s worth it!”

Chapter 995: Hello, demonic school hunk (Part 19)

Mi Xue Na called out in fear and said in an angry trembling voice, “You are a freak!”

“Freak?” Her brows relaxed as she revealed a faint smile, “This doesn’t seem wrong.”

Without knowing why, when she pushed Mi Xue Na to the edge of life and death, there was a strange feeling of jealousy that seemed to be burning her heart.

“You.....” Mi Xue Na’s face was already very pale. She bit her lip and said, “What do you.....want to do?”

“Have your little follower help our Xiao Xiao up, she has to be graceful and gentle.” Luo Qing Chen narrowed her eyes and her gaze fell onto Yan Shui Qing.

She hated girls who thought they could do anything they wanted since they had a backer.

Please! It’s fine if you act up if you’re a young miss, but you’re not embarrassed acting up as a follower!”

“Big sister Na Na.” Yan Shui Qing was clearly very unwilling since she had never helped up any commoners!

She felt that their uniforms were filled with germs and it was disgusting.

“What are you standing in a daze for?” Mi Xue Na saw Yan Shui Qing’s hesitant appearance and her expression became uglier.

Yan Shui Qing’s parents were just a small upstart, so naturally they didn’t give her much spending money.

She paid for everything for Yan Shui Qing, she gave her all kinds of luxury goods.

This girl was hesitating now that she was in danger!?

Yan Shui Qing reluctantly looked at her. She impatiently helped Su Xiao Xiao up while saying with a dark voice, “The newest Chanel perfume is coming out!”

Mi Xue Na heard this and her expression was incredibly ugly! It was the same colour as shit.

Everyone in F Class began to whisper at the same time.

“Ze, ze, so the friendship between rich people is this fake!”

“So it’s like this! It’s all based on money.”

“It feels vulgar thinking about it, our friendships are much purer.”

Yan Shui Qing spoke in an angry voice after hearing this gossip, “I’ve already helped the commoner up, why aren’t you letting go of big sister Na Na!”

Luo Qing Chen's eyes were cold. She wanted to keep going, but she could tell the teacher would be here soon from Su Xiao Xiao's ugly expression.

She gave a cold snort and pushed Mi Xue Na away!

But she never thought that the moment she pushed her, she would pull at the ring on her finger.

"Trash commoner, you've prepared quite a bit to get close to our young master Li! You even prepared these fake goods?"

Mi Xue Na took 'Fate' and looked it over with eyes of disdain.

Luo Qing Chen narrowed her eyes and a dangerous look appeared in them as she coldly said, "Un humph? What do you want to do?"

"What do I want to do?" Mi Xue Na tightly held the ring, "This fake item isn't worthy of being similar to young master Li's ring."

As soon as her voice fell, she prepared to throw the ring out the window.

"If you throw it out." Luo Qing Chen had a deep chill in her eyes as she looked up with her hands in her pockets, "You'll suffer the consequences."

Mi Xue Na trembled and her hands unknowingly stopped. Her heart was filled with a sort of fear.

This feeling was so strong that her hands couldn't help start to tremble.

But her confidence pushed her forward, she couldn't retreat.

Chapter 996: Hello, demonic school hunk (Part 20)

"You filthy commoner, this young miss isn't scared of you." Mi Xue Na bit her lip and went forth with her domineering aura!

The ring was thrown in a beautiful arc in the air.

At the same time, Luo Qin Chen was about to jump out to grab the ring.

There was a white figure that charged forward and with a quick turn, his right hand came out, holding the ring right over the window.

"Wa, so handsome!" Everyone immediately cheered out.

"Li Si Nai is so handsome!"

"This is my first time being near him, I'm so excited!"

"This is simply a youth that's from a novel!"

.....

Luo Qing Chen's lips twitched. Her inner OS: Whether it is a rich person or a normal person, they can't resist a handsome man!

"You fool!" Li Si Nai suddenly turned and looked at Luo Qing Chen with a hard look, "You'll die of your stupidity!"

[Ding, affection has increased by twenty. Mission completion rate is now 20%.]

After leaving the Japanese restaurant, Li Si Nai rushed back. There would be a certain figure that appeared in his mind every thirty seconds with a faint scent of strawberries.....lingering.

He didn't know if this strange feeling was because of that person. He wanted to use his dazzling position to make that person see how popular he was.

Could this be the legendary.....vanity?

This was a very strange feeling, but he never thought that he would see this scene as soon as he appeared in Class F!

"You....." Luo Qing Chen's heart had completely collapsed at this moment!

She was cut off by a fake sounding voice when she wanted to speak.

Mi Xue Na had a very happy smile and was feeling very good as she looked at Li Si Nai with a charming gaze, "Young master Li is right, this girl really is an idiot. She's a trash commoner and she thinks she can ascend."

She said this while wildly laughing. Yan Shui Qing behind her also began laughing.

Their two voices coming together really grated the ears.

"Did I allow you to speak?" Li Si Nai narrowed his cold eyes and the chill came from him layer by layer, making people's hairs stand on end.

"Young.....Young master Li....." Mi Xue Na awkwardly looked at him, "I'm helping you! I've always stood on your side, you said that she was....."

"I'm qualified to speak about her, but....." He paused as he looked at her with a gaze filled with domineering, "You're not."

Without knowing why, he could keep arguing with her, going back and forth. But this was a circle that belonged to the two of them, he hated others trespassing.

"Young master Li, what is wrong?" Mi Xue Na had an aggrieved look as her eyes filled with tears, "She is just a commoner! Didn't you hate commoners the most before?"

Everyone knew this, the Royal Academy's Li Si Nai hated women approaching him and he never interacted with commoners!

Right now he stood on this commoner's side, this was simply unbelievable!

Li Si Nai said with a cold laugh, "You think that you're that noble?"

In Li Si Nai's mind, only the four young masters of A City could be considered nobles.

For someone like Mi Xue Na, she was just padding.

In his eyes, she wasn't anything.

"I....." Mi Xue Na bit her lip and said in an unwilling voice, "I am a noble! Young master Li, I think that I am the most qualified person to be by your side, don't you know that?"

Chapter 997: Hello, demonic school hunk (Part 21)

"You?" Li Si Nai gave a snort of disdain as his lips curled into a faint curve. Then he looked at her with a cold smile, "Please don't take your ignorance as pride, it truly is laughable."

As soon as his voice fell, he turned to Luo Qing Chen. There was still the same lazy expression in her eyes like in the beginning, it was like she was saying: I'm very satisfied with your answer!

"Aren't you clear and concise when you complain to me? Why did you lose your ring now!" Li Si Nai's stern eyes became a bit gentle and had a trace of pampering.

He took her right hand and carefully put the ring in her finger, as shocked gasps came from around them.

"God, I can't believe my eyes anymore! Didn't young master Li hate people touching him the most?"

"Could it be that the new classmate is his true love, the girl of his heart!"

"Could it be that young master Li likes active girls and not passive ones!"

"That Mi Xue Na is still very active, but young master Li doesn't look at her!"

"Che, che, che, that's right! In short.....I envy this new classmate!"

.....

He didn't feel annoyed at this time, rather he felt a bit.....proud!

"Because of you!" Her lips curled as her voice had a charming tone to it.

She felt a bit moved, although she could have solved this matter perfectly herself.

But if there's a handsome boy to save her, why would she complain?

Li Si Nai heard this and his heart skipped a beat. Just looking in her direction, he could see a dazzling glow coming from her.

At that moment, Mi Xue Na used sinister eyes to glare at Luo Qing Chen and Su Xiao Xiao who she knew for a bit.

This matter had ended this strangely. After all, with Li Si Nai here, no one dared to do anything.

But Luo Qing Chen never thought that Mi Xue Na would avoid troubling her, rather she would go for Su Xiao Xiao.

After school that day, she went to a luxurious apartment that was a two hundred and forty square meters luxury apartment.

The people who lived in that building were all very rich.

"This young miss, our building has views of the north and south, so the lighting is very good. It is very suitable for a beautiful young miss like you to live in." The realtor sales lady spared no effort in promoting this house.

She was very satisfied, but the rental price wasn't satisfactory.

"Has this miss considered it?" Seeing her hesitate, the realtor lady continued, "The owner of this house has gone to America, otherwise he wouldn't rent this out! This really is a golden opportunity!"

At this time, another realtor lady came over. She wasn't dressed as formally as the other lady, rather she dressed up as much as possible.

When she walked in front of them, she didn't forget to say with a snort, "You can tell she's poor just with a single look, you can even bring this kind of client over! Yo, yo, yo, it's no wonder you have such poor performance each month!"

The other lady was stunned and her face turned red, as her expression became a bit ugly. She was indeed new to the industry and she used a more objective stance to view the customer's situation. She wasn't like this girl who dressed up, ignoring the customer's needs and mixing in false information!

"Un, this really isn't bad." Luo Qing Chen raised a brow when she heard this, "Then can you ask if the owner is willing to sell the house? Price isn't an issue."

Once her voice fell, the girl who dressed up instantly twisted and looked back in disbelief.

[Quick Transmigration Female Lead: Male God, Never Stopping](#)

Chapter 998: Hello, demonic school hunk (Part 22)

She didn't like being hesitant, why rent when you could buy? Renting in her eyes was just giving people money.

There was no need!

The dressed up girl gave a snort and reluctantly turned as she left.

The girl beside her clearly didn't react in time before she looked her up and down, "This miss, do you really want to buy this house!"

"Really!"

"It's really expensive....."

"With money you can be willful!"

"....."

"Actually it's a waste of money for you to live in such a large house alone. How about I help you find a smaller high end apartment with gorgeous decorations!" This house was actually being sold, but no one had asked about the price since it was too expensive.

Although if she closed the order today, she would definitely be first for the month.

She felt it was wrong to cheat a little girl.

“Then be honest with me, isn’t this house really good!”

“It is indeed very good and it’s all brand new! The owners are a young couple that wanted to live in the country, but they never expected that the male side’s father would get a green card and they would all move to America! They never even lived here after renovating it!” The realtor lady seriously explained everything!

“Then it’s all ok!” Luo Qing Chen said with a chuckle, “Buy, buy, buy!”

“Ding ling.” There was a ring from her cell, it was from Su Jing from their class.

Because Su Jing was the class monitor, she had saved his phone number on the first day for emergencies.

“Hey!”

“Is this classmate Qing Chen?”

“Un.”

“Something has happened to Su Xiao Xiao.”

When she heard these words, her heart skipped a beat.

She didn’t even need to think about it, she knew that this was related to Mi Xue Na.

In a dirty alley, Su Xiao Xiao was pushed up against the garbage bin and her white sweater was stained with spots of a drink.

Yan Qing Shui came over with a bowl of hot instant noodles and said to her, “You dirty commoner, you dare to make me help you up last time, how can you be this shameless! Why don’t you look at your identity, you aren’t even qualified to hold my shoes.”

Su Xiao Xiao curled up in the corner and had her hands over head as she lowered her head.

Surrounding her were several second year Class A students led by Mi Xue Na, most people were too scared to help seeing this.

After all, although Mi Xue Na was a small person in Li Si Nai’s eyes, her status among the others was still quite high.

“I’m not making it hard for you.” Mi Xue Na had her head up high and her dyed golden hair curled a bit. She looked at her and said, “If you help me secretly put some things in Luo Qing Chen’s bag, I’ll let you go today.”

As soon as her voice fell, Su Xiao Xiao looked at the rolling bag and saw it was filled with terrifying mice.

The claws of the mice had even broken the bag and they wanted to get out.

She lowered her head even more and desperately shook it.

“Yo, big sister Na Na, look, she’s still not willing!” Yan Qing Shui poured the bowl of noodles over her head and everyone broke out in laughter, but Su Xiao Xiao didn’t make a single sound.

She just bit her lip and hugged herself as her tears fell down drop by drop.

Su Jing stood not far away, tightly clenching his fists as his heart kept beating fast.

He had already been here for a long time. Since Su Xiao Xiao had been blocked in, he had been standing here, but he never had the courage to go forward.

But now it seemed like he couldn’t take it anymore.

Chapter 999: Hello, demonic school hunk (Part 23)

“Stop!” A lazy voice sounded and came from the other side before Su Jing could do anything.

His hands were in his jacket pockets and there was a slightly serious look in his eyes.

“Young master Nan.” Mi Xue Na slightly knit her brows. The number two of the A City four young masters, why did the famous Nan Luo Ze appear here?

Could it be that he knew Su Xiao Xiao?

What was wrong with handsome guys now? Did they like being friends with commoners?”

“Hi, Na Na.” Nan Luo Ze moved towards Su Xiao Xiao as he greeted Mi Xue Na.

This very strange action became natural when he did it.

“Does young master Nan know this commoner?” Mi Xue Na’s tone was a bit angry, but she couldn’t express her anger towards Nan Luo Ze. She could only suppress her anger and look at him with crossed arms.

“I don’t.” When Nan Luo Ze took Su Xiao Xiao’s hand, she couldn’t help trembling before moving away.

In Su Xiao Xiao’s world, she was definitely very dirty now. How could the dirty her let this clean young man touch her?

The young man’s eyes filled with surprise, but he gently took her hand again.

She was still trembling, but she didn’t reject him this time and just buried her even lower.

“Since you don’t know her, what is young master Nan doing?” Mi Xue Na stuck her head up high and looked down on Su Xiao Xiao.

“You don’t need to help me.....” Su Xiao Xiao lowered her head as she softly said these words.

Nan Luo Ze had to prick his ears and seriously listen to hear this.

This girl, she was considered cute. He wasn’t someone who liked being nosy, but his 200 EQ was different from other people’s.

As Li Si Nai’s bosom friend, he had heard all kinds of rumours when Luo Qing Chen transferred in.

He thought that Li Si Nai would decisively make Luo Qing Chen disappear, but he didn't do this and it was like he had changed. When he was 'happily' talking to Luo Qing Chen, his lips couldn't help curling.

Although he hadn't seen it many times.....for Li Si Nai, this was a very rare appearance.

He heard that this Su Xiao Xiao was Luo Qing Chen's good friend and Mi Xue Na causing trouble for her should be because of Luo Qing Chen.

Him coming out to help her could be considered helping his brother who hadn't appeared yet.

"I'm just saying, I didn't know her before." Nan Luo Ze carefully put his hand on Su Xiao Xiao's shoulder and brought her into his embrace, "But from now on, she's my girlfriend."

"What?" Mi Xue Na looked at Nan Luo Ze in disbelief and Yan Shui Qing on the side had her face turn red in rage.

Everyone at the school knew that Yan Shui Qing had had a crush on Nan Luo Ze for many years, all the way from junior high school to high school.

But Nan Luo Ze treated her like any other girl. In less than three days, he had cruelly said goodbye to her before she could even hold his hand.

She would never forget the gentle tone he had when he said goodbye. Her heart was filled with discomfort, but she had to accept it.

Nan Luo Ze had already become a hurdle that Yan Shui Qing couldn't get past and she had a deep grudge towards every girlfriend he had after.

But when she saw their sad appearances with a smile, whenever she saw those shameless girls being thrown away just like her, she felt incredibly happy.

But it was different today. Nan Luo Ze always took girlfriends from the girls who confessed to him.

There was no girl who had become his girlfriend without confessing to him first.

Chapter 1000: Hello, demonic school hunk (Part 24)

Just like it meant, he never chased anyone.

"Young master Nan, how could you be with this dirty commoner?" Yan Shui Qing looked very anxious and almost like she was about to cry as she muttered, "Young master Nan, quickly come over here. She's this dirty, don't stand with her."

How could an elegant man like Nan Luo Ze stand with a dirty commoner? In her eyes, he was a match for a girl like her.

She even dreamed of a beautiful scene where she would be with Na Luo Ze, standing by Mi Xue Na and Li Si Nai's side.

Then the four of them would attract everyone's attention when walking through the campus!

This was her dream. She also firmly believed that if she stayed in a good relationship with Mi Xue Na, this dream would become reality.

But now, reality had given her a fierce slap that caught her off guard.

"I'll say it again, she is my girlfriend now." Nan Luo Ze's eyes turned cold. Although his tone was gentle, one could hear a chill from it.

Without knowing why, Nan Luo Ze felt a desire to protect her right now that came from the bottom of his heart. He wanted to protect this person who was trembling in his embrace.

It was very strange, but also very new.

Nan Luo Ze said this word for word, so Mi Xue Na knew that she couldn't touch Su Xiao Xiao today.

She stomped her foot and left without a word.

Yan Shui Qing wasn't the same, she angrily pointed at Su Xiao Xiao and said, "I'll be waiting in three days!"

When Luo Qing Chen arrived, she heard what Yan Shui Qing said.

Of course, she also saw Su Jing standing not far away. There was a deep look in his eyes and a helpless expression that people couldn't see through.

When they all left, Su Xiao Xiao struggled a bit and broke free of Nan Luo Ze. She lowered her head and said, "Thank you."

She never raised her head since the beginning, lowering it the whole time, afraid that someone would see her.

"Why don't you raise your head!" Nan Luo Ze gently took the strand of noodles off her head before stretching out a slender hand, "Hello, I am Nan Luo Ze."

"I know....." She gave a slight nod as she rubbed her burnt red hands together.

She was a girl with low self esteem, so she grew up without love since her parents were separated.

Gradually she became more silent and she felt that she wasn't worthy of having anything. She gradually became a very lonely and depressed girl.

For Su Xiao Xiao, Nan Luo Ze was like a 'dream'. She could only silently watch from afar, he was someone she could never approach.

At that moment, she was embarrassed like this in front of him, she felt herself becoming smaller, humble, and embarrassing.

"So, what is your name?" Nan Luo Ze seriously looked at her and he was feeling a bit nervous without knowing why.

He felt very afraid the other side would reject him, rejecting to have contact with him.

“She’s called Su Xiao Xiao.” Luo Qing Chen slowly walked over and narrowed her eyes. She had a faint teasing smile as she looked at Nan Luo Ze and said, “Thank you for saving our Xiao Xiao.”

“Don’t let others take care of your troubles.” Nan Luo Ze’s tone wasn’t good, completely changing his original intention of wanting to save Su Xiao Xiao.

The him with a high EQ said such a low EQ thing, he felt like he had suddenly changed.
